Editorial Information

X1 EDITORIAL NOTE

The originating text of this Act is derived from the 1990 edition of The Taxes Acts edited by the Inland Revenue and published by Her Majesty's Stationery Office. The style of editing followed in older versions of the revised text may therefore differ from that applicable to most other Acts published in the online edition of the revised statutes. Any references in older footnote annotations to Vol. 1, 2 etc. are to the Volumes of that 1990 edition.

References to Acts in sidenotes and footnote annotations may be abbreviated. The main abbreviations used are listed below. Where a reference to an Act consists of the year, or the year and a series number (such as "1975", or "1975 (No. 2)", etc.), without any following letter(s) in parentheses, the reference is in most cases to the Finance Act, or Finance (No. 2) Act, etc., of that year. Exceptions to this are 1952, 1970, and 1988 (as to which see the list below).

- (8) Any reference in this section to a person obtaining a tax advantage includes a reference to a person obtaining a payment representing any of the value of a tax credit in circumstances where, had the person obtaining the payment been entitled to the tax credit and the qualifying distribution to which it relates, that person—
- (a) would not have been entitled to obtain any payment under section 231(2) or (3) in respect of the tax credit; and
 - (b) if that person is a company, could not have used the income consisting of the distribution to frank a distribution actually made in the accounting period in which it would have received the distribution to which the tax credit relates.

[^{F1502} **432CA** Apportionment of asset value increase where line 51 amount decreases

- (1) This section applies where—
 - (a) an insurance company is not a non-profit company in relation to a period of account (“the current period of account”),
 - (b) in the case of any business with which an account of the company for the current period of account is concerned (“the relevant business”), an amount is a relevant brought into account amount for that period of account (see subsection (2)),
 - (c) section 432C applies for determining the extent to which the relevant brought into account amount is referable to life assurance business or to gross roll-up business, and
 - (d) the line 51 reduction condition is met (see subsection (3)).
- (2) An amount is a relevant brought into account amount for a period of account if—
 - (a) it is brought into account as mentioned in subsection (2)(b) of section 83 of the Finance Act 1989 (increases in value of non-linked assets) for that period,
 - (b) it is deemed to be brought into account for that period by subsection (2B) of that section in consequence of the transfer of non-linked assets, or
 - (c) it is taken into account under subsection (2) of that section for that period by virtue of section 444AB as being the relevant amount in relation to non-linked assets.
- (3) The line 51 reduction condition is met if—
 - (a) the amount shown in column 1 of line 51 of Form 14 of the company's periodical return in respect of the relevant business for the current period of account, is less than
 - (b) the amount so shown for the period of account immediately before it; and the amount of the difference is “the relevant reduction”.

Status: Point in time view as at 19/07/2011. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (4) Section 432C applies in relation to so much of the relevant brought into account amount as does not exceed the relevant reduction (“the affected amount”) as if it were brought into account as an increase in the value of assets in the case of the relevant business for the applicable appropriate period of account of the company.
- (5) A period of account is an “appropriate period of account” if it ended before the current period of account and—
 - (a) the amount shown in column 1 of line 51 of Form 14 of the company's periodical return in respect of the relevant business for it, was more than
 - (b) the amount so shown for the period of account immediately before it;
 and the amount of the difference is “the relevant increase.”
- (6) The “applicable” appropriate period of account is the one which ended most recently (“the most recent appropriate period of account”).
- (7) But if the relevant increase in the case of the most recent appropriate period of account is less than the affected amount, the most recent appropriate period of account is the applicable appropriate period of account in relation to only so much of the affected amount as does not exceed that relevant increase.
- (8) In that case, the appropriate period of account which ended most recently before the most recent appropriate period of account is the applicable appropriate period of account in relation to so much of the remainder as does not exceed the relevant increase in the case of that appropriate period of account (and, where necessary, so on until the applicable appropriate period of account is established in relation to all of the affected amount or there are no more appropriate periods of account).
- (9) If the current period of account is not the first in relation to which this section has applied in the case of the business concerned, the amount of the relevant increase in the case of any appropriate period of account (“the period in question”) is to be treated as reduced by the relevant aggregate.
- (10) The “relevant aggregate” is the aggregate of so much of the affected amount for any period or periods of account earlier than the current period of account as was an amount to which section 432C applied as if it were brought into account as mentioned in subsection (4) for the period in question.
- (11) For the purposes of this section an insurance company which has elected under section 83YA(9) of the Finance Act 1989 (changes in value of assets brought into account: non-profit companies) to be treated as a non-profit company in relation to a period of account is to be regarded as a non-profit company in relation to the period of account.]

