PART II

ENFORCEMENT OF PLANNING CONTROL

Enforcement notices

15 New provision as to enforcement notices

- (1) Where it appears to the local planning authority that there has been a breach of planning control after the end of 1964, then, subject to any directions given by the Secretary of State and to the following provisions of this section, the authority, if they consider it expedient to do so having regard to the provisions of the development plan and to any other material considerations, may serve a notice under this section (in this Act and the Act of 1947 referred to as an "enforcement notice") requiring the breach to be remedied.

- (2) There is a breach of planning control if development has been carried out, whether before or after the commencement of this Part of this Act, without the grant of planning permission required in that behalf in accordance with Part II of the Act of 1947 or if any conditions or limitations subject to which planning permission was granted have not been complied with.
- (3) Where an enforcement notice relates to a breach of planning control consisting in—
- (a) the carrying out without planning permission of building, engineering, mining or other operations in, on, over or under land ; or
 - (b) the failure to comply with any condition or limitation which relates to the carrying out of such operations and subject to which planning permission was granted for the development of that land ; or
 - (c) the making without planning permission of a change of use of any building to use as a single dwelling-house,
- it may be served only within the period of four years from the date of the breach.
- (4) If any dispute arises under the last foregoing subsection as to the date on which the breach of planning control occurred, the onus of proof as to that date shall rest on the person claiming the benefit of that subsection.
- (5) An enforcement notice shall be served on the owner, lessee and occupier of the land to which it relates and on any other person having an interest in that land, being an interest which in the opinion of the authority is materially affected by the notice.
- (6) An enforcement notice shall specify—
- (a) the matters alleged to constitute a breach of planning control;
 - (b) the steps required by the authority to be taken in order to remedy the breach, that is to say steps for the purpose of restoring the land to its condition before the development took place or (according to the particular circumstances of the breach) of securing compliance with the conditions or limitations subject to which planning permission was granted; and
 - (c) the period for compliance with the notice, that is to say the period (beginning with the date when the notice takes effect) within which those steps are required to be taken.
- (7) The steps which may be required by an enforcement notice to be taken include the demolition or alteration of any buildings or works, the discontinuance of any use of land, or the carrying out on land of any building or other operations.
- (8) Subject to section 16 below, an enforcement notice shall take effect at the end of such period, not less than twenty-eight days after the service of the notice, as may be specified in the notice.
- (9) The local planning authority may withdraw an enforcement notice (without prejudice to their power to serve another) at any time before it takes effect; and, if they do so, they shall forthwith give notice of the withdrawal to every person who was served with the notice.

16 Appeal against enforcement notice

- (1) A person on whom an enforcement notice is served, or any other person having an interest in the land, may, at any time within the period specified in the notice as the

Status: This is the original version (as it was originally enacted).

period at the end of which it is to take effect, appeal to the Secretary of State against the notice on any of the following grounds:—

- (a) that planning permission ought to be granted for the development to which the notice relates or, as the case may be, that a condition or limitation alleged in the enforcement notice not to have been complied with ought to be discharged ;
 - (b) that the matters alleged in the notice do not constitute a breach of planning control;
 - (c) in the case of a notice which, by virtue of section 15(3) above, may be served only within the period of four years from the date of the breach of planning control to which the notice relates, that that period has elapsed at the date of service ;
 - (d) in the case of a notice not falling within paragraph (c) above, that the breach of planning control alleged by the notice occurred before the beginning of 1965;
 - (e) that the enforcement notice was not served as required by section 15(5) of this Act;
 - (f) that the steps required by the notice to be taken exceed what is necessary to remedy any breach of planning control;
 - (g) that the specified period for compliance with the notice falls short of what should reasonably be allowed.
- (2) An appeal under this section shall be made by notice in writing to the Secretary of State, which shall indicate the grounds of the appeal and state the facts on which it is based ; and on any such appeal the Secretary of State shall, if either the appellant or the local planning authority so desire, afford to each of them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.
- (3) Where an appeal is brought under this section, the enforcement notice shall be of no effect pending the final determination or the withdrawal of the appeal.
- (4) On an appeal under this section—
- (a) the Secretary of State may correct any informality, defect or error in the enforcement notice if he is satisfied that the informality, defect or error is not material;
 - (b) in a case where it would otherwise be a ground for determining the appeal in favour of the appellant that a person required by section 15(5) of this Act to be served with the notice was not served, the Secretary of State may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.
- (5) On the determination of an appeal under this section, the Secretary of State shall give directions for giving effect to his determination including, where appropriate, directions for quashing the enforcement notice or for varying the terms of the notice in favour of the appellant; and the Secretary of State may—

 - (b) be granted subject to such conditions as the Secretary of State thinks fit;
- and where under that subsection he discharges a condition or limitation, he may substitute for it any other condition or limitation.
- (7) Where an appeal against an enforcement notice is brought under this section, the appellants shall be deemed to have made an application for planning permission for the development to which the notice relates and, in relation to any exercise by the Secretary of State of his powers under subsection (5) above, the following provisions shall have effect:—
- (a) any planning permission granted thereunder shall be treated as granted on the said application;
 - (b) in relation to a grant of planning permission or a determination under that subsection, the Secretary of State's decision shall be final; and
 - (c) for the purposes of section 12(5) of the Act of 1947 (local planning authority's register of planning applications) the decision shall be treated as having been given by the Secretary of State in dealing with an application for planning permission made to the local planning authority.
- (8) The validity of an enforcement notice shall not, except by way of an appeal under this section, be questioned in any proceedings whatsoever on any of the grounds specified in paragraphs (b) to (e) of subsection (1) above.
- (9) Subsection (8) above shall not apply to proceedings brought under section 22(3) of the Act of 1947 against a person who—

- (3) Without prejudice to subsection (1) of this section, if any development is carried out on land by way of reinstating or restoring buildings or works which have been demolished or altered in compliance with an enforcement notice, the notice shall, notwithstanding that its terms are not apt for the purpose be deemed to apply in relation to the buildings or works as reinstated or restored as it applied in relation to the buildings or works before they were demolished or altered.
- (4) A person who, without the grant of planning permission in that behalf, carries out any development on land by way of reinstating or restoring buildings or works which have been demolished or altered in compliance with an enforcement notice shall be guilty of an offence, and shall be liable on summary conviction to a fine not exceeding £100.

Established use

18 Certification of established use

- (1) For the purposes of this Part of this Act, a use of land is established if—
 - (a) it was begun before the beginning of 1965 without planning permission in that behalf and has continued since the end of 1964 ; or

Provided that no such application may be made in respect of the use of land as a single dwelling-house, or of any use not subsisting at the time of the application.

- (3) An established use certificate may be granted (either by the local planning authority, or under section 19 below by the Secretary of State)—
 - (a) either for the whole of the land specified in the application, or for a part of it; or
 - (b) in the case of an application specifying two or more uses, either for all those uses or for some one or more of them.
- (4) On an application to them under this section, the local planning authority shall, if and so far as they are satisfied that the applicant's claim is made out, grant to him an established use certificate accordingly; and if and so far as they are not so satisfied, they shall refuse the application.
- (5) Where an application is made to a local planning authority for an established use certificate, then unless within such period as may be prescribed by a development order, or within such extended period as may at any time be agreed upon in writing between the applicant and the local planning authority, the authority give notice to the applicant of their decision on the application, then, for the purposes of section 19(2) below, the application shall be deemed to be refused.

- (6) Schedule 1 to this Act shall have effect with respect to established use certificates and applications therefor and to appeals under section 19 below.
- (7) An established use certificate shall, as respects any matters stated therein, be conclusive for the purposes of an appeal to the Secretary of State against an enforcement notice served in respect of any land to which the certificate relates, but only where the notice is served after the date of the application on which the certificate was granted.
- (8) If any person, for the purpose of procuring a particular decision on an application (whether by himself or another) for an established use certificate or on an appeal arising out of such an application—

19 Grant of certificate by Secretary of State on referred application or appeal against refusal

- (1) The Secretary of State may give directions requiring applications for established use certificates to be referred to him instead of being dealt with by local planning authorities; and, on any such application being referred to him in accordance with such directions, section 18(4) above shall apply in relation to the Secretary of State as it applies in relation to the local planning authority in the case of an application determined by them.
- (2) Where an application is made to a local planning authority for an established use certificate and is refused, or is refused in part, the applicant may by notice under this subsection appeal to the Secretary of State; and on any such appeal the Secretary of State shall—
 - (a) if and so far as he is satisfied that the authority's refusal is not well-founded, grant to the appellant an established use certificate accordingly or, as the case may be, modify the certificate granted by the authority on the application ; and
 - (b) if and so far as he is satisfied that the authority's refusal is well-founded, dismiss the appeal.
- (3) On an application referred to him under subsection (1) above or on an appeal to him under subsection (2) above, the Secretary of State may, in respect of any use of land for which an established use certificate is not granted (either by him or by the local planning authority), grant planning permission for that use or, as the case may be, for the continuance of that use without complying with some condition subject to which a previous planning permission was granted.
- (4) Before determining an application or appeal under this section, the Secretary of State shall, if either the applicant or appellant (as the case may be) or the local planning authority so desire, afford to each of them an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.

- (5) In the case of any use of land for which the Secretary of State has power to grant planning permission under this section, the applicant or appellant shall be deemed to have made an application for such planning permission; and any planning permission so granted shall be treated as granted on the said application.

Stop notices

20 Power to stop further development pending proceedings on enforcement notice

- (1) Where in respect of any land the local planning authority have served an enforcement notice, they may at any time before the notice takes effect serve a further notice (in this Act referred to as a "stop notice") referring to, and having annexed to it a copy of, the enforcement notice and prohibiting any person on whom the stop notice is served from carrying out or continuing any specified operations on the land, being operations either alleged in the enforcement notice to constitute a breach of planning control or so closely associated therewith as to constitute substantially the same operations.
- (2) The operations which may be the subject of a stop notice shall include the deposit of refuse or waste materials on land where that is a breach of planning control alleged in the enforcement notice.
- (3) A stop notice may be served by the local planning authority on any person who appears to them to have an interest in the land or to be concerned with the carrying out or continuance of any operations thereon.
- (4) A stop notice—
- (a) shall specify the date (not earlier than three nor later than fourteen days from the day on which the notice is first served on any person) when it is to take effect;
 - (b) in relation to any person served with it, shall have effect as from that date or the third day after the date of service on him, whichever is the later; and
 - (c) shall, without prejudice to subsection (7) below, cease to have effect when the enforcement notice takes effect or is withdrawn or quashed.
- (5) If while a stop notice has effect in relation to him a person carries out, or causes or permits to be carried out, any operations prohibited by the notice, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding £400, or on conviction on indictment to a fine; and if the offence is continued after conviction he shall be liable on summary conviction to a further fine not exceeding £50 for every day on which it is continued, or on conviction on indictment to a further fine.
- (6) A stop notice shall not be invalid by reason that the enforcement notice to which it relates was not served as required by section 15(5) above if it is shown that the local planning authority took all such steps as were reasonably practicable to effect proper service.
- (7) The local planning authority may at any time withdraw a stop notice (without prejudice to their power to serve another) by serving notice to that effect on persons who were served with the stop notice, which shall cease to have effect as from the date of service of the notice under this subsection.

Status: This is the original version (as it was originally enacted).

(8) Where a person (in this subsection called " the contractor ") is under contract to another person (in this subsection called " the developer ") to carry out any operations on land and—

- (a) a stop notice takes effect (whether in relation to the developer or the contractor, or both) prohibiting the carrying out or continuance of those operations; and
- (b) the operations are countermanded or discontinued by the contractor accordingly,

then, unless and in so far as the contract makes provision explicitly to the contrary of this subsection, the developer shall be under the same liability in contract as if the operations had been countermanded or discontinued on instructions given by him in breach of the contract. This subsection applies only to contracts entered into before the end of 1969, whether before or after the commencement of this section.

21 Compensation for loss due to stop notice

(1) Where a stop notice ceases to have effect, a person who, at the time when it was first served, had an interest in the land to which it relates shall, in any of the circumstances mentioned in subsection (2) below, be entitled to be compensated by the local planning authority in respect of any loss or damage directly attributable to the prohibition contained in the notice.

(2) A person shall be entitled to compensation under subsection (1) above in respect of a prohibition contained in a stop notice in any of the following circumstances:—

- (a) the enforcement notice is quashed on any of the grounds mentioned in paragraph (b), (c), (d) or (e) of section 16(1) above;
- (b) the allegation in the enforcement notice on which the prohibition in the stop notice is dependent is not upheld by reason that the enforcement notice is varied on one of those grounds;
- (c) the enforcement notice is withdrawn by the local planning authority otherwise than in consequence of the grant by them of planning permission for the development to which the notice relates or for its retention or continuance without compliance with a condition or limitation subject to which a previous planning permission was granted;
- (d) the stop notice is withdrawn.

(3) A prohibition in a stop notice shall be treated for the purposes of subsection (2) above as dependent on an allegation in an enforcement notice if and to the extent that the operations to which the prohibition in the stop notice relates are the same as those alleged in the enforcement notice to constitute a breach of planning control or are so closely associated therewith as to constitute substantially the same operations.

(4) A claim for compensation under this section shall be made to the local planning authority within the time and in the manner prescribed by regulations under the Act of 1947.

(5) The loss or damage in respect of which compensation is payable under this section in respect of a prohibition shall include a sum payable in respect of a breach of contract caused by the taking of action necessary to comply with the prohibition or of any liability arising by virtue of section 20(8) of this Act.

- (a) the appeal may be determined without a hearing of the parties if both of them express a wish not to appear and be heard as aforesaid ; and

shall, subject to the following provisions of this section, apply to the appeal as if section 22 above had never applied thereto.
- (4) Where in consequence of a direction under this section the Secretary of State determines an appeal himself, he shall afford to the applicant or appellant, the local planning authority and any person who has made any such representations as aforesaid an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for that purpose either—
(a) if the reasons for the direction raise matters with respect to which either the applicant or appellant, or the local planning authority or any such person have not made representations; or
(b) if the applicant or appellant or the local planning authority had not been asked in pursuance of section 22(6) above whether they wished to appear before and be heard by a person appointed to hear the appeal, or had been asked that question and had expressed no wish in answer thereto, or had expressed a wish

to appear and be heard as aforesaid, but had not been afforded an opportunity of doing so.

- (5) Except as provided by subsection (4) above, where the Secretary of State determines an appeal in consequence of a direction under this section he shall not be obliged to afford any person an opportunity of appearing before, and being heard by, a person appointed for the purpose, or of making fresh representations or making or withdrawing any representations already made, and in determining the appeal the Secretary of State may take into account any report made to him by the person previously appointed to determine it.

24 Appointment of another person to determine an appeal

- (3) If before the appointment of a person under this section to determine an appeal the Secretary of State had, with reference to the person previously appointed, asked the question referred to in section 22(6) above, the question need not be asked again with reference to the person appointed under this section, and any answers to the question shall be treated as given with reference to him, but—
- (a) the consideration of the appeal or any inquiry or other hearing in connection therewith, if already begun, shall be begun afresh ; and

If before or during the determination, whether by the Secretary of State or otherwise, of an appeal under section 14 of the Act of 1947 (appeals against planning decisions) in respect of an application for planning permission to develop land, the Secretary of State forms the opinion that, having regard to the provisions of subsections (1), (2) and (4) of section 12 of the Act of 1947 (planning permission and industrial development certificates), of section 1(3) of the Control of Office and Industrial Development Act 1965 (office development permits) and of the development order and to any directions given under that order, planning permission for that development—

- (a) could not have been granted by the local planning authority, or

he may decline to determine the appeal or to proceed with the determination, or, as the case may be, may direct that the determination shall not be begun or proceeded with.

27 Supplementary

- (1) The Tribunals and Inquiries Act 1958 shall apply to a local inquiry or other hearing held in pursuance of this Part of this Act as it applies to a statutory inquiry held by the Secretary of State, but as if in section 12(1) of that Act (statement of reasons for decisions) the reference to any decision taken by a Minister were a reference to a decision taken by a person appointed to determine the relevant appeal under section 22 or 24 above.
- (2) The functions of determining an appeal and doing anything in connection therewith conferred by this Part of this Act on a person appointed to determine an appeal thereunder who is an officer of the Scottish Office shall be treated for the purposes of the Parliamentary Commissioner Act 1967 as functions of that Office.

*Land acquisition by government departments and local authorities***28 Repeal of existing provisions for compulsory acquisition of land**

Section 34 of the Act of 1947 (compulsory acquisition of designated land by Ministers, local authorities and statutory undertakers) and section 35 of that Act (compulsory acquisition by local authorities of land for development) shall cease to have effect, and section 47 of the Post Office Act 1953 shall cease to have effect so far as it authorises the Postmaster General to acquire land compulsorily ; and—

 - (b) that it is expedient in the public interest that the land should be held together with land so required ; or

 - (d) that it is expedient to acquire the land immediately for a purpose which it is necessary to achieve in the interests of the proper planning of an area in which the land is situated.
- (2) Where under subsection (1) above the Secretary of State has power to authorise a local authority to whom this section applies to acquire any land compulsorily, he may, after the requisite consultation, authorise the land to be so acquired by another authority, being a local authority within the meaning of the Act of 1947.
- (3) Before giving an authorisation under subsection (2) above, the Secretary of State shall—
 - (a) where the land is in a county, consult with the county council;

to a compulsory acquisition by another Minister in a case falling within section 1(1) of that Act.

31 Power of authorities possessing compulsory purchase powers to make general vesting declarations

- (1) Schedule 2 to this Act shall have effect for the purpose of enabling any authority to whom this section applies to vest in themselves by a declaration land which they are authorised by a compulsory purchase order to acquire and, with respect to the effect of such a declaration, the payment and recovery of sums in respect of compensation for the acquisition of land so vested and other matters connected therewith.
- (2) This section applies to any Minister or local or other public authority authorised to acquire land by means of a compulsory purchase order, and any such authority is in the said Schedule 2 referred to as an acquiring authority.

- (2) Nothing in this section applies to or affects an order made before the commencement of this section.

33 Grounds on which Secretary of State may refuse to confirm purchase notice

- (1) This section shall have effect where, on an application for planning permission to develop any land which has a restricted use by virtue of a previous planning permission, permission is refused or granted subject to conditions and an owner of the land serves a purchase notice under section 17 of the Act of 1947.
- (2) For the purposes of this section, land is to be treated as having a restricted use by virtue of a previous planning permission if it is part of a larger area in respect of which planning permission was previously granted (and has not been revoked) and either—
 - (a) it remains a condition of the planning permission (however expressed) that that part shall remain undeveloped or be preserved or laid out in a particular way as amenity land in relation to the remainder; or
 - (b) the planning permission was granted on an application which contemplated (expressly or by necessary implication) that the part should not be comprised in the development for which planning permission was sought, or should be preserved or laid out as aforesaid.
- (3) If a copy of the purchase notice is transmitted to the Secretary of State under section 17(2) of the Act of 1947 (action to be taken by authority on whom a purchase notice is served, when they are unwilling to comply with the notice) the Secretary of State, although satisfied that the land has become incapable of reasonably beneficial use in its existing state, shall nevertheless not be required under that subsection to

confirm the notice if it appears to him that the land ought, in accordance with the previous planning permission, to remain undeveloped or, as the case may be, remain or be preserved or laid out as amenity land in relation to the remainder of the larger area for which that planning permission was granted.

Planning blight

- (2) An objection may not be made as aforesaid on the grounds mentioned in subsection (1) above if it may be made on the grounds mentioned in section 39(2)(b) of the Act of 1959 (objection on the grounds that the appropriate authority do not propose to acquire any part of the hereditament or affected area in question).
- (3) An objection on the grounds mentioned in subsection (1) above which is referred to the Lands Tribunal shall not be upheld by the Tribunal unless it is shown to the satisfaction of the Tribunal that the objection is well-founded.

- (6) Paragraph (c) of section 39(2) of the Act of 1959 (objection on the grounds that the appropriate authority propose to acquire part only of the affected area of an agricultural unit) and the following provisions of that Act, that is to say, sections 40(5) and 41(3) (subsequent proceedings where such an objection made) and paragraph 12(1) and (2) of Schedule 5 to that Act (lapsing of compulsory purchase powers when objection under section 39 is successful) shall apply to hereditaments as they apply to any such area, references in those provisions to the affected area being construed as references to the hereditament.
- (7) Subsection (6) above shall not affect the right of a claimant under section 90 of the Lands Clauses Consolidation (Scotland) Act 1845 to sell the whole of the hereditament, or (in the case of an agricultural unit) the whole of the affected area, which he has required the authority to purchase.

- (11) Before giving a direction under subsection (10) above in relation to a building, the Secretary of State shall consult with the local planning authority and with the owner, lessee and occupier of the building.

- (4) Without prejudice to section 12(1) of the Act of 1947 (grant of planning permission unconditionally or subject to conditions), the conditions which may under that subsection be attached to a grant of planning permission shall, in the case of such development as is referred to in subsection (2) above, include conditions with respect to—

Owner's and lessee's rights on refusal of consent to works

42 Purchase notice on refusal or conditional grant of listed building consent

- (1) Where, on an application for listed building consent in respect of a building, consent is refused or is granted subject to conditions or, by an order under Part II of Schedule 4 to this Act, listed building consent is revoked or modified, then if any owner or lessee of the land claims—
 - (a) that the land has become incapable of reasonably beneficial use in its existing state; and
 - (b) in a case where consent was granted subject to conditions with respect to the execution of the works, or, as the case may be, was modified by the imposition of such conditions, that the land cannot be rendered capable of reasonably beneficial use by the carrying out of the works in accordance with those conditions; and
 - (c) in any case that the land cannot be rendered capable of reasonably beneficial use by the carrying out of any other works for which listed building consent has been granted or for which the local planning authority or the Secretary of State have undertaken to grant such consent,

Status: This is the original version (as it was originally enacted).

he may, within the prescribed time and manner, serve on the local planning authority in whose district the land is situated a notice requiring that authority to purchase his interest in the land in accordance with Part III of Schedule 4 to this Act.

- (2) A notice under this section is in this Act referred to as a " listed building purchase notice ".
- (3) In this section and in Part III of Schedule 4 to this Act, " the land" means the building in respect of which listed building consent has been refused, or granted subject to conditions, or modified by the imposition of conditions, and in respect of which its owner or lessee serves a notice under this section, together with any land comprising the building, or contiguous or adjacent to it, and owned or occupied with it, being land as to which the owner or lessee claims that its use is substantially inseparable from that of the building and that it ought to be treated, together with the building, as a single holding.
- (4) Where, for the purpose of determining whether the conditions specified in paragraphs (a) to (c) of subsection (1) above are satisfied in relation to the land, any question arises as to what is or would in any particular circumstances be a reasonably beneficial use of that land, then, in determining that question for that purpose, no account shall be taken of any prospective use of that land which would involve the carrying out of new development or of any works requiring listed building consent which might be executed to the building, other than works for which the local planning authority or the Secretary of State have undertaken to grant such consent.

43 Compensation for refusal of consent to alterations etc.

- (1) The provisions of this section shall have effect where an application is made for listed building consent for the alteration or extension of a listed building and—
 - (a) either the works do not constitute development or they do so but the development is such that planning permission therefor is granted by a development order; and
 - (b) the Secretary of State, either on appeal or on the reference of the application to him, refuses such consent or grants it subject to conditions.
- (2) If, on a claim made to the local planning authority within the prescribed time and manner, it is shown that the value of the interest of any person in the land is less than it would have been if listed building consent had been granted, or had been granted unconditionally, as the case may be, the local planning authority shall pay to that person compensation of an amount equal to the difference.
- (3) In determining, for the purposes of subsection (2) above, whether or to what extent the value of an interest in land is less than it would have been if the permission had been granted, or had been granted unconditionally—
 - (a) it shall be assumed that any subsequent application for the like consent would be determined in the same way; but
 - (b) if, in the case of a refusal of listed building consent, the Secretary of State, on refusing that consent, undertook to grant such consent for some other works to the building in the event of an application being made in that behalf, regard shall be had to that undertaking.
- (4) No compensation shall be payable under this section in respect of an interest in land in respect of which a purchase notice is served, whether under section 17, or under

that section as applied by section 20(4), of the Act of 1947 or under section 42 above, being a purchase notice which takes effect.

Enforcement

44 Notice to enforce s. 40 control

- (1) Where it appears to the local planning authority that any works have been, or are being, executed to a listed building in their area and are such as to involve a contravention of section 40(2) or (6) of this Act, then, subject to any directions given by the Secretary of State, they may, if they consider it expedient to do so having regard to the effect of the works on the character of the building as one of special architectural or historic interest, serve a notice—
 - (a) specifying the alleged contravention; and
 - (b) requiring such steps as may be specified in the notice for restoring that building to its former state, or, as the case may be, for bringing it to the state it would have been in if the terms and conditions of any listed building consent for the works had been complied with, to be taken within such period as may be so specified.
- (2) A notice under this section is hereafter in this Act referred to as a " listed building enforcement notice ".
- (3) Every local planning authority shall keep available for public inspection free of charge at reasonable hours and at a convenient place a list containing particulars of any building in their district in respect of which a listed building enforcement notice has been served.
- (4) Part IV of Schedule 4 to this Act shall have effect with respect to listed building enforcement notices and appeals against such notices.

45 Penalties for non-compliance with notice under s. 44

- (1) Where a listed building enforcement notice has been served in respect of any building and any steps required by the notice to be taken have not been taken within the period allowed for compliance with the notice, the person responsible for the contravention mentioned in section 44(1) above shall be guilty of an offence and liable on summary conviction to a fine not exceeding £400, or on conviction on indictment to a fine.
- (2) If, after a person has been convicted under the foregoing provisions of this section, he does not as soon as practicable do everything in his power to secure compliance with the notice, he shall be guilty of a further offence and be liable—
 - (a) on summary conviction to a fine of not more than £50 for each day following his first conviction on which any of the requirements of the notice remain unfulfilled; or
 - (b) on conviction on indictment to a fine.
- (3) Any reference in this section or section 46 below to the period allowed for compliance with a listed building enforcement notice is a reference to the period specified in the notice as that within which the steps specified in the notice are required thereby to be taken, or such extended period as the local planning authority may allow for taking them.

46 Execution and cost of works required under enforcement procedure

- (1) If, within the period allowed for compliance with a listed building enforcement notice, any steps required by the notice to be taken have not been taken, the authority may enter on the land and take those steps and may recover from the person who is then the owner or lessee of the land any expenses reasonably incurred by them in doing so.
- (2) Any expenses incurred by the owner, lessee or occupier of a building for the purpose of complying with a listed building enforcement notice and any sums paid by the owner or lessee of a building under subsection (1) of this section in respect of expenses incurred by the local planning authority in taking steps required by such a notice to be taken, shall be deemed to be incurred or paid for the use and at the request of the person who carried out the works to which the notice relates.
- (3) Section 22(5) of the Act of 1947 (application by regulations of certain provisions of the Water (Scotland) Act 1946 in relation to enforcement) shall apply in relation to a listed building enforcement notice as they apply in relation to an enforcement notice; and any regulations made by virtue of this subsection may provide for the charging on the land on which the building stands of any expenses recoverable by a local planning authority under subsection (1) of this section.

47 Enforcement by, or by direction of, the Secretary of State

- (1) If it appears to the Secretary of State, after consultation with the local planning authority, to be expedient that a listed building enforcement notice should be served in respect of any land, he may give directions to the local planning authority requiring them to serve such a notice, or may himself serve such a notice; and any notice so served by the Secretary of State shall have the like effect as a notice served by the local planning authority.
- (2) In relation to a listed building enforcement notice served by the Secretary of State, the provisions of sections 45(3) and 46 of this Act shall apply as if for any reference therein to the local planning authority there were substituted a reference to the Secretary of State.

Other measures open to local planning authority and the Secretary of State

48 Building preservation notice in respect of building not listed

- (1) If it appears to the local planning authority, in the case of a building in their district which is not a listed building, that it is of special architectural or historic interest and is in danger of demolition or of alteration in such a way as to affect its character as such, they may (subject to subsection (2) below) serve on the owner, lessee and occupier of the building a notice (referred to in this section as a "building preservation notice")—
 - (a) stating that the building appears to them to be of special architectural or historic interest and that they have requested the Secretary of State to consider including it in a list compiled or approved under section 28 of the Act of 1947 ; and

- (3) A building preservation notice shall come into force as soon as it has been served on the owner, lessee and occupier of the building to which it relates and shall remain in force for six months from the date when it is served or, as the case may be, last served; but it shall cease to be in force if, before the expiration of that period, the Secretary of State either includes the building in a list compiled or approved under section 28 of the Act of 1947 or notifies the local planning authority in writing that he does not intend to do so.
- (4) While a building preservation notice is in force with respect to a building, the provisions of this Part of this Act shall have effect in relation to it as if the building were a listed building; and if the notice ceases to be in force (otherwise than by reason of the building being included in a list compiled or approved under the said section 28), the provisions of Part V of Schedule 4 to this Act shall have effect with respect to things done or occurring under the notice or with reference to the building being treated as listed.
- (5) If, following the service of a building preservation notice, the Secretary of State notifies the local planning authority that he does not propose to include the building in a list compiled or approved under section 28 of the Act of 1947, the authority—
 - (a) shall forthwith give notice of the Secretary of State's decision to the owner, lessee and occupier of the building; and
 - (b) shall not, within the period of twelve months beginning with the date of the Secretary of State's notification, serve another such notice in respect of the said building.

- (1) The following provisions of this section shall have effect as respects compensation where a building preservation notice is served.
- (2) The local planning authority shall not be under any obligation to pay compensation under section 43 of this Act in respect of any refusal of listed building consent or its grant subject to conditions, unless and until the building is included in a list compiled or approved by the Secretary of State under section 28 of the Act of 1947; but this subsection shall not prevent a claim for such compensation being made before the building is so included.
- (3) If the building preservation notice ceases to have effect without the building having been included in a list so compiled or approved, then, subject to a claim in that behalf being made to the local planning authority within the prescribed time and in the prescribed manner, any person who at the time when the notice was served had an interest in the building shall be entitled to be paid compensation by the authority in respect of any loss or damage directly attributable to the effect of the notice.

- (4) The loss or damage in respect of which compensation is payable under subsection (3) above shall include a sum payable in respect of a breach of contract caused by the necessity of discontinuing or countermanding any works to the building on account of the building preservation notice being in force with respect thereto.

50 Compulsory acquisition of listed building in need of repair

- (1) Where it appears to the Secretary of State, in the case of a building to which this section applies, that reasonable steps are not being taken for properly preserving it, the Secretary of State may authorise the local planning authority for the district in which the building is situated to acquire compulsorily under this section the building and any land comprising or contiguous or adjacent to it which appears to the Secretary of State to be required for preserving the building or its amenities, or for affording access to it, or for its proper control or management.
- (2) Where it appears to the Secretary of State, in the case of a building to which this section applies, that reasonable steps are not being taken for properly preserving it, he may be authorised under this section to acquire compulsorily the building and any land comprising or contiguous or adjacent to it which appears to him to be required for the purpose mentioned in subsection (1) of this section.
- (3) This section applies to any listed building, not being—
- (a) an ecclesiastical building which is for the time being used for ecclesiastical purposes; or
 - (b) a building which is the subject of a scheme or order under the enactments for the time being in force with respect to ancient monuments; or
 - (c) a building for the time being included in a list of monuments published by the Secretary of State under any such enactment.

For the purposes of this subsection, a building used or available for use by a minister of religion wholly or mainly as a residence from which to perform the duties of his office shall be treated as not being an ecclesiastical building.

- (4) The Secretary of State shall not make or confirm a compulsory purchase order for the acquisition of any building by virtue of this section unless he is satisfied that it is expedient to make provision for the preservation of the building and to authorise its compulsory acquisition for that purpose.
- (5) The Acquisition Act 1947 shall apply to the compulsory acquisition of land under this section and accordingly shall have effect—
- (a) as if this section had been in force immediately before the commencement of that Act; and
 - (b) as if references therein to the Minister of Transport and to the enactments specified in section 1(1)(b) of that Act included respectively references to the Secretary of State and to the provisions of this section.
- (6) Any person having an interest in a building which it is proposed to acquire compulsorily under this section may, within twenty-eight days after the service of the notice required to be served under paragraph 3 of Schedule 1 to the Acquisition Act 1947, apply to the sheriff for an order prohibiting further proceedings on the compulsory purchase order; and, if the sheriff is satisfied that reasonable steps have been taken for properly preserving the building, he shall make an order accordingly.

Status: This is the original version (as it was originally enacted).

- (7) A person aggrieved by a decision of the sheriff on an application under subsection (6) above may appeal against the decision to the Court of Session, but on a question of law only.

51 Repairs notice as preliminary to compulsory acquisition

- (1) Neither a local planning authority nor the Secretary of State shall start the compulsory purchase of a building under section 50 above unless at least two months previously they have served on the owner of the building, and not withdrawn, a notice under this section (referred to in this section as a "repairs notice")—
- (a) specifying the works which they consider reasonably necessary for the proper preservation of the building; and
 - (b) explaining the effect of sections 50 to 53 of this Act.
- (2) Where a local planning authority or the Secretary of State have served a repairs notice, the demolition of the building thereafter shall not prevent them from being authorised under section 50 above to acquire compulsorily the site of the building, if the Secretary of State is satisfied that he would have confirmed or, as the case may be, would have made a compulsory purchase order in respect of the building had it not been demolished.
- (3) An authority or the Secretary of State may at any time withdraw a repairs notice served by them; and if they do so, they shall forthwith give notice of the withdrawal to the person who was served with the notice.
- (4) A person on whom there has been served a repairs notice shall not in any case be entitled to serve a purchase notice under section 17 of the Act of 1947 or section 42 of this Act until the expiration of three months beginning with the date of the service of the repairs notice; and if during the said period of three months the local planning authority or the Secretary of State start the compulsory acquisition of the building in the exercise of their powers under section 50 above, the person shall not be so entitled unless and until the compulsory acquisition is discontinued.
- (5) For the purposes of this section a compulsory acquisition—
- (a) is started when the local planning authority or the Secretary of State, as the case may be, serve the notice required by paragraph 3(b) of Schedule 1 to the Acquisition Act 1947 ; and
 - (b) is discontinued, in the case of acquisition by a local planning authority, when they withdraw the compulsory purchase order or the Secretary of State decides not to confirm it and, in the case of acquisition by the Secretary of State, when he decides not to make the compulsory purchase order.

52 Compensation on compulsory acquisition

Subject to section 53 below, for the purpose of assessing compensation in respect of any compulsory acquisition of land including a building which, immediately before the date of the compulsory purchase order, was listed, it shall be assumed that listed building consent would be granted for any works for the alteration or extension of the building, or for its demolition, other than works in respect of which such consent has been applied for before the date of the order and refused by the Secretary of State, or granted by him subject to conditions, the circumstances having been such that compensation thereupon became payable under section 43 of this Act.

53 Minimum compensation in case of building deliberately left derelict

- (1) A local planning authority proposing to acquire a building compulsorily under section 50 above, if they are satisfied that the building has been deliberately allowed to fall into disrepair for the purpose of justifying its demolition and the development or re-development of the site or any adjoining site, may include in the compulsory purchase order as submitted to the Secretary of State for confirmation an application for a direction for minimum compensation; and the Secretary of State, if he is so satisfied, may include such a direction in the order as confirmed by him.
- (2) Subject to the provisions of this section, where the Secretary of State acquires a building compulsorily under section 50 of this Act, he may, if he is satisfied as mentioned in subsection (1) above, include a direction for minimum compensation in the compulsory purchase order.
- (3) The notice required to be served in accordance with paragraph 3(b) of Schedule 1 to the Acquisition Act 1947 (notices stating effect of compulsory purchase order, or, as the case may be, draft order) shall, without prejudice to so much of that paragraph as requires the notice to state the effect of the order, include a statement that the authority have made application for a direction for minimum compensation or, as the case may be, that the Secretary of State has included such a direction in the draft order prepared by him in accordance with paragraph 7 of that Schedule and shall in either case explain the meaning of the expression " direction for minimum compensation ".
- (4) A direction for minimum compensation, in relation to a building compulsorily acquired, is a direction that for the purpose of assessing compensation it is to be assumed, notwithstanding anything to the contrary in the Land Compensation (Scotland) Act 1963 or this Act, that planning permission would not be granted for any development or re-development of the site of the building and that listed building consent would not be granted for any works for the demolition, alteration or extension of the building other than development or works necessary for restoring it to, and maintaining it in, a proper state of repair ; and if a compulsory purchase order is confirmed or made with the inclusion of such a direction, the compensation in respect of the compulsory acquisition shall be assessed in accordance with the direction.
- (5) Where a local planning authority include in a compulsory purchase order made by them an application for a direction for minimum compensation, or the Secretary of State includes such a direction in a draft compulsory purchase order prepared by him, any person having an interest in the building may, within twenty-eight days after the service of the notice required by paragraph 3(b) of Schedule 1 to the Acquisition Act 1947, apply to the sheriff for an order that the local planning authority's application for a direction for minimum compensation be refused or, as the case may be, that such a direction be not included in the compulsory purchase order as made by the Secretary of State ; and if the sheriff is satisfied that the building has not been deliberately allowed to fall into disrepair for the purpose mentioned in subsection (1) of this section, he shall make the order applied for.
- (6) A person aggrieved by a decision of the sheriff on an application under subsection (5) above may appeal against the decision to the Court of Session, but on a question of law only.
- (7) The rights conferred by subsections (5) and (6) of this section shall not prejudice those conferred by section 50(6) and (7) of this Act.

 - (i) the expiration of five years from the date of the commencement of this section; or
 - (ii) the expiration of two years from the final approval of the reserved matters, or in the case of approval on different dates, the final approval of the last such matter to be approved.
- (3) Subsection (2) above shall not apply to a planning permission granted before the commencement of this section subject to an express condition that the development to which it relates should be begun, or be completed, or that application for approval of any reserved matter should be made, not later than a specified date or within a specified period.
- (4) Subject to the provisions of this section, where outline planning permission is granted after the commencement of this section for such development as is referred to in subsection (2) above, it shall be granted subject to conditions to the following effect:—
 - (a) that, in the case of any reserved matter, application for approval must be made not later than the expiration of three years beginning with the date of the grant of outline planning permission; and
 - (b) that the development to which the permission relates must be begun not later than whichever is the later of the following dates—
 - (i) the expiration of five years from the date of the grant of outline planning permission; or
 - (ii) the expiration of two years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last such matter to be approved.
- (5) If after the commencement of this section outline planning permission is granted without the conditions required by subsection (4) above, it shall be deemed to have been granted subject to those conditions.
- (6) The authority concerned with the terms of an outline planning permission may, in applying subsection (4) above, substitute, or direct that there be substituted, for the periods of three years, five years or two years referred to in that subsection such other periods respectively (whether longer or shorter) as they consider appropriate.
- (7) The said authority may, in applying the said subsection, specify, or direct that there be specified, separate periods under paragraph (a) of the subsection in relation to separate parts of the development to which the planning permission relates; and, if they do so, the condition required by paragraph (b) of the subsection shall then be framed correspondingly by reference to those parts, instead of by reference to the development as a whole.
- (8) In considering whether to exercise their powers under subsections (6) and (7) above, the said authority shall have regard to the provisions of the development plan and to any other material considerations.

68 Provisions supplementary to ss. 66 and 67

- (1) For the purposes of sections 66 and 67 above, development shall be taken to be begun on the earliest date on which any specified operation (as defined in section 64(3) of the Land Commission Act 1967) comprised in the development begins to be carried out.
- (2) The authority referred to in section 66(2)(b) and section 67(6) above is the local planning authority or the Secretary of State, in the case of planning permission granted by them, and—
 - (a) in the case of planning permission granted by an order under section 24 of the Act of 1947 (authorised uses of land) is the local planning authority making the order ;
 - (b) in the case of planning permission under section 32 of the Act of 1947 (grant by direction of a government department) is the department on whose direction planning permission is deemed to be granted; and
 - (c) in the case of planning permission granted on an appeal determined, under section 22 or 24 of this Act, by a person appointed by the Secretary of State to determine the appeal, is that person.
- (3) For the purposes of section 67(2) and (4) above, a reserved matter shall be treated as finally approved when an application for approval is granted or, in a case where the application is made to the local planning authority and there is an appeal to the Secretary of State against the authority's decision on the application and the Secretary of State or a person appointed by him under section 22 or 24 of this Act to determine the appeal grants the approval, on the date of the determination of the appeal by the Secretary of State or that person.
- (4) Where after the commencement of sections 66 and 67 above a local planning authority grant planning permission, the fact that any of the conditions of the permission are required by this Act to be imposed, or are deemed by this Act to be imposed, shall not prevent the conditions being the subject of an appeal under section 14 of the Act of 1947 against the decision of the authority.
- (5) In the case of planning permission having conditions attached to it by or under section 66(1), (2) or (3) or section 67(2), (4) or (5) above (whether outline or other)—
 - (a) development carried out after the date by which the conditions of the permission require it to be carried out shall be treated as not authorised by the permission; and
 - (b) an application for approval of a reserved matter, if it is made after the date by which the conditions require it to be made, shall be treated as not made in accordance with the terms of the permission.
- (6) Compensation under Part II of the Act of 1954 shall not be payable in respect of the application to any planning permission of any of the conditions referred to in sections 66 and 67 of this Act.
- (7) The said conditions shall be disregarded for the purposes—
 - (a) of section 17 of the Act of 1947 (right of landowner to serve purchase notice, where he claims that the land has become incapable of reasonably beneficial use on account of the refusal of planning permission or the imposition of conditions);
 - (b) of section 18 of that Act (compensation for planning decisions restricting development); and

Status: This is the original version (as it was originally enacted).

- (c) of Schedule 4 to the Act of 1945 (compensation of statutory undertakers in respect of certain planning decisions).

69 Termination of planning permission by reference to time limit

- (1) The following provisions of this section shall have effect where, by virtue of section 66 or 67 above, a planning permission (whether granted before or after the commencement of those sections) is subject to a condition that the development to which the permission relates must be begun before the expiration of a particular period and that development has been begun within that period but the period has elapsed without the development having been completed.
- (2) If the local planning authority are of opinion that the development will not be completed within a reasonable period they may serve a notice (hereafter in this section referred to as a "completion notice") stating that the planning permission will cease to have effect at the expiration of a further period specified in the notice, being a period of not less than twelve months after the notice takes effect.
- (3) A completion notice—
 - (a) shall be served on the owner and occupier of the land and on any other person who, in the opinion of the local planning authority, will be affected by the notice; and
 - (b) shall take effect only if and when it is confirmed by the Secretary of State, who may in confirming it substitute some longer period for that specified in the notice as the period at the expiration of which the planning permission is to cease to have effect.
- (4) If within such period as may be specified in a completion notice (not being less than twenty-eight days from the service thereof) any person on whom the notice is served so requires, the Secretary of State, before confirming the notice, shall afford to that person and to the local planning authority an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose.
- (5) If a completion notice takes effect, the planning permission therein referred to shall, at the expiration of the period specified in the notice, whether the original period specified under subsection (2) above or a longer period substituted by the Secretary of State under subsection (3) above, be invalid except so far as it authorises any development carried out thereunder up to the end of that period.
- (6) The local planning authority may withdraw a completion notice at any time before the expiration of the period specified therein as the period at the expiration of which the planning permission is to cease to have effect; and if they do so they shall forthwith give notice of the withdrawal to every person who was served with the completion notice.

Statutory undertakers

70 New provision as to what is "operational land" of statutory undertakers

- (1) Where an interest in land is held by statutory undertakers for the purpose of the carrying on of their undertaking and—
 - (a) the interest was acquired by them after the commencement of this section ; or

Status: This is the original version (as it was originally enacted).

- (b) it was held by them immediately before that commencement, but the circumstances were then such that the land did not fall to be treated as operational land for the purposes of the Act of 1947,
then the following subsection shall have effect for the purpose of determining whether the land is to be so treated and shall so have effect notwithstanding the definition of "operational land " in section 113(1) of the Act of 1947.
- (2) The land shall not be treated as operational land for the purposes of the Act of 1947 unless one or both of the following conditions are satisfied with respect to it, namely—
- (a) there is, or at some time has been, in force with respect to the land a specific planning permission for its development and that development, if carried out, would involve, or have involved, the use of the land for the purpose of the carrying on of the statutory undertakers' undertaking; or
 - (b) the undertakers' interest in the land was acquired by them as the result of a transfer under provisions of the Transport Act 1968 from other statutory undertakers and the land was, immediately before the transfer, operational land of those other undertakers.
- (3) A specific planning permission for the purpose of subsection (2)(a) above is a planning permission—
- (a) granted on an application in that behalf under Part II of the Act of 1947 ; or
 - (b) granted by provisions of a development order granting planning permission generally for development which has received specific parliamentary approval; or
 - (c) granted by a special development order in respect of development specifically described in the order ; or
 - (d) deemed to be granted by virtue of a direction of a government department under section 32 of the Act of 1947;

and the reference in paragraph (b) of this subsection to development which has received specific parliamentary approval shall be construed as referring to development authorised by a local or private Act of Parliament or by an order approved by both Houses of Parliament or by an order which has been brought into operation in accordance with the provisions of the Statutory Orders (Special Procedure) Act 1945, being an Act or order which designates specifically both the nature of the development thereby authorised and the land upon which it may be carried out.

71 Planning applications and appeals by statutory undertakers

- (1) In the circumstances mentioned in subsection (2) below, paragraph 1(1) of Schedule 5 to the Act of 1947 (statutory undertakers' planning applications and appeals, if in respect of operational land, to be dealt with by Ministers) shall apply to an application or appeal by statutory undertakers in respect of land which is not operational land as it applies to an application or appeal in respect of land which is.
- (2) The said circumstances are that—
- (a) an interest in the land in question is held by the undertakers with a view to its being used for the purpose of carrying on their undertaking ; or
 - (b) it is land in which they propose to acquire an interest with a view to its being so used,

and (in either case) the planning permission, if granted on the application or appeal, would be for development involving the use of the land for that purpose.

- (3) The following provisions (being provisions which require certain planning decisions and orders affecting statutory undertakers to be subject to special parliamentary procedure) shall cease to have effect:—
- (a) section 24(7) of the Act of 1945 (order extinguishing a right of way or rights of statutory undertakers in respect of apparatus under certain land), except as respects an order made before the commencement of this section;
 - (b) section 42(4)(b) of the Act of 1947 (compulsory purchase order with respect to land acquired by statutory undertakers for the purpose of their undertaking), except as respects an order made or confirmed before that commencement;
 - (c) paragraph 1(2) of Schedule 5 to the Act of 1947 (decision on planning application in respect of operational land or appeal thereon), except as respects an application for planning permission made before that commencement or an appeal from the decision on an application so made;
 - (d) paragraph 2(1)(a) of that Schedule (decision of a government department refusing, or attaching conditions to, statutory authorisation for development), except as respects a decision made before that commencement;
 - (e) paragraph 3(2) of that Schedule (order revoking or modifying planning permission in respect of operational land), except as respects an order of which notice has been given under that subsection before that commencement; and
 - (f) paragraph 4(2) of that Schedule (order requiring discontinuance of use etc. of operational land), except as respects an order of which notice has been given under that subsection before that commencement.

72 Restrictions on entitlement of statutory undertakers to compensation for adverse planning decisions

- (1) Except as provided by subsection (2) below, statutory undertakers shall not be entitled to compensation in respect of a decision mentioned in paragraph 1(a) or (b) of Schedule 4 to the Act of 1945 (right to compensation in respect of certain decisions and orders) where that decision is made after the commencement of this section.
- (2) Subsection (1) above shall not apply to compensation in respect of a decision made in accordance with paragraph 1 of Schedule 5 to the Act of 1947 refusing planning permission for the development of operational land, or granting such permission subject to conditions, where—
 - (a) planning permission for that development would have been granted by a development order but for a direction given under such an order that planning permission so granted should not apply to the development; and
 - (b) it is not development which has received specific parliamentary approval (within the meaning given to that expression by section 70(3) of this Act).
- (3) Section 20(3) of the Act of 1947 (compensation on refusal of planning permission or its grant subject to conditions) shall not apply in relation to planning permission for the development of operational land of statutory undertakers.

73 Modifications of s. 24 of Act of 1945

- (1) Section 24 of the Act of 1945 (power of Secretary of State, local planning authority or statutory undertakers, on acquisition or appropriation of land for development, by service of notice to secure extinguishment of statutory undertakers' rights over the land or the removal of their apparatus) shall be amended in accordance with this section.

- (2) A notice under that section shall not be served by the acquiring or appropriating authority unless they are satisfied that the extinguishment of the statutory undertakers' right or, as the case may be, the removal of their apparatus, is necessary for the purposes of carrying out any development with a view to which the land was acquired or appropriated.
- (3) The period referred to in subsection (1) of the said section (that is to say the period to be specified in a notice under the section as the period at the end of which the statutory undertakers' right will be extinguished or, as the case may be, before the end of which their apparatus shall be removed) shall be a period of not less than twenty-eight days from the date of service of the notice.

74 Notice for same purposes as s. 24 of Act of 1945, but given by statutory undertakers to developing authority

- (1) Subject to the provisions of this section, where land has been acquired or appropriated as mentioned in section 24(1) of the Act of 1945, and—
 - (a) there is on, under or over the land any apparatus vested in or belonging to statutory undertakers; and
 - (b) the undertakers claim that development to be carried out on the land is such as to require, on technical or other grounds connected with the carrying on of their undertaking, the removal or re-siting of the apparatus affected by the development,

the undertakers may serve on the acquiring or appropriating authority a notice claiming the right to enter on the land and carry out such works for the removal or re-siting of the apparatus or any part of it as may be specified in the notice.

- (2) Where, after the land has been acquired or appropriated as aforesaid, development of the land is begun to be carried out, no notice under this section shall be served later than twenty-one days after the beginning of the development.
- (3) Where a notice is served under this section, the authority on whom it is served may, before the end of the period of twenty-eight days from the date of service, serve on the statutory undertakers a counter-notice stating that they object to all or any of the provisions of the notice and specifying the grounds of their objection.
- (4) If no counter-notice is served under subsection (3) above, the statutory undertakers shall, after the end of the period of twenty-eight days therein mentioned, have the rights claimed in their notice.
- (5) If a counter-notice is served under subsection (3) above, the statutory undertakers who served the notice under this section may either withdraw it or may apply to the Secretary of State and the appropriate Minister for an order under this section conferring on the undertakers the rights claimed in the notice or such modified rights as the Secretary of State and the appropriate Minister think it expedient to confer on them.
- (6) Where, by virtue of this section or of an order of Ministers thereunder, statutory undertakers have the right to execute works for the removal or re-siting of apparatus, they may arrange with the acquiring or appropriating authority for the works to be carried out by that authority, under the superintendence of the undertakers, instead of by the undertakers themselves.

- (7) Where works are carried out for the removal or reciting of statutory undertakers' apparatus, being works which the undertakers have the right to carry out by virtue of this section or an order of Ministers thereunder, the undertakers shall be entitled to compensation from the acquiring or appropriating authority and the amount of the compensation shall be an amount calculated in accordance with paragraph 2 of Schedule 4 to the Act of 1945, but reduced, in a case where the authority carry out the works, by the actual cost to the authority of doing so.
- (8) In the said paragraph 2, as it applies for the purposes of this section, any reference to " the proceeding giving rise to compensation " shall, instead of being construed in accordance with sub-paragraph (4) of that paragraph, be construed as a reference to the circumstances making it necessary for the apparatus in question to be removed or re-sited.

General planning control

75 Expansion of building below ground to constitute development

Notwithstanding anything in section 10(2)(a) of the Act of 1947 (carrying out of works for the maintenance, improvement or other alteration of a building not to constitute development if it is wholly internal or does not materially affect the building's external appearance), the carrying out of works for the alteration of any building by providing additional space therein below ground shall, if begun after the commencement of this section, be treated for the purposes of the Act of 1947 as involving development.

76 Modification of transitory exemptions based on pre-1948 use

- (1) Section 10(5)(a) of the Act of 1947 (exemption from requirement of planning permission for resumption of normal use before the original appointed day) and section 10(5)(c) of that Act (the same as to resumption of use of land which on that day was unoccupied) shall not have effect as respects any use of land begun or resumed after the commencement of this section.
- (2) In the case of land which on the original appointed day was normally used for one purpose and was also used on occasions for another purpose, section 10(5)(b) of the Act of 1947 (exemption from requirement of planning permission for resumption of previous occasional use) shall, as respects any use of the land for the other purpose after the commencement of this section, apply only if the land has, since the original appointed day, been used for the other purpose on at least one similar occasion before the beginning of 1969.
- (3) In applying sections 10(5), 16(5) and 16(6) of the Act of 1947 (factors relevant for determining whether planning permission is required for resumption of use), no account shall be taken of any contravention of planning control other than contravention of the provisions of Part II of the Act of 1947; and accordingly—
- (a) in proviso (i) to section 10(5), for the words " previous planning control within the meaning of section 72 of this Act " there shall be substituted the words " the provisions of this Part of this Act ";
 - (b) in the proviso to section 16(5), the words from "or begun" to the end shall cease to have effect;
 - (c) in section 16(6), the words from " or was begun " to the end shall cease to have effect; and

Status: This is the original version (as it was originally enacted).

- (d) section 72(9) shall cease to have effect.
- (4) Section 22(4) of the Act of 1947 (planning permission not required, where land has been developed without such permission, for a use of the land which would have been lawful apart from the development) shall not apply to any use of land which, by the operation of this section, has become unlawful without planning permission.
- (5) In this section " the original appointed day " means the appointed day for the purposes of the Act of 1947, that is to say, 1st July 1948.

77 Posting of site notice prior to planning application

- (1) An application for planning permission for development of any class to which section 35 of the Act of 1959 (certain classes of planning application, prescribed by development order, to be supported by evidence of prior publicity) applies shall not be entertained by the local planning authority unless it is accompanied by one or other of the following certificates, signed by or on behalf of the applicant, that is to say—
 - (a) a certificate stating that he has complied with subsection (2) of this section and when he did so; or
 - (b) a certificate stating that he has been unable to comply with it because he has not such rights of access or other rights in respect of the land as would enable him to do so, but that he has taken such reasonable steps as are open to him (specifying them) to acquire those rights and has been unable to acquire them.
- (2) In order to comply with this subsection a person must—
 - (a) post on the land a notice, in such form as may be prescribed by a development order, stating that the application for planning permission is to be made; and
 - (b) leave the notice in position for not less than seven days in a period of not more than one month immediately preceding the making of the application to the local planning authority.
- (3) The said notice must be posted by affixing it firmly to some object on the land, and must be sited and displayed in such a way as to be easily visible and legible by members of the public without going on the land.
- (4) The applicant shall not be treated as unable to comply with subsection (2) of this section if the notice is, without any fault or intention of his, removed, obscured or defaced before the seven days referred to in subsection (2)(b) above have elapsed, so long as he has taken reasonable steps for its protection and, if need be, replacement; and, if he has cause to rely on this subsection, his certificate under subsection (1) above shall state the relevant circumstances.
- (5) The notice required by subsection (2) of this section shall (in addition to any other matters required to be contained therein) name a place within the locality where a copy of the application for planning permission, and of all plans and other documents submitted therewith, will be open to inspection by the public at all reasonable hours during such period as may be specified in the notice, not being a period of less than twenty-one days beginning with the date on which the notice is first posted.
- (6) If any person issues a certificate which purports to comply with the requirements of this section and which contains a statement which he knows to be false and misleading in a material particular, or recklessly issues a certificate which purports to comply with those requirements and which contains a statement which is false or misleading in a

material particular, he shall be guilty of an offence and liable on summary conviction to a fine not exceeding £100.

- (7) Any certificate issued for the purpose of this section shall be in such form as may be prescribed by a development order.

78 Extension of s. 12 of Act of 1947 with respect to development affecting trunk and special roads

In section 12(3) of the Act of 1947 (power to provide by a development order for regulating the manner in which applications for planning permission are to be dealt with by local planning authorities), the reference in paragraph (a) to development shall include, and be deemed always to have included, a reference to development of or affecting land on which the Secretary of State proposes to provide a trunk road or a special road, being a road the route of which is shown as such in the development plan or in the case of which the Secretary of State has given to the local planning authority written notice of his intention to provide the road, together with maps or plans sufficient to identify the proposed route of the road.

79 Information regarding and local register of planning applications

- (1) A development order may make provision for requiring applicants for planning permission for development or for any class of development prescribed by or under the order to furnish at such time and to such persons as may be so prescribed such information with respect to the application as may be so prescribed.
- (2) A development order may make provision for the register of planning applications kept by a local planning authority under section 12(5) of the Act of 1947 to be kept in two or more parts, each part containing such information relating to applications for planning permission made to the authority as may be prescribed by the order, and may also make provision—
- (a) for a specified part of the register to contain copies of applications and of any plans or drawings submitted therewith; and
 - (b) for the entry relating to any application, and every thing relating thereto, to be removed from that part of the register when the application (including any appeal arising out of it) has been finally disposed of, without prejudice to the inclusion of any different entry relating thereto in another part of the register.

80 Reference to Secretary of State of application for approval under outline planning permission

The power of the Secretary of State to give directions under section 13 of the Act of 1947, requiring applications for planning permission to be referred to him instead of being dealt with by the local planning authority, shall be exercisable also in relation to applications for any approval of an authority required under a development order, and references to applications in subsections (1) and (3) and in the proviso to subsection (2) of that section shall be construed accordingly.

81 Unopposed revocation or modification of planning permission

- (1) The following provisions shall have effect where the local planning authority have made an order under section 19 of the Act of 1947 (revocation or modification of

- planning permission) but have not submitted the order to the Secretary of State for confirmation by him, and—
- (a) the owner, the lessee and the occupier of the land and all persons who in the authority's opinion will be affected by the order have notified the authority in writing that they do not object to the order; and
 - (b) it appears to the authority that no claim for compensation is likely to arise under section 20 of the Act of 1947 on account of the order.
- (2) The authority shall advertise in the prescribed manner the fact that the order has been made, and the advertisement shall specify—
- (a) the period (not less than twenty-eight days from the date on which the advertisement first appears) within which persons affected by the order may give notice to the Secretary of State that they wish for an opportunity of appearing before, and being heard by, a person appointed by the Secretary of State for the purpose ; and
 - (b) the period (not less than fourteen days from the expiration of the period referred to in paragraph (a) above) at the expiration of which, if no such notice is given to the Secretary of State, the order may take effect by virtue of this section and without being confirmed by the Secretary of State.
- (3) The authority shall also serve notice to the same effect on the persons mentioned in subsection (1)(a) above, and the notice shall include a statement of the effect of subsection (7) of this section.
- (4) The authority shall send a copy of any advertisement published under subsection (2) above to the Secretary of State not more than three days after the publication.
- (5) If within the period referred to in subsection (2)(a) above no person claiming to be affected by the order has given notice to the Secretary of State as aforesaid, and the Secretary of State has not directed that the order be submitted to him for confirmation, the order shall, at the expiration of the period referred to in subsection (2)(b) of this section, take effect by virtue of this section and without being confirmed by the Secretary of State as required by section 19(1) of the Act of 1947.
- (6) This section does not apply to an order revoking or modifying a planning permission granted, or deemed to have been granted, by the Secretary of State under Part II of the Act of 1947 or under Part II or Part V of this Act; nor does it apply to an order modifying any conditions to which a planning permission is subject by virtue of section 66 or 67 of this Act.
- (7) No compensation shall be payable under section 20 of the Act of 1947 in respect of an order under section 19 of that Act which takes effect by virtue of this section and without being confirmed by the Secretary of State.

82 Procedure in connection with making and confirmation of tree preservation orders

- (1) The provisions which may, by virtue of subsection (1)(c) of section 26 of the Act of 1947 (tree preservation orders), be applied by such an order in relation to any consent thereunder shall include section 81 of this Act.
- (2) Regulations made by virtue of section 26(5) of the Act of 1947 may (without prejudice to the generality of that subsection) make provision as follows:—

Status: This is the original version (as it was originally enacted).

- (a) that, before a tree preservation order is submitted to the Secretary of State for confirmation, notice of the making of the order shall be given to the owners, lessees and occupiers of land affected by the order and to such other persons, if any, as may be specified in the regulations;
- (b) that objections and representations with respect to the order, if duly made in accordance with the regulations, shall be considered before the order is confirmed by the Secretary of State;
- (c) that, if no objections or representations are so made, or if any so made are withdrawn, the order, instead of requiring the confirmation of the Secretary of State in accordance with section 26(4) of the Act of 1947, may be confirmed (but without any modification), as an unopposed order, by the authority who made it; and
- (d) that copies of the order, when confirmed by the Secretary of State or the authority, shall be served on such persons as may be specified in the regulations.

83 Notice by Secretary of State to planning authority when exercising default powers

- (1) The Secretary of State, where he proposes under section 96 of the Act of 1947 (default powers) to make an order—
 - (a) under section 19 of that Act (revocation or modification of planning permission), or under the provisions of that section as applied by any order or regulations made under Part II of that Act; or
 - (b) under section 24 of that Act (discontinuance of specified use of land or alteration or removal of buildings or works),
 shall serve a notice of the proposal on the local planning authority; and if within such period as may be specified in the notice (not less than twenty-eight days from the date of service) the authority so require, the Secretary of State, before making the order, shall afford to the authority an opportunity of appearing before, and being heard by, a person appointed by him for the purpose.
- (2) The obligation of the Secretary of State to serve a notice under this section shall be without prejudice to any requirements of Part II of the Act of 1947, or regulations made thereunder, having effect by virtue of section 96(3) of that Act (requirements as to notice etc., where Secretary of State acts in place of local planning authority).

Control of office development

84 Partial abrogation of dual control of office development

- (1) Without prejudice to section 23 of the Industrial Development Act 1966 (restrictions or conditions which may be attached to industrial development certificates issued by the Board of Trade under section 12(4) of the Act of 1947) the conditions which the Board of Trade may under that section attach to an industrial development certificate shall include conditions restricting the amount of office floor space to be contained in any building which is the subject of the development or precluding it from containing any office floor space; and the conditions may be framed so as to apply (either or both) to the building as originally erected or as subsequently extended or altered.

- (2) Notwithstanding section 5(1) of the Act of 1965 (of which the effect is that an industrial development certificate under section 12(4) of the Act of 1947 as well as an office development permit under section 1(3) of the Act of 1965 is required in support of an application for planning permission for development which is not only industrial but involves the provision of office premises), compliance with the said section 1(3) shall not be required in respect of an application for planning permission for industrial development to which this section applies, where there has been issued by the Board of Trade and furnished to the local planning authority with the application a copy of an industrial development certificate with conditions attached thereto by virtue of subsection (1) above.
- (3) In this section, "industrial development" means the development of land in any manner specified in section 12(4) of the Act of 1947 (requirement of Board of Trade industrial development certificate to support application for planning permission for development involving provision of industrial building or change in the use of premises so that a building becomes industrial); and this section applies to industrial development only if there will result therefrom no office premises except such as are comprised within the curtilage of an industrial building and are used or designed for use for providing services or facilities ancillary to the use of other premises in the same building or curtilage.
- (4) Development in respect of which there has been issued by the Board of Trade an industrial development certificate with conditions attached thereto by virtue of subsection (1) of this section shall be treated as not included in any reference to "related development" in section 2 of the Act of 1965 (which makes an office development permit unnecessary if the amount of office floor space to be created is below the prescribed exemption limit, but for this purpose requires that space to be aggregated with office floor space created, or to be created, in the course of other development affecting the same building or site).

85 Modifications of s. 7 of 1965 Act

- (1) Section 7 of the Act of 1965 (attachment to certain planning permissions of conditions restricting office floor space, where the permission can be granted without an office development permit) shall not apply to a planning permission granted after the commencement of this section for the erection of a building on any land, unless it is in an area to which Part I of that Act applied at the time when the application for the planning permission was made.
- (2) Section 7 of the Act of 1965 shall not apply to a planning permission granted after the said commencement for the erection of a building with a floor space less than twice the prescribed exemption limit; nor shall it apply to a planning permission so granted for the erection of a building (of whatever floor space) which is wholly residential.
- (3) Section 7 of the Act of 1965 shall not apply to a planning permission which is subject to conditions by virtue of section 23(5) or (6) of the Industrial Development Act 1966 (attachment to planning permission of conditions subject to which an industrial development certificate was issued by the Board of Trade) and those conditions either restrict the office floor space which the building may contain or preclude it from containing any office floor space.

86 Restriction on creation of office premises in building altered or extended

- (1) The provisions of this section shall, subject to subsection (4) below, have effect with respect to a planning permission granted after the commencement of this section for the alteration or extension of a building in an area to which Part I of the Act of 1965 applies at the time of the grant and also applied when the application for planning permission was made, but shall have effect only in the case of a building erected under a planning permission granted after the said commencement.
- (2) If the case is the following, that is to say:—
 - (a) either the erection of the building was not development to which Part I of the Act of 1965 applied or it was so but no office development permit was required therefor; and
 - (b) either the proposed alteration or extension is not development to which the said Part I applies or it is so but no office development permit is required therefor; and
 - (c) there will result from the proposed alteration or extension a building with an aggregate floor space of twice, or more than twice, the prescribed exemption limit,
the planning permission for the alteration or extension shall be granted subject to the condition specified in subsection (3) of this section (in addition to any other conditions imposed by the authority granting the permission).
- (3) The said condition is that the use of the building as altered or extended, or as subsequently further altered or extended, shall be restricted so that (whether in consequence of a change of use or otherwise) it does not at any time contain office premises having an aggregate office floor space which exceeds the prescribed exemption limit.
- (4) In the following two cases this section shall not apply:—
 - (a) where the planning permission is in respect of a building which, after its alteration or extension, will be wholly residential; and
 - (b) where the planning permission is subject to conditions by virtue of section 23(5) or (6) of the Industrial Development Act 1966 and those conditions either restrict the office floor space which the building as extended or altered may contain or preclude it from containing any office floor space.

87 Corresponding restriction on planning permission for erection of several buildings

- (1) The provisions of this section shall have effect with respect to a planning permission granted after the commencement of this section for development involving the erection of two or more buildings in an area to which Part I of the Act of 1965 applies at the time of the grant and also applied when the application for planning permission was made, except in a case where all the buildings are exempt from this section.
- (2) Any one of the said buildings shall be exempt from this section if—
 - (a) it is wholly residential; or
 - (b) the planning permission is subject to conditions by virtue of section 23(5) or (6) of the Industrial Development Act 1966 and those conditions either restrict the office floor space which the building may contain or preclude it from containing any office floor space.

- (3) If the aggregate floor space of the buildings proposed to be erected (leaving out of account any which are exempt from this section) is twice, or more than twice, the prescribed exemption limit and either the erection of the buildings is not development to which Part I of the Act of 1965 applies or it is so, but no office development permit is required therefor, the planning permission shall be granted subject to the condition specified in subsection (4) below (in addition to any other conditions imposed by the authority granting the permission).
- (4) The said condition is that the use of each one of the buildings (excluding any which are exempt from this section) shall be restricted so that (whether in consequence of a change of use or otherwise) it does not at any time contain office premises having an aggregate floor space which exceeds the limit for that building specified in the condition, which limit shall (subject to subsection (5) below) be a floor space bearing such proportion to the building's total floor space as the prescribed exemption limit bears to the aggregate floor space of all the buildings (excluding any which are exempt from this section) for whose erection the planning permission is granted.
- (5) The authority granting the planning permission may in doing so specify in the said condition, as it applies to any building, a limit different from the one provided by subsection (4) above, but not so that the total of the limits for all the buildings to which the condition applies exceeds the prescribed exemption limit.
- (6) If after the grant of the planning permission a further application for planning permission is made in respect of all or any of the buildings to which the condition specified in subsection (4) of this section applies, and the further application involves a departure from the terms of the said condition as applying to any building, the application shall be subject to section 1(3) of the Act of 1965 (requirement of office development permit), notwithstanding any provision of that Act exempting development from the requirements of that section in particular cases.

88 Provisions supplementary to ss. 84 to 87

- (1) A planning permission with respect to which section 86 or 87 above has effect shall not be invalid by reason only that the requirements of section 86(2) or 87(3), as the case may be, are not complied with; but in that case the planning permission shall be deemed to have been granted subject to the condition specified in section 86(3) or 87(4), as the case may be, or (if any other conditions are imposed by the authority granting the permission) to have been granted subject to the conditions so specified in addition to the other conditions; and references in those sections to a condition imposed thereunder shall be construed accordingly as including references to a condition deemed to be imposed.
- (2) In sections 84 to 87 of this Act—
 - (a) "industrial building" has the meaning given to it by section 21 of the Local Employment Act 1960, as amended by section 25 of the Industrial Development Act 1966;
 - (b) " office development permit ", " office premises " and " office floor space " have the same meanings as they have for the purposes of the Act of 1965 ;
 - (c) " the prescribed exemption limit", in relation to a planning permission, has the meaning given to it by section 7(5) of the Act of 1965 in relation to planning permission granted as mentioned in subsection (1)(b) of that section (restrictions on office development to be attached to planning permission not requiring office development permit); and

Status: This is the original version (as it was originally enacted).

- (d) " wholly residential" in relation to a building, means for use exclusively as a dwelling-house or comprising only units of accommodation for such use.

- (5) Paragraph 5 of Schedule 6 to that Act (power of Secretary of State to make an order under section 46 after considering any relevant objections and report) shall not be construed as authorising the Secretary of State to make an order under section 46(1) of that Act, of which notice has been published by virtue of subsection (1) above, until planning permission is granted for the development which occasions the making of the order.

90 New powers to authorise stopping-up and diversion of highways

- (1) If planning permission is granted under Part II of the Act of 1947 for constructing or improving, or the Secretary of State proposes to construct or improve, a highway
