

# Water (Scotland) Act 1967

1967 CHAPTER 78

## PART III

### TRANSFER OF UNDERTAKINGS OF LOCAL WATER AUTHORITIES

#### **21 Transfer of officers and servants**

- (1) Where all the functions of the authority have been transferred to one board, that board shall take over and employ, as from the second appointed day, any person, who immediately before that day was employed by the authority solely in connection with those functions, where that person is willing to enter the employment of the board on terms and conditions which, so far as practicable, are not less favourable than those on which he was employed by the authority immediately before that day.
- (2) Where the functions of the authority have been transferred to more than one board, any person employed by the authority solely in connection with the functions transferred to one of those boards immediately before the second appointed day shall be taken over and employed by that board where that person is willing to enter the employment of that board on such terms and conditions as aforesaid.
