- II Act partly in force at Royal Assent see s. 61(2); Act wholly in force at 16.5.1973

PART I

GENERAL PROVISIONS AS TO SEWERAGE

Duties and powers of local authorities

1 Duty of local authority to provide for sewerage of their area.

- (1) Subject to the provisions of this Act, it shall be the duty of [^{F1}Scottish Water] to provide such public sewers as may be necessary for effectually draining [^{F2}its] area of domestic sewage, surface water and trade effluent, and to make such provision, by means of sewage treatment works or otherwise, as may be necessary for effectually dealing with the contents of [^{F2}its] sewers.
- [^{F3}(2) Without prejudice to the generality of subsection (1) above—
- [^{F4}Scottish Water]^{F4} shall, subject to paragraph (b) below, take [^{F5}its]^{F5} public sewers to such point or points as will enable the owners of premises which are to be served by the sewers to connect their drains or private sewers with the public sewers at reasonable cost;
 - where [^{F6}Scottish Water]^{F6} have agreed with some other person (in this section referred to as the “private provider”) that he will take a private sewer to such

point or points as will enable owners to make such connection as is mentioned in paragraph (a) above, that paragraph shall not apply while the agreement subsists.]

- (3) The duties imposed by the foregoing subsections shall not require [^{F7}Scottish Water] to do anything which is not practicable at a reasonable cost.
- (4) If any question arises under this section as to whether anything is or is not practicable at a reasonable cost or as to the point or points to which [^{F8}a public sewer, or under an agreement such as is mentioned in paragraph (b) of subsection (2) above the private sewer of a private provider,] must be taken to enable drains or private sewers to be connected therewith at a reasonable cost, the Secretary of State, if requested to do so by any person aggrieved, shall, after consultation with that person and with [^{F9}[^{F6}Scottish Water]^{F6}, or as the case may be [^{F10}the]^{F10} private provider, concerned], determine that question, and [^{F11}[^{F12}Scottish Water]^{F12} or [^{F10}the]^{F10} private provider] shall give effect to his determination.
- [^{F13}(5) The Secretary of State may by regulations make provision as respects the procedure to be followed as respects a request under subsection (4) above.
- (6) The power to make regulations under subsection (5) above shall be exercisable by statutory instrument which shall be subject to annulment in pursuance of a resolution of either House of Parliament.]

Rights and duties of owners and occupiers

12 Rights of owners and occupiers to connect with and drain into public sewers etc.

- (1) Subject to the provisions of this section and of section 14 below, the owner of any premises ^{F89}... shall be entitled to connect his drains or private sewers with the sewers or sewage treatment works of [^{F90}Scottish Water], and the occupier of any such premises shall be entitled by means of those drains or private sewers to drain into those sewers or works the domestic sewage and surface water from those premises.
- (2) An owner shall not, under the foregoing subsection, be entitled to connect his drains or sewers with the sewers or works of [^{F91}Scottish Water] unless the intervening land is land through which the owner is entitled to construct a drain or sewer.
- (3) The owner of any premises who proposes to connect his drains or sewers with the sewers or works of [^{F92}Scottish Water], or to alter a drain or sewer connected with such sewer or works in such a manner as may interfere with them, shall give to [^{F93}Scottish Water] notice of his proposals, and within 28 days of the receipt by [^{F94}it] of the notice [^{F93}Scottish Water] may refuse permission for the connection or alteration, or grant permission for the connection or alteration, subject to such conditions as [^{F95}it thinks] fit, and any such permission may in particular specify the mode and point of connection and, where there are separate public sewers for foul water and surface water, prohibit the discharge of foul water into the sewer reserved for surface water, and prohibit the discharge of surface water into the sewer reserved for foul water.

Status: Point in time view as at 01/05/2005.

