

CHAPTER 1.

An Act to confirm a Provisional Order under the Private Legislation Procedure (Scotland) Act 1899 relating to Aberdeen Harbour (Rates). A.D. 1933.

[28th July 1933.]

WHEREAS the Provisional Order set forth in the schedule hereunto annexed has been made by one of His Majesty's Principal Secretaries of State under the provisions of the Private Legislation Procedure (Scotland) Act 1899 as read with the Secretaries of State Act 1926 and it is requisite that the said Order should be confirmed by Parliament : 62 & 63 Vict.
c. 47.
16 & 17
Geo. 5. c. 18.

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows :—

1. The Provisional Order contained in the schedule hereunto annexed is hereby confirmed. Confirmation
of Order in
schedule.

2. This Act may be cited as the Aberdeen Harbour (Rates) Order Confirmation Act 1933. Short title.

A.D. 1933.

SCHEDULE.

ABERDEEN HARBOUR (RATES).

Provisional Order to amend the provisions of the Aberdeen Harbour Acts 1895 to 1932 relating to rates and for other purposes.

WHEREAS by the Aberdeen Harbour Act 1895 (hereinafter referred to as "the Act of 1895") the Aberdeen Harbour Commissioners (hereinafter referred to as "the Commissioners") were incorporated and the Acts then in force relating to the harbour of Aberdeen were repealed amended and consolidated :

And whereas the powers of the Commissioners of levying rates were for the most part conferred on the Commissioners by the Act of 1895 as amended by the Aberdeen Harbour Order 1909 and were extended as regards the period of duration by the Aberdeen Harbour Order 1920 and the Aberdeen Harbour Order 1932 and powers of levying increased rates were conferred on the Commissioners by orders made by the Minister of Transport under the Harbours Docks and Piers (Temporary Increase of Charges) Acts 1920 and 1922 :

And whereas by the Aberdeen Harbour (Rates) Order 1924 further powers of levying rates were conferred on the Commissioners :

And whereas it is expedient that the rates so authorised should be varied or revised and that the Commissioners should be authorised to levy additional rates as in this Order provided to enable them to maintain their undertaking in a state of efficiency :

And whereas it is expedient that the further powers in this Order mentioned should be conferred on the Commissioners :

And whereas the purposes aforesaid cannot be effected without an Order confirmed by Parliament under the provisions of the Private Legislation Procédure (Scotland) Act 1899 :

Now therefore in pursuance of the powers contained in the last-mentioned Act as read with the Secretaries of State Act 1926 the Secretary of State orders as follows :—

A.D. 1933.

1. This Order may be cited as the Aberdeen Harbour (Rates) Order 1933 and this Order and the Aberdeen Harbour Acts 1895 to 1932 may be cited together as the Aberdeen Harbour Acts 1895 to 1933.

Short title and citations.

2. The Harbours Docks and Piers Clauses Act 1847 (in this Order referred to as "the Harbours Clauses Act") with the exception of the sections with respect to lifeboats with respect to keeping a tide and weather gauge and with respect to buoys lighthouses and beacons and also with the exception of sections 22 25 26 and 30 is hereby incorporated with and forms part of this Order Provided that the following expressions used in the Harbours Clauses Act shall have the following respective meanings (that is to say) :—

Incorporation of general Act.

The expressions "packet boat" and "Post Office packet" mean respectively a vessel employed by or under the Post Office or the Admiralty for the conveyance under contract of postal packets as defined by the Post Office Act 1908 and the expression "Post Office bag of letters" means a mail bag as defined by the same Act.

The expression "vessel" in section 28 of the Harbours Clauses Act shall include any floating dock seaplane hydroplane airship and similar craft and any vessel of exceptional construction or method of propulsion belonging to or employed in the service of His Majesty :

Provided that nothing in the Harbours Clauses Act or in this Order shall extend to exempt from rates or duties any such vessel as aforesaid if such vessel also conveys passengers or goods for hire.

3. In this Order the several words and expressions to which meanings are assigned by the Aberdeen Harbour Acts and the Act partially incorporated herewith have the same respective meanings unless there be something in the subject or context repugnant to such construction.

Interpretation.

And in this Order—

"The Act of 1895" means the Aberdeen Harbour Act 1895;

4.—(1) On and after the first day of October one thousand nine hundred and thirty-three Schedules A B and C to the Act of 1895 as amended by the Order of 1909 and by the Order of 1924 are hereby repealed and the Schedules A B and C to this Order are substituted in lieu thereof respectively and the Commissioners may subject to and in accordance with the provisions of the Act of 1895 and of this Order levy demand and recover the rates specified in the Schedules A B and C to this Order from the persons liable for the payment of the same and all the provisions of the Aberdeen Harbour Acts relating to the schedules to the Act of 1895 hereby repealed including the provisions for the security on such rates for money borrowed under the authority of the Aberdeen Harbour Acts shall be read and have effect as if the Schedules A B and C to this Order had formed part of the Act of 1895.

