PART I

REGULATION OF HOUSING ASSOCIATIONS

Introductory

1.—(1) In this Act "housing association" means a society, body of trustees or company—

(a) which is established for the purpose of, or amongst whose objects or powers are included those of, providing, constructing, improving or managing, or facilitating or encouraging the construction or improvement of, housing accommodation, and
PART I

(b) which does not trade for profit or whose constitution or rules prohibit the issue of capital with interest or dividend exceeding such rate as may be prescribed by the Treasury, whether with or without differentiation as between share and loan capital.

(2) In this Act “fully mutual”, in relation to a housing association, means that the rules of the association—

(a) restrict membership to persons who are tenants or prospective tenants of the association, and

(b) preclude the granting or assignment of tenancies to persons other than members;

and “co-operative housing association” means a fully mutual housing association which is a society registered under the Industrial and Provident Societies Act 1965 (in this Part referred to as “the 1965 Act”).

(3) In this Act “self-build society” means a housing association whose object is to provide, for sale to, or occupation by, its members, dwellings built or improved principally with the use of its members’ own labour.

Meaning of “housing trust”.

2. In this Act “housing trust” means a corporation or body of persons which—

(a) is required by the terms of its constituent instrument to use the whole of its funds, including any surplus which may arise from its operations, for the purpose of providing housing accommodation, or

(b) is required by the terms of its constituent instrument to devote the whole, or substantially the whole, of its funds to charitable purposes and in fact uses the whole, or substantially the whole, of its funds for the purpose of providing housing accommodation.

Registration

3.—(1) A register of housing associations shall be maintained by the Housing Corporation and shall be open to inspection at the head office of the Corporation at all reasonable times.

(2) In this Act “registered” and “unregistered”, and other references to registration, in relation to a housing association, refer to registration in the register of housing associations maintained under this section.

Eligibility for registration.

4.—(1) A housing association is eligible for registration if it is—

(a) a registered charity, or

(b) a society registered under the 1965 Act which fulfils the following conditions.
(2) The conditions are that the association does not trade for profit and is established for the purpose of, or has among its objects or powers, the provision, construction, improvement or management of—

(a) houses to be kept available for letting, or
(b) houses for occupation by members of the association, where the rules of the association restrict membership to persons entitled or prospectively entitled (as tenants or otherwise) to occupy a house provided or managed by the association, or
(c) hostels,
and that any additional purposes or objects are among the following.

(3) The permissible additional purposes or objects are—

(a) providing land or buildings for purposes connected with the requirements of the persons occupying the houses or hostels provided or managed by the association;
(b) providing amenities or services for the benefit of those persons, either exclusively or together with other persons;
(c) acquiring, or repairing and improving, or creating by the conversion of houses or other property, houses to be disposed of on sale or on lease;
(d) building houses to be disposed of on shared ownership leases;
(e) encouraging and giving advice on the formation of other housing associations which would be eligible for registration by the Corporation;
(f) providing services for, and giving advice on the running of, registered housing associations;
(g) effecting transactions falling within section 45(1) (acquisition and disposal of house at discount to tenant of charitable body).

5.—(1) The Housing Corporation may register any housing Registration association which is eligible for registration but—

(a) the Corporation shall establish criteria which should be satisfied by a housing association seeking registration, and
(b) in deciding whether to register an association the Corporation shall have regard to whether it satisfies those criteria.

(2) The Corporation may vary the criteria established by them under subsection (1).
PART I

(3) As soon as may be after registering a housing association
the Corporation shall give notice of the registration—
(a) if the association is a registered charity, to the Charity
Commissioners, or
(b) if the association is a society registered under the 1965
Act, to the appropriate registrar,
who shall record the registration.

(4) For all purposes other than rectification of the register
a body shall be conclusively presumed to be, or to have been,
a housing association eligible for registration at any time when
it is, or was, on the register.

Removal from the register.

6.—(1) A body which has been registered shall not be re-
moved from the register except in accordance with this section.

(2) If it appears to the Housing Corporation that a body which
is on the register—
(a) is no longer a housing association eligible for regis-
tration, or
(b) has ceased to exist or does not operate,
the Corporation shall, after giving the body at least 14 days’
notice, remove it from the register.

(3) In the case of a body which appears to the Corporation
to have ceased to exist or not to operate, notice under subsec-
section (2) shall be deemed to be given to the body if it is
served at the address last known to the Corporation to be the
principal place of business of the body.

(4) A body which is registered may request the Corporation
to remove it from the register if it has not at any time received—
(a) a housing association grant,
(b) a revenue deficit grant, or
(c) any such payment or loan as is mentioned in paragraph
2 or 3 of Schedule 1 (grant-aided land),
and the Corporation may, if it thinks fit, do so.

(5) As soon as may be after removing a body from the register
the Corporation shall give notice of the removal—
(a) if the body is a registered charity, to the Charity Com-
missioners,
(b) if the body is a society registered under the 1965 Act,
to the appropriate registrar;
who shall record the removal.
Housing Associations Act 1985

7.—(1) A body which is aggrieved by a decision of the Housing Corporation to remove it from the register may appeal against the decision to the High Court or, as the case may be, to the Court of Session.

(2) If an appeal is brought the Corporation shall not remove the body concerned from the register until the appeal has been finally determined or is withdrawn.

(3) As soon as may be after an appeal is brought the Corporation shall give notice of the appeal—
(a) if the body concerned is a registered charity, to the Charity Commissioners, or
(b) if the body concerned is a society registered under the 1965 Act, to the appropriate registrar.

Disposal of land

8.—(1) Without prejudice to the provisions of Part V of the Power of Housing Act 1985 (the right to buy), every registered housing association has power, subject to section 9 (control by Housing Corporation of land transactions), by virtue of this section but not otherwise, to dispose, in such manner as it thinks fit, of land held by it.

(2) Section 39 of the Settled Land Act 1925 (disposal of land by trustees) does not apply to the disposal of land by a registered housing association; and accordingly the disposal need not be for the best consideration in money that can reasonably be obtained.

(3) Nothing in subsection (2) shall be taken to authorise any action on the part of a charity which would conflict with the trusts of the charity.

9.—(1) The consent of the Housing Corporation, by order under the seal of the Corporation, is required for—
(a) any disposition of land by a registered housing association, and
(b) a disposition of grant-aided land (as defined in Schedule 1) by an unregistered housing association, except where the disposition is one excepted from this section by section 10.

(2) The consent of the Corporation may be so given—
(a) generally to all housing associations or to a particular housing association or description of association;
(b) in relation to particular land or in relation to a particular description of land;
and may be given subject to conditions.
PART I

(3) A disposition by a housing association which requires the consent of the Corporation under this section is valid in favour of a person claiming under the association notwithstanding that the consent of the Corporation has not been given; and a person dealing with the association, or with a person claiming under the association, shall not be concerned to see or inquire whether any such consent has been given.

This subsection has effect subject to section 12 (avoidance of certain dispositions of houses without consent).

(4) Where at the time of its removal from the register under section 6(2) (removal of bodies no longer eligible for registration or defunct) a body owns land, this section continues to apply to that land after the removal as if the body concerned continued to be a registered housing association.

(5) For the purposes of this section “disposition” means sale, lease, mortgage, charge or any other disposal.

Dispositions excepted from s. 9.

1960 c. 58

10.—(1) A disposition by an unregistered housing association which is a charity is not within section 9 if by virtue of section 29 of the Charities Act 1960 it cannot be made without an order of the court or the Charity Commissioners; but the Charity Commissioners shall consult the Housing Corporation before making an order in such a case.

(2) A letting by a registered housing association, or by an unregistered housing association which is a housing trust, is not within section 9 if it is—

(a) a letting of land under a secure tenancy, or
(b) a letting of land under what would be a secure tenancy but for any of paragraphs 2 to 12 of Schedule 3 to the Housing Act 1985 or paragraphs 2 to 7 of Schedule 1 to the Tenants' Rights &c. (Scotland) Act 1980 (tenancies excepted from being secure tenancies for reasons other than that they are long leases).

(3) The grant by an unregistered housing association which does not satisfy the landlord condition in section 80 of the Housing Act 1985 (bodies which are capable of granting secure tenancies) of a lease for a term ending within the period of seven years and three months beginning on the date of the grant is not within section 9 unless—

(a) there is conferred on the lessee (by the lease or otherwise) an option for renewal for a term which, together with the original term, would expire outside that period, or
(b) the lease is granted wholly or partly in consideration of a fine.

(4) In subsection (3) the expression “lease” includes an agreement for a lease and a licence to occupy, and the expressions “grant” and “term” shall be construed accordingly.
11. Schedule 2 applies in relation to a disposal of a house under section 8 where—
   
   (a) a discount is given to the purchaser, or
   
   (b) the house is situated in a National Park, an area designated under section 87 of the National Parks and Access to the Countryside Act 1949 as an area of outstanding beauty, or an area designated as a rural area by order under section 157 of the Housing Act 1985 c. 68.

12. A disposal of a house by a housing association made without the consent required by section 9 is void unless—
   
   (a) the disposal is to an individual (or to two or more individuals), and
   
   (b) the disposal does not extend to any other house.

Control of payments to members, etc.

13.—(1) A registered housing association shall not make a gift or pay a sum by way of dividend or bonus to—

   (b) the payment by a fully mutual housing association to a person who has ceased to be a member of the association, of a sum which is due to him either under his tenancy agreement with the association or under the terms of the agreement under which he became a member of the association.
(3) Where an association which is a society registered under the 1965 Act pays a sum or makes a gift in contravention of this section the association may recover the sum or the value of the gift, and proceedings for its recovery shall be taken by the association if the Housing Corporation so directs.

