the same; be it therefore further enacted, That so much of the said first-mentioned Provision contained in the said recited Act of the Fifty-seventh Year of the Reign of His said late Majesty King *George* the Third as requires the Parties intending to appeal against any such Rate or Assessment as in the same Act mentioned. to give Notice to the Hundred Constable of the Intention to try such Appeal, and also the said Provision contained in the same Act authorizing the Justices of the Peace to issue their Warrants for collecting the County Rate to One or more of the Constables of such Parishes, Townships, and Places, as therein mentioned, and empowering and requiring such Constable or Constables to collect, levy, and pay such County Rate, and subjecting such Constable or Constables to Penalties in case he or they shall neglect to demand, levy, or account for such County Rates, so far only nevertheless as the same several Provisions relate to or concern the said County of *Middlesex*, shall be and the same respectively are hereby repealed.

VIII. And be it further enacted, That from and after the passing of this Act the Parties intending to appeal against any Rate or Assessment made or to be made upon any Parish, Township, or Place (whether extra-parochial or otherwise) within the said County of *Middlesex*, under this present Act or any other Act or Acts passed for the assessing, collecting, and levying of County Rates, shall give such and the same or the like Notice of their Intention to try such Appeal at the next General Quarter Sessions of the Peace, to the Treasurer of the said County of *Middlesex* for the Time being, as is by the said last-mentioned Act required to be given to the Hundred Constable: Provided always, that nothing in this Act contained shall dispense with, or be deemed, taken, or construed to dispense with, the Necessity the Parties so appealing may be subject to under or by virtue of the said last-mentioned Act, or any other Act or Acts, of giving Notice of their Intention to appeal against any such Rate or Assessment, or to try such Appeal, to any other Person or Persons other than and except the Hundred Constables of the said County of *Middlesex*.

IX. And be it further enacted, That from and after the passing of this Act, in all Cases in which the Justices of the Peace of the said County of *Middlesex* would, in case this Act had not been passed, have been, under or by virtue of the said last-mentioned Act, authorized or empowered to issue their Warrants for collecting the County Rate for the said County to One or more of the Constables of any Parish, Township, or Place within the same County, it shall and may be lawful for such Justices to issue their Warrants for collecting the County Rate of and from every such Parish, Township, and Place, to the Treasurer of the said County of *Middlesex* for the Time being; and such Treasurer shall demand, collect, levy, and receive such County Rate of and from every such Parish, Township, and Place, and give Receipts for the same, in such and the like Manner as he is by this Act authorized and required to do of and from any other Parish, Township, or Place within the same County, and shall be subject to such and the like Pains and Penalties, in case he shall refuse or neglect to demand, collect, levy, and receive the same, as he would under or by virtue of this Act be subject to in case he should neglect or refuse to demand, collect, levy, or receive

the same of and from any other Parish, Township, or Place within the said County of *Middlesex*.