(2) On and after the said first day of October one thousand nine hundred and thirty-three section 14 (Amendment of Schedule A to Act of 1895 as to rates for vessels and of Schedule B to Act of 1895 as to rates for fresh herrings) of the Order of 1909 and the Order of 1924 are hereby repealed.

Rates for
coastwise
goods.

5. The Commissioners on and after the first day of October one thousand nine hundred and thirty-three may in respect of goods imported or exported coastwise levy demand and recover such rates lower than those

in force for the time being in pursuance of the Aberdeen Harbour Acts and this Order as the Commissioners may fix by resolution passed in terms of the procedure prescribed in section 78 (Power to vary rates) of the Act of 1895 Provided that any rates so fixed shall not be less than fifty per centum of the rates for the time being charged in respect of goods imported or exported other than coastwise Provided further that for the purposes of this section the words "goods imported or exported coastwise" shall be construed as meaning goods imported or exported in vessels falling under Class First of Schedule A (Rates for Vessels) to this Order. A.D. 1933.
—

6. All rates which at the first day of October one thousand nine hundred and thirty-three may be due or payable to the Commissioners under the schedules repealed by this Order may be levied collected sued for and recovered by the Commissioners in the same manner as if this Order had not been confirmed. Recovery
of rates
due before
repeal.

7. Subject to the provisions of the Air Navigation Act 1920 and any Act amending or extending the same or of any order made under or in pursuance thereof and to the provisions of this Order the Commissioners may levy from the owner agent master manager or other person having charge thereof on and in respect of floating docks seaplanes hydroplanes airships and similar craft or vessels of exceptional construction or method of propulsion entering or using or departing from the port and harbour such reasonable rates as may from time to time be fixed by the Commissioners Provided that the rates levied under this section on and in respect of seaplanes hydroplanes and similar craft shall not exceed a uniform rate of one shilling per linear foot of maximum wing span. For all vessels to or from any port or place under Class Second Class Third Class Fourth or Class Fifth which shall discharge and/or load part cargo only at the port and harbour and which during the same voyage either have called or are to call at another port or place with or for the other part of the cargo there shall be charged for each of the first ten voyages in any year in Class Second and for each of the first six voyages in any year in Class Third and for each of the first four voyages in any year in Class Fourth or Class Fifth only three-fourths of the tonnage rates otherwise chargeable according to the most distant port at which the part cargo so discharged shall have been taken on board or at which the part cargo so loaded is to be discharged :

Provided that the weight of cargo loaded and/or discharged on the same voyage does not in the aggregate exceed in number of tons gross weight the number of tons reckoned in the net register tonnage of such vessel plus (in the case of vessels in Class Third Class Fourth or Class Fifth) the tonnage of the space occupied by deck cargo and that in the case of vessels in Class Third Class

[Ch. 1.] *Aberdeen Harbour* [23 & 24 GEO. 5.]
(Rates) Order Confirmation Act, 1933.

A.D. 1933. Fourth or Class Fifth only one-half instead of three-fourths of the tonnage rates otherwise chargeable shall be charged if the weight of cargo loaded and/or discharged on the same voyage does not in the aggregate exceed in number of tons gross weight one-fourth of the number of tons reckoned in the net register tonnage of such vessel plus the tonnage of the space occupied by deck cargo. For the purpose of this proviso in the case of timber fifty cubic feet of timber of King's calliper measure or extreme measure shall be reckoned as a ton.

The rates before specified shall not be charged both on the arrival of a vessel inwards and on her next following sailing outwards but shall be charged only on one of these occasions and it shall be in the option of the Commissioners to charge the rates according to the class either on the sailing inwards or on the sailing outwards. If the rates shall be charged on the sailing outwards there shall be deducted therefrom the amount of rates that may have been previously paid on the sailing inwards but if any vessel having sailed inwards sail outwards in ballast the rates shall be charged only on the sailing inwards.

Pleasure yachts although not carrying goods or passengers for hire are included in the foregoing classes.

There are excluded from the foregoing classes the following vessels viz. :—

Open boats under the burden of ten tons; and
 Trawling vessels and other vessels bona fide employed in the herring and white fisheries provided such vessels have no cargo on board except the fish caught and do not take on board any goods except stores propelling fuel or fishery implements for their own use or discharge any goods other than the fish caught or any stores propelling fuel or other material which shall not have been previously loaded at the port.

IV.—MISCELLANEOUS.

For all vessels (other than herring and white fishing vessels) entering the harbour windbound or for safety or for orders or for repairs or (not being private pleasure yachts) with or for passengers only and not breaking bulk or taking in goods (stores or bunkers for their own use excepted) the following rates shall be paid (namely) :—

One penny half-penny per register ton if from any port or place in Great Britain Northern Ireland or the Irish Free State;

Threepence per register ton if from any other port or place :

Provided that no rates of any kind shall be chargeable in respect of such vessels coming within the limits of the port and harbour but not entering the harbour.

