

### CHAPTER clxi.

An Act to enable the Commissioners of the Bray Township to construct an addition to the sea-wall a promenade pier and harbour and other works and to consolidate their debt and issue debenture stock and for other purposes. [4th August 1890.]

A.D. 1890.

**W**HEREAS by the Bray Township Act 1866 intituled "An Act for the improvement of the town and district of Bray in the baronies of Rathdown and counties of Dublin and Wicklow" (herein called "the first recited Act") the township of Bray (herein called "the township") was defined and Commissioners were constituted and powers were conferred for improving and regulating the township:

And whereas by the first recited Act the Commissioners were authorised to maintain the esplanade along the sea shore in front of the town of Bray described in that Act:

And whereas the Commissioners were authorised by the Bray Township Act 1881 (herein called "the second recited Act") to construct a sea-wall throughout the entire length of the Bray sea esplanade for the protection of such esplanade and they have constructed such wall:

And whereas it is expedient that they should be authorised to make a continuation of the present sea-wall and promenade:

And whereas the Commissioners were authorised by the second recited Act (section 7) to make a promenade pier and landing stage and also (section 8) to make certain dock or harbour works and outfall sewers but these works have not been made and power to make the same has lapsed:

And whereas the township is increasing both locally and as a place of seaside resort:

And whereas it is expedient that the Commissioners be empowered to construct and maintain a promenade pier and landing stage and also to construct and maintain a harbour and harbour

A.D. 1890. works at better and more convenient places as by this Act provided in lieu of those works the powers to make which have lapsed :

— And whereas the construction of the works authorised by this Act would be of great advantage to the township :

And whereas estimates have been prepared by the Commissioners for the purchase of land for and the execution of the various works by this Act authorised and such estimates are as follows :—

For the sea-wall three thousand pounds :

For the harbour works and outfall sewers thirty thousand pounds :

For the promenade pier seventeen thousand pounds :

And whereas the several works included in such estimates are permanent works within the meaning of section 238 of the Public Health (Ireland) Act 1878 :

And whereas it is expedient that the Commissioners should be authorised to borrow money for the purposes of the works by this Act authorised and for the general purposes of the township and to make further provision as to levying tolls and rates and as to the application thereof :

And whereas the Commissioners have from time to time borrowed various sums of money and it is expedient that they should be empowered to consolidate their debt and loans and exercise their statutory borrowing powers for the time being by means of the creation of debenture stock :

And whereas the loans raised by the Commissioners of the township as on the thirty-first December one thousand eight hundred and eighty-nine are set out in the Third Schedule to this Act :

And whereas in the manner provided by the Borough Funds (Ireland) Act 1888 an absolute majority of the whole number of the Commissioners at a meeting held on the sixteenth day of December one thousand eight hundred and eighty-nine after ten clear days notice by public advertisement of such meeting and of the purposes thereof in the Irish Times a newspaper circulating in the township such notice being in addition to the ordinary notices required for summoning such meeting resolved that the expenses attending the promoting the Bill for this Act should be paid and defrayed out of the township funds and township rate and other rates or any of them :

And whereas such resolution was published twice in the said newspaper and has received the approval of the Local Government Board for Ireland as to matters within their jurisdiction and of the Chief Secretary for Ireland as regards other matters :

And whereas the propriety of the promotion of the Bill for this Act was confirmed by an absolute majority of the whole number of

the Commissioners at a further special meeting held in pursuance of a similar notice on the eighth day of January one thousand eight hundred and ninety being not less than fourteen days after the deposit of the Bill for this Act in Parliament :

A.D. 1890.

And whereas a meeting of the persons qualified to vote at the election of the Commissioners of the township called in the manner provided by the said Borough Funds (Ireland) Act 1888 by special resolution approved of the promotion of the Bill for this Act :

And whereas plans and sections describing the lines situation and levels of the works authorised by this Act and showing the lands to be acquired compulsorily under the powers of this Act for the purposes of the said works and books of reference to those plans containing the names of the owners or reputed owners lessees or reputed lessees and of the occupiers of all lands to be taken compulsorily have been deposited with the clerks of the peace for the counties of Dublin and Wicklow and are in this Act referred to as the deposited plans sections and books of reference :

And whereas the objects of this Act cannot be effected without the authority of Parliament :

May it therefore please Your Majesty that it may be enacted and be it enacted by the Queen's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal and Commons in this present Parliament assembled and by the authority of the same as follows (that is to say) :—

#### PART I.—PRELIMINARY.

1. This Act may be cited as the Bray Township Act 1890 and the Bray Township Act 1866 and the Bray Township Act 1881 and this Act may be cited as the Bray Township Acts 1866 to 1890. Short title.

2. The following Acts or portions of Acts (as far as they are applicable for the purposes of and are not varied by or inconsistent with the provisions of this Act) are incorporated with and form part of this Act (that is to say) :— Incorporation of Acts.

The provisions of the Commissioners Clauses Act 1847 :—

With respect to the mortgages to be executed by the Commissioners except section 84 :

The Lands Clauses Acts :

The provisions of the Railways Clauses Consolidation Act 1845 :—

With respect to the temporary occupation of lands near the railway during the construction thereof :

A.D. 1890.

With respect to the crossing of roads or other interference therewith:

And with respect to the recovery of damages not specially provided for and of penalties and to the determination of any other matter referred to justices:

The Harbours Docks and Piers Clauses Act 1847 provided that sections 16 to 19 (both inclusive) of the last-mentioned enactment shall only be in force if and when the Board of Trade require.

Interpreta-  
tion of ex-  
pressions in  
general Acts.

3. In construing for the purposes of this Act the Commissioners Clauses Act 1847 or any other Act or Acts mentioned in the next preceding enactment the following words unless there be something in the subject or context repugnant to such construction (that is to say) The expressions "the promoters" "the promoters of the undertaking" "the undertakers" or "the company" shall mean the Commissioners the words "the railway" and "the undertaking" and "the harbour dock and pier" shall mean all the works or any of them by this Act authorised.

Interpreta-  
tion of terms.

4. In construing this Act unless the context otherwise requires—  
The expression "the first recited Act" means the Bray Township Act 1866:

The expression "the second recited Act" means the Bray Township Act 1881:

The expression "the recited Acts" means both of the preceding Acts:

The expression "the township" means the Bray township as defined and constituted by the first recited Act:

The expression "the Commissioners" means the Bray Commissioners acting in and for the township:

The expression "the harbour or dock works" means the harbour works authorised to be made by this Act:

The expression "the pier" means the promenade pier and landing stage by this Act authorised to be made:

The expression "the Local Government Board" means the Local Government Board for Ireland.

## PART II.—NEW WORKS.

Power to  
make con-  
tinuation of  
sea-wall and  
promenade  
pier.

5. Subject to the provisions of this Act the Commissioners may make and maintain in the line and according to the levels shown on the deposited plans and sections the following works with all necessary approaches works and other conveniences necessary and

suitable in connexion therewith and may enter upon take and use such of the lands delineated on the deposited plans and described in the deposited books of reference as may be required for those purposes.

The works referred to in this section are—

- (1) A continuation of the present sea-wall and promenade commencing at the southern extremity of the same and extended in a southerly direction and terminating at the coast-guard boat house a distance of one hundred and twenty-eight yards or thereabouts from its commencement :
- (2) A promenade pier and landing stage commencing at a point on the seaward face of the present sea-wall in a straight line with a central line drawn along the road called Sidmonton Avenue which joins the Strand Road alongside the south end of Brennan's Terrace and extended nearly straight out to sea in an easterly direction and terminating at a distance of three hundred yards or thereabouts from its commencement.

6. Subject to the provisions of this Act the Commissioners may make and maintain in the line and according to the levels shown on the deposited plans and sections the harbour works and outfall sewers herein-after described with all necessary approaches works or other conveniences connected therewith and may enter upon take and use such of the lands delineated on the said plans and described in the deposited books of reference as may be required for those purposes.

Power to  
make har-  
bour works  
and outfall  
sewers.

