

**CHAPTER clii.**

An Act to confirm certain Provisional Orders made by the Board of Trade under the Electric Lighting Acts 1882 to 1909 relating to Lytham Marlborough Menai Bridge Neath Rural District (Extension) Sevenoaks and District Stroud and Wolverhampton (Extension). A.D. 1913.

[15th August 1913.]

WHEREAS under the authority of the Electric Lighting Acts 1882 to 1909 the Board of Trade have made the several Provisional Orders set out in the schedule to this Act:

45 & 46 Vict.
c. 56.
51 & 52 Vict.
c. 12.
9 Edw. 7.
c. 34.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the authority of the said Acts as set out in the schedule to this Act be confirmed by Act of Parliament:

Be it therefore enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows:—

1. This Act may be cited as the Electric Lighting Orders Confirmation (No. 4) Act 1913. Short title.

2. The several Orders as amended and set out in the schedule to this Act are hereby confirmed and the same shall from and after the passing and subject to the provisions of this Act have full validity and effect. Orders in schedule confirmed.

A.D. 1913.

For pro-
tection of
Kent County
Council.

3.—(1) Nothing in the Sevenoaks and District Electric Lighting Order 1913 confirmed by this Act shall in any way limit or affect the powers of the Kent County Council (in this section referred to as “the county council”) to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month’s notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For pro-
tection of
Surrey
County
Council.

4.—(1) Nothing in the Sevenoaks and District Electric Lighting Order 1913 confirmed by this Act shall in any way limit or affect the powers of the Surrey County Council (in this section referred to as “the county council”) to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council. A.D. 1913.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

5.—(1) Nothing in the Stroud Electric Lighting Order 1913 confirmed by this Act shall in any way limit or affect the powers of the Gloucestershire County Council (in this section referred to as "the county council") to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed or impose upon the county council any liability which was not by law imposed upon them prior to the commencement of the Order. For protection of Gloucestershire County Council.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month's notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is in the opinion of the county council necessary to temporarily remove the mains and other electrical appliances belonging to the

A.D. 1913. Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires along or across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council and the county council shall not be required to pay compensation to the Undertakers for any loss or damage to which they may be put in consequence of the exercise of the powers of the county council or of the removal of such mains and appliances.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

For protection of
Staffordshire County
Council.

6.—(1) Nothing in the Wolverhampton Electric Lighting (Extension) Order 1913 confirmed by this Act shall in any way limit or affect the powers of the Staffordshire County Council (in this section referred to as “the county council”) to rebuild alter widen or repair the structure of any bridge upon which any work by the Order authorised shall be constructed.

(2) If at any time the county council require to carry out works for rebuilding altering widening or repairing any bridge which might involve interference with any portion of the undertaking by the Order authorised they shall prior to the commencement of such works give the Undertakers one month’s notice of their intention to carry out such works and if in order to avoid interruption to the supply by the Undertakers of electrical energy it is necessary to temporarily remove the mains and other electrical appliances belonging to the Undertakers from such bridge then the Undertakers shall (and they are hereby authorised so to do) at their own expense temporarily carry their cables and wires across such bridge overhead or at the side thereof in such a manner as will not be a danger or inconvenience to the public or unreasonably interfere with the works to be carried out by the county council.

(3) When the rebuilding altering widening or repairing of such bridge shall have been completed the Undertakers shall

have the same rights and powers with regard to such bridge and its approaches as they had before the works were carried out. A.D. 1913.

(4) If any dispute arises between the county council and the Undertakers with regard to this section the same shall be determined by an arbitrator to be appointed on the application of either party by the Board of Trade.

7. The provisions of the Wolverhampton Corporation Acts 1899 1904 and 1908 which apply to the undertaking within the area of supply under the Wolverhampton Electric Lighting Order 1890 (confirmed by the Electric Lighting Orders Confirmation Act 1890) shall also apply (mutatis mutandis) to the undertaking within the area added to the area of supply under the said Order of 1890 by the Wolverhampton Electric Lighting (Extension) Order 1913 confirmed by this Act so long as the mayor aldermen and burgesses of the borough of Wolverhampton are the Undertakers for the purposes of the last mentioned Order.

