Editorial Information

X1 EDITORIAL NOTE

The originating text of this Act is derived from the 1990 edition of The Taxes Acts edited by the Inland Revenue and published by Her Majesty's Stationery Office. The style of editing followed in older versions of the revised text may therefore differ from that applicable to most other Acts published in the online edition of the revised statutes. Any references in older footnote annotations to Vol. 1, 2 etc. are to the Volumes of that 1990 edition.

References to Acts in sidenotes and footnote annotations may be abbreviated. The main abbreviations used are listed below. Where a reference to an Act consists of the year, or the year and a series number (such as "1975", or "1975 (No. 2)", etc.), without any following letter(s) in parentheses, the reference is in most cases to the Finance Act, or Finance (No. 2) Act, etc., of that year. Exceptions to this are 1952, 1970, and 1988 (as to which see the list below).

(3) The lower and upper relevant maximum amounts mentioned above shall be determined as follows—

- (a) where the company has no associated company in the accounting period, those amounts are [^{F47}£300,000] and [^{F48}£1,500,000] respectively;
- (b) where the company has one or more associated companies in the accounting period, the lower relevant maximum amount is [^{F47}£300,000] divided by one plus the number of those associated companies, and the upper relevant maximum amount is [^{F48}£1,500,000] divided by one plus the number of those associated companies.

(4) In applying subsection (3) above to any accounting period of a company, an associated company which has not carried on any trade or business at any time in that accounting period (or, if an associated company during part only of that accounting period, at any time in that part of that accounting period) shall be disregarded and for the purposes of this section a company is to be treated as an “associated company” of another at a given time if at that time one of the two has control of the other or both are under the control of the same person or persons.

In this subsection “control” shall be construed in accordance with section 416^{F49} except that, in the application of subsection (6) of that section in relation to the company (“the taxpayer company”) and another company or companies for the purposes of this section, the references to an associate of a person (“P”) include a partner of the person only if the condition in subsection (4A) below is met.]

[^{F50}(4A) The condition referred to in subsection (4) above is that relevant tax planning arrangements have at any time had effect in relation to the taxpayer company (whether in connection with its formation or otherwise).

(6) For an accounting period of less than 12 months the relevant maximum amounts determined in accordance with subsection (3) above shall be proportionately reduced.

(7) For the purposes of this section the profits (but not the basic profits) of a company for an accounting period shall be taken to be the amount of its profits for that period on which corporation tax falls finally to be borne, with the addition of franked investment

^{F224}

- (2) The expenses deduction is to be made from so much of the income and gains of the accounting period referable to basic life assurance and general annuity business as remains after any deduction falling to be made by virtue of [^{F225}section 388 of CTA 2009 (basic rule: deficit set off against income and gains of deficit period)].
- (3) For the purposes of this section “expenses payable” means expenses brought into account in line 12, 22 or 25 of Form 40 (the revenue account) in the periodical return of the company for a period of account, but does not include any of the amounts falling within subsection (4), (5) or (6) below.

- (b) referable to the accounting period (see subsection (9) below).

Step 2

Reduce each of the amounts found at Step 1 by excluding so much of the amount as is—

- (a) deductible [^{F227}in computing, for corporation tax purposes, the profits of a UK property business],
- (b) deductible by virtue of section 85(2B) of the Finance Act 1989, ^{F228} . . .

Step 6

Give effect to subsection (6) of section 86 of the Finance Act 1989 (spreading of acquisition expenses) by—

- (a) finding the amount that is equal to six-sevenths of the adjusted amount of the acquisition expenses (within the meaning of that section) for the accounting period, and

to give Subtotal 3.

Step 7

Rule B

- (a) the value of the shares at the time of the appropriation shall be treated as not being income of his chargeable to tax under Schedule E; and
 - (b) he shall not be chargeable to income tax under that Schedule by virtue of [F607 section 78 or 79 of the Finance Act 1988 in respect of the shares] or by virtue of section 162 in any case where the shares are appropriated to him at an undervalue within the meaning of that section.
- (3) M23 Subject to the provisions of this section and paragraph 4 of Schedule 10, if, in respect of or by reference to any of a participant's shares, the trustees become or the participant becomes entitled, before the release date, to receive any money or money's worth ("a capital receipt"), F608 . . . the appropriate percentage (determined as at the time the trustees become or the participant becomes so entitled) of so much of the amount or value of the receipt as exceeds the appropriate allowance for that year, as determined under subsection (12) below [F609 counts as employment income of the participant for the year of assessment in which the entitlement arises].
- (4) M24 If the trustees dispose of any of a participant's shares at any time before the release date or, if it is earlier, the date of the participant's death, then, subject to subsections (6) and (7) below, F610 . . . the appropriate percentage of the locked-in value of the shares at the time of the disposal [F611 counts as employment income of the participant for the year of assessment in which the disposal takes place].
- (5) M25 Subject to paragraphs 5 and 6(6) of Schedule 10, the locked-in value of a participant's shares at any time is—
 - (a) if prior to that time he has become [F612 entitled to a capital receipt (within the meaning of subsection (3) above) which is referable to those shares and—

- (12)^{M29} For the purposes of subsection (3) above, "the appropriate allowance", in relation to any year of assessment, means a sum which, subject to a maximum of [^{F615}£60], is the product of multiplying £20 by 1 plus the number of years which fall within the period of [^{F616}three years] immediately preceding the year in question and in which shares were appropriated to the participant under the scheme; and if in any year (and before the release date) the trustees become or the participant becomes entitled, in respect of or by reference to any of his shares, to more than one capital receipt, the receipts shall be set against the appropriate allowance for that year in the order in which they are received.

 - (c) the arrangements (whether or not made directly between A and B) were entered into for an unallowable purpose; and
 - (d) the condition in subsection (2) below is satisfied.
- (2) The condition is that if B had been the person entitled to the tax credit and the qualifying distribution to which it relates, and had received the distribution when it was made, then—

- (a) B would not have been entitled to obtain any payment under section 231(2) or (3) in respect of the tax credit; and
 - (b) if B is a company, B could not have used the income consisting of the distribution to frank a distribution actually made in the accounting period in which it would have received the distribution to which the tax credit relates.
- (3) This section does not apply if and to the extent that any other provision of the Tax Acts has the effect of cancelling or reducing the tax advantage which would otherwise be obtained by virtue of the arrangements.
- (4) Where this section applies—

- (6) Arrangements are entered into for an unallowable purpose if the purposes for which at least one person is a party to the arrangements include a purpose which is not amongst the business or other commercial purposes of that person.
- (7) Where one of the purposes for which a person enters into any arrangements is the purpose of securing that that person or another obtains a tax advantage, that purpose shall be regarded as a business or other commercial purpose of the person only if it is neither the main purpose, nor one of the main purposes, for which the person enters into the arrangements.
- (8) Any reference in this section to a person obtaining a tax advantage includes a reference to a person obtaining a payment representing any of the value of a tax credit in circumstances where, had the person obtaining the payment been entitled to the tax credit and the qualifying distribution to which it relates, that person—
- (a) would not have been entitled to obtain any payment under section 231(2) or (3) in respect of the tax credit; and
 - (b) if that person is a company, could not have used the income consisting of the distribution to frank a distribution actually made in the accounting period in which it would have received the distribution to which the tax credit relates.
- (9) If an amount representing any of the value of a tax credit to which a person is entitled is applied at the direction of, or otherwise in favour of, some other person (whether by way of set off or otherwise), the case shall be treated for the purposes of this section as one where that other person obtains a payment representing any of the value of the tax credit.

^{M95}252. Rectification of excessive set-off etc. of ACT or tax credit.

(1) If an inspector discovers that—

- (a) ^{F890}
 (b) any set-off or payment of tax credit,

ought not to have been made, or is or has become excessive, the inspector may make any such assessments as may in his judgment be required for recovering any tax that ought to have been paid or any payment of tax credit that ought not to have been made and generally for securing that the resulting liabilities to tax (including interest on unpaid tax) of the persons concerned are what they would have been if only such set-offs or payments had been made as ought to have been made.

(2) In any case where—

- (a) interest has been paid under section 826 on a payment of tax credit; and
 (b) interest ought not to have been paid on that payment, either at all or to any extent,

an assessment under this section may be made for recovering any interest that ought not to have been paid.

(3) Where—

- (a) an assessment is made under this section to recover tax credit paid to a company in respect of franked investment income received by the company in an accounting period; and
 (b) more than one payment of tax credit has been made in respect of that period,

any sum recovered shall as far as possible be treated as relating to a payment of tax credit made later rather than to a payment made earlier.

(4) Subsections (2) and (3) above shall have effect in relation to payments of tax credit claimed in respect of accounting periods ending after such day as may be appointed for the purpose of those subsections by order made by the Treasury, not being earlier than 31st March 1992.

(5) The Management Act shall apply to any assessment under this section for recovering a payment of tax credit or interest on such a payment as if it were an assessment to income tax for the year of assessment, or in the case of a company, corporation tax for the accounting period, in respect of which the payment was claimed, and as if that payment represented a loss of tax to the Crown; and any sum charged by any such assessment shall, subject to any appeal against the assessment, be due within 14 days after the issue of the notice of assessment.

- “security” includes securities not creating or evidencing a charge on assets, and interest paid by a company on money advanced without the issue of a security for the advance, or other consideration given by a company for the use of money so advanced, shall be treated as if paid or given in respect of a security issued for the advance by the company;
- “share” includes stock, and any other interest of a member in a company; and in this section “a 90 per cent. group” means a company and all of its 90 per cent. subsidiaries.
- (2) ^{M98}In this Part, the expressions “in respect of shares in the company” and “in respect of securities of the company”, in relation to a company which is a member of a 90 per cent. group, mean respectively in respect of shares in that company or any other company in the group and in respect of securities of that company or any other company in the group.
- (3) Without prejudice to section 209(2)(b) as extended by subsection (2) above, in relation to a company which is a member of a 90 per cent. group, “distribution” includes anything distributed out of assets of the company (whether in cash or otherwise) in respect of shares in or securities of another company in the group.
- (4) Nothing in subsections (2) and (3) above shall require a company to be treated as making a distribution to any other company which is in the same group and is resident in the United Kingdom.
- (5) ^{M99}Where share capital has been issued at a premium representing new consideration, any part of that premium afterwards applied in paying up share capital shall be treated as new consideration also for that share capital, except in so far as the premium has been taken into account under section 211(5) so as to enable a distribution to be treated as a repayment of share capital.

- (7) No amount shall be regarded as new consideration by virtue of subsection (6)(b) or (c) above in so far as it exceeds any new consideration received by the company for the issue of the share capital or security in question or, in the case of share capital which constituted a qualifying distribution on issue, the nominal value of that share capital.
- (8) ^{M101}Where two or more companies enter into arrangements to make distributions to each other's members, all parties concerned (however many) may for the purposes of this Part be treated as if anything done by any one of those companies had been done by any of the others.
- (9) ^{M102}A distribution shall be treated under this Part as made, or consideration as provided, out of assets of a company if the cost falls on the company.
- (10) ^{M103}References in this Part to issuing share capital as paid up apply also to the paying up of any issued share capital.
- (11) ^{M104}Where securities are issued at a price less than the amount repayable on them, and are not [^{F895}listed] on a recognised stock exchange, the principal secured shall not be taken for the purposes of this Part to exceed the issue price, unless the securities are issued on terms reasonably comparable with the terms of issue of securities so [^{F895}listed].

This section applies whether or not the accrual of the relevant benefits is dependent on any contingency.

- (2) Relief, if not otherwise allowable, shall be given to that employee under section 266 in respect of the payment to the extent, if any, to which such relief would have been allowable to him if—

- [^{F991}(3) For the purposes of subsection (1)(a) benefits are provided in respect of an employee if they are provided for the employee's spouse, widow or widower, children, dependants or personal representatives.

where—

A is the sum paid,

B is the amount which would have had to be paid to secure the benefits to be provided for or in respect of the employee in question, and

C is the total amount which would have had to be paid to secure the benefits to be provided for or in respect of all the employees if separate payments had been made in the case of each of them.

- (6) This section does not apply if—
- (a) in the year of assessment in which the sum is paid the earnings from the employee's employment are (or, if there are none, would be if there were any) earnings charged on remittance, or
 - (b) the employee is not domiciled in the United Kingdom in the tax year in which the sum is paid and the conditions in subsection (7) are met.
- (7) Those conditions are—

The preceding provisions of this subsection shall not apply if the successor is a dual resident investing company (within the meaning of section 404) which begins to carry on the trade after 31st March 1987 ^{F1178}; and are subject to section 343A (company reconstructions involving business of leasing plant or machinery)].

- (9) ^{M136}Where under subsection (8) above any activities of a company’s trade fall, on the company ceasing or beginning to carry them on, to be treated as a separate trade, such apportionments of receipts, expenses, assets or liabilities shall be made as may be just.

397 Restriction of relief in case of farming and market gardening.

- (1) ^{F1416}
- (2) Any loss incurred in any accounting period by a company in carrying on a trade of farming or market gardening shall be excluded from section 393(2) if a loss, computed without regard to capital allowances, was incurred in carrying on that trade in that accounting period, and in each of the chargeable periods wholly or partly comprised in the prior five years.
- (3) [^{F1417}This section] shall not restrict relief for any loss or for any capital allowance [^{F1418}in any case]—
- (a) [^{F1419}where] the whole of the farming or market gardening activities in the year next following the prior five years are of such a nature, and carried on in such a way, as would have justified a reasonable expectation of the realisation of profits in the future if they had been undertaken by a competent farmer or market gardener, but
- (b) [^{F1419}where], if that farmer or market gardener had undertaken those activities at the beginning of the prior period of loss, [^{F1420}that farmer or market gardener] could not reasonably have expected the activities to become profitable until after the end of the year next following the prior period of loss.
- (4) [^{F1421}This section] shall not restrict relief where the carrying on of the trade forms part of, and is ancillary to, a larger trading undertaking.

^{F1878} **432CA Apportionment of asset value increase where line 51 amount decreases**

- (1) This section applies where—
 - (a) an insurance company is not a non-profit company in relation to a period of account (“the current period of account”),
 - (b) in the case of any business with which an account of the company for the current period of account is concerned (“the relevant business”), an amount is a relevant brought into account amount for that period of account (see subsection (2)),
 - (c) section 432C applies for determining the extent to which the relevant brought into account amount is referable to life assurance business or to gross roll-up business, and
 - (d) the line 51 reduction condition is met (see subsection (3)).
- (2) An amount is a relevant brought into account amount for a period of account if—
 - (a) it is brought into account as mentioned in subsection (2)(b) of section 83 of the Finance Act 1989 (increases in value of non-linked assets) for that period,
 - (b) it is deemed to be brought into account for that period by subsection (2B) of that section in consequence of the transfer of non-linked assets, or
 - (c) it is taken into account under subsection (2) of that section for that period by virtue of section 444AB as being the relevant amount in relation to non-linked assets.
- (3) The line 51 reduction condition is met if—
 - (a) the amount shown in column 1 of line 51 of Form 14 of the company's periodical return in respect of the relevant business for the current period of account, is less than
 - (b) the amount so shown for the period of account immediately before it; and the amount of the difference is “the relevant reduction”.

- (4) Section 432C applies in relation to so much of the relevant brought into account amount as does not exceed the relevant reduction (“the affected amount”) as if it were brought into account as an increase in the value of assets in the case of the relevant business for the applicable appropriate period of account of the company.
- (5) A period of account is an “appropriate period of account” if it ended before the current period of account and—
 - (a) the amount shown in column 1 of line 51 of Form 14 of the company's periodical return in respect of the relevant business for it, was more than
 - (b) the amount so shown for the period of account immediately before it;and the amount of the difference is “the relevant increase.”
- (6) The “applicable” appropriate period of account is the one which ended most recently (“the most recent appropriate period”).
- (7) But if the relevant increase in the case of the most recent appropriate period of account is less than the affected amount, the most recent appropriate period of account is the applicable appropriate period of account in relation to only so much of the affected amount as does not exceed that relevant increase.
- (8) In that case, the appropriate period of account which ended most recently before the most recent appropriate period of account is the applicable appropriate period of account in relation to so much of the remainder as does not exceed the relevant increase in the case of that appropriate period of account (and, where necessary, so on until the applicable appropriate period of account is established in relation to all of the affected amount or there are no more appropriate periods of account).
- (9) If the current period of account is not the first in relation to which this section has applied in the case of the business concerned, the amount of the relevant increase in the case of any appropriate period of account (“the period in question”) is to be treated as reduced by the relevant aggregate.
- (10) The “relevant aggregate” is the aggregate of so much of the affected amount for any period or periods of account earlier than the current period of account as was an amount to which section 432C applied as if it were brought into account as mentioned in subsection (4) for the period in question.
- (11) For the purposes of this section an insurance company which has elected under section 83YA(9) of the Finance Act 1989 (changes in value of assets brought into account: non-profit companies) to be treated as a non-profit company in relation to a period of account is to be regarded as a non-profit company in relation to the period of account.]

432CB ^{F1879} **Transfers of business involving excess assets**

- (1) This section applies where, under an insurance business transfer scheme, there is a transfer of long-term business—
- (a) from a non-profit fund of an insurance company (“the transferor”) which is not a non-profit company in relation to the relevant period of account,
 - (b) to another insurance company (“the transferee”) to constitute or form part of a non-profit fund of the transferee (“the transferee’s non-profit fund”),
- (“the transfer”) and conditions A and B are met.

- (2) Condition A is that the fair value of the assets transferred by the transfer exceeds by an amount (“the chargeable excess”) the amount of the relevant liabilities transferred by the transfer.

For this purpose “relevant” liabilities are liabilities of a type shown (or treated as shown) in any of lines 14, 17, 21 to 23 and 31 to 38 of Form 14 of a periodical return of an insurance company.