X. And whereas by the said Act of the Fifty-sixth Year of the Reign of His said late Majesty King *George* the Third the Justices of the Peace are directed, in all Cases where the same may be necessary, to appoint proper Persons within any Extra-parochial Place or other Places, whether rated to the Relief of the Poor or not so rated, although the same may not be deemed rateable to the Relief of the Poor, within such Extra-parochial Place or other Places where no Rate is made for the Relief of the Poor, for the assessing, taxing, and rating the Messuages, Lands, Tenements, and Hereditaments, situate in such Extra-parochial Places or other Places, and levying, collecting, and paying over such Assessments, Taxes, or Rates; and by the said Act of the Second Year of the Reign of His late Majesty King *George* the Fourth the Justices of the Peace in and for any County, Riding, or Division are directed and authorized, in all Cases where they shall deem it necessary, to appoint proper Persons within such County, Riding, or Division, to assess, tax, and rate to the County Rate all such Messuages, Lands, Tenements, and Hereditaments as are situated in any Extra-parochial Place or other Places as mentioned in the said Act of the Fifty-sixth Year of the Reign of His late Majesty King *George* the Third: And whereas the said Act of the Fifty-sixth Year of the Reign of His said late Majesty authorizes only Persons within such Extra-parochial Places or other Places to be appointed to levy and collect the County Rate, and by the said last-recited Act no Person is appointed or authorized to be appointed to collect such Rate: And whereas it is expedient that the Treasurer of the County of *Middlesex* for the Time being should be authorized and required to assess, tax, and rate to the County Rate for the same County all such Messuages, Lands, Tenements, and Hereditaments as are situated in such Extra-parochial Places and other Places as aforesaid within the said County, and to levy and collect the said Assessments, Taxes, and Rates; be it therefore further enacted, That from and after the passing of this Act it shall and may be lawful to and for the Treasurer of the said County of *Middlesex* for the Time being, and he is hereby directed and required, from Time to Time, at such Time or Times as the Justices of the Peace for the same County, or the greater Part of them, shall by their Order in Sessions direct, to assess, tax, and rate to the County Rate for the said County all such Messuages, Lands, Tenements, and Hereditaments as are situate in such of the Extra-parochial Places or other Places in the said Two last-mentioned Acts referred to as are within the said County, and to demand, collect, raise, levy, receive, and give Receipts for the same Rate; and the Treasurer for the said County of *Middlesex* for the Time being shall have and be invested with, and is hereby invested with, the same or the like Powers, Authorities, Remedies, and Privileges for collecting, raising, levying, and enforcing Payment of the County Rates so to be assessed, taxed, or rated by him as aforesaid, and shall be subject to the same or the like Regulations and Penalties, with reference thereto, as an Overseer of the Poor in any Parish or Place rated to the Relief of the Poor hath or is invested with or is subject to by Law, for or with reference to the collecting or levying any Rate made for the Relief of the Poor of such Parish or Place; and the

Treasurer

Treasurer of the said County of *Middlesex* for the Time being shall be and he is hereby made subject and liable to such and the same or the like Pains and Penalties, in case he shall neglect or refuse to assess, tax, and rate such Extra-parochial Places or other Places as aforesaid, or to demand, collect, raise, levy, or receive the County Rate so to be assessed upon the same Places in manner above directed, as he would be subject or liable to under or by virtue of this Act in case he should refuse or neglect to demand, collect, levy, or receive the County Rates assessed or to be assessed upon any other Parish, Township, or Place within the said County of *Middlesex*.

Collection of
Arrears.

XI. And whereas the several County Rates for the County of *Middlesex*, made at the respective Times and amounting to the several Sums in the Schedule to this Act mentioned or specified, are now respectively in arrear and due and owing from the several Parishes, Townships, and Places in the same County in the same Schedule respectively mentioned: And whereas all the Parishes, Townships, and Places within the County of *Middlesex* not mentioned in the said Schedule have paid all the Rates for the same County assessed upon them at the several Periods of Time at which the said Rates referred to in the said Schedule were assessed, and it would therefore be unfair and unjust towards the said last-mentioned Parishes, Townships, and Places if the said Arrears of Rates were not collected, and the Payment thereof were not enforced; but Doubts have arisen whether the same several Rates so in arrear can now be legally collected, or the Payment thereof be legally enforced, either by the High Constables of the several Hundreds, Divisions, and Liberties within which the several Parishes, Townships, and Places mentioned in the said Schedule are situate, or by the Treasurer of the said County of *Middlesex*, by reason that such High Constables did not at the Times when such Rates respectively were made demand the same of the Churchwardens or Overseers of the Poor of the same Parishes, Townships, and Places, or other Persons liable to pay the same, in pursuance of the Provisions of the several above-mentioned Acts, and that the Justices for the said County of *Middlesex* have not demanded Security of such High Constables, in pursuance of the Provisions of the said Act of the Fifty-fifth Year of the Reign of His Majesty King George the Third; and it is expedient that the Treasurer of the said County of *Middlesex* for the Time being should be empowered and required to collect and levy the said Rates so in arrear as aforesaid; be it therefore further enacted, That from and after the passing of this Act it shall and may be lawful to and for the Treasurer of the said County of *Middlesex* for the Time being, and he is hereby directed and required, within such Time as the Justices of the Peace of the same County, or the major Part of them, shall by their Order in Sessions direct, to demand, collect, and levy the several Rates mentioned or specified in the said Schedule to this Act annexed, from the several Persons who was or were liable to the Payment of the same, and who had or have not paid the same; and such Treasurer shall have and be invested with and is hereby invested with such and the same Powers, Authorities, Remedies, and Privileges, and shall be and is hereby made subject to such and the same Regulations, Pains, and Penalties, with reference to the demanding, collecting, levying, and receiving such last-mentioned Rates, as he is hereby invested with or made subject to with reference to the demanding,

