PART I

GENERAL PROVISIONS RELATING TO ROAD PASSENGER TRANSPORT

Abolition of road service licensing

1.—(1) The provisions of Part III of the 1981 Act (road Abolition of service licences) shall cease to have effect.
(2) Those provisions are replaced—
   (a) in relation to London local services, by Part II of this Act; and
   (b) in relation to other local services, by sections 6 to 9 of this Act.

(3) Schedule 1 to this Act shall have effect for the purpose of making amendments in other enactments consequential on this section.

Meaning of "local service"

2.—(1) In this Act "local service" means a service, using one or more public service vehicles, for the carriage of passengers by road at separate fares other than one—
   (a) which is excluded by subsection (4) below; or
   (b) in relation to which (except in an emergency) one or both of the conditions mentioned in subsection (2) below are met with respect to every passenger using the service.

(2) The conditions are that—
   (a) the place where he is set down is fifteen miles or more, measured in a straight line, from the place where he was taken up;
   (b) some point on the route between those places is fifteen miles or more, measured in a straight line, from either of those places.

(3) Where a service consists of one or more parts with respect to which one or both of the conditions are met, and one or more parts with respect to which neither of them is met, each of those parts shall be treated as a separate service for the purposes of subsection (1) above.

(4) A service shall not be regarded for the purposes of this Act as a local service if—
   (a) the conditions set out in Part III of Schedule 1 to the 1981 Act (trips organised privately by persons acting independently of vehicle operators, etc.) are met in respect of each journey made by the vehicles used in providing the service; or
   (b) every vehicle used in providing the service is so used under a permit granted under section 19 of this Act.

(5) Subsections (5)(b), (c) and (6) of section 1 of the 1981 Act (meaning of "fares") shall apply for the purposes of this section.
Traffic commissioners

3.—(1) There shall cease to be a body of traffic commissioners for each traffic area constituted for the purposes of the 1981 Act (and the appointment of any person who, immediately before the day on which this section comes into force, was a traffic commissioner or deputy to a traffic commissioner shall accordingly come to an end on that day).

(6) Schedule 2 to this Act shall have effect with respect to traffic commissioners.

5.—(1) Every traffic commissioner shall publish, in such form and at such times as may be prescribed, such information with respect to the exercise, or proposed exercise, of any of his functions under this Act or the Transport Act 1985 as may be prescribed.

(2) A traffic commissioner shall pay to any such assessor, in respect of his services, such remuneration as may be determined by the Secretary of State with the consent of the Treasury.”

Registration of local services

6.—(1) In this section “service” means a local service which is neither a London local service nor a service provided under an agreement with the Railways Board (under section 4A of the 1962 Act) where a railway service has been temporarily interrupted.
(2) Subject to regulations under this section, no service shall be provided in any traffic area in which there is a stopping place for the service unless—

(a) the prescribed particulars of the service have been registered with the traffic commissioner for that area by the operator of the service;

(b) the period of notice in relation to the registration has expired; and

(c) the service is operated in accordance with the registered particulars.

(3) In subsection (2) above "the period of notice", in relation to any registration, means, subject to regulations under this section—

(a) the period prescribed for the purposes of this subsection; or

(b) if longer, the period beginning with the registration and ending with the date given to the traffic commissioner by the operator as the date on which the service will begin.

(4) An application for registration shall only be accepted from a person who either holds an unconditional PSV operator’s licence or a permit under section 22 of this Act or is using, or proposing to use, a school bus belonging to that person for fare-paying passengers in accordance with section 46(1) of the 1981 Act.

(5) In subsection (4) above "unconditional", in relation to a PSV operator’s licence, means a licence which does not have attached to it a condition imposed under section 26(1) of this Act prohibiting, or having the effect of prohibiting, the operator from using vehicles under the licence to provide the service to which the application in question relates.

(6) In this Act any reference to a service registered under this section is a reference to a service in respect of which the prescribed particulars are registered under this section.

(7) Any registration may be varied or cancelled on an application made by the operator of the service to which it relates.

(8) Subject to regulations under this section, the variation or cancellation of a registration shall become effective—

(a) on the expiry of the period beginning with the date on which the traffic commissioner accepts the application and ending with the date determined in accordance with regulations under this section; or
PART I

(b) if later, on the day given to the traffic commissioner by the operator as the effective date for the variation or (as the case may be) cancellation.

(9) Regulations may be made for the purpose of carrying this section into effect and any such regulations may, in particular, make provision—

(a) for permitting the variation of a registered service, in such circumstances as may be prescribed, without variation of the registration;

(b) for excluding or modifying the application of subsection (3) or (8) above in such cases or classes of case as may be prescribed;

(c) that in such cases or classes of case as may be prescribed—

(i) subsection (2) above shall have effect as if for the reference in paragraph (b) to the period of notice there were substituted a reference to such period as the traffic commissioner may determine;

(ii) subsection (8) above shall have effect as if for the reference in paragraph (a) to the date on which the period mentioned in that paragraph is to expire there were substituted a reference to such date as he may determine;

(d) as to the procedure for applying for registration or for the variation or cancellation of a registration;

(e) for an application for registration or for the variation or cancellation of a registration not to be accepted by the traffic commissioner to whom it is made unless the applicant gives to the commissioner such information as he may reasonably require in connection with the application;

(f) as to the traffic commissioner to whom an application for registration is to be made in the case of services which will run through the areas of two or more traffic commissioners;

(g) as to the documents (if any) to be issued by a traffic commissioner with respect to registrations;

(h) as to the cancellation of registrations relating to discontinued services;

(i) for enabling a traffic commissioner to require the operator of a registered service, in such circumstances as may be prescribed, to keep records of such matters relating to the operation of the service, in such manner, as may be prescribed;

(j) for requiring the operator of a registered service who is required to keep records by regulations made by virtue
of paragraph (i) above to make those records available to the traffic commissioner;

(k) for requiring the operator or prospective operator of a registered service to give, to such persons and at such times as may be prescribed, such information as may be prescribed with respect to the service, or proposed service, or any proposal to vary or cancel the registration of the service;

(l) for excluding from the application of this section services which are—
(i) excursions or tours; or
(ii) excursions or tours falling within a prescribed class.

7.—(1) If a traffic authority asks him to exercise his powers under this section in relation to a particular traffic problem, the traffic commissioner for any traffic area may determine conditions ("traffic regulation conditions") which must be met in the provision of services in the area to which the conditions are expressed to apply.

(2) In this section "service" means any local service to which section 6 of this Act applies.

(3) The area to which traffic regulation conditions may be expressed to apply is any part of the traffic area of the traffic commissioner determining them.

(4) No traffic commissioner shall determine traffic regulation conditions unless he is satisfied, after considering the traffic in the area in question, that such conditions are required in order to—
(a) prevent danger to road users; or
(b) reduce severe traffic congestion.

(5) In considering what traffic regulation conditions to apply to a particular area a traffic commissioner shall have regard in particular to the interests of—
(a) those who have registered under section 6 of this Act services which are or will be operated in the area;
(b) those who are, or are likely to be, users of such services; and
(c) persons who are elderly or disabled.

(6) The purposes for which traffic regulation conditions may be determined are the regulation of—
(a) the routes of services;
(b) the stopping places for services;
PART I

(c) when vehicles used in providing services may stop at such stopping places and for how long they may do so; and

(d) such other matters as may be prescribed.

(7) Subject to subsection (8) below, traffic regulation conditions shall apply—

(a) to all services operated in the area to which the conditions are expressed to apply; or

(b) to such class of service operated there as may be specified in the conditions.

(8) Where the traffic commissioner for any traffic area is satisfied that traffic regulation conditions applying generally to a particular part of his traffic area would be inappropriate as a means of achieving the regulation of traffic which he considers is required there, he may determine traffic regulation conditions which apply only to the service or services specified in the conditions.

(9) Before determining any traffic regulation conditions, a traffic commissioner shall hold an inquiry if he has received (within the prescribed period) a request for an inquiry from—

(a) the traffic authority which made the request under subsection (1) above;

(b) any other traffic authority likely to be affected by traffic regulation conditions determined in response to that request; or

(c) any person who has registered under section 6 of this Act a service which is or will be operated in the area in question;

and the request has not been withdrawn.

(10) Subsection (9) above shall not apply where the traffic commissioner is satisfied that the conditions should be determined without delay.

(11) Where, in reliance on subsection (10) above, a traffic commissioner determines traffic regulation conditions without first holding an inquiry, he shall hold one as soon as is reasonably practicable if any person mentioned in subsection (9)(a) or (c) above or any other traffic authority affected by the conditions has, before the end of the prescribed period, asked him to do so.

(12) Before asking a traffic commissioner to exercise his powers under this section in relation to a trunk road, a traffic authority shall obtain leave of the Secretary of State; but leave given under this subsection shall not be taken to indicate the Secretary of State's approval of any conditions determined by the traffic commissioner in response to the request.
(13) Traffic regulation conditions may make different provision with respect to the operation of any service to which they apply during different periods of the year, on different days of the week, or at different times during any period of 24 hours.

(14) A traffic commissioner may vary or revoke any traffic regulation conditions determined by him on being requested to do so by—

(a) any traffic authority; or

(b) the operator of any service affected by the conditions.

(15) In this section "traffic authority" means—

(a) in relation to England and Wales, the council of any metropolitan district or non-metropolitan county; and

(b) in relation to Scotland, the council of any region or islands area.

8.—(1) Where traffic regulation conditions have been determined under section 7 of this Act, it shall be the duty of the traffic commissioner by whom any relevant licence or permit has been granted to attach the conditions to that licence or, as the case may be, to that permit.

(2) In this section—

"licence" means a PSV operator's licence;

"permit" means a permit under section 22 of this Act;

and a licence or permit is relevant for the purposes of this section if a local service registered under section 6 of this Act by the holder of the licence or permit is affected by the conditions.

(3) Where the traffic commissioner who determined the traffic regulation conditions and the traffic commissioner who granted the relevant licence or permit are different, it shall be the duty of the commissioner determining the conditions to send to the other commissioner—

(a) details of the conditions; and

(b) the name of the person registering the particulars of the local service.

(4) If traffic regulation conditions which have been attached to a licence or permit under this section are subsequently varied or revoked, it shall be the duty of the traffic commissioner or commissioners concerned to secure that the conditions as so attached are correspondingly varied or (as the case may be) removed.

(5) Traffic regulation conditions shall be of no effect to the extent to which they are incompatible with any provision made by or under any enactment prohibiting or restricting the use of any road by traffic.
PART I

(6) Where the operator of a local service is unable both to operate the service in accordance with the particulars of the service registered under section 6 of this Act and to comply with—

(a) traffic regulation conditions; or
(b) any other provision of a kind mentioned in subsection (5) above;

any failure to operate the service in accordance with those particulars which occurs at any time before the expiry of the prescribed period beginning with the coming into force of the conditions or provision shall be disregarded to the extent to which it is attributable to his having to comply with the conditions or provision.

9.—(1) Any person to whom subsection (2) below applies may appeal to the Secretary of State against—

(a) the determination, variation or revocation of any traffic regulation conditions under section 7 of this Act; or
(b) the refusal by a traffic commissioner to comply with a request duly made under that section to determine, vary or revoke any such conditions.

(2) The persons to whom this subsection applies are—

(a) in relation to any determination, variation or revocation of conditions—

(i) any person who has registered under section 6 of this Act a local service which is, or is likely to be, affected by them; and

(ii) any traffic authority aggrieved by the decision in question; and

(b) in relation to any refusal to comply with a request, the person making the request.

(3) An appeal under this section must be made within the prescribed time and in the prescribed manner, and provision may be made by regulations as to the procedure to be followed in connection with such appeals.

(4) On the determination of an appeal under this section, the Secretary of State may confirm, vary or reverse the decision appealed against and may give such directions as he thinks fit to the traffic commissioner for giving effect to his decision.

(5) An appeal lies at the instance of any of the persons mentioned in subsection (6) below on any point of law arising from a decision of the Secretary of State on an appeal under this section—

(a) to the High Court, where the area of the traffic commissioner concerned is in England or Wales; and

(b) to the Court of Session, where it is in Scotland.
(6) The persons who may appeal against any such decision of the Secretary of State are—

(a) the person who appealed to him;

(b) any person who had a right to appeal to him against the relevant decision of the traffic commissioner but did not exercise that right;

(c) any traffic authority aggrieved by the decision; and

(d) the traffic commissioner whose decision was appealed against.

(7) If on an appeal under subsection (5) above the High Court or Court of Session is of opinion that the decision appealed against was erroneous in point of law, it shall remit the matter to the Secretary of State with the opinion of the court for re-hearing and determination by him.

(8) No appeal to the Court of Appeal may be brought from a decision of the High Court under this section except with the leave of the High Court or the Court of Appeal.

(9) An appeal shall lie, with the leave of the Court of Session or the House of Lords, from any decision of the Court of Session under this section; and such leave may be given on such terms as to costs, expenses or otherwise as the Court of Session or the House of Lords determine.

(10) In this section “traffic authority” has the same meaning as in section 7 of this Act.

Taxis and hire cars

10.—(1) In the circumstances mentioned in subsection (2) below, a licensed taxi may be hired for use for the carriage of passengers for hire or reward at separate fares without thereby—

(a) becoming a public service vehicle for the purposes of the 1981 Act or any related enactment; or

(b) ceasing (otherwise than by virtue of any provision made under section 13 of this Act) to be subject to the taxi code.

(2) The circumstances are that—

(a) the taxi is hired in an area where a scheme made under this section is in operation;

(b) the taxi is licensed by the licensing authority for that area; and

(c) the hiring falls within the terms of the scheme.

(3) In this section “licensing authority” means—

designated by the Secretary of State for the purposes of this section; and

(b) in relation to any other area in England and Wales, the authority having responsibility for licensing taxis in that area.

(4) For the purposes of this section, a licensing authority may make a scheme for their area and shall make such a scheme if the holders of at least ten per cent. of the current taxi licences issued by the authority request the authority in writing to do so.

(5) Any scheme made under this section shall—

(a) designate the places in the area from which taxis may be hired under the scheme ("authorised places”);

(b) specify the requirements to be met for the purposes of the scheme in relation to the hiring of taxis at separate fares; and

(c) if made otherwise than by the Secretary of State—

(i) include such provision, or provision of such description, as may be prescribed for the purposes of this sub-paragraph;

(ii) not include provision of any such description as may be prescribed for the purposes of this sub-paragraph.

(6) Subject to subsection (5) above, any scheme made under this section may, in particular, make provision with respect to—

(a) fares;

(b) the display of any document, plate, mark or sign for indicating an authorised place or that a taxi standing at an authorised place is available for the carriage of passengers at separate fares;

(c) the manner in which arrangements are to be made for the carriage of passengers on any such hiring as is mentioned in subsection (1) above; and

(d) the conditions to apply to the use of a taxi on any such hiring.

(7) A licensing authority may, subject to subsection (5) above, vary any scheme made by them under this section.

(8) Except in the case of a scheme made by the Secretary of State, any scheme under this section, and any variation of such a scheme, shall be made in accordance with the prescribed procedure.

