Protection of scheduled monuments

1 Schedule of monuments.

(1) [F3Historic Environment Scotland] shall compile and maintain for the purposes of this Act (in such form as [F3it] thinks fit) a schedule of monuments (referred to below in this Act as “the Schedule”).

(2) The Secretary of State shall on first compiling the Schedule include therein—

(a) any monument included in the list last published before the commencement of this Act under section 12 of the [M1Ancient Monuments Consolidation and Amendment Act 1913]; and

(b) any monument in respect of which the Secretary of State has before the commencement of this Act served notice on any person in accordance with section 6(1) of the [M2Ancient Monuments Act 1931] of his intention to include it in a list to be published under section 12.

(3) Subject to subsection (4) below, [F3Historic Environment Scotland] may on first compiling the Schedule or at any time thereafter include therein any monument which appears to [F3it] to be of national importance.

[F8The Secretary of State shall consult the Historic Buildings and Monuments Commission for England (in this Act referred to as “the Commission”) before he includes in the Schedule a monument situated in England.]

(4) The power of [F3Historic Environment Scotland] under subsection (3) above to include any monument in the Schedule does not apply to any structure which is occupied as a dwelling house by any person other than a person employed as the caretaker thereof or his family.

(5) [F3Historic Environment Scotland] may—

(a) exclude any monument from the Schedule; or

(b) amend the entry in the Schedule relating to any monument (whether by excluding anything previously included as part of the monument or adding anything not previously so included, or otherwise).
In the case of a monument situated in England, the Secretary of State shall consult with the Commission before he makes an exclusion or amendment.

Section 1AA makes provision about consultation by the Welsh Ministers on proposals to include or exclude a monument or to make a material amendment in relation to a scheduled monument.

Where Historic Environment Scotland—

- includes a monument in the Schedule under subsection (3),
- amends the entry in the Schedule relating to a monument, or
- excludes a monument from the Schedule,

it must notify such persons as may be prescribed in such form and manner, and within such time, as may be prescribed of the action taken.

Subsection (6) above shall not apply as regards a monument situated in England but, as soon as may be after acting as mentioned in paragraph (a), (b) or (c) of that subsection as regards such a monument, the Secretary of State shall inform the Commission of the action taken and, in a case falling within paragraph (a) or (b) of that subsection, shall also send to the Commission a copy of the entry or (as the case may be) of the amended entry in the Schedule relating to that monument.

As soon as may be after making a material amendment of the kind described in section 1AA(5) in relation to a monument identified in the Schedule by reference to a map, the Welsh Ministers must—

- inform the owner and (if the owner is not the occupier) the occupier of the monument, and any local authority in whose area the monument is situated, of the action taken; and
- send to those persons a copy of the amended map.

Section 1AE(2) makes further provision about information that the Welsh Ministers must provide after making certain amendments in relation to the Schedule.

Subject to subsection (7A) below] The Secretary of State shall from time to time publish a list of all the monuments which are for the time being included in the Schedule, whether as a single list or in sections containing the monuments situated in particular areas; but in the case of a list published in sections, all sections of the list need not be published simultaneously.

Subsection (7) above shall not apply as regards monuments situated in England, but the Secretary of State shall from time to time supply the Commission with a list of all the monuments which are so situated and are for the time being included in the Schedule, whether as a single list or in sections containing the monuments situated in particular areas; but in the case of a list supplied in sections, all sections of the list need not be supplied simultaneously.

The Secretary of State may from time to time publish amendments of any list published under subsection (7) above, and any such list (as amended) shall be evidence of the inclusion in the Schedule for the time being—

- of the monuments listed; and
- of any matters purporting to be reproduced in the list from the entries in the Schedule relating to the monuments listed.

The Secretary of State shall from time to time supply the Commission with amendments of any list supplied under subsection (7A) above.
(9) An entry in the Schedule recording the inclusion therein of a monument situated in England and Wales shall be a local land charge.

(10) It shall be competent to record in the Register of Sasines—

(a) a certified copy of the entry or (as the case may be) the amended entry in the Schedule relating to any monument in Scotland which is heritable; and

(b) where any such monument is excluded from the Schedule and a certified copy of the entry in the Schedule relating to it has previously been so recorded under paragraph (a) above, a certificate issued by or on behalf of [Historic Environment Scotland] stating that it has been so excluded.

(2) Subsection (1) above does not apply to a scheduled monument consent which provides that it shall cease to have effect at the end of a period specified therein.

(3) [If it appears to Historic Environment Scotland that it is expedient to modify or revoke a scheduled monument consent, it may by order under this section modify or revoke the consent to such extent as it considers expedient.]