demanding, collecting, levying, and receiving the Rates hereafter to be made for the said County of *Middlesex*.

XII. Provided always, and it is hereby further enacted, That nothing in this Act contained shall affect or prejudice, or be construed to affect or prejudice, any Appeal already made or hereafter to be made, or any Right of Appeal given to or vested in any Person or Persons whomsoever under or by virtue of the said recited Acts or any of them, with respect to or on account of any Rate or Rates already assessed or hereafter to be assessed upon any Parish, Township, or Place within the said County of *Middlesex*, or with respect to or on account of any Distress or Distresses, or other Act, Matter, or Thing made, done, or committed, or to be made, done, or committed, under the Authority of the said recited Acts or any of them, or under any Regulations to which any such Appeal or Right of Appeal may before the passing of this Act have been subject (except so far as the same are or is affected or altered by the Provision hereinbefore contained with respect to the Notice to be given for the Trial of every such Appeal against any such Rates); and that every Person upon whom, or upon whose Messuages, Lands, Tenements, or Hereditaments, Goods or Chattels, any Assessment or Assessments, Distress or Distresses, shall at any Time or Times be made, or with respect to whom any other Act, Matter, or Thing shall at any Time or Times be made, done, or committed by the Treasurer of the said County of *Middlesex* for the Time being, under the Authority of this Act, shall have such and the same Right of Appeal with respect to or on account of such Assessment or Assessments, Distress or Distresses, or other Act, Matter, or Thing, as he or she would have had in case this Act had not been passed, and such Assessment or Assessments, Distress or Distresses, or other Act, Matter, or Thing, had been made, done, or committed under the Authority of the said recited Acts or any of them; and that every such Appeal and Right of Appeal shall be subject to such and the same Regulations as the same would have been subject to if this Act had not been passed, and the Matter or Thing in respect of which such Appeal or Right of Appeal shall arise had been done under the Authority of the said recited Acts respectively, but subject to and with such Alterations as are made in the same Regulations by this Act.

Appeals
not to be
affected.

XIII. And be it further enacted, That the Treasurer of the said County of *Middlesex* for the Time being shall have such and the same or the like Privileges, Immunities, and Indemnities, with respect or reference to any Act, Matter, or Thing to be done by him under the Authority of this Act, as the High Constable of any Hundred, Division, or Liberty of the said County of *Middlesex*, or the Constable or Constables of any Parish, Township, or Place within the same County in which the High Constables have no Jurisdiction, or any Person or Persons who might have been appointed to assess or collect any Rate or Rates in such extra-parochial or other Places as aforesaid, would have been entitled to with respect or reference to the same Act, Matter, or Thing in case this Act had not been passed, and the same Act, Matter, or Thing had been done by him or them under the Authority of the said recited Acts or any of them.

Expences of
Act.

XIV. And be it further enacted, That the Costs and Expences of preparing, obtaining, and passing this Act, and all other Charges incident or relating thereto, shall be paid by the Treasurer of the said County of *Middlesex* out of the first Monies which shall be in his Hands on account of the County Rates.

Public Act.

XV. And be it further enacted, That this Act shall be deemed and taken to be a Public Act, and shall be judicially taken notice of as such by all Judges, Justices, and others, without being specially pleaded.