(9) For the purposes of this section—

(a) the hiring of a taxi falls within the terms of a scheme if—

(i) it is hired from an authorised place; and
(ii) the hiring meets the requirements specified by the licensing authority as those to be met for the purposes of the scheme; and

(b) a taxi is hired from an authorised place if it is standing at that place when it is hired and the persons hiring it are all present there.

(10) The power of the Secretary of State to make a scheme for the purpose of this section shall be exercisable by order.

11.—(1) Where the conditions mentioned in subsection (2) below are met, a licensed taxi or licensed hire car may be used for the carriage of passengers for hire or reward at separate fares without thereby—

(a) becoming a public service vehicle for the purposes of the 1981 Act or any related enactment; or

(b) ceasing (otherwise than by virtue of any provision made under section 13 of this Act) to be subject to the taxi code or (as the case may be) the hire car code.

(2) The conditions are that—

(a) all the passengers carried on the occasion in question booked their journeys in advance; and

(b) each of them consented, when booking his journey, to sharing the use of the vehicle on that occasion with others on the basis that a separate fare would be payable by each passenger for his own journey on that occasion.

12.—(1) Where the holder of a taxi licence—

(a) applies to the appropriate traffic commissioner for a restricted PSV operator's licence to be granted to him under Part II of the 1981 Act; and

(b) states in his application that he proposes to use one or more licensed taxis to provide a local service;

section 14 of the 1981 Act (conditions to be met before grant of PSV operator's licence) shall not apply and the commissioner shall grant the application.

(2) In this section "special licence" means a restricted PSV operator's licence granted by virtue of this section.

(3) Section 15 of the 1981 Act (duration of licences) shall apply in relation to any special licence as if it required the duration of the licence to be—

(a) five years; or
PART I

(b) where the application for the licence specifies a shorter period, that shorter period.

(4) Without prejudice to his powers to attach other conditions under section 16 of the 1981 Act, any traffic commissioner granting a special licence shall attach to it, under that section, the conditions mentioned in subsection (5) below.

(5) The conditions are—

(a) that every vehicle used under the licence shall be one for which the holder of the licence has a taxi licence; and

(b) that no vehicle shall be used under the licence otherwise than for the purpose of providing a local service with one or more stopping places within the area of the authority which granted the taxi licence of the vehicle in question.

(6) In subsection (5)(b) above "local service" does not include an excursion or tour.

(7) The maximum number of vehicles which the holder of a special licence may at any one time use under the licence shall be the number of vehicles for which (for the time being) he holds taxi licences; and a condition to that effect shall be attached to every special licence under section 16(1) of the 1981 Act.

(8) Section 1(2) of the 1981 Act (vehicle used as public service vehicle to be treated as such until that use is permanently discontinued) shall not apply to any use of a licensed taxi for the provision of a local service under a special licence.

(9) At any time when a licensed taxi is being so used it shall carry such documents, plates and marks, in such manner, as may be prescribed.

(10) Such provisions in the taxi code as may be prescribed shall apply in relation to a licensed taxi at any time when it is being so used; and any such provision may be so applied subject to such modifications as may be prescribed.

(11) For the purposes of section 12(3) of the 1981 Act (which provides that where two or more PSV operators' licences are held they must be granted by traffic commissioners for different traffic areas), special licences shall be disregarded.

(12) A person may hold more than one special licence but shall not at the same time hold more than one such licence granted by the traffic commissioner for a particular traffic area.
(13) The following provisions shall not apply in relation to special licences or (as the case may be) the use of vehicles under such licences—

(a) sections 16(1A) and (2), 17(3)(d), 18 to 20, 22 and 26 of the 1981 Act; and

(b) section 26(5) and (6) of this Act;

and for the purposes of section 12 of that Act this section shall be treated as if it were in Part II of that Act.

13.—(1) The Secretary of State may by order make such modifications of the taxi code and the hire car code as he sees fit for the purpose of supplementing the provisions of sections 10 to 12 of this Act.

(2) Any order made under subsection (1) above may, in particular, modify any provision—

(a) relating to fares payable by the hirer of a vehicle;

(b) requiring the driver of any vehicle to accept any hiring, or to drive at the direction of a hirer, or (as the case may be) of a prospective hirer, to any place within or not exceeding any specified distance or for any period of time not exceeding a specified period from the time of hiring;

(c) making the carriage of additional passengers in any vehicle which is currently subject to a hiring dependent on the consent of the hirer.

(3) In this section, and in sections 10 to 12 of this Act—

"licensed taxi " means—

(i) section 37 of the Town Police Clauses Act 1847 c. 89. 1847; or

(ii) section 6 of the Metropolitan Public Carriage Act 1869 c. 115. 1869;

visions made by or under any enactment which would apply if it were hired by a single passenger for his exclusive use;

"related enactment", in relation to the 1981 Act, means any statutory provision (whenever passed or made) relating to public service vehicles in which "public service vehicle" is defined directly or indirectly by reference to the provisions of the 1981 Act;

"taxi code", in relation to any licensed taxi used as mentioned in section 10, 11 or 12 of this Act, means—

(a) in England and Wales, those provisions made by or under any enactment which would apply if the vehicle were plying for hire and were hired by a single passenger for his exclusive use; and

"taxi licence" means a licence under section 6 of the Metropolitan Public Carriage Act 1869, section 37 of the Town Police Clauses Act 1847 or any similar enactment, or a taxi licence under section 10 of the Civic Government (Scotland) Act 1982.

(4) Any order made under subsection (1) above may contain such supplementary, incidental, consequential and transitional provisions (including provisions modifying any enactment contained in any Act other than this Act) as appear to the Secretary of State to be necessary or expedient in consequence of any modification of the taxi code or the private hire car code made by the order.

14.—(1) As respects Scotland, a taxi (other than a taxi which is for the time being operating a local service which is or requires to be registered under this Part of this Act, has been previously advertised and has a destination and route which are not entirely at the discretion of the passengers) or private hire car which is used for the carriage of passengers for hire or reward at separate fares shall not by reason of such use become a public service vehicle for the purposes of the 1981 Act or any related enactment.

(2) In this section "taxi" and "private hire car" have the meanings given in section 23 of the Civic Government (Scotland) Act 1982 and "related enactment" has the meaning given in section 13(3) of this Act.
15.—(1) Where, immediately before the commencement of this section, the provisions of the Town Police Clauses Act 1847 with respect to hackney carriages and of the Town Police Clauses Act 1889 (as incorporated in each case in the Public Health Act 1875) were not in force throughout the whole of the area of a district council in England and Wales whose area lies outside the area to which the Metropolitan Public Carriage Act 1869 applies, those provisions (as so incorporated) shall—
   (a) if not then in force in any part of the council’s area, apply throughout that area; and
   (b) if in force in part only of its area, apply also in the remainder of that area.

(2) Where part only of a district council’s area lies outside the area to which the Act of 1869 applies, that part shall, for the purposes of subsection (1) above, be treated as being the area of the council.

(3) So much of any local Act as enables a district council to bring to an end the application of the provisions mentioned in subsection (1) above to the whole or any part of their area shall cease to have effect.

16. The provisions of the Town Police Clauses Act 1847 with respect to hackney carriages, as incorporated in any enactment (whenever passed), shall have effect—
   (a) as if in section 37, the words “ such number of ” and “ as they think fit ” were omitted; and
   (b) as if they provided that the grant of a licence may be refused, for the purpose of limiting the number of hackney carriages in respect of which licences are granted, if, but only if, the person authorised to grant licences is satisfied that there is no significant demand for the services of hackney carriages (within the area to which the licence would apply) which is unmet.

17.—(1) In this section—
   “ licence ” means a licence under section 6 of the Metropolitan Public Carriage Act 1869 (taxi licences) or under section 8 of that Act (taxi driver licences); and
   “ licensing authority ” means the person empowered to grant a licence.

(2) Where the licensing authority has refused to grant, or has suspended or revoked, a licence the applicant for, or (as the
case may be) holder of, the licence may, before the expiry of
the prescribed period—

(a) require the authority to reconsider his decision; or

(b) appeal to the appropriate court.

(3) Any call for a reconsideration under subsection (2) above
must be made to the licensing authority in writing.

(4) On any reconsideration under this section the person cal-
ling for the decision to be reconsidered shall be entitled to be
heard either in person or by his representative.

(5) If the person calling for a decision to be reconsidered under
this section is dissatisfied with the decision of the licensing auth-
ority on reconsideration, he may, before the expiry of the pre-
scribed period, appeal to the appropriate court.

(6) On any appeal to it under this section, the court may
make such order as it thinks fit; and any order which it makes
shall be binding on the licensing authority.

(7) Where a person holds a licence which is in force when
he applies for a new licence in substitution for it, the existing
licence shall continue in force until the application for the new
licence, or any appeal under this section in relation to that
application, is disposed of, but without prejudice to the exercise
in the meantime of any power of the licensing authority to re-
voke the existing licence.

(8) For the purposes of subsection (7) above, where the licen-
sing authority refuses to grant the new licence the application
shall not be treated as disposed of—

(a) where no call for a reconsideration of the authority's
decision is made under subsection (2) above, until the
expiry of the prescribed period;

(b) where such a reconsideration is called for, until the
expiry of the prescribed period which begins by ref-
erence to the decision of the authority on reconsidera-
tion.

(9) Where the licensing authority suspends or revokes a
licence, or confirms a decision to do so, he may, if the holder
of the licence so requests, direct that his decision shall not
have effect until the expiry of the prescribed period.

(10) In this section "the appropriate court" means the magis-
trates' court for the petty sessions area in which the licen-
sing authority has his office or, if he has more than one office, his
principal office.

18. Sections 12(1) and 22 of the 1981 Act (licensing of operators and drivers in relation to the use of public service vehicles for the carriage of passengers) shall not apply—

(a) to the use of any vehicle under a permit granted under section 19 of this Act, if and so long as the requirements under subsection (2) of that section are met;

(b) to the use of any vehicle under a permit granted under section 22 of this Act; or

(c) in relation to the driving of any vehicle at a time when it is being used as mentioned in paragraph (a) or (b) above.

(a) is being used by a body to whom a permit has been granted under this section;

(b) is not being used for the carriage of members of the general public nor with a view to profit nor incidentally to an activity which is itself carried on with a view to profit;

(d) is not being used in contravention of any provision of regulations made under section 21 of this Act.

(3) A permit in relation to the use of a small bus may be granted by a body designated by an order under subsection (7) below either to itself or to any other body to whom, in accordance with the order, it is entitled to grant a permit.

(4) A permit in relation to the use of a small bus may be granted by a traffic commissioner to any body appearing to him to be eligible in accordance with subsection (8) below and to be carrying on in his area an activity which makes it so eligible.
PART I

(5) A permit in relation to the use of a large bus may be granted by a traffic commissioner to any body which assists and co-ordinates the activities of bodies within his area which appear to him to be concerned with—

(a) education;
(b) religion;
(c) social welfare; or
(d) other activities of benefit to the community.

(6) A traffic commissioner shall not grant a permit in relation to the use of a large bus unless satisfied that there will be adequate facilities or arrangements for maintaining any bus used under the permit in a fit and serviceable condition.

(7) The Secretary of State may by order designate for the purpose of this section bodies appearing to him to be eligible in accordance with subsection (8) below and, with respect to any body designated by it, any such order—

(a) shall specify the classes of body to whom the designated body may grant permits;
(b) may impose restrictions with respect to the grant of permits by the designated body and, in particular, may provide that no permit may be granted, either generally or in such cases as may be specified in the order, unless there are attached to the permit such conditions as may be so specified; and
(c) may require the body to make returns with regard to the permits granted by it.

(8) A body is eligible in accordance with this subsection if it is concerned with—

20.—(1) Subject to subsection (2) below, a permit shall specify the body to whom it is granted.

(2) A permit may be granted to a named individual on behalf of a body if, having regard to the nature of that body, it appears to the traffic commissioner or body granting the permit appropriate to do so.

(3) Where a permit is granted to a named individual on behalf of a body, it shall be treated for the purposes of this section and section 19 of this Act as granted to that body.
(4) In addition to any conditions attached to such a permit by virtue of section 19(7)(b) of this Act, the traffic commissioner or other body granting such a permit may attach to it such conditions as he or that body considers appropriate, including, in particular, conditions—

(a) limiting the passengers who may be carried in any bus used under the permit to persons falling within such classes as may be specified in the permit; and

(b) with respect to such other matters as may be prescribed.

(5) Subject to subsection (6) below, a permit may be varied or revoked—

(a) by the traffic commissioner or body who granted it; and

(b) in the case of a permit granted by a body designated under section 19(7) of this Act, after consultation with that body, by the traffic commissioner for any traffic area in which any bus has been used under the permit.

(6) A permit may not be varied so as to substitute another body for the body to whom it was granted.

(7) A permit shall remain in force until—

(3) Regulations under this section may contain such transitional provisions as the Secretary of State thinks fit.

22.—(1) In this section and section 23 of this Act—

(3) A traffic commissioner shall not grant a community bus permit unless he is satisfied that there will be adequate facilities or arrangements for maintaining in a fit and serviceable condition any vehicle used under the permit.

(4) A body may hold more than one community bus permit but may not use more than one vehicle at any one time under the same permit.

23.—(1) The requirements mentioned in subsection (2) below shall be conditions of every community bus permit and shall apply in relation to any use of a vehicle under such a permit.

(2) Those requirements are that—

(a) the driver receives no payment for driving except—

(i) reimbursement of any reasonable expenses incurred by him in making himself available to drive; and

(ii) an amount representing any earnings lost as a result of making himself available to drive in exceptional circumstances;

(b) the driver either holds a public service vehicle driver's licence or fulfils any conditions prescribed in relation to a person driving a vehicle which is being used under a community bus permit; and

(c) any vehicle used under the permit fulfils any prescribed conditions of fitness for such use.

(3) A traffic commissioner may at any time attach to a community bus permit granted by him such conditions (or additional conditions) of a prescribed description as he thinks fit.
for restricting or regulating the use of any vehicle under the permit.

(4) The traffic commissioner by whom a community bus permit was granted may at any time while the permit is in force vary or remove any condition attached to it under subsection (3) above.

(5) Subject to section 68(3) of the 1981 Act (as applied by section 127(4) of this Act), if a condition attached to a community bus permit is contravened, the holder of the permit shall be liable on summary conviction to a fine not exceeding level 3 on the standard scale.

(6) The traffic commissioner by whom a community bus permit was granted may at any time revoke the permit on the ground—

(b) that there has been a contravention of any condition attached to the permit; or

(c) that a prohibition under section 9 of the 1981 Act (power to prohibit driving of unfit public service vehicles) has been imposed with respect to a vehicle used under the permit which has its operating centre in his area.

(8) Regulations may prescribe—

Further amendments with respect to PSV operators’ licences

24.—(1) In section 16 of the 1981 Act (conditions attached to PSV operators’ licences)—

(a) the following subsection shall be inserted after subsection (1)—

(b) after the words "and if" there shall be inserted the words "(in the case of any condition or conditions attached under section 16(1))".