- (3) Condition B is that the main purpose, or one of the main purposes, of the transferor or the transferee (or both) in entering into any part of the transfer scheme arrangements is to secure a reduction in tax as a result of section 432C having effect in the case of the transferee, rather than the transferor, in relation to the business transferred by the transfer.
- (4) The chargeable excess is to be brought into account by the transferor as mentioned in section 83(2)(b) of the Finance Act 1989 for the relevant period of account.
- (5) Where there is no amount shown in relation to the transferee’s non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the first period of account of the transferee ending on or after the transfer date (“the first post-transfer period of account”), the chargeable excess is to be brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for the first post-transfer period of account.
- (6) Where—
- (a) there is an amount shown in relation to the transferee’s non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the first post-transfer period of account, and
 - (b) the amount so shown in column 1 of line 51 of Form 14 of the periodical return of the transferee for that period of account, or for any other period of account of the transferee ending after the transfer date, (an “affected period of account”) is less than the total chargeable excess amount,
- the relevant amount is to be brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for the affected period of account.
- (7) For this purpose “the relevant amount” is the amount by which—

- (b) the total chargeable excess amount less any amount brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for any earlier period of account by virtue of the operation of this section in relation to the transferee's non-profit fund.
- (8) In subsections (6) and (7) “the total chargeable excess amount” means the aggregate of—

$$\frac{\text{CAS}}{\text{AS}} \times \text{RP}$$

where—

CAS and AS have the same meanings as in subsection (2) above; and

[^{F1895}RP is the amount or the aggregate of the amounts taken into account under subsection (2) of section 83 of the Finance Act 1989 by virtue of any of the following provisions—

- (a) subsection (2B) of that section;
- (aa) [^{F1896}section 444AB [^{F1897} . . . of this Act;]
- (ab) [^{F1898}section 444AEA [^{F1899} or 444AECA] of this Act;]
- (b) [^{F1889}]
- (c) [^{F1900}subsection (2) of section 444AF of this Act (and see subsections (5) and (6) of that section);
- (d) subsection (2) of section 444AK of this Act (but only for the purposes mentioned in subsection (3) of that section).]

(3) For the purposes of subsection (1) above there shall also be determined the aggregate of—

- (a) the applicable percentage of what is left of the mean of the opening and closing liabilities of the relevant business so far as referable to the category of business concerned [^{F1901}(but taking that mean to be nil if it would otherwise be below nil)] after deducting from it the mean of the opening and closing values of any assets of the relevant business [^{F1902}linked] to that category of business [^{F1903F1904} . . .], and
- (b) the part of the net amount [^{F1905} . . .] that is attributable to assets [^{F1902}linked] to that category of business [^{F1906F1907} . . .].

(4) [^{F1908}Subject to subsection (4A) below, for] the purposes of subsection (3) above “the applicable percentage”, in any case, [^{F1909}is—

$$\frac{A}{B} \times 100$$

where—

A is so much of the net amount as is brought into account in respect of the relevant business less such part of it as is attributable to linked assets [^{F1910} . . .]; and

B is the mean of the opening and closing liabilities of the relevant business reduced by the mean of the opening and closing values of any assets of the relevant business which are linked assets [^{F1911} . . .].

[If the mean of the opening and closing liabilities of the relevant business reduced by [^{F1912}(4A) the opening and closing values of any assets of the relevant business which are linked assets [^{F1913F1914} . . .] is nil then, for the purposes of subsection (3) above, “the applicable percentage” is such percentage as is just and reasonable.]

[Where a new annuity (“the actual annuity”) is a steep-reduction annuity, the income ^{F1988}(1CA) limit for an accounting period of the company paying the annuity shall be computed for the purposes of this section as if—

- (a) the contract providing for the actual annuity provided instead for the annuities identified by subsections (1CB) and (1CC) below; and

(1CB) The annuities mentioned in subsection (1CA)(a) above are—

[^{F1994} 437] **Meaning of “steep-reduction annuity” etc.**

- (1) For the purposes of section 437 an annuity is a steep-reduction annuity if—
- the amount of any payment in respect of the annuity (but not the term of the annuity) depends on any contingency other than the duration of a human life or lives;
 - the annuitant is entitled in respect of the annuity to payments of different amounts at different times; and
 - those payments include a payment (“a reduced payment”) of an amount which is substantially smaller than the amount of at least one of the earlier payments in respect of that annuity to which the annuitant is entitled.
- (2) Where there are different intervals between payments to which an annuitant is entitled in respect of any annuity, the question whether or not the conditions in subsection (1) (b) and (c) above are satisfied in the case of that annuity shall be determined by assuming—

- (a) that the annuitant's entitlement, after the first payment, to payments in respect of that annuity is an entitlement to payments at yearly intervals on the anniversary of the first payment; and
 - (b) that the amount to which the annuitant is assumed to be entitled on each such anniversary is equal to the annuitant's assumed entitlement for the year ending with that anniversary.
- (3) For the purposes of subsection (2) above an annuitant's assumed entitlement for any year shall be determined as follows—
- (a) the annuitant's entitlement to each payment in respect of the annuity shall be taken to accrue at a constant rate during the interval between the previous payment and that payment; and
 - (b) his assumed entitlement for any year shall be taken to be equal to the aggregate of the amounts which, in accordance with paragraph (a) above, are treated as accruing in that year.
- (4) In the case of an annuity to which subsection (2) above applies, the reference in section 437(1CB)(a) to the making of a reduced payment shall be construed as if it were a reference to the making of a payment in respect of that annuity which (applying subsection (3)(a) above) is taken to accrue at a rate that is substantially less than the rate at which at least one of the earlier payments in respect of that annuity is taken to accrue.
- (5) Where—
- (a) any question arises for the purposes of this section whether the amount of any payment in respect of any annuity—
 - (i) is substantially smaller than the amount of, or
 - (ii) accrues at a rate substantially less than,
 an earlier payment in respect of that annuity, and
 - (b) the annuitant or, as the case may be, every annuitant is an individual who is beneficially entitled to all the rights conferred on him as such an annuitant,
- that question shall be determined without regard to so much of the difference between the amounts or rates as is referable to a reduction falling to be made as a result of the occurrence of a death.
- (6) Where the amount of any one or more of the payments to which an annuitant is entitled in respect of an annuity depends on any contingency, his entitlement to payments in respect of that annuity shall be determined for the purposes of section 437(1CA) to (1CC) and this section according to whatever (applying any relevant actuarial principles) is the most likely outcome in relation to that contingency.
- (7) Where any agreement or arrangement has effect for varying the rights of an annuitant in relation to a payment in respect of any annuity, that payment shall be taken, for the purposes of section 437(1CA) to (1CC) and this section, to be a payment of the amount to which the annuitant is entitled in accordance with that agreement or arrangement.
- (8) References in this section to a contingency include references to a contingency that consists wholly or partly in the exercise by any person of any option.]

[^{F2060}440] Modifications for change of tax basis

- (1) Subsection (2) makes provision for a case where—
 - (a) subsection (4) of section 431G applies in relation to the profits of the life assurance business of an insurance company for any accounting period, but
 - (b) the profits of that business for a succeeding accounting period fall to be charged to tax [^{F2061}under section 35 of CTA 2009 (charge on trade profits)] by virtue of subsection (3) of that section.
- (2) The loss referred to in section 431G(4)(b) (less any loss for the same accounting period set off under section 436A for any intervening accounting period and any amount deducted for any such period in respect of the loss by virtue of section 85A(3)(b) of the Finance Act 1989) may be set off under section 393 against profits of that succeeding accounting period (without being reduced in accordance with section 434A(2)(a)).
- (3) In determining whether any loss has been set off under section 436A for any intervening accounting period, or whether any amount has been deducted for any such period in respect of the loss by virtue of section 85A(3)(b) of the Finance Act 1989, losses of earlier accounting periods are to be assumed to be set off before those of later accounting periods.
- (4) Subsection (5) makes provision for a case where—
 - (a) a loss arises to an insurance company for an accounting period for which the profits of its life assurance business fall to be charged to tax [^{F2062}under section 35 of CTA 2009] by virtue of section 431G(3)(b),
 - (b) the profits of that business for a subsequent accounting period are charged to tax under the I minus E basis, and

- (c) had those profits (instead) been charged to tax [^{F2063}under section 35 of CTA 2009], any of that loss would have been available to be set off against them under section 393.
- (5) The loss is to be treated for the purposes of the operation of section 436A in relation to the subsequent accounting period as if it were a loss arising from its gross roll-up business in the accounting period in which it arose.
- (6) Subsections (7) and (8) make provision for a case where—
- (a) the profits of the life assurance business of an insurance company for an accounting period are charged to tax under the I minus E basis,

- (8) But if the profits of the company's life assurance business for a subsequent accounting period are charged to tax under the I minus E basis, any relief not previously given under subsection (7) is to be treated for the purposes of the operation of section 76 in relation to the first subsequent accounting period for which profits are so charged as if it were an amount which is to be relieved under that section by virtue of section 86(8) and (9) of the Finance Act 1989.]

[^{F2079} 442A] Taxation of investment return where risk reinsured.

- (1) Where an insurance company reinsures any risk in respect of a policy or contract attributable to its basic life assurance and general annuity business, the investment return on the policy or contract shall be treated as accruing to the company [^{F2080} while the risk remains reinsured by the company under] the reinsurance arrangement and shall be charged to tax under [^{F2081} the charge to corporation tax on income].
- (2) The Board may make provision by regulations as to the amount of investment return to be treated as accruing in each accounting period during which the reinsurance arrangement is in force.
- (3) The regulations may, in particular, provide that the investment return to be treated as accruing to the company in respect of a policy or contract in any accounting period shall be calculated by reference to—
 - (a) the aggregate of the sums paid by the company to the reinsurer during that accounting period and any earlier accounting periods by way of premium or otherwise;
 - (b) the aggregate of the sums paid by the reinsurer to the company during that accounting period and any earlier accounting periods by way of commission or otherwise;
 - (c) the aggregate amount of the net investment return treated as accruing to the company in any earlier accounting periods, that is to say, net of tax at such rate as may be prescribed; and
 - (d) such percentage rate of return as may be prescribed.

[Where a transfer of the reinsurance arrangement from one insurance company (“the ^{F2082}(3A) transferor”) to another (“the transferee”) is effected by novation or an insurance business transfer scheme, for the purpose of calculating the investment return to be treated as accruing to the transferee in respect of the policy or contract after the transfer, the references to the company in subsection (3)(a), (b) and (c) above include (as well as the transferee)—

- (a) the transferor, and
 - (b) any insurance company from which the reinsurance arrangement was transferred on an earlier transfer effected by novation or an insurance business transfer scheme.]
- (4) The regulations shall provide that the amount of investment return to be treated as accruing ^{F2083} . . . in respect of a policy or contract in the final accounting period during which the policy or contract is in force is the amount, ascertained in accordance with regulations, by which the profit over the whole period during which the policy or contract, and the reinsurance arrangement, were in force exceeds the aggregate of the amounts treated as accruing in earlier accounting periods.

If that profit is less than the aggregate of the amounts treated as accruing in earlier accounting periods, the difference shall go to reduce the amounts treated by virtue of this section as arising in that accounting period from other policies or contracts, and if not fully so relieved may be carried forward and set against any such amounts in subsequent accounting periods.

(5) Regulations under this section—

- (a) may exclude from the operation of this section such descriptions of insurance company, such descriptions of policies or contracts and such descriptions of reinsurance arrangements as may be prescribed;
- (b) may make such supplementary provision as to the ascertainment of the investment return to be treated as accruing to the company as appears to the Board to be appropriate, including provision requiring payments made during an accounting period to be treated as made on such date or dates as may be prescribed; and

- (b) if that amount is a negative amount, nil;

TAP is the amount shown in line 46 of Form 58 for the fund (total allocated to policy holders).

- (6) The amount, in the case of a policy holder participation fund, is—
- (a) where TAP is greater than SA, the amount of the difference;
 - (b) otherwise, nil;

into account for the purposes of the charge to corporation tax on income in respect of the disposal as it applies (or would apply) for the purposes of petroleum revenue tax.

(A2) The conditions are that—

- (a) the oil is oil won from an oil field in the United Kingdom,
- (b) the disposal is a disposal of the oil by the person crude in a sale at arm's length, as defined in paragraph 1 of Schedule 3 to the 1975 Act,
- (c) the circumstances are such that the price received or receivable—
 - (i) falls to be taken into account under section 2(5)(a) of that Act in computing for the purposes of petroleum revenue tax the assessable profit or allowable loss accruing to the person in any chargeable period from the oil field, or
 - (ii) would fall to be so taken into account, had the oil field been a taxable field, as defined in section 185 of the Finance Act 1993,
- (d) the terms of the contract are such as are described in the opening words of section 2(5A) of the 1975 Act,
- (e) apart from subsection (A1) above, the person is not entitled to a transportation allowance in respect of the oil (see subsection (A3)) in computing his ring fence profits,
- (f) the person does not claim a transportation allowance in respect of the oil in computing for the purposes of corporation tax any profits of his that are not ring fence profits.

(A3) In subsection (A2) above “transportation allowance”, in relation to any oil, means any of the following—

- (a) a deduction in respect of the expense of transporting the oil as mentioned in the opening words of section 2(5A) of the 1975 Act,
- (b) a deduction in respect of any costs of or incidental to the transportation of the oil as there mentioned,
- (c) any such reduction in the price to be regarded as received or receivable for the oil as would result from the application of section 2(5A) of the 1975 Act, if that provision applied for the purposes of corporation tax.]

(1) Where a person disposes of any oil in circumstances such that the market value of that oil ^{F2608} . . . falls to be taken into account under section 2 of [^{F2609}the 1975 Act], otherwise than by virtue of paragraph 6 of Schedule 3 to that Act, in computing for the purposes of petroleum revenue tax the assessable profit or allowable loss accruing to him in any chargeable period from an oil field (or as would so fall but for section 10 of that Act), then—

- (a) for all purposes of income tax, and
- (b) for the purposes of the charge of corporation tax on income,

the disposal of the oil and its acquisition by the person to whom it was disposed of shall be treated as having been for a consideration equal to the market value of the oil as so taken into account under section 2 of that Act (or as would have been so taken into account under that section but for section 10 of that Act).

[^{F2610}(1A) Where an excess of nominated proceeds in a chargeable period (within the meaning given by section 61 of the Finance Act 1987) is taken into account in computing a person's profits under section 2(5)(e) of the 1975 Act (or would be taken into account if the person were chargeable to tax under that Act in respect of a field)—

- (a) for the purposes of subsection (1) the amount of the excess shall be added to the consideration which the person is deemed to have received in respect of oil disposed of by him in the period, and
 - (b) for the purposes of corporation tax, that amount shall be available to the person as a deduction in computing the profits of any trade to which section 492(1) does not apply.]
- (2) Where a person makes a relevant appropriation of any oil without disposing of it and does so in circumstances such that the market value of that oil ^{F2611} . . . falls to be taken into account under section 2 of the 1975 Act in computing for the purposes of petroleum revenue tax the assessable profit or allowable loss accruing to him in any chargeable period from an oil field (or would so fall but for section 10 of that Act), then for all the purposes of income tax and for the purposes of the charge of corporation tax on income, he shall be treated—
- (a) as having, at the time of the appropriation—

 - (ii) bought it in the course of the separate trade consisting of activities not so falling; and
 - (b) as having so sold and bought it at a price equal to its market value as so taken into account under section 2 of the 1975 Act (or as would have been so taken into account under that section but for section 10 of that Act).

In this subsection “relevant appropriation” has the meaning given by section 12(1) of the 1975 Act.

 - (b) subsection (1) above does not apply in relation to the disposal,
- then, for all purposes of income tax and for the purposes of the charge of corporation tax on income, the disposal of the oil and its acquisition by the person to whom it was disposed of shall be treated as having been for a consideration equal to the market value of the oil ^{F2613}
- (4) If a person appropriates oil acquired by him in the course of oil extraction activities carried on by him or by virtue of oil rights held by him and the appropriation is to refining or to any use except for production purposes of an oil field, within the meaning of Part I of the 1975 Act, then, unless subsection (2) above applies, for all purposes of income tax and for the purposes of the charge of corporation tax on income—
- (a) he shall be treated as having, at the time of the appropriation, sold and bought the oil as mentioned in subsection (2)(a)(i) and (ii) above; and
 - (b) that sale and purchase shall be deemed to have been at a price equal to the market value of the oil ^{F2614}

^{F2615}(5) For the purposes of subsections (3) and (4) above, paragraph 2 of Schedule 3 to the 1975 Act shall apply as it applies for the purposes of Part 1 of that Act, but with the following modifications—

- (c) any reference in paragraph 2 to the notional delivery day for the actual oil shall be construed as a reference to the day on which the oil is disposed of or appropriated as mentioned in subsection (3) or (4) above.]

[^{F2616}(6) In subsections (3) and (4) above the references to the market value of any oil in the calendar month in which a disposal of the oil was made or, as the case may be, in which it was appropriated shall each have effect in relation to light gases (within the meaning of the 1975 Act) as a reference to the amount which, if paragraph 3A of Schedule 3 to the 1975 Act applied, would be the market value of that oil in relation to the disposal or appropriation in question.]

(4) [^{F2679}Subject to the following provisions of this section] if some or all of the petroleum revenue tax in respect of which a deduction has been made under subsection (1) above is subsequently repaid, that deduction shall be reduced or extinguished accordingly; and any additional assessment to corporation tax required in order to give effect to this subsection may be made at any time not later than six years after the end of the [^{F2680}calendar year] in which the first-mentioned tax was repaid.

[^{F2681}(5) If, in a case where paragraph 17 of Schedule 2 to the 1975 Act applies, an amount of petroleum revenue tax in respect of which a deduction has been made under subsection (1) above is repaid by virtue of an assessment under that Schedule or an amendment of such an assessment, then, so far as concerns so much of that repayment as constitutes the appropriate repayment,—

- (a) subsection (4) above shall not apply; and
- (b) the following provisions of this section shall apply in relation to the company which is entitled to the repayment.