- (6) Where—
- (a) there is an amount shown in relation to the transferee's non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the first post-transfer period of account, and
 - (b) the amount so shown in column 1 of line 51 of Form 14 of the periodical return of the transferee for that period of account, or for any other period of account of the transferee ending after the transfer date, (an “affected period of account”) is less than the total chargeable excess amount,
- the relevant amount is to be brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for the affected period of account.
- (7) For this purpose “the relevant amount” is the amount by which—
- (a) the amount shown in relation to the transferee's non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the affected period of account, is less than
 - (b) the total chargeable excess amount less any amount brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for any earlier period of account by virtue of the operation of this section in relation to the transferee's non-profit fund.

- (4) Subsection (5) makes provision for a case where—
- a loss arises to an insurance company for an accounting period for which the profits of its life assurance business fall to be charged to tax [^{F1696}under section 35 of CTA 2009] by virtue of section 431G(3)(b),
 - the profits of that business for a subsequent accounting period are charged to tax under the I minus E basis, and

- (2) As respects each chargeable period of the independent community, and each person who is a qualifying member of the independent community at any time in that period, the independent community shall be treated for the purposes of corporation tax as if an amount of its profits for the chargeable period equal to the relevant amount (see subsections (5) to (7)) were income of the qualifying member.
- (3) Subsection (4) applies in a case where—

- (a) the community is established in the United Kingdom,
 - (b) the members of the community live and practise their religion in a communal establishment, and

^{M128}(1) For the purposes of this Chapter so much of any salary which—

- (a) is payable to the holder of a qualifying office who is also a Member of the House of Commons, and
- (b) is payable for a period in respect of which the holder is not a participant in relation to that office in arrangements contained in the Parliamentary pension scheme but is a participant in relation to his membership of the House of Commons in any such arrangements, or for any part of such a period,

as is equal to the difference between a Member's pensionable salary and the salary which (in accordance with any such resolution as is mentioned in subsection (3)(a) below) is payable to him as a Member holding that qualifying office shall be treated as remuneration from the office of Member and not from the qualifying office.

(2) In this section—

“Member's pensionable salary” means a Member's ordinary salary under any resolution of the House of Commons which, being framed otherwise than as an expression of opinion, is for the time being in force relating to the remuneration of Members or, if the resolution provides for a Member's ordinary salary thereunder to be treated for pension purposes as being at a higher rate, a notional yearly salary at that higher rate;

“the Parliamentary pension scheme” has the same meaning as in that Act; and without prejudice to the power conferred by virtue of paragraph 13 of Schedule 1 to that Act, regulations under section 2 of that Act may make provision specifying the circumstances in which a person is to be regarded for the purposes of this section as being or not being a participant in relation to his Membership of the House of Commons, or in relation to any office, in arrangements contained in the Parliamentary pension scheme.

(3) In subsection (2) above “a Member's ordinary salary”, in relation to any resolution of the House of Commons, means—

- (a) if the resolution provides for salary to be paid to Members at different rates according to whether or not they are holders of particular offices, or are in receipt of salaries or pensions as the holders or former holders of particular offices, a Member's yearly salary at the higher or highest rate; and
- (b) in any other case, a Member's yearly salary at the rate specified in or determined under the resolution.

