#### 4 Grant of licence.

- (1) The Secretary of State may grant a licence if he thinks fit.
- (2) He shall not grant a licence unless he is satisfied that the activities authorised by the licence—
- will not jeopardise public health or the safety of persons or property,
  - will be consistent with the international obligations of the United Kingdom, and
  - will not impair the national security of the United Kingdom.
- (3) The Secretary of State may make regulations—
- prescribing the form and contents of applications for licences and other documents to be filed in connection with applications;

- (5) Where provision is made for a charge to be paid in connection with the performance of a function by the Secretary of State, it is the duty of the Secretary of State to charge accordingly.
- But the Secretary of State may waive the whole or part of the charge if the Secretary of State thinks fit to do so in a particular case.
- (6) Subsection (5) does not affect the Secretary of State's power to enter into an agreement for the payment to him of charges in respect of the performance of functions in respect of which a scheme under this section does not provide for the payment of a charge.
- (7) The inclusion in a licence of a condition as to the payment of charges determined under a scheme under this section does not prevent the Secretary of State from recovering such charges as a debt due to the Secretary of State.]
