  - (b) the said new terms and conditions are such that, so long as he is engaged in duties reasonably comparable to those in which he was engaged immediately before he joined the Board's staff, the terms and conditions of his employment, taken as a whole, are not less favourable than those which he then enjoyed.

- 4 Different regulations may be made under paragraph 3 above in relation to different classes of persons, and any such regulations may be so framed as to have effect as from a date prior to the making thereof, so, however, that so much of any regulations as provides that any provision therein is to have effect as from a date earlier than the making thereof shall not place any person other than the Board in a worse position than he would have been in if the regulations had been made to have effect only as from the date of the making thereof.
- 5 Regulations under paragraph 3 above—

- (6) References in this paragraph to the local planning authority shall be construed as references to the district planning authority and also, in relation to proposals for any development which is a county matter (as defined in [F4paragraph 1 of Schedule 1 to the Town and Country Planning Act 1990]) as references to the county planning authority.

#### PROCEDURE ON COMPULSORY ACQUISITION

##### *Acquisitions by the Board or a local highway authority*

- 3 (1) Where land is to be acquired by means of a compulsory purchase order made, submitted and confirmed in accordance with this Part of the new towns code by the Board or a local highway authority, the order—
- (a) shall designate the land to which it relates by reference to a map or maps annexed thereto, either with or without descriptive matter, and
  - (b) subject to that, shall be in such form as may be prescribed.
- (2) In the case of any discrepancy between the map or maps and any such descriptive matter, the descriptive matter shall prevail except in so far as may be otherwise provided by the order.
- 4 (1) After submitting the order to the Secretary of State, the acquiring authority—
- (a) shall publish a notice in the prescribed form describing the land, stating that an order authorising the compulsory acquisition thereof has been submitted to the Secretary of State, naming a place where a copy of the order and of the map or maps and any descriptive matter annexed thereto may be seen at any reasonable hour, and specifying the time (not being less than 28 days from the first local advertisement) within which, and the manner in which, objections to the order may be made; and
  - (b) if the Secretary of State so directs in the case of the order in question, shall serve on every owner of any of the land to which the order relates a notice to the like effect as the notice required to be published under (a) above:
- Provided that (b) above shall not apply if the order relates only to land within the area of a new town.
- (2) The notice required to be published by sub-paragraph (1)(a) above shall be published—
- (a) in the case of such an order as is described in the proviso to sub-paragraph (1) above, and in any other case where service on owners is not effected under (b) of that sub-paragraph, by publishing it in the London Gazette and, in each of two successive weeks, in one or more newspapers circulating in the locality in which the land to which the order relates is situated, and by affixing a copy of the notice, addressed to “the owners and any occupiers” of the land (describing it), to some conspicuous object or objects on the land;
  - (b) where service on owners is effected under (b) of sub-paragraph (1) above, by publishing it in one or more newspapers circulating as aforesaid.
- (3) Publication and, if applicable, service in accordance with the foregoing provisions of this paragraph shall be effected—
- (a) in the case of an order relating only to land within the area of a new town, as soon as may be after the order has been submitted;
  - (b) in any other case, as soon as may be after the order has been submitted and any direction of the Secretary of State as to service on owners under sub-

paragraph (1)(b) above has been given or the Secretary of State has notified the Board or the local highway authority that he does not propose to give such a direction.

- (4) In this paragraph “the first local advertisement”, in relation to a notice, means the first publication of the notice in a newspaper circulating in the locality where the land to which the notice relates is situated, and includes, in relation to a notice so published once only, the publication thereof.
- 5 Subject to the provisions of paragraph 6 below in any case in which those provisions have effect, the Secretary of State may confirm the order with or without modification, but shall not, unless all persons interested consent, so modify it as to extend it to any land which was not designated by the order as submitted.
- 6 (1) If any objection is duly made to the order and is not withdrawn, the following provisions of this paragraph shall have effect.
- For the purposes of this Part of the new towns code an objection shall not be treated as duly made unless—
- (a) it is made within the time and in the manner specified in the notice required by paragraph 4 above, and
  - (b) a statement in writing of the grounds of the objection is comprised in or submitted with the objection.
- (2) Unless the Secretary of State decides apart from the objection not to confirm the order, or decides to make a modification which is agreed to by the objector as meeting the objection, the Secretary of State shall, before making a final decision, consider the grounds of the objection as set out in the statement, and may, if he think fit, require the objector to submit within a specified period a further statement in writing as to any of the matters to which the objection relates.
- (3) In so far as the Secretary of State, after considering the grounds of the objection as set out in the original statement and any such further statement, is satisfied—
- (a) that the objection relates to a matter which can be dealt with in the assessment of compensation, or
  - (b) in the case of an order relating to land within the area of a new town, that the objection is made on the ground that the acquisition is unnecessary or inexpedient,
- the Secretary of State may treat the objection as irrelevant for the purpose of making a final decision.
- (4) If, after considering the grounds of the objection as set out in the original statement and any such further statement, the Secretary of State is satisfied that, for the purpose of making a final decision, he is sufficiently informed as to the matters to which the objection relates, or if, where a further statement has been required, it is not submitted within the specified period, the Secretary of State may make a final decision without further investigation as to those matters.
- (5) Subject to sub-paragraphs (3) and (4) above, the Secretary of State, before making a final decision, shall afford to the objector an opportunity of appearing before and being heard by a person appointed for the purpose by the Secretary of State; and if the person making the objection avails himself of that opportunity, the Secretary of State