- (3) The new rights shall not be regarded for the purposes of this paragraph as equivalent to the old rights unless—
 - (a) the shares to which they relate satisfy the conditions specified, in relation to scheme shares, in paragraphs 10 to 14 above; and
 - (b) the new rights will be exercisable in the same manner as the old rights and subject to the provisions of the scheme as it had effect immediately before the release of the old rights; and
 - (c) the total market value, immediately before the release, of the shares which were subject to the participant's old rights is equal to the total market value, immediately after the grant, of the shares in respect of which the new rights are granted to the participant; and
 - (d) the total amount payable by the participant for the acquisition of shares in pursuance of the new rights is equal to the total amount that would have been payable for the acquisition of shares in pursuance of the old rights.
- (4) Where any new rights are granted pursuant to a provision included in a scheme by virtue of this paragraph they shall be regarded—
 - (a) for the purposes of section 185 and this Schedule; and
 - (b) for the purposes of the subsequent application (by virtue of a condition complying with sub-paragraph (3)(b) above) of the provisions of the scheme, as having been granted at the time when the corresponding old rights were granted.
- (5) ^{M212}Where a scheme which was approved before 1st August 1987 is altered before 1st August 1989 so as to include such a provision as is mentioned above (“an exchange provision”), the scheme as altered may by virtue of this and the following sub-paragraphs apply that provision to rights obtained under the scheme before the date on which the alteration takes effect.
- (6) If an exchange provision is applied as mentioned in sub-paragraph (5) above in a case where, on or after 17th March 1987 but before the date on which the alteration takes effect, an event has occurred by reason of which a person holding rights under the scheme would be able to take advantage of the exchange provision—
 - (a) the scheme may permit a person who held rights under the scheme immediately before that event to take advantage of the exchange provision; and
 - (b) in a case where rights then held would otherwise, by reason of the event, have ceased to be exercisable, the scheme may provide that the exchange provision shall apply as if the rights were still exercisable.
- (7) The application of an exchange provision as mentioned in sub-paragraph (5) or (6) above shall not itself be regarded for the purposes of this Schedule as the acquisition of a right.
- (8) Sub-paragraphs (5) and (6) above have effect subject to paragraph 4 above.

- (4) Where a scheme approved before the date of the passing of the Finance Act 1996 is altered before 5th May 1998 so as to include such a provision as is specified in sub-paragraph (1)(f) above, the scheme may apply the provision to rights obtained under the scheme before the alteration takes effect, whether the bonus date in relation to the rights occurred before or after the passing of that Act; and where the provision is applied to such rights by virtue of this sub-paragraph, its application to such rights shall not itself be regarded as the acquisition of a right for the purposes of this Schedule.

This sub-paragraph has effect subject to paragraph 4 above.

- 24 (1) The scheme must provide for a person's contributions under the certified contractual savings scheme to be of such amount as to secure as nearly as may be repayment of an amount equal to that for which shares may be acquired in pursuance of rights obtained under the scheme; and for this purpose the amount of repayment under the certified contractual savings scheme shall be determined as mentioned in paragraph 17 above.
- (2) The scheme must not—

- (b) must not be manifestly less than 80% of the market value of shares of the same class at that time or, if the Board and the grantor agree in writing, at such earlier time or times as may be provided in the agreement,

but the scheme may provide for such variation of the price as may be necessary to take account of any variation in the share capital of which the scheme shares form part.

must be eligible to participate in the scheme, that is to say, to obtain and exercise rights under it, on similar terms, and those who do participate in the scheme must actually do so on similar terms.

- (2) For the purposes of sub-paragraph (1) above, the fact that the rights to be obtained by the persons participating in a scheme vary according to the levels of their remuneration, the length of their service or similar factors shall not be regarded as meaning that they are not eligible to participate in the scheme on similar terms or do not actually do so.
- (3) Except as provided by paragraph 19 above or pursuant to such a provision as is referred to in paragraph 21(1)(e) or (f) above, a person must not be eligible to participate in the scheme at any time unless he is at that time a director or employee of the grantor or, in the case of a group scheme, of a participating company.

of such a term and during the life of a specified person, the policy must provide that any payment made by reason of its surrender during the period is not to exceed the total premiums previously paid under the policy.