(4) [The power conferred by subsection (3) to modify or revoke a scheduled monument consent in relation to any works may be exercised at any time before those works have been completed, but the modification or revocation does not affect so much of those works as has been previously carried out.]

   (b) where the owner is not the occupier of the monument, the occupier, and
   (c) any other person who in their opinion will be affected by the order.

(4) The notice must specify the period (which must not be less than 28 days after its service) within which any person on whom it is served may require an opportunity of appearing before and being heard by a person appointed by the Scottish Ministers for the purpose.

(5) If within that period a person on whom the notice is served so requires, the Scottish Ministers must, before they make the order, give such an opportunity both to that person and to Historic Environment Scotland.

(6) The power conferred by this section to modify or revoke a scheduled monument consent in relation to any works may be exercised at any time before those works have been completed, but the modification or revocation does not affect so much of those works as has been previously carried out.

[F66A  Commission’s powers of entry in relation to scheduled monuments.

(1) Any person duly authorised in writing by the Commission may at any reasonable time enter any land in England for the purpose of inspecting any scheduled monument in, on or under the land with a view to ascertaining whether any works affecting the monument have been or are being carried out in contravention of section 2(1) of this Act and so to enabling the Commission to decide whether to institute proceedings in England for an offence under section 2(1).

(2) Any person duly authorised in writing by the Commission may at any reasonable time enter any land in England for the purpose of—

(a) observing the execution on the land of any works to which a scheduled monument consent relates; and

(b) inspecting the condition of the land and the scheduled monument in question after the completion of any such works,

with a view to ascertaining whether the works in question are or have been executed in accordance with the terms of the consent and of any conditions attached to the consent, and so to enabling the Commission to decide whether to institute proceedings in England for an offence under section 2(1) or (6) of this Act.

(3) Any person duly authorised in writing by the Commission may at any reasonable time enter any land in England for the purpose of inspecting any scheduled monument in, on or under the land in connection with any consultation made in respect of the monument under section 4(3) of this Act or paragraph 3(3)(c) of Schedule 1 to this Act.

(4) Any person duly authorised in writing by the Commission may enter any land which is in England and in, on or under which a scheduled monument is situated, with the consent of the owner and (if the owner is not the occupier) of the occupier of the land, for the purpose of erecting and maintaining on or near the site of the monument such notice boards and marker posts as appear to the Commission to be desirable with a view to preserving the monument from accidental or deliberate damage.

(5) References in this section to scheduled monument consent include references to consent granted by order under section 3 of this Act.]
7 Compensation for refusal of scheduled monument consent.

(1) Subject to the following provisions of this section, where a person who has an interest in the whole or any part of a monument incurs expenditure or otherwise sustains any loss or damage in consequence of the refusal, or the granting subject to conditions, of a scheduled monument consent in relation to any works of a description mentioned in subsection (2) below, Historic Environment Scotland or, where the Scottish Ministers refused the scheduled monument consent or granted it subject to conditions, Ministers or (where the monument in question is situated in England) the Commission shall pay to that person compensation in respect of that expenditure, loss or damage.

References in this section and in section 8 of this Act to compensation being paid in respect of any works are references to compensation being paid in respect of any expenditure incurred or other loss or damage sustained in consequence of the refusal, or the granting subject to conditions, of a scheduled monument consent in relation to those works.

(2) The following are works in respect of which compensation is payable under this section—

(a) works which are reasonably necessary for carrying out any development for which planning permission had been granted (otherwise than by a general development order) before the time when the monument in question became a scheduled monument and was still effective at the date of the application for scheduled monument consent;

(b) works which do not constitute development, or constitute development such that planning permission is granted therefor by a general development order; and

(c) works which are reasonably necessary for the continuation of any use of the monument for any purpose for which it was in use immediately before the date of the application for scheduled monument consent.

For the purposes of paragraph (c) above, any use in contravention of any legal restrictions for the time being applying to the use of the monument shall be disregarded.

(3) The compensation payable under this section in respect of any works within subsection (2)(a) above shall be limited to compensation in respect of any expenditure incurred or other loss or damage sustained by virtue of the fact that, in consequence of Historic Environment Scotland's or, as the case may be, the Scottish Ministers' decision, any development for which the planning permission in question was granted could not be carried out without contravening section 2(1) of this Act.

(4) A person shall not be entitled to compensation under this section by virtue of subsection (2)(b) above if the works in question or any of them would or might result in the total or partial demolition or destruction of the monument, unless those works consist solely of operations involved in or incidental to the use of the site of the monument for the purposes of agriculture or forestry (including afforestation).

