- [^{F2}(1A) In the case of an offence the sentence for which would otherwise fall to be imposed under subsection (2) of section 3 or 4 of the Crime (Sentences) Act 1997, nothing in that subsection shall prevent a court from making an order under subsection (1) above for the admission of the offender to a hospital.]

- (ii) in the case of an offender who has attained the age of 16 years, the mental disorder is of a nature or degree which warrants his reception into guardianship under this Act; and
 - (b) the court is of the opinion, having regard to all the circumstances including the nature of the offence and the character and antecedents of the offender, and to the other available methods of dealing with him, that the most suitable method of disposing of the case is by means of an order under this section.
- (3) Where a person is charged before a magistrates' court with any act or omission as an offence and the court would have power, on convicting him of that offence, to make an order under subsection (1) above in his case as being a person suffering from mental illness or severe mental impairment, then, if the court is satisfied that the accused did the act or made the omission charged, the court may, if it thinks fit, make such an order without convicting him.
- (4) An order for the admission of an offender to a hospital (in this Act referred to as "a hospital order") shall not be made under this section unless the court is satisfied on the written or oral evidence of the registered medical practitioner who would be in charge of his treatment or of some other person representing the managers of the hospital that arrangements have been made for his admission to that hospital^{F3} . . . , and for his admission to it within the period of 28 days beginning with the date of the making of such an order; and the court may, pending his admission within that period, give such directions as it thinks fit for his conveyance to and detention in a place of safety.
- (5) If within the said period of 28 days it appears to the Secretary of State that by reason of an emergency or other special circumstances it is not practicable for the patient to be received into the hospital specified in the order, he may give directions for the admission of the patient to such other hospital as appears to be appropriate instead of the hospital so specified; and where such directions are given—
- (a) the Secretary of State shall cause the person having the custody of the patient to be informed, and
 - (b) the hospital order shall have effect as if the hospital specified in the directions were substituted for the hospital specified in the order.
- (6) An order placing an offender under the guardianship of a local social services authority or of any other person (in this Act referred to as "a guardianship order") shall not be made under this section unless the court is satisfied that that authority or person is willing to receive the offender into guardianship.
- (7) A hospital order or guardianship order shall specify the form or forms of mental disorder referred to in subsection (2)(a) above from which, upon the evidence taken into account under that subsection, the offender is found by the court to be suffering; and no such order shall be made unless the offender is described by each of the practitioners whose evidence is taken into account under that subsection as suffering from the same one of those forms of mental disorder, whether or not he is also described by either of them as suffering from another of them.
- (8) Where an order is made under this section, the court shall not
- [^{F4}(a) pass a sentence of imprisonment, impose a fine or make a community order (within the meaning of Part I of the Criminal Justice Act 1991) in respect of the offence; or
 - (b) make an order under section 58 of that Act (binding over of parent or guardian) in respect of the offender,]
