9 Computation of income: application of income tax principles.

- (1) ^{M5} Except as otherwise provided by the Tax Acts, the amount of any income shall for purposes of corporation tax be computed in accordance with income tax principles, all questions as to the amounts which are or are not to be taken into account as income, or in computing income, or charged to tax as a person's income, or as to the time when any such amount is to be treated as arising, being determined in accordance with income tax law and practice as if accounting periods were years of assessment.
- (2) For the purposes of this section “income tax law” means, in relation to any accounting period, the law applying, for the year of assessment in which the period ends, to the charge on individuals of income tax, except that it does not include ^{F20}—

(2B) Instead, income shall continue to be computed, and the assessment shall continue to be made, for purposes of corporation tax under Schedules A and D and the Cases of Schedule D.

(2C) For (but only for) the purpose of continuing to apply for purposes of corporation tax, those Schedules and Cases are treated as if they were still part of income tax law (and therefore applied in accordance with subsection (1) above for purposes of corporation tax).]

(3) Accordingly, for purposes of corporation tax, income shall be computed, and the assessment shall be made, under—

- ^{F23}(a) Schedules A ^{F24}and D] and the Cases of ^{F25}Schedule D]^{F26} . . . , and

 - (ii) Part 9 (pension income), and
 - (iii) Part 10 (social security income).]

and in accordance with the provisions applicable to those Schedules and Cases ^{F27}and those Parts], but (subject to the provisions of the Corporation Tax Acts) the amounts so computed for the several sources of income, if more than one, together with any amount to be included in respect of chargeable gains, shall be aggregated to arrive at the total profits.

(4) Without prejudice to the generality of subsection (1) above, any provision of the Income Tax Acts ^{F28}(other than ITTOIA 2005 ^{F29}and ITA 2007)] which confers an exemption from income tax, or which provides for a person to be charged to income tax on any amount (whether expressed to be income or not, and whether an actual amount or not), shall, except as otherwise provided, have the like effect for purposes of corporation tax.

(5) Where, by virtue of this section or otherwise, any enactment applies both to income tax and to corporation tax—

- (a) it shall not be affected in its operation by the fact that they are distinct taxes but, so far as is consistent with the Corporation Tax Acts, shall apply in relation to income tax and corporation tax as if they were one tax, so that,

- (b) for that purpose references in any such enactment to a relief from or charge to income tax, or to a specified provision of the Income Tax Acts shall, in the absence of or subject to any express adaptation, be construed as being or including a reference to any corresponding relief from or charge to corporation tax, or to any corresponding provision of the Corporation Tax Acts.
- (6) ^{F30} . . . Nothing in this section shall be taken to mean that income arising in any period is to be computed by reference to any other period (except in so far as this results from apportioning to different parts of a period income of the whole period).

[^{F35} 11AA Determination of profits attributable to permanent establishment

- (1) This section provides for determining for the purposes of corporation tax the amount of the profits attributable to a permanent establishment in the United Kingdom of a company that is not resident in the United Kingdom (“the non-resident company”).
- (2) There shall be attributed to the permanent establishment the profits it would have made if it were a distinct and separate enterprise, engaged in the same or similar activities under the same or similar conditions, dealing wholly independently with the non-resident company.
- (3) In applying subsection (2)—
 - (a) it shall be assumed that the permanent establishment has the same credit rating as the non-resident company, and
 - (b) it shall also be assumed that the permanent establishment has such equity and loan capital as it could reasonably be expected to have in the circumstances specified in that subsection.

No deduction may be made in respect of costs in excess of those that would have been incurred on those assumptions.

- (4) There shall be allowed as deductions any allowable expenses incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the United Kingdom or elsewhere.

“Allowable expenses” means expenses of a kind in respect of which a deduction would be allowed for corporation tax purposes if incurred by a company resident in the United Kingdom.

- (5) The Board may by regulations make provision as to the application of subsection (2) in relation to insurance companies.

The regulations may, in particular, make provision in place of subsection (3)(b) as to the basis on which, in the case of insurance companies, capital is to be attributed to a permanent establishment in the United Kingdom. In this subsection “insurance company” has the meaning given by section 431(2).

- (6) Schedule A1 to this Act contains provisions supplementing the provisions of this section.]

- (4) In applying subsection (3) above to any accounting period of a company, an associated company which has not carried on any trade or business at any time in that accounting period (or, if an associated company during part only of that accounting period, at any time in that part of that accounting period) shall be disregarded and for the purposes of this section a company is to be treated as an “associated company” of another at a given time if at that time one of the two has control of the other or both are under the control of the same person or persons.

[^{F206}37A Section 37(4) and reductions in receipts under ITTOIA 2005

- (1) This section applies if—
- (a) in calculating the amount that falls to be treated as a receipt of a UK property business under Chapter 4 of Part 3 of ITTOIA 2005 (“the ITTOIA receipt”), there is a reduction under section 288 of that Act by reference to a taxed receipt, and
 - (b) the taxed receipt is the amount chargeable on the superior interest for the purposes of section 37.

Status: Point in time view as at 06/04/2007. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Section 37(4) shall apply for the period in respect of which the ITTOIA receipt arose only if the appropriate fraction of the amount chargeable on the superior interest exceeds the amount of the ITTOIA receipt given by the formula in section 277, 279, 280, 281 or 282 of ITTOIA 2005, as the case may be.
- (3) Section 37(4) shall then apply as if the amount chargeable on the superior interest were reduced in the proportion which that excess bears to that appropriate fraction.
- (4) Subsection (5) applies if—
 - (a) the ITTOIA receipt is in respect of a lease granted out of the taxed lease,
 - (b) the taxed lease is the head lease for the purposes of section 37, and
 - (c) the lease granted as mentioned in paragraph (a) does not extend to the whole of the premises subject to the head lease.
- (5) Section 37(4) and subsections (2) and (3) above shall be applied separately to the part of the premises subject to the lease and to the remainder of the premises, but as if for any reference to the amount chargeable on the superior interest there were a reference to that amount proportionately adjusted.
- (6) For the purposes of this section the appropriate fraction of the amount chargeable on the superior interest is the fraction—

$$\frac{A}{B}$$

where—

A is the period in respect of which the ITTOIA receipt arose, and

B is the period in respect of which the amount chargeable on the superior interest arose for the purposes of section 37.

- (7) For the purposes of this section the period in respect of which an ITTOIA receipt arose is its receipt period (within the meaning of Chapter 4 of Part 3 of ITTOIA 2005 (see section 288(6))).
- (8) In this section the following expressions have the same meaning as in Chapter 4 of Part 3 of ITTOIA 2005—
 - “reduction under section 288 by reference to a taxed receipt” (see section 290(6) of that Act),
 - “taxed lease” (see section 287(4) of that Act), and
 - “taxed receipt” (see section 287(4) of that Act).
- (9) In the application of this section to Scotland, references to a lease granted out of a taxed lease are to be construed as references to a sublease of land subject to the taxed lease.]

38 Rules for ascertaining duration of leases.

- (1)^{M39}In ascertaining the duration of a lease for the purposes of sections 34 to 36—
- (a) in any case where—
- (i) any of the terms of the lease (whether relating to forfeiture or any other matter) or any other circumstances render it unlikely that the lease will continue beyond a date falling before the expiry of the term of the lease, and
- (ii) the premium was not substantially greater than it would have been, on the assumptions required by subsections (3) and (4) below, had the term been one expiring on that date,
- the lease shall not be treated as having been granted for a term longer than one ending on that date;
- (b) where the terms of the lease include provision for the extension of the lease beyond a given date by notice given by the tenant, account may be taken of any circumstances making it likely that the lease will be so extended; and
- (c) where the tenant or a person connected with him (within the meaning of section 839) is or may become entitled to a further lease or the grant of a further lease (whenever commencing) of the same premises or of premises including the whole or part of the same premises, the term of the lease may be treated as not expiring before the term of the further lease.
- (2)^{M40}Subsection (1) above shall be applied by reference to the facts which were known or ascertainable at the time of the grant of the lease, or in relation to [^{F207}corporation tax] under section 34(5), at a time when the contract providing for the variation or waiver is entered into.
- (3) It shall be assumed in applying subsection (1) above that all parties concerned, whatever their relationship, act as they would act if they were at arm's length.
- (4) In any case where—
- (a) by the lease or in connection with the granting of it benefits were conferred other than—
- (i) vacant possession and beneficial occupation of the premises, or
- (ii) the right to receive rent at a reasonable commercial rate in respect of the premises, or
- (b) payments were made which would not be expected to be made by parties acting at arm's length if no other benefits had been so conferred,
- it shall also be assumed, unless it [^{F208}can be] shown that the benefits were not conferred or the payments made for the purpose of securing a [^{F209}corporation tax advantage in the application of this Part or an income tax advantage in the application of Chapter 4 of Part 3 of ITTOIA 2005], that the benefits would not have been conferred nor the payments made had the lease been for a term ending on the date mentioned in subsection (1)(a) above.
- (5)^{M41}Where an inspector has reason to believe that a person has information relevant to the ascertainment of the duration of a lease in accordance with subsections (1) to (4) above, the inspector may by notice require him to give, within a time specified in the notice, such information on the matters so specified as is in his possession; but a solicitor shall not be so required to do more, in relation to anything done by him on behalf of a client, than state that he is or was so acting and give the name and address of his client.

F333 S. 75B inserted (22.7.2004) by Finance Act 2004 (c. 12), s. 45(1) (with s. 45(2)(3))

[^{F334}76 Expenses of insurance companies

(1) In computing for the purposes of corporation tax the profits for any accounting period of a company—

- (a) which carries on life assurance business, and
- (b) which is not charged to tax in respect of that business under Case I of Schedule D,

section 75 is not to apply in computing the profits of that business, but a deduction for expenses payable (the “expenses deduction”) is to be allowed in accordance with the following provisions of this section.

See also subsection (14) below for the application of this section in relation to a company which carries on capital redemption business.

(2) The expenses deduction is to be made from so much of the income and gains of the accounting period referable to basic life assurance and general annuity business as remains after any deduction falling to be made by virtue of paragraph 4(2) of Schedule 11 to the Finance Act 1996 (non-trading deficits on loan relationships).

(3) For the purposes of this section “expenses payable” means expenses brought into account in line 12, 22 or 25 of Form 40 (the revenue account) in the periodical return of the company for a period of account, but does not include any of the amounts falling within subsection (4), (5) or (6) below.

(4) The amounts falling within this subsection are the following—

- (a) reinsurance premiums,
- (b) refunds of premiums,
- (c) profit commissions and profit participations (however described),
- (d) expenses or other amounts payable, to the extent that the company’s purpose in incurring the liability to make the payment is not a business or other commercial purpose of the company.

For the purposes of paragraph (d) above, it is not one of the business or commercial purposes of a company to incur a liability to pay an amount of commission or other expenses which exceeds the amount which it could reasonably be expected to pay if the company were charged to tax under Case I of Schedule D in respect of its life assurance business.

(5) The amounts falling within this subsection are any amounts payable in connection with a policy or contract to—

- (a) a policy holder or annuitant under the policy or contract (except where the policy holder is an insurance company),

Status: Point in time view as at 06/04/2007. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) any other person who is entitled to receive benefits under the policy or contract,
 - (c) any person acting on behalf of a person falling within paragraph (a) or (b) above,
 - (d) the personal representatives of a deceased person who fell within paragraphs (a) to (c) above.
- (6) The amounts falling within this subsection are expenses of a capital nature.

But this subsection does not apply in the case of an amount which, by virtue of any provision of the Tax Acts other than this section, falls to be treated for the purposes of this section as expenses payable which fall to be brought into account at Step 1 in subsection (7) below (the reference to Step 1 being express in the provision).

- (7) The amount of the expenses deduction for an accounting period is found by taking the following steps—

Step 1

Find so much of the expenses payable as are—

- (a) attributable to basic life assurance and general annuity business (see subsection (8) below), and
- (b) referable to the accounting period (see subsection (9) below).

Step 2

Reduce each of the amounts found at Step 1 by excluding so much of the amount as is—

- (a) deductible in computing income for the purposes of Schedule A,
- (b) deductible by virtue of section 85(2B) of the Finance Act 1989, or
- (c) deductible by virtue of section 121(3) in computing income from the letting of rights to work minerals in the United Kingdom.

Step 3

Find the amounts (so far as not included at Step 1) which fall to be treated for the purposes of this section as expenses payable for the accounting period by virtue of any of the following provisions—

section 432AB(3) (Schedule A loss or an overseas property business loss referable to basic life assurance and general annuity business);

section 437(1A) (relief for income element of new annuities);

section 587B(8)(b)(i) (relief for company carrying on life assurance business in relation to gifts of shares and securities);

paragraph 16(1) of Schedule 7 to the Finance Act 1991 (transitional relief for old annuities);

paragraph 4(4)(b) of Schedule 11 to the Finance Act 1996 (carried forward non-trading deficit on loan relationships produced by separate computation for basic life assurance and general annuity business);

section 256(2)(a) of the Capital Allowances Act (capital allowances on plant and machinery used in the management of life assurance business);

paragraph 23 of Schedule 22 to the Finance Act 2001 (150% relief in respect of the remediation expenditure on contaminated land owned by a company carrying on life assurance business and acquired to be a management asset);

paragraph 13(2) of Schedule 12 to the Finance Act 2002 (125% of relevant expenditure on R&D in the case of a life assurance company);

Status: Point in time view as at 06/04/2007. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

paragraph 23(2) of Schedule 13 to the Finance Act 2002 (150% of relevant expenditure on research into vaccines in the case of a life assurance company); paragraph 36(3) of Schedule 29 to the Finance Act 2002 (relief for non-trading loss on intangible fixed assets).