14.—(1) The Housing Corporation may from time to time specify the maximum amounts which may be paid by a registered housing association which is a society registered under the 1965 Act—

(a) by way of fees or other remuneration, or by way of expenses, to a member of the association who is not a member of its committee or an officer or employee of the association,

(b) by way of expenses to a member of its committee (including a co-opted member) who is not an officer or employee of the association, or

(c) by way of expenses to an officer of the association who does not have a contract of employment with the association;

and different amounts may be so specified for different purposes.

(2) Where such an association makes a payment in excess of the specified maximum, the association may recover the excess and proceedings for its recovery shall be taken by the association if the Corporation so directs.

(3) A person appointed under this section shall hold office for such period and on such terms as the Corporation may specify and on the expiry of the appointment the Corporation may renew the appointment for such period as it may specify; but this does not prevent a person appointed under this section from retiring in accordance with the rules of the association.

(a) before the resolution was passed the Corporation gave its consent to its passing, and

(b) if the Corporation so directs, to such registered housing association as may be specified in the direction, notwithstanding anything in the 1965 Act or in the rules of the association.

(2) In order to avoid the necessity for the sale of land belonging to the association, and thereby secure the transfer of the land under this section, the Corporation may, if it appears to it appropriate to do so, make payments to discharge such claims or liabilities as are referred to in subsection (1).

(3) Where the association which is dissolved is a charity, the Corporation may dispose of property transferred to it by virtue of this section only to another registered housing association—

and the provisions of such an order shall not apply in relation to a period beginning before the day on which the order comes into force.

Section 4(1) of the Friendly and Industrial and Provident Societies Act 1968 (obligation to appoint qualified auditors to audit accounts and balance sheet for each year of account) applies to every registered housing association which is a society registered under the 1965 Act, without regard to the volume of its receipts and payments, the number of its members or the value of its assets.

26.—(1) A registered housing association which is a registered charity shall, in respect of its housing activities (and separately from its other activities, if any) be subject to the provisions of Schedule 3 (which impose accounting and audit requirements corresponding to those imposed by the Friendly and Industrial and Provident Societies Act 1968).

(2) But this does not affect any obligation of the charity under section 8 of the Charities Act 1960 (statement of accounts to be transmitted to Charity Commissioners).
27.—(1) Every responsible person, that is to say, every person who—

(a) is directly concerned with the conduct and management of the affairs of a registered housing association, and

(b) is in that capacity responsible for the preparation and audit of accounts,

shall ensure that section 24 (general requirements as to accounts and audit) and, where applicable, Schedule 3 (accounting requirements for associations not within 1965 Act) are complied with by the association.

(2) If—

(a) section 24(4) (furnishing of accounts and auditor's report) is not complied with, or

(b) the accounts furnished to the Housing Corporation under that provision do not comply with the accounting requirements laid down under section 24(1), or

(c) Schedule 3, where applicable, is not complied with,

did that person, and the association itself, commits a summary offence and is liable on conviction to a fine not exceeding level 3 on the standard scale.

(3) It is a defence—

(a) for a responsible person to prove that he did everything that could reasonably have been expected of him by way of discharging the duty imposed by subsection (1); or

(b) for an association to prove that every responsible person did everything that could reasonably have been expected of him by way of discharging the duty imposed by subsection (1) in relation to the association.

(4) Proceedings for an offence under this section may in England and Wales be brought only by or with the consent of the Corporation or the Director of Public Prosecutions.

(4) On completion of the inquiry the appointed person shall make a report to the Corporation on such matters and in such form as the Corporation may specify.

(5) In this section “agent” includes banker, solicitor and auditor; but nothing in this section requires the disclosure—

(a) by a solicitor, of a privileged communication made to him in his capacity as solicitor, or

(b) by a housing association’s banker, of information as to the affairs of any of their other customers.

Extraordinary audit for purposes of inquiry.

29.—(1) For the purposes of an inquiry under section 28 the Housing Corporation may require the accounts and balance sheet of the association concerned, or such of them as the Corporation may specify, to be audited by a qualified auditor appointed by the Corporation.

(3) On completion of the audit the appointed auditor shall make a report to the Corporation on such matters and in such form as the Corporation may specify.

(4) The expenses of the audit, including the remuneration of the auditor, shall be paid by the Corporation.

(5) An audit under this section is additional to, and does not affect, any audit made or to be made under any other enactment.

General powers exercisable as a result of inquiry or audit.

30.—(1) Where the Housing Corporation is satisfied, as the result of an inquiry under section 28 or an audit under section 29, that there has been misconduct or mismanagement in the affairs of a registered housing association, it may—

(a) by order remove any member of the committee of the association, or any officer, agent or employee of the association, who has been responsible for or privy to the misconduct or mismanagement or has by his conduct contributed to it or facilitated it;

(a) to the person it intends to remove, and

(b) to the association concerned.

(3) Notice under subsection (2) may be given by post, and if so given to the person whom the Corporation intends to remove may be addressed to his last known address in the United Kingdom.

(4) A person who is ordered to be removed under subsection (1)(a) or suspended under subsection (1)(b) may appeal against the order to the High Court or, as the case may be, the Court of Session.

31.—(1) The Housing Corporation may exercise its powers under sections 28 to 30 (inquiry, audit, &c.) in relation to an association which is a registered charity only if the association has, at any time before the powers are exercised, received a grant or loan under—

section 41 (housing association grants),

section 54 or 55 (revenue deficit grants or hostel deficit grants),

section 58(2) (grants or loans by local authorities),
section 79 (loans by Housing Corporation),
section 31 of the Housing Act 1974 (management grants), or
any enactments mentioned in paragraph 2 or 3 of Schedule
1 (pre-1974 grants and certain loans).

member of the committee, include a trustee of the
association;

29 (extraordinary audit) only if he is an auditor qualifi-

section 30(1)(a) and (b) (removal of person in connection
with misconduct or mismanagement and suspension
with a view to removal),

are exercisable only after consultation with the Charity Com-
missioners.

Power to
direct transfer
of land to
another
housing
association or
the Housing
Corporation.

32.—(1) Where, as the result of an inquiry under section 28
or an audit under section 29, the Housing Corporation is satis-

society registered under the 1965 Act—

(a) that there has been misconduct or mismanagement in
the administration of the association, or

(b) that the management of the land belonging to the asso-
ciation would be improved if the land belonging to the
association were transferred in accordance with the
provisions of this section,

the Corporation may, with the consent of the Secretary of State,
direct the association to make such a transfer.

(2) Where the association concerned is a charity, the Housing
Corporation may only direct a transfer to be made to another
registered housing association—

(a) which is also a charity, and
(b) the objects of which appear to the Corporation to be, as nearly as practicable, akin to those of the association concerned.

(3) In any other case the Corporation may direct a transfer to be made to the Corporation or to another registered housing association.

(4) A transfer in pursuance of a direction under this section shall be made on the terms that the transferee will pay or undertake to pay to the association concerned such sum (if any) as will be necessary to defray all its proper debts and liabilities (including debts and liabilities secured on the land) after taking into account any money or other assets belonging to the association.

(5) If it appears to the Corporation likely that the association concerned will as a result of the transfer be dissolved under the 1965 Act, the Corporation shall secure that the costs of the dissolution are taken into account in determining the sum payable to the association under subsection (4).

(2) The Secretary of State may make a grant in aid of the expenses of the association or body of such amount as he may, with the approval of the Treasury, determine.

(2) For that purpose the county council may exercise all the powers of a local housing authority under Part II of the Housing Act 1985 (provision of housing) in regard to the acquisition and disposal of land; and the provisions of that Act as to the acquisition of land by local housing authorities for the purposes of that Part apply accordingly.

35.—(1) A housing trust may—

(a) sell or lease to the local housing authority the houses provided by the trust, or

(b) make over to the authority the management of the houses.
(2) So far as subsection (1) confers power to dispose of land—

(a) it does not apply to registered housing associations (on whom power to dispose of land is conferred by section 8);

(b) it has effect subject to section 9 (dispositions requiring consent of Housing Corporation) where the housing trust is an unregistered housing association and the land is grant-aided land (as defined in Schedule 1); and

(c) it has effect subject to section 29 of the Charities Act 1960 (dispositions which cannot be made without an order of the court or the Charity Commissioners) where the housing trust is a charity.

36.—(1) If it appears to the Secretary of State—

(a) that the institution of legal proceedings is requisite or desirable with respect to any property belonging to a housing trust, or

he may certify the case to the Attorney-General who may institute legal proceedings or intervene in legal proceedings already instituted in such manner as he thinks proper in the circumstances.

(2) Before preparing a scheme with reference to property belonging to a housing trust, the court or body which is responsible for making the scheme shall communicate with the Secretary of State and consider any recommendations made by him with reference to the proposed scheme.

PART II

HOUSING ASSOCIATION FINANCE

41.—(1) The Secretary of State may make grants ("housing association grants") to registered housing associations in respect of their expenditure in connection with housing projects which are approved by him or fall within an approved development programme.

(2) An approved development programme is a programme for the development of housing by registered housing associations prepared by the Housing Corporation or a local authority and for the time being approved by the Secretary of State for the purposes of this section.

