For the purposes of this subsection “fund-holding status” has such meaning as may be prescribed.]

- (a) consider whether section 28C arrangements are likely to have an adverse effect on the distribution of medical practitioners providing general medical services or performing personal medical services in England or in Wales;
  - (b) if he thinks that the arrangements are likely to have that effect, consider whether it is necessary to include in the regulations provisions designed to secure that, so far as is possible, the arrangements do not have that effect; and
  - (c) if he thinks that it is necessary, include such provisions in the regulations.
- (6) Regulations which impose conditions on persons performing personal medical services or persons performing personal dental services (whether made by virtue of subsection (2)(b) or otherwise) may, in particular, include provision of a kind that may be made by regulations under section 32.