Certain provisions of local Acts to apply to Wolverhampton Electric Lighting (Extension) Order 1913.

A.D. 1913.

SEVENOAKS AND DISTRICT ELECTRIC
LIGHTING.*Sevenoaks
and District.**Provisional Order granted by the Board of Trade under the
Electric Lighting Acts 1882 to 1909 to the Sevenoaks and
District Electricity Company Limited in respect of the Urban
District of Sevenoaks and part of the Rural District of
Sevenoaks in the County of Kent and part of the Rural
District of Godstone in the County of Surrey.*

Short title.

1. This Order may be cited as the Sevenoaks and District Electric Lighting Order 1913.

Incorporation of Electric Lighting (Clauses) Act 1899.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order.

Undertakers.

3. The Undertakers for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 are the Sevenoaks and District Electricity Company Limited whose registered office is at 381 Salisbury House London Wall in the city of London.

Area of supply.

4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Power to break up streets.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised by this Order to break up the streets and parts of streets not repairable by the local authority which are mentioned in the Second Schedule to this Order.

Compulsory works.

6. The streets and parts of streets throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Third Schedule to this Order.

Maximum prices.

7. The maximum prices which may be charged by the Undertakers as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order Provided always that in the event of the Undertakers making in any one financial year a profit which would enable them after meeting all charges and making proper provision for depreciation and reserve to pay a dividend in excess of 10 per cent. for that year upon

the whole of the capital for the time being issued by the Undertakers and paid up the Undertakers shall in the following year make such a reduction in the price charged for electricity either to all or any class of consumers as would in the opinion of the Undertakers be sufficient to reduce their profits for such year after meeting all charges and making proper provision for depreciation and reserve to 10 per cent. upon the capital for the time being issued and paid up Provided also that until the undertaking within the Sevenoaks Urban District is acquired by the local authority the maximum price which may be charged within that district for a supply of electricity for public purposes other than lighting streets shall be fourpence per unit.

A.D. 1913.
—
Sevenoaks
and District.

8. The sum to be deposited or secured in pursuance of section 5 of the schedule to the Electric Lighting (Clauses) Act 1899 is two hundred pounds in respect of the urban district of Sevenoaks two hundred pounds in respect of the rural district of Sevenoaks and one hundred pounds in respect of the rural district of Godstone.

Deposit.

9.—(1) If at the expiration of three years from the commencement of this Order distributing mains shall not have been laid down in the parishes mentioned in the First Schedule to this Order and forming part of the said area of supply (other than the parishes mentioned in the Third Schedule to this Order) the Board of Trade may if they think fit revoke this Order in respect of any of the said parishes where such mains shall not have been laid.

Power to
revoke Order
where no
mains are
laid.

(2) Nothing in this section shall be construed as affecting the power of the Board of Trade to revoke this Order under the provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899.

10.—(1) The Sevenoaks Urban District Council (herein-after in this section called "the council") may at the expiration of twenty-one years from the commencement of this Order on giving twelve months' previous notice in writing require the Undertakers to sell and thereupon the Undertakers shall sell to the council so much of their undertaking as is within the district of the council including all lands buildings works materials and plant within the said district suitable to and used by the Undertakers for the purposes of their undertaking within the said district.

Power of
purchase by
Sevenoaks
Urban
District
Council.

(2) The council shall pay to the Undertakers a sum equal to the fair market value of the said part of the undertaking as a going concern due regard being had to any loss occasioned by severance.

(3) If any question arises as to the sum to be paid as aforesaid that question shall be determined by arbitration.

(4) The Board of Trade may determine any other question which may arise in relation to such purchase and may fix the date from which the purchase is to take effect.

A.D. 1913.

*Sevenoaks
and District.*

(5) On the date on which the purchase takes effect the part of the undertaking purchased including the said lands buildings works materials and plant shall vest in the council freed from any debts mortgages or similar obligations of the Undertakers or attaching to the undertaking and the powers of the Undertakers in relation to the supply of electricity under this Order within the said district shall absolutely cease and determine and shall vest in the council.