Step 4

Give effect to the provisions specified in Step 3 by adding together—

- (a) so much of the amounts found at Step 1 as remains after making any reductions at Step 2, and
- (b) the amounts found at Step 3,

and then deduct the amount of any reversal (wherever brought into account) of an expense included at Step 1 in a previous period, to give Subtotal 1.

Step 5

If the whole or any part of a loss arising to the company in respect of its life assurance business in the accounting period is set off under section 393A or 403(1)

- (a) find the amount (“amount L”) that is equal to so much of the loss as, in the aggregate, is so set off,
- (b) find the sum (“amount S”) of the amounts by which any losses for that period under section 436 or 439B fall to be reduced under section 434A(2)(b),
- (c) from amount L deduct amount S, to give the adjusted loss deduction,

then reduce Subtotal 1 by deducting from it the adjusted loss deduction, to give Subtotal 2.

Step 6

Give effect to subsection (6) of section 86 of the Finance Act 1989 (spreading of acquisition expenses) by—

- (a) finding the amount that is equal to six-sevenths of the adjusted amount of the acquisition expenses (within the meaning of that section) for the accounting period, and
- (b) deducting that amount from Subtotal 2,

to give Subtotal 3.

Step 7

Add together the following amounts—

- (a) Subtotal 3, and
- (b) any amounts carried forward to the accounting period under subsection (12) or (13) below (unrelieved excesses from earlier accounting periods),

to give Subtotal 4.

Step 8

Give effect to subsections (8) and (9) of section 86 of the Finance Act 1989 (fraction of adjusted amount of acquisition expenses for earlier accounting periods) by adding together—

- (a) Subtotal 4, and
- (b) any amounts which are to be relieved under this section by virtue of those subsections,

to give the basic deduction.

Step 9

Status: Point in time view as at 06/04/2007. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

If—

(a) amount D1 (see subsection (10) below), exceeds

(b) amount R (see subsection (11) below),

deduct an amount equal to the excess from the basic deduction.

Step 10: the amount of the expenses deduction

The amount of the expenses deduction is so much of the basic deduction (see Step 8) as remains after making any deduction required at Step 9.

- (8) For the purposes of Step 1, the expenses that are attributable to basic life assurance and general annuity business are the expenses which are attributable to that business in accordance with proper internal accounting practice.

In this subsection “proper internal accounting practice” means the practice of insurance companies in allocating all the expenses of the company to particular categories of business in accordance with any applicable requirements of—

- (a) generally accepted accounting practice,^{F335} . . .
 (b) the Prudential Sourcebook (Insurers)^{F336}, or
 (c) the [^{F337}Insurance Prudential Sourcebook].]

- (9) The following rules have effect for determining for the purposes of Step 1 the expenses that are referable to an accounting period.

Rule A

Where a period of account coincides with an accounting period, the expenses brought into account for the period of account are the expenses referable to the accounting period.

Rule B

Where—

- (a) two or more accounting periods fall within the same period of account, and
 (b) that period of account is longer than 12 months,

section 834(4) (apportionment on time basis) is to apply.

Rule C

In any other case where two or more accounting periods fall within the same period of account, the expenses referable to any of those accounting periods are the expenses that would have been referable to that accounting period if—

- (a) the accounting period had coincided with a period of account, and
 (b) a separate periodical return had been made for that period of account,

and section 834(4) (apportionment on time basis) is not to apply.

Rule D

Rules A to C are subject to any provision of the Corporation Tax Acts which provides for an amount to be treated as expenses payable for, or referable to, a particular period.

- (10) The amount D1 in Step 9 is the amount that would be the profits of the company’s life assurance business for the accounting period if—

- (a) computed in accordance with the provisions applicable to Case I of Schedule D, and

Status: Point in time view as at 06/04/2007. This version of this Act contains provisions that are not valid for this point in time.

- (b) adjusted in respect of losses.

The adjustment in respect of losses is a deduction of the amount which, disregarding sections 434A(2) and 440B, would fall to be set off under section 393 against the company's income for that period if the company had always been charged to tax under Case I of Schedule D in respect of its life assurance business.

- (11) The amount R in Step 9 (which may be a negative amount) is found for the accounting period by—
- (a) taking the company's relevant income, and
 - (b) deducting from it the relevant aggregate.

The "relevant income" is the sum of—

- (a) the income and gains referable by virtue of section 432A to the company's basic life assurance and general annuity business;
- (b) distributions received by the company from companies resident in the United Kingdom which are referable by virtue of section 432A to its basic life assurance and general annuity business;
- (c) profits chargeable under Case VI of Schedule D under section 436, 439B or 441.

The "relevant aggregate" is the sum of—

- (a) the basic deduction (see Step 8);
- (b) any non-trading deficit on the company's loan relationships which is produced for the period in relation to the company's basic life assurance and general annuity business by a separate computation under paragraph 2 of Schedule 11 to the Finance Act 1996;
- (c) any amount which in pursuance of a claim under paragraph 4(3) of that Schedule is carried back to the period and (in accordance with paragraph 4(5) of that Schedule) applied in reducing profits of the company for that period.

- (12) Where for any accounting period—
- (a) the amount of the expenses deduction (see Step 10), exceeds
 - (b) the amount from which that deduction is to be made (see subsection (2) above),

the excess is to be carried forward to the next accounting period and brought into account for that period in accordance with Step 7.

- (13) Subject to paragraph 4(11) to (13) of Schedule 11 to the Finance Act 1996, where for any accounting period—
- (a) the basic deduction (see Step 8), exceeds
 - (b) the expenses deduction (see Step 10),

the excess is to be carried forward to the next accounting period and brought into account for that period in accordance with Step 7.

- (14) In this section any reference to—
- (a) life assurance business, or
 - (b) basic life assurance and general annuity business,
- includes a reference to capital redemption business.

- (15) In this section—

Valuation of trading stock etc.

100 Valuation of trading stock at discontinuance of trade.

(1) ^{M111}In computing for [^{F627}any corporation tax purpose] the [^{F628}profits] of a trade which has been discontinued, any trading stock belonging to the trade at the discontinuance shall be valued as follows—

- (a) if—
 - (i) the stock is sold or transferred for valuable consideration to a person who carries on, or intends to carry on, a trade in the United Kingdom, and
 - (ii) the cost of the stock may be deducted by the purchaser as an expense in computing for any tax purpose the [^{F628}profits] of that trade, the value of the stock shall be taken to be the amount [^{F629}determined in accordance with subsections (1A) to (1C) below; and]
- (b) if the stock does not fall to be valued under paragraph (a) above, its value shall be taken to be the amount which it would have realised if it had been sold in the open market at the discontinuance of the trade.

^{F630}(1ZA) This section does not apply in relation to any trading stock if paragraph 1(2) of Schedule 28AA (provision not at arm's length) has effect in relation to any provision made or imposed in relation to that stock and having effect in connection with the discontinuance of the trade.]

^{F631}(1A) Subject to subsections (1B) and (1C) below and to paragraph 2 of Schedule 12 to the ^{M112}Finance Act 1988 (gilt-edged securities and other financial trading stock), the value of any trading stock falling to be valued under paragraph (a) of subsection (1) above shall be taken—

- (a) except where the person to whom it is sold or transferred is connected with [^{F632}the company which] makes the sale or transfer, to be the amount (“the price actually received for it”) which is in fact realised on the sale or, as the case may be, which is in fact the value of the consideration given for the transfer; and
- (b) if [^{F633}that person and that company] are connected with each other, to be what would have been the price actually received for it had the sale or transfer been a transaction between independent persons dealing at arm's length.

- (a) ^{F634}
- (b) stock sold in circumstances in which the amount realised on the sale would be taken to be an amount determined in accordance with paragraph 5 of

Schedule 5 shall be taken to have the value so determined, instead of the value for which subsection (1A)(a) or (b) above provides.

(1C) If—

- (a) trading stock is sold or transferred to a person in circumstances where paragraph (b) of subsection (1A) above would apply (apart from this subsection) for determining the value of the stock so sold or transferred,
- (b) the amount which would be taken in accordance with that paragraph to be the value of all of the stock sold or transferred to that person is more than the acquisition value of that stock and also more than the price actually received for it, and
- (c) both parties to the sale or transfer, by notice signed by them and sent to the inspector no later than two years after the end of the [^{F635}accounting period] in which the trade is discontinued, elect that this subsection shall apply,

then the stock sold or transferred to that person shall be taken to have a value equal to whichever is the greater (taking all the stock so sold or transferred together) of its acquisition value and the price actually received for it or, in a case where they are the same, to either of them.

(1D) In subsection (1C) above “acquisition value”, in relation to any trading stock, means the amount which, in computing for any [^{F636}corporation] tax purposes the [^{F628}profits] of the discontinued trade, would have been deductible as representing the acquisition value of that stock if—

- (a) the stock had, immediately before the discontinuance, been sold in the course of the trade for a price equal to whatever would be its value in accordance with subsection (1A)(b) above; and
- (b) the period for which those [^{F628}profits] were to be computed began immediately before the sale.

(1E) [^{F637}Where the value of the trading stock is determined in accordance with subsections (1A) to (1C) above, or sections 176 to 178 of ITTOIA 2005 or section 127 of that Act (by virtue of section 175(3)) (corresponding provisions for income tax purposes),] the amount to be brought into account as the value of that stock in computing [^{F628}profits] of the discontinued trade shall also be taken, for the purpose of making [^{F638}for corporation tax purposes] any deduction in computing the [^{F628}profits] of any trade carried on by the purchaser, to be the cost of that stock to the purchaser.

(1F) For the purposes of this section two persons are connected with each other if—

- (b) one of them is a partnership and the other has a right to a share in the partnership;
- (c) one of them is a body corporate and the other has control over that body;
- (d) both of them are partnerships and some other person has a right to a share in each of them; or
- (e) both of them are bodies corporate or one of them is a partnership and the other is a body corporate and, in either case, some other person has control over both of them;

and in this subsection the references to a right to a share in a partnership are references to a right to a share of the assets or income of the partnership and “control” has the meaning given by section 840.

(1G) In this section “purchaser”, in relation to a transfer otherwise than by sale, means the person to whom the transfer is made.]

- (2)^{M113} For the purposes of this section “trading stock”, in relation to any trade—
- (a) means property of any description, whether real or personal, being either—
 - (i) property such as is sold in the ordinary course of the trade, or would be so sold if it were mature or if its manufacture, preparation or construction were complete; or

 - (b) includes also any services, article or material which would, if the trade were a profession^{F639} . . . , be treated, for the purposes of section 101, as work in progress of the profession^{F639} . . . , and references to the sale or transfer of trading stock shall be construed accordingly.

[^{F640}(3) Where trading stock falling to be valued under paragraph (a) of subsection (1) above is sold or transferred together with other assets, so much of the amount realised on the sale or, as the case may be, of the value of the consideration given for the transfer as on a just and reasonable apportionment is properly attributable to each asset shall be treated for the purposes of this section as the amount realised on the sale or, as the case may be, the value of the consideration given for the transfer, of that asset.]

 - (b) he shall not be chargeable to income tax under that Schedule by virtue of [^{F971}section 78 or 79 of the Finance Act 1988 in respect of the shares] or by virtue of section 162 in any case where the shares are appropriated to him at an undervalue within the meaning of that section.
- (3) ^{M171}Subject to the provisions of this section and paragraph 4 of Schedule 10, if, in respect of or by reference to any of a participant's shares, the trustees become or the participant becomes entitled, before the release date, to receive any money or money's worth ("a capital receipt"), ^{F972} . . . the appropriate percentage (determined as at the time the trustees become or the participant becomes so entitled) of so much of the amount or value of the receipt as exceeds the appropriate allowance for that year, as determined under subsection (12) below [^{F973} counts as employment income of the participant for the year of assessment in which the entitlement arises].
- (4) ^{M172}If the trustees dispose of any of a participant's shares at any time before the release date or, if it is earlier, the date of the participant's death, then, subject to subsections (6) and (7) below, ^{F974} . . . the appropriate percentage of the locked-in value of the shares at the time of the disposal [^{F975} counts as employment income of the participant for the year of assessment in which the disposal takes place].
- (5) ^{M173}Subject to paragraphs 5 and 6(6) of Schedule 10, the locked-in value of a participant's shares at any time is—

- (12)^{M177}For the purposes of subsection (3) above, "the appropriate allowance", in relation to any year of assessment, means a sum which, subject to a maximum of [^{F979}£60], is the product of multiplying £20 by 1 plus the number of years which fall within the period of [^{F980}three years] immediately preceding the year in question and in which shares were appropriated to the participant under the scheme; and if in any year (and before the release date) the trustees become or the participant becomes entitled, in respect of or by reference to any of his shares, to more than one capital receipt, the receipts shall be set against the appropriate allowance for that year in the order in which they are received.

 - (c) the arrangements (whether or not made directly between A and B) were entered into for an unallowable purpose; and
 - (d) the condition in subsection (2) below is satisfied.
- (2) The condition is that if B had been the person entitled to the tax credit and the qualifying distribution to which it relates, and had received the distribution when it was made, then—

Supplemental

M248 252. Rectification of excessive set-off etc. of ACT or tax credit.

(1) If an inspector discovers that—

(a) ^{F1229}

(b) any set-off or payment of tax credit,

ought not to have been made, or is or has become excessive, the inspector may make any such assessments as may in his judgment be required for recovering any tax that ought to have been paid or any payment of tax credit that ought not to have been made and generally for securing that the resulting liabilities to tax (including interest on unpaid tax) of the persons concerned are what they would have been if only such set-offs or payments had been made as ought to have been made.

(2) In any case where—

(a) interest has been paid under section 826 on a payment of tax credit; and

(b) interest ought not to have been paid on that payment, either at all or to any extent,

an assessment under this section may be made for recovering any interest that ought not to have been paid.