(6) In subsection (5) above and the following provisions of this section—

- (b) in relation to the appropriate repayment, a “carried back loss” means an allowable loss which falls within sub-paragraph (1)(a) of that paragraph and which (alone or together with one or more other carried back losses) gives rise to the appropriate repayment;
- (c) in relation to a carried back loss, “the operative chargeable period” means the chargeable period in which the loss accrued; and
- (d) in relation to the company which is entitled to the appropriate repayment, “the relevant accounting period” [^{F2682}means—
 - (i) the accounting period in or at the end of which ends the operative chargeable period, or
 - (ii) if the company ceases to carry on its ring fence trade (or to be within the charge to corporation tax in respect of that trade) before the end of the operative chargeable period, the last accounting period of that trade (or, as the case requires, the accounting period during or at the end of which the company ceased to be within the charge to corporation tax in respect of that trade).]

(7) In computing for corporation tax the amount of the company’s income arising in the relevant accounting period from oil extraction activities or oil rights there shall be added an amount equal to the appropriate repayment; but this subsection has effect subject to subsection (8) below in any case where—

- (a) two or more carried back losses give rise to the appropriate repayment; and
- (b) the operative chargeable period in relation to each of the carried back losses is not the same; and
- (c) if subsection (6)(d) above were applied separately in relation to each of the carried back losses there would be more than one relevant accounting period.

- (8) Where paragraphs (a) to (c) of subsection (7) above apply, the appropriate repayment shall be treated as apportioned between each of the relevant accounting periods referred to in paragraph (c) of that subsection in such manner as to secure that the amount added by virtue of that subsection in relation to each of those relevant accounting periods is what it would have been if—
- (a) relief for each of the carried back losses for which there is a different operative chargeable period had been given by a separate assessment or amendment of an assessment under Schedule 2 to the 1975 Act; and
 - (b) relief for a carried back loss accruing in an earlier chargeable period had been so given before relief for a carried back loss accruing in a later chargeable period.
- (9) Any additional assessment to corporation tax required in order to give effect to the addition of an amount by virtue of subsection (7) above may be made at any time not later than six years after the end of the calendar year in which is made the repayment of petroleum revenue tax comprising the appropriate repayment.

Introductory

502A Scope of Chapter 5A

This Chapter has effect for the purposes of corporation tax only.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The amount to be brought into account as the lessor's taxable income from the lease for the period of account is the amount of the rental earnings in respect of the lease for the period of account.
- (3) The “rental earnings” for any period is the amount which, in accordance with generally accepted accounting practice, falls (or would fall) to be treated as the gross return on investment for that period in respect of the lease where it meets the finance lease test.
- (4) If the lease is one which, under generally accepted accounting practice, falls (or would fall) to be treated as a loan in the accounts in question, so much of the rentals under the lease as fall (or would fall) to be treated as interest are to be treated for the purposes of this section as rental earnings.

- (1) This section applies for determining the liability to corporation tax of a company which is or has been the lessor under a long funding finance lease.
- (2) Where—
 - (a) the lease terminates, and
 - (b) a sum calculated by reference to the termination value is paid to the lessee, no deduction in respect of the sum paid to the lessee is allowed in computing the profits of the company.
- (3) This section does not prevent a deduction in respect of a sum to the extent that the sum is brought into account in determining the company's rental earnings.

Lessors under long funding operating leases

502E Lessor under long funding operating lease: periodic deduction

- (1) This section applies for determining for the purposes of corporation tax the profits of a company for any period of account—
 - (a) for the whole of which, or
 - (b) for any part of which,the company is the lessor of any plant or machinery under a long funding operating lease.
- (2) A deduction is allowed in computing the profits of the company for the period of account.
- (3) The amount of the deduction for any period of account is to be determined as follows.
- (4) First, find the “relevant value” for the purposes of subsection (6)(a) below, which is—
 - (a) if the only use of the plant or machinery by the lessor has been the leasing of it under the long funding operating lease as a qualifying activity, cost;
 - (b) if the last previous use of the plant or machinery by the lessor was the leasing of it under another long funding operating lease as a qualifying activity, market value;
 - (c) if the last previous use of the plant or machinery by the lessor was the leasing of it under a long funding finance lease as a qualifying activity, the recognised value;
 - (d) if the last previous use of the plant or machinery by the lessor was for the purposes of a qualifying activity other than leasing under a long funding lease, the lower of cost and market value;
 - (e) if the lessor owns the plant or machinery as a result of having incurred expenditure on its provision for purposes other than those of a qualifying activity, but—
 - (i) the plant or machinery is brought into use by the lessor for the purposes of a qualifying activity on or after 1st April 2006, and
 - (ii) that qualifying activity is the leasing of the plant or machinery under the long funding operating lease,the relevant value is the lower of first use market value and first use amortised value.

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

(5) In subsection (4) above—

“cost” means the amount of the expenditure incurred by the lessor on the provision of the plant or machinery;

“first use amortised value” means the value that the plant or machinery would have at the time when it is first brought into use for the purposes of the qualifying activity, on the assumption that—

- (a) the cost of acquiring the plant or machinery had been written off on a straight line basis over the remaining useful economic life of the plant or machinery, and
- (b) any further capital expenditure incurred had been written off on a straight line basis over so much of the remaining economic life of the plant or machinery as remains at the time when the expenditure is incurred;

“first use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity;

“market value” means the market value of the plant or machinery at the commencement of the term of the long funding operating lease;

“recognised value” means the value at which the plant or machinery is recognised in the books or other financial records of the lessor at the commencement of the long funding operating lease.

(6) From—

- (a) the relevant value determined in accordance with subsection (4) above, subtract
 - (b) the amount which, at the commencement of the term of the lease, is (or, in a case falling within subsection (4)(e) above, would have been) expected to be the residual value of the plant or machinery,
- to find the expected gross reduction in value over the term of the lease.

(7) Apportion the amount of that expected gross reduction in value to each period of account in which any part of the term of the lease falls.

(8) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each period of account.

(9) The amount of the deduction for any period of account is the amount so apportioned to that period.

502F Long funding operating lease: lessor's additional expenditure

(1) This section applies if in any period of account—

- (a) a company is the lessor of any plant or machinery under a long funding operating lease,
- (b) the company incurs capital expenditure in relation to the plant or machinery, and
- (c) that capital expenditure (the “additional expenditure”) is not reflected in the market value of the plant or machinery at the commencement of the term of the lease.

(2) In a case falling within section 502E(4)(e) above, subsection (1)(c) above has effect as if the reference to the commencement of the term of the lease were a reference to

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

the time when the plant or machinery is first brought into use by the lessor for the purposes of the qualifying activity.

- (3) Where this section applies, an additional deduction is allowed in computing the profits of the company for each post-expenditure period of account in which the company is the lessor of the plant or machinery under the lease.
- (4) The amount of the deduction for any such period of account is to be determined as follows.
- (5) Find ARV, CRV, PRV, and TRV where—
 - “ARV” is the amount which, at the time when the additional expenditure is incurred, is expected to be the residual value of the plant or machinery;
 - “CRV” is the amount which, at the commencement of the term of the lease, is expected to be the residual value of the plant or machinery;
 - “PRV” is the sum of any amounts that fell to be taken into account as RRV (see subsection (6)) in the application of this section in relation to any previous additional expenditure incurred by the company in relation to the leased plant or machinery;
 - “TRV” is the total of CRV and PRV.
- (6) Find RRV, where—
 - (a) if ARV exceeds TRV, RRV is the portion of the excess that is a result of the additional expenditure, but
 - (b) if ARV does not exceed TRV, RRV is nil.
- (7) From—
 - (a) the amount of the additional expenditure, subtract
 - (b) RRV,to find the expected partial reduction in value over the remainder of the term of the lease.
- (8) Apportion the amount of that expected partial reduction in value to each post-expenditure period of account in which any part of the term of the lease falls.
- (9) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each post-expenditure period of account.
- (10) The amount of the additional deduction for any period of account is the amount so apportioned to that period.
- (11) In this section “post-expenditure period of account” means any period of account ending after the incurring of the additional expenditure.

502G Lessor under long funding operating lease: termination of lease

- (1) This section applies for determining the liability to corporation tax of a company which is the lessor immediately before the termination of a long funding operating lease.
- (2) Step 1 is to find—
 - (a) the termination amount (TA);
 - (b) the total of any sums paid to the lessee that are calculated by reference to the termination value (LP).

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Step 2 is to find—
- (a) the relevant value for the purposes of section 502E(6)(a) (RV);
 - (b) the total of the deductions allowable under section 502E for periods of account for the whole or part of which the company was the lessor before the termination of the lease (TD1);
 - (c) the amount, if any, (ERV) by which RV exceeds TD1.
- (4) Step 3 is to find—
- (a) the total of any amounts of capital expenditure incurred by the company which constitute additional expenditure for the purposes of section 502F in the case of the lease (TAE);
 - (b) the total of any deductions allowable under section 502F for periods of account for the whole or part of which the company was the lessor before the termination of the lease (TD2);
 - (c) the amount, if any, (EAE) by which TAE exceeds TD2.
- (5) Step 4 is to find the total of ERV and EAE (T).
- (6) If (TA – LP) exceeds T, treat a profit of an amount equal to the excess as arising to the company in the period of account in which the lease terminates.
- (7) If T exceeds (TA – LP), treat a loss of an amount equal to the excess as arising to the company in that period of account.
- (8) A profit or loss treated as arising to the company under subsection (6) or (7) above is to be treated—
- (a) in the case of a profit, as income of the company attributable to the lease,
 - (b) in the case of a loss, as a revenue expense incurred by the company in connection with the lease.
- (9) In computing the profits of the company, no deduction is allowed in respect of any sums paid to the lessee that are calculated by reference to the termination value.

 - (b) nothing in section 552 or this section requires a body to deliver a certificate under subsection (1)(a) of that section to any person whose address has not been provided to the body (or to another body, at a time when the obligations under the policy or contract were obligations of that other body).
- (5) A certificate under section 552(1)(b) or (3)—

 - (b) shall be delivered by any means prescribed for the purpose by the Board;
 and different forms, or different means of delivery, may be prescribed for different cases or different purposes.

- (a) in the case of a dividend at a fixed rate, that it substantially exceeds the amount which the recipient would have received if the dividend had accrued from day to day and [F3481 the recipient] had been entitled only to so much of the dividend as accrued while [F3481 the recipient] held the securities, so however that an amount shall not be treated as abnormal by virtue only of this paragraph if during the six months beginning with the purchase of the securities the recipient does not sell or otherwise dispose of, or acquire an option to sell, any of those securities or any securities similar to those securities; or
- (b) in any case, that it substantially exceeds a normal return on the consideration provided by the recipient for the relevant securities, that is to say, the securities in respect of which the dividend was received and, if those securities are derived from securities previously acquired by the recipient, the securities which were previously acquired.
- (5) For the purposes of subsection (4)(a) above securities shall be deemed to be similar if they entitle their holders to the same rights against the same persons as to capital and interest and the same remedies for the enforcement of those rights, notwithstanding any difference in the total nominal amounts of the respective securities or in the form in which they are held or the manner in which they can be transferred, and for those purposes rights guaranteed by the Treasury shall be treated as rights against the Treasury.

- (b) in determining whether an amount received by way of dividend exceeds a normal return, regard shall be had to the length of time previous to the receipt of that amount that the recipient first acquired any of the relevant securities and to any dividends and other distributions made in respect of them during that time.

747 Imputation of chargeable profits and creditable tax of controlled foreign companies

^{M335}(1) If ^{F3570} . . . in any accounting period a company—

- (a) is resident outside the United Kingdom, and
- (b) is controlled by persons resident in the United Kingdom, and
- (c) is subject to a lower level of taxation in the territory in which it is resident,

^{F3571} . . . the provisions of this Chapter shall apply in relation to that accounting period.

[^{F3572}(1A) A company which would not, apart from this subsection, fall to be regarded as controlled by persons resident in the United Kingdom shall be taken for the purposes of this Chapter to be so controlled if—

- (a) there are two persons who, taken together, control the company;
- (b) one of those persons is resident in the United Kingdom and is a person in whose case the 40 per cent test in section 755D(3) is satisfied; and
- (c) the other is a person in whose case the 40 per cent test in section 755D(4) is satisfied.]

[^{F3573}(1B) In determining, for the purposes of any provision of this Chapter except subsection (1) (a) above, whether a company is a person resident in the United Kingdom, [^{F3574}section 18 of CTA 2009] (under which a company is treated as non-resident if it is so treated for double taxation relief purposes) shall be disregarded.]

(2) A company which falls within paragraphs (a) to (c) of subsection (1) above is in this Chapter referred to as a “controlled foreign company”.

(3) [^{F3575}Subject to section 748, where] the provisions of this Chapter apply in relation to an accounting period of a controlled foreign company, the chargeable profits of that company for that period and its creditable tax (if any) for that period shall each be apportioned in accordance with section 752 among the persons (whether resident in the United Kingdom or not) who had an interest in that company at any time during that accounting period.

[^{F3576}(3A) In the case of an apportionment to a company resident in the United Kingdom which has made an application under section 751A [^{F3577}or 751AA] which has been granted, subsection (3) above has effect subject to that section.]

(4) Where, on such an apportionment of a controlled foreign company’s chargeable profits for an accounting period as is referred to in subsection (3) above, an amount of those profits is apportioned to a company resident in the United Kingdom then, subject to subsection (5) below—

- (a) a sum equal to corporation tax at the appropriate rate on that apportioned amount of profits, less the portion of the controlled foreign company’s creditable tax for that period (if any) which is apportioned to the resident company, shall be [^{F3578}chargeable on] the resident company as if it were an amount of corporation tax chargeable on that company; ^{F3579} . . .

and for the purposes of paragraph (a) above “the appropriate rate” means the rate of corporation tax applicable to profits of that accounting period of the resident company in which ends the accounting period of the controlled foreign company [^{F3580}which is mentioned in subsection (1) above] or, if there is more than one such rate, the average rate over the whole of that accounting period of the resident company.

[^{F3581}(4A) ^{F3582}

(4B) ^{F3582}]

(5) Tax shall not, by virtue of subsection (4) above, be [^{F3583}chargeable on] a company resident in the United Kingdom unless, on the apportionment in question, the aggregate of—

(a) the amount of the controlled foreign company’s chargeable profits for the accounting period in question which is apportioned to the resident company, and

(b) any amounts of those chargeable profits which are apportioned to persons who are connected or associated with the resident company,

is at least [^{F3584}25 per cent.] of the total of those chargeable profits.

[^{F3585}(5A) Where the resident company has made an application under section 751A [^{F3577}or 751AA] which has been granted, it shall be assumed for the purposes of subsection (5) above that—

(a) each of the persons who are connected or associated with the resident company has made an application under that section to the same effect, and

(b) all the applications have been granted.]

(6) In relation to a company resident outside the United Kingdom—

(a) any reference in this Chapter to its chargeable profits for an accounting period is a reference to the amount which, on the assumptions in Schedule 24, would be the amount of the total profits of the company for that period on which, after allowing for any deductions available against those profits, corporation tax would be chargeable;

[^{F3586}(aa) any reference in this Chapter to its chargeable profits for an accounting period includes (subject to subsections (7) to (9)) income which accrues during that accounting period to the trustees of a settlement in relation to which the company is a settlor or a beneficiary;] and

(b) any reference in this Chapter to profits does not include a reference to chargeable gains but otherwise (except as provided by paragraph (a) above) has the same meaning as it has for the purposes of corporation tax.

[^{F3587}(7) Where there is more than one settlor or beneficiary in relation to the settlement mentioned in subsection (6)(aa), the income is to be apportioned between the company and the other settlors or beneficiaries on a just and reasonable basis.

(8) Where income within subsection (6)(aa) is included in the chargeable profits of a company, any dividend or other distribution received by the company which derives from that income is not included in the chargeable profits of the company to the extent that it is so derived.

 - (b) any corporation tax relating to an accounting period ending on or after the change has been assessed on the transferred company or an associated company,
 - (c) that tax remains unpaid at any time more than six months after it was assessed, and
 - (d) the condition set out in subsection (2) below is fulfilled,
 any person mentioned in subsection (4) below may be assessed by the Board and charged to an amount of corporation tax not exceeding the amount remaining unpaid.
- (2) The condition is that it would be reasonable (apart from this section) to infer, from either or both of—
 - (a) the terms of any transactions entered into in connection with the change, and
 - (b) the other circumstances of the change and of any such transactions,
 that at least one of those transactions was entered into by one or more of its parties on the assumption, as regards a potential tax liability, that that liability would be unlikely to be met, or met in full, if it were to arise.
- (3) In subsection (2) above the reference to a potential tax liability is a reference to a liability to pay corporation tax which—
 - (a) in circumstances which were reasonably foreseeable at the time of the change in ownership, or
 - (b) in circumstances the occurrence of which is something of which there was at that time a reasonably foreseeable risk,
 would or might arise from an assessment made, after the change in ownership, on the transferred company or an associated company (whether or not a particular associated company).
- (4) The persons mentioned in subsection (1) above are—
 - (a) any person who at any time during the relevant period had control of the transferred company;
 - (b) any company of which the person mentioned in paragraph (a) above has at any time had control within the period of three years before the change in the ownership of the transferred company.

- (6) For the purposes of this section a transaction is entered into in connection with a change in the ownership of a company if—
 - (a) it is the transaction, or one of the transactions, by which that change is effected; or
 - (b) it is entered into as part of a series of transactions, or scheme, of which transactions effecting the change in ownership have formed or will form a part.

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (7) For the purposes of this section—
- (a) references to a scheme are references to any scheme, arrangements or understanding of any kind whatever, whether or not legally enforceable, involving a single transaction or two or more transactions;
 - (b) it shall be immaterial in determining whether any transactions have formed or will form part of a series of transactions or scheme that the parties to any of the transactions are different from the parties to another of the transactions; and
 - (c) the cases in which any two or more transactions are to be taken as forming part of a series of transactions or scheme shall include any case in which it would be reasonable to assume that one or more of them—
 - (i) would not have been entered into independently of the other or others; or
 - (ii) if entered into independently of the other or others, would not have taken the same form or been on the same terms.
- (8) In this section references, in relation to the transferred company and an assessment to tax, to an associated company are references to any company (whenever formed) which, at the time of the assessment or at an earlier time after the change in ownership—

 - (b) is a company of which the transferred company has control; or
 - (c) is a company under the control of the same person or persons as the transferred company.

