

**CHAPTER cl.**

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 to 1909 relating to Barnet (Extension) Barton-on-Humber Basingstoke Derby (Extension) Doncaster (Extension) Ellesmere Port and Whitby Kingswear Leatherhead and District (Extension) Mid-Sussex and Northwood and Ruislip (Extension). A.D. 1913.

[15th August 1913.]

**W**HEREAS under the authority of the Electric Lighting Acts 1882 to 1909 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act:

45 & 46 Vict.  
c. 56.  
51 & 52 Vict.  
c. 12.  
9 Edw. 7.  
c. 34.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

**1.** This Act may be cited as the Electric Lighting Orders Confirmation (No. 2) Act 1913. Short title.

**2.** The several Orders as amended and set out in the schedule to this Act are hereby confirmed and the same shall from and after the passing and subject to the provisions of this Act have full validity and effect. Orders in schedule confirmed.

A.D. 1913.  
For protection of  
Hertfordshire County  
Council.

**3.**—(1) Nothing in the Barnet Electric Lighting (Extension) Order 1913 or the Northwood and Ruislip Electric Lighting (Extension) Order 1913 confirmed by this Act shall take away or abridge any power to repair open or break up any road or county bridge along under or across which any pipe wire cable or electric main or apparatus is laid or any other power vested in the Hertfordshire County Council (in this section called “the council”) for any of the purposes for which the council is constituted but before commencing any work pursuant to such powers whereby any pipe wire cable or electric main will be interfered with they shall (except in cases of emergency in which cases no notice shall be necessary) give the Undertakers notice of their intention to commence such work specifying the time at which they will begin to do so such notice to be given three days at least before the commencement of the work and shall always complete such work with all reasonable expedition and cause as little damage or inconvenience to the Undertakers as circumstances admit.

(2) The council shall not be liable to pay to the Undertakers any compensation for injury done to any pipes wires cables or electric mains or apparatus by the execution of such works or for loss occasioned thereby or for the reasonable exercise of the powers so vested in them as aforesaid.

(3) The council shall not execute such work so far as it immediately affects any pipe wire cable or electric main except under the superintendence of the Undertakers unless the Undertakers refuse or neglect to give such superintendence at the time specified in the notice for the commencement of the work or discontinue the same during the progress of the work and the council shall execute such work at their own expense and to the reasonable satisfaction of the Undertakers Provided that any additional expense imposed upon the council by reason of the existence of any pipes wires cables or electric mains or apparatus of the Undertakers in any road or place shall be borne by the Undertakers.

(4) Any difference which may arise between the Undertakers and the council under this section shall be determined by arbitration.

For protection of  
Derbyshire

**4.**—(1) Nothing in the Derby Corporation Electric Lighting (Extension) Order 1913 confirmed by this Act shall in any way

limit or affect the powers of the Derbyshire County Council (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

A.D. 1913.  
County  
Council.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

5. — (1) Nothing in the Doncaster Corporation Electric Lighting (Extension) Order 1913 confirmed by this Act shall in any way limit or affect the powers of the county council of the West Riding of Yorkshire (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

For pro-  
tection of  
West Riding  
County  
Council.

A.D. 1913.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council and of the Undertakers necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For protection of  
Surrey  
County  
Council.

**6.**—(1) Nothing in the Leatherhead and District Electric Lighting (Extension) Order 1913 confirmed by this Act shall in any way limit or affect the powers of the Surrey County Council (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order

to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

A.D. 1913.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

7.--(1) Nothing in the Mid-Sussex Electric Lighting Order 1913 confirmed by this Act shall in any way limit or affect the powers of the East Sussex County Council (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

For pro-  
tection of  
East Sussex  
County  
Council.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such work give the Undertakers one month's notice in writing of their intention to carry out such works except in cases of emergency when as long a notice as practicable shall be given and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county surveyor necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense

A.D. 1913. temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

Partial  
repeal of  
Woking  
Electric  
Supply  
Company  
Electric  
Lighting  
(Extension)  
Order 1908.