(6) Nothing in this section shall affect the power of the council as the local authority to purchase under section 2 of the Electric Lighting Act 1888.

Commence-
ment of
Order.

11. This Order shall come into force upon the day when the Act confirming this Order is passed and that day shall be the commencement of this Order.

STROUD ELECTRIC LIGHTING.

Stroud. Provisional Order granted by the Board of Trade under the Electric Lighting Acts 1882 to 1909 to James Herbert Edwards in respect of the Urban District of Stroud in the County of Gloucester.

Short title. 1. This Order may be cited as the Stroud Electric Lighting Order 1913.

Incorporation of Electric Lighting (Clauses) Act 1899. 2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 (with the exception of sections 83 and 84 of that schedule) are incorporated with and form part of this Order.

Undertaker. 3. The Undertaker for the purposes of this Order and within the meaning of section 2 of the schedule to the Electric Lighting (Clauses) Act 1899 is James Herbert Edwards of 127 Victoria Street in the city and county of Bristol engineer.

Area of supply. 4. The area of supply for the purposes of this Order and within the meaning of section 4 of the schedule to the Electric Lighting (Clauses) Act 1899 shall be the area which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertaker and signed by an assistant secretary to the Board of Trade.

Compulsory works. 5. The streets throughout which the Undertaker is to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this

Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Second Schedule to this Order. A.D. 1913.
Stroud.

6. Subject to the provisions incorporated with this Order the Undertaker is specially authorised by this Order to break up the railway which is mentioned in the Third Schedule to this Order. Power to break up railway.

7. The maximum prices which may be charged by the Undertaker as mentioned in section 32 of the schedule to the Electric Lighting (Clauses) Act 1899 are those stated in the Fourth Schedule to this Order. Maximum prices.

8. The sum to be deposited or secured in pursuance of section 5 of the schedule to the Electric Lighting (Clauses) Act 1899 is one hundred pounds. Deposit.

9.—(1) The powers given by this Order shall not be exercised unless within twelve months or such extended period not exceeding in the whole eighteen months as the Board of Trade allow after the passing of the Act confirming this Order the Undertaker transfers the undertaking to a company to be registered under the Companies (Consolidation) Act 1908. Powers not to be exercised unless undertaking transferred to a registered company.

(2) Within that period the Undertaker may transfer and the company to whom the transfer is to be made may take a transfer of the undertaking with the consent of and on such terms and conditions as may be approved by the Board of Trade by deed approved by that Board.

(3) On such transfer the rights powers authorities obligations and liabilities of the Undertaker in respect of the undertaking shall be transferred to and may be exercised by and shall attach to the company to whom the transfer is made and that company shall subject to the provisions of this Order become the Undertakers for the purposes of this Order.

(4) If the transfer has not been made before the expiration of the period limited in that behalf in this section the Board of Trade may revoke this Order upon the expiration of that period.

10.—(1) The urban district council of Stroud (herein-after called "the council") may at the expiration of a period of 21 years from the commencement of this Order by twelve months' previous notice in writing and at the expiration of every subsequent period of seven years by a like notice require the Undertakers to sell and thereupon the Undertakers shall sell to them the undertaking authorised by this Order including all lands buildings works materials and plant of the Undertakers suitable to and used by them for the purposes of the undertaking. Power of purchase by local authority.

A.D. 1913.

Stroud.

(2) The price to be paid by the council to the Undertakers shall be a sum equal to the fair market value of the undertaking as a going concern that sum to be determined in default of agreement by arbitration.

(3) The Board of Trade may determine any question which arises with reference to the purchase which is not to be determined by arbitration and in default of agreement as to the date on which the transfer is to take effect may fix that date.

(4) From the date on which the purchase takes effect the undertaking (including all such lands buildings works materials and plant as aforesaid) shall vest in the council freed from all debts mortgages or similar obligations of the Undertakers or attaching to the undertaking and the powers of the Undertakers in relation to the supply of electricity under this Order shall absolutely cease and determine and shall vest in the council who shall subject to the provisions of this Order become the Undertakers for the purposes of this Order.

