“psychopathic disorder” means a persistent disorder or disability of mind (whether or not including significant impairment of intelligence) which results in abnormally aggressive or seriously irresponsible conduct on the part of the person concerned ;

and other expressions shall have the meanings assigned to them in section 145 below.

(3) Nothing in subsection (2) above shall be construed as implying that a person may be dealt with under this Act as suffering from mental disorder, or from any form of mental disorder described in this section, by reason only of promiscuity or other immoral conduct, sexual deviancy or dependence on alcohol or drugs.

PART II

COMPULSORY

ADMISSION TO HOSPITAL AND GUARDIANSHIP

Procedure for hospital admission

Admission for
assessment.

2.—(1) A patient may be admitted to a hospital and detained there for the period allowed by subsection (4) below in pursuance of an application (in this Act referred to as “an application for admission for assessment”) made in accordance with subsections (2) and (3) below.

(2) An application for admission for assessment may be made in respect of a patient on the grounds that—

(a) he is suffering from mental disorder of a nature or degree which warrants the detention of the patient in a hospital for assessment (or for assessment followed by medical treatment) for at least a limited period ; and

(b) he ought to be so detained in the interests of his own health or safety or with a view to the protection of other persons.

(3) An application for admission for assessment shall be founded on the written recommendations in the prescribed form of two registered medical practitioners, including in each case a statement that in the opinion of the practitioner the conditions set out in subsection (2) above are complied with.

(4) Subject to the provisions of section 29(4) below, a patient admitted to hospital in pursuance of an application for admission for assessment may be detained for a period not exceeding 28 days beginning with the day on which he is admitted, but shall not be detained after the expiration of that period unless before it has expired he has become liable to be detained by virtue of a subsequent application, order or direction under the following provisions of this Act.

3.—(1) A patient may be admitted to a hospital and detained there for the period allowed by the following provisions of this Act in pursuance of an application (in this Act referred to as “an application for admission for treatment”) made in accordance with this section. Admission for treatment.

(2) An application for admission for treatment may be made in respect of a patient on the grounds that—

- (a) he is suffering from mental illness, severe mental impairment, psychopathic disorder or mental impairment and his mental disorder is of a nature or degree which makes it appropriate for him to receive medical treatment in a hospital; and
- (b) in the case of psychopathic disorder or mental impairment, such treatment is likely to alleviate or prevent a deterioration of his condition; and
- (c) it is necessary for the health or safety of the patient or for the protection of other persons that he should receive such treatment and it cannot be provided unless he is detained under this section.

(3) An application for admission for treatment shall be founded on the written recommendations in the prescribed form of two registered medical practitioners, including in each case a statement that in the opinion of the practitioner the conditions set out in subsection (2) above are complied with; and each such recommendation shall include—

- (a) such particulars as may be prescribed of the grounds for that opinion so far as it relates to the conditions set out in paragraphs (a) and (b) of that subsection; and
- (b) a statement of the reasons for that opinion so far as it relates to the conditions set out in paragraph (c) of that subsection, specifying whether other methods of dealing with the patient are available and, if so, why they are not appropriate.

PART II
Admission for
assessment in
cases of
emergency.

4.—(1) In any case of urgent necessity, an application for admission for assessment may be made in respect of a patient in accordance with the following provisions of this section, and any application so made is in this Act referred to as “an emergency application”.

(2) An emergency application may be made either by an approved social worker or by the nearest relative of the patient; and every such application shall include a statement that it is of urgent necessity for the patient to be admitted and detained under section 2 above, and that compliance with the provisions of this Part of this Act relating to applications under that section would involve undesirable delay.

(3) An emergency application shall be sufficient in the first instance if founded on one of the medical recommendations required by section 2 above, given, if practicable, by a practitioner who has previous acquaintance with the patient and otherwise complying with the requirements of section 12 below so far as applicable to a single recommendation, and verifying the statement referred to in subsection (2) above.

(4) An emergency application shall cease to have effect on the expiration of a period of 72 hours from the time when the patient is admitted to the hospital unless—

- (a)** the second medical recommendation required by section 2 above is given and received by the managers within that period; and
- (b)** that recommendation and the recommendation referred to in subsection (3) above together comply with all the requirements of section 12 below (other than the requirement as to the time of signature of the second recommendation).

(5) In relation to an emergency application, section 11 below shall have effect as if in subsection (5) of that section for the words “the period of 14 days ending with the date of the application” there were substituted the words “the previous 24 hours”.

Application
in respect of
patient
already in
hospital.

5.—(1) An application for the admission of a patient to a hospital may be made under this Part of this Act notwithstanding that the patient is already an in-patient in that hospital or, in the case of an application for admission for treatment that the patient is for the time being liable to be detained in the hospital in pursuance of an application for admission for assessment; and where an application is so made the patient shall be treated for the purposes of this Part of this Act as if he had been admitted to the hospital at the time when that application was received by the managers.

(2) If, in the case of a patient who is an in-patient in a hospital, it appears to the registered medical practitioner in charge of the treatment of the patient that an application ought to be made under this Part of this Act for the admission of the patient to hospital, he may furnish to the managers a report in writing to that effect; and in any such case the patient may be detained in the hospital for a period of 72 hours from the time when the report is so furnished.

(3) The registered medical practitioner in charge of the treatment of a patient in a hospital may nominate one (but not more than one) other registered medical practitioner on the staff of that hospital to act for him under subsection (2) above in his absence.

(4) If, in the case of a patient who is receiving treatment for mental disorder as an in-patient in a hospital, it appears to a nurse of the prescribed class—

(a) that the patient is suffering from mental disorder to such a degree that it is necessary for his health or safety or for the protection of others for him to be immediately restrained from leaving the hospital; and

(b) that it is not practicable to secure the immediate attendance of a practitioner for the purpose of furnishing a report under subsection (2) above,

the nurse may record that fact in writing; and in that event the patient may be detained in the hospital for a period of six hours from the time when that fact is so recorded or until the earlier arrival at the place where the patient is detained of a practitioner having power to furnish a report under that subsection.

(5) A record made under subsection (4) above shall be delivered by the nurse (or by a person authorised by the nurse in that behalf) to the managers of the hospital as soon as possible after it is made; and where a record is made under that subsection the period mentioned in subsection (2) above shall begin at the time when it is made.

(6) The reference in subsection (1) above to an in-patient does not include an in-patient who is liable to be detained in pursuance of an application under this Part of this Act and the references in subsections (2) and (4) above do not include an in-patient who is liable to be detained in a hospital under this Part of this Act.

(7) In subsection (4) above “prescribed” means prescribed by an order made by the Secretary of State.

PART II
Effect of
application
for
admission.

6.—(1) An application for the admission of a patient to a hospital under this Part of this Act, duly completed in accordance with the provisions of this Part of this Act, shall be sufficient authority for the applicant, or any person authorised by the applicant, to take the patient and convey him to the hospital at any time within the following period, that is to say—

- (a) in the case of an application other than an emergency application, the period of 14 days beginning with the date on which the patient was last examined by a registered medical practitioner before giving a medical recommendation for the purposes of the application;
- (b) in the case of an emergency application, the period of 24 hours beginning at the time when the patient was examined by the practitioner giving the medical recommendation which is referred to in section 4(3) above, or at the time when the application is made, whichever is the earlier.

(2) Where a patient is admitted within the said period to the hospital specified in such an application as is mentioned in subsection (1) above, or, being within that hospital, is treated by virtue of section 5 above as if he had been so admitted, the application shall be sufficient authority for the managers to detain the patient in the hospital in accordance with the provisions of this Act.

(3) Any application for the admission of a patient under this Part of this Act which appears to be duly made and to be founded on the necessary medical recommendations may be acted upon without further proof of the signature or qualification of the person by whom the application or any such medical recommendation is made or given or of any matter of fact or opinion stated in it.

(4) Where a patient is admitted to a hospital in pursuance of an application for admission for treatment, any previous application under this Part of this Act by virtue of which he was liable to be detained in a hospital or subject to guardianship shall cease to have effect.

Guardianship

Application
for
guardianship.

7.—(1) A patient who has attained the age of 16 years may be received into guardianship, for the period allowed by the following provisions of this Act, in pursuance of an application (in this Act referred to as “a guardianship application”) made in accordance with this section.

(2) A guardianship application may be made in respect of a patient on the grounds that—

- (a) he is suffering from mental disorder, being mental illness, severe mental impairment, psychopathic disorder or mental impairment and his mental disorder is

of a nature or degree which warrants his reception into guardianship under this section ; and

- (b) it is necessary in the interests of the welfare of the patient or for the protection of other persons that the patient should be so received.

(3) A guardianship application shall be founded on the written recommendations in the prescribed form of two registered medical practitioners, including in each case a statement that in the opinion of the practitioner the conditions set out in subsection (2) above are complied with ; and each such recommendation shall include—

- (a) such particulars as may be prescribed of the grounds for that opinion so far as it relates to the conditions set out in paragraph (a) of that subsection ; and
- (b) a statement of the reasons for that opinion so far as it relates to the conditions set out in paragraph (b) of that subsection.

(4) A guardianship application shall state the age of the patient or, if his exact age is not known to the applicant, shall state (if it be the fact) that the patient is believed to have attained the age of 16 years.

(5) The person named as guardian in a guardianship application may be either a local social services authority or any other person (including the applicant himself) ; but a guardianship application in which a person other than a local social services authority is named as guardian shall be of no effect unless it is accepted on behalf of that person by the local social services authority for the area in which he resides, and shall be accompanied by a statement in writing by that person that he is willing to act as guardian.

8.—(1) Where a guardianship application, duly made under the provisions of this Part of this Act and forwarded to the local social services authority within the period allowed by subsection (2) below is accepted by that authority, the application shall, subject to regulations made by the Secretary of State, confer on the authority or person named in the application as guardian, to the exclusion of any other person—

Effect of guardianship application, etc.

- (a) the power to require the patient to reside at a place specified by the authority or person named as guardian ;
- (b) the power to require the patient to attend at places and times so specified for the purpose of medical treatment, occupation, education or training ;

PART II

(c) the power to require access to the patient to be given, at any place where the patient is residing, to any registered medical practitioner, approved social worker or other person so specified.

(2) The period within which a guardianship application is required for the purposes of this section to be forwarded to the local social services authority is the period of 14 days beginning with the date on which the patient was last examined by a registered medical practitioner before giving a medical recommendation for the purposes of the application.

(3) A guardianship application which appears to be duly made and to be founded on the necessary medical recommendations may be acted upon without further proof of the signature or qualification of the person by whom the application or any such medical recommendation is made or given, or of any matter of fact or opinion stated in the application.

(4) If within the period of 14 days beginning with the day on which a guardianship application has been accepted by the local social services authority the application, or any medical recommendation given for the purposes of the application, is found to be in any respect incorrect or defective, the application or recommendation may, within that period and with the consent of that authority, be amended by the person by whom it was signed; and upon such amendment being made the application or recommendation shall have effect and shall be deemed to have had effect as if it had been originally made as so amended.

(5) Where a patient is received into guardianship in pursuance of a guardianship application, any previous application under this Part of this Act by virtue of which he was subject to guardianship or liable to be detained in a hospital shall cease to have effect.

**Regulations
as to
guardianship.**

9.—(1) Subject to the provisions of this Part of this Act, the Secretary of State may make regulations—

(a) for regulating the exercise by the guardians of patients received into guardianship under this Part of this Act of their powers as such; and

(b) for imposing on such guardians, and upon local social services authorities in the case of patients under the guardianship of persons other than local social services authorities, such duties as he considers necessary or expedient in the interests of the patients.

PART II

(2) Regulations under this section may in particular make provision for requiring the patients to be visited, on such occasions or at such intervals as may be prescribed by the regulations, on behalf of such local social services authorities as may be so prescribed, and shall provide for the appointment, in the case of every patient subject to the guardianship of a person other than a local social services authority, of a registered medical practitioner to act as the nominated medical attendant of the patient.

10.—(1) If any person (other than a local social services authority) who is the guardian of a patient received into guardianship under this Part of this Act—

Transfer of guardianship in case of death, incapacity, etc., of guardian.

(a) dies ; or

(b) gives notice in writing to the local social services authority that he desires to relinquish the functions of guardian,

the guardianship of the patient shall thereupon vest in the local social services authority, but without prejudice to any power to transfer the patient into the guardianship of another person in pursuance of regulations under section 19 below.

(2) If any such person, not having given notice under subsection (1)(b) above, is incapacitated by illness or any other cause from performing the functions of guardian of the patient, those functions may, during his incapacity, be performed on his behalf by the local social services authority or by any other person approved for the purposes by that authority.

(3) If it appears to the county court, upon application made by an approved social worker, that any person other than a local social services authority having the guardianship of a patient received into guardianship under this Part of this Act has performed his functions negligently or in a manner contrary to the interests of the welfare of the patient, the court may order that the guardianship of the patient be transferred to the local social services authority or to any other person approved for the purpose by that authority.

(4) Where the guardianship of a patient is transferred to a local social services authority or other person by or under this section, subsection (2)(c) of section 19 below shall apply as if the patient had been transferred into the guardianship of that authority or person in pursuance of regulations under that section.

(2) Every application for admission shall be addressed to the managers of the hospital to which admission is sought and every guardianship application shall be forwarded to the local social services authority named in the application as guardian, or, as the case may be, to the local social services authority for the area in which the person so named resides.

(3) Before or within a reasonable time after an application for the admission of a patient for assessment is made by an approved social worker, that social worker shall take such steps as are practicable to inform the person (if any) appearing to be the nearest relative of the patient that the application is to be or has been made and of the power of the nearest relative under section 23(2)(a) below.

(4) Neither an application for admission for treatment nor a guardianship application shall be made by an approved social worker if the nearest relative of the patient has notified that social worker, or the local social services authority by whom that social worker is appointed, that he objects to the application being made and, without prejudice to the foregoing provision, no such application shall be made by such a social worker except after consultation with the person (if any) appearing to be the nearest relative of the patient unless it appears to that social worker that in the circumstances such consultation is not reasonably practicable or would involve unreasonable delay.

(5) None of the applications mentioned in subsection (1) above shall be made by any person in respect of a patient unless that person has personally seen the patient within the period of 14 days ending with the date of the application.

(6) An application for admission for treatment or a guardianship application, and any recommendation given for the purposes of such an application, may describe the patient as suffering from more than one of the following forms of mental disorder, namely mental illness, severe mental impairment, psychopathic disorder or mental impairment ; but the application shall be of no effect unless the patient is described in each of the recommendations as suffering from the same form of mental disorder, whether or not he is also described in either of those recommendations as suffering from another form.

(7) Each of the applications mentioned in subsection (1) above shall be sufficient if the recommendations on which it is founded are given either as separate recommendations, each signed by a registered medical practitioner, or as a joint recommendation signed by two such practitioners.

12.—(1) The recommendations required for the purposes of an application for the admission of a patient under this Part of this Act (in this Act referred to as “medical recommendations”) shall be signed on or before the date of the application, and shall be given by practitioners who have personally examined the patient either together or separately, but where they have examined the patient separately not more than five days must have elapsed between the days on which the separate examinations took place.

as to medical
recommendations.

(2) Of the medical recommendations given for the purposes of any such application, one shall be given by a practitioner approved for the purposes of this section by the Secretary of State as having special experience in the diagnosis or treatment of mental disorder; and unless that practitioner has previous acquaintance with the patient, the other such recommendation shall, if practicable, be given by a registered medical practitioner who has such previous acquaintance.

(3) Subject to subsection (4) below, where the application is for the admission of the patient to a hospital which is not a mental nursing home, one (but not more than one) of the medical recommendations may be given by a practitioner on the staff of that hospital, except where the patient is proposed to be accommodated under section 65 or 66 of the National Health Service Act 1977 (which relate to accommodation for private patients).

(4) Subsection (3) above shall not preclude both the medical recommendations being given by practitioners on the staff of the hospital in question if—

- (b) one of the practitioners giving the recommendations works at the hospital for less than half of the time which he is bound by contract to devote to work in the health service; and
- (c) where one of those practitioners is a consultant, the other does not work (whether at the hospital or elsewhere) in a grade in which he is under that consultant's directions.

(5) A medical recommendation for the purposes of an application for the admission of a patient under this Part of this Act shall not be given by—

- (a) the applicant;
- (b) a partner of the applicant or of a practitioner by whom another medical recommendation is given for the purposes of the same application;

PART II

- (c) a person employed as an assistant by the applicant or by any such practitioner ;

or by the husband, wife, father, father-in-law, mother, mother-in-law, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law, sister or sister-in-law of the patient, or of any person mentioned in paragraphs (a) to (e) above, or of a practitioner by whom another medical recommendation is given for the purposes of the same application.

(6) A general practitioner who is employed part-time in a hospital shall not for the purposes of this section be regarded as a practitioner on its staff.

(7) Subsections (1), (2) and (5) above shall apply to applications for guardianship as they apply to applications for admission but with the substitution for paragraph (e) of subsection (5) above of the following paragraph—

“ (e) the person named as guardian in the application.”.

Duty of approved social workers to make applications for admission or guardianship.

13.—(1) It shall be the duty of an approved social worker to make an application for admission to hospital or a guardianship application in respect of a patient within the area of the local social services authority by which that officer is appointed in any case where he is satisfied that such an application ought to be made and is of the opinion, having regard to any wishes expressed by relatives of the patient or any other relevant circumstances, that it is necessary or proper for the application to be made by him.

(2) Before making an application for the admission of a patient to hospital an approved social worker shall interview the patient in a suitable manner and satisfy himself that detention in a hospital is in all the circumstances of the case the most appropriate way of providing the care and medical treatment of which the patient stands in need.

(3) An application under this section by an approved social worker may be made outside the area of the local social services authority by which he is appointed.

(4) It shall be the duty of a local social services authority, if so required by the nearest relative of a patient residing in their area, to direct an approved social worker as soon as practicable to take the patient's case into consideration under subsection (1)

above with a view to making an application for his admission to hospital; and if in any such case that approved social worker decides not to make an application he shall inform the nearest relative of his reasons in writing.

PART II

(5) Nothing in this section shall be construed as authorising or requiring an application to be made by an approved social worker in contravention of the provisions of section 11(4) above, or as restricting the power of an approved social worker to make any application under this Act.

14. Where a patient is admitted to a hospital in pursuance of an application (other than an emergency application) made under this Part of this Act by his nearest relative, the managers of the hospital shall as soon as practicable give notice of that fact to the local social services authority for the area in which the patient resided immediately before his admission; and that authority shall as soon as practicable arrange for a social worker of their social services department to interview the patient and provide the managers with a report on his social circumstances.

15.—(1) If within the period of 14 days beginning with the day on which a patient has been admitted to a hospital in pursuance of an application for admission for assessment or for treatment the application, or any medical recommendation given for the purposes of the application, is found to be in any respect incorrect or defective, the application or recommendation may, within that period and with the consent of the managers of the hospital, be amended by the person by whom it was signed; and upon such amendment being made the application or recommendation shall have effect and shall be deemed to have had effect as if it had been originally made as so amended.

(2) Without prejudice to subsection (1) above, if within the period mentioned in that subsection it appears to the managers of the hospital that one of the two medical recommendations on which an application for the admission of a patient is founded is insufficient to warrant the detention of the patient in pursuance of the application, they may, within that period, give notice in writing to that effect to the applicant; and where any such notice is given in respect of a medical recommendation, that recommendation shall be disregarded, but the application shall be, and shall be deemed always to have been, sufficient if—

(a) a fresh medical recommendation complying with the relevant provisions of this Part of this Act (other than the provisions relating to the time of signature and the interval between examinations) is furnished to the managers within that period; and

PART II

(b) that recommendation, and the other recommendation on which the application is founded, together comply with those provisions.

(3) Where the medical recommendations upon which an application for admission is founded are, taken together, insufficient to warrant the detention of the patient in pursuance of the application, a notice under subsection (2) above may be given in respect of either of those recommendations; but this subsection shall not apply in a case where the application is of no effect by virtue of section 11(6) above.

(4) Nothing in this section shall be construed as authorising the giving of notice in respect of an application made as an emergency application, or the detention of a patient admitted in pursuance of such an application, after the period of 72 hours referred to in section 4(4) above, unless the conditions set out in paragraphs (a) and (b) of that section are complied with or would be complied with apart from any error or defect to which this section applies.

Position of patients subject to detention or guardianship

Reclassification of patients.

16.—(1) If in the case of a patient who is for the time being detained in a hospital in pursuance of an application for admission for treatment, or subject to guardianship in pursuance of a guardianship application, it appears to the appropriate medical officer that the patient is suffering from a form of mental disorder other than the form or forms specified in the application, he may furnish to the managers of the hospital, or to the guardian, as the case may be, a report to that effect; and where a report is so furnished, the application shall have effect as if that other form of mental disorder were specified in it.

(2) Where a report under subsection (1) above in respect of a patient detained in a hospital is to the effect that he is suffering from psychopathic disorder or mental impairment but not from mental illness or severe mental impairment the appropriate medical officer shall include in the report a statement of his opinion whether further medical treatment in hospital is likely to alleviate or prevent a deterioration of the patient's condition; and if he states that in his opinion such treatment is not likely to have that effect the authority of the managers to detain the patient shall cease.

(3) Before furnishing a report under subsection (1) above the appropriate medical officer shall consult one or more other persons who have been professionally concerned with the patient's medical treatment.

(4) Where a report is furnished under this section in respect of a patient, the managers or guardian shall cause the patient and the nearest relative to be informed.

(5) In this section “appropriate medical officer” means—

(a) in the case of a patient who is subject to the guardianship of a person other than a local social services authority, the nominated medical attendant of the patient; and

(b) in any other case, the responsible medical officer.

17.—(1) The responsible medical officer may grant to any patient who is for the time being liable to be detained in a hospital under this Part of this Act leave to be absent from the hospital subject to such conditions (if any) as that officer considers necessary in the interests of the patient or for the protection of other persons. Leave of absence from hospital.

(2) Leave of absence may be granted to a patient under this section either indefinitely or on specified occasions or for any specified period; and where leave is so granted for a specified period, that period may be extended by further leave granted in the absence of the patient.

(3) Where it appears to the responsible medical officer that it is necessary so to do in the interests of the patient or for the protection of other persons, he may, upon granting leave of absence under this section, direct that the patient remain in custody during his absence; and where leave of absence is so granted the patient may be kept in the custody of any officer on the staff of the hospital, or of any other person authorised in writing by the managers of the hospital or, if the patient is required in accordance with conditions imposed on the grant of leave of absence to reside in another hospital, of any officer on the staff of that other hospital.

(4) In any case where a patient is absent from a hospital in pursuance of leave of absence granted under this section, and it appears to the responsible medical officer that it is necessary so to do in the interests of the patient's health or safety or for the protection of other persons, that officer may, subject to subsection (5) below, by notice in writing given to the patient or to the person for the time being in charge of the patient, revoke the leave of absence and recall the patient to the hospital.

(5) A patient to whom leave of absence is granted under this section shall not be recalled under subsection (4) above after he has ceased to be liable to be detained under this Part of this Act; and without prejudice to any other provision of this Part of this Act any such patient shall cease to be so liable at the

PART II

expiration of the period of six months beginning with the first day of his absence on leave unless either—

- (a) he has returned to the hospital, or has been transferred to another hospital under the following provisions of this Act, before the expiration of that period ; or
- (b) he is absent without leave at the expiration of that period.

Return and readmission of patients absent without leave.

18.—(1) Where a patient who is for the time being liable to be detained under this Part of this Act in a hospital—

- (a) absents himself from the hospital without leave granted under section 17 above ; or
- (b) fails to return to the hospital on any occasion on which, or at the expiration of any period for which, leave of absence was granted to him under that section, or upon being recalled under that section ; or
- (c) absents himself without permission from any place where he is required to reside in accordance with conditions imposed on the grant of leave of absence under that section,

he may, subject to the provisions of this section, be taken into custody and returned to the hospital or place by any approved social worker, by any officer on the staff of the hospital, by any constable, or by any person authorised in writing by the managers of the hospital.

(2) Where the place referred to in paragraph (c) of subsection (1) above is a hospital other than the one in which the patient is for the time being liable to be detained, the references in that subsection to an officer on the staff of the hospital and the managers of the hospital shall respectively include references to an officer on the staff of the first-mentioned hospital and the managers of that hospital.

(3) Where a patient who is for the time being subject to guardianship under this Part of this Act absents himself without the leave of the guardian from the place at which he is required by the guardian to reside, he may, subject to the provisions of this section, be taken into custody and returned to that place by any officer on the staff of a local social services authority, by any constable, or by any person authorised in writing by the guardian or a local social services authority.

(4) A patient shall not be taken into custody under this section after the expiration of the period of 28 days beginning with the first day of his absence without leave ; and a patient who has not returned or been taken into custody under this section within the said period shall cease to be liable to be

detained or subject to guardianship, as the case may be, at the expiration of that period.

PART II

(5) A patient shall not be taken into custody under this section if the period for which he is liable to be detained is that specified in section 2(4), 4(4) or 5(2) or (4) above and that period has expired.

(6) In this Act “ absent without leave ” means absent from any hospital or other place and liable to be taken into custody and returned under this section, and related expressions shall be construed accordingly.

19.—(1) In such circumstances and subject to such conditions as may be prescribed by regulations made by the Secretary of State— Regulations as to transfer of patients.

(a) a patient who is for the time being liable to be detained in a hospital by virtue of an application under this Part of this Act may be transferred to another hospital or into the guardianship of a local social services authority or of any person approved by such an authority ;

(b) a patient who is for the time being subject to the guardianship of a local social services authority or other person by virtue of an application under this Part of this Act may be transferred into the guardianship of another local social services authority or person, or be transferred to a hospital.

(2) Where a patient is transferred in pursuance of regulations under this section, the provisions of this Part of this Act (including this subsection) shall apply to him as follows, that is to say—

(a) in the case of a patient who is liable to be detained in a hospital by virtue of an application for admission for assessment or for treatment and is transferred to another hospital, as if the application were an application for admission to that other hospital and as if the patient had been admitted to that other hospital at the time when he was originally admitted in pursuance of the application ;

(b) in the case of a patient who is liable to be detained in a hospital by virtue of such an application and is transferred into guardianship, as if the application were a guardianship application duly accepted at the said time ;

(c) in the case of a patient who is subject to guardianship by virtue of a guardianship application and is transferred into the guardianship of another authority or

PART II

person, as if the application were for his reception into the guardianship of that authority or person and had been accepted at the time when it was originally accepted ;

(d) in the case of a patient who is subject to guardianship by virtue of a guardianship application and is transferred to a hospital, as if the guardianship application were an application for admission to that hospital for treatment and as if the patient had been admitted to the hospital at the time when the application was originally accepted.

1977 c. 49.

(3) Without prejudice to subsections (1) and (2) above, any patient, who is for the time being liable to be detained under this Part of this Act in a hospital vested in the Secretary of State for the purposes of his functions under the National Health Service Act 1977 or any accommodation used under Part I of that Act by the managers of such a hospital, may at any time be removed to any other such hospital or accommodation for which the managers of the first-mentioned hospital are also the managers ; and paragraph (a) of subsection (2) above shall apply in relation to a patient so removed as it applies in relation to a patient transferred in pursuance of regulations made under this section.

(4) Regulations made under this section may make provision for regulating the conveyance to their destination of patients authorised to be transferred or removed in pursuance of the regulations or under subsection (3) above.

Duration of detention or guardianship and discharge

Duration of
authority.

20.—(1) Subject to the following provisions of this Part of this Act, a patient admitted to hospital in pursuance of an application for admission for treatment, and a patient placed under guardianship in pursuance of a guardianship application, may be detained in a hospital or kept under guardianship for a period not exceeding six months beginning with the day on which he was so admitted, or the day on which the guardianship application was accepted, as the case may be, but shall not be so detained or kept for any longer period unless the authority for his detention or guardianship is renewed under this section.

(2) Authority for the detention or guardianship of a patient may, unless the patient has previously been discharged, be renewed—

(a) from the expiration of the period referred to in subsection (1) above, for a further period of six months ;

PART II

(b) from the expiration of any period of renewal under paragraph (a) above, for a further period of one year, and so on for periods of one year at a time.

(3) Within the period of two months ending on the day on which a patient who is liable to be detained in pursuance of an application for admission for treatment would cease under this section to be so liable in default of the renewal of the authority for his detention, it shall be the duty of the responsible medical officer—

(a) to examine the patient ; and

(b) if it appears to him that the conditions set out in subsection (4) below are satisfied, to furnish to the managers of the hospital where the patient is detained a report to that effect in the prescribed form ;

and where such a report is furnished in respect of a patient the managers shall, unless they discharge the patient, cause him to be informed.

(4) The conditions referred to in subsection (3) above are that—

(a) the patient is suffering from mental illness, severe mental impairment, psychopathic disorder or mental impairment, and his mental disorder is of a nature or degree which makes it appropriate for him to receive medical treatment in a hospital ; and

(b) such treatment is likely to alleviate or prevent a deterioration of his condition ; and

(c) it is necessary for the health or safety of the patient or for the protection of other persons that he should receive such treatment and that it cannot be provided unless he continues to be detained ;

but, in the case of mental illness or severe mental impairment, it shall be an alternative to the condition specified in paragraph (b) above that the patient, if discharged, is unlikely to be able to care for himself, to obtain the care which he needs or to guard himself against serious exploitation.

(5) Before furnishing a report under subsection (3) above the responsible medical officer shall consult one or more other persons who have been professionally concerned with the patient's medical treatment.

(6) Within the period of two months ending with the day on which a patient who is subject to guardianship under this Part of this Act would cease under this section to be so liable in default of the renewal of the authority for his guardianship, it shall be the duty of the appropriate medical officer—

and where such a report is furnished in respect of a patient, the local social services authority shall, unless they discharge the patient, cause him to be informed.

(7) The conditions referred to in subsection (6) above are that—

- (a) the patient is suffering from mental illness, severe mental impairment, psychopathic disorder or mental impairment and his mental disorder is of a nature or degree which warrants his reception into guardianship ; and
- (b) it is necessary in the interests of the welfare of the patient or for the protection of other persons that the patient should remain under guardianship.

(8) Where a report is duly furnished under subsection (3) or (6) above, the authority for the detention or guardianship of the patient shall be thereby renewed for the period prescribed in that case by subsection (2) above.

(9) Where the form of mental disorder specified in a report furnished under subsection (3) or (6) above is a form of disorder other than that specified in the application for admission for treatment or, as the case may be, in the guardianship application, that application shall have effect as if that other form of mental disorder were specified in it ; and where on any occasion a report specifying such a form of mental disorder is furnished under either of those subsections the appropriate medical officer need not on that occasion furnish a report under section 16 above.

(10) In this section “ appropriate medical officer ” has the same meaning as in section 16(5) above.

(b) in any case, sections 18 and 21 above shall apply in relation to the patient as if he had absented himself without leave on that day.

(4) If, immediately before the expiration of the period for which a patient is liable to be detained by virtue of an application for admission for assessment, an application under this section, which is an application made on the ground specified in subsection (3)(c) or (d) above, is pending in respect of the patient, that period shall be extended—

(a) in any case, until the application under this section has been finally disposed of ; and

(b) if an order is made in pursuance of the application under this section, for a further period of seven days ;

and for the purposes of this subsection an application under this section shall be deemed to have been finally disposed of at the expiration of the time allowed for appealing from the decision of the court or, if notice of appeal has been given within that time, when the appeal has been heard or withdrawn, and “ pending ” shall be construed accordingly.

(5) An order made on the ground specified in subsection (3)(a) or (b) above may specify a period for which it is to continue in force unless previously discharged under section 30 below.

(6) While an order made under this section is in force, the provisions of this Part of this Act (other than this section and section 30 below) and sections 66, 69, 132(4) and 133 below shall apply in relation to the patient as if for any reference to the nearest relative of the patient there were substituted a reference to the person having the functions of that relative and (without prejudice to section 30 below) shall so apply notwithstanding that the person who was the patient's nearest relative when the order

PART II

was made is no longer his nearest relative ; but this subsection shall not apply to section 66 below in the case mentioned in paragraph (h) of subsection (1) of that section.

Discharge
and variation
of orders
under s. 29.

30.—(1) An order made under section 29 above in respect of a patient may be discharged by the county court upon application made—

- (a) in any case, by the person having the functions of the nearest relative of the patient by virtue of the order ;
- (b) where the order was made on the ground specified in paragraph (a) or paragraph (b) of section 29(3) above, or where the person who was the nearest relative of the patient when the order was made has ceased to be his nearest relative, on the application of the nearest relative of the patient.

(2) An order made under section 29 above in respect of a patient may be varied by the county court, on the application of the person having the functions of the nearest relative by virtue of the order or on the application of an approved social worker, by substituting for the first-mentioned person a local social services authority or any other person who in the opinion of the court is a proper person to exercise those functions, being an authority or person who is willing to do so.

(3) If the person having the functions of the nearest relative of a patient by virtue of an order under section 29 above dies—

- (a) subsections (1) and (2) above shall apply as if for any reference to that person there were substituted a reference to any relative of the patient, and
- (b) until the order is discharged or varied under those provisions the functions of the nearest relative under this Part of this Act and sections 66 and 69 below shall not be exercisable by any person.

(4) An order under section 29 above shall, unless previously discharged under subsection (1) above, cease to have effect at the expiration of the period, if any, specified under subsection (5) of that section or, where no such period is specified—

- (a) if the patient was on the date of the order liable to be detained in pursuance of an application for admission for treatment or by virtue of an order or direction under Part III of this Act (otherwise than under section 35, 36 or 38) or was subject to guardianship under this Part of this Act or by virtue of such an order or direction, or becomes so liable or subject within the period of three months beginning with that date, when he ceases to be so liable or subject (otherwise than on being

transferred in pursuance of regulations under section 19 above) ;

PART II

- (b) if the patient was not on the date of the order, and has not within the said period become, so liable or subject, at the expiration of that period.

(5) The discharge or variation under this section of an order made under section 29 above shall not affect the validity of anything previously done in pursuance of the order.

(3) Without prejudice to subsections (1) and (2) above, but subject to section 23(4) above, regulations under this section may determine the manner in which functions under this Part of this Act of the managers of hospitals, local social services authorities, Regional Health Authorities, District Health Authorities or special health authorities are to be exercised, and such regulations may in particular specify the circumstances in which, and the conditions subject to which, any such functions may be performed by officers of or other persons acting on behalf of those managers and authorities.

Special provisions as to wards of court.

33.—(1) An application for the admission to hospital of a minor who is a ward of court may be made under this Part of this Act with the leave of the court ; and section 11(4) above shall not apply in relation to an application so made.

(2) Where a minor who is a ward of court is liable to be detained in a hospital by virtue of an application for admission under this Part of this Act, any power exercisable under this Part of this Act or under section 66 below in relation to the patient by his nearest relative shall be exercisable by or with the leave of the court.

(3) Nothing in this Part of this Act shall be construed as authorising the making of a guardianship application in respect of a minor who is a ward of court, or the transfer into guardianship of any such minor.

Interpretation of Part II.

34.—(1) In this Part of this Act—

“ the nominated medical attendant ”, in relation to a patient who is subject to the guardianship of a person other than a local social services authority, means the person appointed in pursuance of regulations made under section 9(2) above to act as the medical attendant of the patient ;

“ the responsible medical officer ” means—

PART II

(b) in relation to a patient subject to guardianship, the medical officer authorised by the local social services authority to act (either generally or in any particular case or for any particular purpose) as the responsible medical officer.

(2) Except where otherwise expressly provided, this Part of this Act applies in relation to a mental nursing home, being a home in respect of which the particulars of registration are for the time being entered in the separate part of the register kept for the purposes of section 3(4)(b) of the Nursing Homes Act 1975, as it applies in relation to a hospital, and references in this Part of this Act to a hospital, and any reference in this Act to a hospital to which this Part of this Act applies, shall be construed accordingly. 1975 c. 37.

(3) In relation to a patient who is subject to guardianship in pursuance of a guardianship application, any reference in this Part of this Act to the responsible local social services authority is a reference—

(a) where the patient is subject to the guardianship of a local social services authority, to that authority ;

(b) where the patient is subject to the guardianship of a person other than a local social services authority, to the local social services authority for the area in which that person resides.

PART III

PATIENTS CONCERNED IN CRIMINAL PROCEEDINGS OR UNDER SENTENCE

Remands to hospital

35.—(1) Subject to the provisions of this section, the Crown Court or a magistrates' court may remand an accused person to a hospital specified by the court for a report on his mental condition. Remand to hospital for report on accused's mental condition.

(2) For the purposes of this section an accused person is—

(a) in relation to the Crown Court, any person who is awaiting trial before the court for an offence punishable with imprisonment or who has been arraigned before

PART III

the court for such an offence and has not yet been sentenced or otherwise dealt with for the offence on which he has been arraigned ;

- (b) in relation to a magistrates' court, any person who has been convicted by the court of an offence punishable on summary conviction with imprisonment and any person charged with such an offence if the court is satisfied that he did the act or made the omission charged or he has consented to the exercise by the court of the powers conferred by this section.

(3) Subject to subsection (4) below, the powers conferred by this section may be exercised if—

- (a) the court is satisfied, on the written or oral evidence of a registered medical practitioner, that there is reason to suspect that the accused person is suffering from mental illness, psychopathic disorder, severe mental impairment or mental impairment ; and
- (b) the court is of the opinion that it would be impracticable for a report on his mental condition to be made if he were remanded on bail ;

but those powers shall not be exercised by the Crown Court in respect of a person who has been convicted before the court if the sentence for the offence of which he has been convicted is fixed by law.

(4) The court shall not remand an accused person to a hospital under this section unless satisfied, on the written or oral evidence of the registered medical practitioner who would be responsible for making the report or of some other person representing the managers of the hospital, that arrangements have been made for his admission to that hospital and for his admission to it within the period of seven days beginning with the date of the remand ; and if the court is so satisfied it may, pending his admission, give directions for his conveyance to and detention in a place of safety.

(5) Where a court has remanded an accused person under this section it may further remand him if it appears to the court, on the written or oral evidence of the registered medical practitioner responsible for making the report, that a further remand is necessary for completing the assessment of the accused person's mental condition.

(6) The power of further remanding an accused person under this section may be exercised by the court without his being brought before the court if he is represented by counsel or a solicitor and his counsel or solicitor is given an opportunity of being heard.

(7) An accused person shall not be remanded or further remanded under this section for more than 28 days at a time or for more than 12 weeks in all; and the court may at any time terminate the remand if it appears to the court that it is appropriate to do so.

(8) An accused person remanded to hospital under this section shall be entitled to obtain at his own expense an independent report on his mental condition from a registered medical practitioner chosen by him and to apply to the court on the basis of it for his remand to be terminated under subsection (7) above.

(9) Where an accused person is remanded under this section—

- (a) a constable or any other person directed to do so by the court shall convey the accused person to the hospital specified by the court within the period mentioned in subsection (4) above; and
- (b) the managers of the hospital shall admit him within that period and thereafter detain him in accordance with the provisions of this section.

(10) If an accused person absconds from a hospital to which he has been remanded under this section, or while being conveyed to or from that hospital, he may be arrested without warrant by any constable and shall, after being arrested, be brought as soon as practicable before the court that remanded him; and the court may thereupon terminate the remand and deal with him in any way in which it could have dealt with him if he had not been remanded under this section.

36.—(1) Subject to the provisions of this section, the Crown Court may, instead of remanding an accused person in custody, remand him to a hospital specified by the court if satisfied, on the written or oral evidence of two registered medical practitioners, that he is suffering from mental illness or severe mental impairment of a nature or degree which makes it appropriate for him to be detained in a hospital for medical treatment.

Remand of
accused
person to
hospital for
treatment.

(2) For the purposes of this section an accused person is any person who is in custody awaiting trial before the Crown Court for an offence punishable with imprisonment (other than an offence the sentence for which is fixed by law) or who at any time before sentence is in custody in the course of a trial before that court for such an offence.

(3) The court shall not remand an accused person under this section to a hospital unless it is satisfied, on the written or oral evidence of the registered medical practitioner who would be in charge of his treatment or of some other person representing the managers of the hospital, that arrangements have been made

PART III

for his admission to that hospital and for his admission to it within the period of seven days beginning with the date of the remand; and if the court is so satisfied it may, pending his admission, give directions for his conveyance to and detention in a place of safety.

(4) Where a court has remanded an accused person under this section it may further remand him if it appears to the court, on the written or oral evidence of the responsible medical officer, that a further remand is warranted.

(5) The power of further remanding an accused person under this section may be exercised by the court without his being brought before the court if he is represented by counsel or a solicitor and his counsel or solicitor is given an opportunity of being heard.

(6) An accused person shall not be remanded or further remanded under this section for more than 28 days at a time or for more than 12 weeks in all; and the court may at any time terminate the remand if it appears to the court that it is appropriate to do so.

(7) An accused person remanded to hospital under this section shall be entitled to obtain at his own expense an independent report on his mental condition from a registered medical practitioner chosen by him and to apply to the court on the basis of it for his remand to be terminated under subsection (6) above.

(8) Subsections (9) and (10) of section 35 above shall have effect in relation to a remand under this section as they have effect in relation to a remand under that section.

Hospital and guardianship orders

Powers of
courts to
order
hospital
admission or
guardianship.

37.—(1) Where a person is convicted before the Crown Court of an offence punishable with imprisonment other than an offence the sentence for which is fixed by law, or is convicted by a magistrates' court of an offence punishable on summary conviction with imprisonment, and the conditions mentioned in subsection (2) below are satisfied, the court may by order authorise his admission to and detention in such hospital as may be specified in the order or, as the case may be, place him under the guardianship of a local social services authority or of such other person approved by a local social services authority as may be so specified.

(2) The conditions referred to in subsection (1) above are that—

(a) the court is satisfied, on the written or oral evidence of two registered medical practitioners, that the offender is suffering from mental illness, psychopathic disorder,

severe mental impairment or mental impairment and that either—

PART III

(i) the mental disorder from which the offender is suffering is of a nature or degree which makes it appropriate for him to be detained in a hospital for medical treatment and, in the case of psychopathic disorder or mental impairment, that such treatment is likely to alleviate or prevent a deterioration of his condition ; or

(ii) in the case of an offender who has attained the age of 16 years, the mental disorder is of a nature or degree which warrants his reception into guardianship under this Act ; and

(b) the court is of the opinion, having regard to all the circumstances including the nature of the offence and the character and antecedents of the offender, and to the other available methods of dealing with him, that the most suitable method of disposing of the case is by means of an order under this section.

(3) Where a person is charged before a magistrates' court with any act or omission as an offence and the court would have power, on convicting him of that offence, to make an order under subsection (1) above in his case as being a person suffering from mental illness or severe mental impairment, then, if the court is satisfied that the accused did the act or made the omission charged, the court may, if it thinks fit, make such an order without convicting him.

(4) An order for the admission of an offender to a hospital (in this Act referred to as "a hospital order") shall not be made under this section unless the court is satisfied on the written or oral evidence of the registered medical practitioner who would be in charge of his treatment or of some other person representing the managers of the hospital that arrangements have been made for his admission to that hospital in the event of such an order being made by the court, and for his admission to it within the period of 28 days beginning with the date of the making of such an order ; and the court may, pending his admission within that period, give such directions as it thinks fit for his conveyance to and detention in a place of safety.

(5) If within the said period of 28 days it appears to the Secretary of State that by reason of an emergency or other special circumstances it is not practicable for the patient to be received into the hospital specified in the order, he may give directions for the admission of the patient to such other hospital

PART III as appears to be appropriate instead of the hospital so specified ; and where such directions are given—

(a) the Secretary of State shall cause the person having the custody of the patient to be informed, and

(b) the hospital order shall have effect as if the hospital specified in the directions were substituted for the hospital specified in the order.

(6) An order placing an offender under the guardianship of a local social services authority or of any other person (in this Act referred to as “ a guardianship order ”) shall not be made under this section unless the court is satisfied that that authority or person is willing to receive the offender into guardianship.

(7) A hospital order or guardianship order shall specify the form or forms of mental disorder referred to in subsection (2)(a) above from which, upon the evidence taken into account under that subsection, the offender is found by the court to be suffering ; and no such order shall be made unless the offender is described by each of the practitioners whose evidence is taken into account under that subsection as suffering from the same one of those forms of mental disorder, whether or not he is also described by either of them as suffering from another of them.

1969 c. 54,

(8) Where an order is made under this section, the court shall not pass sentence of imprisonment or impose a fine or make a probation order in respect of the offence or make any such order as is mentioned in paragraph (b) or (c) of section 7(7) of the Children and Young Persons Act 1969 in respect of the offender, but may make any other order which the court has power to make apart from this section ; and for the purposes of this subsection “ sentence of imprisonment ” includes any sentence or order for detention.

Interim
hospital
orders.

38.—(1) Where a person is convicted before the Crown Court of an offence punishable with imprisonment (other than an offence the sentence for which is fixed by law) or is convicted by a magistrates’ court of an offence punishable on summary conviction with imprisonment and the court before or by which he is convicted is satisfied, on the written or oral evidence of two registered medical practitioners—

(a) that the offender is suffering from mental illness, psychopathic disorder, severe mental impairment or mental impairment ; and

(b) that there is reason to suppose that the mental disorder from which the offender is suffering is such that it may be appropriate for a hospital order to be made in his case,

the court may, before making a hospital order or dealing with him in some other way, make an order (in this Act referred to

as “an interim hospital order”) authorising his admission to such hospital as may be specified in the order and his detention there in accordance with this section.

(2) In the case of an offender who is subject to an interim hospital order the court may make a hospital order without his being brought before the court if he is represented by counsel or a solicitor and his counsel or solicitor is given an opportunity of being heard.

(3) At least one of the registered medical practitioners whose evidence is taken into account under subsection (1) above shall be employed at the hospital which is to be specified in the order.

(4) An interim hospital order shall not be made for the admission of an offender to a hospital unless the court is satisfied, on the written or oral evidence of the registered medical practitioner who would be in charge of his treatment or of some other person representing the managers of the hospital, that arrangements have been made for his admission to that hospital and for his admission to it within the period of 28 days beginning with the date of the order; and if the court is so satisfied the court may, pending his admission, give directions for his conveyance to and detention in a place of safety.

(5) An interim hospital order—

(a) shall be in force for such period, not exceeding 12 weeks, as the court may specify when making the order; but

(b) may be renewed for further periods of not more than 28 days at a time if it appears to the court, on the written or oral evidence of the responsible medical officer, that the continuation of the order is warranted;

but no such order shall continue in force for more than six months in all and the court shall terminate the order if it makes a hospital order in respect of the offender or decides after considering the written or oral evidence of the responsible medical officer to deal with the offender in some other way.

(6) The power of renewing an interim hospital order may be exercised without the offender being brought before the court if he is represented by counsel or a solicitor and his counsel or solicitor is given an opportunity of being heard.

(7) If an offender absconds from a hospital in which he is detained in pursuance of an interim hospital order, or while being conveyed to or from such a hospital, he may be arrested without warrant by a constable and shall, after being arrested, be brought as soon as practicable before the court that made the order; and the court may thereupon terminate the order and deal

PART III with him in any way in which it could have dealt with him if no such order had been made.

Information as to hospitals. **39.**—(1) Where a court is minded to make a hospital order or interim hospital order in respect of any person it may request—

- (a) the Regional Health Authority for the region in which that person resides or last resided ; or
- (b) any other Regional Health Authority that appears to the court to be appropriate,

to furnish the court with such information as that Authority has or can reasonably obtain with respect to the hospital or hospitals (if any) in its region or elsewhere at which arrangements could be made for the admission of that person in pursuance of the order, and that Authority shall comply with any such request.

(2) In its application to Wales subsection (1) above shall have effect as if for any reference to any such Authority as is mentioned in paragraph (a) or (b) of that subsection there were substituted a reference to the Secretary of State, and as if for the words “ in its region or elsewhere ” there were substituted the words “ in Wales ”.

Effect of hospital orders, guardianship orders and interim hospital orders.

40.—(1) A hospital order shall be sufficient authority—

- (a) for a constable, an approved social worker or any other person directed to do so by the court to convey the patient to the hospital specified in the order within a period of 28 days ; and
- (b) for the managers of the hospital to admit him at any time within that period and thereafter detain him in accordance with the provisions of this Act.

(2) A guardianship order shall confer on the authority or person named in the order as guardian the same powers as a guardianship application made and accepted under Part II of this Act.

(3) Where an interim hospital order is made in respect of an offender—

- (a) a constable or any other person directed to do so by the court shall convey the offender to the hospital specified in the order within the period mentioned in section 38(4) above ; and
- (b) the managers of the hospital shall admit him within that period and thereafter detain him in accordance with the provisions of section 38 above.

(4) A patient who is admitted to a hospital in pursuance of a hospital order, or placed under guardianship by a guardianship order, shall, subject to the provisions of this subsection, be treated

for the purposes of the provisions of this Act mentioned in Part I of Schedule 1 to this Act as if he had been so admitted or placed on the date of the order in pursuance of an application for admission for treatment or a guardianship application, as the case may be, duly made under Part II of this Act, but subject to any modifications of those provisions specified in that Part of that Schedule.

PART III

(5) Where a patient is admitted to a hospital in pursuance of a hospital order, or placed under guardianship by a guardianship order, any previous application, hospital order or guardianship order by virtue of which he was liable to be detained in a hospital or subject to guardianship shall cease to have effect; but if the first-mentioned order, or the conviction on which it was made, is quashed on appeal, this subsection shall not apply and section 22 above shall have effect as if during any period for which the patient was liable to be detained or subject to guardianship under the order, he had been detained in custody as mentioned in that section.

Restriction orders

41.—(1) Where a hospital order is made in respect of an offender by the Crown Court, and it appears to the court, having regard to the nature of the offence, the antecedents of the offender and the risk of his committing further offences if set at large, that it is necessary for the protection of the public from serious harm so to do, the court may, subject to the provisions of this section, further order that the offender shall be subject to the special restrictions set out in this section, either without limit of time or during such period as may be specified in the order; and an order under this section shall be known as “a restriction order”.

Power of higher courts to restrict discharge from hospital.

(2) A restriction order shall not be made in the case of any person unless at least one of the registered medical practitioners whose evidence is taken into account by the court under section 37(2)(a) above has given evidence orally before the court.

(3) The special restrictions applicable to a patient in respect of whom a restriction order is in force are as follows—

(a) none of the provisions of Part II of this Act relating to the duration, renewal and expiration of authority for the detention of patients shall apply, and the patient shall continue to be liable to be detained by virtue of the relevant hospital order until he is duly discharged under the said Part II or absolutely discharged under section 42, 73, 74 or 75 below;

(b) no application shall be made to a Mental Health Review Tribunal in respect of a patient under section 66 or 69(1) below;

PART III

(c) the following powers shall be exercisable only with the consent of the Secretary of State, namely—

(i) power to grant leave of absence to the patient under section 17 above ;

(ii) power to transfer the patient in pursuance of regulations under section 19 above ; and

(iii) power to order the discharge of the patient under section 23 above ;

and if leave of absence is granted under the said section 17 power to recall the patient under that section shall vest in the Secretary of State as well as the responsible medical officer ; and

(d) the power of the Secretary of State to recall the patient under the said section 17 and power to take the patient into custody and return him under section 18 above may be exercised at any time ;

and in relation to any such patient section 40(4) above shall have effect as if it referred to Part II of Schedule 1 to this Act instead of Part I of that Schedule.

(4) A hospital order shall not cease to have effect under section 40(5) above if a restriction order in respect of the patient is in force at the material time.

(5) Where a restriction order in respect of a patient ceases to have effect while the relevant hospital order continues in force, the provisions of section 40 above and Part I of Schedule 1 to this Act shall apply to the patient as if he had been admitted to the hospital in pursuance of a hospital order (without a restriction order) made on the date on which the restriction order ceased to have effect.

(6) While a person is subject to a restriction order the responsible medical officer shall at such intervals (not exceeding one year) as the Secretary of State may direct examine and report to the Secretary of State on that person ; and every report shall contain such particulars as the Secretary of State may require.

Powers of Secretary of State in respect of patients subject to restriction orders.

42.—(1) If the Secretary of State is satisfied that in the case of any patient a restriction order is no longer required for the protection of the public from serious harm, he may direct that the patient shall cease to be subject to the special restrictions set out in section 41(3) above ; and where the Secretary of State so directs, the restriction order shall cease to have effect, and section 41(5) above shall apply accordingly.

(2) At any time while a restriction order is in force in respect of a patient, the Secretary of State may, if he thinks fit, by warrant discharge the patient from hospital, either absolutely

or subject to conditions; and where a person is absolutely discharged under this subsection, he shall thereupon cease to be liable to be detained by virtue of the relevant hospital order, and the restriction order shall cease to have effect accordingly.

(3) The Secretary of State may at any time during the continuance in force of a restriction order in respect of a patient who has been conditionally discharged under subsection (2) above by warrant recall the patient to such hospital as may be specified in the warrant.

(4) Where a patient is recalled as mentioned in subsection (3) above—

(a) if the hospital specified in the warrant is not the hospital from which the patient was conditionally discharged, the hospital order and the restriction order shall have effect as if the hospital specified in the warrant were substituted for the hospital specified in the hospital order;

(b) in any case, the patient shall be treated for the purposes of section 18 above as if he had absented himself without leave from the hospital specified in the warrant, and, if the restriction order was made for a specified period, that period shall not in any event expire until the patient returns to the hospital or is returned to the hospital under that section.

(5) If a restriction order in respect of a patient ceases to have effect after the patient has been conditionally discharged under this section, the patient shall, unless previously recalled under subsection (3) above, be deemed to be absolutely discharged on the date when the order ceases to have effect, and shall cease to be liable to be detained by virtue of the relevant hospital order accordingly.

(6) The Secretary of State may, if satisfied that the attendance at any place in Great Britain of a patient who is subject to a restriction order is desirable in the interests of justice or for the purposes of any public inquiry, direct him to be taken to that place; and where a patient is directed under this subsection to be taken to any place he shall, unless the Secretary of State otherwise directs, be kept in custody while being so taken, while at that place and while being taken back to the hospital in which he is liable to be detained.

43.—(1) If in the case of a person of or over the age of 14 years who is convicted by a magistrates' court of an offence punishable on summary conviction with imprisonment—

(a) the conditions which under section 37(1) above are required to be satisfied for the making of a hospital order are satisfied in respect of the offender; but

Power of
magistrates'
courts to
commit for
restriction
order.

PART III

(b) it appears to the court, having regard to the nature of the offence, the antecedents of the offender and the risk of his committing further offences if set at large, that if a hospital order is made a restriction order should also be made,

the court may, instead of making a hospital order or dealing with him in any other manner, commit him in custody to the Crown Court to be dealt with in respect of the offence.

(2) Where an offender is committed to the Crown Court under this section, the Crown Court shall inquire into the circumstances of the case and may—

(a) if that court would have power so to do under the foregoing provisions of this Part of this Act upon the conviction of the offender before that court of such an offence as is described in section 37(1) above, make a hospital order in his case, with or without a restriction order ;

(b) if the court does not make such an order, deal with the offender in any other manner in which the magistrates' court might have dealt with him.

(3) The Crown Court shall have the same power to make orders under sections 35, 36 and 38 above in the case of a person committed to the court under this section as the Crown Court has under those sections in the case of an accused person within the meaning of section 35 or 36 above or of a person convicted before that court as mentioned in section 38 above.

1980 c. 43. (4) The power of a magistrates' court under section 38 of the Magistrates' Courts Act 1980 (which enables such a court to commit an offender to the Crown Court where the court is of the opinion that greater punishment should be inflicted for the offence than the court has power to inflict) shall also be exercisable by a magistrates' court where it is of the opinion that greater punishment should be inflicted as aforesaid on the offender unless a hospital order is made in his case with a restriction order.

1824 c. 83. (5) The power of the Crown Court to make a hospital order, with or without a restriction order, in the case of a person convicted before that court of an offence may, in the same circumstances and subject to the same conditions, be exercised by such a court in the case of a person committed to the court under section 5 of the Vagrancy Act 1824 (which provides for the committal to the Crown Court of persons who are incorrigible rogues within the meaning of that section).

Committal to hospital under s. 43.

44.—(1) Where an offender is committed under section 43(1) above and the magistrates' court by which he is committed is

satisfied on written or oral evidence that arrangements have been made for the admission of the offender to a hospital in the event of an order being made under this section, the court may, instead of committing him in custody, by order direct him to be admitted to that hospital, specifying it, and to be detained there until the case is disposed of by the Crown Court, and may give such directions as it thinks fit for his production from the hospital to attend the Crown Court by which his case is to be dealt with.

(2) The evidence required by subsection (1) above shall be given by the registered medical practitioner who would be in charge of the offender's treatment or by some other person representing the managers of the hospital in question.

(3) The power to give directions under section 37(4) above, section 37(5) above and section 40(1) above shall apply in relation to an order under this section as they apply in relation to a hospital order, but as if references to the period of 28 days mentioned in section 40(1) above were omitted; and subject as aforesaid an order under this section shall, until the offender's case is disposed of by the Crown Court, have the same effect as a hospital order together with a restriction order, made without limitation of time.

45.—(1) Where on the trial of an information charging a person with an offence a magistrates' court makes a hospital order or guardianship order in respect of him without convicting him, he shall have the same right of appeal against the order as if it had been made on his conviction; and on any such appeal the Crown Court shall have the same powers as if the appeal had been against both conviction and sentence.

Appeals from magistrates' courts.

(2) An appeal by a child or young person with respect to whom any such order has been made, whether the appeal is against the order or against the finding upon which the order was made, may be brought by him or by his parent or guardian on his behalf.

Detention during Her Majesty's pleasure

46.—(1) The Secretary of State may by warrant direct that any person who, by virtue of any enactment to which this subsection applies, is required to be kept in custody during Her Majesty's pleasure or until the directions of Her Majesty are known shall be detained in such hospital (not being a mental nursing home) as may be specified in the warrant and, where that person is not already detained in the hospital, give directions for his removal there.

Persons ordered to be kept in custody during Her Majesty's pleasure.

 1955 c. 18.
 1955 c. 19.

(3) A direction under this section in respect of any person shall have the same effect as a hospital order together with a restriction order, made without limitation of time; and where such a direction is given in respect of a person while he is in the hospital, he shall be deemed to be admitted in pursuance of, and on the date of, the direction.

Transfer to hospital of prisoners, etc.

Removal to
 hospital of
 persons
 serving
 sentences of
 imprisonment,
 etc.

47.—(1) If in the case of a person serving a sentence of imprisonment the Secretary of State is satisfied, by reports from at least two registered medical practitioners—

(a) that the said person is suffering from mental illness, psychopathic disorder, severe mental impairment or mental impairment; and

(b) that the mental disorder from which that person is suffering is of a nature or degree which makes it appropriate for him to be detained in a hospital for medical treatment and, in the case of psychopathic disorder or mental impairment, that such treatment is likely to alleviate or prevent a deterioration of his condition;

the Secretary of State may, if he is of the opinion having regard to the public interest and all the circumstances that it is expedient so to do, by warrant direct that that person be removed to and detained in such hospital (not being a mental nursing home) as may be specified in the direction; and a direction under this section shall be known as “a transfer direction”.

(2) A transfer direction shall cease to have effect at the expiration of the period of 14 days beginning with the date on which it is given unless within that period the person with respect to whom it was given has been received into the hospital specified in the direction.

(3) A transfer direction with respect to any person shall have the same effect as a hospital order made in his case.

(4) A transfer direction shall specify the form or forms of mental disorder referred to in paragraph (a) of subsection (1) above from which, upon the reports taken into account under that subsection, the patient is found by the Secretary of State to be suffering; and no such direction shall be given unless the patient is described in each of those reports as suffering from the same form of disorder, whether or not he is also described in either of them as suffering from another form.

(5) References in this Part of this Act to a person serving a sentence of imprisonment include references—

- (a) to a person detained in pursuance of any sentence or order for detention made by a court in criminal proceedings (other than an order under any enactment to which section 46 above applies);
- (b) to a person committed to custody under section 115(3) of the Magistrates' Courts Act 1980 (which relates to persons who fail to comply with an order to enter into recognisances to keep the peace or be of good behaviour); and
- (c) to a person committed by a court to a prison or other institution to which the Prison Act 1952 applies in default of payment of any sum adjudged to be paid on his conviction.

1980 c. 43.

1952 c. 52.

48.—(1) If in the case of a person to whom this section applies the Secretary of State is satisfied by the same reports as are required for the purposes of section 47 above that that person is suffering from mental illness or severe mental impairment of a nature or degree which makes it appropriate for him to be detained in a hospital for medical treatment and that he is in urgent need of such treatment, the Secretary of State shall have the same power of giving a transfer direction in respect of him under that section as if he were serving a sentence of imprisonment.

Removal to hospital of other prisoners.

(2) This section applies to the following persons, that is to say—

- (a) persons detained in a prison or remand centre, not being persons serving a sentence of imprisonment or persons falling within the following paragraphs of this subsection;

1971 c. 77.

(3) Subsections (2) to (4) of section 47 above shall apply for the purposes of this section and of any transfer direction given by virtue of this section as they apply for the purposes of that section and of any transfer direction under that section.