(3) Where—

(a) an assessment is made under this section to recover tax credit paid to a company in respect of franked investment income received by the company in an accounting period; and

(b) more than one payment of tax credit has been made in respect of that period, any sum recovered shall as far as possible be treated as relating to a payment of tax credit made later rather than to a payment made earlier.

(4) Subsections (2) and (3) above shall have effect in relation to payments of tax credit claimed in respect of accounting periods ending after such day as may be appointed for the purpose of those subsections by order made by the Treasury, not being earlier than 31st March 1992.

(5) The Management Act shall apply to any assessment under this section for recovering a payment of tax credit or interest on such a payment as if it were an assessment to income tax for the year of assessment, or in the case of a company, corporation tax for the accounting period, in respect of which the payment was claimed, and as if that payment represented a loss of tax to the Crown; and any sum charged by any such assessment shall, subject to any appeal against the assessment, be due within 14 days after the issue of the notice of assessment.

254 Interpretation of Part VI.

- (1) ^{M250}In this Part, except where the context otherwise requires—
- “new consideration” means, subject to subsections (5) and (6) below, consideration not provided directly or indirectly out of the assets of the company, and in particular does not include amounts retained by the company by way of capitalising a distribution;
- “security” includes securities not creating or evidencing a charge on assets, and interest paid by a company on money advanced without the issue of a security for the advance, or other consideration given by a company for the use of money so advanced, shall be treated as if paid or given in respect of a security issued for the advance by the company;
- “share” includes stock, and any other interest of a member in a company; and in this section “a 90 per cent. group” means a company and all of its 90 per cent. subsidiaries.
- (2) ^{M251}In this Part, the expressions “in respect of shares in the company” and “in respect of securities of the company”, in relation to a company which is a member of a 90 per cent. group, mean respectively in respect of shares in that company or any other company in the group and in respect of securities of that company or any other company in the group.
- (3) Without prejudice to section 209(2)(b) as extended by subsection (2) above, in relation to a company which is a member of a 90 per cent. group, “distribution” includes anything distributed out of assets of the company (whether in cash or otherwise) in respect of shares in or securities of another company in the group.
- (4) Nothing in subsections (2) and (3) above shall require a company to be treated as making a distribution to any other company which is in the same group and is resident in the United Kingdom.
- (5) ^{M252}Where share capital has been issued at a premium representing new consideration, any part of that premium afterwards applied in paying up share capital shall be treated as new consideration also for that share capital, except in so far as the premium has been taken into account under section 211(5) so as to enable a distribution to be treated as a repayment of share capital.
- (6) ^{M253}Subject to subsection (7) below, no consideration derived from the value of any share capital or security of a company, or from voting or other rights in a company, shall be regarded for the purposes of this Part as new consideration received by the company unless the consideration consists of—
- money or value received from the company as a qualifying distribution;
 - money received from the company as a payment which for those purposes constitutes a repayment of that share capital or of the principal secured by the security; or
 - the giving up of the right to the share capital or security on its cancellation, extinguishment or acquisition by the company.

- (7) No amount shall be regarded as new consideration by virtue of subsection (6)(b) or (c) above in so far as it exceeds any new consideration received by the company for the issue of the share capital or security in question or, in the case of share capital which constituted a qualifying distribution on issue, the nominal value of that share capital.
- (8) ^{M254} Where two or more companies enter into arrangements to make distributions to each other's members, all parties concerned (however many) may for the purposes of this Part be treated as if anything done by any one of those companies had been done by any of the others.
- (9) ^{M255} A distribution shall be treated under this Part as made, or consideration as provided, out of assets of a company if the cost falls on the company.
- (10) ^{M256} References in this Part to issuing share capital as paid up apply also to the paying up of any issued share capital.
- (11) ^{M257} Where securities are issued at a price less than the amount repayable on them, and are not [^{F1234}listed] on a recognised stock exchange, the principal secured shall not be taken for the purposes of this Part to exceed the issue price, unless the securities are issued on terms reasonably comparable with the terms of issue of securities so [^{F1234}listed].
- (12) ^{M258} For the purposes of this Part a thing is to be regarded as done in respect of a share if it is done to a person as being the holder of the share, or as having at a particular time been the holder, or is done in pursuance of a right granted or offer made in respect of a share; and anything done in respect of shares by reference to share holdings at a particular time is to be regarded as done to the then holders of the shares or the personal representatives of any share holder then dead.

This subsection shall apply in relation to securities as it applies in relation to shares.

[^{F1243}256B Meaning of “adjusted net income”

- (1) For the purposes of this Chapter an individual's adjusted net income for a year of assessment is calculated as follows.

Step 1

Take the amount of the individual's net income for the year of assessment.

Step 2

If in the year of assessment the individual makes, or is treated under section 426 of ITA 2007 as making, a gift that is a qualifying donation for the purposes of Chapter 2 of Part 8 of that Act (gift aid) deduct the grossed up amount of the gift.

Step 3

If the individual is given relief in accordance with section 192 of FA 2004 (relief at source) in respect of any contribution paid in the year of assessment under a pension scheme, deduct the gross amount of the contribution.

Step 4

Add back any relief under section 266 of this Act given by virtue of subsection (7) of that section (payments for life insurance etc) that was deducted in calculating the individual's net income for the year of assessment.

The result is the individual's adjusted net income for the year of assessment.

- (2) The grossed up amount of a gift is the amount of the gift grossed up by reference to the basic rate for the year of assessment.
- (3) The gross amount of a contribution is the amount of the contribution before deduction of tax under section 192(1) of FA 2004.]

- (3) If, before the affairs of the company are completely wound up, any of the rates or fractions mentioned in subsection (2) above has been fixed or proposed for the final year, that subsection shall have effect in relation to that rate or fraction as if for the references to the penultimate year there were substituted references to the final year.

343 Company reconstructions without a change of ownership.

- (1) ^{M293}Where, on a company (“the predecessor”) ceasing to carry on a trade, another company (“the successor”) begins to carry it on, and—
- (a) on or at any time within two years after that event the trade or an interest amounting to not less than a three-fourths share in it belongs to the same persons as the trade or such an interest belonged to at some time within a year before that event; and
 - (b) the trade is not, within the period taken for the comparison under paragraph (a) above, carried on otherwise than by a company which is within the charge to tax in respect of it;

then the Corporation Tax Acts shall have effect subject to subsections (2) to (6) below.

In paragraphs (a) and (b) above references to the trade shall apply also to any other trade of which the activities comprise the activities of the first mentioned trade.

- (2) ^{M294}The trade shall not be treated as permanently discontinued nor a new trade as set up and commenced for the purpose of the allowances and charges provided for by ^{F1577}the Capital Allowances Act (including enactments which under this Act are to be treated as contained in that Act)]; but—
- (a) there shall be made to or on the successor in accordance with those Acts all such allowances and charges as would, if the predecessor had continued to carry on the trade, have fallen to be made to or on it; and
 - (b) the amount of any such allowance or charge shall be computed as if—
 - (i) the successor had been carrying on the trade since the predecessor began to do so, and
 - (ii) everything done to or by the predecessor had been done to or by the successor (but so that no sale or transfer which on the transfer of the trade is made to the successor by the predecessor of any assets in use for the purpose of the trade shall be treated as giving rise to any such allowance or charge).

The preceding provisions of this subsection shall not apply if the successor is a dual resident investing company (within the meaning of section 404) which begins to carry on the trade after 31st March 1987.

- (3) ^{M295F1578} . . . , subject to subsection (4) below and to any claim made by the predecessor under section [^{F1579}393A(1)], the successor shall be entitled to relief under section 393(1), as for a loss sustained by the successor in carrying on the trade, for any amount for which the predecessor would have been entitled to ^{F1580} . . . relief if it had continued to carry on the trade.
- (4) ^{M296} Where the amount of relevant liabilities exceeds the value of relevant assets, the successor shall be entitled to relief by virtue of subsection (3) above only if, and only to the extent that, the amount of that excess is less than the amount mentioned in that subsection.

This subsection does not apply where the predecessor ceased to carry on the trade or part of a trade before 19th March 1986 nor, in a case where subsection (7) below applies, in relation to any earlier event, within the meaning of that subsection, which occurred before that date (but without prejudice to its application in relation to any later event which occurred on or after that date).

[^{F1581}(4A) Subsection (2A) of section 393A shall not apply to any loss which (but for this subsection) would fall within subsection (2B) of that section by virtue of the predecessor’s ceasing to carry on the trade, and subsection (7) of that section shall not apply for the computation of any such loss.]

- (5) ^{M297} Any securities, within the meaning of section 731, which at the time when the predecessor ceases to carry on the trade form part of the trading stock belonging to the trade shall be treated for the purposes of that section as having been sold at that time in the open market by the predecessor and as having been purchased at that time in the open market by the successor.

^{F1582}(6)

- (7) Where the successor ceases to carry on the trade within the period taken for the comparison under subsection (1)(a) above and on its doing so a third company begins to carry on the trade, ^{F1583} . . . , subsections (2) to [^{F1584}(5)] above shall apply both in relation to that event (together with the new predecessor and successor) and to the earlier event (together with the original predecessor and successor), but so that—
 - (a) in relation to the earlier event “successor” shall include the successor at either event; and
 - (b) in relation to the later event “predecessor” shall include the predecessor at either event;

and if the conditions of this subsection are thereafter again satisfied, it shall apply again in like manner.

- (8) Where, on a company ceasing to carry on a trade, another company begins to carry on the activities of the trade as part of its trade, then that part of the trade carried on by the successor shall be treated for the purposes of this section as a separate trade, if the effect of so treating it is that subsection (1) or (7) above has effect on that event in relation to that separate trade; and where, on a company ceasing to carry on part of a trade, another company begins to carry on the activities of that part as its trade or part of its trade, the predecessor shall for purposes of this section be treated as having carried on that part of its trade as a separate trade if the effect of so treating it is that subsection (1) or (7) above has effect on that event in relation to that separate trade.

- (9) ^{M298}Where under subsection (8) above any activities of a company's trade fall, on the company ceasing or beginning to carry them on, to be treated as a separate trade, such apportionments of receipts, expenses, assets or liabilities shall be made as may be just.
- (10) ^{M299}Where, by virtue of subsection (9) above, any item falls to be apportioned and, at the time of the apportionment, it appears that it is material as respects the liability to tax (for whatever period) of two or more companies, any question which arises as to the manner in which the item is to be apportioned shall be determined, for the purposes of the tax of all those companies—
- (a) in a case where the same body of General Commissioners have jurisdiction with respect to all those companies, by those Commissioners, unless all the companies agree that it shall be determined by the Special Commissioners;
 - (b) in a case where different bodies of Commissioners have jurisdiction with respect to those companies, by such of those bodies as the Board may direct, unless all the companies agree that it shall be determined by the Special Commissioners; and
 - (c) in any other case, by the Special Commissioners,
- and any such Commissioners shall determine the question in like manner as if it were an appeal except that all those companies shall be entitled to appear and be heard by the Commissioners who are to make the determination or to make representations to them in writing.
- (11) Any relief obtainable under this section by way of discharge or repayment of tax shall be given on the making of a claim.
- (12) ^{M300}In the application of this section to any case in relation to which subsection (4) above does not apply—
- (a) subsection (9) above shall have effect with the substitution for the words following “separate trade” of the words “any necessary apportionment shall be made of receipts or expenses”; and
 - (b) subsection (10) above shall have effect with the substitution for “item” of “sum”.

365 Loan to buy life annuity.

^{M304}(1) Subject to the following provisions of this section, interest is eligible for relief under section 353 if it is interest on a loan in respect of which the following conditions are satisfied—

- [^{F1660}(aa) that the loan was made before 9th March 1999;]
- (a) that the loan was made as part of a scheme under which not less than nine-tenths of the proceeds of the loan were applied to the purchase by the person to whom it was made of an annuity ending with his life or with the life of the survivor of two or more persons (“the annuitants”) who include the person to whom the loan was made;
 - (b) that at the time the loan was made the person to whom it was made or each of the annuitants had attained the age of 65 years;
 - (c) that the loan was secured on land in the United Kingdom or the Republic of Ireland and the person to whom it was made or one of the annuitants owns an estate or interest in that land; and

[^{F1663}(1AB) Subject to subsection (1AC) below, the conditions in paragraphs (aa) and (a) of subsection (1) above shall be treated as satisfied in relation to a loan (“the new loan”) if—

(7) The amount of a loss incurred in a trade in an accounting period shall be computed for the purposes of this section in the same way as trading income from the trade in that period would have been computed.

(8) For the purposes of this section “trading income” means, in relation to any trade, the income which falls or would fall to be included in respect of the trade in the total profits of the company; but where—

(11) A claim under subsection (1) above must be made within six years after the end of the accounting period in which the loss is incurred, and must be so made notwithstanding that relief cannot be given in respect of the loss until after the end of that period of six years; F1764 . . .