- (b) at any time after the scale of the activities in a trade carried on by a company has become small or negligible, and before any considerable revival of the trade, there is a change in the ownership of the company,

no relief shall be given under section 393 by setting a loss incurred by the company in an accounting period beginning before the change of ownership against any income or other profits of an accounting period ending after the change of ownership.

- (2) In applying this section to the accounting period in which the change of ownership occurs, the part ending with the change of ownership, and the part after, shall be treated as two separate accounting periods, and the profits or losses of the accounting period shall be apportioned to the two parts.

- (6) Where relief in respect of a company's losses has been restricted under this section then, notwithstanding [^{F3781}section 577(3) of the Capital Allowances Act], in applying the provisions of that Act about balancing charges to the company by reference to any event after the change of ownership of the company, any allowance or deduction falling to be made in taxing the company's trade for any chargeable period before the change of ownership shall be disregarded unless the profits or gains of that chargeable period or of any subsequent chargeable period before the change of ownership were sufficient to give effect to the allowance or deduction.
- (7) In applying subsection (6) above it shall be assumed that any profits or gains are applied in giving effect to any such allowance or deduction in preference to being set off against any loss which is not attributable to such an allowance or deduction.
- (8) Where the operation of this section depends on circumstances or events at a time after the change of ownership (but not more than three years after), an assessment to give effect to the provisions of this section shall not be out of time if made within six years from that time, or the latest of those times.

- paragraph (a), (b) or (c) of section 768B(1) applies, or
 - section 768C applies,
- the following provisions have effect to prevent relief being given under [^{F3838}section 753 of CTA 2009 (treatment of non-trading losses)] by setting a non-trading loss on intangible fixed assets incurred by the company before the change of ownership against profits arising after the change.
- (2) The accounting period in which the change of ownership occurs is treated for that purpose as two separate accounting periods, the first ending with the change and the second consisting of the remainder of the period.

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (3) The profits or losses of the period in which the change occurs are apportioned to those two periods—
- where paragraph (a), (b) or (c) of section 768B(1) applies, in accordance with Parts 2 and 3 of Schedule 28A, or
 - where section 768C applies, in accordance with Parts 5 and 6 of that Schedule, unless in any case the specified method of apportionment would work unjustly or unreasonably in which case such other method shall be used as appears just and reasonable.
- (4) Relief under [^{F3838}section 753 of CTA 2009 (treatment of non-trading losses)] against total profits of the same accounting period is available only in relation to each of those periods considered separately.
- (5) A loss made in any accounting period beginning before the change of ownership may not be set off under [^{F3839}section 753(3) of CTA 2009 (carry forward of non-trading losses)] against—
- in a case where paragraph (a), (b) or (c) of section 768B(1) applies, profits of an accounting period ending after the change of ownership;
 - in a case where section 768C applies, so much of those profits as represents the relevant gain within the meaning of that section.
- (6) Subsections (8) and (9) of section 768 (time limits for assessment; information powers) apply for the purposes of this section as they apply for the purposes of that section.
- (7) In this section [^{F3840}“company with investment business”] has the [^{F3841}meaning given by section 1218 of CTA 2009].]

^{M358}(1) If land or any estate or interest in land is transferred from one person to another and—

- (a) as a result of a lease of the land or any part of the land granted at that time or subsequently by the transferee to the transferor, or
- (b) as a result of any other transaction or series of transactions affecting the land or any estate or interest in the land,

the transferor, or any person who is associated with the transferor, becomes liable at the time of the transfer or subsequently to pay any rent under a lease of the land or any part of the land, this section shall apply to all rent due under the lease from the transferor, or from any person who is associated with the transferor.

(2) If—

- (a) land or any estate or interest in land is transferred from one person to another, and
- (b) as a result of any transaction or series of transactions affecting the land or any estate or interest in the land, the transferor, or any person who is associated with the transferor, becomes liable at the time of the transfer or subsequently to make any payment (other than rent under a lease) for which any relevant tax relief is available, being a payment by way of rentcharge on the land or any part of the land or a payment in any other way connected with the land,

then this section shall apply to all such payments under the rentcharge or other transaction due from the transferor, or from any person who is associated with the transferor.

(3) The references in subsections (1) and (2) above to the transfer of an estate or interest in land include references to—

- (a) the granting of a lease or any other transaction involving the creation of a new estate or interest in the land;
- (b) the transfer of the lessee's interest under a lease by surrender or forfeiture of the lease; and
- (c) any transaction or series of transactions affecting land or an estate or interest in land, such that some person is the owner, or one of the owners, before and after the carrying out of the transaction or transactions, but another person becomes or ceases to become one of the owners;

and in relation to any such transaction or series of transactions any person who is an owner before the carrying out of the transaction or transactions, and is not the sole owner thereafter, shall be regarded for the purposes of this section as a transferor.

(4) A deduction by way of any relevant tax relief, being a deduction in respect of rent or of any other payment to which this section applies, shall not exceed the commercial rent for the period for which the rent or other payment is made of the land in respect of which that payment is made.

 - (b) one or more subsequent payments are made by the transferor, or a person who is associated with the transferor, under the lease or other transaction,
- that part of the first-mentioned payment may be carried forward and treated for the purposes of any such deduction by way of tax relief as if it were made at the time when the next of those subsequent payments was made, and so made for the period for which that subsequent payment was made.
- (6) For the purposes of subsection (4) above—
- (a) if more than one payment is made for the same period the payments shall be taken together;

 - (d) so much of any payment as is in respect of services or the use of assets or rates usually borne by the tenant shall be excluded, and in determining the amount to be so excluded provisions in any lease or agreement fixing the payments or parts of payments which are in respect of services or the use of assets may be overridden.
- (7) A payment made for a period all of which falls more than one year after the payment is made shall be treated for the purposes of this section as made for that period of one year beginning with the date on which the payment was made, and a payment for a period part of which falls after the end of that year shall be treated for those purposes as if a corresponding part of the payment was made for that year (and no part for any later period).
- (8) For the purposes of making a comparison under subsection (4) above between a payment consisting of rent under a lease (“the actual lease”), or such payments taken together, and the commercial rent of the land, “commercial rent” shall mean the rent which might be expected to be paid under a lease of the land negotiated in the open market at the time when the actual lease was created, being a lease which is of the same duration as the actual lease, which is, as respects liability for maintenance and repairs, subject to the terms and conditions of the actual lease and which provides for rent payable at uniform intervals and—
- (a) at a uniform rate, or
 - (b) if the rent payable under the actual lease is rent at a progressive rate (and such that the amount of rent payable for any year is never less than the amount payable for any previous year), a rent which progresses by gradations proportionate to those provided by the actual lease.

780 Sale and leaseback: taxation of consideration received.

^{M359}(1) If, in any case where a person (“the lessee”) who is a lessee of land under a lease having not more than 50 years to run (“the original lease”) is entitled in respect of the rent under the lease to a deduction by way of tax relief which is a relevant tax relief for the purposes of section 779—

- (a) the lessee assigns the original lease to another person, or surrenders it to his landlord, for a consideration which apart from this section would not be taxable otherwise than as capital in the hands of the lessee, and
- (b) there is granted or assigned to the lessee another lease (“the new lease”) of or including the whole or any part of the land which was the subject of the original lease for a term not exceeding 15 years;

then, subject to the following provisions of this section, the provisions of this Act providing for deductions or allowances by way of tax relief in respect of payments of rent shall apply in relation to the rent under the new lease, and for the purposes of the Tax Acts a proportion of the consideration received by the lessee shall be treated not as a capital receipt but in accordance with subsection (3) below.

(2) For the purposes of this section—

- (a) if the aggregate of the rent payable under the new lease in respect of any rental period ending on a date falling before the 15th anniversary of the date on which the term of the new lease begins is greater than the aggregate of the rent payable under the new lease in respect of the period of equal duration beginning on the day following that date, then unless the term of the new lease would be treated as ending on an earlier date by virtue of paragraph (b) below, that term shall be treated as ending on that date;
- (b) if under the terms of the new lease—
 - (i) the lessor of the lessee has power to determine the new lease at a time before the expiry of the term for which it was granted, or
 - (ii) the lessee has power to vary his obligations under the new lease so as to reduce the rent which he would otherwise have to pay or in any other manner beneficial to him,

then, unless the term of the new lease would be treated as ending on an earlier date by virtue of paragraph (a) above, that term shall be treated as ending on the earliest date with effect from which, in exercise of that power, the lessor or the lessee could determine the new lease or, as the case may be, the lessee could so vary his obligations;

and in any case where a rentcharge payable by the lessee is secured on the whole or any part of the property which is the subject of the new lease, the rent payable under the new lease shall be treated for the purposes of paragraphs (a) and (b) above as equal to the aggregate of the rentcharge and the rent payable under the terms of that lease.

- (3) Subject to the following provisions of this section, the proportion of the consideration received by the lessee as mentioned in subsection (1) above, or of any instalment of that consideration, which for the purposes of the Tax Acts is to be treated not as a capital receipt but in accordance with this subsection shall be determined by the formula—

$$\frac{16 - N}{15}$$

where N is the term of the new lease expressed in years or, if that term is less than a year, where N is 1; and that proportion shall be treated for the purposes of the Tax Acts—

- (a) as a receipt of a trade, profession or vocation, if the rent payable by the lessee under the new lease is allowable as a deduction in computing [^{F3955}profits] or losses of a trade, profession or vocation for the purposes of tax and if the consideration is received by the lessee in the course of that trade, profession or vocation; and
- (b) in any other case, as [^{F3956}an amount chargeable to tax in accordance with subsection (3A)].

[^{F3957}(3A) The amount shall be charged—

- (a) to income tax, or
- (b) to corporation tax [^{F3958}under the charge to corporation tax on income].

(3B) The income tax charged by virtue of subsection (3A)(a) above shall be charged on the full amount of the proportion of the consideration concerned arising in the year of assessment; and the person liable for any tax so charged is the lessee.]

[^{F3959}(3C) An amount charged to income tax by virtue of subsection (3A)(a) above is treated for income tax purposes as an amount of income.]

- (4) In any case where the property which is the subject of the new lease does not include the whole of the property which was the subject of the original lease, the consideration received by the lessee shall be treated for the purposes of subsection (3) above as reduced to that portion of the consideration which is reasonably attributable to such part of the property which was the subject of the original lease as consists of, or is included in, the property which is the subject of the new lease.
- (5) *Schedule 2 shall have effect for the purposes of giving relief, on a claim being made in that behalf, from any increase in an individual's liability to income tax which is attributable to any amount being treated, by virtue of subsection (3) above, as an income receipt for a single year of assessment rather than as a series of such receipts during the term of the new lease; and in the application of that Schedule by virtue of this subsection for the definitions of "chargeable sum" and "relevant period" there shall be substituted the following definitions—*

" "chargeable sum" means the amount in respect of which, by virtue of subsection (3) above, the claimant is chargeable to income tax for the year of assessment;"

" "relevant period", in relation to any chargeable sum, means the term of the new lease."

- (6) Where by agreement with his landlord, the lessee varies the terms of the original lease in such a manner that, in return for such a consideration as is specified in subsection (1) (a) above, the lessee undertakes to pay, during a period ending not later than 15 years after the date on which the consideration, or if the consideration is paid in instalments, the last such instalment, is paid to the lessee, a rent greater than that payable under the original lease, he shall be treated for the purposes of this section—
- (a) as having surrendered the original lease for that consideration, and
 - (b) as having been granted a new lease for a term not exceeding 15 years but otherwise on the terms of the original lease as so varied.
- (7) References in this section to the lessee (other than in subsection (1)(a) above) include references to a person who is a partner or associate of the lessee or an associate of a partner of the lessee; and for the purposes of this section the expression “associate” shall be construed in accordance with 783(10).
- (8) Subject to subsection (7) above, expressions used in this section have the meanings assigned to them by section 24, and in subsection (2)(a) above “rental period” means a period in respect of which a payment of rent falls to be made, and for the purposes of that subsection, in a case where the rental period is a quarter or a month, each such period shall be treated as of equal duration.
- (9) The preceding provisions of this section shall not apply if the lessee had, before 22nd June 1971, a right enforceable at law or in equity to the grant of the new lease, but in any case where, apart from this subsection, those provisions would apply, no part of the rent paid under the new lease shall be treated as a payment of capital, and the provisions of this Act providing for deductions or allowances by way of tax relief in respect of payments of rent shall apply accordingly.

[^{F3978}(1A) This section does not apply to a payment if or to the extent that, in the case of the lessee, it falls to be regarded in accordance with Chapter 6A of Part 2 of the Capital Allowances Act as a payment under a lease which is a long funding finance lease for the purposes of that Part.]

(2) Subject to the following provisions of this section, the deduction allowable in computing the [^{F3977}profits] or losses of the trade for the purposes of tax as respects any such payment shall not exceed the commercial rent of the asset for the period for which the payment was made.

(3) If under subsection (2) above part of a payment which would otherwise be allowable as a deduction is not so allowable, and one or more subsequent payments are made by the same person under the same lease, that part of the first-mentioned payment may be carried forward and treated for the purposes of computing the [^{F3977}profits] or losses of the trade for the purposes of tax as if it were made at the time when the next of those subsequent payments was made, and so made for the period for which that subsequent payment was made.

(4) For the purposes of subsection (2) above—

- (a) if more than one payment is made for the same period the payments shall be taken together;
- (b) if the payments are made for periods which overlap, the payments shall be apportioned, and the apportioned payments which belong to the common part of the overlapping periods shall be taken together;
- (c) the preceding references to payments include references to parts of payments which under subsection (3) above are treated as if made at a time subsequent to that at which they were made;

and to the extent that a part of a payment carried forward under subsection (3) above is not allowable as a deduction it may again be carried forward under that subsection.

(5) A payment made for a period all of which falls more than one year after the payment is made shall be treated for the purposes of this section as made for that period of one year beginning with the date on which the payment is made, and a payment for a period part of which falls after the end of that year shall be treated for those purposes as if a corresponding part of the payment was made for that year (and no part for any later period).

(6) For the purpose of making a comparison under subsection (2) above between a payment, or payments taken together, and the commercial rent of the asset, “commercial rent” shall mean the rent which might at the relevant time be expected to be paid under a lease of the asset for the remainder of the anticipated normal working life of the asset, being a rent payable at uniform intervals and at a uniform rate which would afford a reasonable return for its market value at the relevant time, having regard to the terms and conditions of the lease; and in this subsection—

“anticipated normal working life” means, in the case of any asset, the period which might be expected, when the asset is first put into use, to be going to elapse before it is finally put out of use as being unfit for further use, it being assumed that the asset is going to be used in the normal manner and to the normal extent, and is going to be so used throughout that period; and

“the relevant time” means the time when the lease was created under which the payment was made with which the commercial rent is to be compared.

- (7) If the asset is used at the same time partly for the purposes of the trade and partly for other purposes the commercial rent as defined in subsection (6) above shall be determined by reference to what would be paid for such a partial use of the asset.
- (8) This section shall not apply in relation to payments made under a lease created on or before 14th April 1964.

^{F3996}Section 785B: interpretation

- (1) The expressions used in section 785B and this section are to be interpreted as follows.
- (2) “Capital payment” means any payment except one which, if made to the lessor—
 - (a) would fall to be included in a calculation of the lessor's income for corporation tax purposes, or
 - (b) would fall to be included in such a calculation but for section 502B (rental earnings under long funding finance lease).
- (3) “Lease” includes—
 - (a) a licence, and
 - (b) the letting of a ship or aircraft on charter or the letting of any other asset on hire,
 and “lessor” and “lessee” are to be read accordingly.
- (4) “Lease of plant or machinery” includes a lease of plant or machinery and other property but does not include—
 - (a) a lease where the income attributable to the lease received by the lessor (if any) would be chargeable to tax [^{F3997}under Chapter 3 of Part 4 of CTA 2009 as profits of a UK property business], or
 - (b) a lease of plant or machinery where the lessor has incurred what would (but for section 34A of the Capital Allowances Act) be qualifying expenditure (within the meaning of Part 2 of that Act) on the plant or machinery.
- (5) “Relevant arrangement” means any agreement or arrangement relating to a lease of plant or machinery, including one made before the lease is entered into or after it has ended (and, accordingly, “lessor” and lessee” include prospective and former lessors and lessees).
- (6) A capital payment, in relation to a lease or relevant arrangement, is “relevant” if condition A or B is met (but this is subject to [^{F3998}subsections (9) and (9A)]).
- (7) Condition A is that the capital payment is payable (or paid), directly or indirectly, by (or on behalf of) the lessee to (or on behalf of) the lessor in connection with—
 - (a) the grant, assignment, novation or termination of the lease, or
 - (b) any provision of the lease or relevant arrangement (including the variation or waiver of any such provision).
- (8) Condition B is that rentals payable under the lease are less than (or payable later than) they might reasonably be expected to be if there were no obligation to make the capital payment (and the capital payment were not made).
- (9) A capital payment is not “relevant” if or to the extent that—
 - (a) the capital payment reduces (or would but for section 536 of the Capital Allowances Act reduce) the amount of expenditure incurred by the lessor for the purposes of the Capital Allowances Act in respect of the plant or machinery in question, [^{F3999}or]
 - (b) the capital payment is compensation for loss resulting from damage to, or damage caused by, the plant or machinery in question, ^{F4000} . . .
 - (c) ^{F4000}

- (9B) “Commencement”, “disposal value”, “initial payment”, “long funding lease” and “the term” have the same meaning as in Part 2 of the Capital Allowances Act.]
- (10) References to payment include the provision of value by any means other than the making of a payment, and accordingly—

 - (b) no reasonable endeavours on the part of that company could have restored or, as the case may be, increased the voting power to not less than 10 per cent.
- (8) In subsection (7) above references to the company receiving the dividend include references—

- (10) In any case in which relief in respect of a dividend is due by virtue of subsection (6)(b) above, there shall be taken into account, as if it were tax payable under the law of the territory in which the company paying the dividend is resident, any tax that would be so taken into account under section 801 if the company paying the dividend and the company receiving it were related to each other within the meaning of section 801(5).