49.—(1) Where a transfer direction is given in respect of any person, the Secretary of State, if he thinks fit, may by warrant further direct that that person shall be subject to the special

Restriction on discharge of prisoners removed to hospital.

PART III

restrictions set out in section 41 above; and where the Secretary of State gives a transfer direction in respect of any such person as is described in paragraph (a) or (b) of section 48(2) above, he shall also give a direction under this section applying those restrictions to him.

(2) A direction under this section shall have the same effect as a restriction order made under section 41 above and shall be known as “a restriction direction”.

(3) While a person is subject to a restriction direction the responsible medical officer shall at such intervals (not exceeding one year) as the Secretary of State may direct examine and report to the Secretary of State on that person; and every report shall contain such particulars as the Secretary of State may require.

Further provisions as to prisoners under sentence.

50.—(1) Where a transfer direction and a restriction direction have been given in respect of a person serving a sentence of imprisonment and before the expiration of that person’s sentence the Secretary of State is notified by the responsible medical officer, any other registered medical practitioner or a Mental Health Review Tribunal that that person no longer requires treatment in hospital for mental disorder or that no effective treatment for his disorder can be given in the hospital to which he has been removed, the Secretary of State may—

- (a) by warrant direct that he be remitted to any prison or other institution in which he might have been detained if he had not been removed to hospital, there to be dealt with as if he had not been so removed; or
- (b) exercise any power of releasing him on licence or discharging him under supervision which would have been exercisable if he had been remitted to such a prison or institution as aforesaid,

and on his arrival in the prison or other institution or, as the case may be, his release or discharge as aforesaid, the transfer direction and the restriction direction shall cease to have effect.

(2) A restriction direction in the case of a person serving a sentence of imprisonment shall cease to have effect on the expiration of the sentence.

(3) Subject to subsection (4) below, references in this section to the expiration of a person’s sentence are references to the expiration of the period during which he would have been liable to be detained in a prison or other institution if the transfer direction had not been given and that period shall be treated as expiring on the date on which he could have been discharged if he had not forfeited remission of any part of the sentence after his removal pursuant to the direction.

(4) For the purposes of section 49(2) of the Prison Act 1952 (which provides for discounting from the sentences of certain prisoners periods while they are unlawfully at large) a patient who, having been transferred in pursuance of a transfer direction from any such institution as is referred to in that section, is at large in circumstances in which he is liable to be taken into custody under any provision of this Act, shall be treated as unlawfully at large and absent from that institution.

PART III

1952 c. 52.

51.—(1) This section has effect where a transfer direction has been given in respect of any such person as is described in paragraph (a) of section 48(2) above and that person is in this section referred to as “the detainee”.

Further provisions as to detained persons.

(2) The transfer direction shall cease to have effect when the detainee’s case is disposed of by the court having jurisdiction to try or otherwise deal with him, but without prejudice to any power of that court to make a hospital order or other order under this Part of this Act in his case.

(3) If the Secretary of State is notified by the responsible medical officer, any other registered medical practitioner or a Mental Health Review Tribunal at any time before the detainee’s case is disposed of by that court—

- (a) that the detainee no longer requires treatment in hospital for mental disorder; or
- (b) that no effective treatment for his disorder can be given at the hospital to which he has been removed,

the Secretary of State may by warrant direct that he be remitted to any place where he might have been detained if he had not been removed to hospital, there to be dealt with as if he had not been so removed, and on his arrival at the place to which he is so remitted the transfer direction shall cease to have effect.

(4) If (no direction having been given under subsection (3) above) the court having jurisdiction to try or otherwise deal with the detainee is satisfied on the written or oral evidence of the responsible medical officer—

- (a) that the detainee no longer requires treatment in hospital for mental disorder; or
- (b) that no effective treatment for his disorder can be given at the hospital to which he has been removed,

the court may order him to be remitted to any such place as is mentioned in subsection (3) above or released on bail and on his arrival at that place or, as the case may be, his release on bail the transfer direction shall cease to have effect.

PART III

(5) If (no direction or order having been given or made under subsection (3) or (4) above) it appears to the court having jurisdiction to try or otherwise deal with the detainee—

(a) that it is impracticable or inappropriate to bring the detainee before the court ; and

(b) that the conditions set out in subsection (6) below are satisfied,

the court may make a hospital order (with or without a restriction order) in his case in his absence and, in the case of a person awaiting trial, without convicting him.

(6) A hospital order may be made in respect of a person under subsection (5) above if the court—

(a) is satisfied, on the written or oral evidence of at least two registered medical practitioners, that the detainee is suffering from mental illness or severe mental impairment of a nature or degree which makes it appropriate for the patient to be detained in a hospital for medical treatment ; and

(b) is of the opinion, after considering any depositions or other documents required to be sent to the proper officer of the court, that it is proper to make such an order.

(7) Where a person committed to the Crown Court to be dealt with under section 43 above is admitted to a hospital in pursuance of an order under section 44 above, subsections (5) and (6) above shall apply as if he were a person subject to a transfer direction.

Further provisions as to persons remanded by magistrates' courts.

52.—(1) This section has effect where a transfer direction has been given in respect of any such person as is described in paragraph (b) of section 48(2) above ; and that person is in this section referred to as " the accused " .

(2) Subject to subsection (5) below, the transfer direction shall cease to have effect on the expiration of the period of remand unless the accused is committed in custody to the Crown Court for trial or to be otherwise dealt with.

1980 c. 43.

(3) Subject to subsection (4) below, the power of further remanding the accused under section 128 of the Magistrates' Courts Act 1980 may be exercised by the court without his being brought before the court ; and if the court further remands the accused in custody (whether or not he is brought before the court) the period of remand shall, for the purposes of this section, be deemed not to have expired.

(4) The court shall not under subsection (3) above further remand the accused in his absence unless he has appeared before the court within the previous six months.

(5) If the magistrates' court is satisfied, on the written or oral evidence of the responsible medical officer—

- (a) that the accused no longer requires treatment in hospital for mental disorder ; or
- (b) that no effective treatment for his disorder can be given in the hospital to which he has been removed,

the court may direct that the transfer direction shall cease to have effect notwithstanding that the period of remand has not expired or that the accused is committed to the Crown Court as mentioned in subsection (2) above.

(6) If the accused is committed to the Crown Court as mentioned in subsection (2) above and the transfer direction has not ceased to have effect under subsection (5) above, section 51 above shall apply as if the transfer direction given in his case were a direction given in respect of a person falling within that section.

(7) The magistrates' court may, in the absence of the accused, inquire as examining justices into an offence alleged to have been committed by him and commit him for trial in accordance with section 6 of the Magistrates' Courts Act 1980 if—

1980 c. 43.

- (a) the court is satisfied, on the written or oral evidence of the responsible medical officer, that the accused is unfit to take part in the proceedings ; and
- (b) where the court proceeds under subsection (1) of that section, the accused is represented by counsel or a solicitor.

53.—(1) Subject to subsection (2) below, a transfer direction given in respect of any such person as is described in paragraph (c) or (d) of section 48(2) above shall cease to have effect on the expiration of the period during which he would, but for his removal to hospital, be liable to be detained in the place from which he was removed.

Further provisions as to civil prisoners and persons detained under the Immigration Act 1971.

1971 c. 77.

(2) Where a transfer direction and a restriction direction have been given in respect of any such person as is mentioned in subsection (1) above, then, if the Secretary of State is notified by the responsible medical officer, any other registered medical practitioner or a Mental Health Review Tribunal at any time before the expiration of the period there mentioned—

- (a) that that person no longer requires treatment in hospital for mental disorder ; or
- (b) that no effective treatment for his disorder can be given in the hospital to which he has been removed,

the Secretary of State may by warrant direct that he be remitted to any place where he might have been detained if he

PART III had not been removed to hospital, and on his arrival at the place to which he is so remitted the transfer direction and the restriction direction shall cease to have effect.

(3) Where, in pursuance of a direction of the court, any such report is tendered in evidence otherwise than by or on behalf of the person who is the subject of the report, then—

(a) the tribunal shall direct the discharge of a patient liable to be detained under section 2 above if they are satisfied—

(ii) that his detention as aforesaid is not justified in the interests of his own health or safety or with a view to the protection of other persons ;

(b) the tribunal shall direct the discharge of a patient liable to be detained otherwise than under section 2 above if they are satisfied—

(iii) in the case of an application by virtue of paragraph (g) of section 66(1) above, that the patient, if released, would not be likely to act in a manner dangerous to other persons or to himself.

(2) In determining whether to direct the discharge of a patient detained otherwise than under section 2 above in a case not falling within paragraph (b) of subsection (1) above, the tribunal shall have regard—

- (a) to the likelihood of medical treatment alleviating or preventing a deterioration of the patient's condition ; and
- (b) in the case of a patient suffering from mental illness or severe mental impairment, to the likelihood of the patient, if discharged, being able to care for himself, to obtain the care he needs or to guard himself against serious exploitation.

(7) A tribunal may defer a direction for the conditional discharge of a patient until such arrangements as appear to the tribunal to be necessary for that purpose have been made to their satisfaction; and where by virtue of any such deferment no direction has been given on an application or reference before the time when the patient's case comes before the tribunal on a subsequent application or reference, the previous application or reference shall be treated as one on which no direction under this section can be given.

(8) This section is without prejudice to section 42 above.

(4) If, in the case of a patient who is subject to a transfer direction under section 48 above, the tribunal notify the Secretary of State that the patient would be entitled to be absolutely or conditionally discharged, the Secretary of State shall, unless the tribunal have made a recommendation under subsection (1)(b) above, by warrant direct that the patient be remitted to a prison or other institution in which he might have been detained if he had not been removed to hospital, there to be dealt with as if he had not been so removed.

(5) Where a patient is transferred or remitted under subsection (3) or (4) above the relevant transfer direction and the restriction direction shall cease to have effect on his arrival in the prison or other institution.

(6) Subsections (3) to (8) of section 73 above shall have effect in relation to this section as they have effect in relation to that section, taking references to the relevant hospital order and the restriction order as references to the transfer direction and the restriction direction.

(7) This section is without prejudice to sections 50 to 53 above in their application to patients who are not discharged under this section.

(2) There shall continue to be an office of the Supreme Court, called the Court of Protection, for the protection and management, as provided by this Part of this Act, of the property and affairs of persons under disability; and there shall continue to be a Master of the Court of Protection appointed by the Lord Chancellor under section 89 of the Supreme Court Act 1981.