shall afford an opportunity of appearing and being heard on the same occasion to the Board or the local highway authority and to any other persons to whom it appears to the Secretary of State to be expedient to afford it.

- (6) Notwithstanding anything in the foregoing provisions of this paragraph, if it appears to the Secretary of State that the matters to which the objection relates are such as to require investigation by public local inquiry before he makes a final decision, he shall cause such an inquiry to be held; and where he determines to cause such an inquiry to be held, any of the requirements of those provisions to which effect has not been given at the time when he so determines shall be dispensed with.
- (7) In this paragraph any reference to making a final decision, in relation to an order, is a reference to deciding whether to confirm the order or what modification, if any, ought to be made.
- 7 As soon as may be after the order has been confirmed the acquiring authority shall publish in one or more newspapers circulating in the locality in which the land thereby designated is situated a notice in the prescribed form describing the land, stating that the order has been confirmed and naming a place where a copy of the order and of the map or maps and any descriptive matter annexed thereto may be seen at any reasonable hour, and shall serve a like notice on—
- (a) any owner or occupier of any of the land thereby designated who, at any time after the publication of the notice of the order as submitted, has sent to the acquiring authority a request in writing to serve him with the notice required by this paragraph giving an address for service and the prescribed particulars of his interest;
  - (b) any person who has duly made an objection to the order and at the time of making it or thereafter has sent to the acquiring authority such a request as aforesaid; and
  - (c) such other persons, if any, as the Secretary of State may specify, whether individually or as members of a class of persons.
- 8 The Secretary of State may by regulations make provision for enabling proceedings required to be taken for the purposes of the foregoing provisions of this Part of the new towns code in relation to an order authorising a compulsory acquisition of land in an area proposed to be designated as the site of a new town by an order a draft of which has been published in accordance with Schedule 1 to the <sup>F5</sup>New Towns Act 1981], to be taken, so far as may be practicable, contemporaneously with the proceedings on the last-mentioned order.

- (2) The said amount, subject to sub-paragraph (3) below, shall be the aggregate of the following amounts, that is to say—
- (a) the amount of any expenditure reasonably incurred in acquiring land, providing apparatus, erecting buildings or doing work for the purposes of any adjustment of the carrying on of the undertaking rendered necessary by the proceeding giving rise to compensation;

- (ii) where no such adjustment is made, such amount as appears reasonable compensation for any estimated decrease in net receipts from the carrying on of the undertaking which is directly attributable to the proceeding giving rise to compensation;
    - (c) where the right to compensation arises under paragraph 44(8) below, and is in respect of the imposition of a requirement to remove apparatus, the amount of any expenditure reasonably incurred by the statutory undertakers in complying with the requirement, reduced by the value after removal of the apparatus removed.
  - (3) Where any such adjustment as is mentioned in sub-paragraph (2)(a) above is made, the aggregate amount mentioned in that sub-paragraph shall be reduced by such amount (if any) as appears to the Lands Tribunal to be appropriate to offset—
    - (a) the estimated value of any property (whether movable or immovable) belonging to the statutory undertakers and used for the carrying on of their undertaking which, in consequence of the adjustment, ceases to be so used, in so far as the value of the property has not been taken into account under sub-paragraph (2)(c) above, and

  - (4) References in this paragraph to a decrease in net receipts shall be construed as references to the amount by which a balance of receipts over expenditure is decreased, or a balance of expenditure over receipts is increased, or where a balance of receipts over expenditure is converted into a balance of expenditure over receipts, as references to the aggregate of the two balances; and references to an increase in net receipts shall be construed accordingly.
  - (5) In this paragraph—
    - “compensation in respect of an acquisition” includes compensation payable in connection with the acquisition for damage sustained by reason of the severing of the land acquired from other land held therewith or otherwise injuriously affecting such other land, and compensation payable for disturbance or any other matter not directly based on the value of the land;
    - “proceeding giving rise to compensation” means the particular action (that is to say, the acquisition, the extinguishment of a right or the imposition of a requirement) in respect of which compensation falls to be assessed, as distinct from any development or project in connection with which that action may have been taken.
- 42 (1) Where statutory undertakers are entitled to compensation in respect of an acquisition of land under the new towns code, the statutory undertakers may by notice in writing under this paragraph elect that the compensation shall be ascertained in accordance with the enactments (other than rule (5) of the rules set out in section 5 of the <sup>M18</sup>Land

- (2) For the purposes of any proceedings arising before the Lands Tribunal in respect of compensation falling to be ascertained as mentioned in sub-paragraph (1) above, the provisions of sections 2 and 4 of the <sup>M19</sup>Land Compensation Act 1961 shall apply as they apply to proceedings on a question referred to the Tribunal under section 1 of that Act, but with the substitution in section 4 of that Act, for references to the acquiring authority, of references to the person from whom the compensation is claimed.