(5) In a case where scheduled monument consent is granted subject to conditions, a person shall not be entitled to compensation under this section by virtue of subsection (2)(c) above unless compliance with those conditions would in effect make it impossible to use the monument for the purpose there mentioned.
(6) In calculating, for the purposes of this section, the amount of any loss or damage consisting of depreciation of the value of an interest in land—
   (a) it shall be assumed that any subsequent application for scheduled monument consent in relation to works of a like description would be determined in the same way; but
   (b) if, in the case of a refusal of scheduled monument consent, [F70 Historic Environment Scotland or, as the case may be, the Scottish Ministers], on refusing that consent, undertook to grant such consent for some other works affecting the monument in the event of an application being made in that behalf, regard shall be had to that undertaking.

(7) References in this section to a general development order are references to a development order made as a general order applicable (subject to such exceptions as may be specified therein) to all land.

8 Recovery of compensation under section 7 on subsequent grant of consent.

(1) Subject to the following provisions of this section, this section applies—
   (a) in a case where compensation under section 7 of this Act was paid in consequence of the refusal of a scheduled monument consent, if the Secretary of State [F71 or Historic Environment Scotland] subsequently grants scheduled monument consent for the execution of all or any of the works in respect of which the compensation was paid; and
   (b) in a case where compensation under that section was paid in consequence of the granting of a scheduled monument consent subject to conditions, if the Secretary of State [F71 or Historic Environment Scotland] subsequently so modifies that consent that those conditions, or any of them, cease to apply to the execution of all or any of the works in respect of which the compensation was paid or grants a new consent in respect of all or any of those works free from those conditions, or any of them.

(2) This section does not apply in any case unless—
   (a) the compensation paid exceeded £20; and
   [F72(b) the requirement mentioned in subsection (2A) below is fulfilled]

[F73(2A) The requirement is that—
   (a) where the monument in question is situated in England, the Commission have caused notice of the payment of compensation to be deposited with the council]
of each district or London borough in which the monument is situated or (where it is situated in the City of London, the Inner Temple or the Middle Temple) with the Common Council of the City of London;

(b) where the monument in question is situated in Scotland, the Secretary of State [F74 or Historic Environment Scotland] has caused such notice to be deposited with the local authority of each area in which the monument is situated;

(c) where the monument in question is situated in Wales, the Secretary of State has caused such notice to be deposited with the council of each [F75 county or county borough] in which the monument is situated.

(3) In granting or modifying a scheduled monument consent in a case to which this section applies the Secretary of State [F76 or Historic Environment Scotland] may do so on terms that no works in respect of which the compensation was paid are to be executed in pursuance of the consent until the recoverable amount has been repaid to the Secretary of State [F76 or Historic Environment Scotland] or secured to his [F77 or its] satisfaction [F78 or (as the case may be) has been repaid to the Commission or secured to their satisfaction].

Subject to subsection (4) below, in this subsection “the recoverable amount” means such amount (being an amount representing the whole of the compensation previously paid or such part thereof as the Secretary of State [F76 or Historic Environment Scotland] thinks fit) as the Secretary of State [F76 or Historic Environment Scotland] may specify in giving notice of his [F77 or its] decision on the application for scheduled monument consent or (as the case may be) in the direction modifying the consent.

(4) Where a person who has an interest in the whole or any part of a monument is aggrieved by the amount specified by the Secretary of State [F79 or Historic Environment Scotland] as the recoverable amount for the purposes of subsection (3) above, he may require the determination of that amount to be referred to the [F80 Upper Tribunal or (in the case of a monument situated in Scotland) to the Lands Tribunal for Scotland]; and in any such case the recoverable amount for the purposes of that subsection shall be such amount (being an amount representing the whole or any part of the compensation previously paid) as that Tribunal may determine to be just in the circumstances of the case.

(5) A notice deposited under subsection (2)(b) above shall specify the decision which gave rise to the right to compensation, the monument affected by the decision, and the amount of the compensation.

(6) A notice so deposited in the case of a monument situated in England and Wales shall be a local land charge; and for the purposes of the [M3 Local Land Charges Act 1975] the council with whom any such notice is deposited shall be treated as the originating authority as respects the charge thereby constituted.

(7) A notice so deposited in the case of any monument situated in Scotland which is heritable may be recorded in the Register of Sasines.

Compensation where works affecting a scheduled monument cease to be authorised.

(1) Subject to the following provisions of this section, where any works affecting a scheduled monument which were previously authorised under this Part of this Act cease to be so, then, if any person who has an interest in the whole or any part of the monument—

(a) has incurred expenditure in carrying out works which are rendered abortive by the fact that any further works have ceased to be so authorised; or

(b) has otherwise sustained loss or damage which is directly attributable to that fact;

the Secretary of State [F81 or Historic Environment Scotland][F82] or (where the monument in question is situated in England) the Commission] shall pay to that person compensation in respect of that expenditure, loss or damage.