(5) Except where—

- (a) the capital sum referred to in sub-paragraph (1) above is payable only in the circumstances mentioned in sub-paragraph (3) or (4) above; and
- (b) the policy does not provide for any payment on the surrender in whole or in part of the rights conferred by it; and
- (c) the specified term mentioned in sub-paragraph (3) or, as the case may be, (4) above ends at or before the time when the person whose life is insured attains the age of 75 years;

(7) ^{M271} Notwithstanding sub-paragraph (1)(b) above, if a policy secures a capital sum payable only on death, it may also secure benefits (including benefits of a capital nature) to be provided in the event of a person's disability; and no policy is to be regarded for the purposes of that provision as securing other benefits by reason only of the fact that—

SPECIAL TYPES OF POLICY

(i) Friendly Society policies

- 3 (1) ^{M275} Paragraphs 1 and 2 above do not apply to a policy issued by a [^{F3800} friendly society] in the course of tax exempt life or endowment business in respect of an insurance made or varied on or after 19th March 1985, but such a policy shall not be a qualifying policy unless—
- (a) in the case of a policy for the assurance of a gross sum or annuity, the conditions in sub-paragraph (2) are fulfilled with respect to it; and
 - (b) in the case of a policy for the assurance of a gross sum, the conditions in sub-paragraphs (5) to (11) below are fulfilled with respect to it; ^{F3801} . . .
 - ^{F3801}(c)
- (2) The conditions referred to in sub-paragraph (1) above are as follows—

 - (i) the making of the insurance or, where the contract provides for the term to begin on a date not more than three months earlier than the making of the insurance, that date, and
 - (ii) the time when the gross sum assured is payable (or, as the case may be, when the first instalment of the annuity is payable),
 shall be not less than ten years, and must not, on any contingency other than the death, or retirement on grounds of ill health, of the person liable to pay the premiums or whose life is insured, become less than ten years;
 - (b) subject to sub-paragraph (4) below, the premiums payable under the policy shall be premiums of equal or rateable amounts payable at yearly or shorter intervals over the whole term of the policy of assurance, or over the whole term of the policy of assurance apart from any period after the person liable to pay the premiums or whose life is insured attains a specified age, being an age which he will attain at a time not less than ten years after the beginning of the term of the policy of assurance;
 - ^{F3802}(c)
- (3) Notwithstanding sub-paragraph (2)(a) above, the policy—
- (a) may provide for a payment to a person of an age not exceeding 18 years at any time not less than five years from the beginning of the term of the policy if the premium or premiums payable in any period of 12 months in the term of the policy do not exceed £13;
 - (b) may provide for a payment at any time not less than five years from the beginning of the term of the policy, if it is one of a series of payments falling due at intervals of not less than five years, and the amount of any payment, other than the final payment, does not exceed four-fifths of the premiums paid in the interval before its payment.

For the purposes of paragraph (a) above, if the term begins on a date earlier than the making of the insurance, any premium paid in respect of a period before the making of the insurance, or in respect of that period and a subsequent period, shall be treated as having been payable on that date.

 - (b) may allow the person liable to pay the premiums to commute any liability for premiums where he ceases to reside in the United Kingdom or gives satisfactory proof of intention to emigrate;
 - (c) may allow any liability for premiums to be discharged in consideration of surrendering a sum which has become payable on the maturity of any other policy of assurance issued by the same friendly society [^{F3803}(or any predecessor of it)] to the person liable to pay the premiums, or to his parent, where that other policy of assurance is issued as part of the friendly society's tax exempt life or endowment business; and