25. After section 14 of the 1981 Act (grant of licences) there shall be inserted the following section—

"Objections to application for PSV operator's licence.

14A.—(1) Where an application is made for the grant of a PSV operator's licence under this Act, any chief officer of police or local authority may object to the grant of the licence on the ground that one or more of the requirements mentioned in section 14(1) and (3) of this Act are not satisfied in relation to the application.

(2) An objection under this section shall be made within the prescribed time and in the prescribed manner and shall contain particulars of the ground on which it is made.

(3) The onus of proof of the existence of the ground on which an objection is made shall lie on the objector.

(4) In this section "local authority" means—

(a) in England and Wales, the council of a county, district or London borough or the Common Council of the City of London or a Passenger Transport Executive; and

(b) in Scotland, a regional or islands council.

(5) This section does not apply in relation to any application for a special licence (within the meaning of section 12 of the Transport Act 1985)."
26.—(1) Where it appears to a traffic commissioner, in relation to a person ("the operator") to whom he has granted or is proposing to grant a PSV operator’s licence, that—

(a) the operator has failed to operate a local service registered under section 6 of this Act; or

(b) the operator has operated a local service in contravention of that section; or

(c) the arrangements for maintaining the vehicles used under the licence in a fit and serviceable condition are not adequate for the use of those vehicles in providing the local service or services in question; or

(d) the operator, or any employee or agent of his, has—

(i) intentionally interfered with the operation of a local service provided by another operator;

(ii) operated a local service in a manner dangerous to the public; or

(iii) been guilty of any other serious misconduct (whether or not constituting a criminal offence) in relation to the operation of a local service; or

(e) a condition attached under section 8 of this Act to the operator’s licence has been contravened;

he may (on granting the licence or at any later time) attach to it either a condition prohibiting the operator from using vehicles under the licence to provide any local service of a description specified in the condition or one prohibiting him from so using vehicles to provide local services of any description.

(2) The commissioner may attach a condition to a PSV operator’s licence under subsection (1) above, by reference to circumstances falling within paragraph (a) or (b) of that subsection if, but only if, it appears to him that the operator did not have a reasonable excuse for his conduct or that it is appropriate to attach the condition in view of—

(a) the danger to the public involved in the operator’s conduct; or

(b) the frequency of conduct of the kind in question on the part of the operator.

(3) Where the effect of a condition attached to a PSV operator’s licence under subsection (1) above is that the operator of a local service registered under section 6 of this Act is prohibited from using vehicles under the licence to provide that service, the traffic commissioner attaching the condition may—

(a) cancel the registration; or

(b) where the service is registered with another traffic commissioner, direct that it be cancelled.
PART I

(4) Where a direction is given under subsection (3)(b) above, it shall be the duty of the traffic commissioner with whom the service is registered to cancel the registration.

(5) Where it appears to the commissioner that—

(a) vehicles used under the licence (or under any PSV operator's licence previously held by the operator) have not been maintained in a fit and serviceable condition; or

(b) the operator has been involved in arrangements with any other operator for the use of each other's vehicles with a view to hindering enforcement of any requirements of the law relating to the operation of those vehicles;

he may (on granting the licence or at any later time) attach to the licence a condition restricting the vehicles which the operator may use under the licence to vehicles specified in the condition.

(6) A condition attached to a licence under subsection (5) above shall—

(a) apply only to vehicles which have their operating centre in the traffic area for which the commissioner acts; and

(b) be in addition to (and not be taken as prejudicing in any way) any conditions attached to the licence under section 16 of the 1981 Act as to the maximum number of vehicles which the operator may at any one time use under the licence.

27.—(1) Before attaching any condition to a PSV operator's licence under section 26 of this Act, a traffic commissioner shall hold an inquiry if he has, within the prescribed period, received a request for an inquiry from the holder of, or (as the case may be) applicant for, the licence.

(2) Subsection (1) above shall not apply where the traffic commissioner is satisfied that the condition should be attached without delay.

(3) Where, in reliance on subsection (2) above, a traffic commissioner attaches any such condition to a PSV operator's licence without first holding an inquiry, he shall hold one as soon as is reasonably practicable if the holder of the licence has, before the end of such period as may be prescribed, asked him to do so.

(4) For the purposes of section 16(5) of the 1981 Act (traffic commissioner's power to vary or remove conditions attached under section 16(3) of that Act to a PSV operator's licence), a condition attached under section 26 of this Act shall be treated as attached under section 16(3) of that Act.

(5) Nothing in section 26 shall be taken as prejudicing the generality of the power under that Act to prescribe descriptions of conditions for the purposes of section 16(3) of that Act.
28.—(1) Where the traffic commissioner for any traffic area revokes a PSV operator’s licence, he may order the former holder to be disqualified, indefinitely or for such period as he thinks fit, from holding or obtaining a PSV operator’s licence.

(2) So long as a disqualification imposed under subsection (1) above is in force with respect to any person, no PSV operator’s licence shall be granted to him and any such licence obtained by him shall be of no effect.

(3) An order under subsection (1) above may be limited so as to apply only to the holding or obtaining of a PSV operator’s licence in respect of the area of one or more specified traffic commissioners and, if the order is so limited, subsection (2) above shall apply only to any PSV operator’s licence to which the order applies.

(4) Where a traffic commissioner makes an order under subsection (1) above with respect to any person, he may direct that if that person, at any time during such period as he may specify—

(a) is a director of, or holds a controlling interest in—

(i) a company which holds a licence of the kind to which the order applies; or

(ii) a company of which a company which holds such a licence is a subsidiary; or

(b) operates any public service vehicles in partnership with a person who holds such a licence;

the powers under section 17(2) of the 1981 Act (revocation, suspension, etc., of PSV operators’ licences) shall be exercisable in relation to that licence by the traffic commissioner by whom it was granted.

(5) The powers conferred by this section in relation to the person who was the holder of a licence shall be exercisable also—

(a) where that person was a company, in relation to any officer of that company; and

(b) where that person operated the vehicles used under the licence in partnership with other persons, in relation to any of those other persons.

36.—(1) A London local service licence is not required for the provision of a London bus service—

(a) by London Regional Transport or any subsidiary of theirs; or

(b) by any other person in pursuance of any agreement entered into by London Regional Transport by virtue of section 3(2) of the London Regional Transport Act 1984 (referred to below in this section as the 1984 Act).

(2) Where—

(a) London Regional Transport or any subsidiary of theirs propose to provide a new bus service which is to be operated wholly or in part as a London bus service or to vary a bus service currently provided by them which is being so operated; or

then, before deciding on, or on the provisions to be contained in any such agreement with respect to, or on any variation affecting, any relevant aspects of that service London Regional Transport shall, so far as the service is or is to be provided in London, consult with the commissioner or commissioners of police concerned, with the local authorities affected, with the Passengers' Committee and with any other person they think fit.

(3) In subsection (2) above the reference to relevant aspects of the service is a reference to the route of the service, a terminal point, a point at which passengers may or may not be taken up or set down, or a place at which, or street by the use of which, vehicles used for the service may turn at a terminal point.

then, before any decision is taken to that effect, London Regional Transport shall, so far as the service is provided in London, consult with the local authorities affected, with the Passengers' Committee and with any other person they think fit.

(5) Where an agreement entered into by London Regional Transport by virtue of section 3(2) of the 1984 Act for the provision of a bus service relates to such a service part only of which is operated as a London bus service, any provision contained in that agreement with respect to the carriage of passengers other than those who are both taken up and set down in London shall be of no effect if or so far as it is inconsistent with any condition for the time being attached under section 8 of this Act to—

(7) In this section—

(a) references to a new bus service are references to a bus service which has not been provided continuously since before the date on which this section comes into force (disregarding, in the case of a bus service operated during certain periods of the year only, any period other than one during which the service is due to be operated);

(b) "the Passengers' Committee" means the London Regional Passengers' Committee established under section 40 of the 1984 Act;

37.—(1) An application for a London local service licence shall be made in such a form as the metropolitan traffic commissioner may require, and an applicant shall give the commissioner such information as he may reasonably require for disposing of the application.

(2) Where an application is made for the grant of a London local service licence, the commissioner—

(a) shall grant the licence unless he is satisfied that to do so would be against the interests of the public; and

(b) if he grants the licence, shall do so in accordance with the application except to the extent that he is satisfied that to do so would be against the interests of the public.

(3) In considering under subsection (2) above whether the grant of a licence would be against the interests of the public, or the extent to which the grant of a licence in accordance with the application would be against those interests, the commissioner shall in particular have regard to—

(a) the transport needs for the time being of London as a whole and of particular communities within London;

(b) any transport policies or plans which have been made and drawn to his attention by the council of a London borough or by the Common Council; and

(c) any objections or other representations made to the commissioner in the prescribed manner which in his opinion are relevant.

(4) The metropolitan traffic commissioner, on granting a London local service licence, shall send notice of the grant, including particulars of the services to be provided under the licence, to the commissioner or commissioners of police concerned and to each of the local authorities affected.

38.—(1) Subject to subsection (3) below, and to any regulations, the metropolitan traffic commissioner may, on granting a London local service licence, attach to the licence such conditions as he thinks fit having regard to the interests of the public, and in particular to the matters mentioned in section 37(3)(a) to (c) of this Act.

(2) The conditions that may be attached to a London local service licence by virtue of subsection (1) above include, in par-
ticular, such conditions as the commissioner thinks fit for securing—

(a) that suitable routes are used in providing any service which may be provided under the licence; and

(b) that passengers are not taken up or are not set down except at specified points, or are not taken up or are not set down between specified points;

and generally for securing the safety and convenience of the public, including persons who are elderly or disabled.

(3) No condition as to fares shall be attached under this section to a London local service licence.

(4) The metropolitan traffic commissioner may at any time while a London local service licence is in force vary the licence by—

(a) altering, in such manner as he thinks fit having regard to the interests of the public, any condition attached to the licence; or

(b) removing any condition attached to the licence, if he thinks fit having regard to those interests; or

(c) attaching to the licence any such condition or additional condition as he thinks fit having regard to those interests.

(5) Where the holder of such a licence makes an application to the commissioner requesting him to exercise his powers under subsection (4) above, the commissioner shall exercise those powers in accordance with the application except to the extent that he is satisfied that to do so would be against the interests of the public.

(6) Compliance with any condition attached to a London local service licence under this section may be temporarily dispensed with by the commissioner if he is satisfied—

(a) that compliance with the condition would be unduly onerous by reason of circumstances not foreseen when the condition was attached or, if the condition has been altered, when it was last altered; and

(b) that such a dispensation would not be against the interests of the public.

(7) Subject to section 68(3) of the 1981 Act (as applied by section 127(4) of this Act), if a condition attached under this section to a London local service licence is contravened, the holder of the licence shall be liable on summary conviction to a fine not exceeding level 3 on the standard scale.
PART II
Grant of licences for certain excursions or tours.

39.—(1) This section applies where, in the case of any application for a London local service licence, the metropolitan traffic commissioner is satisfied that the service which the applicant proposes to provide under the licence ("the proposed service") would be an excursion or tour and is also satisfied either—

(a) that the proposed service would not compete directly with any authorised London bus service; or

(b) that the proposed service would operate only to enable passengers to attend special events.

(2) In subsection (1)(a) above, "authorised London bus service" means—

(a) any London bus service for which a London local service licence has been granted; and

(b) any London bus service which, by virtue of section 36(1) of this Act, does not require a London local service licence.

(3) In any case to which this section applies, sections 35, 37 and 38 of this Act shall apply subject to the modifications provided by the following provisions of this section.

(4) Section 35(4) of this Act shall not prevent a London local service licence granted in pursuance of this section from having effect for the purposes of the provision of a service by means of a vehicle whose operator holds any such licence or permit as is there mentioned (not being, in the case of a PSV operator's licence, a licence which is for the time being of no effect by reason of its suspension).

(5) The interests of the public falling to be considered under any provision of section 37 or 38 shall be confined to the interests of the public in securing that only places which are suitable for use as such are used as stopping places for the service in question in London.

The reference above in this subsection to the service in question is a reference to the proposed service or the service provided under any London local service licence granted on an application to which this section applies (as the case may require).

(6) For the purposes of this section a place is to be regarded as not being suitable for use as a stopping place for any service if the commissioner is satisfied that its use as such would be prejudicial to the safety or convenience of the public.

(7) Section 37 shall apply with the omission of paragraphs (a) and (b) of subsection (3); and paragraph (c) of that subsection shall apply only in relation to objections or representations made by the commissioner or commissioners of police concerned or by any of the local authorities affected.
(8) Section 38 shall apply with the omission of subsections (1) and (2), but the metropolitan traffic commissioner in granting a licence on any application to which this section applies may attach to the licence such conditions of a description within section 38(2)(b) as he thinks fit, having regard to any objections or other representations that fall to be considered in relation to that application by virtue of section 37(3)(c), for securing that only places which are suitable for use as such are used as stopping places for the proposed service in London.

(9) Any condition attached to a licence under subsection (8) above shall be treated for the purposes of section 38(6) and (7) as if it had been attached under that section.

(10) Every London local service licence granted in pursuance of this section shall include a statement that it is so granted.

40.—(1) Subject to subsection (2) below, a London local service licence may be revoked or suspended by the metropolitan traffic commissioner on the ground that there has been a contravention of any condition attached to it.

(2) The commissioner shall not revoke or suspend a London local service licence unless, owing to the frequency of the breach of conditions, or to the breach having been committed intentionally, or to the danger to the public involved in the breach, the commissioner is satisfied that the licence should be revoked or suspended.

(3) On revoking or suspending a London local service licence the metropolitan traffic commissioner shall send notice of the revocation or suspension to every commissioner of police or local authority notified of the grant of the licence in accordance with section 37(4) of this Act.

(4) A London local service licence suspended under this section shall during the time of suspension be of no effect.

41.—(1) Subject to subsection (2) below, a London local service licence shall, unless previously revoked, continue in force until the end of the period of five years beginning with the date on which it takes effect, unless at the time of the granting of the licence the metropolitan traffic commissioner for special reasons determines that it shall continue in force only for a shorter period, in which case it shall, unless previously revoked, continue in force only until the end of that shorter period.

(2) If, on the date on which a London local service licence is due to expire, proceedings are pending before the metropolitan traffic commissioner on an application for the grant of a new licence in substitution for it, the existing licence shall continue
PART II

in force until the application is disposed of, but without prejudice to the exercise in the meantime of the powers conferred by section 40 of this Act.

Secretary of State for such a direction, and the Secretary of State shall give his decision on the application within fourteen days.

(12) On the determination of an appeal under this section the Secretary of State may confirm, vary or reverse the decision appealed against, and may give such directions as he thinks fit to the metropolitan traffic commissioner for giving effect to his decision.

(2) Without prejudice to the generality of subsection (1)(c) above, the arrangements there mentioned may include provision for the making by the Company or any subsidiary of theirs, to persons employed by them or any such subsidiary who do not by virtue of any disposal in pursuance of the proposals fall to be treated as employed by any other person, of payments by way of compensation in respect of the loss of their employment.

(3) The proposals shall be submitted before the end of the period of three months beginning with the day on which this section comes into force or such further period as the Secretary of State may from time to time allow by notice in writing to the Company.