1868 c. 72.

(3) The Master of the Court of Protection shall take the oath of allegiance and judicial oath in the presence of the Lord Chancellor; and the Promissory Oaths Act 1868 shall have effect as if the officers named in the Second Part of the Schedule to that Act included the Master of the Court of Protection.

- and references in this Part of this Act to the judge shall be construed accordingly.

(2) The functions of the judge under this Part of this Act shall be exercisable where, after considering medical evidence, he is satisfied that a person is incapable, by reason of mental disorder, of managing and administering his property and affairs ; and a person as to whom the judge is so satisfied is referred to in this Part of this Act as a patient.

 - (d) otherwise for administering the patient's affairs.

(2) In the exercise of the powers conferred by this section regard shall be had first of all to the requirements of the patient, and the rules of law which restricted the enforcement by a creditor of rights against property under the control of the judge in lunacy shall apply to property under the control of the judge ; but, subject to the foregoing provisions of this subsection, the judge shall, in administering a patient's affairs, have regard to

PART VII the interests of creditors and also to the desirability of making provision for obligations of the patient notwithstanding that they may not be legally enforceable.

Powers of the judge as to patient's property and affairs.

96.—(1) Without prejudice to the generality of section 95 above, the judge shall have power to make such orders and give such directions and authorities as he thinks fit for the purposes of that section and in particular may for those purposes make orders or give directions or authorities for—

- (a) the control (with or without the transfer or vesting of property or the payment into or lodgment in the Supreme Court of money or securities) and management of any property of the patient ;

- (k) the exercise of any power (including a power to consent) vested in the patient, whether beneficially, or as guardian or trustee, or otherwise.

(2) If under subsection (1) above provision is made for the settlement of any property of a patient, or the exercise of a power vested in a patient of appointing trustees or retiring from a trust, the judge may also make as respects the property settled or trust property such consequential vesting or other orders as the case may require, including (in the case of the exercise of such a power) any order which could have been made in such a case under Part IV of the Trustee Act 1925.

1925 c. 19.

(3) Where under this section a settlement has been made of any property of a patient, and the Lord Chancellor or a nominated judge is satisfied, at any time before the death of the patient, that any material fact was not disclosed when the settlement was made, or that there has been any substantial change in circumstances, he may by order vary the settlement in such manner as he thinks fit, and give any consequential directions.

(4) The power of the judge to make or give an order, direction or authority for the execution of a will for a patient—

(b) shall not be exercised unless the judge has reason to believe that the patient is incapable of making a valid will for himself.

(5) The powers of a patient as patron of a benefice shall be exercisable by the Lord Chancellor only.

97.—(1) Where under section 96(1) above the judge makes or gives an order, direction or authority requiring or authorising a person (in this section referred to as “the authorised person”) to execute a will for a patient, any will executed in pursuance of that order, direction or authority shall be expressed to be signed by the patient acting by the authorised person, and shall be—

(c) sealed with the official seal of the Court of Protection.

(2) The Wills Act 1837 shall have effect in relation to any such will as if it were signed by the patient by his own hand, except that in relation to any such will—

1837 c. 26

(a) section 9 of that Act (which makes provision as to the signing and attestation of wills) shall not apply, and

PART VII

(b) in the subsequent provisions of that Act any reference to execution in the manner required by the previous provisions of that Act shall be construed as a reference to execution in the manner required by subsection (1) above.

(3) Subject to the following provisions of this section, any such will executed in accordance with subsection (1) above shall have the same effect for all purposes as if the patient were capable of making a valid will and the will had been executed by him in the manner required by the Wills Act 1837.

1837 c. 26.

(4) So much of subsection (3) above as provides for such a will to have effect as if the patient were capable of making a valid will—

- (a) shall not have effect in relation to such a will in so far as it disposes of any immovable property, other than immovable property in England or Wales, and
- (b) where at the time when such a will is executed the patient is domiciled in Scotland or Northern Ireland or in a country or territory outside the United Kingdom, shall not have effect in relation to that will in so far as it relates to any other property or matter, except any property or matter in respect of which, under the law of his domicile, any question of his testamentary capacity would fall to be determined in accordance with the law of England and Wales.

Judge's powers in cases of emergency.

98. Where it is represented to the judge, and he has reason to believe, that a person may be incapable, by reason of mental disorder, of managing and administering his property and affairs, and the judge is of the opinion that it is necessary to make immediate provision for any of the matters referred to in section 95 above, then pending the determination of the question whether that person is so incapable the judge may exercise in relation to the property and affairs of that person any of the powers conferred on him in relation to the property and affairs of a patient by this Part of this Act so far as is requisite for enabling that provision to be made.

Power to appoint receiver.

99.—(1) The judge may by order appoint as receiver for a patient a person specified in the order or the holder for the time being of an office so specified.

(2) A person appointed as receiver for a patient shall do all such things in relation to the property and affairs of the patient as the judge, in the exercise of the powers conferred on him by

sections 95 and 96 above, orders or directs him to do and may do any such thing in relation to the property and affairs of the patient as the judge, in the exercise of those powers, authorises him to do.

(3) A receiver appointed for any person shall be discharged by order of the judge on the judge being satisfied that that person has become capable of managing and administering his property and affairs, and may be discharged by order of the judge at any time if the judge considers it expedient to do so; and a receiver shall be discharged (without any order) on the death of the patient.

100.—(1) Where the judge is satisfied—

(a) that under the law prevailing in a place outside England and Wales a person has been appointed to exercise powers with respect to the property or affairs of any other person on the ground (however formulated) that that other person is incapable, by reason of mental disorder, of managing and administering his property and affairs, and

(b) that having regard to the nature of the appointment and to the circumstances of the case it is expedient that the judge should exercise his powers under this section,

the judge may direct any stock standing in the name of the said other person or the right to receive the dividends from the stock to be transferred into the name of the person so appointed or otherwise dealt with as requested by that person, and may give such directions as the judge thinks fit for dealing with accrued dividends from the stock.

(2) In this section “stock” includes shares and also any fund, annuity or security transferable in the books kept by any body corporate or unincorporated company or society, or by an instrument of transfer either alone or accompanied by other formalities, and “dividends” shall be construed accordingly.

101.—(1) Where any property of a person has been disposed of under this Part of this Act, and under his will or his intestacy, or by any gift perfected or nomination taking effect on his death, any other person would have taken an interest in the property but for the disposal—

(a) he shall take the same interest, if and so far as circumstances allow, in any property belonging to the estate of the deceased which represents the property disposed of; and

PART VII

(b) if the property disposed of was real property any property representing it shall so long as it remains part of his estate be treated as if it were real property.

(2) The judge, in ordering, directing or authorising under this Part of this Act any disposal of property which apart from this section would result in the conversion of personal property into real property, may direct that the property representing the property disposed of shall, so long as it remains the property of the patient or forms part of his estate, be treated as if it were personal property.

(3) References in subsections (1) and (2) above to the disposal of property are references to—

and references to property representing property disposed of shall be construed accordingly and as including the result of successive disposals.

(4) The judge may give such directions as appear to him necessary or expedient for the purpose of facilitating the operation of subsection (1) above, including the carrying of money to a separate account and the transfer of property other than money.

(5) Where the judge has ordered, directed or authorised the expenditure of money for the carrying out of permanent improvements on, or otherwise for the permanent benefit of, any property of the patient, he may order that the whole or any part of the money expended or to be expended shall be a charge upon the property, whether without interest or with interest at a specified rate ; and an order under this subsection may provide for excluding or restricting the operation of subsection (1) above.

(6) A charge under subsection (5) above may be made in favour of such person as may be just, and in particular, where the money charged is paid out of the patient's general estate, may be made in favour of a person as trustee for the patient ; but no charge under that subsection shall confer any right of sale or foreclosure during the lifetime of the patient.

(4) If the Lord Chancellor so determines in the case of any Visitor appointed under this section, he shall be paid out of money provided by Parliament such remuneration and allowances as the Lord Chancellor may, with the concurrence of the Treasury, determine.

103.—(1) Patients shall be visited by Lord Chancellor's Visitors in such circumstances, and in such manner, as may be prescribed by directions of a standing nature given by the Master of the Court of Protection with the concurrence of the Lord Chancellor. Functions of Visitors.

(2) Where it appears to the judge in the case of any patient that a visit by a Lord Chancellor's Visitor is necessary for the purpose of investigating any particular matter or matters relating to the capacity of the patient to manage and administer his property and affairs, or otherwise relating to the exercise in relation to him of the functions of the judge under this Part of this Act, the judge may order that the patient shall be visited for that purpose.

(3) Every visit falling to be made under subsection (1) or (2) above shall be made by a General Visitor unless, in a case where it appears to the judge that it is in the circumstances essential for the visit to be made by a Visitor with medical or legal qualifications, the judge directs that the visit shall be made by a Medical or a Legal Visitor.

(8) A report made by a Visitor under this section, and information contained in such a report, shall not be disclosed except to the judge and any person authorised by the judge to receive the disclosure.

(9) If any person discloses any report or information in contravention of subsection (8) above, he shall be guilty of an offence and liable on summary conviction to imprisonment for a term not exceeding three months or to a fine not exceeding level 3 on the standard scale or both.

(10) In this section references to patients include references to persons alleged to be incapable, by reason of mental disorder, of managing and administering their property and affairs.

General powers of the judge with respect to proceedings.

104.—(1) For the purposes of any proceedings before him with respect to persons suffering or alleged to be suffering from mental disorder, the judge shall have the same powers as are vested in the High Court in respect of securing the attendance of witnesses and the production of documents.

(2) Subject to the provisions of this section, any act or omission in the course of such proceedings which, if occurring in the course of proceedings in the High Court would have been a contempt of the Court, shall be punishable by the judge in any manner in which it could have been punished by the High Court.

(3) Subsection (2) above shall not authorise the Master, or any other officer of the Court of Protection to exercise any power of attachment or committal, but the Master or officer may certify any such act or omission to the Lord Chancellor or a nominated judge, and the Lord Chancellor or judge may upon such certification inquire into the alleged act or omission and take any such action in relation to it as he could have taken if the proceedings had been before him.

(4) Subsections (1) to (4) of section 36 of the Supreme Court Act 1981 (which provides a special procedure for the issue of writs of subpoena ad testificandum and duces tecum so as to be enforceable throughout the United Kingdom) shall apply in relation to proceedings under this Part of this Act with the