**8.** So much of the Woking Electric Supply Company Electric Lighting (Extension) Order 1908 as relates to the parish of Cobham which is described in the First Schedule to the Leatherhead and District Electric Lighting (Extension) Order 1913 confirmed by this Act is hereby repealed but without prejudice to anything done or suffered thereunder and the said Woking Electric Supply Company Electric Lighting (Extension) Order 1908 shall have effect as if the said parish was excluded from the area of supply thereunder.

SCHEDULE.

A.D. 1913.

BASINGSTOKE ELECTRIC LIGHTING.

*Provisional Order granted by the Board of Trade under the* *Basingstoke.*  
*Electric Lighting Acts 1882 to 1909 to the Mayor Aldermen*  
*and Burgesses of the Borough of Basingstoke in respect of*  
*the Borough of Basingstoke and the Parishes of Sherborne*  
*St. John and Basing in the Basingstoke Rural District in*  
*the County of Southampton.*

1. This Order may be cited as the Basingstoke Electric Lighting Short title.  
Order 1913.

2. The provisions contained in the schedule to the Electric Lighting  
(Clauses) Act 1899 (with the exception of sections 83 and 84 of that  
Incorporation  
of Electric  
Lighting

- A.D. 1913. *Basingstoke.*  
(Clauses) Act 1899. schedule) are incorporated with and form part of this Order. Provided that sections 23 and 65 of the said schedule shall apply to the undertaking within the parishes mentioned in the First Schedule to this Order as if the Undertakers were the local authority.
- Undertakers. 3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the mayor aldermen and burgesses of the borough of Basingstoke.
- Area of supply. 4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.
- Power to break up streets &c. 5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority which are mentioned in the Second Schedule to this Order and the railways which are also mentioned in that schedule.
- Compulsory works. 6. The streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order.
- Maximum prices. 7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order.
- Power to revoke Order where no mains are laid. 8.—(1) If at the expiration of three years from the commencement of this Order distributing mains shall not have been laid down in the said parishes the Board of Trade may if they think fit revoke this Order in respect of either of the said parishes where such mains shall not have been laid.  
(2) Nothing in this section shall be construed as affecting the power of the Board of Trade to revoke this Order under the provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899.
- Revision of prices so as to balance revenue and expenditure. 9.—(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the borough of Basingstoke a notification that such statement of accounts has been filled up and

that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882.

A.D. 1913.

*Basingstoke.*

(2) The Undertakers shall on the expiration of the fifth complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no contribution from the rates of the borough will be required for the purpose of defraying the future expenses of the said undertaking during the next three years. Provided nevertheless that—

- (a) the prices to be charged shall not exceed the maximum prices which may be charged under this Order ;
- (b) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers.

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

- (a) be subject to revision at the next triennial revision provided for in this section ; or
- (b) vary in the same proportion as the prices charged to ordinary consumers :

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract.

(4) There shall not be made against the district rate or any other rate (a) in respect of energy used by the Undertakers for street lighting or other lighting purpose a charge at any higher rate than that made to consumers using energy for lighting for the like hours of supply or (b) in respect of energy used by the Undertakers for any other purpose in connection with their powers and duties as a local or sanitary authority a charge at any higher rate than that made to consumers using energy for similar purposes and for the like hours of supply.

10. This Order shall come into force upon the day when the Act confirming this Order is passed and that day shall be the commencement of this Order.

Commence-  
ment of  
Order.

*Derby.*(Clauses)  
Act 1899  
varied.Added area  
of supply.

to the undertaking within the area added by this Order as if the Undertakers were the local authority.

3. Subject to the provisions incorporated with the Order of 1910 (as varied by section 2 of this Order) there shall be added to the area of supply for the purposes of the principal Order as extended by the Derby Corporation Act 1901 and the Order of 1910 the area (hereinafter called "the added area") which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Compulsory  
works.