(12) The Secretary of State may by order dissolve any company which is a subsidiary of the Bus Company and incorporated by local Act or by an order under the Light Railways Act 1896.

That value is the excess of the aggregate proceeds arising from all disposals so required over the aggregate costs incurred in carrying out the programme and taking any other steps required in preparation for the dissolution of the Company.

(4) In carrying out their disposal programme, the Bus Company shall take such steps as may be practicable to secure that persons employed in any undertaking or part of an undertaking which is to be the subject of a disposal under the programme are afforded what appears to the Company to be a reasonable opportunity of acquiring (whether alone or jointly with other persons) a controlling interest in the equity share capital of any company operating or proposing to operate that undertaking or part.

(3) In providing in exercise of their powers under subsection (1) above for the disposal of any shares in or other securities of any subsidiary of theirs, the Bus Company may, with the consent of the Secretary of State, provide for employees' share schemes to be established in respect of that subsidiary; and any such scheme may provide for the transfer of shares without consideration.
PART III
Provisions supplementary to section 49.

50.—(1) For the purpose of facilitating the eventual implementation of any disposal required in pursuance of their disposal programme, the Bus Company may exercise their powers to form subsidiaries and to transfer property, rights and liabilities to subsidiaries, notwithstanding the provisions of any enactment which may be taken to limit the purposes for which those powers may be exercised.

(2) The Bus Company may also, for that purpose, make schemes for the transfer of any property, rights or liabilities between the Company and a wholly-owned subsidiary of theirs or between one such subsidiary and another.

(3) A scheme under subsection (2) above shall not come into force until it has been approved by the Secretary of State or until such date as the Secretary of State may, in giving his approval, specify; and the Secretary of State may approve a scheme either without modifications or with such modifications as, after consultation with the Bus Company, he thinks fit.

(3) Except on the application of a related company which is not a subsidiary of the Bus Company, no order shall be made by virtue of this section which has the effect of placing the
related company or any of its subsidiaries in any worse position; but for the purposes of this subsection a related company or a subsidiary shall not be regarded as being placed in a worse position because an order provides that any changes in a pension scheme are not to be effected without the consent of the Secretary of State.

(4) Any order such as is mentioned in subsection (3) above which is made otherwise than on the application of the related company shall not be invalid because it does not have the effect of securing that the related company and its subsidiaries are not placed in any worse position, but except in so far as the related company approves the effect of the order the Secretary of State shall as soon as may be make the necessary amending order.

(5) Subsections (3) and (4) above have effect only in relation to orders made after such day as may be appointed for the purposes of this section by order made by the Secretary of State, and different days may be so appointed in relation to different related companies.

(6) Where an order (the "first order") applying to a related company has been made under section 74 and at the time when it was made the related company was a subsidiary of the Bus Company, the order shall not apply to the related company when it ceases to be such a subsidiary except where an order made (at any time) by virtue of this section provides for the first order to continue to apply to the related company.

53.—(1) The Secretary of State may from time to time by order extinguish the liability of the Bus Company in respect of the principal of, and any outstanding interest on, all or any sums lent to the Company by the Secretary of State under section 20 of the 1962 Act.

(2) The Secretary of State may from time to time give directions to the Company requiring the Company to make to him, out of the net proceeds of any disposals made in pursuance of the Company's disposal programme, payments of such amounts, at such times and by such methods, as may be specified in the directions.

(3) Such payments shall, if and to the extent that the Secretary of State so directs, be applied in repayment of any sums lent to the Company as mentioned in subsection (1) above or in payment of any interest outstanding on any such sums.

(4) Sums received under subsection (2) above which are applied as mentioned in subsection (3) above shall be treated—

(a) for the purposes of section 20(5) of the 1962 Act as received under section 20(2); and

(5) Sums received under subsection (2) above which are not so applied shall be paid into the Consolidated Fund.

(6) Any agreement or arrangements entered into by the Company or any subsidiary of theirs in connection with any disposal made in pursuance of the disposal programme may, with the approval of the Secretary of State, include provision—

(a) for the maintenance to any extent of any concession, benefit or privilege enjoyed by—

(i) any person who is or has been employed by the Company (or any subsidiary of theirs); or

(ii) a member of such a person's family; or

(b) for the making of any payment or the provision of any other concession, benefit or privilege in compensation for the loss, reduction or limitation of that concession, benefit or privilege;

and the Company may make payments to any person in pursuance of or for the purpose of securing any such provision.

(7) Without prejudice to the generality of section 47(1)(c) of this Act, the arrangements there mentioned may include provision for the making by the Company of payments in com-
pensation for any loss, reduction or limitation of any such concession, benefit or privilege as is mentioned in subsection (6) above to the extent that provision in respect of the loss, reduction or limitation is not made by virtue of that subsection.

(8) The power of the Secretary of State to make an order under subsection (1) above shall be subject to the approval of the Treasury and any such order shall be subject to annulment in pursuance of a resolution of the Commons House of Parliament.

(3) Without prejudice to the generality of subsection (2) above, any such order may in particular make provision—

(a) for the preparation by such person or persons as may be specified in the order of a statement or statements of the Company’s accounts for the period from the end of that dealt with in the last annual statement of accounts sent by the Company to the Secretary of State under section 24(3) of the 1962 Act down to the date of the dissolution of the Company;

(d) making such amendments or repeals in any provision of the 1962 Act or the 1968 Act or of this or any other Act as appear to the Secretary of State to be required in consequence of the dissolution of the Company.

(4) The Secretary of State may with the approval of the Treasury—

(3) The proposals shall be submitted to the Secretary of State before the end of such period as may be specified in the direction.

(4) The proposals shall—

(a) provide for each company to be formed in pursuance of the proposals (referred to below in this section as a transferee company) to be a company limited by shares and registered under the Companies Act 1985;

(b) broadly describe the manner in which the undertaking of the initial company, and the whole or any part of the undertaking of any wholly-owned subsidiary of the initial company to which the proposals relate, is to be divided among the transferee companies or (as the case may be) transferred in accordance with the proposals to any one of those companies; and

(c) provide for the winding up of the initial company, and of any wholly-owned subsidiary of the initial company the whole of whose undertaking is to be transferred in accordance with the proposals to any one or more of the transferee companies, on completion of the transfer of that company’s or (as the case may be) of that subsidiary’s undertaking.

(5) In preparing their proposals the Authority shall take into account any advice given by the Secretary of State as to the provisions he regards as appropriate for inclusion in the proposals (and in particular, but without prejudice to the generality of that, as to the description of property, rights and liabilities of the initial company and of any wholly-owned subsidiary of the initial company it is in his view appropriate to transfer to each of the transferee companies).
(6) The Secretary of State may approve the proposals either without modifications or with such modifications as, after consultation with the Authority, he thinks fit.

(7) If the Secretary of State is not satisfied that the proposals accord with any such advice given by him as is mentioned in subsection (5) above, or would do so with appropriate modifications, he may, after consultation with the Authority, instead of approving the proposals substitute for them a plan of his own.

(8) When the Secretary of State has approved the proposals or substituted for them a plan of his own, the Authority shall form each transferee company in accordance with the proposals as approved by the Secretary of State or (as the case may be) in accordance with the Secretary of State's plan, and secure the registration of that company under the Companies Act 1985, 1985 c. 6. before such date as the Secretary of State may specify in relation to that company in giving his approval to the proposals or (as the case may be) in that plan.

(9) When all the transferee companies have been formed in accordance with the proposals as so approved or (as the case may be) in accordance with the Secretary of State's plan, the Authority shall, before such date as the Secretary of State may specify in a direction given to the Authority, submit to the Secretary of State a scheme providing for the transfer to each transferee company of any property, rights and liabilities—

(a) of the initial company; and

(b) of any wholly-owned subsidiary of the initial company; which are to be transferred in accordance with those proposals or (as the case may be) in accordance with that plan to that transferee company.

(10) A scheme under subsection (9) above shall not come into force until it has been approved by the Secretary of State or until such date as the Secretary of State may, in giving his approval, specify; and the Secretary of State may approve a scheme either without modifications or with such modifications as, after consultation with the Authority, he thinks fit.

(11) On the coming into force of a scheme under subsection (9) above the property, rights and liabilities affected by the scheme shall, subject to section 129 of this Act, be transferred and vest in accordance with the scheme.

(12) When it appears to the Authority that no further action is required on the part of the initial company to perfect any transfer effected by the scheme, the Authority shall secure that the initial company is wound up in accordance with the proposals as approved by the Secretary of State or (as the case may be) in accordance with the Secretary of State's plan.
(13) Subsection (12) above shall apply in relation to any subsidiary of the initial company the whole of whose undertaking is transferred under the scheme to one or more of the transferee companies as it applies in relation to the initial company.

62.—(1) In this section, as it applies in relation to the Passenger Transport Executive or (as the case may be) in relation to the Passenger Transport Authority for any passenger transport area—

"the first transfer" means the transfer under section 59(7) of this Act to the initial company of property, rights and liabilities of the Executive for that area; and

"the second transfer" means the transfer under section 61(11) of this Act to companies formed under that section of property, rights and liabilities of the initial company;

and "the first transfer date" and "the second transfer date" mean respectively the date on which the first transfer and the date on which the second transfer takes effect.

(2) The Passenger Transport Executive for any passenger transport area shall have power to make, in such manner as they think fit, such provision as appears to them to be appropriate in connection with either the first or the second transfer for the maintenance to any extent of any concession, benefit or privilege of a description enjoyed immediately before the first transfer date by—

(a) persons who then were or had been employed in such part of the Executive's undertaking, or of the undertaking of any wholly-owned subsidiary of the Executive, as was transferred on that date to the initial company; or

(b) members of the families of any such persons.

(3) Subject to subsection (4) below, the Passenger Transport Authority for any passenger transport area shall have power to make, in such manner as they think fit, such provision as appears to them to be appropriate in connection with the second transfer for the maintenance to any extent of any concession, benefit or privilege of a description enjoyed immediately before the second transfer date by—

(a) persons who then were or had been employed in any undertaking or part of an undertaking transferred on that date to a company formed under section 61 of this Act; or

(b) members of the families of any such persons.

(4) Subsection (3) above shall not apply to any concession, benefit or privilege of a description to which subsection (2) above applies.
(5) Where provision for the maintenance of a concession, benefit or privilege of any description may be made under subsection (2) or (3) above provision may instead be made, in any cases or classes of case to which that subsection applies, for the making of any payment or the provision of any other concession, benefit or privilege in compensation for the loss or (as the case may be) for any reduction or limitation of concessions, benefits or privileges of that description.

**Passenger transport in other areas**

63.—(1) In each non-metropolitan county of England and Wales it shall be the duty of the county council—

(a) to secure the provision of such public passenger transport services as the council consider it appropriate to secure to meet any public transport requirements within the county which would not in their view be met apart from any action taken by them for that purpose; and

(b) to formulate from time to time general policies as to the descriptions of services they propose to secure under paragraph (a) above.

(2) It shall be the duty of a regional or islands council in Scotland, in relation to any part of their area which is not a passenger transport area—

(a) to secure the provision of such public passenger transport services as the council consider it appropriate to secure to meet any public transport requirements within their area which would not in their view be met apart from any action taken by them for that purpose; and

(b) to formulate from time to time general policies as to the descriptions of services they propose to secure under paragraph (a) above.

(3) In formulating policies under subsection (1)(b) or (2)(b) above with respect to the descriptions of services they propose to secure under subsection (1)(a) or (2)(a) above, a council shall have regard to any measures they are required or propose to take for meeting any transport requirements in exercise or performance of—

(a) any of their functions as a local education authority or (as the case may be) as an education authority; or

(b) any of their social services or (as the case may be) social work functions.

(4) A non-metropolitan district council in England and Wales shall have power to secure the provision of such public passenger transport services as they consider it appropriate to secure
PART IV to meet any public transport requirements within their area which would not in their view be met apart from any action taken by them for that purpose.

(5) For the purpose of securing the provision of any service under subsection (1)(a) or (2)(a) or (as the case may be) under subsection (4) above any council shall have power to enter into an agreement providing for service subsidies; but their power to do so—

(a) shall be exercisable only where the service in question would not be provided without subsidy; and

(b) is subject to sections 89 to 92 of this Act.

(6) A non-metropolitan county council in England and Wales or, in Scotland, a regional or islands council shall have power to take any measures that appear to them to be appropriate for the purpose of or in connection with promoting, so far as relates to their area—

(a) the availability of public passenger transport services other than subsidised services and the operation of such services, in conjunction with each other and with any available subsidised services, so as to meet any public transport requirements the council consider it appropriate to meet; or

(b) the convenience of the public (including persons who are elderly or disabled) in using all available public passenger transport services (whether subsidised or not).

(7) It shall be the duty of a county council or (as the case may be) of a regional or islands council, in exercising their power under subsection (6) above, so to conduct themselves as not to inhibit competition between persons providing or seeking to provide public passenger transport services in their area.

(8) It shall be the duty of any council, in exercising or performing any of their functions under the preceding provisions of this section, to have regard to the transport needs of members of the public who are elderly or disabled.

(9) References in subsection (6) above to subsidised services are references to services provided under an agreement providing for service subsidies entered into—

(a) by the council in question or by any other county or district council or regional or islands council under this section; or

(b) by the Passenger Transport Executive for any passenger transport area under section 9A(4) of the 1968 Act.

(10) In this Act—

(a) "public passenger transport services" means all those services on which members of the public rely for getting
from place to place, when not relying on private facilities of their own, including school transport but not—

(i) services provided under permits under section 19 of this Act, other than services provided wholly or mainly to meet the needs of members of the public who are elderly or disabled; or

(ii) excursions or tours; and

(b) references, in relation to any Passenger Transport Executive, non-metropolitan county or district council or regional or islands council, to agreements providing for service subsidies are references to agreements under which any person undertakes to provide a public passenger transport service of any description on terms which include provision for the making of payments to that person by that Executive or council.

64.—(1) When considering from time to time the formulation of policies for the purposes of section 63(1)(b) or (2)(b) of this Act, any council to whom either of those provisions applies shall consult—

(a) with every Passenger Transport Authority, county council or regional or islands council whose area may be affected by those policies; and

(b) either with persons operating public passenger transport services within their area or with organisations appearing to the council to be representative of such persons;

and where the council's area is in England and Wales the council shall also consult with the councils of districts comprised in their area.

(2) As soon as practicable after any occasion when they formulate new or altered policies for those purposes, any such council shall publish a statement of all policies so formulated by them on that or any previous occasion which they propose for the time being to follow in the performance of their duty to secure services under section 63(1)(a) or (as the case may be) under section 63(2)(a).

(3) When any such council publish such a statement, they shall send a copy of the statement—

(a) to each Authority or council whom they were required to consult under subsection (1)(a) above; and

(b) to each of the persons or (as the case may be) organisations whom they consulted under subsection (1)(b) above;

in relation to the formulation of their policies on the occasion in question.
PART IV

(4) The council shall also—

(a) cause a copy of the statement last published by them under subsection (2) above to be made available for inspection (at all reasonable hours) at such places as they think fit; and

(b) give notice, by such means as they think expedient for bringing it to the attention of the public, as to the places at which a copy of that statement may be inspected.