The works referred to in this section are—

- (a) A retaining wall commencing at the south-east corner of the southern abutment of the bridge which carries the Dublin Wicklow and Wexford Railway over the Bray River extending in an easterly direction and terminating sixty yards or thereabouts from its commencement :
- (b) A retaining wall on the western side of the harbour commencing at the eastern extremity of the aforesaid retaining wall and extending in a southerly direction nearly parallel with Dock Terrace and terminating eighty yards or thereabouts from its commencement :
- (c) A retaining wall on the south side of the harbour commencing at the southern termination of the western wall aforesaid extending almost at right angles to the said western wall in an easterly direction and terminating one hundred and fifteen yards or thereabouts from its commencement with the boat slip connected with the southern breakwater :

A.D. 1890.

- (d) A breakwater for the south side of the harbour commencing at the north-east corner of Kelly's rampart extended in a direction a little north of east for a distance of one hundred and sixty yards or thereabouts canted and continued in a north-easterly direction for a distance of seventy yards or thereabouts and further canted and continued in a direction a little east of north for a distance of sixty yards or thereabouts where it terminates making the entire length of the southern breakwater two hundred and ninety yards or thereabouts :
- (e) A retaining wall commencing at the north-east corner of the northern abutment of the bridge which carries the Dublin Wicklow and Wexford Railway over the Bray River extending in an easterly direction and terminating sixty yards or thereabouts from its commencement :
- (f) A retaining wall on the western side of the harbour commencing at the eastern extremity of the last-named retaining wall (e) extending in a northerly direction nearly parallel with the retaining wall of the Dublin Wicklow and Wexford Railway for a distance of eighty yards or thereabouts canted and continued in a north-westerly direction for a distance of sixty yards or thereabouts making the entire length of this wall one hundred and forty yards or thereabouts :
- (g) A breakwater for the north side of the harbour commencing at a point in the bed of the sea situated sixty yards or thereabouts westerly of the termination of the aforesaid southern breakwater (d) extending in a north-westerly direction towards the shore and terminating at a distance of two hundred and eighty yards or thereabouts from its commencement :
- (h) An outfall sewer in each of the breakwaters (d) and (g) with the necessary sluices valves and other works to discharge near to the eastern ends of the said breakwaters :

And the Commissioners may erect and maintain all proper shipping and landing places jetties wharves warehouses sheds cranes and other works and conveniences in connexion with and for the better use of the harbour and may from time to time alter remove renew and replace any such works or conveniences.

Harbour  
limits.

7. The limits of the harbour (herein-after referred to as "the harbour limits") within which the Commissioners shall have authority and which shall be deemed the limits to which this Act and the power to levy harbour duties and rates as specified in the First Schedule hereto extend shall comprise the harbour works of the Commissioners authorised by this Act and a distance in all

directions on the sea and along the beach of the sea below high-water mark of two hundred yards from any part of the harbour works by this Act authorised. A.D. 1890.

8. Notwithstanding anything contained in this Act or anything shown on the deposited plans in constructing the harbour works authorised by this Act the following provisions shall have effect for the protection of the Earl of Meath (herein-after called "the Earl") unless otherwise agreed upon:—

As to construction of certain works.

(1.) The works described in this Act as (*d*) a breakwater for the south side of the harbour and (*g*) a breakwater for the north side of the harbour shall instead of being constructed as shown on the deposited plans be constructed as shown by the red colour and by the letters D and G respectively on the plan signed by the Right Honourable the Earl Ducie the chairman of the committee of the House of Lords to whom the Bill for this Act was referred and deposited in the Parliament Office of the House of Lords and herein-after referred to as "the signed plan" subject to any alterations which may be agreed upon between the engineer for the Earl and the engineer for the Commissioners or which may be ordered to be made therein by the Board of Trade Provided that in the event of any question or difficulty arising as to the construction of the portion of the breakwater *d* between the points marked A and B on the signed plan beyond the limits of deviation laid down upon the deposited plans the Commissioners shall construct the same within and as near to the limits of deviation laid down upon the deposited plans as possible and the Earl shall afford every facility for the Commissioners carrying out the works according to the signed plan.

(2.) Nothing contained in this Act shall authorise the Commissioners to enter upon take or use any part of the land which is situated on the north side of the said breakwater *g* Provided that if at any time the Commissioners require to strengthen or repair the breakwaters *d* and *g* by this Act authorised they shall be at liberty so far as the Earl is concerned to enter upon the land or such portion thereof as may be necessary for the purpose between those breakwaters and the dotted red line on the signed plan being an imaginary line drawn parallel to and not exceeding 30 feet from those breakwaters and marked on the signed plan "repairing line" and to execute thereon any works necessary for such strengthening and repairing.

(3.) The Commissioners shall as part of the harbour works and to be constructed at the same time therewith erect and for ever maintain a bridge as shown on the signed plan and coloured

A.D. 1890.

red thereon such bridge to be constructed of stone or iron across the River Bray and having a width between the parapets or handrails of not less than thirty feet to be used for the purpose of public traffic.

(4.) The Commissioners shall not place any obstacle in or within the harbour limits or adjacent thereto so as to prevent the passage of fish but shall at all times permit the free passage of fish into and through the harbour from the sea to the River Bray and from the River Bray into and through the harbour to the sea.

(5.) In case any dispute or difference shall at any time arise between the Earl and the Commissioners as to the true intent and meaning of the provisions of this section the same shall be settled by arbitration in the manner provided by the Railway Companies Arbitration Act 1859 and this section shall be deemed a reference in accordance with that Act and the provisions of that Act with respect thereto shall be observed and acted on in the same manner as if they had been expressly inserted in this Act.

(6.) Save as in this Act otherwise expressly provided nothing contained in this Act shall be deemed to divest alter or affect any estate right title or interest of the Earl in to or over the shore of the sea between high and low water marks.

Sections of recited Acts made applicable to works authorised by this Act.

9. The sections and provisions of the first recited Act applicable to the promenade or esplanade therein mentioned and the sections and provisions of the second recited Act applicable to the sea-wall and promenade and to the promenade pier and harbour or dock and harbour works and outfall sewers thereby authorised subject to the provisions of and except as otherwise provided by this Act are hereby made applicable in all respects to the continuation of the sea-wall and promenade and to the promenade pier and landing stage and to the harbour and harbour works and outfall sewers by this Act authorised to be made and maintained in the same way as if those sections and provisions had been re-enacted herein with any necessary variations and made expressly applicable to the works as authorised by this Act.

Period for compulsory purchase of lands.

10. The powers of the Commissioners for the compulsory purchase of lands for the purposes of this Act shall cease after the expiration of five years from the passing of this Act.

Period for completion of works.

11. If the works are not completed within ten years from the passing of this Act then on the expiration of that period the powers by this Act granted to the Commissioners for making and completing the works or otherwise in relation thereto shall cease

except as to so much of the same respectively as shall then be completed. A.D. 1890.

**12.** If any omission misstatement or erroneous description shall have been made of any lands or of the owners lessees or occupiers of any lands delineated on the deposited plans or described in the deposited books of reference the Commissioners may apply to two justices for the correction thereof after ten days notice to the owners lessees and occupiers of the lands affected by such proposed correction and if it shall appear to such justices that such omission misstatement or erroneous description arose from mistake or inadvertence they shall certify the same accordingly and they shall in such certificate state the particulars of any such omission and in what respect any such matter shall have been misstated or erroneously described and such certificate shall be deposited with the clerk of the peace for the county and a copy thereof with the clerk of the poor law union in which the lands are situate and such certificate and copy shall be kept by such clerk of the peace and clerk of such poor law union along with the other documents to which they relate and thereupon such plans or books of reference shall be deemed to be corrected according to such certificate and the Commissioners may take the lands in accordance with such certificate.

Errors and omissions in plans &c. to be corrected by justices who shall certify the same.

**13.** Subject to the provisions of this Act the Commissioners may in constructing the works authorised by this Act deviate laterally to the extent of the limits of deviation respectively marked upon the deposited plans and may deviate from the levels thereof as shown on the deposited sections to any extent not exceeding ten feet Provided that no deviation either lateral or vertical below high-water mark shall be made without the consent in writing of the Board of Trade.

Powers of deviation.