4. The parts of streets within the added area throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Second Schedule to this Order.

Power to  
break up  
streets.

5. Subject to the provisions incorporated with the Order of 1910 the Undertakers are specially authorised to break up the streets within the added area not repairable by the local authority mentioned in the Third Schedule to this Order.

Power to  
revoke  
Order where  
no mains  
are laid.

6.—(1) If at the expiration of three years from the commencement of this Order distributing mains shall not have been laid down in the parishes included in the added area (other than the parishes mentioned in the Second Schedule to this Order) the Board of Trade may if they think fit revoke this Order in respect of any of the said parishes where such mains shall not have been laid.

(2) Nothing in this section shall be construed as affecting the power of the Board of Trade to revoke this Order under the provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899.

Supply to  
railways  
&c. for  
incidental  
purposes.

7. If the Undertakers obtain the consent of the Board of Trade under subsection 1 of section 5 of the Electric Lighting Act 1909 to the supply by them within their area of supply of electricity for the purposes of haulage or traction, on any railway tramway or canal situate partly within and partly without that area or for the purposes of lighting vehicles and vessels used on any such railway tramway or canal they may so supply electricity to be used for purposes incidental to the working or lighting of such railway tramway or canal other than the purposes aforesaid.

Revocation  
of Order  
made under  
section 6 of  
Electric

8. The Order made by the Board of Trade under section 6 of the Electric Lighting Act 1909 and dated the tenth day of January nineteen hundred and twelve permitting the Undertakers to give a supply of electricity to certain premises within the added area shall

be revoked as from the commencement of this Order but without prejudice to anything done or suffered thereunder and the Undertakers shall in respect of such supply and all electric lines and apparatus provided by them for the purpose of giving the supply have the same rights and powers and be subject to the same duties and obligations as if the supply had been given and the electric lines and apparatus had been so provided by them after the commencement of this Order.

A.D. 1913.

*Derby.*Lighting  
Act 1909.

9. This Order shall come into force upon the day when the Act confirming this Order is passed and that day shall be the commencement of this Order.

ELLESMERE PORT AND WHITBY ELECTRIC  
LIGHTING.

A.D. 1913.

*Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 to 1909 to the Urban District Council of Ellesmere Port and Whitby in respect of the Urban District of Ellesmere Port and Whitby in the County of Chester.*

*Ellesmere  
Port and  
Whitby.*

1. This Order may be cited as the Ellesmere Port and Whitby Electric Lighting Order 1913. Short title.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order. Incorporation  
of Electric  
Lighting  
(Clauses) Act  
1899.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the urban district council of Ellesmere Port and Whitby. Undertakers.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade. Area of  
supply.

5. The streets and part of a street throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Second Schedule to this Order. Compulsory  
works.

6. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Third Schedule to this Order. Maximum  
prices.

7. The Undertakers after they shall have acquired the land described in the Fourth Schedule to this Order may use the same for the purposes of the undertaking authorised by this Order and may thereon erect construct maintain use and work a station or stations together with all such buildings engines batteries dynamos accumulators and other plant machinery apparatus works and conveniences as may be necessary or available for generating electricity for the purpose of giving a supply under this Order. Power to  
use land for  
erection of  
generating  
station.

A.D. 1913.

*Ellesmere  
Port and  
Whitby.*Revision of  
prices so as  
to balance  
revenue and  
expenditure.

8.—(1) The Undertakers shall so soon as the annual statement of accounts of the undertaking under this Order has been filled up in the form prescribed by the Board of Trade under the Electric Lighting Act 1882 publish in a newspaper circulating in the urban district a notification that such statement of accounts has been filled up and that copies of it can be obtained at the offices of the Undertakers at a price not exceeding one shilling a copy and such publication shall be in addition to and not in substitution for any publication prescribed by the Board of Trade under the Electric Lighting Act 1882.