Changes to legislation: Sewerage (Scotland) Act 1968 is up to date with all changes known to be in force on or before 23 May 2023. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) [F92Scottish Water] shall forthwith intimate to the owner [F96:its] decision on any proposals made by him under subsection (3) above, and, where permission is refused, or granted subject to conditions, shall inform him of the reasons for [F96:its] decision and of his right of appeal under subsection (5) below.
- (5) If a person to whom a decision has been given under subsection (4) above is aggrieved by the decision or any conditions attached thereto, he may appeal to the Secretary of State who may confirm the decision and any such conditions either with or without modification or refuse to confirm it.
- (6) Where permission has been granted as mentioned in subsection (3) above or by virtue of subsection (5) above, the person to whom it was granted shall, before commencing any work in pursuance of that permission, give not less than 3 days' notice to [F97Scottish Water] so as to enable [F98:it] to supervise the execution of the work, and shall afford [F98:it] all reasonable facilities for so doing.
- (7) Where any work to be done in pursuance of a permission granted under subsection (3) above or by virtue of subsection (5) above involves the breaking open of a [F99road], [F100Scottish Water] may undertake the work in the [F99road] and may recover the expenses reasonably incurred by [F101:it] in so doing from the person for whom the work was done.
- (8) Any person who connects a drain or sewer to the sewers or works of [F92Scottish Water] or alters a drain or sewer without permission granted under this section, or contrary to any conditions attached thereto, shall be guilty of an offence and liable on summary conviction to a fine not exceeding [F102£40,000], and [F103Scottish Water] may, whether or not proceedings have been taken under this subsection, close, remove or remake any such unlawful connection, and recover from the offender any expenses reasonably incurred by [F104:it] in so doing.

29 Decision on application.

- (1) [^{F207}Scottish Water] in [^{F208}its] decision on an application under section 26 above may refuse [^{F208}its] consent or [^{F209}it] may grant [^{F208}its] consent either unconditionally or subject to such conditions as [^{F209}it] may think fit to impose.
- (2) Where [^{F210}Scottish Water has] failed to intimate [^{F211}its] decision on an application within the 3 month period referred to in subsection (1), or, as the case may be, the 28 day period referred to in subsection (2), of section 28 above, [^{F212}it] shall be deemed to have made a decision on the last day of that period refusing [^{F211}its] consent to the application.
- (3) Without prejudice to subsection (1) above, [^{F213}Scottish Water] in granting [^{F214}its] consent may impose conditions relating to—
 - (a) the sewers into which any trade effluent may be discharged;
 - (b) the nature or composition of any trade effluent which may be discharged;
 - (c) the maximum quantity of any trade effluent which may be discharged on any one day, either generally or into a particular sewer;
 - (d) the maximum hourly rate at which any trade effluent may be discharged, either generally or into a particular sewer;
 - (e) the period or periods of the day during which any trade effluent may be discharged into the sewers;
 - (f) the elimination from or the diminution in any trade effluent of cooling water;
 - (g) the prevention of any injury to the health of persons engaged in carrying out the functions of [^{F213}Scottish Water] under this Act as a result of the discharge of any trade effluent into the sewers;
 - (h) the elimination or diminution of any specified constituent of any trade effluent, before it enters the sewers, where [^{F213}Scottish Water]^{F213} [^{F215}is] satisfied that that constituent would, either alone or in combination with any matter with which it is likely to come into contact while passing through any sewers—
 - (i) injure or obstruct those sewers, or make specially difficult or expensive the treatment or disposal of the sewage from those sewers, or
 - (ii) (where the trade effluent is to be discharged into sewers having an outfall in any harbour or in any waters below high water mark of ordinary spring tides or into sewers which connect directly or indirectly with sewers having such an outfall) cause or tend to cause injury or obstruction to the navigation on, or the use of, the said harbour or waters;
- (i) the temperature of any trade effluent at the time when it is discharged into the sewers and its acidity or alkalinity at that time;
- (j) the payment by the occupier of the trade premises to [^{F213}Scottish Water] of charges for the reception of any trade effluent into the sewers, and for the treatment and disposal thereof, regard being had to the nature and composition and to the volume and rate of discharge of the trade effluent so discharged, to any additional expense incurred or likely to be incurred by [^{F213}Scottish Water] in connection with the reception, treatment or disposal of the trade effluent or in connection with the provision already made by [^{F216}it] for the treatment