**14.** The Commissioners shall not construct on the shore of the sea or of any creek bay arm of the sea or navigable river communicating therewith where and so far up the same as the tide flows and re-flows any work without the previous consent of the Board of Trade to be signified in writing under the hand of one of the secretaries or assistant secretaries of the Board of Trade and then only according to such plan and under such restrictions and regulations as the Board of Trade may approve of such approval being signified as last aforesaid and where any such work may have been constructed the Commissioners shall not at any time alter or extend the same without obtaining previously to making any such alteration or extension the like consents or approvals If any such work be commenced or completed contrary to the provisions of this Act

Works below high-water mark not to be commenced without consent of Board of Trade.

A.D. 1890. — the Board of Trade may abate and remove the same and restore the site thereof to its former condition at the cost and charge of the Commissioners and the amount of such costs and charges shall be a debt due from the Commissioners to the Crown and shall be recoverable accordingly with costs.

Lights on works.

**15.** The Commissioners shall on or near the works below high-water mark hereby authorised during the whole time of the constructing altering or extending the same exhibit and keep burning at their own expense every night from sunset to sunrise such lights (if any) as the Board of Trade from time to time require or approve.

If the Commissioners fail to comply in any respect with the provisions of this section they shall for each night in which they so fail be liable to a penalty not exceeding twenty pounds.

Commissioners to exhibit lights.

**16.** The Commissioners shall at the outer extremity of their works below high water exhibit and keep burning from sunset to sunrise such lights (if any) as the Commissioners of Irish Lights shall from time to time direct.

If the Commissioners fail to comply in any respect with the provisions of the present section they shall for each night in which they so fail be liable to a penalty not exceeding twenty pounds.

Abatement of work abandoned or decayed.

**17.** If a work constructed by the Commissioners on in over through or across tidal lands or tidal water is abandoned or suffered to fall into decay the Board of Trade may abate and remove the work or any part of it and restore the site thereof to its former condition at the expense of the Commissioners and the amount of such expense shall be a debt due from the Commissioners to the Crown and be recoverable accordingly with costs or the same may be recovered with costs as a penalty is recoverable from the Commissioners.

Survey of works by Board of Trade.

**18.** If at any time the Board of Trade deems it expedient for the purposes of this Act to order a survey and examination of a work constructed by the Commissioners on in over through or across tidal lands or tidal water or of the intended site of any such work the Commissioners shall defray the expense of the survey and examination and the amount thereof shall be a debt due from the Commissioners to the Crown and be recoverable accordingly with costs or the same may be recovered with costs as a penalty is recoverable from the Commissioners.

Provision against danger to navigation.

**19.** In case of injury to or destruction or decay of the pier or works or any part thereof the Commissioners shall lay down such buoys exhibit such lights or take such other means for preventing

so far as may be danger to navigation as shall from time to time be directed by the Commissioners of Irish Lights and shall apply to those Commissioners for directions as to the means to be taken and the Commissioners shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply or refuse or neglect to obey any direction given in reference to the means to be taken.

A.D. 1890.

**20.** The Commissioners shall not under the powers of this Act without the consent of the Local Government Board purchase or acquire in any urban sanitary district as defined by the Public Health (Ireland) Act 1878 ten or more houses which after the passing of this Act have been or on the fifteenth day of December last were occupied either wholly or partially by persons belonging to the labouring class as tenants or lodgers - For the purpose of this section the expression "labouring class" includes mechanics artisans labourers and others working for wages hawkers costermongers persons not working for wages but working at some trade or handicraft without employing others except members of their own family and persons other than domestic servants whose income does not exceed an average of thirty shillings a week and the families of any of such persons who may be residing with them.

Restriction on taking houses of labouring class.

### PART III.—MONEY POWERS &c.

**21.** Section 41 of the second recited Act (power to borrow) is hereby repealed in so far as it authorises the Commissioners to borrow for the harbour works thereby authorised any sum not exceeding fifteen thousand pounds and in so far as it authorises the Commissioners to borrow for the pier thereby authorised any sum not exceeding fifteen thousand pounds and sections 41 42 and 43 of the second recited Act shall be read as if the sum authorised to be raised had been twenty thousand pounds instead of fifty thousand pounds.

Repeal of certain borrowing powers.

**22.** The Commissioners in addition to any other moneys they have borrowed or are authorised to borrow may for the following purposes from time to time borrow any sums not exceeding the following (that is to say) :—

Powers to borrow.

For the continuation of the sea-wall and promenade	£
- - - - -	3,000
For the harbour works and outfall sewers	- 30,000
For the promenade pier and landing stage	- 17,000
For general purposes	- 7,000

A.D. 1890.

on mortgage of the tolls rates or other revenues for the time being levied by or coming to them under the provisions of the recited Acts or of this Act or on mortgage of any of those particular tolls rates or other revenues specially and the provisions of the recited Acts with reference to borrowing and re-borrowing money on mortgage or otherwise shall subject to the provisions of this Act be applicable to any of the said moneys borrowed under the provisions of this Act and section 45 (Sinking fund to be formed by the Commissioners) and section 46 (Annual return to Local Government Board with respect to sinking fund) of the second recited Act shall apply to any of the said moneys so raised or borrowed by them in the same way as if the said provisions had been re-enacted herein and made applicable to the said moneys. Provided that the said sum of seven thousand pounds to be borrowed for general purposes shall be paid off and extinguished within twenty years from the time of borrowing the same.

Priority of existing mortgages.

**23.** All mortgages made by the Commissioners before the passing of this Act affecting any tolls rates or revenues by this Act authorised to be mortgaged shall during their respective continuance have priority over any mortgage or charge of the same security to be granted under the recited Acts or this Act or either of them for the purposes of this Act.

Power to make by-laws for protection of sea-wall &c.

**24.** It shall be lawful for the Commissioners from time to time to make alter and repeal byelaws for the protection and use of the sea-wall and promenade and for charging reasonable tolls for the use of the sea-wall and promenade authorised by the recited Acts and this Act and to impose and recover penalties for the breach of such byelaws not exceeding the sum of five pounds for every offence. Provided that any such byelaws shall be subject to the approval of the Local Government Board in manner herein-after provided.

Pier rates.

**25.** The Commissioners may in respect of the pier by this Act authorised levy and take the rates by the second recited Act authorised to be levied and taken in respect of the promenade pier as authorised by the second recited Act (the power to make which said pier has lapsed) as if the provisions of the second recited Act authorising those rates and those rates had been herein re-enacted and made applicable to the pier as authorised by this Act.

Harbour duties and rates.

**26.** Sections 16 and 17 of the second recited Act and Schedule H of the first recited Act are hereby repealed and when and so soon as it shall be certified under the hand of an officer to be appointed by the Board of Trade for that purpose that the Com-

missioners have constructed and so far completed any portion of the harbour works authorised by this Act so as to afford convenient accommodation for vessels the Commissioners may although the whole of the works shall not then have been completed demand and receive within the harbour limits in respect of the vessels goods and things described in the First Schedule hereto annexed such of the duties and rates or such portion of all or any of the duties and rates specified in that schedule as shall in the opinion of the Board of Trade be commensurate with the increased accommodation afforded.

A.D. 1890.

**27.** Notwithstanding anything contained in the Harbours Docks and Piers Clauses Act 1847 incorporated with this Act it shall be lawful for the Commissioners once in every year to make one or more assessments in manner provided by the recited Acts with regard to the Bray township rate under the name of the Bray township harbour rate to be levied by two equal half-yearly instalments also in manner provided by the recited Acts with reference to the said Bray township rate And the said rate may be collected with the Bray township rate and subject to the provisions of this Act the provisions of the recited Acts with respect to the making assessing levying recovering and collecting the Bray township rate and all incidental matters shall extend and apply mutatis mutandis to the making assessing levying recovering and collecting of the Bray township harbour rate and all incidental matters and all moneys received by the Bray township harbour rate shall be applied to the purposes of this Act with respect to the harbour and harbour works authorised to be made and maintained by this Act Provided the total amount to be raised in any one year shall not exceed the amount required for that year for paying the interest on money borrowed and from time to time remaining due on account of the amount of the costs charges and expenses of this Act allocated to the account of the harbour and of the harbour works by this Act authorised and for providing the sinking fund for discharging the principal money so borrowed for the purposes aforesaid after crediting to account of the harbour undertaking the net annual amount received for that year arising from the harbour revenues.