For vessels breaking bulk (except for repairs) or taking in goods (except stores or bunkers for their own use) full rates shall be paid and vessels breaking bulk to permit repairs to be effected shall re-load all the goods so landed otherwise they shall be liable in full rates.

For all vessels launched at the port half rates shall be paid on the first sailing thereafter outwards if in ballast only but if loading goods or carrying passengers full rates shall be paid. If on such first sailing any such vessel shall be loaded with chip stones only the vessel shall for the purposes of rates for vessels be held to be in ballast.

For all fishing vessels propelled by steam or other motive power and fishing regularly from the port remaining in the harbour the sum of one shilling per register ton if in the Victoria Dock and the sum of sixpence per register ton if in any other part of the harbour for each period of fourteen days or any period less than fourteen days during which such vessels shall remain in the harbour after the expiration of one month from the date of their arrival.

[Ch. 1.] *Aberdeen Harbour* [23 & 24 GEO. 5.]
(Rates) Order Confirmation Act, 1933.

A.D. 1933.

For all such vessels not fishing regularly from the port remaining in the harbour the sum of one shilling per register ton if in the Victoria Dock and the sum of sixpence per register ton if in any other part of the harbour for each period of fourteen days or any period less than fourteen days during which such vessels shall remain in the harbour after the expiration of fourteen days from the date of their arrival.

A vessel shall be held to be fishing regularly from the port when she shall have made not less than ten arrivals within the twelve months ending on the date of her latest arrival.

For all decked or open boats remaining in the harbour the sum of one shilling and threepence if in the Victoria Dock and eightpence if in the Albert Basin for each week or for any period less than a week during which such boats shall so remain in the harbour after the expiration of one week from the date of their arrival.

For all other vessels remaining in the harbour the sum of twopence half-penny per register ton if in the Victoria Dock and one penny half-penny per register ton if in any other part of the harbour for each month or for any period less than a month during which such vessels shall remain in the harbour after the expiration of one month from the date of their arrival.

The above rates for vessels and boats remaining in the harbour shall be payable in advance but shall not be chargeable for such vessels or boats while under repair on pontoons or slips.

In reckoning the number of voyages made within any year (except as regards fishing vessels) the year shall be deemed to run from the first day of October to the thirtieth day of September. If any vessel being a regular trader to the harbour shall be lost or sold during any such year any vessel substituted in the trade for the vessel so lost or sold shall in computing the number of voyages in that year be deemed to be the vessel for which it is so substituted. One sailing inwards and the next following sailing outwards shall constitute a voyage.

For vessels sailing from the harbour and put back by stress of weather or other cause without having accomplished the voyage no additional rates shall be charged on such return.

For the purpose of rating the net register tonnage of fishing vessels and steam tugs shall not in any case be deemed to be less than eighteen per centum of the gross register tonnage.

For all vessels not specially mentioned in this schedule or not having any net register tonnage there shall be charged on each occasion of entering the port and harbour the appropriate tonnage rate charged on the gross tonnage.

EXEMPTION.

A.D. 1933.

No rates leviable under this schedule shall be charged on steam tugs plying by the authority or licence of the Commissioners while such steam tugs are employed only in towing vessels into or out of the harbour.

REGULATIONS AND EXEMPTIONS.

The ton mentioned in this schedule is the ton of twenty hundredweight.

All goods loaded or discharged at the port and harbour and not particularly specified in this schedule shall be liable to the rates applicable to such goods therein specified as in the determination of the Commissioners shall be nearest in description and value to such unspecified goods.

Goods of all descriptions rated by the ton shall be charged according to gross weight fractional parts of a ton shall be charged proportionally and the minimum charge for a single packet shall be one penny.

Where rates shall have been paid for goods on importation and such goods shall be re-shipped without having been cured dried refined or put through any other process of manufacture repair alteration or adaptation for sale and shall not have changed ownership but shall continue to belong to the same owner as when imported it shall be optional to the Commissioners to exempt such goods from the payment of rates on re-shipment provided they are re-shipped within three months and in quantities of not less than one ton at a time.

If any goods for which rates shall have been paid on shipment shall from any accident or otherwise be unloaded no rates shall be charged a second time for such goods on being re-shipped.

Where any goods shall have been shipped and the rates therefor paid and such goods shall thereafter be re-landed within the harbour by reason of the detention therein of the vessel by stress of weather and shall not be re-shipped such rates shall be repaid by the Commissioners.

EXEMPTIONS.

No rates shall be charged for—

Empty boxes casks bags and pack sheets returned to the original shipper after importation or exportation with goods or for goods returned to the original shipper and in the original state.