- (11) For the purposes of sub-paragraphs (5) to (7) and (10) above, in the case of a policy which provides for any such payments as are referred to in sub-paragraph (3) above (“interim payments”), the amount of the capital sum which is payable on any event shall be taken to be increased—
- (a) in the case of a policy which secures such a capital sum as is referred to in sub-paragraph (5) above, by the total of the interim payments which would be payable if the death of the relevant beneficiary (within the meaning of that sub-paragraph) occurred at the age of 75; and

- 19 (1) ^{M292} The following provisions of this paragraph shall have effect for determining for the purposes of this Schedule whether a policy has been varied or whether a policy which confers on the person to whom it is issued an option to have another policy substituted for it or to have any of its terms changed is a qualifying policy.
- (2) If the policy is one issued in respect of an insurance made before 1st April 1976—
- (a) any such option shall, until it is exercised, be disregarded in determining whether the policy is a qualifying policy; and

5 The amount of the reduction to be made in respect of the payment shall be arrived at by—

- 1 The provisions of this Part of this Schedule have effect for the purposes of paragraph (a) of subsection (1) of section 748 and the other provisions of Chapter IV of Part XVII which refer to a company pursuing an acceptable distribution policy.

Status: Point in time view as at 19/07/2011. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

-
- 2 (1) Subject to paragraph 2A below, a controlled foreign company pursues an acceptable distribution policy in respect of a particular accounting period if, and only if—
- (a) a dividend which is not paid out of specified profits is paid for that accounting period . . . ; and
 - (b) the dividend is paid during, or not more than eighteen months after the expiry of, that period or at such later time as the Board may, in any particular case, allow; and
 - (c) *the dividend is paid at a time when the company is not resident in the United Kingdom (whether or not it is at that time a controlled foreign company); and*
 - (d) the amount of the dividend or, if there is more than one, of the aggregate of those dividends which is paid to persons resident in the United Kingdom is not less than 90 per cent. of the company's net chargeable profits for the accounting period referred to in paragraph (a) above or, where sub-paragraph (4) or (5) below applies, of the appropriate portion of those profits;

-
- (1A) A payment of dividend to a company shall not fall within sub-paragraph (1)(d) above unless it is taken into account in computing the company's income for corporation tax and—
- (a) it is chargeable neither under Chapter 2 of Part 3 of CTA 2009 as profits of a trade carried on wholly or partly in the United Kingdom nor under section 436A (gross roll-up business: separate charge on profits); or
 - (b) if it is chargeable under Chapter 2 of Part 3 of CTA 2009 as profits of a trade carried on wholly or partly in the United Kingdom, or under section 436A, it is not involved in a UK tax avoidance scheme;

and paragraph 2B below has effect for the purposes of paragraph (b) above.

- (1B) A dividend paid by a company shall not fall within sub-paragraph (1)(d) above if, and to the extent that, the profits which are the relevant profits in relation to the dividend derive from dividends or other distributions paid to the company at any time which are dividends or other distributions—
- (a) to which section 1285 of CTA 2009 applied; or
 - (b) to which that section would have applied if the company had been resident in the United Kingdom at that time.

Subsections (3) and (4) of section 799 (double taxation relief: computation of underlying tax) apply for the purposes of this sub-paragraph as they apply for the purposes of subsection (1) of that section.

- (2)
- (3) For the purposes of this paragraph and paragraph 2A below, a dividend which is not paid for the period or periods the profits of which are, in relation to the dividend, the relevant profits for the purposes of section 799 shall be treated (subject to sub-paragraph (3A) below) as so paid.
- (3A) For the purposes of this paragraph and paragraph 2A below—
- (a) where a dividend is paid for a period which is not an accounting period but falls wholly within an accounting period, it shall be treated as paid for that accounting period, and

Status: Point in time view as at 19/07/2011. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) where a dividend (“the actual dividend”) is paid for a period which falls within two or more accounting periods—
- (i) it shall be treated as if it were a number of separate dividends each of which is paid for so much of the period as falls wholly within an accounting period, and
 - (ii) the necessary apportionment of the amount of the actual dividend shall be made to determine the amount of the separate dividends.