Bray township harbour rate.

**28.** Section 34 (Power to purchase additional lands by agreement) and section 39 (Application of rates &c.) and section 40 (Commissioners may apply rates &c.) of the second recited Act shall be applicable to the objects and purposes of this part of this Act.

Provision as to sections 34 39 and 40 of the second recited Act.

A.D. 1890.

Application  
of borrowed  
moneys.

29. The said moneys authorised to be raised by this Act for the purposes of the said several works authorised by this part of this Act by borrowing shall be applied only for the purposes of the said works to which capital is properly applicable.

#### PART IV.—CONSOLIDATION OF DEBT.

Interpreta-  
tion.

30.—(1.) In this part of this Act unless the context otherwise requires—

“The township rate” means the Bray township rate:

“The harbour rate” means the Bray township harbour rate:

“Township purposes” means all purposes relating to the township (other than harbour purposes):

“Harbour purposes” means purposes relating to the harbour (other than township purposes):

“Stock” or “debenture stock” means Bray Township Redeemable Debenture Stock:

“Rate” or “rates” or “revenues” includes the Bray township rate and all other tolls rates dues duties charges rents or revenues belonging to or coming to the Commissioners for the time being:

“Bank” includes the Governor and Company of the Bank of Ireland and any banking company bankers or banker:

“Statutory declaration” means declaration under the Statutory Declarations Act 1835.

(2.) Any power whether or not coupled with a duty of borrowing or continuing on loan or re-borrowing money or of redeeming or paying off or creating or continuing payment of or in respect of any annuity rentcharge rent or other security representing or granted in lieu of consideration money for the time being existing under this Act or under any Act of Parliament public or local passed or to be passed or under any Provisional Order confirmed by Act of Parliament passed or to be passed or under any order or sanction of any Government department made or given or to be made or given by authority of any Act of Parliament passed or to be passed is for purposes of this part of this Act a statutory borrowing power.

(3.) Any security in which trustees are for the time being by or under any Act of Parliament passed or to be passed authorised to invest trust money and any mortgage bond debenture debenture stock annuity rentcharge rent or other security authorised by or under any Act of Parliament passed or to be passed of any municipal body in the United Kingdom (except the township) or of any other

local authority within section 34 of the Local Loans Act 1875 or of any urban sanitary authority as defined by the Public Health (Ireland) Act 1878 is for purposes of this part of this Act a statutory security. A.D. 1890.

(4.) The provisions of this part of this Act referring to interest apply to and include instalments of any annuity and half-yearly or other payments of or in respect of a rentcharge rent or other statutory security.

#### CREATION AND CHARGE OF STOCK.

**31.** (1.) Where the Commissioners have for the time being any statutory borrowing power then subject and according to the provisions of this part of this Act the Commissioners may from time to time by resolution of a meeting exercise the power by creation of redeemable debenture stock to be from time to time issued for such amount within the limit of the power at such price and to bear such half-yearly or other dividends as the Commissioners by the resolution direct and to be transferable by deed. Provided that all stock at any time and from time to time so created shall be created on and subject to such terms and conditions as that the same shall form one and the same class of stock bearing one and the same rate of dividend and redeemable at the option of the Commissioners at one and the same time not exceeding sixty years from the first creation of debenture stock. Creation of debenture stock.

(2.) All stock at any time and from time to time so created shall rank equally without any priority or preference by reason of any precedence in the date of any statutory borrowing power or in the date of creation of any portion of stock or in the date of issue of any portion of stock or on any other ground whatsoever.

(3.) The resolution for the first creation of debenture stock shall provide that such stock shall be redeemable by the Commissioners at par that is to say at the rate of one hundred pounds sterling for every nominal amount of one hundred pounds stock issued at such time and in such manner as the Commissioners by that resolution declare.

(4.) Each resolution for creation of stock shall specify that the stock thereby created is redeemable.

(5.) Stock so created shall be designated by the Commissioners as the Bray Township Redeemable Debenture Stock.

**32.** Each statutory borrowing power of the Commissioners shall be construed to authorise the Commissioners to create and issue debenture stock from time to time to such nominal amounts as in the aggregate will according to the price of issue produce the actual Borrowing power to be exercisable for actual sum raisable.

A.D. 1890. — amount of money for the time being lawfully raisable by the Commissioners under that power or some portion of that actual amount or (as the case may be) the actual amount of money properly payable by the Commissioners as consideration on payment off or redemption by the Commissioners of any mortgage bond debenture debenture stock annuity rentcharge rent or other security granted or created by the Commissioners.

Charge of  
debenture  
stock.

**33.** (1.) All debenture stock for the time being issued and the dividends thereon shall be and the same are by virtue of this Act charged indifferently on the whole revenues of the Commissioners from time to time arising from the undertakings and other property for the time being of the Commissioners and on the township rate and on all other funds and rates established and leviabie by the Commissioners for the time being.

(2.) The dividends for the time being payable on all debenture stock shall subject to all charges existing at the date of the first issue of any debenture stock under this part of this Act be the first charge on the revenues and rates aforesaid (all which revenues and rates are comprised in the term Commissioners revenues when hereafter used in this part of this Act).

#### LOANS FUND.

Establish-  
ment of con-  
solidated  
loans fund.

**34.** For payment of dividends on all debenture stock and for purchase and extinction or redemption of all debenture stock there shall be established and formed a fund called the Bray Township Consolidated Loans Fund (in this part of this Act referred to as the loans fund).

Contribu-  
tions to loans  
fund for  
dividends.

**35.** (1.) In each year the Commissioners shall pay into the loans fund a sum or sums equal to the aggregate amount of all dividends payable in that year on the several portions of debenture stock issued in exercise of the respective statutory borrowing powers of the Commissioners and remaining outstanding.

(2.) They shall provide the sum or sums aforesaid by contributions from the several Commissioners revenues if any specifically made liable to provide the same by or under any Act of Parliament or any Provisional Order confirmed by Act of Parliament or any order or sanction of any Government department or by any resolution of the Commissioners having reference to those respective statutory borrowing powers and if as regards any statutory borrowing power there is no such specific liability then from the several Commissioners revenues out of which interest would have been payable on money borrowed by the Commissioners under that power if that money had

been raised and remained secured otherwise than by debenture stock and in default thereof or subject thereto they shall provide the same as regards township purposes out of the township rate or out of any other rate relating to township purposes or as regards harbour purposes out of the harbour rate as the Commissioners having regard to the provisions of this part of this Act and to the objects for which the statutory borrowing power was exercised may consider equitable. A.D. 1890.

(3.) The amounts of those several contributions (subject to any payment in reduction thereof authorised by this part of this Act) shall be the sums ascertained to be required in that behalf by apportionment of that aggregate amount of dividends among those several Commissioners revenues according to the amount of stock the dividends whereon are properly payable thereout respectively.

**36.** (1.) In each year the Commissioners shall pay into the loans fund a sum or sums equal to the aggregate amount of all sums payable in that year for purchase and extinction or redemption of the several portions of debenture stock issued in exercise of the respective statutory borrowing powers of the Commissioners and remaining outstanding. Contributions to loans fund for extinction of stock.

(2.) They shall provide the sum or sums last aforesaid by contributions from the several Commissioners revenues if any specifically made liable to provide the same by or under any Act of Parliament or any Provisional Order confirmed by Act of Parliament or any order or sanction of any Government department or by any resolution of the Commissioners having reference to those respective statutory borrowing powers and if as regards any statutory borrowing power there is no such specific liability then from the several Commissioners revenues out of which any yearly or other sums would have been payable towards a sinking fund for discharge or towards payment off by instalments appropriations annual repayments or otherwise of money borrowed by the Commissioners under the power if that money had been raised and remained secured otherwise than by debenture stock and in default thereof or subject thereto they shall provide the same as regards township purposes out of the township rate or out of any other rate relating to township purposes or as regards harbour purposes out of the harbour rate as the Commissioners having regard to the provisions of this part of this Act and the objects for which the statutory borrowing power was exercised may consider equitable.