- (a) to a company resident in the United Kingdom,
- (b) by a company resident in the territory outside the United Kingdom,

credit by virtue of section 801 does not fall to be given by virtue of this section in respect of tax which would have been payable under the law of that or any other territory outside the United Kingdom but for a relief (notwithstanding any arrangements made [^{F4031}in relation to]) that or any other territory outside the United Kingdom which have effect by virtue of section 788 and provide for a relief to which subsection (5) of that section applies.)]

any such assessments may be made as are necessary to ensure that the total amount of the income or chargeable gain is assessed, and the proper credit, if any, is given in respect thereof, and, where the income is, or the chargeable gain is, entrusted to any person in the United Kingdom for payment, any such assessment may be made on the recipient of the income or gain ^{F4037}

(12) In this section and in Chapter II of this Part in its application to unilateral relief, references to tax payable or paid under the law of a territory outside the United Kingdom include only references—

but for this purpose tax under the law of any such territory shall not be treated as not corresponding to income tax or corporation tax by reason only that it is payable under the law of a province, state or other part of a country, or is levied by or on behalf of a municipality or other local body.

 - (a) the end of the period of 90 days beginning with the day on which the notice under section 804ZA is given, or
 - (b) the earlier amendment of the return for the purpose of complying with the notice.

 - (b) a computation in accordance with the provisions applicable [^{F4211}for the purposes of section 35 of CTA 2009 (charge on trade profits)] falls to be made in relation to that category of business for that period, and
 - (c) there arises to the company in that period any income or gain in respect of which credit for foreign tax falls to be allowed under any arrangements,
- subsection (2) below shall have effect.
- (2) In any such case, the amount of the credit for foreign tax which, under the arrangements, is to be allowed against corporation tax in respect of so much of that income or gain as is referable to the category of business concerned (“the relevant income”) shall be limited by treating the amount of the relevant income as reduced in accordance with subsections (3) and (4) below.
- (3) The first limitation is to treat the amount of the relevant income as reduced (but not below nil) for the purposes of this Chapter by the amount of expenses (if any) attributable to the relevant income.
- (4) If—
- (a) the amount of the relevant income after any reduction under subsection (3) above,

 - (b) the relevant fraction of the profits of the category of business concerned for the period of account in question which are chargeable to corporation tax,
- the second limitation is to treat the [^{F4212}relevant income] as further reduced (but not below nil) for the purposes of this Chapter to an amount equal to that fraction of those profits.
- In this subsection any reference to the profits of a category of business is a reference to those profits after the set off of any losses of that category of business which have arisen in any previous accounting period.
- (5) In determining the amount of the credit for foreign tax which is to be allowed as mentioned in subsection (2) above, the [^{F4212}relevant income] shall not be reduced except in accordance with that subsection.

 - (a) the appropriate applicant has applied to the Commissioners for Her Majesty's Revenue and Customs, and
 - (b) the Commissioners have notified the appropriate applicant that they are satisfied subsection (3) will not have that effect.
- (5) In subsection (4) “the appropriate applicant” means—

- 23 No person shall be treated for the purposes of paragraph 19 or 21(1)(e) above as ceasing to hold an office or employment by virtue of which he is eligible to participate in the scheme until he ceases to hold an office or employment in the grantor or in any associated company or company of which the grantor has control.

.....

- 24 (1) The scheme must provide for a person's contributions under the certified contractual savings scheme to be of such amount as to secure as nearly as may be repayment of an amount equal to that for which shares may be acquired in pursuance of rights obtained under the scheme; and for this purpose the amount of repayment under the certified contractual savings scheme shall be determined as mentioned in paragraph 17 above.
- (2) The scheme must not—

Capital receipts

- 4 (1) ^{M532}Money or money's worth is not a capital receipt for the purposes of section 186(3) if or, as the case may be, to the extent that—

Company reconstructions

- 5 (1) ^{M533}This paragraph applies where there occurs in relation to any of a participant's shares ("the original holding") a transaction which results in a new holding being equated with the original holding for the purposes of capital gains tax; and any such transaction is referred to below as a "company reconstruction".
- (2) Where an issue of shares of any of the following descriptions (in respect of which a charge to income tax arises) is made as part of a company reconstruction, those shares shall be treated for the purposes of this paragraph as not forming part of the new holding, that is to say—
- (a) redeemable shares or securities issued as mentioned in section 209(2)(c);
 - (b) share capital issued in circumstances such that section 210(1) applies; and
 - (c) share capital to which section 249 applies.
- (3) In this paragraph—
- "corresponding shares", in relation to any new shares, means those shares in respect of which the new shares are issued or which the new shares otherwise represent;
 - "new shares" means shares comprised in the new holding which were issued in respect of, or otherwise represent, shares comprised in the original holding; and
 - "original holding" has the meaning given by sub-paragraph (1) above.
- (4) Subject to the following provisions of this paragraph, in relation to a profit sharing scheme, references in the relevant provisions to a participant's shares shall be construed, after the time of the company reconstruction, as being or, as the case may be, as including references to any new shares, and for the purposes of the relevant provisions—
- (a) a company reconstruction shall be treated as not involving a disposal of shares comprised in the original holding;
 - (b) the date on which any new shares are to be treated as having been appropriated to the participant shall be that on which the corresponding shares were appropriated; and
 - (c) the conditions in paragraphs 10 to 12 and 14 of Schedule 9 shall be treated as fulfilled with respect to any new shares if they were (or were treated as) fulfilled with respect to the corresponding shares.
- (5) In relation to shares comprised in the new holding, section 186(5) shall apply as if the references in that subsection to the initial market value of the shares were references to their locked-in value immediately after the company reconstruction, which shall be determined as follows—
- (a) ascertain the aggregate amount of locked-in value immediately before the reconstruction of those shares comprised in the original holding which had at that time the same locked-in value; and

- (b) distribute that amount *pro rata* among—
- (i) such of those shares as remain in the new holding, and
 - (ii) any new shares in relation to which those shares are the corresponding shares, according to their market value immediately after the date of their reconstruction;
- and section 186(5)(a) shall apply only to capital receipts after the date of the reconstruction.
- (6) For the purposes of the relevant provisions if, as part of a company reconstruction, trustees become entitled to a capital receipt, their entitlement to the capital receipt shall be taken to arise before the new holding comes into being and, for the purposes of sub-paragraph (5) above, before the date on which the locked-in value of any shares comprised in the original holding falls to be ascertained.
- (7) In the context of a new holding, any reference in this paragraph to shares includes securities and rights of any description which form part of the new holding for the purposes of Chapter II of Part IV of the ^{F4962}1992] Act.

Excess or unauthorised shares

- 6 (1) ^{M534}This paragraph applies in any case where—
- (a) the total amount of the initial market value of all the shares which are appropriated to an individual in any one year of assessment (whether under a single approved profit sharing scheme or under two or more such schemes) exceeds the relevant amount; or
 - (b) the trustees of an approved profit sharing scheme appropriate shares to an individual at a time when he is ineligible to participate in the scheme by virtue of paragraph 8 or 35 of Schedule 9.
- (2) In this paragraph—
- “excess shares” means any share which caused the relevant amount to be exceeded and any share appropriated after that amount was exceeded; and
 - “unauthorised shares” means any share appropriated as mentioned in sub-paragraph (1)(b) above.
- (3) For the purposes of sub-paragraph (1)(a) above, if a number of shares is appropriated to an individual at the same time under two or more approved profit sharing schemes, the same proportion of the shares appropriated at that time under each scheme shall be regarded as being appropriated before the relevant amount is exceeded.
- (4) For the purposes of any of the relevant provisions [^{F4964}under which an amount counts as employment income of an individual] by reason of the occurrence of an event relating to any of his shares—
- (a) the appropriate percentage in relation to excess or unauthorised shares shall in every case be 100 per cent.; and
 - (b) without prejudice to section 187(8), the event shall be treated as relating to shares which are not excess or unauthorised shares before shares which are.
- (5) Excess or unauthorised shares which have not been disposed of before the release date or, if it is earlier, the date of the death of the participant whose shares they are, shall be treated for the purposes of the relevant provisions as having been disposed of by the trustees immediately before the release date or, as the case may require, the date of the participant’s death, for a consideration equal to their market value at that time.
- (6) The locked-in value at any time of any excess or unauthorised shares shall be their market value at that time.
- (7) Where there has been a company reconstruction to which paragraph 5 above applies, a new share (within the meaning of that paragraph) shall be treated as an excess or unauthorised share if the corresponding share (within the meaning of that paragraph) or, if there was more than one corresponding share, each of them was an excess or unauthorised share.

P.A.Y.E. deduction of tax

- 7 (1) ^{M535} Subject to sub-paragraphs (4) and (5) below, where the trustees of an approved profit sharing scheme receive a sum of money which constitutes (or forms part of)—
- (a) the proceeds of a disposal of shares falling within section 186(4), or
 - (b) a capital receipt,
- in respect of which [^{F4965}an amount counts as employment income of the participant] in accordance with section 186, the trustees shall pay out of that sum of money to the company specified in sub-paragraph (3) below an amount equal to that on which income tax is so payable; and the company shall then pay over that amount to the participant but in so doing shall make a P.A.Y.E. deduction.
- (2) Where a participant disposes of his beneficial interest in any of his shares to the trustees of the scheme and the trustees are deemed by virtue of section 186(9) to have disposed of the shares in question, this paragraph shall apply as if the consideration payable by the trustees to the participant on the disposal had been received by the trustees as the proceeds of disposal of shares falling within section 186(4).
- (3) The company to which the payment mentioned in sub-paragraph (1) above is to be made is the company—
- (a) of which the participant is an employee or director at the time the trustees receive the sum of money referred to in that sub-paragraph, and
 - (b) whose employees are at that time eligible (subject to the terms of the scheme and Schedule 9) to be participants in the approved profit sharing scheme concerned,
- and if there is more than one company which falls within paragraphs (a) and (b) above, such one of those companies as the Board may direct.
- (4) Where the trustees of an approved profit sharing scheme receive a sum of money to which sub-paragraph (1) above applies but—
- (a) there is no company which falls within paragraphs (a) and (b) of sub-paragraph (3) above, or
 - (b) the Board is of opinion that it is impracticable for the company which falls within those paragraphs (or, as the case may be, any of them) to make a P.A.Y.E. deduction and accordingly direct that this sub-paragraph shall apply,
- then, in paying over to the participant the proceeds of the disposal or the capital receipt, the trustees shall make a P.A.Y.E. deduction in respect of an amount equal to that on which income tax is payable as mentioned in sub-paragraph (1) above as if the participant were a former employee of the trustees.
- (5) Where the trustees of an approved profit sharing scheme receive a sum of money to which sub-paragraph (1) above applies and the Board direct that this sub-paragraph shall apply—
- (a) the trustees shall make the payment mentioned in that sub-paragraph to the company specified in the Board's direction; and
 - (b) that company shall pay over that amount to the participant but in so doing shall make a P.A.Y.E. deduction, and for that purpose if the participant is not an employee of that company he shall be treated as a former employee;
- but no such direction shall be given except with the consent of the trustees, the company or companies (if any) specified in sub-paragraph (3) above and the company specified in the direction.

- (6) Where, in accordance with this paragraph any person is required to make a P.A.Y.E. deduction in respect of any amount, that amount shall be treated for the purposes of [^{F4966}section 684 of ITEPA 2003 (PAYE regulations) and PAYE regulations as PAYE income payable to the recipient], and, accordingly, such deduction shall be made as is required by those regulations.
- (7) Where, in connection with a transfer of a participant's shares to which sub-paragraph (c) of paragraph 2(2) of Schedule 9 applies, the trustees receive such a sum as is referred to in that sub-paragraph, that sum shall be treated for the purposes of the Income Tax Acts—
- (a) as a sum deducted by the trustees pursuant to a requirement to make a P.A.Y.E. deduction under sub-paragraph (4) above; and
 - (b) as referable to the income tax ^{F4967} . . . which, as a result of the transfer, [^{F4968}is charged on the participant] by virtue of section 186(4).
- (8) Unless the Board otherwise direct, in the application of this paragraph to a sum of money which constitutes or forms part of the proceeds of a disposal of, or a capital receipt referable to, excess or unauthorised shares (within the meaning of paragraph 6 above), the trustees shall determine the amount of the payment mentioned in sub-paragraph (1) above or, as the case may be, the amount of the P.A.Y.E. deduction to be made under sub-paragraph (4) above as if the shares were not excess or unauthorised shares.

- (16) Paragraph A1 above is to be ignored in determining for the purposes of sub-paragraph (14) or (15) if a policy is a qualifying policy. This is subject to paragraph A1(8).

The premium limit for qualifying policies

- A3 (1) For the purposes of paragraphs A1(1)(c) and A2(1)(c) above an individual is in breach of the premium limit for qualifying policies if the total amount of the premiums payable under relevant policies in any relevant period—

 - (i) is discharged in accordance with paragraph 15(2) below, or
 - (ii) in the case of a policy in relation to which paragraph 3 below applies, is discharged under a provision of the policy falling within paragraph 3(4)(c),

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

- (7) For the purpose of applying this paragraph in the case of the individual in consequence of any of the events, sub-paragraph (4)(a) has effect as if the reference to the policy to which the relevant event relates were a reference to all the policies to which the events, taken together, relate.
- (8) But sub-paragraph (7) does not apply, and sub-paragraph (9) applies instead, if—
 - (a) all the policies in question are policies issued by the same issuer, and
 - (b) each of them has an unique identifier in a series of unique identifiers which the issuer gives to policies issued by it.
- (9) For the purpose of applying this paragraph in the case of the individual in consequence of any of the events, an event relating to a policy (“policy A”) is treated as occurring before an event relating to another policy (“policy B”) if, in the issuer's series of unique identifiers, policy A's unique identifier comes before policy B's unique identifier.

 - (b) premiums must be payable under the policy at yearly or shorter intervals, and—
 - (i) until the happening of the event in question; or
 - (ii) until the happening of that event, or the earlier expiry of a specified period shorter than the term but also ending not earlier than ten years after the making of the insurance; or
 - (iii) if the policy is to lapse on the death of a specified person, until one of those times or the policy’s earlier lapse;
 - (c) the total premiums payable under the policy in any period of 12 months must not exceed—
 - (i) twice the amount of the total premiums payable in any other such period, or

- (d) the policy—
- (i) must guarantee that the capital sum payable on death, or on death occurring after the attainment of a specified age not exceeding 16, will, whenever that event may happen, be equal to 75 per cent. at least of the total premiums which would be payable if the policy were to run for that term, disregarding any amounts included in those premiums by reason of their being payable otherwise than annually, except that if, at the beginning of that term, the age of the person concerned exceeds 55 years, the capital sum so guaranteed may, for each year of the excess, be less by 2 per cent. of that total than 75 per cent. thereof, the person concerned being, if the capital sum is payable on the death of the first to die of two persons, the older of them, if on the death of the survivor of them, the younger of them and in any other case the person on whose death it is payable; and
 - (ii) if it is a policy which does not secure a capital sum in the event of death before the attainment of a specified age not exceeding 16, must not provide for the payment in that event of an amount exceeding the total premiums previously paid thereunder; and
- (e) the policy must not secure the provision (except by surrender in whole or in part of the rights conferred by the policy) at any time before the happening of the event in question of any benefit of a capital nature other than a payment falling within paragraph (d)(ii) above, or benefits attributable to a right to participate in profits or arising by reason of a person's disability.
- (2) For the purposes of sub-paragraph (1)(d)(i) above, 10 per cent. of the premiums payable under any policy [^{F5134}that provides for the payment of premiums otherwise than annually without providing for the amount of the premiums if they are paid annually,] shall be treated as attributable to the fact that they are not paid annually.
- (3) Sub-paragraphs (8) and (9) of paragraph 1 above shall, with any necessary modifications, have effect for the purposes of this paragraph as they have effect for the purposes of that paragraph.
- (4) ^{M558} In relation to any policy issued in respect of an insurance made before 1st April 1976 this paragraph shall have effect with the omission in sub-paragraph (1)(d)(i) of the words from “except that if” to the end, and in sub-paragraph (1)(e) of the words “in whole or in part of the rights conferred by the policy”.

SPECIAL TYPES OF POLICY

(i) Friendly Society policies

- 3 (1) ^{M559} Paragraphs 1 and 2 above do not apply to a policy issued by a [^{F5135} friendly society] in the course of tax exempt life or endowment business in respect of an insurance made or varied on or after 19th March 1985, but such a policy shall not be a qualifying policy unless—
- (a) in the case of a policy for the assurance of a gross sum or annuity, the conditions in sub-paragraph (2) are fulfilled with respect to it; and
 - (b) in the case of a policy for the assurance of a gross sum, the conditions in sub-paragraphs (5) to (11) below are fulfilled with respect to it; ^{F5136} . . .
 - ^{F5136}(c)
- (2) The conditions referred to in sub-paragraph (1) above are as follows—
- (a) subject to sub-paragraph (3) below, the period (the “term” of the policy) between—
 - (i) the making of the insurance or, where the contract provides for the term to begin on a date not more than three months earlier than the making of the insurance, that date, and
 - (ii) the time when the gross sum assured is payable (or, as the case may be, when the first instalment of the annuity is payable),
 shall be not less than ten years, and must not, on any contingency other than the death, or retirement on grounds of ill health, of the person liable to pay the premiums or whose life is insured, become less than ten years;
 - (b) subject to sub-paragraph (4) below, the premiums payable under the policy shall be premiums of equal or rateable amounts payable at yearly or shorter intervals over the whole term of the policy of assurance, or over the whole term of the policy of assurance apart from any period after the person liable to pay the premiums or whose life is insured attains a specified age, being an age which he will attain at a time not less than ten years after the beginning of the term of the policy of assurance;
 - ^{F5137}(c)
- (3) Notwithstanding sub-paragraph (2)(a) above, the policy—
- (a) may provide for a payment to a person of an age not exceeding 18 years at any time not less than five years from the beginning of the term of the policy if the premium or premiums payable in any period of 12 months in the term of the policy do not exceed £13;
 - (b) may provide for a payment at any time not less than five years from the beginning of the term of the policy, if it is one of a series of payments falling due at intervals of not less than five years, and the amount of any payment, other than the final payment, does not exceed four-fifths of the premiums paid in the interval before its payment.