CHAPTER III

LOSS RELIEF: MISCELLANEOUS PROVISIONS

397 Restriction of relief in case of farming and market gardening.

- (1) ^{F1786}
- (2) Any loss incurred in any accounting period by a company in carrying on a trade of farming or market gardening shall be excluded from section 393(2) if a loss, computed without regard to capital allowances, was incurred in carrying on that trade in that accounting period, and in each of the chargeable periods wholly or partly comprised in the prior five years.
- (3) [^{F1787}This section] shall not restrict relief for any loss or for any capital allowance [^{F1788}in any case]—
 - (a) [^{F1789}where] the whole of the farming or market gardening activities in the year next following the prior five years are of such a nature, and carried on in such a way, as would have justified a reasonable expectation of the realisation of profits in the future if they had been undertaken by a competent farmer or market gardener, but
 - (b) [^{F1789}where], if that farmer or market gardener had undertaken those activities at the beginning of the prior period of loss, [^{F1790}that farmer or market gardener] could not reasonably have expected the activities to become profitable until after the end of the year next following the prior period of loss.
- (4) [^{F1791}This section] shall not restrict relief where the carrying on of the trade forms part of, and is ancillary to, a larger trading undertaking.
- (5) In this section—

^{F1792}

^{F1793}

[^{F1794}“prior five years” means, in relation to a loss incurred in a company’s accounting period, the last five years before the beginning of that period;]

“prior period of loss” means the prior five years, except that, if losses were incurred in the trade in successive ^{F1795} . . . chargeable periods amounting in all to a period longer than five years (and ending when the prior five years end), it means that longer period, and [^{F1796}for this purpose] “losses” means losses computed without regard to capital allowances; and

[^{F1797}“farming” and “market gardening” shall be construed in accordance with the definitions in section 832, but as if those definitions were not restricted to activities in the United Kingdom.]
- (6) ^{F1798}
- (7) In ascertaining for the purposes of this section whether a loss was incurred in any part of the prior five years or earlier, the rules applicable to ^{F1799} . . . Case I of Schedule D [^{F1800}(or to the calculation of the profits of a trade in Part 2 of ITTOIA 2005)] shall be applied; and in this section “loss computed without regard to capital allowances” means ^{F1801} . . . a loss so ascertained, [^{F1802}but disregarding—
 - (a) any allowance or charge under the Capital Allowances Act (including enactments which under this Act are to be treated as contained in that Act); and

- (b) any provision of that Act requiring allowances and charges to be treated as expenses and receipts of the trade].
- (8) [^{F1803}This section] shall not restrict relief for any loss or capital allowance if the trade was set up and commenced within the prior five years, and, for the purposes of this subsection
- [^{F1804}(a) a trade shall be treated as discontinued, and a new trade set up, in any event which under any of the provisions of the [^{F1805}Corporation Tax Acts] is to be treated as equivalent to the permanent discontinuance or setting up of a trade; and
- (b) without prejudice to paragraph (a), a trade shall be treated as discontinued, and a new trade set up, at any time when there is a change in the persons carrying on the trade which involves all of the persons carrying it on before the change permanently ceasing to carry it on.]
- (9) For the purposes of subsection (8) above a trade shall not be treated as discontinued if, under section 343(2), it is not to be treated as discontinued for the purpose of capital allowances and charges.
- (10) [^{F1806}Where at any time there has been a change in the persons carrying on a trade, this section shall, notwithstanding subsection (8) above, apply as if]—
- (a) a husband and his wife were the same person, ^{F1807} . . .
- [^{F1808}(ab) two civil partners of each other were the same person,]
- (b) a husband or his wife were the same person as any company of which either the husband or the wife has control, or of which the two of them have control; [^{F1809} and
- (c) a civil partner of another were the same person as any company of which either of the civil partners has control, or of which the two of them have control;]
- and accordingly relief ^{F1810} . . . may be restricted under this section by reference to losses [^{F1811}(computed without regard to capital allowances) some of which are incurred in an accounting period wholly or partly comprised in the prior five years and some of which are incurred in a year of assessment wholly or partly comprised in the prior five years].

In this subsection “control” has the same meaning as in Part XI.

410 Arrangements for transfer of company to another group or consortium.

(1) ^{M351}If, apart from this section, two companies (“the first company” and “the second company”) would be treated as members of the same group of companies and—

- (a) in an accounting period one of the two companies has trading losses or other amounts eligible for relief from corporation tax which it would, apart from this section, be entitled to surrender by way of group relief; and
- (b) arrangements are in existence by virtue of which, at some time during or after the expiry of that accounting period—

- (i) the first company or any successor of it could cease to be a member of the same group of companies as the second company and could become a member of the same group of companies as a third company; or
- (ii) any person has or could obtain, or any persons together have or could obtain, control of the first company but not of the second; or
- (iii) a third company could begin to carry on the whole or any part of a trade which, at any time in that accounting period, is carried on by the first company and could do so either as a successor of the first company or as a successor of another company which is not a third company but which, at some time during or after the expiry of that accounting period, has begun to carry on the whole or any part of that trade;

then, for the purposes of this Chapter, the first company shall be treated as not being a member of the same group of companies as the second company.

(2) If a trading company is owned by a consortium or is a 90 per cent. subsidiary of a holding company which is owned by a consortium and—

- (a) in any accounting period the trading company or a member of the consortium has trading losses or other amounts eligible for relief from corporation tax which it would, apart from this section, be entitled to surrender by way of group relief; and
- (b) arrangements are in existence by virtue of which—
 - (i) the trading company or any successor of it could, at some time during or after the expiry of that accounting period, become a 75 per cent. subsidiary of a third company; or
 - (ii) any person who owns, or any persons who together own, less than 50 per cent. of the ordinary share capital of the trading company has or together have, or could at some time during or after the expiry of that accounting period obtain, control of the trading company; or
 - (iii) any person, other than a holding company of which the trading company is a 90 per cent. subsidiary, either alone or together with connected persons, holds or could obtain, or controls or could control the exercise of not less than 75 per cent. of the votes which may be cast on a poll taken at a general meeting of that trading company in that accounting period or in any subsequent accounting period; or

(iv) a third company could begin to carry on, at some time during or after the expiry of that accounting period, the whole or any part of a trade which, at any time in that accounting period, is carried on by the trading company and could do so either as a successor of the trading company or as a successor of another company which is not a third company but which, at some time during or after the expiry of that accounting period, has begun to carry on the whole or any part of that trade;

then, for the purposes of this Chapter, the trading company shall be treated as though it did not (as the surrendering company or the claimant company) fall within section 402(3).

- (3) In any case where a trading company is a 90 per cent. subsidiary of a holding company which is owned by a consortium, any reference in subsection (2) above to the trading company, other than a reference in paragraph (b)(iv), shall be construed as including a reference to the holding company.
- (4) In this section “third company” means a company which, apart from any provision made by or under any such arrangements as are specified in paragraph (b) of either subsection (1) or subsection (2) above, is not a member of the same group of companies as the first company or, as the case may be, the trading company or the holding company to which subsection (2) above applies.
- (5) In subsections (1) and (2) above—
“arrangements” means arrangements of any kind whether in writing or not;

“control” has the meaning assigned by section 840.
- (6) For the purposes of subsections (1) and (2) above a company is the successor of another if it carries on a trade which, in whole or in part, the other company has ceased to carry on and the circumstances are such that—
(a) section 343 applies in relation to the two companies as the predecessor and the successor within the meaning of that section; or
(b) the two companies are connected with each other within the meaning of section 839.

- (5) In this section “post-policy holder surplus” means an amount equal to—

- (2) If there is a reduction in the amount of the company's unappropriated surplus over the relevant period, there shall be deemed for the purposes of section 83(2) of the Finance Act 1989 to be brought into account for the relevant period as an increase in the value of the assets of the company's long-term insurance fund—

(transportation etc) is to apply in determining the amount which the person is to bring into account for the purposes of the charge to corporation tax on income in respect of the disposal as it applies (or would apply) for the purposes of petroleum revenue tax.

(A2) The conditions are that—

- (a) the oil is oil won from an oil field in the United Kingdom,
- (b) the disposal is a disposal of the oil by the person crude in a sale at arm's length, as defined in paragraph 1 of Schedule 3 to the 1975 Act,
- (c) the circumstances are such that the price received or receivable—
 - (i) falls to be taken into account under section 2(5)(a) of that Act in computing for the purposes of petroleum revenue tax the assessable profit or allowable loss accruing to the person in any chargeable period from the oil field, or
 - (ii) would fall to be so taken into account, had the oil field been a taxable field, as defined in section 185 of the Finance Act 1993,
- (d) the terms of the contract are such as are described in the opening words of section 2(5A) of the 1975 Act,
- (e) apart from subsection (A1) above, the person is not entitled to a transportation allowance in respect of the oil (see subsection (A3)) in computing his ring fence profits,
- (f) the person does not claim a transportation allowance in respect of the oil in computing for the purposes of corporation tax any profits of his that are not ring fence profits.

(A3) In subsection (A2) above “transportation allowance”, in relation to any oil, means any of the following—

- (a) a deduction in respect of the expense of transporting the oil as mentioned in the opening words of section 2(5A) of the 1975 Act,
- (b) a deduction in respect of any costs of or incidental to the transportation of the oil as there mentioned,
- (c) any such reduction in the price to be regarded as received or receivable for the oil as would result from the application of section 2(5A) of the 1975 Act, if that provision applied for the purposes of corporation tax.]

(1) Where a person disposes of any oil in circumstances such that the market value of that oil ^{F2742} . . . falls to be taken into account under section 2 of [^{F2743}the 1975 Act], otherwise than by virtue of paragraph 6 of Schedule 3 to that Act, in computing for the purposes of petroleum revenue tax the assessable profit or allowable loss accruing to him in any chargeable period from an oil field (or as would so fall but for section 10 of that Act), then—

- (a) for all purposes of income tax, and
- (b) for the purposes of the charge of corporation tax on income,

the disposal of the oil and its acquisition by the person to whom it was disposed of shall be treated as having been for a consideration equal to the market value of the oil as so taken into account under section 2 of that Act (or as would have been so taken into account under that section but for section 10 of that Act).

[^{F2744}(1A) Where an excess of nominated proceeds in a chargeable period (within the meaning given by section 61 of the Finance Act 1987) is taken into account in computing a person's profits under section 2(5)(e) of the 1975 Act (or would be taken into account if the person were chargeable to tax under that Act in respect of a field)—

- (a) for the purposes of subsection (1) the amount of the excess shall be added to the consideration which the person is deemed to have received in respect of oil disposed of by him in the period, and
 - (b) for the purposes of corporation tax, that amount shall be available to the person as a deduction in computing the profits of any trade to which section 492(1) does not apply.]
- (2) Where a person makes a relevant appropriation of any oil without disposing of it and does so in circumstances such that the market value of that oil ^{F2745} . . . falls to be taken into account under section 2 of the 1975 Act in computing for the purposes of petroleum revenue tax the assessable profit or allowable loss accruing to him in any chargeable period from an oil field (or would so fall but for section 10 of that Act), then for all the purposes of income tax and for the purposes of the charge of corporation tax on income, he shall be treated—
- (a) as having, at the time of the appropriation—
 - (i) sold the oil in the course of the separate trade consisting of activities [^{F2746} falling within the definition of “oil-related activities” in section 16(2) of ITTOIA 2005 or within section 492(1)(a) or (b) above]; and
 - (ii) bought it in the course of the separate trade consisting of activities not so falling; and
 - (b) as having so sold and bought it at a price equal to its market value as so taken into account under section 2 of the 1975 Act (or as would have been so taken into account under that section but for section 10 of that Act).

In this subsection “relevant appropriation” has the meaning given by section 12(1) of the 1975 Act.

 - (b) subsection (1) above does not apply in relation to the disposal,
- then, for all purposes of income tax and for the purposes of the charge of corporation tax on income, the disposal of the oil and its acquisition by the person to whom it was disposed of shall be treated as having been for a consideration equal to the market value of the oil ^{F2747}
- (4) If a person appropriates oil acquired by him in the course of oil extraction activities carried on by him or by virtue of oil rights held by him and the appropriation is to refining or to any use except for production purposes of an oil field, within the meaning of Part I of the 1975 Act, then, unless subsection (2) above applies, for all purposes of income tax and for the purposes of the charge of corporation tax on income—
- (a) he shall be treated as having, at the time of the appropriation, sold and bought the oil as mentioned in subsection (2)(a)(i) and (ii) above; and
 - (b) that sale and purchase shall be deemed to have been at a price equal to the market value of the oil ^{F2748}

^{F2749}(5) For the purposes of subsections (3) and (4) above, paragraph 2 of Schedule 3 to the 1975 Act shall apply as it applies for the purposes of Part 1 of that Act, but with the following modifications—

- (b) any reference in paragraphs 2 and 2A to oil being relevantly appropriated shall be construed as a reference to its being appropriated as mentioned in section 493(4) of the Taxes Act; and
- (c) any reference in paragraph 2 to the notional delivery day for the actual oil shall be construed as a reference to the day on which the oil is disposed of or appropriated as mentioned in subsection (3) or (4) above.]

[^{F2750}(6) In subsections (3) and (4) above the references to the market value of any oil in the calendar month in which a disposal of the oil was made or, as the case may be, in which it was appropriated shall each have effect in relation to light gases (within the meaning of the 1975 Act) as a reference to the amount which, if paragraph 3A of Schedule 3 to the 1975 Act applied, would be the market value of that oil in relation to the disposal or appropriation in question.]

or 6 of the Capital Allowances Act (capital allowances relating to plant and machinery, industrial buildings or research and development)].

(2) Where this subsection applies, for the purposes of the charge of income tax or corporation tax on the income arising from those activities of the person referred to in paragraph (a) of subsection (1) above which are treated by virtue of [^{F2785}section 16(1) of ITTOIA 2005 or section 492(1) above] as a separate trade for those purposes, the expenditure referred to in that paragraph shall be treated as reduced by the amount of the regional development grant referred to in paragraph (b) of that subsection.

(3) Subsections (4) to (6) below apply where—

- (a) expenditure incurred by any person in relation to an asset in any relevant period (“the initial period”) has been or is to be met by a regional development grant; and
- (b) notwithstanding the provisions of section 137 of the ^{M463}Finance Act 1982 and subsections (1) and (2) above, in determining that person’s liability to income tax or corporation tax for the initial period the whole or some part of that expenditure falls to be taken into account [^{F2786}Part 2, 3 or 6 of the Capital Allowances Act]; and
- (c) in a relevant period subsequent to the initial period either expenditure on the asset becomes allowable under section 3 or 4 of the 1975 Act or the proportion of any such expenditure which is allowable is different as compared with the initial period;

and in subsections (4) to (6) below the subsequent relevant period referred to in paragraph (c) above is referred to as “the adjustment period”.

