- 3 (1) Where a housing association satisfies the Secretary of State, by furnishing him with such information as to its financial position as he may require, that the amount of new building subsidy for a year will be, or was, inadequate having regard to its normal sources of income to enable it to meet such expenditure (including loan charges) as in his opinion it would be, or was, reasonable for it to incur for that year in the exercise of its housing functions, he may direct that for that year the percentage of the initial deficit to be met by subsidy shall be greater than that otherwise applicable.
- (2) The percentage shall not, however, be greater than 90 per cent. or the percentage met by subsidy for the immediately preceding year, whichever is less.

- “loan charges” includes any loan charges made by a housing association (including charges for debt management) whether in respect of borrowing from a capital fund kept by the association or in respect of borrowing between accounts kept by the association for different functions or otherwise.
- 4 (1) Where before 1st April 1976 a registered housing association made an application for housing association grant in respect of a housing project which was or included a building scheme or improvement scheme which had been previously approved for the purposes of any of the provisions mentioned in paragraph 1 and the Secretary of State gave his approval to that project for the purposes of housing association grant, no further payments of new building subsidy or improvement subsidy shall be made in respect of that approved scheme.
- (2) A condition imposed by the Secretary of State in such a case by virtue of section 35(2) (b) of the ^{M86}Housing Act 1974, requiring the repayment of all or any of the payments of new building subsidy or improvement subsidy already paid, if in force immediately before the commencement of this Act, remains in force under this subparagraph.
- (3) No account shall be taken under section 47(2)(b) (estimation of net cost of project for purposes of housing association grant: income to include subsidies) of payments of subsidy received which are required to be repaid in pursuance of such a condition.