For the purposes of paragraph (a) above, if the term begins on a date earlier than the making of the insurance, any premium paid in respect of a period before the making of the insurance, or in respect of that period and a subsequent period, shall be treated as having been payable on that date.

- (4) Notwithstanding sub-paragraph (2)(b) above, the policy—
- (a) may allow a payment at any time after the expiration of one-half of the term of the policy of assurance, or of ten years from the beginning of the term, whichever is the earlier, being a payment in commutation of the liability to pay premiums falling due after that time;
 - (b) may allow the person liable to pay the premiums to commute any liability for premiums where he ceases to reside in the United Kingdom or gives satisfactory proof of intention to emigrate;
 - (c) may allow any liability for premiums to be discharged in consideration of surrendering a sum which has become payable on the maturity of any other policy of assurance issued by the same friendly society [^{F5138}(or any predecessor of it)] to the person liable to pay the premiums, or to his parent, where that other policy of assurance is issued as part of the friendly society's tax exempt life or endowment business; and
 - (d) may make provision for the waiver of premiums by reason of a person's disability.

[^{F5139}(4A) For the purposes of sub-paragraphs (2) and (4) above—

- (a) a friendly society formed on the amalgamation of two or more friendly societies is the successor of each of those societies (and each of those societies was a predecessor of the society so formed), and
 - (b) an incorporated friendly society that was a registered friendly society before its incorporation is the successor of the registered friendly society (and the registered friendly society was the predecessor of the incorporated friendly society).]
- (5) Where the policy secures a capital sum which is payable only on death or only on death occurring after the attainment of a specified age not exceeding 16, that capital sum must be not less than 75 per cent. of the total premiums which would be payable if the death of the relevant beneficiary occurred at the age of 75.
- (6) Where the policy secures a capital sum which is payable only on survival for a specified term, that capital sum must be not less than 75 per cent. of the total premiums which would be payable if the policy were to run for that term.
- (7) Where the policy secures a capital sum which is payable on survival for a specified term or on earlier death, or on earlier death or disability (including a policy securing the sum on death only if occurring after the attainment of a specified age not exceeding 16), the capital sum payable on death, whenever that event occurs, must be not less than 75 per cent. of the total premiums which would be payable if the policy were to run for that term, except that if, at the beginning of that term, the age of the relevant beneficiary exceeds 55, that capital sum may, for each year of the excess, be less by 2 per cent. of that total than 75 per cent. thereof.
- (8) For the purposes of sub-paragraphs (5) to (7) above—
- (a) “the relevant beneficiary” means—
 - (i) if the capital sum concerned is payable on the death of the first to die of two persons, the older of them;
 - (ii) if that capital sum is payable on the death of the survivor of two persons, the younger of them; and
 - (iii) in any other case, the person on whose death that capital sum is payable; and

- (b) in determining the total premiums payable in any circumstances—
- (i) where those premiums are payable otherwise than annually, and the policy is issued by a new society, there shall be disregarded an amount equal to 10 per cent. of those premiums;
 - (ii) where the policy is issued by a society other than a new society, there shall be disregarded an amount equal to £10 for each year for which account is taken of those premiums [^{F5140}or, where those premiums are payable otherwise than annually, an amount equal to 10 per cent. of those premiums if that is greater]; ^{F5141} . . .
 - (iii) ^{F5141}
- (c) ^{F5141}
- (9) If the policy does not secure a capital sum in the event of death occurring before the age of 16 or some lower age, it must not provide for the payment in that event of an amount exceeding the total premiums previously paid under it.
- (10) References in this paragraph to a capital sum payable on any event include references to a capital sum or series of capital sums payable by reason of that event, but where what is so payable is either an amount consisting of one sum or an amount made up of two or more sums, any reference in sub-paragraphs (5) to (7) above to 75 per cent. of the total premiums payable in any circumstances shall be compared with the smaller or smallest amount so payable; and for the purposes of those sub-paragraphs a policy secures a capital sum payable either on death or on disability notwithstanding that the amount may vary with the event.
- (11) For the purposes of sub-paragraphs (5) to (7) and (10) above, in the case of a policy which provides for any such payments as are referred to in sub-paragraph (3) above (“interim payments”), the amount of the capital sum which is payable on any event shall be taken to be increased—
- (a) in the case of a policy which secures such a capital sum as is referred to in sub-paragraph (5) above, by the total of the interim payments which would be payable if the death of the relevant beneficiary (within the meaning of that sub-paragraph) occurred at the age of 75; and
 - (b) in the case of a policy which secures such a capital sum as is referred to in sub-paragraph (6) or (7) above, by the total of the interim payments which would be payable if the policy were to run for the specified term referred to in that sub-paragraph.

- (2) The rules (for the purposes of which, the question whether the old policy was a qualifying policy shall be determined in accordance with this Part of this Schedule, whatever the date of the insurance in respect of which it was issued), are as follows—
- (a) if the new policy would apart from this paragraph be a qualifying policy but the old policy was [^{F5153}not,] the new policy is not a qualifying policy unless the person making the insurance in respect of which it is issued was an infant when the old policy was issued, and the old policy was one securing a capital sum payable either on a specified date falling not later than one month after his attaining 25 or on the anniversary of the policy immediately following his attainment of that age;
 - (b) if the new policy would apart from this paragraph be a qualifying policy, and the old policy was also a qualifying policy, the new policy is a qualifying policy unless—
 - (i) it takes effect before the expiry of ten years from the making of the insurance in respect of which the old policy was issued, and
 - (ii) subject to sub-paragraph (4) below, the highest total of premiums payable thereunder for any period of 12 months expiring before that time is less than one half of the highest total paid for any period of 12 months under the old policy, or under any related policy issued less than ten years before the issue of the new policy (“related policy” meaning any policy in relation to which the old policy was a new policy within the meaning of this paragraph, any policy in relation to which that policy was such a policy, and so on);
 - (c) if the new policy would not apart from this paragraph be a qualifying policy, and would fail to be so by reason only of paragraph 1(2) or (3) or 2(1)(a), (b) or (c) above, it is nevertheless a qualifying policy if the old policy was a qualifying policy and—
 - (i) the old policy was issued in respect of an insurance made more than ten years before the taking effect of the new policy, and, subject to sub-paragraph (4) below, the premiums payable for any period of 12 months under the new policy do not exceed the smallest total paid for any such period under the old policy; or
 - (ii) the old policy was issued outside the United Kingdom, and the circumstances are as specified in sub-paragraph (3) below.
- (3) ^{M573} The circumstances are—
- (a) where the new policy referred to in sub-paragraph (2)(c) above is issued after 22nd February 1984, that the policy holder under the new policy became resident in the United Kingdom during the 12 months ending with the date of its issue;
 - (b) where paragraph (a) above does not apply, that the person in respect of whom the new insurance is made became resident in the United Kingdom during the 12 months ending with the date of its issue;
 - (c) that the issuing company certify that the new policy is in substitution for the old, and that the old was issued either by a [^{F5154}permanent establishment] of theirs outside the United Kingdom or by a company outside the United Kingdom with whom they have arrangements for the issue of policies in substitution for ones held by persons coming to the United Kingdom; and

- (d) that the new policy confers on the holder benefits which are substantially equivalent to those which he would have enjoyed if the old policy had continued in force.
- (4)^{M574} Where the new policy is one issued on or after 1st April 1976 then, in determining under sub-paragraph (2) above whether that policy would or would not (apart from sub-paragraphs (1) to (3) above) be a qualifying policy, there shall be left out of account so much of the first premium payable thereunder as is accounted for by the value of the old policy.

Early payment of interest etc.

- 5 (1) If the conditions in sub-paragraph (2) or (3) below are fulfilled and if the Board so direct, this paragraph applies in relation to a 1986 accounting period of a dual resident investing company.
- (2) The conditions in this sub-paragraph are applicable only if the company is carrying on a trade in the 1986 accounting period, and those conditions are—
- (a) that in that accounting period the company has incurred a loss, computed as for the purposes of section 393(2), in carrying on that trade; and
 - (b) that in that period the company has made a payment falling within section 404(6)(a)(iii); and
 - (c) that the payment referred to in paragraph (b) above either did not fall due in that period or would not have fallen due in that period but for the making, on or after 5th December 1986, of arrangements varying the due date for payment.
- (3) The conditions in this sub-paragraph are applicable only if the company is an investment company in the 1986 accounting period, and those conditions are—

- (b) that, on or after 5th December 1986, arrangements have been made such that any such interest or other payment which, but for the arrangements, would have fallen due in a post-1986 accounting period, fell due in a 1986 accounting period,

the interest or other payment shall, if the Board so direct, be treated for the purposes of this Chapter and, where appropriate, paragraph 3 above as paid in the post-1986 accounting period referred to in paragraph (a) or, as the case may be, paragraph (b) above.

(2) The Board shall not give a direction under this paragraph unless it appears to them that the sole or main benefit that might be expected to accrue from the early payment or, as the case may be, from the arrangements was that (apart from the direction) the interest or other payment would be attributed or apportioned to a 1986 accounting period rather than a post-1986 accounting period, so that, for the 1986 accounting period, the dual resident investing company would have an amount or, as the case may be, a larger amount available for surrender by way of group relief.

holds, as such an equity holder, any shares or securities which carry rights in respect of dividend or interest or assets on a winding-up which are of such a nature (as, for example, if any shares will cease to carry a right to a dividend at a future time) that if the profit distribution or the notional winding-up were to take place in a different accounting period the percentage to which, in accordance with paragraphs 1 to 4 above, that equity holder would be entitled of profits on the profit distribution or of assets on the notional winding-up would be different from the percentage determined in the relevant accounting period.

- (2) In this Part of this Schedule “the EEA territory concerned” means the EEA territory in which the EEA company is resident or (as the case may be) in which it carries on a trade through a permanent establishment.
- (3) In this Part of this Schedule any reference to the appropriate part of the EEA amount is to that amount in so far as it meets the conditions mentioned in subsection (2)(a) to (d) of section 403F.

Basic rules

- 11 (1) The EEA amount must, on the relevant assumptions (see sub-paragraph (5)), be recalculated in accordance with the applicable UK tax rules (see paragraph 16).
- (2) The amount of the EEA amount that is available for surrender by the EEA company by way of group relief is so much of the appropriate part of it as does not exceed the relevant proportion (see sub-paragraph (5)) of the amount given by that recalculation.
- (3) But if the amount given by that recalculation is an amount of income or other profits, no part of the EEA amount is available for surrender by way of group relief.
- (4) So far as any part of the EEA amount is available for surrender by the EEA company by way of group relief, the provisions of this Chapter have effect in that case on the basis that the relevant assumptions are made.
- (5) In this paragraph—
 - “the relevant assumptions” are the assumptions set out in paragraphs 12 to 15, and
 - “the relevant proportion” means the proportion that the appropriate part of the EEA amount bears to the EEA amount.

Assumptions as to UK residence

- 12 (1) It is to be assumed that the EEA company is resident in the United Kingdom throughout the loss period.
- (2) But this does not require it to be assumed—
 - (a) that there is any change in the place or places at which the EEA company carries on its activities (although see paragraph 13), or
 - (b) that the EEA company ceases to be resident in the United Kingdom at the end of the loss period.
- (3) It is to be assumed that the EEA company becomes resident in the United Kingdom (and, accordingly, within the charge to corporation tax) at the beginning of the loss period.

- 13 (1) In the case of any trade carried on by the EEA company in the loss period wholly or partly in the EEA territory concerned, it is to be assumed that the trade is carried on wholly or partly in the United Kingdom.
- (2) In the case of any estate, interest or rights in or over land in the EEA territory concerned which are held by the EEA company, it is to be assumed that the land is in the United Kingdom.
- (3) For this purpose, the reference to domestic concepts of law in relation to the land in the EEA territory concerned is to be read so as to produce the result that most closely corresponds with that produced for ^{F5256}the purpose of calculating the profits of a UK property business under Part 4 of CTA 2009] in relation to land in the United Kingdom.

 - (c) *Step 3:* if paragraph 11 applies, reduce amount E in accordance with that paragraph,

- (4) If any pre-commencement supplement is allowed on a claim in respect of a pre-commencement period, the amount of that supplement shall be taken to have been added to the pool in that period.

- (a) find so much (if any) of amount E for that period as remains after any reduction falling to be made under paragraph 11, and
 - (b) reduce that amount (but not below nil) by setting against it a sum equal to the aggregate of the amounts of unrelieved group ring fence profits for the period.

The reference amount for a pre-commencement period

- 13 For the purposes of this Part of this Schedule, the reference amount for a pre-commencement period is the amount in the pool at the end of the period—
- (a) after the addition to the pool of any qualifying E&A expenditure allocated to the pool for that period in accordance with paragraph 10(3), but
 - (b) before determining, and adding to the pool, the amount of any pre-commencement supplement claimed in respect of the period.

Claims for pre-commencement supplement

expenditure and supplement previously allowed*

- 10 (1) For the purpose of determining the amount of any pre-commencement supplement, a qualifying company is to be taken to have had, at all times in the pre-commencement periods of the company, a continuing mixed pool of—
- (a) the relevant amount (if any) which the company carries forward under Schedule 19B,
 - (b) qualifying pre-commencement expenditure, and
 - (c) pre-commencement supplement.
- (2) The pool is to be taken to have consisted of—
- (a) the relevant amount (if any) which the company carries forward under Schedule 19B,
 - (b) the company's qualifying pre-commencement expenditure, allocated to the pool for each pre-commencement period in accordance with sub-paragraph (3), and
 - (c) the company's pre-commencement supplement, allocated to the pool for each pre-commencement period in accordance with sub-paragraph (4).
- (3) To allocate qualifying pre-commencement expenditure to the pool for any pre-commencement period, take the following steps—
- (a) *Step 1:* count as eligible expenditure for that period so much of the qualifying pre-commencement expenditure mentioned in paragraph 9(1) as was incurred in that period,
 - (b) *Step 2:* find the total of all the eligible expenditure for that period (amount E),
 - (c) *Step 3:* if paragraph 11 applies, reduce amount E in accordance with that paragraph,
 - (d) *Step 4:* if paragraph 12 applies, reduce (or, as the case may be, further reduce) amount E in accordance with that paragraph,
- and so much of amount E as remains after making those reductions is to be taken to have been added to the pool in that period.
- (4) If any pre-commencement supplement is allowed on a claim in respect of a pre-commencement period, the amount of that supplement is to be taken to have been added to the pool in that period.

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (c) an event occurs in relation to any asset representing the expenditure in any pre-commencement period, and
 - (d) the event would, on the relevant assumption, require a disposal value (the “deductible amount”) to be brought into account under any provision of the Capital Allowances Act for any pre-commencement period.
- (2) The relevant assumption is that the company was carrying on the ring fence trade—
- (a) when the expenditure was incurred, and
 - (b) when the event giving rise to the disposal value occurred.
- (3) For the purpose of allocating qualifying pre-commencement expenditure to the pool for each pre-commencement period—
- (a) find the total amount of the disposal values in the case of all such events (amount D), and
 - (b) taking later periods before earlier periods, reduce (but not below nil) amount E for any pre-commencement period by setting against it so much of amount D as does not fall to be set against amount E for a later pre-commencement period.

Reduction in respect of unrelieved group ring fence profits

- 12 (1) This paragraph applies if there is an amount of unrelieved group ring fence profits for a pre-commencement period.

The reference amount for a pre-commencement period

- 13 For the purposes of this Part of this Schedule, the reference amount for a pre-commencement period is the amount in the pool at the end of the period—
- (a) after the addition to the pool of any qualifying pre-commencement expenditure allocated to the pool for that period in accordance with paragraph 10(3), but
 - (b) before determining, and adding to the pool, the amount of any pre-commencement supplement claimed in respect of the period.

Claims for pre-commencement supplement

- 14 (1) Any claim for pre-commencement supplement in respect of a pre-commencement period must be made as a claim for the commencement period.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (a) that period, or
 - (b) any subsequent accounting period in which it carries on its ring fence trade.
- (2) Any post-commencement supplement allowed on a claim in respect of a post-commencement period is to be treated for the purposes of the Corporation Tax Acts (other than this Part of this Schedule or Part 4 of Schedule 19B) as if it were a loss—
- (a) which is incurred in carrying on the ring fence trade in that period, and
 - (b) which falls in whole to be set off under section 393 against trading income from the ring fence trade in succeeding accounting periods.
- (3) Paragraph 74 of Schedule 18 to the Finance Act 1998 (company tax returns etc: time limit for claims for group relief) applies in relation to a claim for post-commencement supplement as it applies in relation to a claim for group relief.

Amount of post-commencement supplement for a post-commencement period

- 16 (1) The amount of the post-commencement supplement for any post-commencement period in respect of which a claim under paragraph 15 is made is the relevant percentage for that period of the reference amount for that period.

- (3) Paragraphs 19 to 23 have effect for the purpose of determining the reference amount for a post-commencement period.

Ring fence losses

- 17 (1) If—
- (a) in any post-commencement period (“the period of the loss”) a qualifying company carrying on a ring fence trade incurs a loss in the trade, and

so much of the loss as falls to be so set off is a “ring fence loss” of the company.

- (2) In determining for the purposes of this Part of this Schedule how much of a loss incurred in a ring fence trade falls to be set off as mentioned in sub-paragraph (1)(b), the following [^{F5477}assumptions are] to be made.
- (3) [^{F5478}The first assumption] is that every claim is made that could be made by the company under section 393A to set losses incurred in the ring fence trade against ring fence profits of earlier post-commencement periods.
- [^{F5479}(3A) The second assumption is that (where appropriate) section 393B applies in relation to every such claim under section 393A.]

Special rule for straddling periods

- 18 (1) This paragraph applies if the period of the loss in which a ring fence loss is incurred is the deemed accounting period under paragraph 3(3) beginning on 1st January 2006 (“the deemed accounting period”).
- (2) The amount of the ring fence loss in the deemed accounting period is determined as follows.

Step 1

Calculate so much of the ring fence loss in the straddling period as, for the purposes of Part 4 of Schedule 19B, is attributable to qualifying E&A allowances for the straddling period.