(4) Where this subsection applies—

- (a) there shall be redetermined for the purposes of subsections (5) and (6) below the amount of the expenditure referred to in subsection (3)(a) above which would have been taken into account as mentioned in subsection (3)(b) if the circumstances referred to in subsection (3)(c) had existed in the initial period; and

(5) If there is an increase in the allowance, then, for the purposes of the provisions referred to in subsection (3)(b) above, an amount of capital expenditure equal to the increase shall be deemed to have been incurred by the person concerned in the adjustment period on an extension of or addition to the asset referred to in subsection (3)(a) above.

(6) If there is a reduction in the allowance, then, for the purpose of determining the liability to income tax or corporation tax of the person concerned, he shall be treated as having received in the adjustment period, as income of the trade in connection with which the expenditure referred to in subsection (3)(a) above was incurred, a sum equal to the amount of the reduction in the allowance.

“regional development grant” [^{F2787}means a grant falling within section 534(1) of the Capital Allowances Act]; and

“relevant period” means an accounting period of a company or a year of assessment.

500 Deduction of PRT in computing income for corporation tax purposes.

- (1) Where a participator in an oil field has paid any petroleum revenue tax with which he was chargeable for a chargeable period, then, in computing for corporation tax the amount of his income arising in the relevant accounting period from oil extraction activities or oil rights, there shall be deducted an amount equal to that petroleum revenue tax.
- (2) There shall be made all such adjustments of assessments to corporation tax as are required in order to give effect to subsection (1) above.
- (3) For the purposes of subsection (1) above, the relevant accounting period, in relation to any petroleum revenue tax paid by a company, is—
 - (a) the accounting period of the company in or at the end of which the chargeable period for which that tax was charged ends; or
 - (b) if that chargeable period ends after the accounting period of the company in or at the end of which the trade giving rise to the income referred to above is permanently discontinued, that accounting period.
- (4) ^{F2799}Subject to the following provisions of this section] if some or all of the petroleum revenue tax in respect of which a deduction has been made under subsection (1) above is subsequently repaid, that deduction shall be reduced or extinguished accordingly; and any additional assessment to corporation tax required in order to give effect to this subsection may be made at any time not later than six years after the end of the ^{F2800}calendar year] in which the first-mentioned tax was repaid.
- ^{F2801}(5) If, in a case where paragraph 17 of Schedule 2 to the 1975 Act applies, an amount of petroleum revenue tax in respect of which a deduction has been made under subsection (1) above is repaid by virtue of an assessment under that Schedule or an amendment of such an assessment, then, so far as concerns so much of that repayment as constitutes the appropriate repayment,—
 - (a) subsection (4) above shall not apply; and
 - (b) the following provisions of this section shall apply in relation to the company which is entitled to the repayment.
- (6) In subsection (5) above and the following provisions of this section—
 - (a) “the appropriate repayment” has the meaning assigned by sub-paragraph (2) of paragraph 17 of Schedule 2 to the 1975 Act;
 - (b) in relation to the appropriate repayment, a “carried back loss” means an allowable loss which falls within sub-paragraph (1)(a) of that paragraph and which (alone or together with one or more other carried back losses) gives rise to the appropriate repayment;
 - (c) in relation to a carried back loss, “the operative chargeable period” means the chargeable period in which the loss accrued; and

- (d) in relation to the company which is entitled to the appropriate repayment, “the relevant accounting period” means the accounting period in or at the end of which ends the operative chargeable period or, if the company’s ring fence trade is permanently discontinued before the end of the operative chargeable period, the last accounting period of that trade.
- (7) In computing for corporation tax the amount of the company’s income arising in the relevant accounting period from oil extraction activities or oil rights there shall be added an amount equal to the appropriate repayment; but this subsection has effect subject to subsection (8) below in any case where—
- (a) two or more carried back losses give rise to the appropriate repayment; and
 - (b) the operative chargeable period in relation to each of the carried back losses is not the same; and
 - (c) if subsection (6)(d) above were applied separately in relation to each of the carried back losses there would be more than one relevant accounting period.
- (8) Where paragraphs (a) to (c) of subsection (7) above apply, the appropriate repayment shall be treated as apportioned between each of the relevant accounting periods referred to in paragraph (c) of that subsection in such manner as to secure that the amount added by virtue of that subsection in relation to each of those relevant accounting periods is what it would have been if—
- (a) relief for each of the carried back losses for which there is a different operative chargeable period had been given by a separate assessment or amendment of an assessment under Schedule 2 to the 1975 Act; and
 - (b) relief for a carried back loss accruing in an earlier chargeable period had been so given before relief for a carried back loss accruing in a later chargeable period.
- (9) Any additional assessment to corporation tax required in order to give effect to the addition of an amount by virtue of subsection (7) above may be made at any time not later than six years after the end of the calendar year in which is made the repayment of petroleum revenue tax comprising the appropriate repayment.
- (10) In this section “allowable loss” and “chargeable period” have the same meaning as in Part I of the 1975 Act and “calendar year” means a period of twelve months beginning on 1st January.]

502B Lessor under long funding finance lease: rental earnings

- (1) This section applies for determining for the purposes of corporation tax the profits of a company for any period of account in which it is the lessor of any plant or machinery under a long funding finance lease.
- (2) The amount to be brought into account as the lessor's taxable income from the lease for the period of account is the amount of the rental earnings in respect of the lease for the period of account.
- (3) The “rental earnings” for any period is the amount which, in accordance with generally accepted accounting practice, falls (or would fall) to be treated as the gross return on investment for that period in respect of the lease where it meets the finance lease test.
- (4) If the lease is one which, under generally accepted accounting practice, falls (or would fall) to be treated as a loan in the accounts in question, so much of the rentals under the lease as fall (or would fall) to be treated as interest are to be treated for the purposes of this section as rental earnings.

- (2) This section has effect where a profit or loss (whether of an income or capital nature)—
 - (a) arises to the company in connection with the lease, and

- (2) Where—
 - (a) the lease terminates, and
 - (b) a sum calculated by reference to the termination value is paid to the lessee, no deduction in respect of the sum paid to the lessee is allowed in computing the profits of the company.

Lessors under long funding operating leases

502E Lessor under long funding operating lease: periodic deduction

- (1) This section applies for determining for the purposes of corporation tax the profits of a company for any period of account—
 - (a) for the whole of which, or
 - (b) for any part of which,
 the company is the lessor of any plant or machinery under a long funding operating lease.
- (2) A deduction is allowed in computing the profits of the company for the period of account.
- (3) The amount of the deduction for any period of account is to be determined as follows.
- (4) First, find the “relevant value” for the purposes of subsection (6)(a) below, which is—
 - (a) if the only use of the plant or machinery by the lessor has been the leasing of it under the long funding operating lease as a qualifying activity, cost;
 - (b) if the last previous use of the plant or machinery by the lessor was the leasing of it under another long funding operating lease as a qualifying activity, market value;
 - (c) if the last previous use of the plant or machinery by the lessor was the leasing of it under a long funding finance lease as a qualifying activity, the recognised value;
 - (d) if the last previous use of the plant or machinery by the lessor was for the purposes of a qualifying activity other than leasing under a long funding lease, the lower of cost and market value;
 - (e) if the lessor owns the plant or machinery as a result of having incurred expenditure on its provision for purposes other than those of a qualifying activity, but—

Status: Point in time view as at 06/04/2007. This version of this Act contains provisions that are not valid for this point in time.
Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (i) the plant or machinery is brought into use by the lessor for the purposes of a qualifying activity on or after 1st April 2006, and
- (ii) that qualifying activity is the leasing of the plant or machinery under the long funding operating lease,

the relevant value is the lower of first use market value and first use amortised value.

(5) In subsection (4) above—

“cost” means the amount of the expenditure incurred by the lessor on the provision of the plant or machinery;

“first use amortised value” means the value that the plant or machinery would have at the time when it is first brought into use for the purposes of the qualifying activity, on the assumption that—

- (a) the cost of acquiring the plant or machinery had been written off on a straight line basis over the remaining useful economic life of the plant or machinery, and
- (b) any further capital expenditure incurred had been written off on a straight line basis over so much of the remaining economic life of the plant or machinery as remains at the time when the expenditure is incurred;

“first use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity;

“market value” means the market value of the plant or machinery at the commencement of the term of the long funding operating lease;

“recognised value” means the value at which the plant or machinery is recognised in the books or other financial records of the lessor at the commencement of the long funding operating lease.

(6) From—

(a) the relevant value determined in accordance with subsection (4) above, subtract

(b) the amount which, at the commencement of the term of the lease, is (or, in a case falling within subsection (4)(e) above, would have been) expected to be the residual value of the plant or machinery,

to find the expected gross reduction in value over the term of the lease.

(7) Apportion the amount of that expected gross reduction in value to each period of account in which any part of the term of the lease falls.

(8) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each period of account.

(9) The amount of the deduction for any period of account is the amount so apportioned to that period.

502F Long funding operating lease: lessor's additional expenditure

(1) This section applies if in any period of account—

- (a) a company is the lessor of any plant or machinery under a long funding operating lease,

Status: Point in time view as at 06/04/2007. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the company incurs capital expenditure in relation to the plant or machinery, and
 - (c) that capital expenditure (the “additional expenditure”) is not reflected in the market value of the plant or machinery at the commencement of the term of the lease.
- (2) In a case falling within section 502E(4)(e) above, subsection (1)(c) above has effect as if the reference to the commencement of the term of the lease were a reference to the time when the plant or machinery is first brought into use by the lessor for the purposes of the qualifying activity.
- (3) Where this section applies, an additional deduction is allowed in computing the profits of the company for each post-expenditure period of account in which the company is the lessor of the plant or machinery under the lease.
- (4) The amount of the deduction for any such period of account is to be determined as follows.
- (5) Find ARV, CRV, PRV, and TRV where—
- “ARV” is the amount which, at the time when the additional expenditure is incurred, is expected to be the residual value of the plant or machinery;
 - “CRV” is the amount which, at the commencement of the term of the lease, is expected to be the residual value of the plant or machinery;
 - “PRV” is the sum of any amounts that fell to be taken into account as RRV (see subsection (6)) in the application of this section in relation to any previous additional expenditure incurred by the company in relation to the leased plant or machinery;
 - “TRV” is the total of CRV and PRV.
- (6) Find RRV, where—
- (a) if ARV exceeds TRV, RRV is the portion of the excess that is a result of the additional expenditure, but
 - (b) if ARV does not exceed TRV, RRV is nil.
- (7) From—
- (a) the amount of the additional expenditure, subtract
 - (b) RRV,
- to find the expected partial reduction in value over the remainder of the term of the lease.
- (8) Apportion the amount of that expected partial reduction in value to each post-expenditure period of account in which any part of the term of the lease falls.
- (9) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each post-expenditure period of account.
- (10) The amount of the additional deduction for any period of account is the amount so apportioned to that period.
- (11) In this section “post-expenditure period of account” means any period of account ending after the incurring of the additional expenditure.

502G Lessor under long funding operating lease: termination of lease

- (1) This section applies for determining the liability to corporation tax of a company which is the lessor immediately before the termination of a long funding operating lease.
- (2) Step 1 is to find—
 - (a) the termination amount (TA);
 - (b) the total of any sums paid to the lessee that are calculated by reference to the termination value (LP).
- (3) Step 2 is to find—
 - (a) the relevant value for the purposes of section 502E(6)(a) (RV);
 - (b) the total of the deductions allowable under section 502E for periods of account for the whole or part of which the company was the lessor before the termination of the lease (TD1);
 - (c) the amount, if any, (ERV) by which RV exceeds TD1.
- (4) Step 3 is to find—
 - (a) the total of any amounts of capital expenditure incurred by the company which constitute additional expenditure for the purposes of section 502F in the case of the lease (TAE);
 - (b) the total of any deductions allowable under section 502F for periods of account for the whole or part of which the company was the lessor before the termination of the lease (TD2);
 - (c) the amount, if any, (EAE) by which TAE exceeds TD2.
- (5) Step 4 is to find the total of ERV and EAE (T).
- (6) If $(TA - LP)$ exceeds T, treat a profit of an amount equal to the excess as arising to the company in the period of account in which the lease terminates.
- (7) If T exceeds $(TA - LP)$, treat a loss of an amount equal to the excess as arising to the company in that period of account.
- (8) A profit or loss treated as arising to the company under subsection (6) or (7) above is to be treated—
 - (a) in the case of a profit, as income of the company attributable to the lease,
 - (b) in the case of a loss, as a revenue expense incurred by the company in connection with the lease.
- (9) In computing the profits of the company, no deduction is allowed in respect of any sums paid to the lessee that are calculated by reference to the termination value.

[^{F3082}539A] The conditions for being an excepted group life policy

- (1) The conditions mentioned in section 539(2)(f) (excepted group life policies) are those set out in the following provisions of this section.
- (2) Condition 1 is that under the terms of the policy a sum or other benefit of a capital nature is payable or arises on the death of each of the individuals insured under the policy who dies without attaining an age which is specified in the policy and is not greater than 75 years.

In determining whether this condition is satisfied, disregard any terms of the policy which exclude from benefit the death of a person in specified circumstances, if the exclusion applies in relation to death in those circumstances in the case of each of the individuals insured under the policy.

- (3) Condition 2 is that under the terms of the policy—
 - (a) the same method is to be used for calculating the sums or other benefits of a capital nature payable or arising on each death, and
 - (b) if there is any limitation on those sums or other benefits, the limitation is the same in the case of any death.
- (4) Condition 3 is that the policy does not have, and is not capable of having, on any day—
 - (a) a surrender value that exceeds the proportion of the premiums paid which, on a time apportionment, is referable to the unexpired paid-up period beginning with that day, or
 - (b) if there is no such period, any surrender value.