(2) The Undertakers shall on the expiration of the fifth complete financial year after they have commenced to supply electrical energy under this Order and on the expiration of each third succeeding year reconsider and if necessary revise and thereafter maintain the scales of prices charged for electrical energy under this Order so that so far as is reasonably practicable no contribution from the rates of the urban district will be required for the purpose of defraying the future expenses of the said undertaking during the next three years Provided nevertheless that—

- (a) the prices to be charged shall not exceed the maximum prices which may be charged under this Order;
- (b) the scales of prices so reconsidered and revised may be from time to time in like manner reconsidered and revised by the Undertakers.

(3) Nothing in this section contained shall prevent the Undertakers from entering into contracts for periods which may extend beyond the periods at which any revision may take place under the provisions of this section on special terms under special circumstances not applicable to ordinary consumers but each such contract shall provide that the price to be charged for energy supplied under such contract shall either—

- (a) be subject to revision at the next triennial revision provided for in this section; or
- (b) vary in the same proportion as the prices charged to ordinary consumers:

Provided that the Undertakers shall not without their consent be required to accept any price lower than the minimum price mentioned in such contract.

(4) There shall not be made against the district rate or any other rate—

- (a) in respect of energy used by the Undertakers for street lighting or other lighting purpose a charge at any higher rate than that made to consumers using energy for lighting for the like hours of supply; or

(b) in respect of energy used by the Undertakers for any other purpose in connection with their powers and duties as a local or sanitary authority a charge at any higher rate than that made to consumers using energy for similar purposes and for like hours of supply.

A.D. 1913.

*Ellesmere  
Port and  
Whitby.*

9. This Order shall come into force upon the day when the Act confirming this Order is passed and that day shall be the commencement of this Order.

Commence-  
ment of  
Order.

---

6.—(1) The streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in Part I. of the Third Schedule to this Order. Compulsory works.

(2) In addition to the obligation imposed upon the Undertakers by the foregoing provisions of this section the Undertakers shall within three years from the commencement of this Order lay down suitable and sufficient distributing mains for the purposes of general supply throughout the streets specified in Part II. of the Third Schedule to this Order.

A.D. 1913.  
—  
*Mid-Sussex.*  
Maximum  
prices.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order.

Supply to  
railways  
&c. for  
incidental  
purposes.

8. If the Undertakers obtain the consent of the Board of Trade under subsection (1) of section 5 of the Electric Lighting Act 1909 to the supply by them within their area of supply of electricity for the purposes of haulage or traction on any railway tramway or canal situate partly within and partly without that area or for the purposes of lighting vehicles and vessels used on any such railway tramway or canal they may so supply electricity to be used for purposes incidental to the working or lighting of such railway tramway or canal other than for the purposes aforesaid.

Power of  
purchase  
by Cuck-  
field Urban  
District  
Council.

9.—(1) The Cuckfield Urban District Council (in this section referred to as "the council") may on giving twelve calendar months' notice in writing to the Undertakers at any time at the expiration of a period of twenty-one years from the commencement of this Order require the Undertakers to sell and thereupon the Undertakers shall sell to them that part of the Undertaking under this Order which is within the district of the council including all lands buildings works materials and plant within the said district which are suitable to and used by the Undertakers for the purpose of that part of the undertaking and upon the terms of paying to the Undertakers an amount equal to the fair market value of the part of the undertaking purchased as a going concern due regard being had to any loss to the Undertakers occasioned by the severance of the undertaking.

(2) The amount to be paid on any such purchase shall be determined in default of any agreement by arbitration. The Board of Trade may determine any other question which arises with reference to the purchase and in default of agreement as to the date on which the purchase is to take effect may fix that date.

(3) From the date on which the purchase takes effect the part of the undertaking purchased shall vest in the council freed from all debts mortgages or other similar obligations of the Undertakers or attaching to that part of the undertaking and the powers of the Undertakers in relation to the supply of electricity within the district of the council under this Order shall absolutely cease and determine and shall vest in the said council.