(2) Subsection (1) above only applies where the works cease to be authorised under this Part of this Act—

(b) by virtue of the modification or revocation of a scheduled monument consent by a direction given under section 4 of this Act; or

(c) in accordance with paragraph 8 of Schedule 1 to this Act, by virtue of the service of a notice of proposed modification or revocation of a scheduled monument consent under paragraph 5 of that Schedule.

(4) For the purposes of this section, any expenditure incurred in the preparation of plans for the purposes of any works, or upon other similar matters preparatory thereto, shall be taken to be included in the expenditure incurred in carrying out those works.

(5) Subject to subsection (4) above, no compensation shall be paid under this section in respect of any works carried out before the grant of the scheduled monument consent in question, or in respect of any other loss or damage (not being loss or damage consisting of depreciation of the value of an interest in land) arising out of anything done or omitted to be done before the grant of that consent.

(b) the owner of the scheduled monument or the owner of land adjoining or in the vicinity of the scheduled monument.

(3) The Welsh Ministers must by regulations make provision—
   (a) about the consultation that must take place before a heritage partnership agreement is made or varied;

9ZC  Scheduled monument enforcement notice

(1) This section applies where it appears to the Welsh Ministers that works affecting a scheduled monument situated in Wales or land in, on or under which there is such a scheduled monument have been or are being carried out in contravention of section 2(1) or (6).

(2) The Welsh Ministers may issue a notice under this section (referred to in this Part as a “scheduled monument enforcement notice”) if, having regard to the effect of the works on the monument as one of national importance, they consider that it is expedient to do so.

(3) A scheduled monument enforcement notice must be in writing and must specify—
   (a) the date on which the notice takes effect (see subsection (4));
   (b) the alleged contravention;
   (c) where the Welsh Ministers require works to cease, the works concerned and the period within which the Welsh Ministers require them to cease; and
   (d) where the Welsh Ministers require steps of a kind referred to in subsection (5) to be taken, the steps concerned and the period within which the Welsh Ministers require them to be taken.

(4) A scheduled monument enforcement notice takes effect on the date specified in the notice for the purposes of subsection (3)(a); and the date so specified must be at least 28 days after the date on which the notice is served in accordance with section 9ZD.

(5) The steps mentioned in subsection (3)(d) are—
   (a) steps for restoring the monument or land to its former state;
   (b) if the Welsh Ministers consider restoration would not be practicable or desirable, steps for executing such further works as they consider are required to alleviate in a manner acceptable to them the effect of the works carried out without scheduled monument consent;
   (c) if scheduled monument consent for the works has been granted, steps for bringing the monument or land to the state it would have been in if the conditions of the consent had been complied with.

(6) A scheduled monument enforcement notice may specify different periods for different works or different steps.

(7) Where works of the kind mentioned in subsection (5)(b) are carried out, scheduled monument consent is to be treated as having been granted in respect of the works.

9ZD  Scheduled monument enforcement notice: supplementary provision

(1) A copy of a scheduled monument enforcement notice must be served on—
   (a) the owner of the monument or land concerned;
   (b) if the owner is not the occupier, the occupier;
   (c) if the monument or land is let but the lessee is not the occupier, the lessee; and
   (d) every other person with an interest in the monument or land which is, in the opinion of the Welsh Ministers, materially affected by the notice.

(2) The Welsh Ministers may at any time withdraw a scheduled monument enforcement notice; but that does not affect the power to issue another notice under section 9ZC.
(3) The Welsh Ministers may at any time waive or relax any requirement imposed by a scheduled monument enforcement notice (including the length of a period specified in the notice for the purposes of section 9ZC(3)(c) or (d)).

(4) The Welsh Ministers must, immediately after exercising the power under subsection (2) or (3), give notice of the exercise of the power to every person who has been served with a copy of the notice under subsection (1) (or who would be if the notice were to be reissued).

(5) The Welsh Ministers—

(a) must publish by electronic means a list containing particulars of each monument in respect of which a scheduled monument enforcement notice has effect; and

(b) must, on request, provide a copy of a scheduled monument enforcement notice the particulars of which are contained in the list.

9ZE Scheduled monument enforcement notice: appeal

(1) A person on whom a scheduled monument enforcement notice is served, or any other person with an interest in the monument or land concerned, may appeal to a magistrates' court against the notice.

(2) An appeal under this section must be brought before the date specified in the notice for the purposes of section 9ZC(3)(a).