- and disposal of trade effluent in [F217:its] area, and to any revenue likely to be derived by [F213:Scottish Water] from the trade effluent;
- (k) the provision and maintenance of such inspection chambers or manholes as will enable a person readily to take at any time samples of any effluent passing into the sewers from the trade premises;
- (l) the provision and maintenance of such meters as may be required to measure the volume and rate of discharge of any trade effluent being discharged from the trade premises into the sewers and for the testing of such meters;
- (m) the provision and maintenance of apparatus for determining the nature, composition and temperature of any trade effluent being discharged from the premises into the sewers and for the testing of the apparatus;
- (n) the keeping of records of the volume, rate of discharge, nature, composition and temperature of any trade effluent being so discharged, and in particular the keeping of records of readings of meters and other recording apparatus provided in compliance with any other condition imposed in connection with the consent;
- (o) the making of returns and giving of other information to [F213:Scottish Water] concerning the volume, rate of discharge, nature, composition and temperature of any trade effluent so discharged.
- (4) A consent granted under this section, and (where such consent is granted subject to any conditions) all or any of the conditions, may be made to take effect as from a specified date or for a specified period, being not less than two years, or both as from a specified date and for such a specified period.
- (5) Any decision of [F218:Scottish Water] under this section shall continue to be effective notwithstanding that there has been a change of ownership or occupancy of the premises to which the decision relates.
- (6) Where an application under section 26 above is for the consent of [F213:Scottish Water] to an increase of volume or rate of discharge of a discharge which is already being made lawfully, no decision of [F213:Scottish Water] under this section shall have the effect of restricting the discharge already being made.
- (7) In this section, any reference to a sewer or sewers includes a reference to sewage treatment works, and “harbour” has the same meaning as in section 57 of the M6 Harbours Act 1964.

Control of existing discharges

33 Meaning of existing discharge.

- (1) In this Part of this Act, “existing discharge” means a discharge of trade effluent from trade premises into the sewers or sewage treatment works of a local authority which was lawfully made within the period of two years ending on the date of the commencement of this section:

Provided that where before the said date the local authority and the person making the discharge have agreed that after that date the nature or composition of the discharge may be altered or the temperature, volume or rate of discharge may be increased, any discharge made in accordance with such agreement shall be treated for the purposes of this Part of this Act as an existing discharge.

- (2) Any dispute between [^{F232}Scottish Water] and the person making the discharge as to whether the discharge is an existing discharge shall be determined by the sheriff, against whose determination an appeal shall lie to the Court of Session.

37 Agreements as respects trade premises.

- (1) [^{F243}Scottish Water] may enter into an agreement with the owner or occupier of any trade premises within [^{F244}its] area for the reception, treatment or disposal by [^{F245}it] of any trade effluent produced on those premises.
- (2) The reference in the foregoing subsection to an agreement shall include a reference to an agreement varying or renewing an existing agreement, whether that existing agreement was entered into before or after the commencement of this section.
- (3) Where [^{F243}Scottish Water] propose to enter into an agreement under this section with an occupier who is not also the owner of trade premises, [^{F246}it] shall intimate the proposal to the owner who may, within 28 days of receipt of the intimation, make representations in respect of the proposal.
- (4) Before [^{F247}Scottish Water] and such an occupier as is mentioned in subsection (3) above enter into an agreement under this section, [^{F248}Scottish Water] shall take into account any representations made by the owner of the premises in question in pursuance of that subsection.
- (5) Without prejudice to subsection (1) above, any agreement under this section may provide for—
 - (a) the construction by [^{F249}Scottish Water] of such works as may be required for the reception, treatment or disposal of trade effluent;
