In the event of doubt as to the correctness of such declaration the Company may insist upon measuring the timber, the cost of which measuring and of necessary unloading and reloading shall be borne by the party in error, or the Company may demand either from the consignor or consignee of such timber, or from the bye-trader, a copy of the invoice of the timber and a statutory declaration of the correctness of the same. Upon failure or refusal, after reasonable notice, to furnish any of the aforesaid documents, the Company shall have power to charge either the consignor or consignee, or the bye-trader, according to the avoirdupois weight of the timber, to be ascertained in the same manner as the weight of other merchandise.