(3) An appeal under this section may be brought on any of the following grounds—

(a) that the matters alleged to constitute the contravention specified for the purposes of section 9ZC(3)(b) have not occurred;

(b) that those matters, in so far as they have occurred, do not constitute a contravention of section 2(1) or (6);

(c) that works to the monument or land were urgently necessary in the interests of safety or health and that—

(i) it was not practicable to secure safety or health by works of repair or works for affording temporary support or shelter;

(ii) the works carried out were limited to the minimum measures immediately necessary; and

(iii) written notice justifying in detail the need for the works was given to the Welsh Ministers as soon as reasonably practicable;

(d) that a copy of the notice was not served as required by section 9ZD;

(e) that a period specified for the purposes of section 9ZC(3)(c) or (d) falls short of what should reasonably be allowed.

(4) Where an appeal under this section is brought, the notice is of no effect until the appeal is finally determined or withdrawn.

(5) On an appeal under this section, a magistrates' court may uphold the notice or quash it.

(6) The court may uphold a notice even if copies of it have not been served in accordance with section 9ZD if the court is satisfied that no person on whom a copy should have been, but was not, served has been substantially prejudiced by the failure.
9ZF  Scheduled monument enforcement notice: power of entry

(1) A person duly authorised in writing by the Welsh Ministers may at any reasonable time enter any land for any of the following purposes?—
   (a) ascertaining whether a scheduled monument enforcement notice should be served;
   (b) securing that a scheduled monument enforcement notice is affixed for the purposes of service in accordance with section 56(2)(b);
   (c) ascertaining whether a scheduled monument enforcement notice has been complied with.

(2) If steps specified in a scheduled monument enforcement notice for the purposes of section 9ZC(3)(d) have not been taken within the period so specified, a person duly authorised by the Welsh Ministers may—
   (a) at any reasonable time enter the land in, on or under which the monument is situated and take the steps concerned; and
   (b) recover from the person who is then the owner or lessee of the monument or land expenses incurred by them in doing so.

(3) The liability under subsection (2)(b) of a person who is the owner of a monument or land merely by virtue of being entitled to receive the rack rent as trustee for another person is limited to the total amount of money the person has or has had by virtue of that entitlement.

(4) Where, on a claim by the owner of a scheduled monument or land, it appears to a magistrates’ court that the occupier of the monument or land is preventing the owner from carrying out the work required by a scheduled monument enforcement notice, the court may by warrant authorise the owner to enter the land and carry out the work.

9ZG  Failure to comply with scheduled monument enforcement notice

(1) This section applies where after the end of a period specified in a scheduled monument enforcement notice for the purposes of section 9ZC(3)(c) or (d)—
   (a) the works specified as being required to cease have not ceased; or
   (b) the steps specified as being required to be taken have not been taken.

(2) The person who is for the time being owner of the scheduled monument or of the land in, on or under which it is situated is in breach of the notice.

(3) If the owner of a monument or land is in breach of a scheduled monument enforcement notice, the owner is guilty of an offence.

(4) An offence under this section may be charged by reference to a day or to some longer period; accordingly, a person may, in relation to the same scheduled monument enforcement notice, be convicted of more than one offence under this section by reference to different periods.

(5) In proceedings against a person for an offence under this section, it is a defence for the person to prove that the person did everything the person could be expected to do to secure that—
   (a) in a case concerning works required to cease, the works did cease; or
   (b) in a case concerning steps required to be taken, the steps were taken.
(6) In proceedings against a person for an offence under this section, it is a defence for the person to prove that the person did not know, and could not reasonably have been expected to know, of the existence of the scheduled monument enforcement notice.

(7) A person guilty of an offence under this section is liable on summary conviction, or on conviction on indictment, to a fine.

(8) In determining the amount of a fine to be imposed on a person convicted under this section, the court must in particular have regard to any financial benefit which has accrued or appears likely to accrue to the person in consequence of the execution of the works to which the scheduled monument enforcement notice relates.

9ZH  Effect of scheduled monument consent on notice

(1) This section applies if, after the issue of a scheduled monument enforcement notice, consent is granted under section 2(3A)—
   (a) for the retention of any work to which the notice relates; or
   (b) permitting the retention of works without complying with a condition subject to which a previous scheduled monument consent was granted.

(2) The notice ceases to have effect in so far as it—
   (a) requires the work or works to cease;
   (b) requires steps to be taken involving the works not being retained; or
   (c) requires steps to be taken for complying with that condition.

9ZI  Temporary stop notice

(1) This section applies where it appears to the Welsh Ministers that works affecting a scheduled monument situated in Wales or land in, on or under which there is such a scheduled monument have been or are being carried out in contravention of section 2(1) or (6).

(2) The Welsh Ministers may issue a notice under this section (referred to in this Part as a “temporary stop notice”) if, having regard to the effect of the works on the monument as one of national importance, they consider that it is expedient that the works are stopped immediately (or that part of them is).

(3) A temporary stop notice must be in writing and must—
   (a) specify the works in question;
   (b) prohibit execution of the works (or so much of them as is specified in the notice);
   (c) set out the Welsh Ministers' reasons for issuing the notice; and
   (d) include a statement of the effect of section 9ZK.
(4) A temporary stop notice may be served on a person who appears to the Welsh Ministers—
   (a) to be carrying out the works or causing them to be carried out; or
   (b) to have an interest in the monument or land.

(5) The Welsh Ministers must display a copy of the notice on the monument or land (except where doing so might damage the monument, in which case it is sufficient to display the notice in a prominent position as close to the monument or land as is reasonably practicable); and the copy must specify the date on which it is first displayed.

(6) A temporary stop notice takes effect when the copy of it is first displayed in accordance with subsection (5).

(7) A temporary stop notice ceases to have effect—
   (a) at the end of the period of 28 days beginning with the day on which the copy of it is first displayed in accordance with subsection (5); or
   (b) if the notice specifies a shorter period beginning with that day, at the end of that period.

(8) But if the Welsh Ministers withdraw the notice before the time when it would otherwise cease to have effect under subsection (7), the notice ceases to have effect on its withdrawal.

(9) The Welsh Ministers may not issue a subsequent temporary stop notice in relation to the same works unless they have, since issuing the previous notice, taken other enforcement action in relation to the contravention referred to in subsection (1).

(10) The reference in subsection (9) to taking other enforcement action includes a reference to obtaining an injunction under section 9ZM.

9ZJ Temporary stop notice: power of entry

A person duly authorised in writing by the Welsh Ministers may at any reasonable time enter any land for any of the following purposes?—
   (a) ascertaining whether a temporary stop notice should be served;
   (b) securing the display of a temporary stop notice or securing that it is affixed for the purposes of service in accordance with section 56(2)(b);
   (c) ascertaining whether a temporary stop notice has been complied with;
   (d) considering a claim for compensation under section 9ZL.

9ZK Temporary stop notice: offence

(1) A person is guilty of an offence if the person contravenes, or causes or permits a contravention of, a temporary stop notice—
   (a) which has been served on the person; or
   (b) a copy of which has been displayed in accordance with section 9ZI(5).

(2) An offence under this section may be charged by reference to a day or to some longer period; accordingly, a person may, in relation to the same temporary stop notice, be convicted of more than one offence under this section by reference to different periods.
(3) In proceedings against a person for an offence under this section, it is a defence for the person to prove that the person did not know, and could not reasonably have been expected to know, of the existence of the temporary stop notice.

(4) In proceedings against a person for an offence under this section, it is a defence for the person to prove—
   (a) that the works were urgently necessary in the interests of safety or health; and
   (b) that notice in writing of the need for the works was given to the Welsh Ministers as soon as reasonably practicable.

(5) A person guilty of an offence under this section is liable on summary conviction, or on conviction on indictment, to a fine.

(6) In determining the amount of a fine to be imposed on a person convicted under this section, the court must in particular have regard to any financial benefit which has accrued or appears likely to accrue to the person in consequence of the offence.

9ZL Temporary stop notice: compensation

(1) A person who, on the day when a temporary stop notice is first displayed in accordance with section 9ZI(5), has an interest in the monument or land concerned is, on making a claim to the Welsh Ministers within the prescribed time and manner, entitled to be paid compensation by them in respect of any loss or damage directly attributable to the effect of the notice.

(2) But subsection (1) applies only if—
   (a) the works specified in the notice do not contravene section 2(1) or (6); or
   (b) the Welsh Ministers withdraw the notice other than following the grant of scheduled monument consent, after the day mentioned in subsection (1), which authorises the works.

(3) The loss or damage in respect of which compensation is payable under this section includes a sum payable in respect of a breach of contract caused by the taking of action necessary to comply with the notice.

(4) No compensation is payable under this section in the case of loss or damage suffered by a claimant if—
   (a) the claimant was required to provide information under section 57, and
   (b) the loss or damage could have been avoided if the claimant had provided the information or otherwise co-operated with the Welsh Ministers when responding to the notice.

9H  Stop notices: supplementary provisions

(1) A stop notice ceases to have effect when—
   (a) the scheduled monument enforcement notice to which it relates is withdrawn or quashed,
   (b) the period for compliance expires, or
   (c) notice of the withdrawal of the stop notice is served under section 9G(7), whichever occurs first.