(3.) The amounts of those several contributions (subject to any payment in reduction thereof authorised by this part of this Act) shall be the same amounts as would in the same respective cases

A.D. 1890.

have been payable towards a sinking fund or towards payment off as aforesaid those contributions to be subject to accumulation if and as in the same respective cases accumulation was prescribed.

(4.) The Commissioners shall from time to time by investment in statutory securities of the sums paid into the loans fund in respect of those several contributions or of proper parts thereof and by like investment of the interest and annual proceeds arising from those securities make and maintain such accumulations as are in this section referred to.

(5.) But if the extinction of any portion of debenture stock or any part thereof is accelerated by the application to such extinction of any part of the loans fund required by this part of this Act to be applied to the making and maintenance of those accumulations then a sum or sums equal to the dividends on the stock so extinguished shall thenceforth in every year during the residue of the period expressly or by implication limited for the continuance of any loan by or under the statutory borrowing power in exercise whereof that portion of stock is issued be paid into the loans fund out of the Commissioners revenues chargeable with payment of the dividends on that portion of stock.

Raising of  
contributions  
to loans fund.

**37.** (1.) The Commissioners shall from time to time in order to raise the amounts of the several contributions of the two kinds aforesaid out of the several Commissioners revenues do all such acts exercise all such powers collect all such money and make and levy all such rates as they lawfully can or ought to do exercise collect make and levy for the purposes of or in relation to the respective statutory borrowing powers in exercise whereof the several portions of debenture stock are issued.

(2.) If by reason of any limit of rate or for any other reason there is a deficiency on any Commissioners revenue in respect of any required contribution the Commissioners shall advance the amount of the deficiency out of the township rate as regards township purposes or out of the harbour rate or township rate as regards harbour purposes as the Commissioners having regard to the provisions of this part of this Act and the objects for which the statutory borrowing power was exercised may consider equitable and any limit of those rates shall not apply to any such rate made and levied to provide any contribution or payment under this part of this Act. Provided always that any advance from the township rate for harbour purposes shall be recouped by the harbour account to the township account.

(3.) The amount so advanced shall be a debt due from the Commissioners revenue on which the deficiency existed to the fund

or rate out of which the advance is made and interest shall be payable thereon at the rate of three and one half per centum per annum until repayment and the same debt and interest shall as soon as in the judgment of the Commissioners reasonably may be be raised and paid out of the Commissioners revenue on which the deficiency existed.

A.D. 1890.

**38.** (1.) The Commissioners shall pay into the loans fund and shall carry to the proper separate account forming part of the general account of the loans fund all such money being capital or in the nature of capital and not being otherwise wholly or in part appropriated or made applicable by law or by valid contract as shall from time to time arise from any sale lease or other disposition of land or other property of the Commissioners on the revenues whereof any debenture stock is charged.

Payment of  
sale money  
&c. to loans  
fund.

(2.) The Commissioners shall pay into the loans fund and shall carry to the proper separate account forming part of the general account of the loans fund the rents and profits of any land and other property of the Commissioners acquired by them for the purposes of any undertaking or purpose for or in respect of which any statutory borrowing power is exercised by them by the issue of stock and not otherwise wholly or in part appropriated or made applicable by law or by valid contract.

(3.) The Commissioners before making any payment into the loans fund under this section may deduct from the money or the rents and profits to which this section applies any costs and expenses properly incurred by the Commissioners in or about any sale lease or other disposition or the collection and receipt of any rents and profits.

**39.** The Commissioners shall from time to time apply the loans fund first in paying the dividends on all debenture stock and next in purchasing for extinction debenture stock and as far as not extinguished in redeeming debenture stock according to the terms of issue.

Application  
of loans fund.

**40.** All debenture stock purchased by the Commissioners for extinction or redeemed by the Commissioners shall be forthwith cancelled by the Commissioners and on such cancellation the same and all dividends thereon (not already accrued) shall be and the same are by virtue of this Act extinguished.

Extinction of  
stock re-  
deemed or  
purchased.

**41.** (1.) As parts of the general account of the loans fund the Commissioners shall keep separate accounts relative to—

Account of  
loans fund.

(A) Each undertaking or purpose for or in respect of which any statutory borrowing power is exercised by them by the issue of stock : and

A.D. 1890.

(B) Each statutory borrowing power so exercised.

(2.) Those separate accounts shall distinguish and show—

(c) The portions of debenture stock for the time being unextinguished and chargeable to each undertaking or purpose and respectively attributable to the exercise of the several statutory borrowing powers if more than one relating to that undertaking or purpose: and

(D) The amounts of those several portions of debenture stock purchased or redeemed by means of the loans fund and cancelled and extinguished.

(3.) Those separate accounts shall further distinguish and show in relation to each undertaking or purpose—

(E) All money being capital or in the nature of capital arising from any sale lease or other disposition of land or other property of the Commissioners paid into the loans fund and in the judgment of the Commissioners properly attributable to that undertaking or purpose and the securities on which that money or any part thereof is from time to time invested: and

(F) All money from time to time received as interest and annual proceeds of the last-mentioned money and securities: and

(G) All money from time to time received as rents and profits of any land or other property of the Commissioners so as aforesaid acquired and not otherwise appropriated or made applicable: and

(H) All money and securities transferred to the loans fund as having formed part of a sinking fund and all money from time to time received as interest and annual proceeds of the last-mentioned money and securities or of securities wherein the same interest and annual proceeds are from time to time invested by way of accumulation: and

(J) All money paid into the loans fund as contributions from the Commissioners revenues in respect of dividends on the several portions of debenture stock chargeable to that undertaking or purpose: and

(K) All money paid into the loans fund as contributions from the Commissioners revenues in respect of the purchase and extinction or redemption of those several portions of debenture stock: and

(L) All money being unclaimed dividends paid into the loans fund as herein-after provided.

42. (1.) Where any money is standing on a separate account in the loans fund being money paid into the loans fund as rents and profits of the land and other property of the Commissioners or being money paid into the loans fund as interest on cash balances received by the Commissioners or being other money paid into the loans fund but not being capital or in the nature of capital and not being required by this part of this Act to be applied to the making and maintenance of such accumulations as are prescribed by this part of this Act the Commissioners may deal with the same as in this section provided.

A.D. 1890.  
—  
Application  
of income in  
reduction of  
contributions.

(2.) Where any money is standing on a separate account in the loans fund being money required by this part of this Act to be applied to the making and maintenance of such accumulations as are prescribed by this part of this Act the Commissioners after providing for the making and maintenance of those accumulations may if they think fit from time to time invest that money or any part thereof in statutory securities and deal with the interest and annual proceeds of those securities as in this section provided.

(3.) The Commissioners may if they think fit from time to time apply the money described in paragraph (1) of this section and the last-mentioned interest and annual proceeds to either of the purposes following or to both of those purposes in such proportion as the Commissioners from time to time may consider equitable and expedient (that is to say):—

(A) In reduction of such contributions out of the Commissioners revenues as are payable into the loans fund in respect of dividends on the portions of debenture stock comprised in the separate account on which the money or interest and annual proceeds is or are standing :

(B) In reduction of such contributions out of the Commissioners revenues as are payable into the loans fund for purchase and extinction or redemption of those portions of stock.

43. For the purposes of any contribution or account under this part of this Act the Commissioners if they think fit having regard to all the circumstances of the case and subject to the terms on which any loan of the Commissioners was contracted or any debenture stock was issued may from time to time determine and declare on which of the Commissioners revenues any loan of the Commissioners or any portion of debenture stock is or shall be deemed to be primarily or collaterally charged or determine and declare that any loan of the Commissioners or any portion of debenture stock shall be apportioned as regards the charge thereof between or among any of the Commissioners revenues and every such determination and declaration shall be effectual to all intents.

Determina-  
tion as to  
charge of  
stock.

A.D. 1890.

## CONVERSION OF OTHER SECURITIES INTO STOCK.

Payment off  
or substitu-  
tion for  
existing  
securities.

44. (1.) Where any mortgage bond debenture debenture stock annuity rentcharge or other security granted or created before or after the passing of this Act by the Commissioners under any statutory borrowing power is outstanding or payable and the Commissioners have power with the consent of the holder of that security or otherwise to pay off the amount thereby secured or represented or to redeem the same they may pay off or redeem the security accordingly with money raised by debenture stock or they may with the consent of the holder thereof issue debenture stock in substitution for the security.