For the purposes of this subsection the unexpired paid-up period beginning with any day is the period (if any) which—

- (i) begins with that day, and
- (ii) ends with the earliest subsequent day on which—
 - (a) a payment of premium falls due under the policy, or

(b) the term of the policy ends.

- (5) Condition 4 is that no sums or other benefits may be paid or conferred under the policy, except as mentioned in condition 1 or condition 3.
- (6) Condition 5 is that any sums payable or other benefits arising under the policy must (whether directly or indirectly) be paid to or for, or conferred on, or applied at the direction of—
- (a) an individual or charity beneficially entitled to them, or
 - (b) a trustee or other person acting in a fiduciary capacity who will secure that the sums or other benefits are paid to or for, or conferred on, or applied in favour of, an individual or charity beneficially.

In this subsection “charity” means any body of persons or trust established for charitable purposes only.

- (7) Condition 6 is that no person—
- (a) who is an individual whose life is insured under the policy, or
 - (b) who is, within the meaning of section 839, connected with an individual whose life is so insured,

may, by virtue of a group membership right relating to that individual, receive (directly or indirectly) any death benefit in respect of another group member.

In this subsection—

- (i) “group membership right”, in relation to an individual, means any right (including the right of any person to be considered by trustees in their exercise of a discretion) that is referable to that individual’s being one of the individuals whose lives are insured by the policy; and
 - (ii) “death benefit in respect of another group member” means—
 - (a) any sums or other benefits payable or arising under the policy on the death of any other of those individuals, or
 - (b) anything representing any such sums or benefits.
- (8) Condition 7 is that a tax avoidance purpose is not the main purpose, or one of the main purposes, for which a person is at any time—
- (a) the holder, or one of the holders, of the policy, or
 - (b) the person, or one of the persons, beneficially entitled under the policy.

In this subsection—

- (i) “tax avoidance purpose” means any purpose that consists in securing a tax advantage (whether for the holder of the policy or any other person); and
- ^{F3083}(ii) “tax advantage” has the meaning given by section 840ZA.]

CHAPTER V

PURCHASED LIFE ANNUITIES

656 Purchased life annuities other than retirement annuities.

- (1) ^{M581}Subject to section 657, a purchased life annuity shall, for the purposes of the provisions of the [^{F3652}Corporation Tax Acts] relating to tax on annuities and other annual payments, be treated as containing a capital element and, to the extent of the capital element, as not being an annual payment or in the nature of an annual payment; but the capital element in such an annuity shall be taken into account in computing profits or gains or losses for [^{F3653}other corporation tax purposes] in any circumstances in which a lump sum payment would be taken into account.
- (2) ^{M582}Where, in the case of any purchased life annuity to which this section applies, the amount of any annuity payment (but not the term of the annuity) depends on any contingency other than the duration of a human life or lives—
 - (a) the capital element shall be determined by reference—
 - (i) to the amount or value of the payments made or other consideration given for the grant of the annuity (“the purchase price”); and
 - (ii) to the expected term of the annuity, as at the date when the first annuity payment began to accrue, expressed in years (and any odd fraction of a year), and determined by reference to the prescribed tables of mortality;
and in head (ii) above “term” means the period from the date when the first annuity payment begins to accrue to the date when the last payment becomes payable;
 - (b) the capital element in any annuity payment made in respect of a period of 12 months shall be a fraction—

$$\frac{1}{E}$$

Status: Point in time view as at 06/04/2007. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- of the purchase price, where E is the expected term referred to in paragraph (a)(ii) above;
- (c) the capital element in any annuity payment made in respect of a period of less than, or more than, 12 months shall be the amount at (b) above reduced or, as the case may be, increased, in the same proportion as the length of that period bears to a period of 12 months;
 - (d) subsection (3) below shall not apply but paragraphs (a) and (b) of subsection (4) below shall apply as they apply to that subsection.
- (3) Subject to subsection (2) above, in the case of any purchased life annuity to which this section applies—
- (a) ^{M583}the capital element shall be determined by reference to the amount or value of the payments made or other consideration given for the grant of the annuity; and
 - (b) the proportion which the capital element in any annuity payment bears to the total amount of that payment shall be constant for all payments on account of the annuity; and
 - (c) where neither the term of the annuity nor the amount of any annuity payment depends on any contingency other than the duration of a human life or lives, that proportion shall be the same proportion which the total amount or value of the consideration for the grant of the annuity bears to the actuarial value of the annuity payments as determined in accordance with subsection (4) below; and
 - (d) ^{M584}where either the term of the annuity or the amount of any annuity payment (but not both) depends on any contingency other than the duration of a human life or lives, that proportion shall be such as may be just, having regard to paragraph (c) above and to the contingencies affecting the annuity; and
 - (e) where both the term of the annuity and the amount of any annuity payment depend on any contingency other than the duration of a human life or lives, that proportion shall be such as may be just, having regard to subsection (2) above and to the contingencies affecting the annuity.
- (4) ^{M585}For the purposes of subsection (3) above—
- (a) any entire consideration given for the grant of an annuity and for some other matter shall be apportioned as appears just (but so that a right to a return of premiums or other consideration for an annuity shall not be treated for this purpose as a distinct matter from the annuity);
 - (b) where it appears that the amount or value of the consideration purporting to be given for the grant of an annuity has affected, or has been affected by, the consideration given for some other matter, the aggregate amount or value of those considerations shall be treated as one entire consideration given for both and shall be apportioned under paragraph (a) above accordingly; and
 - (c) the actuarial value of any annuity payments shall be taken to be their value as at the date when the first of those payments begins to accrue, that value being determined by reference to the prescribed tables of mortality and without discounting any payment for the time to elapse between that date and the date it is to be made.
- (5) Where a person making a payment on account of any life annuity has been notified in the prescribed manner of any decision as to its being or not being a purchased life annuity to which this section applies or as to the amount of the capital element (if any), and has not been notified of any alteration of that decision, the notice shall be conclusive as to those matters for the purpose of determining the amount of income

 - (a) the borrower under a stock lending arrangement is treated under section 736B(2) as paying under that arrangement an amount representative of interest on any securities (“the relevant securities”),
 - (b) an amount of money (“cash collateral”) is payable to or for the benefit of the lender for the purpose of securing the discharge of the requirement to transfer the relevant securities back to the lender,
 - (c) the stock lending arrangement is designed to produce a return to the borrower which equates, in substance, to the return on an investment of money at interest, and
 - (d) the main purpose, or one of the main purposes, of the stock lending arrangement is the obtaining of a tax advantage.
- (2) Where this section applies—
 - (a) the [^{F4083}Corporation Tax Acts] are to apply as if the borrower receives an amount of interest payable in respect of the cash collateral, and
 - (b) the amount of the interest is calculated in accordance with the following provisions of this section (see, in particular, subsections (3) to (7)).
- (3) The interest is treated for the purposes of the [^{F4083}Corporation Tax Acts] as if it were received on the date (“the return date”) on which the borrower transfers the relevant securities back to the lender.
- (4) The interest is treated for the purposes of the [^{F4083}Corporation Tax Acts] as if it were payable in respect of the period (“the interest period”)—
 - (a) beginning with the date on which the lender transfers the relevant securities to the borrower, and
 - (b) ending with the return date.
- (5) The rate of interest payable in respect of the cash collateral is a rate that is reasonably comparable to the rate that the borrower could obtain by placing the cash collateral on deposit for the interest period.
- (6) For the purposes of this section, the amount of the cash collateral on which the interest is payable is taken to be—
 - (a) in any case where the amount of the cash collateral varies at any time on or before the return date, the highest amount of the cash collateral at any time on or before the return date, and
 - (b) in any other case, the amount of the cash collateral as at the return date.
- (7) The amount of the interest which the borrower is treated as receiving in respect of the cash collateral for the interest period is reduced (but not below nil) by any interest which the borrower actually receives in respect of that collateral for that period.
- (8) ^{F4084}
- (9) If the borrower is a company within the charge to corporation tax—

- (a) the interest which the borrower is treated as receiving is treated for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (loan relationships) as payable to it on a money debt,
 - (b) that money debt is treated for those purposes as a relationship to which section 100 of the Finance Act 1996 applies (money debts etc not arising from the lending of money), and
 - (c) the credits to be brought into account for those purposes in respect of the interest must be determined using an amortised cost basis of accounting.
- (10) The fact that the borrower is treated as receiving an amount of interest is not to be taken as implying that the interest is payable by the lender or any other person.
- (11) For the purposes of this section—
- “money” includes money expressed in a currency other than sterling,
 - “stock lending arrangement” and “securities” have the same meanings as in section 263B of the 1992 Act,

- (a) any reference to the transfer of securities back has the same meaning as in section 263B of the 1992 Act (see, in particular, sections 263B(5) and 263C(1) of that Act), but
 - (b) if it becomes apparent that the borrower will not comply with the requirement to transfer any securities back, the borrower is treated as if he transfers them back on the date on which it becomes so apparent.
- (13) For the purposes of this section it does not matter—
- (a) whether the cash collateral is payable by the borrower or by any other person,
 - (b) whether the cash collateral is payable under the stock lending arrangement or under any other arrangement,
 - (c) whether collateral in another form is also provided in connection with the stock lending arrangement.

C499 Pt. 17 Ch. 4 modified (10.6.1999) by The Non-resident Companies (General Insurance Business) Regulations 1999 (S.I. 1999/1408), **regs. 3-6**

C500 Pt. 17 Ch. 4 modified (20.7.2005) by Finance (No. 2) Act 2005 (c. 22), **s. 45(5)(6)**

747 Imputation of chargeable profits and creditable tax of controlled foreign companies

^{M617}(1) If ^{F4152} . . . in any accounting period a company—

- (a) is resident outside the United Kingdom, and
- (b) is controlled by persons resident in the United Kingdom, and
- (c) is subject to a lower level of taxation in the territory in which it is resident,

^{F4153} . . . the provisions of this Chapter shall apply in relation to that accounting period.

[^{F4154}(1A) A company which would not, apart from this subsection, fall to be regarded as controlled by persons resident in the United Kingdom shall be taken for the purposes of this Chapter to be so controlled if—

- (a) there are two persons who, taken together, control the company;
- (b) one of those persons is resident in the United Kingdom and is a person in whose case the 40 per cent test in section 755D(3) is satisfied; and
- (c) the other is a person in whose case the 40 per cent test in section 755D(4) is satisfied.]

[^{F4155}(1B) In determining, for the purposes of any provision of this Chapter except subsection (1) (a) above, whether a company is a person resident in the United Kingdom, section 249 of the Finance Act 1994 (under which a company is treated as non-resident if it is so treated for double taxation relief purposes) shall be disregarded.]

(2) A company which falls within paragraphs (a) to (c) of subsection (1) above is in this Chapter referred to as a “controlled foreign company”.

(3) [^{F4156}Subject to section 748, where] the provisions of this Chapter apply in relation to an accounting period of a controlled foreign company, the chargeable profits of that company for that period and its creditable tax (if any) for that period shall each be apportioned in accordance with section 752 among the persons (whether resident in the United Kingdom or not) who had an interest in that company at any time during that accounting period.

(4) Where, on such an apportionment of a controlled foreign company’s chargeable profits for an accounting period as is referred to in subsection (3) above, an amount of those profits is apportioned to a company resident in the United Kingdom then, subject to subsection (5) below—

- (a) a sum equal to corporation tax at the appropriate rate on that apportioned amount of profits, less the portion of the controlled foreign company’s creditable tax for that period (if any) which is apportioned to the resident company, shall be [^{F4157}chargeable on] the resident company as if it were an amount of corporation tax chargeable on that company; ^{F4158} . . .
- (b) ^{F4158}

and for the purposes of paragraph (a) above “the appropriate rate” means the rate of corporation tax applicable to profits of that accounting period of the resident company in which ends the accounting period of the controlled foreign company [^{F4159}which is mentioned in subsection (1) above] or, if there is more than one such rate, the average rate over the whole of that accounting period of the resident company.

[^{F4160}(4A) ^{F4161}.....]

(4B) ^{F4161}.....]

(5) Tax shall not, by virtue of subsection (4) above, be [^{F4162}chargeable on] a company resident in the United Kingdom unless, on the apportionment in question, the aggregate of—

(a) the amount of the controlled foreign company's chargeable profits for the accounting period in question which is apportioned to the resident company, and

(b) any amounts of those chargeable profits which are apportioned to persons who are connected or associated with the resident company,

is at least [^{F4163}25 per cent.] of the total of those chargeable profits.

(6) In relation to a company resident outside the United Kingdom—

(a) any reference in this Chapter to its chargeable profits for an accounting period is a reference to the amount which, on the assumptions in Schedule 24, would be the amount of the total profits of the company for that period on which, after allowing for any deductions available against those profits, corporation tax would be chargeable; and

(b) any reference in this Chapter to profits does not include a reference to chargeable gains but otherwise (except as provided by paragraph (a) above) has the same meaning as it has for the purposes of corporation tax.

