

Road Traffic Act 1972

1972 CHAPTER 20

PART II

CONSTRUCTION AND USE OF VEHICLES AND EQUIPMENT

Provisions as to pedal cycles and horse-drawn vehicles

66 Regulation of brakes, bells, etc., on pedal cycles

- (1) The Secretary of State may make regulations as to the use on roads of cycles, not being motor vehicles, their construction and equipment and the conditions under which they may be so used and, in particular, but without prejudice to the generality of the foregoing provision, as to—
 - (a) the number, nature and efficiency of brakes and their maintenance in proper working order;
 - (b) the appliances to be fitted for signalling approach and their maintenance in proper working order; and
 - (c) the testing and inspection, by persons authorised under the regulations, of any equipment prescribed under this subsection and of lighting equipment and reflectors.
- (2) Regulations under this section may provide for repealing byelaws dealing with the same subject matter as the regulations, and for suspending while the regulations remain in force any power of making such byelaws.
- (3) Regulations under this section may be made so as to apply either generally or in such circumstances only as may be specified in the regulations.
- (4) Regulations under this section as to the use on roads of cycles may prohibit the sale or supply, or the offer of a sale or supply, of a cycle for delivery in such a condition that the use thereof on a road in that condition would be a contravention of the regulations, but no provision made by virtue of this subsection shall affect the validity of any contract or any rights arising under a contract.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (5) If a person sells, supplies or offers to sell or supply a cycle in contravention of any prohibition imposed by regulations made by virtue of subsection (4) above he shall be guilty of an offence, unless he proves—
- (a) that it was sold, supplied or offered for export from Great Britain; or
 - (b) that he had reasonable cause to believe that it would not be used on a road in Great Britain, or would not be so used until it had been put into a condition in which it might lawfully be so used.

67 Regulation of brakes on horse-drawn vehicles

- (1) The Secretary of State may make regulations for regulating the number, nature and use of brakes, including skid-pans and locking-chains, in the case of vehicles drawn by horses or other animals, or any class of such vehicles, when used on roads.
- (2) Regulations under this section may be made for securing that such brakes shall be efficient and kept in proper working order, and for empowering persons authorised by or under the regulations to test and inspect any such brakes, whether on a road or elsewhere.
- (3) Regulations under this section may provide for repealing byelaws dealing with the same subject matter as the regulations, and for suspending while the regulations remain in force any power of making such byelaws.
- (4) Regulations under this section may be made so as to apply either generally or in such circumstances only as may be specified in the regulations.
