- (3) The patient shall be treated as having withdrawn his consent and section 64B or (as the case may be) section 64E above shall then apply as if the remainder of the treatment were a separate form of treatment.
- (4) Without prejudice to the application of subsections (1) to (3) above to any treatment given under the plan of treatment to which a patient has consented, a patient who has consented to such a plan may at any time withdraw his consent to further treatment, or to further treatment of any description, under the plan.
- (5) This section shall not preclude the continuation of any treatment, or of treatment under any plan, pending compliance with section 58, 58A, 64B or 64E above if the approved clinician in charge of the treatment considers that the discontinuance of the treatment, or of treatment under the plan, would cause serious suffering to the patient.]]