(4) This sub-paragraph applies where—

- (a) throughout the accounting period in question all the issued shares of the controlled foreign company are of a single class, and
- (b) at the end of that accounting period some of those shares are held by persons resident outside the United Kingdom, and
- (c) at no time during that accounting period does any person have an interest in the company other than an interest derived from the issued shares of the company;

and in a case where this sub-paragraph applies the appropriate portion for the purposes of sub-paragraph (1)(d) above is the fraction of which the denominator is the total number of the issued shares of the company at the end of the accounting period in question and, subject to sub-paragraph (8) below, the numerator is the number of those issued shares by virtue of which persons resident in the United Kingdom have interests in the company at that time.

(5) This sub-paragraph applies where—

- (a) throughout the accounting period in question there are only two classes of issued shares of the controlled foreign company and, of those classes, one (“non-voting shares”) consists of non-voting fixed-rate preference shares and the other (“voting shares”) consists of shares which carry the right to vote in all circumstances at general meetings of the company; and
- (b) at the end of that accounting period some of the issued shares of the company are held by persons resident outside the United Kingdom; and
- (c) at no time during that accounting period does any person have an interest in the company other than an interest derived from non-voting or voting shares;

and in a case where this sub-paragraph applies the appropriate portion of the profits referred to in sub-paragraph (1)(d) above is the amount determined in accordance with sub-paragraph (6) below.

(6) The amount referred to in sub-paragraph (5) above is that given by the formula—

$$\frac{PyQ}{R} + \frac{(X - P)yY}{Z}$$

where—

P is the amount of any dividend falling within (a) and (b) of sub-paragraph (1) above which is paid in respect of the non-voting shares or, if there is more than one such dividend, of the aggregate of them;

Q is, subject to sub-paragraph (8) below, the number of the non-voting shares by virtue of which persons resident in the United Kingdom have interests in the company at the end of the accounting period in question;

R is the total number at that time of the issued non-voting shares;

Status: Point in time view as at 19/07/2011. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

X is the net chargeable profits for the accounting period in question;
Y is, subject to sub-paragraph (8) below, the number of voting shares by virtue of which persons resident in the United Kingdom have interests in the company at the end of that accounting period; and
Z is the total number at that time of the issued voting shares.

- (7) For the purposes of sub-paragraph (5)(a) above, non-voting fixed-rate preference shares are shares—
- (a) which are fixed-rate preference shares as defined in paragraph 1 of Schedule 18; and
 - (b) which either carry no right to vote at a general meeting of the company or carry such a right which is contingent upon the non-payment of a dividend on the shares and which has not in fact become exercisable at any time prior to the payment of a dividend for the accounting period in question.
- (8) In any case where the immediate interests held by persons resident in the United Kingdom who have indirect interests in a controlled foreign company at the end of a particular accounting period do not reflect the proportion of the shares or, as the case may be, shares of a particular class in the company by virtue of which they have those interests (as in the case where they hold, directly or indirectly, part of the shares in a company which itself holds, directly or indirectly, some or all of the shares in the controlled foreign company) the number of those shares shall be treated as reduced for the purposes of sub-paragraph (4) or (6) above, as the case may be, to such number as may be appropriate having regard to—
- (a) the immediate interests held by the persons resident in the United Kingdom; and
 - (b) any intermediate shareholdings between those interests and the shares in the controlled foreign company.
- (9) The definition of “profits” in section 747(6)(b) does not apply to any reference in this paragraph to specified profits or to relevant profits for the purposes of section 799.

