- (5) Without prejudice to subsection (3) above, the authority shall not provide a by-pass along any part of a road other than the road for which the cattle-grid is being provided unless, after complying with Schedule 4 to this Act, they determine that it is expedient to provide that by-pass.

- (7) The roads authority may provide and maintain on a by-pass any gate or other works necessary for the proper control of traffic and the efficient operation of the cattle-grid for which the by-pass is provided.
- (8) The roads authority may alter or improve any cattle-grid, by-pass, gate or other works provided under this section, but not so as to prevent traffic of any description which before the alteration or improvement could lawfully have gone along the road (either by passing over the cattle-grid or by going through any gate or along any by-pass provided under subsection (2) above) from so going along the road.
- (9) Without prejudice to subsection (1) and (2) of this section, in subsections (3) to (7) of this section and in Schedule 4 to this Act references to a road shall be construed as including references to a proposed road.

- (2) Where a by-pass has been provided for use in connection with a cattle-grid and the authority remove the cattle-grid, they may direct that the by-pass shall be discontinued and may, where they give such a direction, remove all or any of the gates or other works provided for the purposes of the by-pass.

 - (b) if the cattle-grid for which the by-pass was provided is removed, as soon as may be thereafter the authority shall (whether or not they direct that the by-pass shall be discontinued, but without prejudice to their powers under subsection (2) above to remove gates or other works if they so direct) remove so much of the gates or other works provided for the purpose of the by-pass as obstructs the exercise of the right of passage which existed before the by-pass was provided.
