In the matter of the Ballyteigue and Kilmore Drainage District, in the county
Wexford.

WHEREAS certain proprietors of and persons interested in the Ballyteigue (Kilmore) Mudlands and the lands abutting, on or about the seventeenth day of November one thousand eight hundred and eighty-four, presented their petition to the Commissioners of Public Works in Ireland, under the provisions of the Drainage and Improvement of Lands Act (Ireland), 1863 (herein-after called the Act of 1863), and the Acts amending the same, accompanied by the proper schedules, maps, plans, sections, and estimates, together with other particulars and information required by the said Act, showing, by reference to the said maps, the boundaries and area of the proposed drainage district, and stating the exigencies rendering the formation of such drainage district necessary, and praying that said lands within the proposed district should be constituted a separate drainage district under the provisions of the said Acts: And whereas the said Commissioners referred the same to William Barrington, Esquire, civil engineer, an inspector duly appointed under the said Acts: And whereas all notices and inquiries required by the said Act have been duly given and made, and the said inspector has duly reported to us, the said Commissioners, in writing the result of his inquiries, and we, the said Commissioners, have duly considered the same:

And whereas an objection to the said report has been made to us, which has been duly considered

And whereas all preliminaries required by the said Act of 1863 to precede the making of this Provisional Order have been performed and complied with: And whereas we, the said Commissioners, upon consideration of the premises, are satisfied of the propriety of constituting the proposed separate drainage district, and that the proprietors of one moiety in value of the lands in the proposed district are in favour thereof, and have subsequently to the date of the report of the said inspector assented thereto in writing, and that the proprietors of one-third part in value of such lands in the said district have not expressed in writing their dissent to the formation of the said drainage district:

Now, therefore, in pursuance of the power given to us by the said Acts, we the Commissioners of Public Works in Ireland, do, by this Provisional Order under our common seal, constitute the area in the said petition and report, and the boundaries and extent of which are set forth within yellow lines on the map to which we have caused our common seal to be attached (and which map is deposited in the Office of Public Works in Ireland), a separate drainage district by the name of "The Ballyteigue and Kilmore Drainage District":

A.D. 1885.

And we do declare that the lands to be purchased for the proposed works in said district (subject to such alterations and deviations therefrom as we, the said Commissioners, may hereafter sanction) are the lands in that behalf shown and set forth in the said map and the schedule thereto annexed, marked with the letter B, and also sealed with our common seal:

And we, the said Commissioners of Public Works, do, by this our Order, order and direct that the time for the completion of the necessary works in the said district shall be limited to the first day of October which will be in the year one thousand eight hundred and eighty-eight:

And we do further, by this our Provisional Order, make the following regulations with respect to the Drainage Board:
