SCHEDULE 5 – Savings and Transitional Provisions

Section 39.

1. Any addiction regulations which could have been made under this Act shall not be invalidated by any repeal effected by this Act but shall have effect as if made under the provisions of this Act which correspond to the provisions under which the regulations were made; and the validity of any licence issued under any such addiction regulations shall not be affected by any such repeal.

2. Any order, rule or other instrument or document whatsoever made or issued, any direction given, and any other thing done, under or by virtue of any of the following provisions of the Dangerous Drugs Act 1967, that is to say section 1(2), 2 or 3 or the Schedule, shall be deemed for the purposes of this Act to have been made, issued or done, as the case may be, under the corresponding provision of this Act; and anything begun under any of the said provisions of that Act may be continued under this Act as if begun under this Act.

3. In this paragraph “addiction regulations” means any regulations made under section 1 of the Dangerous Drugs Act 1965 which include provision for any of the matters for which regulations may be so made by virtue of section 1(1) of the Dangerous Drugs Act 1967.

As from the coming into operation of section 3 of this Act any licence granted for the purposes of section 5 of the Drugs (Prevention of Misuse) Act 1964 or sections 2, 3 or 10 of the Dangerous Drugs Act 1965 shall have effect as if granted for the purposes of section 3(2) of this Act.
3 (1) The Secretary of State may at any time before the coming into operation of section 12 of this Act give a direction under subsection (2) of that section in respect of any practitioner or pharmacist whose general authority under the Dangerous Drugs Regulations is for the time being withdrawn; but a direction given by virtue of this sub-paragraph shall not take effect until section 12 comes into operation, and shall not take effect at all if the general authority of the person concerned is restored before that section comes into operation.

(2) No direction under section 12(2) of this Act shall be given by virtue of sub-paragraph (1) above in respect of a person while the withdrawal of his general authority under the Dangerous Drugs Regulations is suspended; but where, in the case of any practitioner or pharmacist whose general authority has been withdrawn, the withdrawal is suspended at the time when section 12 comes into operation, the Secretary of State may at any time give a direction under section 12(2) in respect of him by virtue of this sub-paragraph unless the Secretary of State has previously caused to be served on him a notice stating that he is no longer liable to have such a direction given in respect of him by virtue of this sub-paragraph.

(3) In this paragraph “the Dangerous Drugs Regulations” means, as regards Great Britain, the Dangerous Drugs (No. 2) Regulations 1964 or, as regards Northern Ireland, the Dangerous Drugs Regulations (Northern Ireland) 1965.

4 Subject to paragraphs 1 to 3 above, and without prejudice to the generality of section 31(1)(c) of this Act, regulations made by the Secretary of State under any provision of this Act may include such provision as the Secretary of State thinks fit for effecting the transition from any provision made by or by virtue of any of the enactments repealed by this Act to any provision made by or by virtue of this Act, and in particular may provide for the continuation in force, with or without modifications, of any licence or other authority issued or having effect as if issued under or by virtue of any of those enactments.

5 For purposes of the enforcement of the enactments repealed by this Act as regards anything done or omitted before their repeal, any powers of search, entry, inspection, seizure or detention conferred by those enactments shall continue to be exercisable as if those enactments were still in force.

6 The mention of particular matters in this Schedule shall not prejudice the general application of [F259 section 16 of the Interpretation Act 1978] with regard to the effect of repeals.