[^{F4178}748ZA] Exclusion of small profits exemptions

- (1) Nothing in section 748(1)(da) prevents an apportionment falling to be made as regards an accounting period (“the relevant accounting period”) of a controlled foreign company (“X”) if condition A, B or C is met.
- (2) Condition A is that at any time before the end of the relevant accounting period a scheme is entered into and—
 - (a) in the absence of this subsection, in consequence of the scheme, section 748(1)(da) would apply to prevent an apportionment falling to be made as regards the relevant accounting period of X, and
 - (b) the main purpose, or one of the main purposes, of any party to the scheme in entering into the scheme is to secure that section 748(1)(da) prevents an apportionment falling to be made as regards that period, or that period and one or more other accounting periods of X.
- (3) Condition B is that at any time before the end of the relevant accounting period a scheme is entered into and—
 - (a) in consequence of the scheme profits are shifted to X from another company (“Y”),
 - (b) the main purpose or one of the main purposes of any party to the scheme in entering into the scheme is to ensure that section 748(1)(da) prevents an apportionment falling to be made as regards the chargeable profits of one or more controlled foreign companies for one or more accounting periods, and
 - (c) the relevant accounting period of X falls wholly or partly within that accounting period or those accounting periods.
- (4) For the purposes of subsection (3), profits are shifted to X from Y if it is reasonable to suppose that in the absence of the scheme, and any similar scheme, the whole or a part of the income which is reflected in X's profits would have been reflected in Y's profits.
- (5) Condition C is that, in determining X's chargeable profits for the relevant accounting period—

 - (b) at the time of the disposal, the asset constitutes an interest in a company resident in the United Kingdom or in a unit trust scheme, the trustees of which are at that time resident in the United Kingdom and at a material time after 31st December 1984 [^{F4244}the interest was a material interest in a non-qualifying offshore fund];
- and for the purpose of determining whether the asset disposed of falls within paragraph (b) above, section [^{F4245}127 of the 1992] Act (equation of original shares and new holding) shall have effect as it has effect for the purposes of that Act.
- (2) ^{M627}Subject to the following provisions of this section and section 758, there is a disposal of an asset for the purposes of this Chapter if there would be such a disposal for the purposes of the [^{F4245}1992] Act.
- (3) Notwithstanding anything in paragraph (b) of subsection (1) of section [^{F4245}62 of the 1992] Act (general provisions applicable on death: no deemed disposal by the deceased) where a person dies and the assets of which he was competent to dispose include an asset which is or has at any time been a material interest in a non-qualifying offshore fund, then, for the purposes of this Chapter, other than section 758—
- (a) immediately before the acquisition referred to in paragraph (a) of that subsection, that interest shall be deemed to be disposed of by the deceased for such a consideration as is mentioned in that subsection; but
 - (b) nothing in this subsection affects the determination, in accordance with subsection (1) above, of the question whether that deemed disposal is one to which this Chapter applies.
- (4) Subject to subsection (3) above, section [^{F4245}62 of the 1992] Act applies for the purposes of this Chapter as it applies for the purposes of that Act, and the reference in that subsection to the assets of which a deceased person was competent to dispose shall be construed in accordance with subsection (10) of that section.
- ^{F4246}(5) Section 135 of the 1992 Act (exchange of securities for those in another company treated as not involving a disposal) does not apply for the purposes of this Chapter [^{F4247}to the extent that—
- (a) the interest in the entity that is company A for the purposes of that section that is exchanged is or was at a material time an interest in a non-qualifying offshore fund, and
 - (b) the interest in the entity that is company B for those purposes that is exchanged is not an interest in such a fund.]

In a case where that section would apply apart from this subsection, the exchange in question [^{F4248}(of interests in or of an entity that are or were at a material time interests in a non-qualifying offshore fund)] shall for the purposes of this Chapter constitute a disposal of interests in the offshore fund for a consideration equal to their market value at the time of the exchange.

- (6) Section 136 of the 1992 Act (scheme of reconstruction involving issue of securities treated as exchange not involving disposal) does not apply for the purposes of this Chapter [F4249] to the extent that—
- (a) the interest in the entity that is company A for the purposes of that section that is exchanged is or was at a material time an interest in a non-qualifying offshore fund, and
 - (b) the interest in the entity that is company B for those purposes that is exchanged is not an interest in such a fund.]

In a case where that section would apply apart from this subsection, the deemed exchange in question [F4250] (of interests in or of an entity that are or were at a material time interests in a non-qualifying offshore fund)] shall for the purposes of this Chapter constitute a disposal of interests in the offshore fund for a consideration equal to their market value at the time of the deemed exchange.]

- (7) For the purposes of this section—
- (a) a material time, in relation to the disposal of an asset, is [F4251] any time on or after] the earliest date on which any relevant consideration was given for the acquisition of the asset or, if that date is earlier than 1st January 1984, any time on or after 1st January 1984; and
 - (b) “relevant consideration” means consideration which, assuming the application to the disposal of [F4245] Chapter III of Part II of the 1992] Act, would fall to be taken into account in determining the amount of the gain or loss accruing on the disposal, whether that consideration was given by or on behalf of the person making the disposal or by or on behalf of a predecessor in title of his whose acquisition cost represents, directly or indirectly, the whole or any part of the acquisition cost of the person making the disposal.

the amount of that distribution which is paid to him (assuming him still to retain that interest) will include a payment of capital which is debited to an account maintained under the arrangements (“the equalisation account”) and which is determined by reference to the income which had accrued to the fund at the date of his acquisition.

- (b) throughout so much of that period as precedes the disposal, the income of the offshore fund concerned has been of such a nature as is referred to in paragraph 3(1) of Schedule 27.

(5) An event which, apart from section [F4252]127 of the 1992] Act (reorganisations etc.), would constitute a disposal of an asset shall constitute such a disposal for the purpose of determining whether, by virtue of subsection (3) above, there is a disposal to which this Chapter applies.

(6) The reference in subsection (5) above to section [F4252]127 of the 1992] Act includes a reference to that section as applied by [F4253]any provision of Chapter 2 of Part 4 of that Act].

768 Change in ownership of company: disallowance of trading losses.

^{M644}(1) If—

- (a) within any period of three years there is both a change in the ownership of a company and (either earlier or later in that period, or at the same time) a major change in the nature or conduct of a trade carried on by the company, or
- (b) at any time after the scale of the activities in a trade carried on by a company has become small or negligible, and before any considerable revival of the trade, there is a change in the ownership of the company,

no relief shall be given under section 393 by setting a loss incurred by the company in an accounting period beginning before the change of ownership against any income or other profits of an accounting period ending after the change of ownership.

- (2) In applying this section to the accounting period in which the change of ownership occurs, the part ending with the change of ownership, and the part after, shall be treated as two separate accounting periods, and the profits or losses of the accounting period shall be apportioned to the two parts.

- (3) The apportionment under subsection (2) above shall be on a time basis according to the respective lengths of those parts except that if it appears that that method would work unreasonably or unjustly such other method shall be used as appears just and reasonable.
- (4) In subsection (1) above “major change in the nature or conduct of a trade” includes—
- (a) a major change in the type of property dealt in, or services or facilities provided, in the trade; or
 - (b) a major change in customers, outlets or markets of the trade;
- and this section applies even if the change is the result of a gradual process which began outside the period of three years mentioned in subsection (1)(a) above.
- (5) In relation to any relief available under section 343 to a successor company, subsection (1) above shall apply as if any loss sustained by a predecessor company had been sustained by a successor company and as if the references to a trade included references to the trade as carried on by a predecessor company.
- (6) Where relief in respect of a company’s losses has been restricted under this section then, notwithstanding [^{F4308}section 577(3) of the Capital Allowances Act], in applying the provisions of that Act about balancing charges to the company by reference to any event after the change of ownership of the company, any allowance or deduction falling to be made in taxing the company’s trade for any chargeable period before the change of ownership shall be disregarded unless the profits or gains of that chargeable period or of any subsequent chargeable period before the change of ownership were sufficient to give effect to the allowance or deduction.
- (7) In applying subsection (6) above it shall be assumed that any profits or gains are applied in giving effect to any such allowance or deduction in preference to being set off against any loss which is not attributable to such an allowance or deduction.
- (8) Where the operation of this section depends on circumstances or events at a time after the change of ownership (but not more than three years after), an assessment to give effect to the provisions of this section shall not be out of time if made within six years from that time, or the latest of those times.
- (9) Any person in whose name any shares, stock or securities of a company are registered shall, if required by notice by an inspector given for the purposes of this section, state whether or not he is the beneficial owner of those shares or securities and, if not the beneficial owner of those shares or securities of any of them, shall furnish the name and address of the person or persons on whose behalf those shares, stock or securities are registered in his name.

(13) In this section “deemed interest” means any amount which is treated as interest as a result of any of subsections (6) to (10).

(14) This section is subject to the exceptions contained in section 774E.

774E Sections 774B and 774D: exceptions

(1) Section 774B or 774D does not apply if the whole of the advance under the structured finance arrangement—

- (a) is charged to tax on a relevant person (see subsection (7)) as an amount of income,
- (b) is brought into account in calculating for tax purposes any income of a relevant person, or
- (c) is brought into account for the purposes of any provision of the Capital Allowances Act as a disposal receipt, or proceeds from a balancing event or disposal event, of a relevant person.

For the purposes of this subsection the effect of section 785A (rent factoring of leases of plant or machinery) is to be disregarded.

(2) Subsection (1)(c) is not to be taken as met in any case where—

- (a) the receipt or proceeds gives rise to a balancing charge, and
- (b) the amount of the balancing charge is limited by any provision of the Capital Allowances Act.

(3) Section 774B or 774D does not apply if, at all times, the whole of the advance under the structured finance arrangement—

- (a) is a debtor relationship of a relevant person for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (loan relationships), or
- (b) would be a debtor relationship of a relevant person for those purposes if that person were a company within the charge to corporation tax.

For the purposes of this subsection references to a debtor relationship do not include a relationship to which section 100 of the Finance Act 1996 (money debts etc not arising from the lending of money) applies.

(4) Section 774B or 774D does not apply in so far as the structured finance arrangement is an arrangement in relation to which—

- (a) section 263A of the 1992 Act (agreements for sale and repurchase of securities) applies,
- (b) paragraph 15 of Schedule 9 to the Finance Act 1996 (repo transactions and stock-lending) applies, or
- (c) Chapter 5 of Part 2 of the Finance Act 2005 (alternative finance arrangements) has effect.

(5) Section 774B or 774D does not apply in so far as—

- (a) the security under the structured finance arrangement is plant or machinery which is the subject of a sale and finance leaseback, or
- (b) the structured finance arrangement is an arrangement in relation to which sections 228B to 228D of the Capital Allowances Act apply with the modifications contained in section 228F of that Act (lease and finance leaseback).

Status: Point in time view as at 06/04/2007. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- (6) For the purposes of subsection (5)(a), whether plant or machinery is the subject of a sale and finance leaseback is determined in accordance with section 221 of the Capital Allowances Act.

But, in applying that section, it is to be assumed that the words “and which are not a long funding lease in the case of the lessor” were omitted from section 219(1)(b) of that Act (meaning of “finance lease”).

- (7) For the purposes of this section a “relevant person” means—
- (a) if section 774B applies, a person in relation to whom the structured finance arrangement would (but for that section) otherwise have had the relevant effect (within the meaning of that section), and
 - (b) if section 774D applies, a relevant member of the borrower partnership (within the meaning of that section).

774F Sections 774B and 774D: power to provide further exceptions

- (1) The Treasury may make regulations prescribing other circumstances in which section 774B or 774D is not to apply in relation to a structured finance arrangement.
- (2) Any regulations under subsection (1) may make provision amending section 774E.
- (3) The power to make regulations under subsection (1) includes—
- (a) power to make provision having effect in relation to times before the making of the regulations (but not times earlier than 6th June 2006),
 - (b) power to make different provision for different cases or different purposes, and
 - (c) power to make incidental, supplemental, consequential or transitional provision and savings.

774G Sections 774A to 774D: minor definitions etc

- (1) For the purposes of sections 774A to 774D “arrangement” includes any agreement or understanding (whether or not legally enforceable).
- (2) For the purposes of sections 774A to 774D “income deduction” means—
- (a) a deduction in calculating any income for tax purposes, or
 - (b) a deduction against total income or total profits.
- (3) For the purposes of sections 774A to 774D—
- (a) references to a person's receiving any asset include the person's obtaining directly or indirectly the value of any asset or otherwise deriving directly or indirectly any benefit from it,
 - (b) references to a disposal of an asset include anything which constitutes a disposal of the asset for the purposes of the 1992 Act,
 - (c) references to payments in respect of any asset include obtaining directly or indirectly the value of any asset or otherwise deriving directly or indirectly any benefit from it.
- (4) For the purposes of sections 774A to 774D, section 839 (connected persons) applies.

- (5) For the purposes of sections 774A to 774D references to the accounts of any person who is a company include the consolidated group accounts of a group of companies of which it is a member.
- (6) If any person does not draw up accounts in accordance with generally accepted accounting practice, sections 774A to 774D apply as if the accounts had been drawn up by the person in accordance with that practice.
- (7) Sections 277 to 281 of ITTOIA 2005 and section 34 above (lease premiums) are not to apply in relation to a premium paid in respect of a grant of a lease where the grant constitutes a disposal of an asset for the purposes of section 774A(2)(c) or 774C(2)(a).]

780 Sale and leaseback: taxation of consideration received.

^{M651}(1) If, in any case where a person (“the lessee”) who is a lessee of land under a lease having not more than 50 years to run (“the original lease”) is entitled in respect of the rent under the lease to a deduction by way of tax relief which is a relevant tax relief for the purposes of section 779—

- (a) the lessee assigns the original lease to another person, or surrenders it to his landlord, for a consideration which apart from this section would not be taxable otherwise than as capital in the hands of the lessee, and
- (b) there is granted or assigned to the lessee another lease (“the new lease”) of or including the whole or any part of the land which was the subject of the original lease for a term not exceeding 15 years;

then, subject to the following provisions of this section, the provisions of this Act providing for deductions or allowances by way of tax relief in respect of payments of rent shall apply in relation to the rent under the new lease, and for the purposes of the Tax Acts a proportion of the consideration received by the lessee shall be treated not as a capital receipt but in accordance with subsection (3) below.