42.—(1) A project is a housing project for the purposes of housing association grant if it is undertaken for the purpose of—

(a) providing dwellings for letting,
(b) providing a building for use as a hostel,
(c) improving or repairing such accommodation, or
(d) providing land or buildings which, in the opinion of the Secretary of State, will be for the benefit of persons for whom such accommodation is provided, or improving or repairing such buildings.

(2) In subsection (1)—

(a) "letting" in paragraph (a) includes the grant of a shared ownership lease, and
(b) in paragraph (b) "building" includes part of a building and "hostel" includes part of a hostel.

(3) References in this section to letting or the grant of a lease include the grant of a licence to occupy.

43. A project where a registered housing association, after carrying out works of repair, improvement or conversion—
(a) disposes of a house as one dwelling,
(b) divides a house into two or more separate dwellings and disposes of them, or
(c) combines two houses to form one dwelling and disposes of it,
is a housing project for the purposes of housing association grant.

44.—(1) A project where a registered housing association carries out works of repair or improvement to a dwelling-house, or to the building in which a dwelling-house is situated, after the tenant has exercised, or claimed to exercise, the right to buy or the right to a shared ownership lease under Part V of the Housing Act 1985 is a housing project for the purposes of housing association grant.

(2) Where in such a case a housing association grant is made after the tenant has exercised the right to buy or the right to be granted a shared ownership lease, the Secretary of State may reduce the amount of the grant.

(3) In this section "dwelling-house" has the same meaning as in Part V of the Housing Act 1985.

45.—(1) A project where a registered housing association first acquires a house and then disposes of it at a discount to a tenant to whom this section applies is a housing project for the purposes of housing association grant.

(2) This section applies to a tenant of a publicly-funded dwelling who, but for paragraph 1 of Schedule 5 to the Housing Act 1985 (exceptions to the right to buy: landlord a charitable housing trust or housing association) would have the right to buy.

(3) A dwelling is publicly-funded for this purpose if housing association grant has been paid in respect of a project which included—
(a) the acquisition of the dwelling,
(b) the acquisition of a building and the provision of the dwelling by means of the conversion of the building, or
(c) the acquisition of land and the construction of the dwelling on the land.
(4) Where a registered housing association contracts for the acquisition of a house and, without taking the conveyance, grant or assignment, disposes of its interest to a tenant to whom this section applies, subsection (1) and the following provisions have effect as if the association first acquired the house and then disposed of it to the tenant—

section 8 (disposal of land by registered housing associations),

section 9 (consent of Housing Corporation to disposals),

Schedule 2 (covenants for repayment of discount on early disposal and restricting disposal of houses in National Parks, &c.),

section 130 of the Housing Act 1985 (reduction of discount on exercise of right to buy where previous discount given).

Applications for housing association grant.

46.—(1) A housing association grant is not payable in respect of a project unless an application for it is submitted to the appropriate body.

(2) The appropriate body in England and Wales is—

(a) where the housing association concerned makes an application to a local authority for a loan under section 58(2) in connection with the project, that authority, and

(b) in any other case, the Housing Corporation.

(3) The appropriate body in Scotland is a local authority, the Housing Corporation or the Secretary of State.

(4) Where a local authority or the Housing Corporation receive an application under this section, they shall forward it to the Secretary of State together with their own assessment of the project.

Amount of housing association grant: net cost.

47.—(1) The housing association grant payable in respect of a project is equal to the net cost of the project to the association, determined in accordance with the following provisions, but subject to section 48 (maximum levels of cost and grant).

(2) The net cost of a project to the association is the difference between—

(a) the estimated expenditure of the association which is, in the opinion of the Secretary of State, attributable to the project and is reasonable and appropriate having regard to all the circumstances, and
(b) the estimated income which, in the opinion of the Secretary of State, the association might reasonably be expected to receive in respect of the project, including sums received or to be received by way of grant or subsidy, other than sums received or to be received by way of housing association grant.

(3) Estimated expenditure and estimated income for this purpose shall be calculated in such manner as the Secretary of State may, with the consent of the Treasury, from time to time determine, and the calculation may take account of expenditure and income likely to be incurred or received in connection with the premises to which the project relates after the completion of the project.

(4) Before making a general determination under subsection (3) the Secretary of State shall consult such bodies appearing to him to be representative of housing associations as he considers appropriate.

(5) In determining the net cost of a project the Secretary of State may adopt the assessment of the body forwarding the grant application to him under section 46.

(6) If in the case of an application for a housing association grant in respect of a particular project it appears to the Secretary of State appropriate to do so, he may determine the net cost in such manner as he considers appropriate instead of in accordance with the preceding provisions.

48.—(1) The Secretary of State may, with the consent of the Treasury, determine maximum levels of cost or of housing association grant applicable to—
(a) housing projects generally,
(b) any description of housing project, or
(c) a particular housing project,

and the amount of grant payable shall be limited in accordance with any such determination.

(2) Before making a general determination under subsection (1) the Secretary of State shall consult such bodies appearing to him to be representative of housing associations as he considers appropriate.

(3) The maximum grant which may be paid for any one dwelling in a case of the kind mentioned in section 43 (where dwelling disposed of after conversion, &c.) is—
(a) in respect of a dwelling in Greater London or the City of Glasgow district, £12,500,
(b) in respect of a dwelling elsewhere, £9,500,
or such other sum as the Secretary of State may prescribe by order made with the consent of the Treasury.
PART II

(4) An order—
(a) may make different provision for different cases or descriptions of case, including different provision for different areas;
(b) shall be made by statutory instrument which shall be subject to annulment in pursuance of a resolution of either House of Parliament.

Payment of housing association grants.

49.—(1) A housing association grant in respect of a project is payable either in a single sum or in annual instalments, as the Secretary of State may determine.
(2) A grant payable in a single sum is payable when in the opinion of the Secretary of State the project is completed or its completion has become impossible.
(3) A grant payable in annual instalments is payable in instalments—
(a) beginning in the financial year in which, in the opinion of the Secretary of State, the project is completed or its completion has become impossible, and
(b) continuing over such number of years as he may determine, either generally or in relation to the particular project.
(4) The Secretary of State may, if he considers it appropriate to do so, make payments on account of the grant at a time earlier than indicated by subsection (2) or (3).
(5) The Secretary of State may, on such terms as he may with the approval of the Treasury specify, appoint the Housing Corporation or a local housing authority to act as his agent in connection with the making, in such cases as he may specify, of payments in respect of housing association grant; and, where such an appointment is made, the Corporation or authority shall act as such an agent in accordance with the terms of their appointment.
(6) No sum shall be paid in respect of a housing association grant to a body which has been removed from the register of housing associations under section 6.

Grant conditions.

50.—(1) The Secretary of State may provide—
(a) where the project is approved by him for the purposes of housing association grant, in giving his approval, or
(b) where the project falls within an approved development programme (and thus does not require separate approval), before first making a payment of grant in respect of the project,
that the payment of a housing association grant is conditional on compliance by the housing association concerned with such conditions as he may specify.

(2) The conditions may include, in a case where the project has not yet been completed, conditions as to the period within which it is to be completed.

51.—(1) The Secretary of State may, where at any time—

(a) a housing association grant is payable in respect of a project, and

(b) a dwelling or hostel to which the project relates, or part of such a dwelling or hostel, becomes vested in, or is leased for a term exceeding seven years to, a registered housing association other than the association by whom the grant application was made, or trustees for such an association,

pay to that other association the whole or part of the housing association grant, or any instalment of it, which would otherwise have been paid after that time to the association by whom the grant application was made.

(2) For the purposes of subsection (1) a lease shall be treated as being for a term exceeding seven years where the original term is for a lesser period but the lease confers on the lessee an option for renewal for a term which, together with the original term, exceeds seven years.

52.—(1) This section applies where a housing association grant has been made to an association and—

(a) a condition imposed under section 50 is not complied with, or

(b) the Secretary of State is satisfied that land to which the grant relates has ceased to be used, or to be available for use, for the purpose for which, at the time the project concerned was approved, it was intended that it should be used, or

(c) land to which the grant relates is disposed of (in any manner) by the association, or

(d) there is paid to the association, in respect of land to which the grant relates, an amount payable in pursuance of the covenant required by paragraph 1 of Schedule 2 to this Act or section 155 of the Housing Act 1985 1985 c. 68, (repayment of discount on early disposal) or any other covenant or provision to the like effect, or

(e) there is paid to the association, in respect of land to which the grant relates, an amount payable in pursuance of the provision required by paragraph 1 or 6 of
PART II
1985 c. 68.

Schedule 8 to the Housing Act 1985 (terms of shared ownership lease: acquisition of additional shares or payment for outstanding share on disposal) or any other provision to the like effect.

(2) Where this section applies, the Secretary of State may—
   (a) reduce the amount of, or of any payment in respect of, the grant,
   (b) suspend or discontinue any instalment of the grant, or
   (c) if a payment has been made to the association in respect of the grant, direct the association to pay to him an amount equal to the whole, or such proportion as he may determine, of the amount paid to the association.

(3) Where, after a housing association grant has been made to an association, there is—
   (a) such a disposal as is mentioned in subsection (1)(c), or
   (b) such a payment as is mentioned in subsection (1)(d) or (e),
the association shall notify the Secretary of State, and if so required by written notice of the Secretary of State, shall furnish him with such particulars of and information relating to the disposal or payment as are specified in the notice.

(4) Where a housing association grant has been made to an association, the Chief Land Registrar may furnish the Secretary of State with such particulars and information as he may reasonably require for the purpose of determining—
   (a) whether there has been such a disposal as is mentioned in subsection (1)(c), or
   (b) whether there has been made such a payment as is mentioned in subsection (1)(d) or (e).

