Disposal of land

F19

Control of disposals by unregistered housing associations

F23

Subject to section 10, the consent of the relevant regulator is required for any disposition of grant-aided land (as defined in Schedule 1) by an unregistered housing association; and for this purpose “the relevant regulator” means,—

(a) if the land is in England, the Regulator of Social Housing, and

(b) if the land is in Wales, the Welsh Ministers.

F24

Consent under this section may be so given—

(a) generally to all housing associations or to a particular housing association or description of association;

(b) in relation to particular land or in relation to a particular description of land; and may be given subject to conditions.

F25

A disposition by a housing association which requires consent under this section is valid in favour of a person claiming under the association notwithstanding that that consent has not been given; and a person dealing with the association, or with a person claiming under the association, shall not be concerned to see or inquire whether any such consent has been given.

This subsection has effect subject to section 12 (avoidance of certain dispositions of houses without consent).

F26

(4) For the purposes of this section “disposition” means sale, lease, mortgage, charge or any other disposal.
(6) Consent under this section must be in writing.]

F107 S. 67 repealed (1.10.1996) by 1996 c. 52, s. 227, Sch. 19 Pt. I; S.I. 1996/2402, art. 3 (subject to transitional provisions and savings in Sch.)

68 Loans by Public Works Loan Commissioners: Scotland.

(1) The Public Works Loan Commissioners may lend money to a [^F108 registered housing association]—
(a) for the purpose of constructing or improving, or facilitating or encouraging the construction or improvement of, houses,
(b) for the purchase of houses, and
(c) for the purchase and development of land.

(2) A loan for any of those purposes shall be secured with interest by a heritable security over—
(a) the land in respect of which that purpose is to be carried out, and
(b) such other land, if any, as may be offered as security for the loan;
and the money lent shall not exceed three-quarters (or, if the payment of the principal of and interest on the loan is guaranteed by a local authority, nine-tenths) of the value, to be ascertained to the satisfaction of the Public Works Loan Commissioners, of the estate or interest in the land proposed to be burdened.

(3) Loans may be made by instalments as the building of houses or other work on the land burdened under subsection (2) progresses (so, however, that the total loans do not at any time exceed the amount specified in that subsection); and the heritable security may be granted accordingly to secure such loans so to be made.

(4) If the loan exceeds two-thirds of the value referred to in subsection (2), and is not guaranteed as to principal and interest by a local authority, the Public Works Loan Commissioners shall require, in addition to such a heritable security as is mentioned in that subsection, such further security as they may think fit.

(5) Subject to subsection (6), the period for repayment of a loan under this section shall not exceed 40 years, and no money shall be lent on the security of any land unless the estate or interest proposed to be burdened is either ownership or a lease of which a period of not less than 50 years remains unexpired at the date of the loan.

(6) Where a loan under this section is made for the purposes of carrying out a scheme for the provision of houses approved by the Secretary of State, the maximum period for the repayment of the loan is 50 instead of 40 years, and money may be lent on heritable security over a lease [F109 registered or recorded under the Registration of Leases (Scotland) Act 1857] of which a period of not less than ten years in excess of the period fixed for the repayment of the loan remains unexpired at the date of the loan.

Directions as to disposal of land securing loan

2 (1) The Regulator of Social Housing may... give the association directions with respect to the disposal of land belonging to the association in which the Regulator
of Social Housing] has an interest as mortgagee under a mortgage, or as creditor in a heritable security, entered into by the association to secure the loan.

(2) Directions so given may be varied or revoked by subsequent directions.

(3) The written consent of the Secretary of State is required for the giving, varying or revoking of directions by the [Regulator of Social Housing].

Where the [Regulator of Social Housing] proposes to give a housing association directions under paragraph 2 requiring the association to transfer to the [Regulator of Social Housing] the association’s interest in any land, the Secretary of State shall not consent to the giving of the directions unless he at the same time approves, or has previously approved, a scheme under paragraph 5 with respect to that land.

(a) that the association is experiencing difficulty in providing housing accommodation on any land which it has acquired or in managing housing accommodation provided by it on any land, or is in any way failing to perform its functions as a housing association in relation to any land, and that accordingly it is undesirable for the land in question to remain in the hands of the association,

(b) that there is no other housing association, whether in existence or about to be formed, to which the association’s interest in the land in question can suitably be transferred, and

(c) that the land is capable of being, or continuing to be, used to provide housing accommodation for letting,

(c) to retain the accommodation and keep it available for letting so long as the scheme has not been terminated in any manner provided for in the scheme.

(3) Where such a scheme is submitted to the Secretary of State by the Regulator of Social Housing, the Secretary of State, on being satisfied of—

(a) the undesirability of the land remaining in the hands of the association, and

(b) the lack of any housing association to which it can suitably be transferred, may, if he thinks fit, approve the scheme.

(4) If he does so the Regulator of Social Housing shall have power to acquire for the purposes of the scheme the association’s interest in the land and to carry through the provisions of the scheme.