(2) For the purposes of this section—

- (a) if the aggregate of the rent payable under the new lease in respect of any rental period ending on a date falling before the 15th anniversary of the date on which the term of the new lease begins is greater than the aggregate of the rent payable under the new lease in respect of the period of equal duration beginning on the day following that date, then unless the term of the new lease would be treated as ending on an earlier date by virtue of paragraph (b) below, that term shall be treated as ending on that date;
- (b) if under the terms of the new lease—

- (i) the lessor of the lessee has power to determine the new lease at a time before the expiry of the term for which it was granted, or
- (ii) the lessee has power to vary his obligations under the new lease so as to reduce the rent which he would otherwise have to pay or in any other manner beneficial to him,

then, unless the term of the new lease would be treated as ending on an earlier date by virtue of paragraph (a) above, that term shall be treated as ending on the earliest date with effect from which, in exercise of that power, the lessor or the lessee could determine the new lease or, as the case may be, the lessee could so vary his obligations;

and in any case where a rentcharge payable by the lessee is secured on the whole or any part of the property which is the subject of the new lease, the rent payable under the new lease shall be treated for the purposes of paragraphs (a) and (b) above as equal to the aggregate of the rentcharge and the rent payable under the terms of that lease.

- (3) Subject to the following provisions of this section, the proportion of the consideration received by the lessee as mentioned in subsection (1) above, or of any instalment of that consideration, which for the purposes of the Tax Acts is to be treated not as a capital receipt but in accordance with this subsection shall be determined by the formula—

$$\frac{16 - N}{15}$$

where N is the term of the new lease expressed in years or, if that term is less than a year, where N is 1; and that proportion shall be treated for the purposes of the Tax Acts—

- (a) as a receipt of a trade, profession or vocation, if the rent payable by the lessee under the new lease is allowable as a deduction in computing [^{F4429}profits] or losses of a trade, profession or vocation for the purposes of tax and if the consideration is received by the lessee in the course of that trade, profession or vocation; and
- (b) in any other case, as [^{F4430}an amount chargeable to tax in accordance with subsection (3A)].

[^{F4431}(3A) The amount shall be charged—

- (a) to income tax, or
- (b) to corporation tax as a profit or gain under Case VI of Schedule D.

(3B) The income tax charged by virtue of subsection (3A)(a) above shall be charged on the full amount of the proportion of the consideration concerned arising in the year of assessment; and the person liable for any tax so charged is the lessee.]

[^{F4432}(3C) An amount charged to income tax by virtue of subsection (3A)(a) above is treated for income tax purposes as an amount of income.]

- (4) In any case where the property which is the subject of the new lease does not include the whole of the property which was the subject of the original lease, the consideration received by the lessee shall be treated for the purposes of subsection (3) above as reduced to that portion of the consideration which is reasonably attributable to such part of the property which was the subject of the original lease as consists of, or is included in, the property which is the subject of the new lease.

(5) Schedule 2 shall have effect for the purposes of giving relief, on a claim being made in that behalf, from any increase in an individual's liability to income tax which is attributable to any amount being treated, by virtue of subsection (3) above, as an income receipt for a single year of assessment rather than as a series of such receipts during the term of the new lease; and in the application of that Schedule by virtue of this subsection for the definitions of "chargeable sum" and "relevant period" there shall be substituted the following definitions—

“ “chargeable sum” means the amount in respect of which, by virtue of subsection (3) above, the claimant is chargeable to income tax for the year of assessment;”

“ “relevant period”, in relation to any chargeable sum, means the term of the new lease.”

(6) Where by agreement with his landlord, the lessee varies the terms of the original lease in such a manner that, in return for such a consideration as is specified in subsection (1) (a) above, the lessee undertakes to pay, during a period ending not later than 15 years after the date on which the consideration, or if the consideration is paid in instalments, the last such instalment, is paid to the lessee, a rent greater than that payable under the original lease, he shall be treated for the purposes of this section—

(a) as having surrendered the original lease for that consideration, and

(b) as having been granted a new lease for a term not exceeding 15 years but otherwise on the terms of the original lease as so varied.

(7) References in this section to the lessee (other than in subsection (1)(a) above) include references to a person who is a partner or associate of the lessee or an associate of a partner of the lessee; and for the purposes of this section the expression "associate" shall be construed in accordance with 783(10).

(8) Subject to subsection (7) above, expressions used in this section have the meanings assigned to them by section 24, and in subsection (2)(a) above "rental period" means a period in respect of which a payment of rent falls to be made, and for the purposes of that subsection, in a case where the rental period is a quarter or a month, each such period shall be treated as of equal duration.

(9) The preceding provisions of this section shall not apply if the lessee had, before 22nd June 1971, a right enforceable at law or in equity to the grant of the new lease, but in any case where, apart from this subsection, those provisions would apply, no part of the rent paid under the new lease shall be treated as a payment of capital, and the provisions of this Act providing for deductions or allowances by way of tax relief in respect of payments of rent shall apply accordingly.

(5) Where—

- (a) the deduction by way of tax relief mentioned in subsection (1)(a) above is a deduction in computing, for income tax purposes, profits or gains or losses of a trade, profession or vocation, or arising from woodlands, and
- (b) any part of the payments made under the lease by the person obtaining the capital sum is a payment in respect of which a deduction is not allowed for the reason that the whole or any part of the period in which the payment would fall to be allowed is not a period on the [^{F4435}profits] of which income tax falls to be computed in respect of the trade, profession or vocation,

- (2) Subject to the following provisions of this section, the deduction allowable in computing the [^{F4445}profits] or losses of the trade for the purposes of tax as respects any such payment shall not exceed the commercial rent of the asset for the period for which the payment was made.

and to the extent that a part of a payment carried forward under subsection (3) above is not allowable as a deduction it may again be carried forward under that subsection.

- (5) A payment made for a period all of which falls more than one year after the payment is made shall be treated for the purposes of this section as made for that period of one year beginning with the date on which the payment is made, and a payment for a period part of which falls after the end of that year shall be treated for those purposes as if a corresponding part of the payment was made for that year (and no part for any later period).

- “anticipated normal working life” means, in the case of any asset, the period which might be expected, when the asset is first put into use, to be going to elapse before it is finally put out of use as being unfit for further use, it being assumed that the asset is going to be used in the normal manner and to the normal extent, and is going to be so used throughout that period; and
- “the relevant time” means the time when the lease was created under which the payment was made with which the commercial rent is to be compared.

- (8) This section shall not apply in relation to payments made under a lease created on or before 14th April 1964.
- (9) In this section references to the person carrying on a trade are references to the person carrying on the trade for the time being, and where at any time a person succeeds to a trade which until that time was carried on by another person, and by virtue of [F4447 section 18 of ITTOIA 2005 or section 337(1) above (companies beginning or ceasing to carry on trade)] the trade is to be treated as discontinued, the trade shall, nonetheless, be treated as the same trade for the purposes of this section.

- (9) In subsection (7) above “the relevant voting power” means the voting power by virtue of which relief was due under subsection (6)(a) above prior to the reduction or exchange or, where control of the whole of that voting power was not acquired at the same time, that part of the voting power of which control was last acquired.
- (10) In any case in which relief in respect of a dividend is due by virtue of subsection (6)(b) above, there shall be taken into account, as if it were tax payable under the law of the territory in which the company paying the dividend is resident, any tax that would be so taken into account under section 801 if the company paying the dividend and the company receiving it were related to each other within the meaning of section 801(5).
- ^{F4483}(10A) In any case where—

- (a) unilateral relief may be given in respect of any income or chargeable gain, and
- (b) it appears that the assessment to income tax or corporation tax made in respect of the income or chargeable gain is not made in respect of the full amount thereof, or is incorrect having regard to the credit, if any, which falls to be given by way of unilateral relief,

any such assessments may be made as are necessary to ensure that the total amount of the income or chargeable gain is assessed, and the proper credit, if any, is given in respect thereof, and, where the income is, or the chargeable gain is, entrusted to any person in the United Kingdom for payment, any such assessment may be made on the recipient of the income or gain, and, in the case of an assessment [^{F4484}to corporation tax] in respect of income, may be assessed under Case VI of Schedule D.

(12) In this section and in Chapter II of this Part in its application to unilateral relief, references to tax payable or paid under the law of a territory outside the United Kingdom include only references—

- (a) to taxes which are charged on income and which correspond to United Kingdom income tax, and
- (b) to taxes which are charged on income or chargeable gains and which correspond to United Kingdom corporation tax;

subsection (2) below shall have effect.

- (2) In any such case, the amount of the credit for foreign tax which, under the arrangements, is to be allowed against corporation tax in respect of so much of that income or gain as is referable to the category of business concerned (“the relevant income”) shall be limited by treating the amount of the relevant income as reduced in accordance with subsections (3) and (4) below.
- (3) The first limitation is to treat the amount of the relevant income as reduced (but not below nil) for the purposes of this Chapter by the amount of expenses (if any) attributable to the relevant income.
- (4) If—
 - (a) the amount of the relevant income after any reduction under subsection (3) above,

unless the denominator so determined is nil, in which case the denominator shall instead be the amount described in subsection (8) below.
- (8) That amount is so much in total of the income and gains—
 - (a) which arise to the company in the period of account in question, and

806A Eligible unrelieved foreign tax on dividends: introductory.

- (1) This section applies where, in any accounting period of a company resident in the United Kingdom, an amount of eligible unrelieved foreign tax arises in respect of a dividend falling within subsection (2) below paid to the company.
- (2) The dividends that fall within this subsection are any dividends chargeable under Case V of Schedule D, other than—
 - (a) any dividend which is trading income for the purposes of section 393;
 - (b) any dividend which, in the circumstances described in paragraphs (a) and (b) of subsection (8) of section 393, would by virtue of that subsection fall to be treated as trading income for the purposes of subsection (1) of that section;
 - (c) in a case where section 801A applies, the dividend mentioned in subsection (1) (b) of that section;
 - (d) in a case where section 803 applies, the dividend mentioned in subsection (1) (b) of that section;
 - (e) any dividend the amount of which is, under section 811, treated as reduced.
- (3) For the purposes of this section—
 - (a) the cases where an amount of eligible unrelieved foreign tax arises in respect of a dividend falling within subsection (2) above are the cases set out in subsections (4) and (5) below; and
 - (b) the amounts of eligible unrelieved foreign tax which arise in any such case are those determined in accordance with section 806B.
- (4) Case A is where—
 - (a) the amount of the credit for foreign tax which under any arrangements would, apart from section 797, be allowable against corporation tax in respect of the dividend,
exceeds
 - (b) the amount of the credit for foreign tax which under the arrangements is allowed against corporation tax in respect of the dividend.
- (5) Case B is where the amount of tax which, by virtue of any provision of any arrangements, falls to be taken into account as mentioned in section 799(1) in the case of the dividend (whether or not by virtue of section 801(2) or (3)) is less than it would be apart from the mixer cap.

^{F4619}But if that is so in any case by reason only of the mixer cap restricting the amount of underlying tax that is treated as mentioned in subsection (2) or (3) of section 801

806B The amounts that are eligible unrelieved foreign tax.

- (1) This section has effect for determining the amounts of eligible unrelieved foreign tax which arise in the cases set out in section 806A(4) and (5).

- (2) In Case A, the difference between—

- (a) the amount of the credit allowed as mentioned in section 806A(4)(b), and
- (b) the greater amount of the credit that would have been so allowed if, for the purposes of subsection (2) of section 797, the rate of corporation tax payable as mentioned in that subsection were the upper percentage,

shall be an amount of eligible unrelieved foreign tax.

- ^{F4620}(3) In Case B, the amount (if any) by which—

- (a) the aggregate of the upper rate amounts falling to be brought into account for the purposes of this paragraph by virtue of subsection (4) or (5) below, exceeds
- (b) the amount of tax to be taken into account as mentioned in section 799(1) in the case of the Case V dividend, before any increase under section 801(4B),

shall be an amount of eligible unrelieved foreign tax.

- (4) In the case of the Case V dividend (but not any lower level dividend), the upper rate amount to be brought into account for the purposes of subsection (3)(a) above—

- (a) in a case where the mixer cap does not restrict the amount of tax to be taken into account as mentioned in section 799(1) (before any increase under section 801(4B)) in the case of that dividend, is that amount of tax; or
- (b) in a case where the mixer cap restricts the amount of tax to be so taken into account in the case of that dividend, is the greater amount that would have been so taken into account if, in the application of the formula in section 799(1A) in the case of that dividend (but not any lower level dividend) M% had, in relation to—

(i) so much of D as does not represent any lower level dividend, and

(ii) so much of U as is not underlying tax attributable to any lower level dividend,

been the upper percentage.

- (5) In the case of any dividend (the “relevant dividend”) received as mentioned in subsection (2) or (3) of section 801 which is a lower level dividend in relation to the Case V dividend, the upper rate amount to be brought into account for the purposes of subsection (3)(a) above—

- (a) in a case where the mixer cap does not restrict the amount of underlying tax that is treated as mentioned in subsection (2) or (3), as the case may be, of

(6) For the purposes of subsection (5) above, the “appropriate portion” of any amount there mentioned in the case of a dividend is found by multiplying that amount by the product of the reducing fractions for each of the higher level dividends.]

(7) For the purposes of subsection (6) above, the “reducing fraction” for any dividend is the fraction—

- (a) whose numerator is the amount of the dividend; and
- (b) whose denominator is the amount of the relevant profits (within the meaning of section 799(1)) out of which the dividend is paid.

(8) Any reference in this section to any tax being restricted by the mixer cap in the case of any dividend is a reference to that tax being so restricted otherwise than by virtue only of the application of the mixer cap in the case of one or more lower level dividends.

(9) For the purpose of determining the amount described in subsection (2)(b), [F4621(4)(b) or (5)(c)] above, sections 806C and 806D shall be disregarded.

(7BC) Where, in a case falling within subsection (7A)(a) and (b) above—