53.—(1) A registered housing association which has at any time received a housing association grant shall show separately in its accounts for any period the surpluses arising from increased rental income during that period from housing projects in connection with which the grant was made.

(2) The surpluses shall be shown by each association in a fund to be known as the Grant Redemption Fund; and the method of constituting the Fund and of showing it in the association's accounts shall be as required by order of the Secretary of State under section 24 (general requirements as to accounts).

(3) The surpluses in respect of a period shall be calculated in such manner as the Secretary of State may determine for housing associations generally.
(4) In making that determination the Secretary of State may take account of—
   
   (a) the rental income received or capable of being received by an association, and
   
   (b) the management and maintenance costs and loan charges incurred or likely to be incurred by it;

and surpluses may be calculated differently for housing associations of different kinds or dwellings in different parts of Great Britain.

(5) The manner of calculating surpluses shall be determined after consultation with organisations appearing to the Secretary of State to be representative of registered housing associations, and shall be made known to the associations.

(6) The Secretary of State may from time to time give notice to a registered housing association requiring it to pay to him, with interest if demanded, or to apply or appropriate for purposes he specifies, any sums standing in its Grant Redemption Fund at the end of a period of account.

(7) Interest demanded by such a notice is payable—

   (a) at the rate or rates previously determined by the Secretary of State, with the consent of the Treasury, for housing associations generally and published by him, or, if no such determination has been made, at the rate or rates specified with the consent of the Treasury in the notice;

   (b) either from the date of the notice or from such earlier date, not earlier than the end of the period of account, as may be specified in the notice.

Deficit grants

54.—(1) The Secretary of State may pay a grant (a "Revenue deficit grant") to a registered housing association which incurs a deficit on its revenue account for any period.

(2) An association incurs such a deficit if its relevant expenditure exceeds its relevant income.

(3) For this purpose—

   (a) its relevant expenditure is its expenditure for the period which, in the opinion of the Secretary of State, is attributable to its housing activities and is reasonable and appropriate having regard to all the circumstances, and

   (b) its relevant income is the income which, in the opinion of the Secretary of State, it might reasonably be expected to receive for the period in respect of its housing activities, including sums by way of grant or subsidy,
and income and expenditure shall be calculated in such manner as the Secretary of State may, with the consent of the Treasury, determine.

(4) The revenue deficit grant payable to an association in respect of a period shall be of such amount as the Secretary of State may determine in relation to that association, but shall not be greater than the amount of the excess determined under subsection (3).

(5) For the purposes of this section the housing activities of an association do not include activities relating to hostels.

---

**Hostel deficit grants.**

55.—(1) The Secretary of State may pay a grant (a "hostel deficit grant") to a registered housing association which, in relation to a hostel managed by it, incurs a revenue deficit in respect of any period.

(2) An association incurs such a deficit if its relevant expenditure exceeds its relevant income.

(3) For this purpose—

(a) its relevant expenditure is its expenditure for the period which, in the opinion of the Secretary of State, is attributable to the hostel and is reasonable and appropriate having regard to all the circumstances, and

(b) its relevant income is the income which, in the opinion of the Secretary of State, it might reasonably be expected to receive in respect of the hostel for that period, including sums received or to be received in respect of that period by way of grant or subsidy,

and income and expenditure shall be calculated in such manner as the Secretary of State may, with the consent of the Treasury, determine.

(4) The reference in subsection (3)(b) to the income which an association might reasonably be expected to receive in respect of a hostel in a period includes so much as is reasonably attributable to the hostel of sums received or to be received by the association in respect of that period otherwise than by reference to a specific hostel or purpose.

(5) Where an association which applies for a hostel deficit grant manages more than one hostel, the Secretary of State may, if he considers it appropriate to do so, treat all the hostels managed by the association, or any two or more of them, as a single hostel for the purpose of determining whether the association has incurred a revenue deficit.

(6) The hostel deficit grant payable to an association in respect of a period shall be such amount as the Secretary of State may determine in relation to that association, but shall
not be greater than the amount of the excess determined under subsection (3).

56.—(1) A revenue deficit grant or hostel deficit grant is payable to an association in respect of a period only if an application for deficit grants, complying with this section is made by the association to the Secretary of State and is approved by him.

(2) An application for either description of grant—
   
   (a) shall be made within 15 months after the end of the period to which it relates, and
   
   (b) shall be in such form and contain such information as the Secretary of State may determine.

(3) An application for a revenue deficit grant shall be accompanied by the audited accounts of the association for the period to which the application relates.

57.—(1) A revenue deficit grant shall be paid in a single Payment of sum in respect of the period to which it relates.

(2) A hostel deficit grant shall be paid either in a single sum or in instalments, as the Secretary of State may determine; and if payable by instalments shall be paid at such times and in such manner as the Treasury may direct.

(3) The Secretary of State may, if he considers it appropriate to do so, make payments on account of a revenue deficit grant or hostel deficit grant which he considers is likely to become payable to an association for any period.

(4) No sum shall be paid in respect of a revenue deficit grant or hostel deficit grant to a body which has been removed under section 6 from the register of housing associations.

Arrangements with local authorities

58.—(1) A local authority may promote the formation or extension of, or, subject to the provisions of this Act, assist a housing association.

(2) A local authority may, subject to section 60 (assistance restricted to registered housing associations), for the assistance of a housing association—

   (a) make grants or loans to the association,
   
   (b) subscribe for share or loan capital of the association, or
   
   (c) guarantee or join in guaranteeing the payment of the principal of, and interest on, money borrowed by the association (including money borrowed by the issue of
PART II

loan capital) or of interest on share capital issued by the association,
on such terms and conditions as to rate of interest and repayment or otherwise and on such security as the local authority think fit.

(3) A term of an agreement for such a grant or loan is void if it purports—
(a) to limit the aggregate amount of rents payable in respect of dwellings to which the agreement relates or contributions towards the cost of maintaining such dwellings, or
(b) to specify a limit which the rent of a dwelling is not to exceed.

59.—(1) A local authority or regional council may promote the formation or extension of or, subject to section 60 (assistance restricted to registered housing associations), assist a housing association whose objects include the erection, improvement or management of housing accommodation.

(2) A local authority or regional council may, with the consent of and subject to any regulations or conditions made or imposed by the Secretary of State, for the assistance of such an association—
(a) make grants or loans to the association,
(b) subscribe for share or loan capital of the association, or
(c) guarantee or join in guaranteeing the payment of the principal of, and interest on, money borrowed by the association (including money borrowed by the issue of loan capital) or of interest on share capital issued by the association,
on such terms and conditions as to rate of interest and repayment or otherwise and on such security as the local authority or regional council think fit.

(3) A term of an agreement for such a grant or loan is void if it purports to relate to the rent payable in respect of a house to which the agreement relates or the contributions payable towards the cost of maintaining such a house.

(4) Regulations under this section shall be made by statutory instrument which shall be subject to annulment in pursuance of a resolution of either House of Parliament.

60.—(1) Subject to the following provisions of this section, grants, loans and guarantees may be made or given under sections 58(2)(a) and (c) and 59(2)(a) and (c) only if the association is at the time the grant or loan is made, or the guarantee is given, a registered housing association.
(2) Subsection (1) does not apply in relation to the making of a loan to an unregistered self-build society for the purpose of enabling it to meet the whole or part of the expenditure incurred, or to be incurred, by it in carrying out its objects.

(3) Nothing in subsection (1) prevents the making of a loan to an unregistered association for the assistance of the association—

(a) in connection with works required to be carried out in pursuance of, or the acquisition of an estate or interest in a dwelling or other building for the purposes of, arrangements under section 121 of the Housing Act 1957 or section 155 of the Housing (Scotland) Act 1966 (arrangements with local authorities for the improvement of housing) which were approved by the Secretary of State before 1st April 1975;

(b) in connection with dwellings which were relevant dwellings for the purposes of section 73 of the Housing Finance Act 1972 (certain dwellings approved for purposes of subsidy before 10th August 1972);

(c) in connection with the provision of works which are relevant works, approved for subsidy, within the meaning of section 53 of the Housing (Financial Provisions) (Scotland) Act 1972;

(d) in connection with a building scheme within the meaning of section 75 of the Housing Finance Act 1972 (new building subsidy) which was approved by the Secretary of State for the purposes of that section before 1st April 1975;

(e) in connection with a building scheme or improvement scheme, within the meaning of sections 55 and 57 of the Housing (Financial Provisions) (Scotland) Act 1972 which was approved by the Secretary of State for the purposes of those sections before 1st April 1975.

61.—(1) A local housing authority may sell, or supply under a hire-purchase agreement, furniture to the occupants of houses provided by a housing association under arrangements made with the authority, and may buy furniture for the purpose.

(2) In this section “hire-purchase agreement” means a hire-purchase agreement or conditional sale agreement within the meaning of the Consumer Credit Act 1974.

Grants for affording tax relief

62.—(1) If a housing association makes a claim to the Secretary of State in respect of a period and satisfies him that...
PART II

throughout the period it was a housing association to which this section applies and its functions either—

(a) consisted exclusively of the function of providing or maintaining housing accommodation for letting or hostels and activities incidental to that function, or

(b) included that function and activities incidental to that function,

the Secretary of State may make grants to the association for affording relief from tax chargeable on the association.