-
- 2A (1) Paragraph 2 above shall have effect in accordance with this paragraph to determine whether a controlled foreign company . . . pursues an acceptable distribution policy in respect of a particular accounting period (“the relevant accounting period”).
- (2) Subject to sub-paragraphs (4) and (4A) below, where the distribution condition is satisfied in relation to the relevant accounting period, then, in addition to any dividend which falls within paragraph 2(1)(a) above apart from this paragraph—
- (a) any dividend which is paid for the accounting period (“the preceding period”) immediately preceding the relevant accounting period and which is not an excluded dividend shall be treated as falling within that paragraph, and
 - (b) if the distribution condition is satisfied in relation to the preceding period, any dividend which is paid for the accounting period immediately preceding the preceding period and which is not an excluded dividend shall be treated as falling within that paragraph,
- and so on; and in this sub-paragraph “dividend” means a dividend not paid out of specified profits.
- (3) For the purposes of this paragraph, the distribution condition is satisfied in relation to any accounting period if—

- (a) a dividend or dividends are paid for the period to persons resident in the United Kingdom,
 - (b) the amount or, as the case may be, aggregate amount of any dividends falling within paragraph (a) above is not less than—
 - (i) the relevant profits for that period, or
 - (ii) where paragraph 2(4) or (5) above applies (with the modifications of paragraph 2 made by sub-paragraph (5) below), the appropriate portion of those profits, and
 - (c) any dividends falling within that paragraph are paid not later than the time by which any dividend paid for the relevant accounting period is required by paragraph 2(1)(b) above to be paid;
- or if there are no relevant profits for the period.
- (4) Where, by reason only of the fact that a company pursued an acceptable distribution policy in respect of any accounting period (“the earlier period”) earlier than the relevant accounting period, no apportionment under section 747(3) fell to be made in respect of the earlier period, sub-paragraph (2) above shall apply to any dividend required to be taken into account for the purpose of showing that the company pursued an acceptable distribution policy in respect of the earlier period only to the extent (if any) to which that dividend was not required to be taken into account for that purpose.
- (4A) Sub-paragraph (2) does not apply where the distribution condition is satisfied in relation to the relevant accounting period, but—
- (a) the relevant profits for that period do not include income within sub-paragraph (4B), and
 - (b) if that income were included, the distribution condition would not be satisfied in relation to that period.
- (4B) The income within this sub-paragraph is—
- (a) any income which accrues during the relevant accounting period to the trustees of a settlement in relation to which the company is a settlor or a beneficiary, and
 - (b) any income which accrues during that period to a partnership of which the company is a partner, apportioned between the company and the other partners on a just and reasonable basis.
- (4C) Where there is more than one settlor or beneficiary in relation to the settlement mentioned in sub-paragraph (4B)(a), the income is to be apportioned between the company and the other settlors or beneficiaries on a just and reasonable basis.
- (4D) In sub-paragraph (4B)(b) “partnership” includes an entity established under the law of a country or territory outside the United Kingdom of a similar character to a partnership; and “partner” is to be read accordingly.
- (5) The modifications of paragraph 2 above referred to in sub-paragraph (3)(b) above are that—
- (a) the references in sub-paragraphs (4) and (5) to the accounting period in question are to be read as references to the accounting period for which the dividend or dividends are paid,
 - (b) the references in those sub-paragraphs to sub-paragraph (1)(d) are to be read as references to sub-paragraph (3)(b) above, and

(c) the reference in the definition of “X” in sub-paragraph (6) to net chargeable profits is to be read as a reference to relevant profits.

(6)

(7)

(8) For the purposes of this paragraph—

- (aa) a dividend is an excluded dividend if it is paid, in whole or in part, out of the total profits from which (in accordance with section 747(6)(a)) the chargeable profits for an excluded period are derived,
- (a) a period is an excluded period if it is an accounting period in respect of which an apportionment under section 747(3) falls to be made, and
- (b) relevant profits for any accounting period are the profits which would be the relevant profits of that period for the purposes of section 799 if a dividend were actually paid for that period.

.....