The amount given by this step is “the qualifying Schedule 19B amount”.

Step 2

Calculate so much of the ring fence loss in the straddling period as is attributable to allowances for the straddling period under Part 6 of the Capital Allowances Act in respect of relevant expenditure.

For the purposes of this step “relevant expenditure” means expenditure incurred by the company on or after 1st January 2006 which, but for that fact, would be qualifying E&A expenditure for the purposes of Schedule 19B.

For the purposes of this step a ring fence loss is attributable to those allowances to the extent that the amount of the loss (less the qualifying Schedule 19B amount) does not exceed the amount of those allowances for that period.

The amount given by this step is “the amount of the post-1st January 2006 E&A allowances”.

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

Step 3

Deduct the qualifying Schedule 19B amount and the amount of the post-1st January 2006 E&A allowances from the amount of the ring fence loss in the straddling period.

Step 4

Apportion the remaining amount of that loss (if any) to the deemed accounting period in proportion to the number of days in the deemed accounting period that fall in the straddling period.

The amount given by this step is “the amount of the apportioned loss”.

Step 5

The amount of the ring fence loss in the deemed accounting period is the amount of the apportioned loss plus the amount of the post-1st January 2006 E&A allowances.

- (3) In this paragraph “the straddling period”, in relation to a qualifying company, means an accounting period of the company—
- (a) beginning before 1st January 2006, and
 - (b) ending on or after that date,
- disregarding paragraph 3(3).
- (4) In this paragraph references to the ring fence loss in the straddling period are to that loss determined on the assumption that the straddling period is the period of the loss for the purposes of paragraph 17.
- (5) This paragraph has effect for the purposes of this Part of this Schedule.

The pool of ring fence losses and the pool of non-qualifying Schedule 19B losses

- 19 (1) For the purpose of determining the amount of any post-commencement supplement, a qualifying company is to be taken at all times in its post-commencement periods to have a continuing mixed pool (the “ring fence pool”) of—
- (a) the carried forward qualifying Schedule 19B amount,
 - (b) the company's ring fence losses, and
 - (c) post-commencement supplement.
- (2) The ring fence pool continues even if the amount in it is nil.
- (3) For the purpose of determining the amount of any post-commencement supplement, a qualifying company is also to be taken in its post-commencement periods to have a non-qualifying pool consisting of the carried forward non-qualifying Schedule 19B amount.
- (4) But the non-qualifying pool ceases to exist when the amount in it is reduced to nil.
- (5) In this paragraph—
- “the carried forward qualifying Schedule 19B amount”, in relation to a qualifying company, means the amount in its qualifying pool for the purposes of Part 4 of Schedule 19B immediately before 1st January 2006, and
- “the carried forward non-qualifying Schedule 19B amount”, in relation to a qualifying company, means the amount in its non-qualifying pool for the purposes of Part 4 of Schedule 19B immediately before 1st January 2006.

The ring fence pool

- 20 (1) The ring fence pool consists of—
- (a) the carried forward qualifying Schedule 19B amount,
 - (b) the company's ring fence losses, allocated to the pool in accordance with sub-paragraph (2)(a), and
 - (c) the company's post-commencement supplement, allocated to the pool in accordance with sub-paragraph (2)(b).
- (2) The allocation of ring fence losses and post-commencement supplement to the pool is as follows—
- (a) the amount of a ring fence loss is added to the pool in the period of the loss, and
 - (b) if any post-commencement supplement is allowed on a claim in respect of a post-commencement period, the amount of that supplement is added to the pool in that period.
- (3) The amount in the ring fence pool is subject to reductions in accordance with the following provisions of this Part of this Schedule.
- (4) If a reduction in the amount in the ring fence pool falls to be made in any accounting period, the reduction is to be made—
- (a) after the addition to the pool of the amount of any ring fence losses allocated to the pool in that period in accordance with sub-paragraph (2)(a), but
 - (b) before determining, and adding to the pool, the amount of any supplement claimed in respect of the period,
- and references to the amount in the pool are to be read accordingly.
- (5) In this paragraph “the carried forward qualifying Schedule 19B amount”, in relation to a qualifying company, means the amount in its qualifying pool for the purposes of Part 4 of Schedule 19B immediately before 1st January 2006.

Reductions in respect of utilised ring fence losses

- 21 (1) If one or more ring fence losses are set off under section 393 against any profits of a post-commencement period, reductions are to be made in that period in accordance with this paragraph.
- (2) If the company has a non-qualifying pool, the amount in the non-qualifying pool is to be reduced (but not below nil) by setting against it a sum equal to the total amount so set off.
- (3) If—
- (a) any of that sum remains after being so set against the amount in the non-qualifying pool, or
 - (b) the company does not have a non-qualifying pool,
- the amount in the ring fence pool is to be reduced (but not below nil) by setting against it so much of that sum as so remains or (as the case may be) a sum equal to the total amount set off as mentioned in sub-paragraph (1).

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

- (4) If the post-commencement period is the deemed accounting period under paragraph 3(3) beginning on 1st January 2006 (“the deemed accounting period”), the amount of the profits of the deemed accounting period is determined as follows.
- (5) The amount of the profits of the straddling period is apportioned to the deemed accounting period in proportion to the number of days in the deemed accounting period that fall in the straddling period.
- (6) The apportioned amount is taken for the purposes of this paragraph to be the amount of the profits of the deemed accounting period.
- (7) In this paragraph “the straddling period”, in relation to a qualifying company, means an accounting period of the company—
 - (a) beginning before 1st January 2006, and
 - (b) ending on or after that date,
 disregarding paragraph 3(3).

Reductions in respect of unrelieved group ring fence profits

- 22 (1) If there is an amount of unrelieved group ring fence profits for a post-commencement period, reductions are to be made in that period in accordance with this paragraph.
- (2) If, after making any reductions that fall to be made in accordance with paragraph 21, the company does not have a non-qualifying pool, the remaining amount in the ring fence pool is to be reduced (but not below nil) by setting against it a sum equal to the aggregate of the amounts of unrelieved group ring fence profits for the period.
- (3) If, after making any reductions that fall to be made in accordance with paragraph 21, the company has an amount in a non-qualifying pool, the amount in that pool is to be reduced (but not below nil) by setting against it a sum equal to the aggregate of the amounts of unrelieved group ring fence profits for the period.
- (4) If any of that sum remains after being so set against the amount in the non-qualifying pool, the remaining amount in the ring fence pool is to be reduced (but not below nil) by setting against it so much of that sum as so remains.
- (5) For the purposes of this paragraph references to the remaining amount in the ring fence pool are references to so much (if any) of the amount in the ring fence pool as remains after making any reductions that fall to be made in accordance with paragraph 21.

The reference amount for a post-commencement period

- 23 For the purposes of this Part of this Schedule the reference amount for a post-commencement period is so much of the amount in the ring fence pool as remains after making any reductions required by paragraph 21 or 22.

- 5 The amount of the reduction to be made in respect of the payment shall be arrived at by—

 - (b) that account is required to be taken of allowances previously made or deemed to have been made in respect of the asset; or

 - (d) that account is required to be taken of any sum falling to be taken into account as sale, insurance, salvage or compensation moneys, the like consequences shall ensue under this Schedule as if an allowance had fallen to be made by reason of that event.
 - (4) Where any damage is attributable to a permanent change in the purposes for which an asset is used, or the temporary or permanent putting out of use of an asset, the question whether the damage is damage in respect of which relief may be given under the Tax Acts shall be determined as if the damage had been attributable to a sale of the asset on the date upon which the change or putting out of use took place.

2 (1) Subject to paragraph 2A below, a controlled foreign company pursues an acceptable distribution policy in respect of a particular accounting period if, and only if—

- (a) a dividend which is not paid out of specified profits is paid for that accounting period . . . ; and
- (b) the dividend is paid during, or not more than eighteen months after the expiry of, that period or at such later time as the Board may, in any particular case, allow; and
- (c) *the dividend is paid at a time when the company is not resident in the United Kingdom (whether or not it is at that time a controlled foreign company); and*
- (d) the amount of the dividend or, if there is more than one, of the aggregate of those dividends which is paid to persons resident in the United Kingdom is not less than 90 per cent. of the company's net chargeable profits for the accounting period referred to in paragraph (a) above or, where sub-paragraph (4) or (5) below applies, of the appropriate portion of those profits;

(1A) A payment of dividend to a company shall not fall within sub-paragraph (1)(d) above unless it is taken into account in computing the company's income for corporation tax and—

- (a) it is chargeable neither under Chapter 2 of Part 3 of CTA 2009 as profits of a trade carried on wholly or partly in the United Kingdom nor under section 436A (gross roll-up business: separate charge on profits); or

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

(b) if it is chargeable under Chapter 2 of Part 3 of CTA 2009 as profits of a trade carried on wholly or partly in the United Kingdom, or under section 436A, it is not involved in a UK tax avoidance scheme;

and paragraph 2B below has effect for the purposes of paragraph (b) above.

(1B) A dividend paid by a company shall not fall within sub-paragraph (1)(d) above if, and to the extent that, the profits which are the relevant profits in relation to the dividend derive from dividends or other distributions paid to the company at any time which are dividends or other distributions—

(a) to which section 1285 of CTA 2009 applied; or

(b) to which that section would have applied if the company had been resident in the United Kingdom at that time.

Subsections (3) and (4) of section 799 (double taxation relief: computation of underlying tax) apply for the purposes of this sub-paragraph as they apply for the purposes of subsection (1) of that section.

(2)

(3) For the purposes of this paragraph and paragraph 2A below, a dividend which is not paid for the period or periods the profits of which are, in relation to the dividend, the relevant profits for the purposes of section 799 shall be treated (subject to sub-paragraph (3A) below) as so paid.

(3A) For the purposes of this paragraph and paragraph 2A below—

(a) where a dividend is paid for a period which is not an accounting period but falls wholly within an accounting period, it shall be treated as paid for that accounting period, and

(b) where a dividend (“the actual dividend”) is paid for a period which falls within two or more accounting periods—

(i) it shall be treated as if it were a number of separate dividends each of which is paid for so much of the period as falls wholly within an accounting period, and

(ii) the necessary apportionment of the amount of the actual dividend shall be made to determine the amount of the separate dividends.

(4) This sub-paragraph applies where—

(a) throughout the accounting period in question all the issued shares of the controlled foreign company are of a single class, and

(b) at the end of that accounting period some of those shares are held by persons resident outside the United Kingdom, and

(c) at no time during that accounting period does any person have an interest in the company other than an interest derived from the issued shares of the company;

and in a case where this sub-paragraph applies the appropriate portion for the purposes of sub-paragraph (1)(d) above is the fraction of which the denominator is the total number of the issued shares of the company at the end of the accounting period in question and, subject to sub-paragraph (8) below, the numerator is the number of those issued shares by virtue of which persons resident in the United Kingdom have interests in the company at that time.

(5) This sub-paragraph applies where—

- (a) throughout the accounting period in question there are only two classes of issued shares of the controlled foreign company and, of those classes, one (“non-voting shares”) consists of non-voting fixed-rate preference shares and the other (“voting shares”) consists of shares which carry the right to vote in all circumstances at general meetings of the company; and
 - (b) at the end of that accounting period some of the issued shares of the company are held by persons resident outside the United Kingdom; and
 - (c) at no time during that accounting period does any person have an interest in the company other than an interest derived from non-voting or voting shares;
- and in a case where this sub-paragraph applies the appropriate portion of the profits referred to in sub-paragraph (1)(d) above is the amount determined in accordance with sub-paragraph (6) below.

- (6) The amount referred to in sub-paragraph (5) above is that given by the formula—

$$\frac{PyQ}{R} + \frac{(X - P)yY}{Z}$$

where—

P is the amount of any dividend falling within (a) and (b) of sub-paragraph (1) above which is paid in respect of the non-voting shares or, if there is more than one such dividend, of the aggregate of them;

Q is, subject to sub-paragraph (8) below, the number of the non-voting shares by virtue of which persons resident in the United Kingdom have interests in the company at the end of the accounting period in question;

R is the total number at that time of the issued non-voting shares;

X is the net chargeable profits for the accounting period in question;

Y is, subject to sub-paragraph (8) below, the number of voting shares by virtue of which persons resident in the United Kingdom have interests in the company at the end of that accounting period; and

Z is the total number at that time of the issued voting shares.

- (7) For the purposes of sub-paragraph (5)(a) above, non-voting fixed-rate preference shares are shares—
- (a) which are fixed-rate preference shares as defined in paragraph 1 of Schedule 18; and
 - (b) which either carry no right to vote at a general meeting of the company or carry such a right which is contingent upon the non-payment of a dividend on the shares and which has not in fact become exercisable at any time prior to the payment of a dividend for the accounting period in question.
- (8) In any case where the immediate interests held by persons resident in the United Kingdom who have indirect interests in a controlled foreign company at the end of a particular accounting period do not reflect the proportion of the shares or, as the case may be, shares of a particular class in the company by virtue of which they have those interests (as in the case where they hold, directly or indirectly, part of the shares in a company which itself holds, directly or indirectly, some or all of the shares in the controlled foreign company) the number of those shares shall be treated as reduced for the purposes of sub-paragraph (4) or (6) above, as the case may be, to such number as may be appropriate having regard to—

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

- (a) the immediate interests held by the persons resident in the United Kingdom; and
- (b) any intermediate shareholdings between those interests and the shares in the controlled foreign company.

(9) The definition of “profits” in section 747(6)(b) does not apply to any reference in this paragraph to specified profits or to relevant profits for the purposes of section 799.

.....

2A (1) Paragraph 2 above shall have effect in accordance with this paragraph to determine whether a controlled foreign company . . . pursues an acceptable distribution policy in respect of a particular accounting period (“the relevant accounting period”).

(2) Subject to sub-paragraphs (4) and (4A) below, where the distribution condition is satisfied in relation to the relevant accounting period, then, in addition to any dividend which falls within paragraph 2(1)(a) above apart from this paragraph—

- (a) any dividend which is paid for the accounting period (“the preceding period”) immediately preceding the relevant accounting period and which is not an excluded dividend shall be treated as falling within that paragraph, and
- (b) if the distribution condition is satisfied in relation to the preceding period, any dividend which is paid for the accounting period immediately preceding the preceding period and which is not an excluded dividend shall be treated as falling within that paragraph,

and so on; and in this sub-paragraph “dividend” means a dividend not paid out of specified profits.

(3) For the purposes of this paragraph, the distribution condition is satisfied in relation to any accounting period if—

- (a) a dividend or dividends are paid for the period to persons resident in the United Kingdom,
- (b) the amount or, as the case may be, aggregate amount of any dividends falling within paragraph (a) above is not less than—
 - (i) the relevant profits for that period, or
 - (ii) where paragraph 2(4) or (5) above applies (with the modifications of paragraph 2 made by sub-paragraph (5) below), the appropriate portion of those profits, and
- (c) any dividends falling within that paragraph are paid not later than the time by which any dividend paid for the relevant accounting period is required by paragraph 2(1)(b) above to be paid;

or if there are no relevant profits for the period.

(4) Where, by reason only of the fact that a company pursued an acceptable distribution policy in respect of any accounting period (“the earlier period”) earlier than the relevant accounting period, no apportionment under section 747(3) fell to be made in respect of the earlier period, sub-paragraph (2) above shall apply to any dividend required to be taken into account for the purpose of showing that the company pursued an acceptable distribution policy in respect of the earlier period only to the extent (if any) to which that dividend was not required to be taken into account for that purpose.

- (4A) Sub-paragraph (2) does not apply where the distribution condition is satisfied in relation to the relevant accounting period, but—
- (a) the relevant profits for that period do not include income within sub-paragraph (4B), and
 - (b) if that income were included, the distribution condition would not be satisfied in relation to that period.
- (4B) The income within this sub-paragraph is—
- (a) any income which accrues during the relevant accounting period to the trustees of a settlement in relation to which the company is a settlor or a beneficiary, and
 - (b) any income which accrues during that period to a partnership of which the company is a partner, apportioned between the company and the other partners on a just and reasonable basis.
- (4C) Where there is more than one settlor or beneficiary in relation to the settlement mentioned in sub-paragraph (4B)(a), the income is to be apportioned between the company and the other settlors or beneficiaries on a just and reasonable basis.
- (4D) In sub-paragraph (4B)(b) “partnership” includes an entity established under the law of a country or territory outside the United Kingdom of a similar character to a partnership; and “partner” is to be read accordingly.

 - (b) the references in those sub-paragraphs to sub-paragraph (1)(d) are to be read as references to sub-paragraph (3)(b) above, and
 - (c) the reference in the definition of “X” in sub-paragraph (6) to net chargeable profits is to be read as a reference to relevant profits.
- (6)
- (7)
- (8) For the purposes of this paragraph—
- (aa) a dividend is an excluded dividend if it is paid, in whole or in part, out of the total profits from which (in accordance with section 747(6)(a)) the chargeable profits for an excluded period are derived,
 - (a) a period is an excluded period if it is an accounting period in respect of which an apportionment under section 747(3) falls to be made, and
 - (b) relevant profits for any accounting period are the profits which would be the relevant profits of that period for the purposes of section 799 if a dividend were actually paid for that period.
-
- 2B (1) This paragraph has effect for the purposes of paragraph 2(1A)(b) above.

 - (b) the amount (if any) which, if an apportionment under section 747(3) fell to be made in respect of the period, would be the company’s unrestricted creditable tax for that period;

and for the purposes of this sub-paragraph “unrestricted creditable tax” in relation to a company’s accounting period means the amount which would be its creditable tax for that period if the reference in section 751(6)(a) to Part XVIII did not include section 797.

- (5) In any case where—
 - (a) a controlled foreign company pays a dividend for any period out of specified profits, and
 - (b) those profits represent dividends received by the company, directly or indirectly, from another controlled foreign company,so much of those specified profits as is equal to the dividend referred to in paragraph (a) above shall be left out of account in determining, for the purposes of this Part of this Schedule, . . . the chargeable profits of the controlled foreign company referred to in that paragraph for any accounting period.

