And to all others whom it may concern.

WHEREAS by Section 3 of the Gas and Water Works Facilities Act, 1870, it is enacted that that Act shall apply where powers are required for the purposes of constructing or maintaining and continuing gasworks and works connected therewith, or of manufacturing and supplying gas in any district within which there is not an existing Company, Corporation, body of Commissioners, or person empowered by Act of Parliament to construct such works or to manufacture and supply gas, and that such purposes shall, for the purposes of that Act, be deemed to be included in the term "gas undertaking";

And whereas by Section 162 of the Public Health Act, 1875, it is also enacted that for the purpose of supplying gas within their district, or any part thereof, either for public or private purposes, any Urban Sanitary Authority may (with the sanction of the Local Government Board) buy, and the Directors of any Gas Company, in pursuance, in the case of a Company registered under the Companies Act, 1862, of a special resolution of the members passed in manner provided by that Act, and in the case of any other Company, of a resolution passed by a majority of three-fourths in number and value of the members present, either personally or by proxy, at a meeting specially convened with notice of the business to be transacted, may sell and transfer to such Authority, on such terms as may be agreed on between such Authority and the Company, all the rights, powers, and privileges, and all or any of the lands, premises, works, and other property of the Company, but subject to all liabilities attached to the same at the time of such purchase;

And whereas the Urban Sanitary Authority being, under the Public Health Act, 1875, themselves empowered to supply gas for the whole or any part of their district, applied to the Local Government Board to issue a Provisional Order, authorising them to maintain and continue, if and when the same shall be acquired by them, the gas undertaking of the Company, not being a Company authorised by or in pursuance of any Act of Parliament, or any Order confirmed by Parliament, to supply gas for public and private purposes, and to construct other gasworks, and to manufacture and supply gas, and to borrow money for those purposes, and duly complied with the provisions of the said Gas and Water Works Facilities Act, 1870, with respect to the service of notices, publication of advertisements, and deposit of documents;