(2.) The Commissioners may in every such case make such reasonable payment as they may think fit to the holder of any security for his consent or for otherwise compensating him for the payment off or redemption of or substitution for his security and any such payment may be either in money or debenture stock or partly in one and partly in the other.

(3.) The Commissioners may create and issue debenture stock to such amount as may be requisite for purposes of this section and that stock shall be deemed to be created and issued and any money raised thereby shall be deemed to be raised by virtue of the statutory borrowing power under which the security was granted or created and any money so raised shall be applied in payment off or redemption of the security.

(4.) In every such case of payment off redemption or substitution the Commissioners shall pay and transfer into the loans fund the whole or a proportionate part (as the case may require) of any money and securities forming part of the sinking fund applicable to the discharge of the security.

(5.) Where the holder of the security is one of the persons described in section 7 of the Lands Clauses Consolidation Act 1845 and by that Act enabled to sell land thereunder that person may consent to payment or redemption of or substitution for the money secured or represented by that security and may accept money for giving that consent as if the person so consenting were the absolute owner of that security and that person is hereby indemnified for so doing and his receipt shall be a good discharge for the same.

(6.) Money received by the holder of any security as authorised by this section and debenture stock issued to him in substitution for any security shall be subject to the same trusts powers testamentary and other dispositions provisions and incumbrances as the money secured or represented by the security was subject to immediately before the payment off redemption or substitution and every

deed or other instrument or any testamentary or other disposition shall take effect with reference to the whole or a proportionate part of the money or stock received or substituted as the case may be. A.D. 1890.

#### EFFECT ON BORROWING POWERS.

**45.** On the issue of any portion of debenture stock the statutory borrowing power in exercise whereof that stock is issued shall be affected as follows (namely):— Extinction  
or suspension  
of power.

(A) If the stock is issued for the whole term limited for the continuance of any loan or for the continuance of payment of or in respect of any mortgage bond debenture debenture stock annuity rentcharge rent or other security granted or created by the Commissioners under that statutory borrowing power then that power to the extent of the money raised by that stock shall be and the same is by virtue of this Act extinguished: but

(B) If the stock is issued for part only of that term then so much of the money raised by that stock as has not been paid off out of the loans fund may be re-borrowed by the Commissioners for the residue of that term or any part thereof and so from time to time.

#### APPLICATION OF MONEY RAISED.

**46.** Money raised by debenture stock shall be applied to the purposes for which money raisable under the statutory borrowing power in exercise whereof the stock is issued ought by law to be applied and not otherwise. General  
application  
of money  
from debenture  
stock.

**47.** (1.) The Commissioners may from time to time invest temporarily on statutory securities (other than stock certificates to bearer and other than statutory securities of the Commissioners) money raised by debenture stock and not for the time being applied to or required for the undertaking or purpose for which it is raised and shall from time to time pay the interest and annual proceeds of those securities into the loans fund. Temporary  
investment  
of money  
raised by  
stock.

(2.) The Commissioners may if they think fit from time to time apply the interest and annual proceeds aforesaid or any part thereof in reduction of such contributions out of the Commissioners' revenues as are payable into the loans fund in respect of dividends on the respective portions of debenture stock by the issue whereof that money is raised.

A.D. 1890.

## REGISTRATION AND CERTIFICATES.

Appointment  
of registrar.

**48.** (1.) The Commissioners may if they think fit and on and subject to such terms and instructions not inconsistent with any provision of this part of this Act as they think expedient appoint and keep appointed an officer of the Commissioners or other person or any bank as registrar for all or any of the purposes of this Act (in this Act referred to as the registrar).

(2.) The Commissioners in relation to the provisions of this part of this Act and the registrar shall respectively be deemed a banker within the Bankers Books Evidence Act 1879.

Debenture  
stock  
register.

**49.** (1.) The Commissioners or the registrar shall keep books in which shall be entered the names and addresses of holders from time to time of debenture stock and the amounts held by them (in this part of this Act referred to as the debenture stock register).

(2.) The debenture stock register shall be primâ facie evidence of any matter entered therein in accordance with this part of this Act and of the title of the persons entered therein as holders of stock.

Certificates  
of proprietor-  
ship of  
stock.

**50.** (1.) On demand of a holder of debenture stock the Commissioners may if they think fit give to him a certificate of the proprietorship thereof under their common seal specifying the amount of debenture stock to which he is entitled (in this part of this Act referred to as a stock certificate).

(2.) A stock certificate shall be primâ facie evidence of the title of the person therein named his executors administrators successors or assigns to the stock therein specified but the want of a stock certificate if such want be accounted for to the satisfaction of the Commissioners shall not prevent the holder of stock from disposing of and transferring the same.

(3.) If a stock certificate is worn out or damaged the Commissioners on production thereof may cancel it and give a similar stock certificate to the party in whom the property in the stock certificate and in the stock therein specified is then vested.

(4.) If a stock certificate is lost or destroyed the Commissioners on proof thereof to their satisfaction may give a similar stock certificate to the party entitled to the certificate lost or destroyed.

(5.) An entry of the issue of a stock certificate or a substituted certificate as the case may be shall be made in the debenture stock register.

## TRANSFER.

A.D. 1890.

**51.** (1.) Subject to the provisions of this part of this Act every debenture stockholder may transfer all or any part of his stock by deed.

Power of stockholder to transfer stock by deed.

(2.) The deed of transfer shall relate only to the transfer and shall not contain any recital trust power or proviso whatsoever.

(3.) The deed of transfer when duly executed shall be delivered to and kept by the Commissioners or the registrar and the Commissioners or the registrar shall enter a memorial thereof in a book to be called the register of transfers of debenture stock and shall indorse on the deed of transfer a notice of that entry.

(4.) The Commissioners or the registrar shall on demand and on delivery up of the old stock certificate or on proof satisfactory to the Commissioners of its absence deliver a new stock certificate to the purchaser or shall at the option of the purchaser make an indorsement of the transfer on the existing stock certificate which indorsement being signed by direction of the Commissioners or by the registrar shall be equivalent to a new stock certificate.

(5.) Until the deed of transfer has been so delivered to the Commissioners or the registrar the Commissioners or the registrar shall not be affected thereby and the purchaser of the stock shall not be entitled to receive any dividend thereon.

**52.** (1.) The Commissioners or the registrar before allowing any transfer of stock may if the circumstances of the case appear to them or him to make it expedient require evidence of the title of any person claiming a right to make the transfer.

Evidence of transfer.

(2.) That evidence shall be a statutory declaration of one or more competent persons or of such other nature as the Commissioners or the registrar with the approval of the Commissioners may require.

**53.** (1.) The Commissioners or the registrar with the approval of the Commissioners may as regards any portion of debenture stock close the register of transfers of debenture stock on any day of the month next before that in which dividends on that portion of debenture stock are payable but so that the books be not at any time kept closed for more than fifteen days.

Closing of transfer books.

(2.) The persons who on the day of such closing are inscribed as debenture stockholders shall as between them and their transferees of debenture stock be entitled to the dividend next payable thereon.

A.D. 1890.

## TRANSMISSION.

Transmission  
on death.

54. (1.) The interest in debenture stock of a stockholder dying shall be transferable by his executors or administrators notwithstanding any specific bequest thereof.

(2.) The Commissioners or the registrar shall not be required to allow any executors or administrators to transfer any stock until the probate of the will of or the letters of administration to the deceased has or have been left with the Commissioners or the registrar for registration and may require all the executors who have proved the will to join in the transfer.

Transmission  
on marriage  
&c.

55. (1.) If the interest in any debenture stock has become transmitted in consequence of the bankruptcy of a stockholder or the marriage of a female stockholder or by any lawful means other than a transfer by deed or than the death of a stockholder that transmission shall be authenticated by a statutory declaration of one or more competent persons or in such other manner as the Commissioners or the registrar require.

(2.) The declaration shall state the manner in which and the party to whom the stock has been transmitted and shall be left with the Commissioners or the registrar.

(3.) If the transmission is in consequence of the marriage of a female stockholder the declaration shall if the Commissioners or the registrar so require set forth a copy of the register of the marriage or other particulars of the celebration thereof and declare the identity of the wife with the holder of the stock.