(2) Where a requirement of the scheduled monument enforcement notice to which a stop notice relates is waived or relaxed by virtue of section 9B(5) so that the scheduled monument enforcement notice no longer relates to any relevant works, the stop notice ceases to have effect in relation to those works.

(3) Where a stop notice has been served in respect of a scheduled monument [Historic Environment Scotland] may publicise it by displaying on the land in, on or under which the monument is situated or on the monument (except where doing so might damage it) a notice (in this section and in sections 6 and 9J referred to as a “site notice”)—
   (a) stating that a stop notice has been served on a particular person or persons,
   (b) indicating its requirements, and
   (c) stating that any person contravening it may be prosecuted for an offence under section 9J.

(4) A stop notice is not invalid by reason that a copy of the scheduled monument enforcement notice to which it relates was not served as required by section 9B if it is shown that [Historic Environment Scotland] took all such steps as were reasonably practicable to effect proper service.
Power of the Scottish Ministers to serve stop notice

(1) If it appears to the Scottish Ministers that it is expedient that a stop notice should be served in respect of any monument or land in, on or under which there is a scheduled monument, they may serve such a notice under section 9G.

(2) A stop notice served by the Scottish Ministers has the same effect as if it had been served by Historic Environment Scotland.

(3) The Scottish Ministers must not serve such a notice without consulting Historic Environment Scotland.

(4) The provisions of this Act relating to stop notices apply, so far as relevant, to a stop notice served by the Scottish Ministers as they apply to a stop notice served by Historic Environment Scotland, but with the substitution for any reference to Historic Environment Scotland of a reference to the Scottish Ministers, and any other necessary modifications.

Compensation for loss due to stop notice

(1) Where a stop notice ceases to have effect a person who, when the notice is first served, has an interest (whether as owner or occupier or otherwise) in the scheduled monument to which the notice relates or the land in, on or under which the monument is situated is entitled to be compensated by [Historic Environment Scotland] in respect of any loss or damage falling within subsection (2).

(2) That is loss or damage directly attributable to—
   (a) the prohibition contained in the stop notice, or
   (b) in a case within subsection (3)(b), the prohibition of such of the works prohibited by the stop notice as cease to be relevant works.

(3) For the purposes of this section, a stop notice ceases to have effect when—
   (a) the scheduled monument enforcement notice is quashed,
   (b) a requirement of the scheduled monument enforcement notice is waived or relaxed by virtue of section 9B(5) so that any works the execution of which are prohibited by the stop notice cease to be relevant works,
   (c) the scheduled monument enforcement notice is withdrawn by [Historic Environment Scotland] otherwise than in consequence of the grant by [it] of scheduled monument consent for the works to which the notice relates, or
   (d) the stop notice is withdrawn.
(4) The loss or damage in respect of which compensation is payable under this section in respect of a prohibition includes any sum payable in respect of a breach of contract caused by the taking of action necessary to comply with the prohibition.

(5) No compensation is payable under this section—
   (a) in respect of the prohibition in a stop notice of any works which, at any time when the notice is in force, are such as to involve a contravention of section 2(1) or (6), or
   (b) in the case of a claimant who was required to provide information under section 57 (power to require information as to interests in land) in respect of any loss or damage suffered by the claimant which could have been avoided if the claimant had provided the information or had otherwise co-operated with [Historic Environment Scotland] when responding to the notice.

(a) for the purpose of inspecting the site (including any buildings or other structures on the site) with a view to recording any matters of archaeological or historical interest and determining whether it would be desirable to carry out any excavations in the site; and

(b) for the purpose of observing any operations carried out on the site with a view to examining and recording any objects or other material of archaeological or
historical interest, and recording any matters of archaeological or historical interest, discovered during the course of those operations.

(2) Where—

(a) an operations notice is served with respect to any operations; and

(b) the investigating authority for the area of archaeological importance in which the site of the operations is situated serves notice in accordance with subsection (3) below of its intention to excavate the site;

the investigating authority shall have a right to carry out excavations in the site for the purpose of archaeological investigation at any time during the period allowed for excavation in accordance with subsection (4) below.

(3) The investigating authority shall only have a right to excavate the site of any operations in accordance with subsection (2) above if before the end of the period of four weeks beginning with the date of service of the operations notice the authority—

(a) serves notice in the prescribed form of its intention to excavate on the developer; and

(b) serves a copy of that notice on any council (in England and Wales) or local authority (in Scotland) served with the operations notice and also (unless the functions of the investigating authority are for the time being exercisable by the Secretary of State) on the Secretary of State.

and

(c) where the site in question is situated in England, serves a copy of that notice on the Commission (unless the investigating authority is for the time being the Commission).