- 2B (1) This paragraph has effect for the purposes of paragraph 2(1A)(b) above.
- (2) No payment of dividend by a controlled foreign company for an accounting period shall be regarded as involved in a UK tax avoidance scheme by reason only that there is no charge to tax under section 747(4)(a) if the controlled foreign company pursues an acceptable distribution policy for that accounting period.
- (3) “UK tax avoidance scheme” means a scheme or arrangement the purpose, or one of the main purposes, of which is to achieve a reduction in United Kingdom tax.
- (4) A scheme or arrangement achieves a reduction in United Kingdom tax if, apart from the scheme or arrangement, any company—
- (a) would have been liable for any such tax or for a greater amount of any such tax; or
 - (b) would not have been entitled to a relief from or repayment of any such tax or would have been entitled to a smaller relief from or repayment of any such tax.
- (5) In this paragraph—
- “arrangement” means an arrangement of any kind, whether in writing or not;
 - “United Kingdom tax” means corporation tax or any tax chargeable as if it were corporation tax.

(4A) Subject to sub-paragraph (5) below, for the purposes of this Part of this Schedule, the net chargeable profits of a controlled foreign company for any accounting period are—

- (a) its chargeable profits for that period, less
- (b) the amount (if any) which, if an apportionment under section 747(3) fell to be made in respect of the period, would be the company's unrestricted creditable tax for that period;

and for the purposes of this sub-paragraph “unrestricted creditable tax” in relation to a company's accounting period means the amount which would be its creditable tax for that period if the reference in section 751(6)(a) to Part XVIII did not include section 797.

(5) In any case where—

- (a) a controlled foreign company pays a dividend for any period out of specified profits, and
- (b) those profits represent dividends received by the company, directly or indirectly, from another controlled foreign company,

so much of those specified profits as is equal to the dividend referred to in paragraph (a) above shall be left out of account in determining, for the purposes of this Part of this Schedule, . . . the chargeable profits of the controlled foreign company referred to in that paragraph for any accounting period.

.....

4 (1) For the purposes of this Part of this Schedule, where—

- (a) a controlled foreign company pays a dividend (“the initial dividend”) to another company which is also not resident in the United Kingdom, and
- (b) that other company or another company which is related to it pays a dividend (“the subsequent dividend”) to a United Kingdom resident, and
- (c) *the subsequent dividend is paid at a time when the company paying it is not resident in the United Kingdom; and*
- (d) the subsequent dividend is paid out of profits which are derived, directly or indirectly, from the whole or part of the initial dividend,

so much of the initial dividend as is represented by the subsequent dividend shall be regarded as paid to the United Kingdom resident and shall be taken to satisfy the conditions in paragraph 2(1A) above.

(1A) A payment to a company shall not be a subsequent dividend within the meaning of sub-paragraph (1)(b) above unless it is taken into account in computing the company's income for corporation tax and—

- (a) it is chargeable neither under Chapter 2 of Part 3 of CTA 2009 as profits of a trade carried on wholly or partly in the United Kingdom nor under section 436A (gross roll-up business: separate charge on profits); or
- (b) if it is chargeable under Chapter 2 of Part 3 of CTA 2009 as profits of a trade carried on wholly or partly in the United Kingdom, or under section 436A, it is not involved in a UK tax avoidance scheme;

and paragraph 4A below has effect for the purposes of paragraph (b) above.

(2) For the purposes of this paragraph, one company is related to another if neither is resident in the United Kingdom and the other—

- 4A (1) This paragraph has effect for the purposes of paragraph 4(1A)(b) above.
- (2) No payment to a company resident in the United Kingdom which represents the whole or part of a dividend paid by a controlled foreign company for an accounting period shall be regarded as involved in a UK tax avoidance scheme by reason only that—
- (a) there is no charge to tax under section 747(4)(a) if the controlled foreign company pursues an acceptable distribution policy for that accounting period, and
 - (b) so much of the dividend as is represented by that payment will (if paragraph 4(1) above has effect) fall to be brought into account in determining whether the controlled foreign company has done so.
- (3) “UK tax avoidance scheme” means a scheme or arrangement the purpose, or one of the main purposes, of which is to achieve a reduction in United Kingdom tax.
- (4) A scheme or arrangement achieves a reduction in United Kingdom tax if, apart from the scheme or arrangement, any company—