(2) This section applies to a housing association if—

(a) it does not trade for profit, and

(b) it is or was registered throughout the period in respect of which the claim is made,

and it is not for the time being approved for the purposes of section 341 of the Income and Corporation Taxes Act 1970 (tax treatment of co-operative housing associations).

(3) References in this section to tax chargeable on an association are to income tax (other than income tax which the association is entitled to deduct on making any payment) and corporation tax.

(4) A grant under this section may be made—

(a) in a case falling within subsection (1)(a), for affording relief from any tax chargeable on the association for the period in respect of which the claim is made, and

(b) in a case falling within subsection (1)(b), for affording relief from such part of any tax so chargeable as the Secretary of State considers appropriate having regard to the other functions of the association:

and in any case shall be of such amount, shall be made at such times and shall be subject to such conditions as the Secretary of State thinks fit.

(5) The conditions may include conditions for securing the repayment in whole or in part of a grant made to an association in the event of tax in respect of which it was made subsequently being found not to be chargeable or in such other events (including the association subsequently beginning to trade for profit) as the Secretary of State may determine.

(6) A claim under this section shall be made in such manner and shall be supported by such evidence as the Secretary of State may direct.

(7) The Commissioners of Inland Revenue and their officers may disclose to the Secretary of State such particulars as he may reasonably require for determining whether a grant should be made on a claim or whether a grant should be repaid or the amount of such a grant or repayment.
Building society advances

63.—(1) An advance to which this section applies is one made by a building society to a housing association on the security of a freehold or leasehold estate by means of a mortgage where—

(a) immediately before the execution of the mortgage, the Housing Corporation has an interest in the same freehold or leasehold estate under a mortgage entered into by the housing association, and

(b) the security represented by the last-mentioned mortgage is, with the agreement of the Corporation, postponed to the building society's security under the first-mentioned mortgage.

(2) The following advances—

(a) an advance to which this section applies, and

(b) an advance which in accordance with section 21(7) of the Building Societies Act 1962 a building society is treated as having made by reason of a transfer from one housing association to another, or from a housing association to the Housing Corporation, or from the Housing Corporation to a housing association, of the mortgagor's interest under a mortgage securing an advance made by the building society,

do not constitute special advances as defined by section 21 of the Building Societies Act 1962 and shall not be brought into account under section 22(2)(b) of that Act (ordinary limits on special advances).

(3) A building society shall not in the first financial year in which it makes advances on the security of freehold or leasehold estate make any advances to which this section applies.

(4) In any subsequent financial year a building society shall not, except in accordance with a permission under subsection (5), make advances to which this section applies of a total amount which exceeds 15 per cent. of the total of the advances of all descriptions made by the building society in the last preceding financial year on the security of freehold or leasehold estate.

(5) The Chief Registrar may, if he thinks fit, grant to a building society permission in writing to make advances to which this section applies in excess of the limit imposed by subsection (4), but subject to such other limits as may be specified in the permission.

(6) For the purposes of this section—

(a) "financial year" has the meaning given by section 128 of, and paragraph 11 of Schedule 8 to, the Building Societies Act 1962, subject to paragraph (b) below.

A 12
PART II

(b) for the purposes of subsection (4) if a financial year is shorter or longer than the last preceding financial year, a corresponding reduction or increase shall be made in the figure of 15 per cent. mentioned in that subsection; and

1962 c. 37.

(c) section 21(7) of the Building Societies Act 1962 (deemed advance on transfer of mortgage) applies for the purpose of ascertaining what advances a building society has made in a financial year.

Failure to comply with limit on advances an offence.

64.—(1) If a building society does not comply with the requirements of section 63(3), (4) and (5) (limits on advances to which that section applies)—

(a) the society and

(b) every officer of the society who knowingly or wilfully authorises or permits the failure to comply, commits an offence which is triable either way.

(2) A society which is convicted of an offence under this section is liable—

(a) on conviction on indictment, to a fine, and

(b) on summary conviction, to a fine not exceeding the statutory maximum.

(3) An officer who is convicted of an offence under this section is liable—

(a) on conviction on indictment, to imprisonment for a term not exceeding two years, or a fine, or both;

(b) on summary conviction, to imprisonment for a term not exceeding three months, or a fine not exceeding the statutory maximum, or both.

(4) In this section “statutory maximum” has the meaning given by section 74 of the Criminal Justice Act 1982.

1982 c. 48.

Building society advances: advances by more than one building society.

65. A building society may make an advance to which section 63 applies by means of a mortgage under which the same freehold or leasehold estate constitutes the security both for that advance and for advances made to the same housing association by one or more other persons by means of the same mortgage, but only if—

(a) every other person making an advance by means of that mortgage is another building society, and

(b) the mortgagees in the mortgage all covenant with each other not to transfer their interests as mortgagees to a person who is not a building society.
66. In the application to Scotland of sections 63 to 65 (building society advances)—

(a) for the references to freehold or leasehold estate, substitute references to an estate or interest in land;

(b) for the references to an advance on the security of freehold or leasehold estate, or to an advance by means of a mortgage, and similar references, substitute references to an advance upon a heritable security;

(c) for the references to a mortgage, mortgagor or mortgagee substitute, respectively, references to a heritable security, a debtor in a heritable security and the creditor in a heritable security;

(d) for the reference to an offence triable either way substitute a reference to an offence triable either summarily or on indictment.

Loans by Public Works Loan Commissioners

67.—(1) The Public Works Loan Commissioners may lend money to a housing association—

(a) for the purpose of constructing or improving, or facilitating or encouraging the construction or improvement, of houses,

(b) for the purchase of houses which the association desires to purchase with a view to their improvement, and

(c) for the purchase and development of land.

(2) A loan for any of those purposes, and interest on the loan, shall be secured by mortgage of—

(a) the land in respect of which that purpose is to be carried out, and

(b) such other lands, if any, as may be offered as security for the loan;

and the money lent shall not exceed three-quarters (or, if the payment of the principal of, and interest on, the loan is guaranteed by a local authority, nine-tenths) of the value, to be ascertained to the satisfaction of the Public Works Loan Commissioners, of the estate or interest in the land proposed to be so mortgaged.

(3) Loans may be made by instalments as the building of houses or other work on land mortgaged under subsection (2) progresses (so, however, that the total amount lent does not at any time exceed the amount specified in that subsection); and a mortgage may be accordingly made to secure such loans so to be made.

(4) If the loan exceeds two-thirds of the value referred to in subsection (2), and is not guaranteed as to principal and
interest by a local authority, the Public Works Loan Commissioners shall require, in addition to such a mortgage as is mentioned in that subsection, such further security as they may think fit.

(5) Subject to subsection (6), the period for repayment of a loan under this section shall not exceed 40 years, and no money shall be lent on mortgage of any land unless the estate proposed to be mortgaged is either an estate in fee simple absolute in possession or an estate for a term of years absolute of which not less than 50 years are unexpired at the date of the loan.

(6) Where a loan under this section is made for the purpose of carrying out a scheme for the provision of houses approved by the Secretary of State, the maximum period for the repayment of the loan is 50 instead of 40 years, and money may be lent on the mortgage of an estate for a term of years absolute of which a period of not less than ten years in excess of the period fixed for the repayment of the sums advanced remains unexpired at the date of the loan.

Loans by Public Works Loan Commissioners: Scotland. 68.—(1) The Public Works Loan Commissioners may lend money to a housing association—

(a) for the purpose of constructing or improving, or facilitating or encouraging the construction or improvement of, houses,

(b) for the purchase of houses, and

(c) for the purchase and development of land.

(2) A loan for any of those purposes shall be secured with interest by a heritable security over—

(a) the land in respect of which that purpose is to be carried out, and

(b) such other land, if any, as may be offered as security for the loan;

and the money lent shall not exceed three-quarters (or, if the payment of the principal of and interest on the loan is guaranteed by a local authority, nine-tenths) of the value, to be ascertained to the satisfaction of the Public Works Loan Commissioners, of the estate or interest in the land proposed to be burdened.

(3) Loans may be made by instalments as the building of houses or other work on the land burdened under subsection (2) progresses (so, however, that the total loans do not at any time exceed the amount specified in that subsection); and the heritable security may be granted accordingly to secure such loans so to be made.
(4) If the loan exceeds two-thirds of the value referred to in subsection (2), and is not guaranteed as to principal and interest by a local authority, the Public Works Loan Commissioners shall require, in addition to such a heritable security as is mentioned in that subsection, such further security as they may think fit.

(5) Subject to subsection (6), the period for repayment of a loan under this section shall not exceed 40 years, and no money shall be lent on the security of any land unless the estate or interest proposed to be burdened is either ownership or a lease of which a period of not less than 50 years remains unexpired at the date of the loan.

(6) Where a loan under this section is made for the purposes of carrying out a scheme for the provision of houses approved by the Secretary of State, the maximum period for the repayment of the loan is 50 instead of 40 years, and money may be lent on heritable security over a lease recorded under the Registration of Leases (Scotland) Act 1857 of which a period of not less than ten years in excess of the period fixed for the repayment of the loan remains unexpired at the date of the loan.

*Constitution and other general matters*

74.—(1) This Part has effect with respect to the Housing Corporation, which is referred to in this Part as "the Corporation". Corporation.

(2) The provisions of Schedule 6 have effect with respect to the constitution and proceedings of, and other matters relating to, the Corporation.

