71F Calculation of tax charged under section 71E in certain cases

(1) Where—

- (a) tax is charged under section 71E above by reason of the happening of an event within subsection (2) below, and
 - (b) that event happens after B has attained the age of 18,
- the tax is calculated in accordance with this section.

(2) Those events are—

- (a) B becoming absolutely entitled as mentioned in section 71D(6)(a) above,
- (b) the death of B, and
- (c) property being paid or applied for the advancement or benefit of B.

(3) The amount of the tax is given by—

Chargeable amount × Relevant fraction × Settlement rate

(4) For the purposes of subsection (3) above, the “Chargeable amount” is—

- (a) the amount by which the value of property which is comprised in the settlement and to which section 71D above applies is less immediately after the event giving rise to the charge than it would be but for the event, or
- (b) where the tax is payable out of settled property to which section 71D above applies immediately after the event, the amount which, after deducting the tax, is equal to the amount on which tax would be charged by virtue of paragraph (a) above.

(5) For the purposes of subsection (3) above, the “Relevant fraction” is three tenths multiplied by so many fortieths as there are complete successive quarters in the period—

- (a) beginning with the day on which B attained the age of 18 or, if later, the day on which the property became property to which section 71D above applies, and

- (b) ending with the day before the occasion of the charge.
- (6) Where the whole or part of the Chargeable amount is attributable to property that was excluded property at any time during the period mentioned in subsection (5) above then, in determining the “Relevant fraction” in relation to that amount or part, no quarter throughout which that property was excluded property shall be counted.
- (7) For the purposes of subsection (3) above, the “Settlement rate” is the effective rate (that is to say, the rate found by expressing the tax chargeable as a percentage of the amount on which it is charged) at which tax would be charged on the value transferred by a chargeable transfer of the description specified in subsection (8) below.
- (8) The chargeable transfer postulated in subsection (7) above is one—
- (a) the value transferred by which is equal to an amount determined in accordance with subsection (9) below,
 - (b) which is made at the time of the charge to tax under section 71E above by a transferor who has in the period of seven years ending with the day of the occasion of the charge made chargeable transfers having an aggregate value equal to that of any chargeable transfers made by the settlor in the period of seven years ending with the day on which the settlement commenced, disregarding transfers made on that day, and
 - (c) on which tax is charged in accordance with section 7(2) above.
- (9) The amount referred to in subsection (8)(a) above is equal to the aggregate of—
- (a) the value, immediately after the settlement commenced, of the property then comprised in it,
 - (b) the value, immediately after a related settlement commenced, of the property then comprised in it [^{F131}which was property to which section 71D above applied] , and
 - (c) the value, immediately after it became comprised in the settlement, of any property which became so comprised after the settlement commenced and before the occasion of the charge under section 71E above (whether or not it has remained so comprised).

 - (i) an individual (“the individual”) domiciled in the United Kingdom acquires or becomes able to acquire (directly or indirectly) an interest in property comprised in a settlement (“the relevant settled property”), and
 - (ii) consideration in money or money's worth is given by one or more of the persons mentioned in paragraph (a) (whether or not in connection with the acquisition of that interest or the individual becoming able to acquire it),
 - (c) there is a relevant reduction in the value of the individual's estate, and
 - (d) condition A or condition B is met.
- (2) Condition A is that—
 - (a) the settlor was not domiciled in the United Kingdom at the time the settlement was made, and
 - (b) the relevant settled property is situated outside the United Kingdom at any time during the course of the arrangements.
- (3) Condition B is that—
 - (a) the settlor was not an individual or a close company at the time the settlement was made, and
 - (b) condition A is not met.
- (4) Subsection (6) applies if all or a part of a relevant reduction (“amount A”) is attributable to the value of the individual's section 49(1) property being less than it would have been in the absence of the arrangements.
- (5) “The individual's section 49(1) property” means settled property to which the individual is treated as beneficially entitled under section 49(1) by reason of the individual being beneficially entitled to an interest in possession in the property.
- (6) Where this subsection applies—
 - (a) a part of that interest in possession is deemed, for the purposes of section 52, to come to an end at the relevant time, and
 - (b) that section applies in relation to the coming to an end of that part as if the reference in subsection (4)(a) of that section to a corresponding part of the whole value of the property in which the interest in possession subsists were a reference to amount A.
- (7) Subsection (8) applies to so much (if any) of a relevant reduction as is not amount A (“amount B”).
- (8) Tax is to be charged as if the individual had made a transfer of value at the relevant time and the value transferred by it had been equal to amount B.

74B Section 74A: supplementary provision

- (1) A transfer of value arising by virtue of section 74A is to be taken to be a transfer which is not a potentially exempt transfer.
- (2) For the purposes of section 74A—
 - (a) when determining the value transferred by a transfer of value arising by virtue of that section, no account is to be taken of section 3(2),
 - (b) nothing in section 10(1) applies to prevent such a transfer, and
 - (c) nothing in sections 102 to 102C of the Finance Act 1986 applies in relation to such a transfer.
- (3) Where, ignoring this subsection, a transfer of value would arise by virtue of section 74A (“the current transfer”), the value transferred by a relevant related transfer is to be treated as reducing the value transferred by the current transfer.

But this subsection does not apply if and to the extent that the relevant related transfer has already been applied to reduce another transfer of value arising by virtue of that section.

- (4) “Relevant related transfer” means—
 - (a) where the arrangements consist of a series of operations, any transfer of value constituted by one or more of those operations which occur before or at the same time as the current transfer, other than a transfer of value arising by virtue of section 74A, and
 - (b) where the arrangements consist of a single operation, any transfer of value which arises from that operation, other than a transfer of value arising by virtue of section 74A.
- (5) Section 268(3) does not apply to a transfer of value arising by virtue of section 74A.
- (6) Where—
 - (a) a transfer of value has arisen by virtue of section 74A,
 - (b) in the course of the arrangements the individual acquires an interest in possession in settled property, and
 - (c) section 5(1B) applies to the interest in possession so that it forms part of the individual's estate,
 this Act has effect as if that transfer of value had never arisen.