(4.) The name of the person entitled under the transmission shall be entered in the debenture stock register.

(5.) Until the transmission has been so authenticated the Commissioners or the registrar shall not be affected thereby and no person claiming by virtue thereof shall be entitled to receive any dividend on the stock.

(6.) In this section the term transmission includes any case of apparent transmission in consequence of the change of name of the stockholder although the actual ownership of the stock may remain unaltered.

## DIVIDENDS.

Payment of  
dividends.

56. The Commissioners may pay by the registrar the dividends on debenture stock.

Dividends to  
executors.

57. The Commissioners or the registrar shall not be required to allow any executors or administrators to receive any dividend on

debenture stock held by their testator or intestate until the probate of the will or the letters of administration has or have been left with the Commissioners or registrar for registration.

A.D. 1890.

**58.** The Commissioners or the registrar before allowing the receipt of any dividend on any debenture stock may if the circumstances of the case appear to them or him to make it expedient require evidence of the title of any person claiming a right to receive the dividend and that evidence shall be a statutory declaration of competent persons or of such other nature as the Commissioners or the registrar may require.

Evidence  
of title.

**59.** (1.) Where more persons than one are registered as joint-holders of any debenture stock any one of them may give an effectual receipt for any dividend thereon unless notice to the contrary has been given to the Commissioners or registrar by any other of them.

Dividends  
to joint  
holders.

(2.) Where debenture stock is standing in the name of an infant or person of unsound mind jointly with any person not under any legal disability a letter of attorney for receipt of the dividends on the stock shall be sufficient authority in that behalf if given under the hand and seal of the person not under disability attested by two or more credible witnesses but the Commissioners or the registrar before acting on the letter of attorney may if they or he think fit require proof to their or his satisfaction of the alleged infancy or unsoundness of mind by a statutory declaration of one or more competent persons.

**60.** (1.) Where a debenture stockholder desires to have his dividends sent to him by post he may make a request for that purpose to the Commissioners or the registrar in writing signed by him in a form approved by the Commissioners and shall give to the Commissioners or the registrar an address in the United Kingdom or in the Channel Islands or the Isle of Man to which the letters containing the warrants are from time to time to be sent.

Dividend  
warrants  
by post.

(2.) The posting by the Commissioners or registrar of the letter containing a dividend warrant addressed to a stockholder at his request at the address so given by him shall as respects the liability of the Commissioners and of the registrar be equivalent to the delivery of the warrant to the stockholder himself.

(3.) Every warrant so sent by post shall be deemed a cheque and the Commissioners and the registrar shall in relation thereto be deemed a banker within the Bills of Exchange Act 1882.

A.D. 1890.

## GENERAL.

Nature of  
debenture  
stock.Notice of  
trusts.**61.** (1.) Debenture stock is personal property.

(2.) Debenture stock is not liable to foreign attachment.

(3.) No notice of any trust express implied or constructive in respect of any debenture stock shall be entered in the debenture stock register or in any other book kept by the Commissioners or the registrar or be receivable by the Commissioners or the registrar or affect the Commissioners through the registrar or otherwise.

Receiver.

**62.** (1.) If at any time the Commissioners for two months after demand in writing fail to pay any dividend due on any debenture stock the person entitled thereto may apply to the High Court for a receiver and the Court may if it thinks fit appoint a receiver on such terms as it thinks fit.

(2.) The receiver shall have the like power of collecting receiving recovering and applying all money which ought to be paid under this part of this Act into the loans fund and of assessing making and recovering all rates for the purpose of obtaining such money as the Commissioners or any officer thereof would or might have and such other powers and such duties as the Court thinks fit and shall apply all money so collected after payment of expenses and costs as the Court directs for purposes of this part of this Act.

(3.) The Court may at any time discharge the receiver and shall have full jurisdiction over him and all persons interested in his acts.

Protection  
of holders  
of debenture  
stock.**63.** A person taking or holding debenture stock shall not be concerned to inquire or to take notice whether the creation or issue thereof was or was not within any statutory borrowing power of the Commissioners or otherwise in accordance with this part of this Act or whether or not any meeting of the Commissioners was properly constituted or convened or whether or not the proceedings at any meeting of the Commissioners were legal or regular or to see to the application of any money raised by debenture stock or be answerable for any loss or misapplication thereof.Annual  
return  
to Local  
Government  
Board.**64.** (1.) Once in every year at a time appointed by the Local Government Board the Commissioners shall send to that Board an abstract of the accounts of the Commissioners relating to debenture stock and the loans fund in a form prescribed by that Board and verified by a statutory declaration of the clerk to the Commissioners if required by that Board.

(2.) In case of wilful default therein by the Commissioners the Commissioners shall on each occasion be liable to a fine not exceeding

two hundred pounds and in case of wilful default therein by the clerk to the Commissioners the clerk shall on each occasion be liable to a fine not exceeding twenty pounds and every fine under this section shall be recoverable summarily on the prosecution of the Local Government Board and not otherwise. A.D. 1890.

(3.) If by any such abstract or otherwise it appears to that Board that the Commissioners have failed to comply with any requisition of this part of this Act in relation to any payment application or investment or otherwise in relation to debenture stock or the loans fund that Board may notwithstanding any proceeding for the recovery of any fine or any other proceeding taken by that Board by order require the Commissioners to make good the default within the time therein limited.

**65.** (1.) If at any time any dividend on any debenture stock is unclaimed at the time for payment thereof the same shall nevertheless on demand at any subsequent time whatsoever be paid to the person showing his right thereto but without interest in the meantime. Unclaimed dividends.

(2.) Where any dividend remains unclaimed for five years from the time of payment thereof the Commissioners shall cause notice thereof to be sent by post in a registered letter addressed to the stockholder named in their books by the description and at the address therein appearing and so at the expiration of three other successive periods of five years.

(3.) At the end of every successive period of five years from the day when the first dividend becomes payable on debenture stock first issued after the passing of this Act the Commissioners shall publish an advertisement in a newspaper circulating in the township stating what if any dividends on debenture stock other than those falling due at the then last half-yearly or other day of payment are then unclaimed and the names and addresses appearing in the debenture stock register of the holders of the stock on which the dividends are unclaimed.

(4.) At the end of every successive period of ten years from the day when the first dividend becomes payable on debenture stock first issued after the passing of this Act the Commissioners unless it has been otherwise agreed between them and the registrar may require the registrar to repay to them all dividends unclaimed during that period and then in his hands and the Commissioners shall pay the same into the loans fund and may deal therewith as they are by this part of this Act empowered to deal with money paid into the loans fund as interest on cash balances received by them without prejudice nevertheless to the rights of any person to those dividends.

A.D. 1890.

Saving  
for power  
to borrow  
otherwise.

**66.** Nothing in this part of this Act shall affect any power of the Commissioners to raise otherwise than by debenture stock any money which they do not think fit to raise by debenture stock but whenever from time to time after the date of the first issue of debenture stock under this part of this Act the Commissioners raise money otherwise than by debenture stock they shall cause to be given to each lender of money so raised notice in writing signed by the clerk to the Commissioners or other authorised officer of the Commissioners of the priority of charge which debenture stock has or may have by virtue of this part of this Act.

Saving for  
power of  
revocation.

**67.** Notwithstanding anything in this Act the Commissioners may revoke at any time in whole or in part any resolution for creation of debenture stock theretofore passed by the Commissioners if and as far as the same has not been acted on by the issue of stock thereunder.

Saving  
for other  
obligations.

**68.** Except as in this part of this Act expressly provided nothing in this Act shall relieve the Commissioners from any obligation imposed on them in relation to any statutory borrowing power by any Act of Parliament under or by which that power for the time being exists or is regulated.

Saving for  
power to  
sell lands &c.

**69.** (1.) Nothing in this part of this Act shall affect any power or duty of the Commissioners to sell lease or otherwise dispose of any land or property of the Commissioners or to apply any purchase money or other money arising thereby in discharge of any charge on that land or property or the revenues thereof other than the charge of debenture stock or affect any claim of any person under such first-mentioned charge.