(4) The power of purchase given by this section shall be in addition to and not in derogation of the power of the council to purchase under section 2 of the Electric Lighting Act 1888 as a local authority within the meaning of that section.

10. The Haywards Heath Urban District Council and the Cuckfield Rural District Council may purchase so much of the undertaking as is within their respective districts at the like periods and subject to the like conditions as are mentioned and contained in the last preceding section of this Order in the case of a purchase by the Cuckfield Urban District Council and all the provisions of that section shall mutatis mutandis apply accordingly.

A.D. 1913.

#### FOURTH SCHEDULE.

##### MAXIMUM PRICES.

In this schedule—

The expression "unit" shall mean the energy contained in a current of one thousand ampères flowing under an electro-motive force of one volt during one hour.

##### SECTION 1.

Where the Undertakers charge any consumer by the actual amount of energy supplied to him they shall be entitled to charge him at the following rates per quarter:—

(a) For lighting purposes—

For any amount up to twenty units thirteen shillings and fourpence and for each unit over twenty units eightpence:

(b) For power and heating purposes—

For each unit threepence.

##### SECTION 2.

Where the Undertakers charge any consumer by the electrical quantity contained in the supply given to him they shall be entitled to charge him according to the rates set forth in section 1 of this schedule the amount of energy supplied to him being taken to be the product of that electrical quantity and the declared pressure at the consumer's terminals that is to say such a constant pressure at those terminals as may be declared by the Undertakers under the Board of Trade regulations.

A.D. 1913.

NORTHWOOD AND RUISLIP ELECTRIC LIGHTING  
(EXTENSION).*Northwood  
and Ruislip.**Provisional Order granted by the Board of Trade under the  
Electric Lighting Acts 1882 to 1909 to the Northwood  
Electric Light and Power Company Limited in respect of  
parts of the Parishes of Watford Rural and Rickmansworth  
Rural in the Rural District of Watford in the County of  
Herts.*Short and  
collective  
titles.

1. This Order may be cited as the Northwood and Ruislip Electric Lighting (Extension) Order 1913 and the Northwood and Ruislip Electric Lighting Order, 1901 (hereinafter called "the principal Order") and this Order may be cited together as the Northwood and Ruislip Electric Lighting Orders 1901 and 1913.

Added area  
of supply.

2. Subject to the provisions incorporated with the principal Order there shall be added to the area of supply for the purposes of the principal Order the area (in this Order called "the added area") which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade Provided that in case of difference between the description in that schedule and the area as delineated on the said map the latter shall prevail.

Power to  
break up  
streets.

3. Subject to the provisions incorporated with the principal Order the Undertakers are specially authorised by this Order to break up the streets not repairable by the local authority within the added area which are mentioned in the Second Schedule to this Order.

Compulsory  
works.

4. The part of a street within the added area throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 is that mentioned in the Third Schedule to this Order.

Deposit.

5. The sum to be deposited or secured in pursuance of section 5 of the schedule to the Electric Lighting (Clauses) Act 1899 is one hundred pounds.

Revocation  
of Order  
made under  
section 6 of  
Electric  
Lighting  
Act 1909.

6. The Order made by the Board of Trade under section 6 of the Electric Lighting Act 1909 and dated the twenty-eighth day of November one thousand nine hundred and eleven permitting the Undertakers to give a supply of electricity to certain premises within the added area shall be revoked as from the commencement of this

Order but without prejudice to anything done or suffered thereunder and the Undertakers shall in respect of such supply and all electric lines and apparatus provided by them for the purpose of giving the supply have the same rights and powers and be subject to the same duties and obligations as if the supply had been given and the electric lines and apparatus had been so provided by them after the commencement of this Order.

A.D. 1913.

*Northwood*  
*and Ruislip.*

7. This Order shall come into force upon the day when the Act confirming this Order is passed and that day shall be the commencement of this Order.

Commence-  
ment of  
Order.

---