(5) The power of purchase given by this section shall be in addition to and not in derogation of the power of the council to purchase under section 2 of the Electric Lighting Act 1888.

Commence-
ment of
Order.

11. Except for the purpose of enabling the said transfer to be made this Order shall not come into force until the day when the transfer takes effect and that day shall be the commencement of this Order.

SCHEDULES.

Wolver-
hampton.Incorporation of Elec-
tric Lighting
(Clauses) Act
1899.

cited together as the Wolverhampton Electric Lighting Orders 1890 and 1913.

2. The provisions contained in the schedule to the Electric Lighting (Clauses) Act 1899 are (with the exception of sections 83 and 84 of that schedule) incorporated with and form part of this Order and the undertaking authorised by the principal Order and the Undertakers in respect thereof shall be subject to those provisions and so much of the principal Order as is inconsistent with those provisions or with this Order is hereby repealed without prejudice to anything done or suffered thereunder. Provided that sections 23 and 24 of the said schedule shall apply to the undertaking within the area added by this Order as if the Undertakers were the local authority.

Added area
of supply.

3. Subject to the provisions incorporated with this Order there shall be added to the area of supply for the purposes of the principal Order the area (herein-after called "the added area") which is described in the First Schedule to this Order and is more particularly delineated on the map deposited together with this Order at the Board of Trade by the Undertakers and signed by an assistant secretary to the Board of Trade.

Compulsory
works.

4. The parts of streets within the added area throughout which the Undertakers are to lay down suitable and sufficient distributing mains for the purposes of general supply within a period of two years after the commencement of this Order as mentioned in section 21 of the schedule to the Electric Lighting (Clauses) Act 1899 are those mentioned in the Second Schedule to this Order.

Power to
break up
streets &c.

5. Subject to the provisions incorporated with this Order the Undertakers are specially authorised to break up the streets within the added area not repairable by the local authority mentioned in the Third Schedule to this Order.

Supply to
railways &c.
for incidental
purposes.

6. If the Undertakers obtain the consent of the Board of Trade under subsection 1 of section 5 of the Electric Lighting Act 1909 to the supply by them within their area of supply of electricity for the purposes of haulage or traction on any railway tramway or canal situate partly within and partly without that area or for the purposes of lighting vehicles and vessels used on any such railway tramway or canal they may so supply electricity to be used for purposes incidental to the working or lighting of such railway tramway or canal other than the purposes aforesaid.

Commence-
ment of Order
dependent on
purchase of
existing under-
taking within
added area.

7.—(1) This Order shall not except as provided by this section come into force or have effect notwithstanding the confirmation thereof by Parliament until such date as the Board of Trade fix in accordance with this section and the date so fixed shall be the commencement of this Order.

(2) The Board of Trade shall fix a date for the commencement of this Order when they are satisfied that the Undertakers have acquired the undertaking within the added area of the Midland Electric Corporation for Power Distribution Limited (herein-after called "the company") authorised by the Midland Electric Power Distribution and Lighting (Extension) Order 1900 (confirmed by the Electric Lighting Orders Confirmation (No. 7) Act 1900) together with all the rights powers duties and obligations of the company in relation thereto.

A.D. 1913.

Wolver-
hampton.

(3) As from the commencement of this Order so much of the Midland Electric Power Distribution and Lighting (Extension) Order 1900 as relates to the added area shall be repealed but without prejudice to anything done or suffered thereunder and the said Order shall have effect as if the added area were excluded from the area of supply thereunder.

(4) The Undertakers shall have power to buy and the company shall have power to sell the said undertaking within the added area and for this purpose this Order shall come into force and have effect on the day when the Act confirming this Order is passed.

(5) The Undertakers may raise any money necessary for paying the purchase money in respect of the said undertaking and the costs of the transfer thereof in accordance with the provisions of section 8 of the Electric Lighting Act 1882.