75.—(1) The Corporation has the following general functions—

(a) to promote and assist the development of registered housing associations and unregistered self-build societies:
PART III

(b) to facilitate the proper performance of the functions, and to publicise the aims and principles, of registered housing associations and unregistered self-build societies;

c) to maintain a register of housing associations and to exercise supervision and control over registered housing associations;

d) to act as the Secretary of State's agent, to such extent as he may require, with respect to the consideration of applications for, and the payment of grants to, registered housing associations;

e) to undertake, to such extent as the Corporation considers necessary, the provision (by construction, acquisition, conversion, improvement or otherwise) of dwellings for letting or for sale and of hostels, and the management of dwellings or hostels so provided.

(2) The Corporation shall exercise its general functions subject to and in accordance with the provisions of this Act.

(3) Subsection (1) is without prejudice to specific functions conferred on the Corporation by or under this Act.

(4) The Corporation may do such things and enter into such transactions as are incidental to or conducive to the exercise of any of its functions, general or specific, under this Act.

Directions by the Secretary of State.

76.—(1) The Secretary of State may give directions to the Corporation as to the exercise of its functions.

(2) A direction as to the terms of loans made under section 79 (lending powers of Corporation) requires the consent of the Treasury.

(3) Directions may be of a general or particular character and may be varied or revoked by subsequent directions.

(4) Non-compliance with a direction does not invalidate a transaction between a person and the Corporation unless the person had actual notice of the direction.

Advisory service.

77.—(1) The Corporation may provide an advisory service for the purpose of giving advice on legal, architectural and other technical matters to housing associations (whether registered or unregistered) and to persons who are forming a housing association or are interested in the possibility of doing so.

(2) The Corporation may make charges for the service.

Annual report.

78.—(1) The Corporation shall, as soon as possible after the end of each financial year, make a report to the Secretary of State on the exercise of its functions during the year.
(2) It shall include in the report a copy of its audited accounts and shall set out in the report any directions given to it by the Secretary of State during the year.

(3) The Secretary of State shall lay a copy of the report before each House of Parliament.

Corporation's powers with respect to grants and loans

79.—(1) The Corporation may lend to—

a registered housing association,
an unregistered self-build society,
a subsidiary of the Corporation, or
any other body in which the Corporation holds an interest,

for the purpose of enabling the body to meet the whole or part of expenditure incurred or to be incurred by it in carrying out its objects.

(2) The Corporation may lend to an individual for the purpose of assisting him to acquire from the Corporation, or from any such body as is mentioned in subsection (1), a legal estate or interest in a dwelling which he intends to occupy.

(3) A loan under this section may be by way of temporary loan or otherwise, and the terms of a loan made under subsection (1) may include (though the terms of a loan made under subsection (2) may not) terms for preventing repayment of the loan or part of it before a specified date without the consent of the Corporation.

(4) The terms of a loan under this section shall, subject to subsection (3) and to any direction under section 76 (general power of Secretary of State to give directions), be such as the Corporation may determine, either generally or in a particular case.

80.—(1) Where the Corporation—

(a) makes a loan to an unregistered self-build society under section 79(1); and

(b) under a mortgage or heritable security entered into by the society to secure the loan has an interest as mortgagee or creditor in land belonging to the society,

it may, with the written consent of the Secretary of State, give the society directions with respect to the disposal of the land.

(2) The society shall comply with directions so given so long as the Corporation continues to have such an interest in the land.
PART III

(3) Directions so given may be varied or revoked by subsequent directions given with the like consent.

(4) The Secretary of State shall not consent to the Corporation's giving directions under this section requiring a society to transfer its interest in land to the Corporation, or to any other person, unless he is satisfied that arrangements have been made which will secure that the members of the society receive fair treatment in connection with the transfer.

81. Where—

(a) a lease of a dwelling, granted otherwise than in pursuance of the provisions of Part V of the Housing Act 1985 (the right to buy) relating to shared ownership leases, contains a provision to the like effect as that required by paragraph 1 of Schedule 8 to that Act (terms of shared ownership lease: right of tenant to acquire additional shares), and

(b) the Corporation has, in exercise of any of its powers, left outstanding or advanced any amount on the security of the dwelling,

that power includes power to advance further amounts for the purpose of assisting the tenant to make payments in pursuance of that provision.

82. Schedule 7 (further powers of Corporation with respect to land of certain housing associations) applies where a loan has been made to a housing association under section 2 of the Housing Act 1964 and the loan has not been repaid.

83.—(1) The Corporation may, with the consent of the Secretary of State given with the approval of the Treasury, guarantee the repayment of the principal of, and the payment of interest on, sums borrowed by—

registered housing associations,
unregistered self-build societies, or
other bodies in which the Corporation holds an interest.

(2) Where the Corporation gives such a guarantee, it may impose such terms and conditions as it thinks fit.

(3) The aggregate amount outstanding in respect of—

(a) loans for which the Corporation has given a guarantee under this section, and

(b) payments made by the Corporation in meeting an obligation arising by virtue of such a guarantee and not repaid to the Corporation,

shall not exceed £300 million or such greater sum not exceeding £500 million as the Secretary of State may specify by order made with the approval of the Treasury.
(4) An order under subsection (3) shall be made by statutory instrument and no such order shall be made unless a draft of it has been laid before and approved by the House of Commons.

84.—(1) The Corporation may, with the approval of the Secretary of State, enter into an agreement with—

(a) a building society lending on the security of a house, or

(b) a recognised body making a relevant advance on the security of a house,

whereby, in the event of default by the mortgagor, and in circumstances and subject to conditions specified in the agreement, the Corporation binds itself to indemnify the society or body in respect of the whole or part of the mortgagor's outstanding indebtedness and any loss or expense falling on the society or body in consequence of the mortgagor's default.

(2) The agreement may also, if the mortgagor is made party to it, enable or require the Corporation in specified circumstances to take a transfer of the mortgage and assume rights and liabilities under it, the building society or recognised body being then discharged in respect of them.

SCHEDULE 2

FURTHER PROVISIONS AS TO CERTAIN DISPOSALS OF HOUSES

Repayment of discount on early disposal

1.—(1) This paragraph applies where, on a disposal of a house under section 8, in accordance with a consent given by the Housing Corporation under section 9, a discount has been given to the purchaser by the housing association; but this paragraph does not apply in any such case if the consent so provides.
(2) On the disposal the conveyance, grant or assignment shall contain a covenant binding on the purchaser and his successors in title to pay to the housing association on demand, if within a period of five years there is a relevant disposal which is not an exempted disposal (but if there is more than one such disposal then only on the first of them), an amount equal to the discount reduced by 20 per cent. for each complete year which has elapsed after the conveyance, grant or assignment, and before the further disposal.

Liability to repay is a charge on the premises

2.—(1) The liability that may arise under the covenant required by paragraph 1 is a charge on the house, taking effect as if it had been created by deed expressed to be by way of legal mortgage.

(2) The charge has priority immediately after any legal charge securing an amount—

(a) left outstanding by the purchaser, or

(b) advanced to him by an approved lending institution for the purpose of enabling him to acquire the interest disposed of on the first disposal, or

(c) further advanced to him by that institution;

but the housing association may at any time by written notice served on an approved lending institution postpone the charge taking effect by virtue of this paragraph to a legal charge securing an amount advanced or further advanced to the purchaser by that institution.

(3) A charge taking effect by virtue of this section is a land charge for the purposes of section 59 of the Land Registration Act 1925 notwithstanding subsection (5) of that section (exclusion of mortgages), and subsection (2) of that section applies accordingly with respect to its protection and realisation.

(4) The approved lending institutions for the purposes of this paragraph are—

a building society,
a bank,
a trustee savings bank,
an insurance company,
a friendly society,
the Housing Corporation

and any body specified, or of a class or description specified, in an order made under section 156 of the Housing Act 1985 (which makes provision in relation to disposals in pursuance of the right to buy corresponding to that made by this paragraph).

Restriction on disposal of houses in National Parks, etc.

3.—(1) Where a conveyance, grant or assignment executed under section 8 is of a house situated in—

(a) a National Park,

(b) an area designated under section 87 of the National Parks and Access to the Countryside Act 1949 as an area of outstanding natural beauty, or

(c) an area designated as a rural area by order under section 157 of the Housing Act 1985 (which makes provision in
relation to disposals in pursuance of the right to buy corresponding to that made by this paragraph),
the conveyance, grant or assignment may (unless it contains a condition of a kind mentioned in section 33(2)(b) or (c) of the Housing Act 1985 (right of pre-emption or restriction on assignment)) contain a covenant limiting the freedom of the purchaser (including any successor in title of his and any person deriving title under him or such a successor) to dispose of the house in the manner specified below.

(2) The limitation is that until such time (if any) as may be notified in writing by the housing association to the purchaser or a successor in title of his, there will be no relevant disposal which is not an exempted disposal without the written consent of the housing association; but that consent shall not be withheld if the disposal is to a person satisfying the condition stated in sub-paragraph (3).

(3) The condition is that the person to whom the disposal is made (or, if it is made to more than one person, at least one of them) has, throughout the period of three years immediately preceding the application for consent—

(a) had his place of work in a region designated by order under section 157(3) of the Housing Act 1985 which, or part of which, is comprised in the National Park or area, or

(b) had his only or principal home in such a region;
or has had the one in part or parts of that period and the other in the remainder; but the region need not have been the same throughout the period.

(4) A disposal in breach of such a covenant as is mentioned in sub-paragraph (1) is void.

(5) The limitation imposed by such a covenant is a local land charge and, if the land is registered under the Land Registration Act 1925, the Chief Land Registrar shall enter the appropriate restriction on the register of title as if application therefor had been made under section 58 of that Act.

(6) In this paragraph "purchaser" means the person acquiring the interest disposed of by the first disposal.

Relevant disposals

4.—(1) A disposal, whether of the whole or part of the house, is a relevant disposal for the purposes of this Schedule if it is—

(a) a conveyance of the freehold or an assignment of the lease, or

(b) the grant of a lease or sub-lease (other than a mortgage term) for a term of more than 21 years otherwise than at a rack rent.

(2) For the purposes of sub-paragraph (1)(b) it shall be assumed—

(a) that any option to renew or extend a lease or sub-lease, whether or not forming part of a series of options, is exercised, and

(b) that any option to terminate a lease or sub-lease is not exercised.
5.—(1) A disposal is an exempted disposal for the purposes of this Schedule if—

(a) it is a disposal of the whole of the house and a conveyance of the freehold or an assignment of the lease and the person or each of the persons to whom it is made is a qualifying person (as defined in sub-paragraph (2));

(b) it is a vesting of the whole of the house in a person taking under a will or on an intestacy;

(c) it is a disposal of the whole of the house in pursuance of an order made under section 24 of the Matrimonial Causes Act 1973 (property adjustment orders in connection with matrimonial proceedings) or section 2 of the Inheritance (Provision for Family and Dependants) Act 1975 (orders as to financial provision to be made from estate);

(d) it is a compulsory disposal; or

(e) the property disposed of is property included with the house by virtue of paragraph (b) of the definition of “house” in section 106(1) (yard, garden, outhouses, &c.).

(2) For the purposes of sub-paragraph (1)(a), a person is a qualifying person in relation to a disposal if—

(a) he is the person or one of the persons by whom the disposal is made,

(b) he is the spouse or a former spouse of that person or one of those persons, or

(c) he is a member of the family of that person or one of those persons and has resided with him throughout the period of twelve months ending with the disposal.

Meaning of “compulsory disposal”

6. In this Schedule a “compulsory disposal” means a disposal of property which is acquired compulsorily, or is acquired by a person who has made or would have made, or for whom another person has made or would have made, a compulsory purchase order authorising its compulsory purchase for the purposes for which it is acquired.

Exempted disposals which end liability under covenants

7. Where there is a relevant disposal which is an exempted disposal by virtue of paragraph 5(1)(d) or (e) (compulsory disposal or disposal of yard, garden etc.)—

(a) the covenant required by paragraph 1 (repayment of discount on early disposal) is not binding on the person to whom the disposal is made or any successor in title of his, and that covenant and the charge taking effect by virtue of paragraph 2 cease to apply in relation to the property disposed of, and

(b) any such covenant as is mentioned in paragraph 3 (restriction on disposal of houses in National Parks, etc.) ceases to apply in relation to the property disposed of.
Treatment of options

8.—(1) For the purposes of this Schedule the grant of an option enabling a person to call for a relevant disposal which is not an exempted disposal shall be treated as such a disposal made to him.

(2) For the purposes of paragraph 3(2) (requirement of consent to disposal of house in National Park, etc.) a consent to such a grant shall be treated as a consent to a disposal made in pursuance of the option.

(2) Where this paragraph applies, the Secretary of State may direct that the amount of basic residual subsidy or special residual subsidy payable to the association for the financial year in question shall be determined—

(s. 17 of the Housing (Financial Provisions) (Scotland) Act 1968)

3.—(1) Contributions by the Secretary of State under section 17 of the Housing (Financial Provisions) (Scotland) Act 1968 remain payable in connection with arrangements made under section 121 of the Housing (Scotland) Act 1950 or section 155 of the Housing (Scotland) Act 1966 (arrangements between housing associations and local authorities for improvement of housing) and approved on or after 16th August 1964 and before 1st April 1975.

(2) The contributions are payable at such times and in such manner as the Treasury may direct, and subject to such conditions as to records, certificates, audit or otherwise as the Secretary of State may, with the approval of the Treasury, impose.

(3) Where such a contribution is paid to a local authority, the authority shall pay to the housing association by way of annual grant an amount not less than the contribution.

4.—(1) The Secretary of State may, in any of the circumstances mentioned in sub-paragraph (2), reduce the amount of the contributions in respect of a particular subsidised unit, or suspend or discontinue the payment of the contributions, or part of them, as he thinks just in the circumstances.

(2) The circumstances referred to in sub-paragraph (1) are—

(a) that the housing association has made default in giving effect to the terms of the arrangements with the local authority, or

(b) that the subsidised unit has been converted, demolished or destroyed, is not fit to be used or has ceased to be used for the purpose for which it was intended, has been sold or leased for a stipulated duration exceeding twelve months or has been transferred, whether by sale or otherwise.

(3) The local authority may reduce to a corresponding or less extent the annual grant payable by them to the association, or, as the case may be, suspend payment of the whole or a corresponding part of the payment for a corresponding period, or discontinue the payment or a corresponding part.

(arrangements between Secretary of State and housing associations) and approved before 1st April 1975.
(2) The Secretary of State may, in any of the circumstances mentioned in sub-paragraph (3), reduce the amount of the contributions in respect of a particular subsidised unit, or suspend or discontinue the payment of the contributions, or part of them, as he thinks just in the circumstances.

(3) The circumstances referred to in sub-paragraph (2) are—

(a) that the housing association has made default in giving effect to the terms of the arrangements, or

(b) the subsidised unit has been converted, demolished or destroyed, is not fit to be used or has ceased to be used for the purpose for which it was intended, has been sold or leased for a stipulated duration exceeding twelve months or has been transferred, whether by sale or otherwise.

PART V

SCHEMES FOR THE UNIFICATION OF GRANT CONDITIONS

(s. 123 of the Housing Act 1957; s. 157 of the Housing (Scotland) Act 1966)

1. A scheme under section 123 of the Housing Act 1957 (schemes 1957 c. 56. for the unification of divergent grant conditions affecting the management of a housing association's houses) which was made before 10th August 1972 and is in force immediately before the commencement of this Act remains in force under this paragraph.

2. A scheme under section 157 of the Housing (Scotland) Act 1966 c. 49. 1966 (schemes for the unification of divergent grant conditions affecting the management of a housing association's houses) which was made before 3rd August 1972 and is in force immediately before the commencement of this Act remains in force under this paragraph.

PART VI

NEW BUILDING SUBSIDY AND IMPROVEMENT SUBSIDY

(s. 75 of the Housing Finance Act 1972; ss. 55 and 57 of the Housing (Financial Provisions) (Scotland) Act 1972)

1.—(1) The following subsidies remain payable in respect of building schemes or improvement schemes approved by the Secretary of State before 1st April 1975—

(a) new building subsidy under section 75 of the Housing Finance Act 1972 c. 47 Act 1972 or section 55 of the Housing (Financial Provisions) (Scotland) Act 1972, and

(b) improvement subsidy under section 57 of the Housing (Financial Provisions) (Scotland) Act 1972.

(2) Payment of the subsidy is subject to the making of a claim for the payment in such form, and containing such particulars as the Secretary of State may from time to time determine.
SCH. 5

(3) The amount of the subsidy payable for a financial year shall be calculated to the nearest pound by rounding up any odd amount of 50p or more and rounding down any lesser amount.

(4) The subsidy is payable at such times and in such manner as the Treasury may direct, and subject to such conditions as to records, certificates, audit or otherwise as the Secretary of State may, with the approval of the Treasury, impose.

2.—(1) The Secretary of State may make reduced payments of subsidy, or suspend or discontinue such payments, if—

(a) he made his approval of the scheme subject to conditions and is satisfied that any of the conditions has not been complied with, or

(b) he is satisfied that a dwelling comprised in the scheme has been converted, demolished or destroyed, is not fit to be used or is not being used for the purpose for which it was intended, has been sold or leased for a term exceeding seven years or has ceased for any reason whatsoever to be vested in the association or trustees for the association.

(2) If any of the dwellings comprised in the scheme become vested in, or are leased for a term exceeding seven years to—

(a) a housing association, or trustees for a housing association other than the association which received approval for the scheme, or

(b) the Housing Corporation,

the Secretary of State may, for any year beginning with that in which they come to be so vested or are so leased, pay them the whole or any part of the subsidy which he would otherwise have paid to the association which received approval for the scheme.

(3) For the purposes of this paragraph a dwelling shall be treated as leased for a term exceeding seven years if it is leased for a lesser term by a lease which confers on the lessee an option for renewal for a term which, together with the original term, exceeds seven years.

3.—(1) Where a housing association satisfies the Secretary of State, by furnishing him with such information as to its financial position as he may require, that the amount of new building subsidy for a year will be, or was, inadequate having regard to its normal sources of income to enable it to meet such expenditure (including loan charges) as in his opinion it would be, or was, reasonable for it to incur for that year in the exercise of its housing functions, he may direct that for that year the percentage of the initial deficit to be met by subsidy shall be greater than that otherwise applicable.

(2) The percentage shall not, however, be greater than 90 per cent. or the percentage met by subsidy for the immediately preceding year, whichever is less.

(3) This paragraph does not apply in relation to the year of completion or the second or third year for which new building subsidy is payable.
Housing Associations Act 1985

(4) In this paragraph—

"housing functions" means constructing, improving or managing, or facilitating or encouraging the construction or improvement of dwellings, the provision of dwellings by conversion and the acquisition of dwellings, and includes functions which are supplementary or incidental to any of those functions;

"loan charges" includes any loan charges made by a housing association (including charges for debt management) whether in respect of borrowing from a capital fund kept by the association or in respect of borrowing between accounts kept by the association for different functions or otherwise.