### **PART VII**

#### **PROCEDURE FOR DEALING WITH OBJECTIONS TO ORDERS UNDER PARAGRAPHS 38, 46 AND 48**

- 50 (1) Where the provisions of this Part of the new towns code are to have effect in relation to an objection then, unless the relevant Minister decides apart from the objection not to make the order, or decides to make a modification which is agreed to by the objector as meeting the objection, the relevant Minister shall before making a final decision, consider the grounds of the objection as set out in the statement comprised in or submitted with the objection, and may, if he thinks fit, require the objector to submit within a specified period a further statement in writing as to any of the matters to which the objection relates.
- (2) In so far as the relevant Minister, after considering the grounds of the objection as set out in the original statement and in any such further statement, is satisfied that the objection relates to a matter which can be dealt with in the assessment of compensation, the relevant Minister may treat the objection as irrelevant for the purpose of making a final decision.
- (3) If, after considering the grounds of the objection as set out in the original statement and in any such further statement, the relevant Minister is satisfied that, for the purpose of making a final decision, he is sufficiently informed as to the matters to which the objection relates, or if, where a further statement has been required, it is not submitted within the specified period, the relevant Minister may make a final decision without further investigation as to those matters.
- (4) Subject to sub-paragraphs (2) and (3) above, the relevant Minister, before making a final decision, shall afford to the objector an opportunity of appearing before, and being heard by, a person appointed for the purpose by the relevant Minister; and if the objector avails himself of that opportunity, the relevant Minister shall afford

## SCHEDULE 6

### STAFF OF COUNCIL FOR SMALL INDUSTRIES IN RURAL AREAS

#### *Scope of Schedule*

- 1 This Schedule applies to any person employed by the Council on the day appointed for section 25 of this Act to come into operation who was employed by the Council on work relating wholly or mainly to the Council's activities in Wales for such period preceding that day as may be prescribed by the Secretary of State by regulations under this paragraph.

#### *Terms of employment with the Agency*

- 2 The Agency shall ensure, in the case of any person to whom this Schedule applies who transfers from the employment of the Council to the employment of the Agency, that—
  - (a) so long as he continues in the employment of the Agency and until he is served with a statement in writing specifying new terms and conditions of employment, each such person enjoys terms and conditions of employment not less favourable, taken as a whole, than those which he enjoyed as a member of the staff of the Council immediately before joining the Agency's staff; and
  - (b) the said new terms and conditions are such that, so long as he is engaged in duties reasonably comparable to those in which he was engaged immediately before he joined the Agency's staff, the terms and conditions of his employment, taken as a whole, are not less favourable than those which he then enjoyed.

#### *Compensation to staff of the Council*

- 3 (1) The Secretary of State shall by regulations require the Agency to pay, in such circumstances and to such extent as may be determined by or under the regulations, compensation to or in respect of any person to whom this Schedule applies for

loss of employment or for loss or diminution of emoluments or pension rights in consequence of the events specified in sub-paragraph (2) below.

- (2) The said events are—
- (a) for the purpose of compensation to a person for loss of employment—
    - (i) dismissal of that person from his employment with the Agency in a case where he has transferred to that employment from his employment with the Council; or
    - (ii) dismissal of that person from his employment with the Council in a case where he has remained in the employment of the Council;
  - (b) for the purpose of compensation to a person for loss or diminution of emoluments or pension rights, the variation of the terms or conditions of his employment—
    - (i) with the Agency in a case where he has transferred to that employment from his employment with the Council and has been served with a notice under paragraph 2 above specifying new terms and conditions of his employment which are, taken as a whole, less favourable than those on which he was employed before service of the notice; or
    - (ii) with the Council in a case where he has remained in the employment of the Council.
- 4 Different regulations may be made under paragraph 3 above in relation to different classes of persons, and any such regulations may be so framed as to have effect as from a date prior to the making thereof, so, however, that so much of any regulations as provides that any provision therein is to have effect as from a date earlier than the making thereof shall not place any person other than the Agency in a worse position than he would have been in if the regulations had been made to have effect only as from the date of the making thereof.
- 5 Regulations under paragraph 3 above—
- (a) may prescribe the procedure to be followed in making claims for compensation, and the manner in which and the person by whom the question whether any or what compensation is payable is to be determined, and
  - (b) may apply, with or without modifications, the provisions of any other rules or regulations relating to similar matters.
