

Inheritance Tax Act 1984

1984 CHAPTER 51

PART IX

MISCELLANEOUS AND SUPPLEMENTARY

Miscellaneous

262 Tax chargeable in certain cases of future payments, etc.

- (1) Where a disposition made for a consideration in money or money's worth is a transfer of value and any payments made or assets transferred by the transferor in pursuance of the disposition are made or transferred more than one year after the disposition is made, tax (if any) shall be charged as if—
 - (a) any payment made or asset transferred in pursuance of the disposition were made or transferred in pursuance of a separate disposition made, without consideration, at the time the payment is made or the asset is transferred, and
 - (b) the amount of the payment made or the value of the asset transferred in pursuance of each of those separate dispositions were the chargeable portion of the payment or asset.
- (2) For the purposes of this section the chargeable portion of any payment made or any asset transferred at any time shall be such portion of its value at that time as is found by applying to it the fraction of which—
 - (a) the numerator is the value actually transferred by the disposition first mentioned in subsection (1) above (calculated as if no tax were payable on it), and
 - (b) the denominator is the value, at the time of that disposition, of the aggregate of the payments made or to be made and assets transferred or to be transferred by the transferor in pursuance of it.

263 Annuity purchased in conjunction with life policy.

- (1) Where—

- (a) a policy of life insurance is issued in respect of an insurance made after 26th March 1974 or is after that date varied or substituted for an earlier policy, and
- (b) at the time the insurance is made or at any earlier or later date an annuity on the life of the insured is purchased, and
- (c) the benefit of the policy is vested in a person other than the person who purchased the annuity,

then, unless it is shown that the purchase of the annuity and the making of the insurance (or, as the case may be, the substitution or variation) were not associated operations, the person who purchased the annuity shall be treated as having made a transfer of value by a disposition made at the time the benefit of the policy became so vested (to the exclusion of any transfer of value which, apart from this section, he might have made as a result of the vesting, or of the purchase and the vesting being associated operations).

- (2) The value transferred by that transfer of value shall be equal to whichever of the following is less, namely,—
 - (a) the aggregate of—
 - (i) the value of the consideration given for the annuity, and
 - (ii) any premium paid or other consideration given under the policy on or before the transfer; and
 - (b) the value of the greatest benefit capable of being conferred at any time by the policy, calculated as if that time were the date of the transfer.
- (3) The preceding provisions of this section shall apply, with the necessary modifications, where a contract for an annuity payable on a person's death is after 26th March 1974 made or varied or substituted for or replaced by such a contract or a policy of life insurance as they apply where a policy of life insurance is issued, varied or substituted as mentioned in subsection (1) above.

264 Transfers reported late.

- (1) This section has effect where a person has made a transfer of value (“the earlier transfer”) which—
 - (a) is not notified to the Board in an account under section 216 above or by information furnished under section 219 above before the expiration of the period specified in section 216 for the delivery of accounts, and
 - (b) is not discovered until after payment has been accepted by the Board in full satisfaction of the tax on the value transferred by another transfer of value (“the later transfer”) made by him on or after the day on which he made the earlier transfer.
- (2) Where the earlier transfer is made in the period of ten years ending with the date of the later transfer there shall be charged on the value transferred by the earlier transfer, in addition to any tax chargeable on it apart from this section, an amount of tax equal to the difference, if any, between—
 - (a) the tax which, having regard to the earlier transfer, was properly chargeable on the value transferred by the later transfer, and
 - (b) the payment accepted by the Board in full satisfaction of the tax chargeable on that value;

and any such difference shall not be chargeable on the value transferred by the later transfer.

Status: Point in time view as at 06/04/2001. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Inheritance Tax Act 1984, PART IX. (See end of Document for details)

- (3) Where in the period mentioned in subsection (2) above there have been two or more earlier transfers the reference in paragraph (a) of that subsection to the earlier transfer shall be construed as a reference to both or all of those transfers, but the amount of tax chargeable under that subsection in respect of each of them shall, subject to subsection (4) below, be reduced in the proportion which the value transferred by it bears to the aggregate of the values transferred by it and the other or others.
- (4) Where the earlier transfers mentioned in subsection (3) above include a settled transfer, that is to say, a transfer in the case of which an amount in full satisfaction of the tax chargeable in respect of it under subsection (2) above has been paid to and accepted by the Board before the discovery of one or more of the other earlier transfers,—
 - (a) no further tax shall be chargeable under subsection (2) above in respect of the settled transfer in consequence of regard being had under paragraph (a) of that subsection to the subsequently discovered transfer or transfers;
 - (b) the amount so paid and accepted shall reduce the amount chargeable under subsection (2) above in respect of the subsequently discovered transfer or transfers; and
 - (c) if there are two or more subsequently discovered transfers, the value transferred by the settled transfer shall be disregarded in calculating under subsection (3) above the reduction in the amount of tax chargeable in respect of each of them.
- (5) Where the later transfer referred to in subsection (2) above is itself an earlier transfer in relation to another later transfer the references in paragraphs (a) and (b) of that subsection to tax chargeable on the value transferred by it are references to tax so chargeable apart from this section.
- (6) Subsection (2) above shall not increase the amount in respect of which interest is payable under section 233 above in relation to the earlier transfer in respect of any period falling before the expiration of six months from the date on which it was discovered.
- (7) Where, apart from this subsection, the earlier transfer would be wholly or partly exempt by reason of some or all of the value transferred by it falling within a limit applicable to an exemption, then, if tax has been accepted as mentioned in subsection (1)(b) above on the basis that the later transfer is partly exempt by reason of part of the value thereby transferred falling within that limit—
 - (a) tax shall not be chargeable on that part of the value transferred by the later transfer, but
 - (b) a corresponding part of the value transferred by the earlier transfer shall be treated as falling outside that limit.
- (8) Subsection (1)(b) above shall apply to a transfer in respect of which no tax is chargeable because the rate of tax applicable under section 7 above is nil as if payment had been accepted when the transfer was notified in an account under section 216 above, and subsection (2)(b) above shall apply in relation to any such transfer as if the amount of the payment were nil.
- (9) For the purposes of this section a transfer is discovered—
 - (a) if it is notified under the provisions mentioned in subsection (1)(a) above after the expiration of the period there mentioned, on the date on which it is so notified;

Status: Point in time view as at 06/04/2001. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: There are currently no known outstanding effects for the Inheritance Tax Act 1984, PART IX. (See end of Document for details)

- (b) in any other case, on the date on which the Board give notice of a determination in respect of the transfer under section 221 above.