65.—(1) Subject to the following provisions of this section, any non-metropolitan county or district council in England and Wales and London Regional Transport shall each have power to enter into any agreement or arrangements with the other under which that council or (as the case may be) London Regional Transport undertake to contribute towards any expenditure incurred by the other party to the agreement or arrangements in making payments to a person providing a public passenger transport service under any agreement entered into by that other party in exercise of any power that other party may have to secure the provision of that service.

(2) The agreement under which the payments are made must have been entered into in pursuance of the agreement or arrangements between the council in question and London Regional Transport.

(3) The power of London Regional Transport under section 3(2) of the London Regional Transport Act 1984 (contracting-out powers) to enter into and carry out agreements with any person for the provision by that person of any public passenger transport service, if exercised in pursuance of any agreement or arrangements entered into under this section, shall be limited to cases where the service in question would not be provided without subsidy and shall also be subject to sections 89 to 92 of this Act.

(4) Section 28 of the London Regional Transport Act 1984 (agreements with respect to the provision by London Regional Transport of extra services and facilities financed by certain other authorities) shall cease to apply in relation to agreements with district councils, and accordingly—

(a) in subsection (1) of that section—

(i) the word “or” shall be inserted at the end of paragraph (b); and

(ii) paragraph (d) and the word “or” immediately preceding it shall be omitted; and

(b) in subsection (2) of that section—

(i) the word “and” shall be inserted after the word “borough”; and
(ii) the words "and the council of any district" shall be omitted.

(5) Subsection (3) above is without prejudice to section 6 of the London Regional Transport Act 1984 (obligation of London 1984 c. 32. Regional Transport to invite tenders for carrying on activities in certain circumstances).

66.--(1) Subject to section 71 of this Act and subsection (2) below, but notwithstanding anything in any other statutory provision, a non-metropolitan district council in England and Wales or, in Scotland, a regional council shall not have power to provide a service for the carriage of passengers by road which requires a PSV operator's licence.

(2) Subsection (1) above shall not have effect in relation to any council who, at the time when this section comes into force, are providing any such service until the end of such period as may be specified by order made by the Secretary of State.

References below in this Part of this Act to a council operating a bus undertaking are references to any council to whom this subsection applies.

(3) Any order under subsection (2) above may apply to all councils within that subsection who are not for the time being exempt by virtue of section 71 of this Act from subsection (1) above, to any class of such councils, or to any such council specified in the order; and different periods may be specified by any such order in relation to different councils or classes of councils to whom it applies.

(4) Any order under subsection (2) above shall, in relation to every period specified in the order for the purposes of that subsection ("the primary period"), specify also a period ending before the primary period as the period allowed to councils to whom the primary period applies for complying with such of the requirements of sections 67 to 69 of this Act as are applicable to them.

(5) A period specified by virtue of subsection (4) above in an order under subsection (2) above is referred to in those sections, in relation to any council to whom it applies, as the council's preparatory period.

(6) Any order amending a previous order under subsection (2) above, in so far as it extends any period specified in the previous order for the purposes of that subsection, may be framed so as to have effect from a date earlier than the making of the order.

(7) For the purposes of this Part of this Act—

(a) a service for the carriage of passengers by road is a service which requires a PSV operator's licence if

vehicles used in providing the service are used in such circumstances that a PSV operator's licence is required in respect of that use;

(b) any council who have made (whether alone or jointly with any other authority or authorities) arrangements under any enactment for the discharge by any other authority or person of that council's functions with respect to the operation of any such service shall be taken to be providing that service at any time when it is being provided under those arrangements; and

(c) references, in relation to any council operating a bus undertaking, to the council's bus undertaking are references (according to the context) to—

(i) all activities carried on, whether by the council themselves or by any other authority or person in pursuance of any such arrangements as are mentioned in paragraph (b) above or otherwise, in or for the purposes of the provision by the council of any such service; or

(ii) all property of the council used or appropriated for use and all rights and liabilities of the council subsisting for the purposes of any such activities.

67.—(1) Where an order is made under section 66(2) of this Act, the council or (as the case may be) each of the councils to whom the order applies shall, before the end of that council's preparatory period, form (whether alone or jointly with any other council operating a bus undertaking) one or more companies for the purpose of carrying on—

(a) activities of any description included among the activities of the bus undertaking of that council or (as the case may be) of any of the councils concerned in the formation of the company or companies in question;

(b) activities of any other description included among the activities of any joint undertaking of which that council's bus undertaking, or (as the case may be) the bus undertaking of any council so concerned, forms part; and

(c) any other activities which appear to the council or (as the case may be) to both or all of the councils so concerned to be incidental to or connected with any activities within paragraph (a) or (b) above or to be capable of being conveniently carried on in association with any such activities.

(2) Any company formed under this section shall be a company limited by shares registered under the Companies Act 1985.
(3) Subject to subsections (4) and (5) below, a council's bus undertaking shall be regarded for the purposes of this Part of this Act as forming part of a joint undertaking if the services for the carriage of passengers by road provided in the course of the activities of the council's bus undertaking are wholly or mainly provided under any agreement for—

(a) the provision or operation of those services by a body acting on the joint behalf of that council and one or more other councils; or

(b) the operation of those services by any company operating those services in conjunction with services for the carriage of passengers by road provided by that company.

(4) Subsection (3)(a) above only applies where the agreement provides for the distribution among the parties on its termination of—

(a) all assets, or the proceeds of all assets, used or appropriated for use for the purpose of providing services for the carriage of passengers by road under the agreement; or

(b) all such assets or proceeds excluding only land or the proceeds of disposal of land.

(5) Subsection (3)(b) above only applies where—

(a) the agreement includes provision for securing that the parties on termination of the agreement hold shares of equal value in assets required to be brought into account on termination of the agreement; and

(b) those assets include all assets so used or appropriated for use.

(6) References in this Part of this Act, in relation to a council whose bus undertaking forms part of a joint undertaking, to the joint undertaking are references to all activities carried on, or (according to the context) to all property used or appropriated for use and all rights and liabilities subsisting for the purposes of any activities carried on, in pursuance of the agreement by reference to which that council falls within subsection (3) above.

68.—(1) Subject to subsection (2) below, a council to whom section 67(1) of this Act applies shall, before the end of that council's preparatory period, submit to the Secretary of State a scheme providing for the transfer to a company or companies formed by that council under that section of—

(a) such of the property, rights and liabilities of the council comprised in the council's bus undertaking; and

(b) such other property, rights and liabilities of the council; as it appears to the council to be appropriate to transfer to the company or companies in question.
PART IV

(2) This section does not apply to a council whose bus undertaking forms part of a joint undertaking, except where any of the activities of the council's bus undertaking ("the separate activities") are carried on by the council otherwise than in pursuance of any such agreement as is mentioned in section 67(3) of this Act; and in the latter case the reference in subsection (1)(a) above to property, rights and liabilities of the council shall be read as limited to property used or appropriated for use and rights and liabilities subsisting for the purposes of the separate activities.

(3) Two or more councils to whom this section applies may submit a joint scheme for the purposes of subsection (1) above; and in any such case the scheme may provide for the transfer of any property, rights and liabilities within that subsection as it applies to any one of those councils to a company or companies formed under section 67 of this Act by any other of those councils.

(4) In preparing a scheme for the purposes of subsection (1) above the council or councils concerned shall take into account any advice given by the Secretary of State as to the provisions he regards as appropriate for inclusion in the scheme (and in particular, but without prejudice to the generality of that, as to the description of property, rights and liabilities it is in his view appropriate to transfer to the company or companies in question).

(5) A scheme under this section shall not come into force until it has been approved by the Secretary of State or until such date as the Secretary of State may, in giving his approval, specify; and the Secretary of State may approve a scheme either without modifications or with such modifications as, after consultation with the council or councils concerned, he thinks fit.

(6) If the Secretary of State is not satisfied that a scheme submitted under subsection (1) above accords with any such advice given by him as is mentioned in subsection (4) above, or would do so with appropriate modifications, he may, after consultation with the council or councils concerned, instead of approving the scheme substitute for it a scheme of his own, to come into force on such date as may be specified in the scheme.

(7) On the coming into force of a scheme under this section, the property, rights and liabilities affected by the scheme shall, subject to section 129 of this Act, be transferred and vest in accordance with the scheme.

69.—(1) This section applies to a council to whom section 67(1) of this Act applies whose bus undertaking forms part of a joint undertaking (referred to below in this section and in section 70 of this Act as a council participating in a joint undertaking).
(2) Any council participating in a joint undertaking shall, before the end of that council's preparatory period, submit to the Secretary of State written proposals for the transfer to a company or companies formed by that council under section 67 of—

(a) such of the property, rights and liabilities comprised in that council's share of the joint undertaking (whether or not then vested in that council); and

(b) such other property, rights and liabilities of the council; as it appears to the council to be appropriate to transfer to the company or companies in question.

(3) In any case within section 67(3)(a) of this Act both or all the councils participating in the joint undertaking may submit joint proposals for the purposes of subsection (2) above; and in any such case the proposals—

(a) may relate to each council's share of the joint undertaking and (without prejudice to that) to all property, rights and liabilities of the body carrying on that undertaking; and

(b) may provide for the transfer of any property, rights and liabilities within subsection (2) above as it applies to each of those councils to a company or companies formed under section 67 of this Act by any one or more of those councils.

(4) Any proposals submitted to the Secretary of State under this section must include proposals with respect to the terms on which the agreement under which the joint undertaking is carried on (referred to below in this section as the operating agreement) should be terminated.

(5) Individual proposals submitted to the Secretary of State under this section by a single council participating in a joint undertaking must include proposals for the division of that undertaking between the parties to it and the determination of the property, rights and liabilities to be allocated to each as his share.

(6) In preparing their proposals for the purposes of subsection (2) above the council or councils concerned shall take into account any advice given by the Secretary of State as to the provisions he regards as appropriate for inclusion in the proposals (and in particular, but without prejudice to the generality of that, as to the description of property, rights and liabilities it is in his view appropriate to transfer to the company or companies in question).

(7) Where in relation to any joint undertaking the Secretary of State has received under this section proposals submitted to
PART IV

him (whether individually or jointly) by the council or (if more than one) by both or all of the councils participating in the undertaking, he shall, after considering those proposals and consulting the council or councils concerned, make an order in accordance with the following provisions of this section and section 70 of this Act.

(8) Before making such an order in any case within section 67(3)(b) of this Act the Secretary of State shall—

(a) give the company carrying on the joint undertaking an opportunity of making written representations with respect to any proposals submitted to the Secretary of State in relation to that undertaking by the council concerned; and

(b) consider any such representations made to him within such time as he may allow for the purpose.

(9) An order made by the Secretary of State under this section with respect to any joint undertaking may make provision—

(a) where joint proposals were submitted under subsection (3) above with respect to that undertaking, for the transfer in accordance with the proposals of—

(i) all property, rights and liabilities of the body carrying on that undertaking; and

(ii) such of the property, rights and liabilities of the councils participating in the joint undertaking as may be specified in the order;

(b) where individual proposals were submitted by any council participating in the joint undertaking, for the division of that undertaking between the parties to it and the determination of the property, rights and liabilities to be allocated to each as his share;

(c) in a case within paragraph (b) above, for the transfer in accordance with the proposals submitted by any such council of—

(i) such of the property, rights and liabilities comprised in that council's share of the joint undertaking as determined by or under the order (whether or not then vested in that council) as may be specified in the order; and

(ii) such other property, rights and liabilities of that council as may be so specified;

and, in any case within section 67(3)(b) of this Act, for the transfer to the company carrying on the joint undertaking of any property, rights and liabilities of the council concerned which are comprised in that company's share as determined by or under the order;
(d) for the transfer to such person as may be so specified from any council participating in the joint undertaking, or from the body carrying on the undertaking, of all such functions as may be determined by or under the order, being functions conferred or imposed on that council or body under any Act for the purposes of or in connection with the joint undertaking;

(e) for determining the effect of any transfer under the order in relation to persons employed in the joint undertaking or any part of it;

(f) for the protection of the interests of persons who by virtue of any transfer under the order fall to be treated as persons employed by the person taking that transfer;

(g) for the termination of the operating agreement on such terms as may be specified in the order; and

(h) in any case within section 67(3)(a) of this Act, for the dissolution of the body carrying on the joint undertaking.

(10) An order made by the Secretary of State under this section—

(a) may give effect to the proposals submitted to him under this section either without modifications or with such modifications as, after consultation with the council or councils concerned, the Secretary of State thinks fit; or

(b) if the Secretary of State is not satisfied that the proposals accord with any such advice given by him as is mentioned in subsection (6) above, or would do so with appropriate modifications, may make such provision in substitution for those proposals as the Secretary of State, after such consultation, thinks fit;

and references in subsection (9) above to an order's making provision for the transfer of any property, rights and liabilities in accordance with any such proposals shall be read as referring to those proposals as approved by the Secretary of State or to any provision made by the order by virtue of paragraph (b) above, as the case may require.

70.—(1) Any order under section 69 of this Act may contain such supplementary, incidental and consequential provisions as the Secretary of State thinks necessary or expedient for the purposes of the order, and in particular (but without prejudice to the generality of that) may include provision—

(a) for the assumption by any council participating in the joint undertaking and by any person to whom any
property, rights and liabilities are transferred under the order of such liabilities to one another as may be determined by or under the order to be appropriate having regard to the financial arrangements of that council before the severance from the other activities of the council of the joint undertaking or (as the case may be) of any activities of that council for the purposes of the joint undertaking;

(b) for the settlement by a court or otherwise of any dispute or other matter arising in connection with the order;

(c) for making in any statutory provision relating to, or to a class of undertakings which includes, the joint undertaking, such amendments or repeals as may appear to the Secretary of State to be required in consequence of any transfer under the order;

(d) for the making by any person to whom any property, rights and liabilities are transferred under the order to any council participating in the joint undertaking of payments by way of contributions to the cost of any adjustments arising from the severance mentioned in paragraph (a) above; and

(e) with respect to the consideration to be provided by any such person for any transfer under the order.

(2) Subject to subsection (3) below, any property, rights and liabilities for the transfer of which provision is made by an order under section 69 of this Act shall be transferred and vest in accordance with the order on such date or dates as may be appointed by the order for that purpose.

(3) Subject to the following provisions of this section, Schedule 4 to the 1968 Act (supplementary provisions as to certain transfers of property, rights and liabilities) shall apply to any transfer under subsection (2) above; and subsection (2) above shall have effect subject to the provisions of that Schedule.

(4) In Schedule 4 as it applies by virtue of subsection (3) above—

(a) any reference to a transfer by or a vesting by virtue of that Act shall be read as a reference to a transfer by or a vesting by virtue of the order; and

(b) the reference in paragraph 13(5) to the relevant provisions of that Act shall be read as including a reference to the relevant provisions of this Act.

