- (6) [<sup>F386</sup>After considering the objections (if any) made and not withdrawn, and the reports of any person who held an inquiry and any person appointed for the purpose of hearing an objector, the Secretary of State] if he then decides to confirm the scheme, may by order confirm it without modifications or (subject to the restrictions imposed by sub-paragraph (7) below) with such modifications as he thinks fit.
- (7) Where the Minister proposes to confirm the scheme with modifications which appear to him substantially to affect the character of the scheme as submitted to him, he shall take such steps as appear to him to be sufficient and reasonably practicable for informing them that submitted the scheme to him, and other persons likely to be concerned, and shall not confirm the scheme until such period for consideration of, and comment upon, the proposed modifications by them that submitted the scheme and those other persons as he thinks reasonable has elapsed; nor shall he confirm the scheme subject to a modification that results in its including provision transferring an interest of a person in property that was not described in the scheme as submitted to him as being property in which interests of that person were subject to be transferred unless that person consents to its being so confirmed.
- (8) The Minister may disregard for the purposes of this paragraph an objection to the scheme unless it states the grounds on which it is made, and may disregard for those purposes such an objection so far as regards the inclusion in the scheme of a provision transferring interests of a person in any property if he is satisfied that the objection relates exclusively to matters in respect of which compensation falls to be provided under the scheme and that the scheme is so framed as to enable those matters to be properly dealt with.