(4) The period allowed for excavation under subsection (2) above is the period of four months and two weeks beginning—

(a) with the date immediately following the end of the period of six weeks beginning with the date of service of the operations notice; or

(b) where the operations specified in the operations notice are to be carried out after clearance of the site, with the date of receipt of the notification of clearance of the site required under section 35(7) of this Act or with the date first mentioned in paragraph (a) above (whichever last occurs); or

(c) with any earlier date agreed between the investigating authority and the developer.

(5) Where—

(a) the investigating authority has served notice of its intention to excavate the site in accordance with subsection (3) above; and

(b) the period of six weeks beginning with the date of service of the operations notice has expired;

the investigating authority shall have a right to carry out excavations in the site for the purpose of archaeological investigation notwithstanding that the period allowed for excavation in accordance with subsection (4) above has not yet begun, but only if the authority does not thereby obstruct the execution on the site by the developer of clearance operations or any other operations to which section 35 of this Act does not apply.

(6) The investigating authority may at any reasonable time enter the site and any land giving access to the site for the purpose of exercising a right to excavate the site in accordance with subsection (2) or (5) above.
(7) If operations to which the operations notice relates are carried out on the site at a time when the investigating authority has a right to excavate the site in accordance with subsection (2) or (5) above section 35 of this Act shall have effect in relation to those operations as if the operations notice had not been served (subject, however, to any exemption or defence conferred by or under section 37 of this Act).

(8) The Secretary of State may at any time direct—
   (a) that an investigating authority shall comply with any conditions specified in the direction in exercising any of its powers under the preceding provisions of this section in relation to any site; or
   (b) that any such power shall cease to be exercisable by an investigating authority in relation to the whole or any part of any site;

   (b) any council (in England and Wales) or local authority (in Scotland) served with the operations notice in question;
   (c) the developer; and
   (d) any person other than the developer by whom the certificate accompanying the operations notice in accordance with section 35(4)(b) of this Act was issued;
and on varying or revoking any such direction the Secretary of State shall notify the same persons (giving particulars of the effect of any variation).

[F300] On giving a direction under subsection (8) above in relation to a site situated in England the Secretary of State shall send a copy of the direction to the Commission (if the investigating authority is not the Commission).

(10) On varying or revoking a direction given under subsection (8) above in relation to a site situated in England the Secretary of State shall notify the Commission (giving particulars of the effect of any variation) if the investigating authority is not the Commission.

39 Power of investigating authority to investigate in advance of operations notice any site which may be acquired compulsorily.

(1) If an authority possessing compulsory purchase powers notifies the investigating authority for any area of archaeological importance that it proposes to carry out, or to authorise someone else to carry out, on any site in the area, any operations of a description mentioned in section 35(2) of this Act (other than exempt operations), the investigating authority shall thereupon have a right to enter, at any reasonable time, the
site and any land giving access to the site, for the purpose mentioned in section 38(1) (a) of this Act.

In this subsection “exempt operations” means operations excluded from the application of section 35 by an order under section 37 of this Act.

(2) The right of an investigating authority to enter any site by virtue of subsection (1) above shall cease at the end of the period of one month beginning with the day on which it is first exercised.

(3) Section 38(8) of this Act shall apply in relation to the power of entry under this section as it applies in relation to the powers of an investigating authority under that section.

(4) Section 38(9) of this Act shall not apply in relation to a direction under section 38(8) with respect to the exercise of the power of entry under this section, but on giving any such direction the Secretary of State shall serve a copy of the direction on each of the following persons, that is to say—

(a) the investigating authority;  
(b) the authority possessing compulsory purchase powers; and  
(c) the owner and (if the owner is not the occupier) the occupier of the site in question;  
(d) where the site in question is situated in England, the Commission (if the investigating authority is not the Commission);  

and on varying or revoking any such direction the Secretary of State shall notify the same persons (giving particulars of the effect of any variation).

(5) In this section “authority possessing compulsory purchase powers” means any person or body of persons who could be or have been authorised to acquire an interest in land compulsorily.

### Other powers of entry on site of operations covered by an operations notice.

Where an operations notice is served with respect to any operations—

(a) any person duly authorised in writing by the Secretary of State may at any reasonable time enter the site of the operations for the purpose of inspecting the site (including any building or other structure on the site) and recording any matters of archaeological or historical interest observed in the course of that inspection; and  

(b) any person duly authorised in writing by the Royal Commission on Historical Monuments may at any reasonable time enter the site for the purpose of
inspecting any building or other structure on the site and recording any matters of archaeological or historical interest observed in the course of that inspection.