(5) Any order under section 69 of this Act may make modifications in Schedule 4 for the purposes of its application to a transfer effected by that order.
71.—(1) Where in the case of any council operating a bus undertaking the number of vehicles owned by the council and used or appropriated for use in providing any service for the carriage of passengers by road which requires a PSV operator’s licence does not exceed such number as may be specified by order made by the Secretary of State, the Secretary of State may on the application of that council grant to that council an exemption from section 66(1) of this Act for such period and on such terms and conditions as he thinks fit.

(2) Any such exemption shall cease to have effect if any term or condition applicable to it is contravened.

(3) Where a council operating a bus undertaking is in possession of a vehicle under an agreement for hire, hire-purchase, conditional sale or loan, that vehicle shall be treated for the purposes of subsection (1) above as owned by the council.

Further provisions with respect to companies formed under Part IV

72.—(1) References in this Part of this Act to a public transport company are references to any of the following—

(c) any company which was formed by one or more councils under section 67 of this Act and is for the time being under local authority control.

(2) A company formed under section 67 of this Act shall be treated for the purposes of subsection (1)(c) above as under local authority control at any time when either—

(a) it is a subsidiary of a single district council in England and Wales or, in Scotland, of a single regional council; or

(b) if two or more such councils who are members of the company were a single body corporate, it would be a subsidiary of that body corporate.

(3) References in this Part of this Act to a public transport company’s controlling authority—

(a) in relation to a company within subsection (1)(a) or (b) above, are references to the Passenger Transport Executive or (as the case may be) the Passenger Transport Authority of whom it is a subsidiary; and
PART IV

(4) References in this Part of this Act to a composite authority are references to a controlling authority consisting of two or more such councils as are referred to in subsection (2) above, and the councils concerned are referred to as the component councils of that authority.

(b) where two or more such authorities are required by any such notice to reimburse another such authority, the share of that amount payable by each authority concerned;

is not determined by agreement between both or all the authorities concerned within six months of the receipt of the notice or such longer period as may be agreed between them, that amount and (where paragraph (b) above applies) the share payable by each authority concerned shall be determined by an arbitrator or, in Scotland, by an arbiter.

(7) Any such arbitrator or (as the case may be) arbiter shall be appointed either by agreement between the authorities concerned or, in default of such agreement, by the President of the Chartered Institute of Public Finance and Accountancy.

(8) References in this Part of this Act to authorities responsible for expenditure on public passenger transport services are references to—

(a) Passenger Transport Executives;

(b) non-metropolitan county and district councils in England and Wales; and

(c) regional and islands councils in Scotland;

and in sections 89 to 92 of this Act include references to London Regional Transport in relation to any exercise of their power under section 3(2) of the London Regional Transport Act 1984 (contracting-out powers) which by virtue of section 65(3) of this Act is subject to those sections.

89.—(1) Subject to sections 90 and 91 of this Act, an authority responsible for expenditure on public passenger transport services may not enter into an agreement providing for service subsidies under which a local service is to be provided except by accepting a tender invited in pursuance of this section.

(2) Where any such authority propose to secure the provision of any local service by entering into any such agreement, the authority shall invite tenders for the provision of that service for
such period and on such basis as may be specified in the invitation to tender.

(3) An invitation to tender under this section may not include conditions with respect to the terms of employment of persons to be employed in providing any service to which the invitation to tender relates.

(4) Subject to subsection (5) below, any such invitation—

(a) must be issued generally, in such manner as the authority issuing the invitation consider appropriate for bringing it to the attention of persons who may be interested; and

(b) must also be issued individually to all persons who have given to that authority a written notice indicating that they wish to receive invitations to tender for the provision of local services for that authority's area or (as the case may be) for the provision of such services of any description to which the invitation relates.

(5) Any such notice shall specify the address to which any such invitation is to be directed, and it shall be sufficient for the purposes of subsection (4)(b) above if the authority send the invitation to the person giving any such notice at the address so specified.

(6) An authority issuing an invitation to tender under this section shall not accept any tender submitted by a person who is not the holder of either—

(a) a PSV operator's licence, not being—

(i) a licence which is for the time being of no effect by reason of its suspension; or

(ii) a licence to which any condition is attached under section 26 of this Act prohibiting the holder from using vehicles under the licence to provide local services of all descriptions or (as the case may be) of any description to which the invitation relates; or

(b) a permit under section 22 of this Act.

(7) The authority issuing any invitation to tender under this section shall determine—

(a) whether to accept a tender submitted in response to the invitation; or

(b) which (if any) of several such tenders to accept; solely by reference to what in their view is the most effective and economic application of the funds at their disposal for the payment of service subsidies.
PART V

(8) Subsection (7) above shall not be taken as requiring the authority to limit their consideration, in the case of any such invitation to tender, to the application of those funds for the purpose of securing the provision of the particular service to which that invitation to tender relates; and accordingly the authority may (in particular) take into account in making, in relation to any such invitation to tender, any determination to which that subsection applies—

(a) costs and benefits in relation to any proposed expenditure by that or any other authority for the purpose of securing the provision of any other public passenger transport service;

(b) costs and benefits in relation to any proposed expenditure on transport for the purposes of or in connection with the exercise and performance by that or any other authority of any functions of a description mentioned in section 88(2)(b) of this Act; and

(c) any matter appearing to the authority to be relevant to determining whether the particular service to which that invitation to tender relates, and any other relevant service, would be effectively provided by any person who has submitted a tender in response to that invitation to tender.

For the purposes of paragraph (c) above, a service other than the particular service there mentioned is relevant if the authority propose to incur expenditure for the purpose of securing its provision and any tender or proposal for the provision of that service by any such person is also under consideration by the authority.

90.—(1) The period specified in any invitation to tender issued under section 89 of this Act as the period for which a service to which the invitation relates is to be provided shall not exceed five years beginning with the date on which any agreement entered into by accepting a tender submitted in response to the invitation is concluded.

(2) Such information as may be prescribed with respect to any tenders submitted in response to any such invitation to tender shall be published by the authority issuing the invitation in such manner as may be prescribed.

(3) On entering into an agreement by accepting any such tender that authority shall publish in such manner as may be prescribed their reasons for considering that the payment of service subsidies to secure the service in question in accordance with the terms of that tender is conducive to achieving the most effective and economic application of the funds at their disposal for the payment of such subsidies.
(4) Regulations may provide for treating a specification of terms of service, in such form as may be prescribed—

(a) prepared, with reference to any invitation to tender issued under section 89 of this Act by any authority responsible for expenditure on public passenger transport services, by the authority issuing the invitation with respect to the provision of that service by a company to be formed in pursuance of any requirement under Part IV of this Act to carry on any business which includes any current activities of that authority; and

(b) ratified by that company after its formation within such period and in such manner as may be prescribed; as if it were a tender submitted in response to that invitation by that company within any period allowed for the submission of tenders in accordance with that invitation.

(5) The reference in subsection (4)(a) above to any current activities of an authority responsible for expenditure on public passenger transport services is a reference to any activities which at the time when the specification of terms of service is prepared are currently carried on by or on behalf of that authority, or by any body of which that authority is a member or to which it appoints any members.

91.—(1) Regulations may provide for excluding from section 89(1) of this Act agreements of any description specified in the regulations; and any such description may be framed by reference to—

(a) the description of service to which the agreement relates;

(b) the description of persons proposing to operate the service;

(c) the period for which the service is to be provided under the agreement;

(d) the aggregate amount of the service subsidies provided for under the agreement; or

(e) any other relevant circumstances.

(2) Section 89(1) of this Act shall not apply in any case where it appears to an authority responsible for expenditure on public passenger transport services that action is urgently required for the purpose of—

(a) maintaining an existing service;

(b) securing the provision of a service in place of a service which has ceased to operate; or

(c) securing the provision of a service to meet any public transport requirement which has arisen unexpectedly and ought in the opinion of the authority to be met without delay;
PART V

and that it is necessary for that purpose to enter into an agreement providing for service subsidies in order to secure that service.

(3) Where by virtue of subsection (2) above any such authority enter into an agreement to which section 89(1) of this Act does not apply, the authority shall as soon as possible invite tenders for the provision of the service which is the subject of that agreement for such period and on such basis as may be specified in the invitation to tender; and sections 89(3) to (8) and 90 of this Act shall apply in any such case as if the invitation had been issued under section 89(2).

(4) Any agreement entered into by virtue of subsection (2) above shall be made so as to remain in force no later than the end of the period of three months beginning with the day immediately following the end of the period allowed for the submission of tenders in accordance with the invitation to tender issued under subsection (3) above.

(5) Subject to the following provisions of this section, where—

(a) an invitation to tender for the provision of any service is issued under section 89(2) of this Act or subsection (3) above; and

(b) no tender, or no tender which the authority issuing the invitation consider acceptable, is submitted in response to that invitation;

any power of that authority to enter into an agreement providing for service subsidies in order to secure that service shall cease to be subject to section 89(1) of this Act.

(6) Any agreement which by virtue of subsection (5) above is entered into by an authority responsible for expenditure on public passenger transport services otherwise than by acceptance of a tender invited in pursuance of section 89 or subsection (3) above shall be made so as to remain in force no later than the end of the period specified in pursuance of section 90(1) of this Act in the invitation to tender mentioned in subsection (5)(a) above.

(7) On entering into any such agreement an authority shall publish in such manner as may be prescribed either—

(a) a statement that no tender was submitted in response to that invitation to tender; or

(b) a statement of their reasons for considering that no tender so submitted was acceptable;

as the case may require.
92.—(1) An authority responsible for expenditure on public passenger transport services shall, in the exercise and performance of their functions in relation to agreements providing for service subsidies, so conduct themselves as not to inhibit competition between persons providing or seeking to provide public passenger transport services in their area.

(2) Regulations under this section—

(a) may make further provision for regulating the exercise and performance by authorities responsible for expenditure on public passenger transport services of their functions in relation to agreements providing for service subsidies; and

(b) may make provision for limiting to an amount specified in the regulations the aggregate amount of the service subsidies any such authority may agree to pay under any one such agreement; and

(c) may make provision for exceptions from section 89(4) of this Act in such cases as may be prescribed.

(3) The provisions of sections 89 to 91 of this Act shall be subject to this section and any provision made by regulations under this section.

Travel concession schemes

93.—(1) Any local authority, or any two or more local authorities acting jointly, may establish a travel concession scheme for the provision of travel concessions on journeys on public passenger transport services—

(a) between places in the principal area covered by the scheme;

(b) between such places and places outside but in the vicinity of that area; or

(c) between places outside but in the vicinity of that area; by operators of such services participating in the scheme.

(2) For the purposes of this section, the principal area covered by a scheme under this section is—

(a) the area of the local authority concerned or, where two or more such authorities are concerned, the area comprising the areas of both or all those authorities; or

(b) if an area comprised within the area which would be the principal area under paragraph (a) above is specified in the scheme as being the principal area to which the scheme applies, the area so specified.
(3) Any travel concession scheme established under this section shall define—

(a) the travel concessions which are for the time being to be provided by operators participating in the scheme;

(b) the description of persons eligible in accordance with subsection (7) below to receive travel concessions under any such scheme who are for the time being to qualify for travel concessions provided under the scheme; and

(c) the dates in any year currently adopted as the dates on which operators may be admitted to participate in the scheme under section 96 of this Act (referred to below in this section as the standard admission dates);

and may include particulars of any other arrangements for the time being adopted by the authority or authorities concerned in establishing the scheme with respect to the operation, scope and application of the scheme.

(4) Any such scheme may define the standard admission dates by specifying particular dates, or by referring to dates of any specified description or separated by intervals of any specified length; but those dates, however determined, must not be separated by intervals of a length exceeding such period as may be prescribed.

(5) Arrangements adopted by the authority or authorities concerned in establishing any such scheme with respect to the operation, scope and application of the scheme (including the matters specifically mentioned in paragraphs (a) to (c) of subsection (3) above) may differ for different descriptions of concessions or services to which the scheme applies.

(6) Subject to section 94 of this Act, where an operator participating in any such scheme in respect of any services operated by him provides travel concessions in accordance with the scheme for persons travelling on those services, the authority responsible for administration of the scheme or (as the case may be) the authorities so responsible in such proportions respectively as they may agree among themselves shall reimburse that operator for providing those concessions.

(7) The persons eligible to receive travel concessions under any such scheme are—

(a) men over the age of sixty-five years and women over the age of sixty years;

(b) persons whose age does not exceed sixteen years;

(c) persons whose age exceeds sixteen years but does not exceed eighteen years and who are undergoing full-time education;
(d) blind persons, that is to say, persons so blind as to be unable to perform any work for which sight is essential;

(e) persons suffering from any disability or injury which, in the opinion of the authority or any of the authorities responsible for administration of the scheme, seriously impairs their ability to walk; and

(f) such other classes of persons as the Secretary of State may by order specify.

(8) In this section "local authority"—

(a) means the council of a county or district in England and Wales or a regional or islands council in Scotland; and

(b) includes also, in relation to England and Wales, a metropolitan county passenger transport authority.

(9) Unless the context otherwise requires, references in this section and in the provisions of this Part of this Act relating to schemes under this section to the authority or authorities responsible for administration of a scheme under this section are references—

(a) except in a case to which paragraph (b) below applies, to the authority concerned in establishing the scheme or, where two or more authorities are so concerned, to both or all those authorities acting jointly; or

(b) where the authority or one of the authorities concerned in establishing the scheme are a Passenger Transport Authority for a passenger transport area in England and Wales, to the Passenger Transport Executive for that Authority's area or (as the case may require) to that Executive and the other authority or authorities so concerned acting jointly.

(10) Where a Passenger Transport Authority have established a scheme under this section, whether alone or jointly with any other authority or authorities, they shall notify the Passenger Transport Executive for their area of any proposal to vary the scheme, giving particulars of the proposed variation.

94.—(1) Regulations under this section may make provision with respect to any of the following matters—

(a) the factors to be taken into account by the authority or authorities responsible for administration of a travel concession scheme under section 93 of this Act in determining the aggregate amount that may be made available for the purpose of reimbursing operators participating in the scheme for providing travel concessions during any period;

(b) the determination by the authority or authorities so responsible of the amounts to be paid to individual
PART V

operators participating in the scheme, or to any class of such operators, by way of reimbursement for providing such concessions;

(c) the manner of making any payments due to operators by way of such reimbursement;

(d) the provisions or descriptions of provisions that are to be or (as the case may be) may or may not be included in arrangements agreed with operators or adopted by the authority or authorities so responsible with respect to participation of operators in the scheme; and

(e) the terms on which and the extent to which the authority or authorities so responsible may employ any person as their agent for the purposes of the administration of the scheme and the descriptions of persons who may be so employed.

(2) Subject to any provision of regulations made by virtue of subsection (1)(d) above and to the following provisions of this section, the arrangements with respect to participation of operators in any such scheme shall be such as may from time to time be agreed between the authority or authorities responsible for administration of the scheme and individual operators.

(3) Subject to—

(a) any provision of regulations under subsection (1) above;

(b) any modifications that may by virtue of any provision of regulations made by virtue of paragraph (d) of that subsection or in accordance with section 96 of this Act be agreed between the authority or authorities responsible for administration of any such scheme and any individual operator; and

(c) any modifications applied in the case of any individual operator by a direction given under section 98 of this Act;

the arrangements with respect to reimbursement and terms of withdrawal from participation in the scheme applicable to operators of eligible services participating in the scheme shall be such as the authority or authorities responsible for administration may from time to time adopt and must be the same in the case of all such operators.