(2.) That land or property shall in the hands of the purchaser or other person taking the same under the sale lease or other disposition be by virtue of this part of this Act absolutely freed from the charge of debenture stock and he shall not be concerned to see to the application of that purchase money or other money or be answerable for any loss or misapplication thereof.

Saving for  
existing  
securities.

**70.** (1.) Nothing in or done under this part of this Act shall affect any security or charge created or granted or payable by the Commissioners before the date of the first issue of any debenture stock and the Commissioners shall whenever required by the holder of any security or charge aforesaid apply all such money do all such acts exercise all such powers collect all such money and make and levy all such rates as they would or ought to have applied done exercised collected made and levied for his benefit and security if this part of this Act had not been enacted.

(2.) Nothing in this part of this Act shall dispense with the consent of the Treasury for any extension of the period of repayment or disposition of the sinking fund of any loan hereafter raised with their approval under the Acts relating to municipal corporations in Ireland.

A.D. 1890.

71. Debenture stock shall be deemed capital stock of a body corporate within the Act of the session of the twenty-fourth and twenty-fifth years of the reign of Her present Majesty (chapter ninety-eight) "to consolidate and amend the statute law of England and Ireland relating to indictable offences by forgery."

Forgery.

72. Any order of the Local Government Board under this part of this Act may contain such directions as the Board think necessary or proper for giving effect thereto and shall be enforceable by writ of Mandamus to be obtained by the Board out of the High Court and may be from time to time cancelled or varied by the Board as the circumstances of the case may require but the Board shall not make any such order without first hearing the Commissioners if desirous of being heard which hearing may be in the form of a public inquiry with or without a published report or in such other form as the Board having regard to the circumstances think just and expedient and sections 209 210 212 and 213 of the Public Health (Ireland) Act 1878 shall apply to hearings inquiries and other proceedings to which this section relates.

Orders  
of Local  
Government  
Board,

73. Where any bank are the registrar they may with the sanction of the Commissioners from time to time issue any forms that may be required for carrying into effect the provisions of this part of this Act and may also from time to time make any regulations that are not inconsistent with this part of this Act relative to the following things and when made may alter vary or repeal any such regulations and make other regulations instead thereof or in addition thereto and any such regulations for the time being in force shall be duly observed:—

Regulations  
by bank.

(a) The mode of proving the title of or identifying any person applying for a stock certificate:

(b) With respect to anything necessary for carrying into effect the provisions of this part of this Act which relate to or affect the bank.

74. The forms given in the Second Schedule may be used for the purposes therein indicated and the same or forms to the like effect with such variations or additions as circumstances require shall be effectual for those purposes.

Forms.

A.D. 1890.

Fees.

**75.** (1.) Fees not exceeding those specified in the Second Schedule may be taken by or on behalf of the Commissioners in the cases therein mentioned.

(2.) The proceeds of fees shall be paid by the Commissioners into the loans fund and shall be applied in reduction of contributions out of the revenues payable into the loans fund in respect of dividends on such portions of debenture stock as the Commissioners having regard to the cases in which the fees are paid determine.

Expenses.

**76.** (1.) The expenses incurred by the Commissioners in or about the creation and issue of any portion of debenture stock including any sum paid by them for composition for stamp duty thereon and any other expenses being in their judgment properly chargeable to capital shall be deemed money raisable under the statutory borrowing power in exercise whereof that portion of stock is issued.

(2.) Expenses of bookkeeping and management and other current expenses from time to time incurred by the Commissioners in the execution of this part of this Act shall be defrayed as the ordinary expenses of the Commissioners as a municipal body or as a sanitary authority are or may be defrayed.

#### PART V.—MISCELLANEOUS.

How byelaws are to be made.

**77.** Notwithstanding anything contained in the recited Acts or in this Act from and after the passing of this Act all byelaws to be made by the Commissioners relating to the township and to the esplanade and to the promenade and sea-wall and to the harbour and pier respectively under the powers of the recited Acts or of this Act or any Act incorporated therewith shall be made subject to the following provisions (that is to say):—

- (1) Byelaws to be made relating to the township and to the esplanade and to the promenade and sea-wall and to matters connected therewith shall be made subject to and in accordance with sections 219 to 223 (both inclusive) of the Public Health (Ireland) Act 1878 :
- (2) Byelaws to be made relating to the harbour and pier and to matters connected therewith shall be confirmed by the Board of Trade and shall be published in manner prescribed by the Harbours Docks and Piers Clauses Act 1847 :
- (3) All byelaws to be made by the Commissioners relating to any of the matters aforesaid shall be observed under such penalties as may be thereby provided not exceeding the sum of five

pounds for each offence besides such damages as the case may infer : A.D. 1890.

(4) All byelaws to be made shall be so framed as to admit of less than the maximum penalty being enforced :

(5) All byelaws to be made and confirmed as by this section provided shall not require the confirmation of any other authority :

Provided always that nothing herein contained shall affect any byelaw in force at the time of the passing of this Act relating to any of the matters included in this section.

**78.** Nothing in this Act shall operate to empower the Commissioners to borrow any loan from the Public Works Loan Commissioners Provided that if the Public Works Loan Commissioners advance any loan to the Commissioners for the purpose of the harbour under the Harbours and Passing Tolls &c. Act 1861 and the Acts amending the same—

As to loans from Public Works Loan Commissioners.

(1) That loan and the security therefor shall not have priority over any loan previously borrowed under the recited Acts or this Act or the security therefor except so far as the creditors consent to such priority under the Public Works Loans Act 1875 or otherwise but shall have priority over any loan subsequently borrowed in pursuance of this Act for harbour purposes and the security therefor ; and

(2) The amount which the Commissioners are authorised by the recited Acts or by this Act to borrow for the harbour shall be diminished by the amount of any loan borrowed from the Public Works Loan Commissioners under the Harbours and Passing Tolls &c. Act 1861 and the Acts amending the same.

**79.** Nothing in this Act contained shall be deemed or construed to exempt the harbour and harbour works and pier by this Act authorised or the Commissioners from the provisions of any general Act relating to harbours piers or dues on shipping or on goods carried in ships now in force or which may hereafter pass during this or any future session of Parliament or from any future revision and alteration under the authority of Parliament of the pier and harbour rates by this Act authorised.

Harbour and pier not exempt from provisions of present and future general Acts.

**80.** Nothing contained in this Act shall authorise the Commissioners to take use or in any manner interfere with any portion of the shore or bed of the sea or of any river channel creek bay or estuary or any right in respect thereof belonging to the Queen's most Excellent Majesty in right of Her Crown and under the management of the Board of Trade without the previous consent in writing of the Board of Trade on behalf of Her Majesty (which

Saving rights of the Crown in the foreshore.

A.D. 1890. — consent the Board of Trade may give) neither shall anything in this Act contained extend to take away prejudice diminish or alter any of the estates rights privileges powers or authorities vested in or enjoyed or exerciseable by the Queen's Majesty Her heirs and successors.

Saving  
right to  
mines &c.

**81.** Nothing contained in this Act or to be done under the authority thereof shall in any manner affect the title to any of the subjects or any rights powers or authorities mentioned in or reserved by sections 20 21 and 22 of the Crown Lands Act 1866 or shall divest alter or affect any other estate right or interest belonging to the Queen's most Excellent Majesty Her heirs or successors.

Expenses  
of Act.

**82.** All the costs charges and expenses preliminary to and of and incidental to the preparing applying for obtaining and passing of this Act or otherwise in relation thereto shall be paid by the Commissioners out of any of their funds or rates and shall be debited to such accounts and in such proportions as the Commissioners think fit and such costs shall include the costs incurred by the Commissioners in complying with the provisions of the Borough Funds (Ireland) Act 1888 with respect to the Bill for this Act and the Commissioners may for the purpose of paying the said costs charges and expenses borrow the amount necessary in manner herein-before authorised with respect to moneys authorised to be borrowed for the purposes of this Act and the Commissioners shall pay off the amount so borrowed within fifteen years from the date of raising the same and sections 45 and 46 of the second recited Act with respect to the sinking fund shall be applicable to the sum borrowed under this section.

The SCHEDULES referred to in the foregoing Act.

A.D. 1890.

**THE FIRST SCHEDULE.**
