S. 1

An Act to provide for payments to be made out of public funds in cases where severe disablement occurs as a result of vaccination against certain diseases or of contact with a person who has been vaccinated against any of those diseases; to make provision in connection with similar payments made before the passing of this Act; and for purposes connected therewith.

[22nd March 1979]

Words of enactment omitted under authority of Statute Law Revision Act 1948 (c. 62), s. 3.

Payments to persons severely disabled by vaccination.

1.——(1) if, on consideration of a claim, the Secretary of State is satisfied—
(a) that a person is, or was immediately before his death, severely disabled as a result of vaccination against any of the diseases to which this Act applies; and
(b) that the conditions of entitlement which are applicable in accordance with section 2 below are fulfilled,

he shall in accordance with this Act make a payment of [the relevant statutory sum] to or for the benefit of that person or to his personal representatives.

[1A In subsection (1) above “statutory sum” means £10,000 or such other sum as is specified by the Secretary of State for the purposes of this Act by order made by statutory instrument with the consent of the Treasury; and the relevant statutory sum for the purposes of that subsection is the statutory sum at the time when a claim for payment is first made.]

(2) The diseases to which this Act applies are—
(a) diphtheria,
(b) tetanus,

(g) tuberculosis,
(h) smallpox, and
(i) any other disease which is specified by the Secretary of State for the purposes of this Act by order made by statutory instrument.

(3) Subject to section 2(3) below, this Act has effect with respect to a person who is severely disabled as a result of a vaccination given to his mother before he was born as if the vaccination had been given directly to him and, in such circumstances as may be prescribed by regulations under this Act, this Act has effect with respect to a person who is severely disabled as a result of contracting a disease through contact with a third person who was vaccinated against it as if the vaccination had been given to him and the disablement resulted from it.

(4) For the purposes of this Act, a person is severely disabled if he suffers disablement to the extent of [60 per cent.] or more, assessed as for the purposes of section 103 of the Social Security Contributions and Benefits Act 1992 or section 103 of the Social Security Contributions and Benefits (Northern Ireland) Act 1992 (disablement gratuity and pension).

[1A No order shall be made by virtue of subsection (1A) above unless a draft of the order has been laid before Parliament and been approved by a resolution of each House.]

(3) In a case where this Act has effect by virtue of section 1(3) above, the reference in subsection (1)(b) above to the person to whom a vaccination was given is a reference to the person to whom it was actually given and not to the disabled person.

(4) With respect to claims made after such date as may be specified in the order and relating to vaccination against such disease as may be so specified, the Secretary of State may by order made by statutory instrument—
(a) provide that, in such circumstances as may be specified in the order, one or more of the conditions of entitlement appropriate to vaccination against that disease need not be fulfilled; or

3.—(1) Any reference in this Act, other than section 7, to a claim is a reference to a claim for a payment under section 1(1) above which is made—

(b) in the manner prescribed by regulations under this Act; and

(2) As soon as practicable after he has received a claim, the Secretary of State shall give notice in writing to the claimant of his determination whether he is satisfied that a payment is due under section 1(1) above to or for the benefit of the disable person or to his personal representatives.

(3) If the Secretary of State is not satisfied that a payment is due as mentioned in subsection (2) above, the notice in writing under that subsection shall state the grounds on which he is not so satisfied.

(4) If, in the case of any claim, the Secretary of State—
(a) is satisfied that the conditions of entitlement which are applicable in accordance with section 2 above are fulfilled, but
(b) is not satisfied that the disabled person is or, where he has died, was immediately before his death severely disabled as a result of vaccination against any of the diseases to which this Act applies,

the notice in writing under subsection (2) above shall inform the claimant [of the right of appeal conferred by section 4 below.]

(5) If in any case a person is severely disabled, the question whether his severe disablement results from vaccination against any of the diseases to which this Act applies shall be determined for the purposes of this Act on the balance of probability.

Decisions reversing earlier decisions.

[3A—(1) Subject to subsection (2) below, any decision of the Secretary of State under section 3 above or this section, and any decision of [a tribunal] under section 4 below, may be reversed by a decision made by the Secretary of State—
(a) either within the prescribed period or in prescribed cases or circumstances; and
(b) either on an application made for the purpose or on his own initiative.

(2) In making a decision under subsection (1) above, the Secretary of State need not consider any issue that is not raised by the application or, as the case may be, did not cause him to act on his own initiative.

(3) Regulations may prescribe the procedure by which a decision may be made under this section.

(4) Such notice as may be prescribed by regulations shall be given of a decision under this section.

(5) Except as provided by section 5(4) below, no payment under section 1(1) above shall be recoverable by virtue of a decision under this section.