(4) For the purposes of the provisions of this Part of this Act relating to schemes under section 93 of this Act, a service is an eligible service if it is a service qualifying for fuel duty grant.

(5) The arrangements currently adopted by the authority or authorities responsible for administration of any such scheme with respect to reimbursement of operators of eligible services
participating in the scheme are referred to below in this Part of this Act, in relation to that scheme, as the current reimbursement arrangements for eligible service operators participating in the scheme.

(6) In relation to operators participating in any such scheme, references in this section to arrangements with respect to reimbursement are references to conditions of entitlement of such operators to, and the method of determination and manner of payment of, reimbursement in respect of travel concessions provided under the scheme.

95.—(1) On or before the date on which a scheme under section 93 of this Act comes into operation or, where it comes into operation on different dates with respect to different concessions to be provided under the scheme, on or before the first of those dates—

(a) the authority or authorities concerned in establishing it shall publish particulars of the scheme; and

(b) the authority or authorities responsible for administration of the scheme shall publish particulars of the current reimbursement arrangements for eligible service operators participating in the scheme as they are to apply on initial establishment of the scheme;

in such manner, in either case, as the authority or authorities concerned think fit.

(2) Particulars of any subsequent variations shall be published—

(a) in the case of variations of the scheme, by the authority or authorities concerned in establishing the scheme; and

(b) in the case of variations of the arrangements, by the authority or authorities responsible for administration of the scheme.

(3) Following publication under subsection (1)(a) or (as the case may be) under subsection (1)(b) above of particulars of any scheme or arrangements—

(a) copies of the scheme or (as the case may be) of the arrangements (with any subsequent variations) shall be made available at the principal office of the authority or (as the case may be) of each authority concerned; and

(b) a copy shall be supplied to any person on request (whether at that office or by post) either free of charge or at a charge representing the cost of providing the copy.
(4) Where the authority or any of the authorities concerned in establishing a scheme under section 93 of this Act are a Passenger Transport Authority, they shall notify the Passenger Transport Executive for their area of any proposal to publish particulars of the scheme in advance of its coming into operation, giving the proposed date of publication.

96.—(1) Subject to the following provisions of this section, where any operator or prospective operator of an eligible service which runs or will run between places within the limits covered by any scheme under section 93 of this Act applies to the authority or authorities responsible for administration of that scheme to be admitted to participate in it in respect of that service, the authority or authorities in question shall be obliged to admit that operator to participation in the scheme in respect of that service as from any standard admission date under the scheme not later than the one next following—

(a) the end of such period as may be prescribed beginning with the date of his application; or

(b) the date on which the service begins;

whichever last occurs.

(2) The Secretary of State may, on the application of the authority or authorities responsible for administration of any such scheme, exempt the authority or authorities in question from the obligation under subsection (1) above in relation to any service or description of services; and the Secretary of State may at any time withdraw or vary any exemption granted under this subsection.

(3) An exemption may not be granted under subsection (2) above on the application of a Passenger Transport Executive, or on the joint application of authorities who include such an Executive, unless the application is made with the consent of the Passenger Transport Authority for that Executive's area.

(4) Subject to any regulations under section 94(1)(d) of this Act, where it appears to the authority or authorities responsible for administration of any such scheme, in the case of any operator or prospective operator of an eligible service who applies to be admitted to participate in the scheme in respect of that service, that fares currently charged or proposed to be charged by that operator for relevant journeys on that service include a special amenity element, the authority or authorities in question shall not be required by subsection (1) above to admit that operator to participation in the scheme in respect of that service unless that operator agrees to appropriate modifications of the current reimbursement arrangements for eligible service operators participating in the scheme.
(5) Subject to any such regulations, where it appears to the authority or authorities responsible for administration of any such scheme, in the case of any operator of an eligible service participating in the scheme, that fares currently charged by that operator for relevant journeys on that service include a special amenity element, the authority or authorities in question may by notice of not less than such period as may be prescribed exclude that operator from participation in the scheme in respect of that service unless before the end of that period that operator agrees to appropriate modifications of the current reimbursement arrangements for eligible service operators participating in the scheme.

(6) For the purposes of subsections (4) and (5) above fares for relevant journeys are to be regarded as including a special amenity element if they are significantly high in relation to the general level of fares for comparable journeys in the principal area covered by the scheme (within the meaning of section 93 of this Act).

(7) References in those subsections to appropriate modifications of the reimbursement arrangements there mentioned are references to such modifications of those arrangements as the authority or authorities concerned consider appropriate for providing reimbursement in respect of travel concessions provided for relevant journeys on the service in question by reference to the general level of fares mentioned in subsection (6) above instead of by reference to the actual fares charged (or proposed to be charged) for those journeys.

(8) For the purposes of this section “relevant journeys” are journeys on which travel concessions are to be provided under the scheme in question.

(9) For the purposes of this section and section 97 of this Act, references to a prospective operator of an eligible service are references to a person who has registered a local service under section 6 of this Act but is not yet operating that service.

97.—(1) Subject to subsection (8) below, where the arrangements currently adopted by the authority or authorities responsible for administration of a scheme under section 93 of this Act with respect to the terms on which operators of eligible services may withdraw from participation in the scheme require such an operator to give notice before withdrawing from the scheme in respect of any such service, any such operator shall be obliged to provide any travel concessions required by the scheme on journeys on any such service in respect of which he is participating in the scheme until he gives the required notice of withdrawal and the period of notice has expired.
PART V

(2) Subject to the following provisions of this section, the authority or authorities responsible for administration of any such scheme may at any time by notice in writing served on any operator or prospective operator of an eligible service (including an operator already participating in the scheme) impose on him an obligation to provide travel concessions in accordance with the scheme on journeys on any such service operated by that operator to which the notice applies.

A notice under this subsection is referred to below in this Part of this Act as a participation notice.

(3) The power under subsection (2) above to serve a participation notice shall not be exercisable in relation to any such scheme until after the date (or whichever last occurs of the respective dates) of first publication under section 95 of this Act of particulars of the scheme and of the current reimbursement arrangements for eligible service operators participating in the scheme as they are to apply on initial establishment of the scheme.

(4) An obligation imposed by a participation notice shall, subject to subsection (8) below and sections 98 and 99 of this Act, be effective in relation to any service to which the obligation applies as from the appropriate commencement date for that service until the end of such period beginning with that date as may be specified in the participation notice.

(5) Subject to subsection (9) below, for the purposes of subsection (4) above the appropriate commencement date for any service to which an obligation imposed by a participation notice applies is—

(a) the date immediately following the end of such period of notice as may be specified in the participation notice; or

(b) the date when the service begins; whichever last occurs.

(6) Where it is proposed—

(a) to vary a scheme under section 93 of this Act; or

(b) to vary the current reimbursement arrangements for eligible service operators participating in any such scheme;

the authority or authorities responsible for administration of the scheme may, not less than such period before the variation is to take effect as may be prescribed, by notice served on any operator of any such service who is under an obligation under this section to provide travel concessions in accordance with the scheme, require him to indicate, within such period and in such manner as may be prescribed, whether or not he is willing
to continue to participate in the scheme after the variation takes effect.

(7) Any notice under subsection (6) above shall give particulars of the proposed variation.

(8) Where in pursuance of subsection (6) above an operator indicates that he is not willing to continue to participate in the scheme after the variation takes effect, any obligation of that operator under this section to provide travel concessions in accordance with the scheme which was current at the date of the notice under that subsection and would still apart from this subsection be in force on the date when the variation takes effect shall cease on the latter date (without prejudice, however, to the service of a new participation notice).

(9) Where a notice is served on an operator under subsection (6) above the preceding provisions of this section shall apply, on and after the date when the variation in question takes effect, in relation to any obligation of that operator under subsection (2) above to provide travel concessions in accordance with the scheme in question which—

(a) was current at the date of the notice; and

(b) does not cease (by virtue of subsection (8) above or otherwise) before the date when that variation takes effect;

as if the latter date were the appropriate commencement date for the purposes of subsection (4) above for each service to which the obligation applies.

(10) The exercise of the power to serve a participation notice under this section on any person—

(a) by a Passenger Transport Executive; or

(b) by authorities responsible for administration of a scheme under section 93 of this Act who include such an Executive;

shall require the consent of the Passenger Transport Authority for the Executive's area.

98.—(1) The authority or authorities by whom a participation notice is served on any person shall send to that person, together with the notice, a copy of—

(a) such particulars of the scheme to which the notice relates and of any variations of that scheme; and

(b) such particulars of the current reimbursement arrangements for eligible service operators participating in the scheme and of any variations of those arrangements;
PART V

as have been published under section 95 of this Act before the date of the notice.

(2) Subject to the following provisions of this section, a person on whom a participation notice has been served may apply to the Secretary of State for cancellation or variation of that notice on either or both of the following grounds, that is to say—

(a) that there are special reasons why his participation in the scheme in question in respect of the service or any of the services to which the notice applies would be inappropriate; and

(b) that any provision of the scheme or of any such arrangements as are mentioned in subsection (1)(b) above are inappropriate for application in relation to operators other than operators voluntarily participating in the scheme.

(3) Subject to subsection (4) below, an application under subsection (2) above may be made by notice in writing given to the Secretary of State before the end of the period of twenty-eight days beginning with the date of the participation notice.

(4) A person may not make such an application unless he has given notice in writing of his intention to do so to the authority or authorities by whom the participation notice was served—

(a) if a period allowed for that purpose is specified in the participation notice, before the end of that period; or

(b) in any other case, at any time before the date of the notice given to the Secretary of State under subsection (3) above.

(5) Where on any such application the Secretary of State finds the ground mentioned in subsection (2)(a) above established, he may cancel the participation notice or (as the case may require) vary it by excluding from it any service operated by the applicant in respect of which he considers the applicant's participation in the scheme would be inappropriate.

(6) Where on any such application the Secretary of State finds the ground mentioned in subsection (2)(b) above established, he shall cancel the participation notice unless he considers that a direction under subsection (7) below would meet the case.

(7) Where on any such application the Secretary of State does not cancel the participation notice, he may direct that the current arrangements for reimbursement of eligible service operators participating in the scheme shall apply in the case of the applicant or (as the case may require) in the case of any
service operated by the applicant to which the participation notice applies with such modifications as may be specified in the direction.

(8) If the Secretary of State cancels a participation notice under subsection (6) above he shall give to the authority or authorities by whom the notice was served a notice in writing indicating in what respects the scheme or (as the case may be) the current reimbursement arrangements for eligible service operators participating in the scheme are inappropriate for application in relation to operators other than operators voluntarily participating in the scheme.

(9) Any obligation under section 97(2) of this Act which has come into effect before the determination of any application under this section with respect to the participation notice by which that obligation was imposed shall—

(a) cease to have effect, if the notice is cancelled; or

(b) have effect, if the notice is varied, subject to a corresponding variation;

on such date as may be specified by the Secretary of State in determining the application.

99.—(1) The authority or authorities responsible for administration of a scheme under section 93 of this Act may at any time by notice in writing served on any operator who is under an obligation under section 97(2) of this Act to provide travel concessions in accordance with the scheme on journeys on any eligible service operated by him release him from that obligation in respect of that service.

(2) Subject to the following provisions of this section, any such operator may at any time by notice in writing apply to the Secretary of State to be released from that obligation in respect of any such service on the ground that the authority or authorities responsible for administration of the scheme have failed to comply with their obligation under section 93(6) of this Act.

(3) An operator may not make such an application unless he has given notice in writing of his intention to do so to the authority or authorities responsible for administration of the scheme not less than twenty-eight days before the date of the application.

(4) A notice under subsection (2) or (3) above shall give particulars of any alleged failures of the authority or authorities in question to comply with their obligation under section 93(6) of which the operator complains.

(5) On any such application the Secretary of State may, if he finds the applicant's ground of complaint established, determine
that the applicant's obligation under section 97(2) shall cease on such date as may be specified in the determination.

100.—(1) Regulations under this section may make provision as to—

(a) the maximum or (as the case may be) minimum period that may for the purposes of any provision of section 97 or 98 of this Act be specified in a participation notice;

(b) the form and contents of participation notices and other notices required for any purposes of sections 96 to 99 of this Act; and

(c) the manner in which any such notice is to be served.

(2) Where the Secretary of State cancels or varies a participation notice under section 98 of this Act after the obligation imposed by that notice has come into effect he may award compensation to the applicant under subsection (4) below if it appears to him that the applicant has suffered—

(a) in a case where the notice is cancelled, any loss attributable to his participation in the scheme in question; or

(b) in a case where the notice is varied by excluding from it any service operated by the applicant, any loss attributable to his participation in that scheme in respect of that service.

(3) Where on determining an application under section 99 of this Act the Secretary of State finds that the authority or authorities responsible for administration of the scheme in question have failed to comply with their obligation under section 93(6) of this Act, he may award compensation to the applicant under subsection (4) below if it appears to him that the applicant has suffered any loss attributable to that failure.

(4) In any case to which subsection (2) or (3) above applies the Secretary of State may by notice in writing require the authority responsible for administration of the scheme in question or (as the case may be) the authorities so responsible in such proportions as may be specified in the notice to pay to the applicant such an amount by way of compensation in respect of the loss there mentioned as may be so specified.

(5) The Secretary of State may if he thinks fit appoint a person to determine an application under section 98 or 99 of this Act on his behalf; and references in those sections and in subsections (2) to (4) above to the Secretary of State shall be read as including references to a person so appointed.
(6) Regulations under this section may prescribe the procedure to be followed in connection with applications under sections 98 and 99 of this Act and may in particular (but without prejudice to the generality of that) include provision—

(a) as to the conduct of any proceedings held in connection with any such application; and

(b) enabling the Secretary of State to require either the applicant or the authority or authorities responsible for administration of the scheme in question, or both or all of them, to pay such sum as the Secretary of State may determine towards any expenses incurred by him in connection with the determination of the application.

(7) Where a requirement under subsection (4) above is imposed on more than one authority, the liability of the authorities concerned to the applicant—

(a) shall extend to the whole of the amount specified in the notice imposing the requirement; and

(b) shall be both joint and several;

but if any such authority make any payment, in or towards the discharge of that liability, of an amount exceeding the amount representing any proportion specified in the notice as that authority's share, that authority shall be entitled to recover an appropriate contribution (determined by reference to the proportions specified in that notice) from the other authority or authorities concerned.

(8) Any sums paid to the Secretary of State by virtue of subsection (6)(b) above shall be paid into the Consolidated Fund.

101.—(1) If during any period an operator of any service who is under an obligation under section 97 of this Act to provide travel concessions in accordance with a scheme under section 93 of this Act for persons travelling on that service systematically fails to comply with that obligation he shall be liable on summary conviction to a fine not exceeding level 3 on the standard scale.