PART I

THE DISTRIBUTION TEST

Requirements as to distributions

- 1 (1) For the purposes of this Chapter, an offshore fund pursues a full distribution policy with respect to an account period if—
- (a) a distribution is made for that account period or for some other period which, in whole or in part, falls within that account period; and
 - (b) subject to Part II of this Schedule, the amount of the distribution which is paid to the holders of material and other interests in the fund—
 - (i) represents at least 85 per cent. of the income of the fund for that period, and
 - (ii) is not less than 85 per cent. of the fund's United Kingdom equivalent profits for that period; and
 - (c) the distribution is made during that account period or not more than six months, or such longer period as the Board may in any particular case allow, after the expiry of it; and
 - ^{F5830}(d) the form of the distribution is such that—
 - (i) if any sum forming part of it were received in the United Kingdom by an individual resident there and did not form part of the profits of a trade, profession or vocation, that sum would fall to be chargeable to tax under a provision specified in section 830(2) of ITTOIA 2005, or
 - (ii) if any sum forming part of it were received in the United Kingdom by a company resident there and did not form part of the profits of a trade, profession or vocation, that sum would fall to be chargeable to tax ^{F5831} . . . —

- (a) under [F5832Part 5 of CTA 2009 (loan relationships) or Chapter 7 of Part 10 of that Act (annual payments not otherwise charged)] in respect of income arising from securities out of the United Kingdom or from possessions out of the United Kingdom, or
- (b) under [F5833Chapter 2 of Part 10 of CTA 2009 (dividends of non-UK resident companies) or Chapter 8 of that Part (income not otherwise charged)];]

and any reference in this sub-paragraph to a distribution made for an account period includes a reference to any two or more distributions so made or, in the case of paragraph (b), the aggregate of them.

(2) Subject to sub-paragraph (3) below, with respect to any account period for which—

- [F5834(a) there is no income of the fund and there are no United Kingdom equivalent profits of the fund, or
- (b) the amount of the gross income of the fund does not exceed 1 per cent. of the average value of the fund's assets held during the account period,]

the fund shall be treated as pursuing a full distribution policy notwithstanding that no distribution is made as mentioned in sub-paragraph (1) above.

(3) For the purposes of this Chapter, an offshore fund shall be regarded as not pursuing a full distribution policy with respect to an account period for which the fund does not make up accounts.

(4) For the purposes of this paragraph—

- (a) where a period for which an offshore fund makes up accounts includes the whole or part of two or more account periods of the fund, then, subject to paragraph (c) below, income shown in those accounts shall be apportioned between those account periods on a time basis according to the number of days in each period which are comprised in the period for which the accounts are made up;
- (b) where a distribution is made for a period which includes the whole or part of two or more account periods of the fund, then, subject to sub-paragraph (5) below, the distribution shall be apportioned between those account periods on a time basis according to the number of days in each period which are comprised in the period for which the distribution is made;
- (c) where a distribution is made out of specified income but is not made for a specified period, that income shall be attributed to the account period of the fund in which it in fact arose and the distribution shall be treated as made for that account period; and
- (d) where a distribution is made neither for a specified period nor out of specified income, then, subject to sub-paragraph (5) below, it shall be treated as made for the last account period of the fund which ended before the distribution was made.

(5) If, apart from this sub-paragraph, the amount of a distribution made, or treated by virtue of sub-paragraph (4) above as made, for an account period would exceed the income of that period, then, for the purposes of this paragraph—

- (a) if the amount of the distribution was determined by apportionment under sub-paragraph (4)(b) above, the excess shall be re-apportioned, as may be just and reasonable, to any other account period which, in whole or in part,

falls within the period for which the distribution was made or, if there is more than one such period, between those periods; and

- (b) subject to paragraph (a) above, the excess shall be treated as an additional distribution or series of additional distributions made for preceding account periods in respect of which the distribution or, as the case may be, the aggregate distributions would otherwise be less than the income of the period, applying the excess to later account periods before earlier ones, until it is exhausted.

(6) In any case where—

- (a) for a period which is or includes an account period, an offshore fund is subject to any restriction as regards the making of distributions, being a restriction imposed by the law of any territory outside the United Kingdom; and
- (b) the fund is subject to that restriction by reason of an excess of losses over profits (applying the concepts of “profits” and “losses” in the sense in which and to the extent to which they are relevant for the purposes of the law in question);

then in determining for the purposes of the preceding provisions of this paragraph the amount of the fund’s income for that account period, there shall be allowed as a deduction any amount which, apart from this sub-paragraph, would form part of the income of the fund for that account period and which cannot be distributed by virtue of the restriction.

Commodity income

- 4 (1) To the extent that the income of an offshore fund for any account period includes profits from dealing in commodities, one half of those profits shall be left out of account in determining for the purposes of paragraphs 1(1)(b) and 5 below—
- (a) the income of the fund for that period; and
 - (b) the fund's United Kingdom equivalent profits for that period;
- but in any account period in which an offshore fund incurs a loss in dealing in commodities the amount of that loss shall not be varied by virtue of this paragraph.
- (2) In this paragraph “dealing in commodities” shall be construed as follows—
- (a) “commodities” does not include currency, securities, debts or other assets of a financial nature but, subject to that, means tangible assets which are dealt with on a commodity exchange in any part of the world; and
 - (b) “dealing” includes dealing by way of futures contracts and traded options.
- (3) Where the income of an offshore fund for any account period consists of profits from dealing in commodities and other income, then—
- (a) in determining whether the condition in paragraph 1(1)(b) above is fulfilled with respect to that account period, the expenditure of the fund shall be apportioned in such manner as is just and reasonable between the profits from dealing in commodities and the other income; and
 - (b) in determining whether, and to what extent, any expenditure is deductible under [^{F5841}section 1219 of CTA 2009] in computing the fund's United Kingdom equivalent profits for that period, so much of the business of the fund as does not consist of dealing in commodities shall be treated as a business carried on by a separate company.

United Kingdom equivalent profits

5 (1) Any reference in this Schedule to the United Kingdom equivalent profits of an offshore fund for an account period is a reference to the amount which, on the assumptions in sub-paragraph (3) below, would be the total profits of the fund for that period on which, after allowing for any deductions available against those profits, corporation tax would be chargeable.

(2) In this paragraph the expression “profits” does not include chargeable gains.

^{F5842}^{F5843}^{F5844}(2A)]]

(3) The assumptions referred to in sub-paragraph (1) above are—

- (a) that the offshore fund is a company which, in the account period in question, but not in any other account period, is resident in the United Kingdom; and
- (b) that the account period is an accounting period of that company; and
- (c) that any dividends or distributions which, by virtue of ^{F5845}^{F5846}Chapter 2 or 3 of Part 9A] of CTA 2009], should be left out of account in computing income for corporation tax purposes are nevertheless to be brought into account in that computation ^{F5847} . . . ^{F5848}; and
- (d) that the provisions of the Corporation Tax Acts relating to profits, gains or losses arising from a creditor relationship (within the meaning of ^{F5849}Part 5 of CTA 2009]) apply as if the offshore fund were an authorised unit trust;]]^{F5850} and
- (e) that the provisions of the Corporation Tax Acts relating to profits or losses arising from a derivative contract (within the meaning of ^{F5851}Part 7 of CTA 2009]) apply as if the offshore fund were an authorised unit trust.]

(4) Without prejudice to any deductions available apart from this sub-paragraph, the deductions referred to in sub-paragraph (1) above include—

- (a) a deduction equal to any amount which, by virtue of paragraph 1(6) above, is allowed as a deduction in determining the income of the fund for the account period in question; and
- (b) a deduction equal to any amount of tax (paid under the law of a territory outside the United Kingdom) which was taken into account as a deduction in determining the income of the fund for the account period in question but which, because it is referable to capital rather than income, does not fall to be taken into account by virtue of section 811.

(5) For the avoidance of doubt it is hereby declared that, if any sums forming part of the offshore fund’s income for any period have been received by the fund without any deduction of or charge to tax ^{F5852} and have been so received by virtue of ^{F5853}section 1279 of CTA 2009]]^{F5854} or section 714 or 715 of ITTOIA 2005], the effect of the assumption in sub-paragraph (3)(a) above is that those sums are to be brought into account in determining the total profits referred to in sub-paragraph (1) above.

PART I

DISPOSALS OF INTERESTS IN NON-QUALIFYING FUNDS

Interpretation

- 1 In this Part of this Schedule “material disposal” means a disposal to which this Chapter applies, otherwise than by virtue of section 758.

Calculation of unindexed gain

- 2 (1) Where there is a material disposal, there shall first be determined for the purposes of this Part of this Schedule the amount (if any) which, in accordance with the provisions of this paragraph, is the unindexed gain accruing to the person making the disposal.
- (2) Subject to section 757(3) to (6) and paragraph 3 below, the unindexed gain accruing on a material disposal is the amount which would be the gain on that disposal for the purposes of the [^{F5877}1992] Act if it were computed—
- (a) without regard to any charge to income tax or corporation tax by virtue of section 761; and
 - (b) without regard to any indexation allowance on the disposal under [^{F5877}the 1992 Act].

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

- 3 (1) If the amount of any chargeable gain or allowable loss which (apart from section 763) would accrue on the material disposal would fall to be determined in a way which, in whole or in part, would take account of the indexation allowance on an earlier disposal to which [^{F5878}section 56(2) of the 1992 Act] (disposals on a no gain/no loss basis) applies, the unindexed gain on the material disposal shall be computed as if—
- (a) no indexation allowance had been available on any such earlier disposal; and
 - (b) subject to that, neither a gain nor a loss had accrued to the person making such an earlier disposal.
- (2) If the material disposal forms part of a transfer to which section [^{F5878}162 of the 1992 Act] (roll-over relief on transfer of business) applies, the unindexed gain accruing on the disposal shall be computed without regard to any deduction which falls to be made under that section in computing a chargeable gain.
- (3) If the material disposal is made otherwise than under a bargain at arm's length and a claim for relief is made in respect of that disposal under [^{F5878}section 165 or 260 of the 1992 Act (relief for gifts) the claim shall] not affect the computation of the unindexed gain accruing on the disposal.
- (4)
- (5) Notwithstanding section [^{F5878}16 of the 1992 Act] (losses determined in like manner as gains) if, apart from this sub-paragraph, the effect of any computation under the preceding provisions of this Part of this Schedule would be to produce a loss, the unindexed gain on the material disposal shall be treated as nil; and accordingly for the purposes of this Part of this Schedule no loss shall be treated as accruing on a material disposal.
- (6) Section 431 has effect in relation to sub-paragraph (4) above as if it were included in Chapter I of Part XII.

Gains since 1st January 1984

- 4 (1) This paragraph applies where—
- (a) the interest in the offshore fund which is disposed of by the person making a material disposal was acquired by him before 1st January 1984; or
 - (b) he is treated by virtue of any provision of sub-paragraphs (3) and (4) below as having acquired the interest before that date.
- (2) Where this paragraph applies, there shall be determined for the purposes of this Part of this Schedule the amount which would have been the gain on the material disposal—
- (a) on the assumption that, on 1st January 1984, the interest was disposed of and immediately reacquired for a consideration equal to its market value at that time; and
 - (b) subject to that, on the basis that the gain is computed in like manner as, under paragraphs 2 and 3 above, the unindexed gain on the material disposal is determined;
- and that amount is in paragraph 5 below referred to as the “post-1983 gain” on the material disposal.
- (3) Where the person making the material disposal acquired the interest disposed of—
- (a) on or after 1st January 1984, and
 - (b) in such circumstances that, by virtue of any enactment other than section [F5879]56, 57, 131 or 145 of the 1992 Act] (indexation provisions), he and the person from whom he acquired it (“the previous owner”) fell to be treated for the purposes of the [1992] Act as if his acquisition were for a consideration of such an amount as would secure that, on the disposal under which he acquired it, neither a gain nor a loss accrued to the previous owner,
- the previous owner’s acquisition of the interest shall be treated as his acquisition of it.
- (4) If the previous owner acquired the interest disposed of on or after 1st January 1984 and in circumstances similar to those referred to in sub-paragraph (3) above, his predecessor’s acquisition of the interest shall be treated for the purposes of this paragraph as the previous owner’s acquisition, and so on back through previous acquisitions in similar circumstances until the first such acquisition before 1st January 1984 or, as the case may be, until an acquisition on a material disposal on or after that date.

The offshore income gain

- 5 (1) Subject to sub-paragraph (2) below, a material disposal gives rise to an offshore income gain of an amount equal to the unindexed gain on that disposal.

- (a) paragraph 4 above applies, and
 - (b) the post-1983 gain on the material disposal is less than the unindexed gain on the disposal,
- the offshore income gain to which the disposal gives rise is an amount equal to the post-1983 gain.

PART II

DISPOSALS INVOLVING AN EQUALISATION ELEMENT

- 6 (1) Subject to paragraph 7 below, a disposal to which this Chapter applies by virtue of section 758(3) gives rise to an offshore income gain of an amount equal to the equalisation element relevant to the asset disposed of.
- (2) Subject to sub-paragraphs (4) to (6) below, the equalisation element relevant to the asset disposed of by a disposal falling within sub-paragraph (1) above is the amount which would be credited to the equalisation account of the offshore fund concerned in respect of accrued income if, on the date of the disposal, the asset which is disposed of were acquired by another person by way of initial purchase.
- (3) In the following provisions of this Part of this Schedule, a disposal falling within sub-paragraph (1) above is referred to as a “disposal involving an equalisation element”.
- (4) Where the asset disposed of by a disposal involving an equalisation element was acquired by the person making the disposal after the beginning of the period by reference to which the accrued income referred to in sub-paragraph (2) above is calculated, the amount which, apart from this sub-paragraph, would be the equalisation element relevant to that asset shall be reduced by the following amount, that is to say—
- (a) if that acquisition took place on or after 1st January 1984, the amount which, on that acquisition, was credited to the equalisation account of the offshore fund concerned in respect of accrued income or, as the case may be, would have been so credited if that acquisition had been an acquisition by way of initial purchase; and
 - (b) in any other case, the amount which would have been credited to that account in respect of accrued income if that acquisition had been an acquisition by way of initial purchase taking place on 1st January 1984.
- (5) In any case where—
- (a) the asset disposed of by a disposal involving an equalisation element was acquired by the person making the disposal at or before the beginning of the period by reference to which the accrued income referred to in sub-paragraph (2) above is calculated, and
 - (b) that period began before 1st January 1984 and ends after that date,
- the amount which, apart from this sub-paragraph, would be the equalisation element relevant to that asset shall be reduced by the amount which would have been credited to the equalisation account of the offshore fund concerned in respect of accrued income if the acquisition referred to in paragraph (a) above had been an acquisition by way of initial purchase taking place on 1st January 1984.

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) Where there is a disposal involving an equalisation element, then, to the extent that any amount which was or would be credited to the equalisation account of the offshore fund in respect of accrued income, as mentioned in any of sub-paragraphs (2) to (5) above, represents profits from dealing in commodities, within the meaning of paragraph 4 of Schedule 27, one half of that accrued income shall be left out of account in determining under those sub-paragraphs the equalisation element relevant to the asset disposed of by that disposal.
- 7 (1) For the purposes of this Part of this Schedule, there shall be determined, in accordance with paragraph 8 below, the Part I gain (if any) on any disposal involving an equalisation element.
- (2) Notwithstanding anything in paragraph 6 above—
- (a) if there is no Part I gain on a disposal involving an equalisation element, that disposal shall not give rise to an offshore income gain; and
- (b) if, apart from this paragraph, the offshore income gain on a disposal involving an equalisation element would exceed the Part I gain on that disposal, the offshore income gain to which that disposal gives rise shall be reduced to an amount equal to that Part I gain.
- 8 (1) On a disposal involving an equalisation element, the Part I gain is the amount (if any) which, by virtue of Part I of this Schedule (as modified by sub-paragraphs (2) to (5) below), would be the offshore income gain on that disposal if it were a material disposal within the meaning of that Part.
- (2) For the purposes only of the application of Part I of this Schedule to determine the Part I gain (if any) on a disposal involving an equalisation element, subsections (5) and (6) of section 758 shall have effect as if, in subsection (5), the words “by virtue of subsection (3) above” were omitted.
- (3) If a disposal involving an equalisation element is one which, by virtue of any enactment other than section ^{F5880}56, 57, 131 or 145 of the 1992 Act], is treated for the purposes of the ^{F5880}1992] Act as one on which neither a gain nor a loss accrues to the person making the disposal, then, for the purpose only of determining the Part I gain (if any) on the disposal, that enactment shall be deemed not to apply to it (but without prejudice to the application of that enactment to any earlier disposal).

General

- 1 The provisions referred to in section 768B(2) for determining whether there is a significant increase in the amount of a company's capital after a change in the ownership of the company are as follows.

Status: Point in time view as at 13/08/2009. This version of this Act contains provisions that are not valid for this point in time.

The basic rule

- 2 There is a significant increase in the amount of a company's capital if amount B—
- (a) exceeds amount A by at least £1 million; or
 - (b) is at least twice amount A.

Amount A

- 3 (1) Amount A is the lower of—
- (a) the amount of the company's capital immediately before the change in the ownership; and
 - (b) the highest 60 day minimum amount for the pre-change year, found in accordance with sub-paragraphs (2) to (6) below.
- (2) Find the daily amounts of the company's capital over the pre-change year.
- (3) Take the highest of the daily amounts.
- (4) Find out whether there was in the pre-change year a period of 60 days or more in which there was no daily amount lower than the amount taken.
- (5) If there was, the amount taken is the highest 60 day minimum amount for the pre-change year.
- (6) If there was not, take the next highest of the daily amounts and repeat the process in sub-paragraph (4) above; and so on, until the highest 60 day minimum amount for the pre-change year is found.
- (7) In this Part of this Schedule “the pre-change year” means the period of one year ending immediately before the change in the ownership of the company in question.

Amount B

- 4 (1) Amount B is the highest 60 day minimum amount for the post-change period (finding that amount for that period in the same way as the highest 60 day minimum amount for the pre-change year is found).
- (2) In this paragraph “the post-change period” means the period of three years beginning with the change in the ownership of the company in question.