4.—(1) Where before 1st April 1976 a registered housing association made an application for housing association grant in respect of a housing project which was or included a building scheme or improvement scheme which had been previously approved for the purposes of any of the provisions mentioned in paragraph 1 and the Secretary of State gave his approval to that project for the purposes of housing association grant, no further payments of new building subsidy or improvement subsidy shall be made in respect of that approved scheme.

(2) A condition imposed by the Secretary of State in such a case by virtue of section 35(2)(b) of the Housing Act 1974, requiring the repayment of all or any of the payments of new building subsidy or improvement subsidy already paid, if in force immediately before the commencement of this Act, remains in force under this sub-paragraph.

(3) No account shall be taken under section 47(2)(b) (estimation of net cost of project for purposes of housing association grant: income to include subsidies) of payments of subsidy received which are required to be repaid in pursuance of such a condition.

PART VII

Payments in Respect of Hostels Under Pre-1974 Enactments

(s. 21 of the Housing (Financial Provisions) (Scotland) Act 1968)

1.—(1) Section 21 of the Housing (Financial Provisions) (Scotland) Act 1968 (exchequer contributions for hostels) continues to have effect in relation to buildings provided or converted by a housing association which were approved by the Secretary of State for the purposes of subsection (1) of that section before 1st April 1975.

(2) A registered housing association may not make an application for housing association grant in respect of a housing project which consists of or includes the carrying out of works for the provision of hostels if before 1st April 1975 any contribution has been made under section 21 of the Housing (Financial Provisions) (Scotland) Act 1968.
(3) If in a case where sub-paragraph (2) does not prevent the making of such an application a registered housing association makes an application for housing association grant in respect of a housing project falling within that sub-paragraph and the Secretary of State gives his approval to the project for the purposes of housing association grant, section 21 of the Housing (Financial Provisions) (Scotland) Act 1968 shall cease to have effect with respect to the provision of hostels referred to in that sub-paragraph.

SCHEDULE 6

2.—(1) The members of the Housing Corporation, of whom there shall be not more than fifteen, shall be appointed by the Secretary of State.

(2) Before appointing a person to be a member of the Corporation the Secretary of State shall satisfy himself that he will have no financial or other interest likely to affect prejudicially the exercise of his functions as member; and the Secretary of State may require a person whom he proposes to appoint to give him such information as he considers necessary for that purpose.

3.—(1) The members of the Housing Corporation shall hold and vacate office in accordance with the terms of their appointment, subject to the following provisions.

(2) A member may resign his membership by notice in writing addressed to the Secretary of State.

(3) The Secretary of State may remove a member from office if he is satisfied that—
   (a) he has been adjudged bankrupt or made an arrangement with his creditors or (in Scotland) has had his estate sequestrated or has made a trust deed for behoof of his creditors or a composition contract,
(b) he is incapacitated by physical or mental illness,
(c) he has been absent from meetings of the Corporation for a period longer than three consecutive months without the permission of the Corporation, or
(d) he is otherwise unable or unfit to discharge the functions of a member, or is unsuitable to continue as a member.

(4) The Secretary of State shall satisfy himself from time to time with respect to every member that he has no financial or other interest likely to affect prejudicially the exercise of his functions as a member; and he may require a member to give him such information as he considers necessary for that purpose.

Chairman and Deputy Chairman

4.—(1) The Secretary of State shall appoint one of the members to be Chairman and one to be Deputy Chairman; and the members so appointed shall hold and vacate those offices in accordance with the terms of their appointment, subject to the following provisions.

(2) The Chairman or Deputy Chairman may resign his office by notice in writing addressed to the Secretary of State.

(3) If the Chairman or Deputy Chairman ceases to be a member of the Corporation, he also ceases to be Chairman or Deputy Chairman.

Remuneration and allowances

5.—(1) The Secretary of State may pay the Chairman, Deputy Chairman and members such remuneration as he may, with the consent of the Treasury, determine.

(2) The Housing Corporation may pay them such reasonable allowances as may be so determined in respect of expenses properly incurred by them in the performance of their duties.

Pensions

6.—(1) The Secretary of State may, with the consent of the Treasury, determine to pay in respect of a person's office as Chairman, Deputy Chairman or member—
(a) such pension, allowance or gratuity to or in respect of that person on his retirement or death as may be so determined, or
(b) such contributions or other payments towards provision for such pension, allowance or gratuity as may be so determined.

(2) As soon as may be after the making of such a determination the Secretary of State shall lay before each House of Parliament a statement of the amount payable in pursuance of the determination.

(3) Sub-paragraph (1) does not apply in the case of a member who has been admitted in pursuance of regulations under section 7 of the Superannuation Act 1972 to participate in the benefits of a superannuation fund maintained by a local authority.
(4) In such a case the Secretary of State shall make any payments required to be made to the fund in respect of the member by the employing authority and may make such deductions from his remuneration as the employing authority might make in respect of his contributions to the fund.

**Proceedings of the Corporation**

7.—(1) The quorum of the Housing Corporation and the arrangements relating to its meetings shall, subject to any directions given by the Secretary of State, be such as the Corporation may determine.

(2) The validity of proceedings of the Corporation is not affected by any defect in the appointment of any of its members.

8.—(1) Where a member of the Housing Corporation is in any way directly or indirectly interested in a contract made or proposed to be made by the Corporation—

(a) he shall disclose the nature of his interest at a meeting of the Corporation, and the disclosure shall be recorded in the minutes of the Corporation, and

(b) he shall not take any part in any decision of the Corporation with respect to the contract.

(2) A general notice given by a member at a meeting of the Corporation to the effect that he is a member of a specified company or firm and is to be regarded as interested in any contract which may be made with the company or firm is a sufficient disclosure of his interest for the purposes of this paragraph in relation to a contract made after the date of the notice.

(3) A member need not attend in person at a meeting of the Corporation in order to make any disclosure which he is required to make under this paragraph provided he takes reasonable steps to secure that the disclosure is brought up and read at the meeting.

9.—(1) The fixing of the Housing Corporation's seal may be authenticated by the signature of the Chairman or of any other person authorised for the purpose.

(2) A document purporting to be duly executed under the seal of the Corporation shall be received in evidence and be deemed to be so executed unless the contrary is proved.

---

**SCHEDULE 7**

**POWERS EXERCISABLE WHERE LOAN OUTSTANDING UNDER SECTION 2 OF THE HOUSING ACT 1964**

**Introductory**

1. This Schedule applies where the Housing Corporation has made a loan to a housing association under section 2 of the Housing Act 1964 before the repeal of that section by the Housing (Consequential Provisions) Act 1985 and the loan has not been repaid.
Directions as to disposal of land securing loan

2.—(1) The Corporation may, with the consent in writing of the Secretary of State, give the association directions with respect to the disposal of land belonging to the association in which the Corporation has an interest as mortgagee under a mortgage, or as creditor in a heritable security, entered into by the association to secure the loan.

(2) Directions so given may be varied or revoked by subsequent directions given with the like consent.

3. Where the Corporation proposes to give a housing association directions under paragraph 2 requiring the association to transfer to the Corporation the association's interest in any land, the Secretary of State shall not consent to the giving of the directions unless he at the same time approves, or has previously approved, a scheme under paragraph 5 with respect to that land.

4. Where the Corporation proposes to give directions under paragraph 2 to an association whose rules restrict membership to persons entitled or prospectively entitled (whether as tenants or otherwise) to occupy a dwelling provided or managed by the association requiring the association to transfer its interest in any such land to the Corporation, or to any other person, the Secretary of State shall not consent to the giving of the directions unless he is satisfied that arrangements have been made which, if the directions are given, will secure that the members of the association receive fair treatment in connection with the transfer.

Schemes for Corporation to provide housing accommodation in place of association

5.—(1) If it appears to the Corporation—

(a) that the association is experiencing difficulty in providing housing accommodation on any land which it has acquired or in managing housing accommodation provided by it on any land, or is in any way failing to perform its functions as a housing association in relation to any land, and that accordingly it is undesirable for the land in question to remain in the hands of the association,

(b) that there is no other housing association, whether in existence or about to be formed, to which the association's interest in the land in question can suitably be transferred, and

(c) that the land is capable of being, or continuing to be, used to provide housing accommodation for letting,

the Corporation may prepare and submit to the Secretary of State a scheme.

(2) The scheme shall be for the Corporation—

(a) to acquire the association's interest in the land,

(b) to undertake all such operations as may be required for the provision or continued provision on the land of housing
SCH. 7 accommodation for letting (including any operation which might have been carried out by a housing association in connection with the provision of housing accommodation), and

(c) to retain the accommodation and keep it available for letting so long as the scheme has not been terminated in any manner provided for in the scheme.

(3) Where such a scheme is submitted to the Secretary of State by the Corporation, the Secretary of State, on being satisfied of—

(a) the undesirability of the land remaining in the hands of the association, and

(b) the lack of any housing association to which it can suitably be transferred,

may, if he thinks fit, approve the scheme.

(4) If he does so the Corporation shall have power to acquire for the purposes of the scheme the association’s interest in the land and to carry through the provisions of the scheme.

(5) A scheme approved by the Secretary of State under this paragraph may be varied from time to time in accordance with proposals in that behalf made by the Corporation and approved by the Secretary of State.