(2) Where an offence under this section committed by a body corporate is proved to have been committed with the consent or connivance of, or to have been attributable to any neglect on the part of, any director, manager, secretary or other similar officer of the body corporate or a person who was purporting to act in any such capacity, he as well as the body corporate shall be guilty of that offence and shall be liable to be proceeded against and punished accordingly.
PART V

(3) Where the affairs of a body corporate are managed by its members, subsection (2) above shall apply in relation to the acts and defaults of a member in connection with his functions of management as if he were a director of the body corporate.

(4) Proceedings for an offence under this section shall not, in England and Wales, be instituted except by the authority, or any one of the authorities, responsible for administration of the scheme in question or by or with the consent of the Director of Public Prosecutions (and any such authority who would not apart from this subsection have power to bring such proceedings shall accordingly have that power).

the level and structure of such concessions for which that scheme currently provides.”; and
(b) in subsection (3)(a), for “(c)” there shall be substituted “(d)”.

Travel concessions apart from schemes

103.—(1) The payments provided for under an agreement providing for service subsidies entered into by an authority responsible for expenditure on public passenger transport services may not include payments in respect of the provision of travel concessions except as provided below in this section.

(2) Subject to subsection (3) below, provision may be included in any such agreement for the making of payments by the authority in question to the person providing the service to which the agreement relates in respect of the provision of travel concessions on journeys on that service or any part of it for any description of persons eligible in accordance with section 93(7) of this Act to receive travel concessions under a travel concession scheme under that section.

(3) Subsection (2) above only applies where the concessions in question are not available, or not available to that description of persons, under any such scheme administered by the authority concerned or by that authority acting jointly with any other authority or authorities.

104.—(1) A Passenger Transport Executive may not in exercise of their powers under section 10(1)(xiii) of the 1968 Act (power of Passenger Transport Executive to charge for services and waive their charges, etc.) provide travel concessions for persons travelling on any public passenger transport service provided by the Executive other than persons of any description eligible in accordance with section 93(7) of this Act to receive travel concessions under a travel concession scheme established under that section, except where those concessions are provided under any agreement or arrangements under which the whole of the cost of providing those concessions is to be met by a person other than that Executive or the Passenger Transport Authority for that Executive’s area.

(2) The approval of the Passenger Transport Authority for a passenger transport area under section 15(2) of the 1968 Act (approval of Passenger Transport Authority required for alterations by Executive in general level of charges and for reduction or waiver of charges by Executive) shall not be required for travel concessions granted by the Passenger Transport Executive for that area for persons travelling on any public passenger
transport service provided by the Executive if those concessions are granted—

(a) in accordance with any scheme established under section 93 of this Act by any authority other than the Passenger Transport Authority for that Executive’s area or (as the case may be) by authorities who do not include that Passenger Transport Authority; or

(b) where that Executive’s area is in England and Wales, in pursuance of arrangements made with that Executive by any local authority within the meaning of the National Assistance Act 1948 in exercise of their powers under section 29 of that Act (welfare arrangements for handicapped persons);

or correspond to travel concessions under any scheme established under section 93 of this Act by the Passenger Transport Authority for that Executive’s area or (as the case may be) by authorities who include that Passenger Transport Authority.

(3) For the purposes of subsection (2) above, travel concessions granted by the Executive for a passenger transport area on any such service correspond to travel concessions under any such scheme if they are—

(a) of the same value;

(b) available subject to the same terms, limitations or conditions; and

(c) available to persons of the same description;

as the travel concessions provided under that scheme.

105.—(1) Where the council of any county or district in England and Wales or of any region or islands area in Scotland are operating any public passenger transport service, they shall have power to provide travel concessions for persons travelling on that service of any description eligible in accordance with section 93(7) of this Act to receive travel concessions under a travel concession scheme established under that section.

(2) In respect of travel concessions provided under this section, any such council may, if they think fit, from time to time transfer to the credit of the account of their transport undertaking sums from the general rate fund or, where that council is the council of any region or islands area in Scotland, from the general fund (within the meaning of section 93 of the Local Government (Scotland) Act 1973).

(3) Sums so transferred must not exceed the cost to the council concerned of providing the concessions or so much of that cost as would not apart from subsection (2) above fall to be met out of the fund there mentioned.
Grants for transport facilities and services

106.—(1) Any authority to whom this section applies, or any two or more such authorities acting jointly, may make, in such cases and subject to such terms and conditions as they think fit, grants to any other person towards expenditure incurred or to be incurred by that person in providing, maintaining or improving—

(a) any vehicle, equipment or other facilities provided wholly or mainly for the purpose of facilitating travel by members of the public who are disabled; or

(b) any equipment or other facilities specially designed or adapted for that purpose which are incorporated in any vehicle, equipment or other facilities not provided wholly or mainly for that purpose.

(2) Subject to subsection (3) below, any such authority, or any two or more such authorities acting jointly, may make, in such cases and subject to such terms and conditions as they think fit, grants to any person providing public passenger transport services towards expenditure incurred or to be incurred by that person for the purpose of—

(a) maintaining or improving facilities for public passenger transport, other than facilities provided wholly or mainly for use for the purpose of or in connection with excepted services; or

In this subsection “excepted services” means services for the carriage of passengers by road which require a PSV operator’s licence (within the meaning of Part IV of this Act).

(3) Subsection (2) above shall not apply in relation to expenditure appearing to the authority or authorities in question to be of a capital nature.

(b) any equipment or other facilities specially designed or adapted for that purpose which are incorporated in any vehicle, equipment or other facilities not provided wholly or mainly for that purpose.

Subject to subsection (3) below, London Regional Transport may make, in such cases and subject to such terms and conditions as they think fit, grants to any person providing public passenger transport services towards expenditure incurred or to be incurred by that person for the purpose of—

(b) facilitating or improving the operation of public passenger transport services, other than excepted services; in the area of that authority or (as the case may be) in the area comprising the areas of both or all those authorities.

In this subsection “excepted services” means services for the carriage of passengers by road which require a PSV operator’s licence (within the meaning of Part IV of this Act).

(2) In the case of any grant under this section for the purpose of securing the continuance of an existing service—

(a) the service must be one which was established with the assistance of a grant under this section; and

(b) the grant must be for securing its continuance during such period from the time when it was first operated as appears to the Secretary of State to be appropriate in the case of that service.

(3) In the case of any grant under this section for the purpose of securing the improvement of an existing service the improvement in view must be one which appears to the Secretary of State to involve an innovative approach to the use of vehicles, equipment or other facilities in providing the service.

(4) Grants under this section shall be of such amount and subject to such conditions (including conditions requiring their repayment in specified circumstances) as the Secretary of State may, with the approval of the Treasury, determine, either generally or in relation to any particular cases or classes of case.

109.—(1) Subject to the following provisions of this section, the Secretary of State may, with the approval of the Treasury, make in such cases as he thinks fit a grant to any person in respect of qualifying mileage run at any time during the period of four years beginning with the date on which this section comes into force by vehicles used by that person in operating a service which at the time in question is a service eligible for grant under this section.

he may make a determination to that effect.

(2) Where a traffic commissioner makes a determination under subsection (1) above he shall notify the Secretary of State and the operator of the service in writing forthwith.

(3) Where a determination has been made under subsection (1) above with respect to a local service there shall become due to the Secretary of State from the operator of the service an amount equal to twenty per cent. of any amount paid to him under section 92 of the Finance Act 1965 (grants to operators of bus services towards duty charged on bus fuel) in respect of all services operated during the period of three months ending with the day on which the traffic commissioner made his determination.

(4) The operator of any local service in respect of which a determination has been made under subsection (1) above may appeal to the Transport Tribunal against the determination.

(5) Any amount due to the Secretary of State under this section shall be recoverable as a debt due to the Crown; and any amount repaid to, or recovered by, him under this section shall be paid into the Consolidated Fund.

Road passenger transport services in place of railway services

118.—(1) After section 4 of the 1962 Act (Railways Board’s road services) there shall be inserted the following section—

4A.—(1) Subject to this section, the Railways Board shall have power to secure the provision by other persons of services for the carriage of passengers by road where a railway service has been temporarily interrupted, or has been discontinued.

(2) The route (and stopping places) of any such service provided where a railway service has been discontinued need not correspond precisely with the route of the discontinued service (even where it is practicable to do so), so long as the service so provided broadly corresponds with the discontinued service, in terms of the localities it serves.

(3) Subsection (2) above is not to be taken as prejudicing the power of the Board under subsection (1) above to secure the provision of a service which deviates in any respect from the route of a railway service which has been interrupted or discontinued where it is not practicable for a service by road to correspond precisely to the railway service in question.

(4) Before entering into any agreement in pursuance of subsection (1) above for the provision by any other person of a service for the carriage of passengers by road in a case where a railway service has been discontinued, the Board shall invite other persons to submit tenders to provide that service for such period and on such basis as may be specified in the invitation to tender.

(5) Subsection (4) above shall not apply in relation to an agreement for the provision of such a service on a temporary basis in a case where a service for the carriage of passengers by road provided under
an agreement entered into by the Board in pursuance of subsection (1) above has been temporarily interrupted.

(6) Nothing in subsection (4) above shall be read as requiring the Board to accept any tender submitted in response to an invitation to tender issued under that subsection.

(7) The Railways Board may not under this section secure the provision by any person of a service for the carriage of passengers by road provided otherwise than by means of public service vehicles or licensed taxis.

(8) The Railways Board may not themselves directly provide services for the carriage of passengers by road.

(9) In this section—

(a) "licensed taxi" means—

(2) Section 4 of the 1962 Act shall cease to apply in relation to services for the carriage of passengers by road; and, accordingly, in that section—

(a) in subsection (1)—

(i) in paragraph (a), sub-paragraph (iii) and the words "and passengers" shall be omitted; and

(ii) in paragraph (b) (Board's power to exercise powers conferred by the Railway Road Transport Acts of 1928), after the word "exercise" there shall be inserted the words "in relation to the carriage of goods by road";

(b) subsection (5) (nothing in that section to authorise Board to use hackney carriages plying or standing for hire) shall be omitted; and

F 2
PART VI

Bus substitution services and bus service conditions.

118.—(1) This section applies where the Secretary of State imposes a condition requiring the Railways Board to secure the provision of an alternative service for the carriage of passengers by road—

(a) under section 54(5) of the 1968 Act, in giving his consent to the discontinuance by the Board of all railway passenger services from any station or on any line (referred to below in this section as a closure); or

(b) under section 122 of this Act, in revoking any previous condition to that effect (whether imposed as mentioned in paragraph (a) above or imposed under section 122); and any such service required by a condition so imposed is referred to below in this Act as a bus substitution service.

(2) In any such case the Board shall secure the provision of the bus substitution service in exercise of their powers under section 4A of the 1962 Act (provision of road passenger transport services where a railway service has been interrupted or discontinued); and subsection (2) of that section (which makes provision with respect to the route and stopping places of any service provided on discontinuance of a railway service) shall be subject to the condition requiring the bus substitution service and to any other condition imposed by the Secretary of State in connection with the closure or (as the case may be) under section 122 of this Act with respect to the operation of that service.

(3) The Passenger Transport Executive for any passenger transport area may enter into agreements with the Railways Board under which the Executive make payments to the Board in respect of the cost incurred by the Board in securing the provision of any bus substitution service between places in the Executive's area or between such places and places outside that area but within the permitted distance for the purposes of section 10(1)(ii) of the 1968 Act as it applies to that Executive (that is to say, twenty-five miles from the nearest point on the boundary of that area).

(4) The Secretary of State may not vary or revoke any condition imposed by him as mentioned in subsection (1)(a) or (b) above with respect to the provision or operation of a bus substitution service (referred to below in this Act as a bus service condition) except as provided below in this section.
(5) A bus service condition requiring the Board to secure the provision of a bus substitution service may not be—

(a) revoked; or

(b) varied so as to permit the Board to withdraw the service from any locality or point for the time being specified in the condition as a locality or point the service is required to serve;

except in accordance with the procedure provided by sections 120 to 122 of this Act (which corresponds, with certain modifications, to the procedure applicable under section 56 of the 1962 Act in relation to a closure); but, subject to that, a bus service condition may at any time be varied or revoked by the Secretary of State.

120.—(1) Where the Railways Board propose—

(a) to seek revocation of a bus service condition requiring them to secure the provision of a bus substitution service; or

(b) to seek variation of such a condition so as to permit them to withdraw any such service from any locality or point for the time being specified in the condition as a locality or point the service is required to serve;

they shall, not less than six weeks before the date they propose for the withdrawal of the service or (as the case may be) for the withdrawal of the service from that locality or point (referred to below in this Act as the withdrawal of service) publish in two successive weeks in two local newspapers circulating in the area affected, and in such other manner as appears to them appropriate, a notice complying with subsection (2) below.

(2) The notice shall—

(a) give the date proposed by the Board for the withdrawal of service and particulars of the proposed withdrawal, of any alternative services which it appears to the Board will be available and of any proposals of the Board for securing the provision of alternative services or augmenting any available alternative services; and

(b) state that objections to the revocation or (as the case may be) to the variation of the bus service condition may be lodged in accordance with this section within six weeks of a date specified in the notice.

(3) The date so specified shall be the date on which the notice is last published in a local newspaper as required by subsection (1) above.
PART VI

(4) Copies of the notice published under subsection (1) above shall be sent to the appropriate Area Committee.

(5) Where the proposed withdrawal of service relates to a service or part of a service which is subsidised by the Passenger Transport Executive for any passenger transport area under any agreement made with the Railways Board by virtue of section 119(3) of this Act, the Board shall not publish a notice with respect to the proposed withdrawal under subsection (1) above without the consent of the Executive to its publication.

(6) If in any such case the Board publish such a notice before obtaining that consent, the notice shall be of no effect unless before the end of the period fixed by the notice for objecting to the revocation or variation of the relevant bus service condition either—

(a) the Executive have informed the Board in writing that they consent to the publication; or

(b) the Secretary of State, on an application made for the purpose by the Board (whether before or after the publication of the notice) and after offering the Executive what the Secretary of State considers a reasonable opportunity to make any representations, has directed that the notice shall have effect notwithstanding that the Executive have not consented to its publication.

(7) Where in the case of any proposed withdrawal of service subsection (5) above does not apply but any locality or point affected by the proposed withdrawal is situated in a passenger transport area, the Railways Board shall send to the Passenger Transport Executive for that area a copy of the notice published by them under subsection (1) above.

Objections to withdrawal of bus substitution service.

121.—(1) Where a notice has been published by the Railways Board under section 120(1) of this Act, any user of any service affected and any body representing such users may within the period specified in the notice lodge with the appropriate Area Committee an objection in writing.

(2) Where such an objection is lodged the committee shall immediately inform the Secretary of State and the Board.

(3) A committee with whom an objection has been lodged under subsection (1) above shall consider the objection and any representations made by the Board and report to the Secretary of State as soon as possible on the hardship, if any, which they consider will be caused by the proposed withdrawal of service, and the report may contain proposals for alleviating that hardship.
(4) The Secretary of State may require a further report from any committee making a report to him under subsection (3) above.

(5) Copies of every report under subsection (3) or (4) above shall be sent to the Central Committee and to the Board.
