I is the amount of the basic profits.

(3) The lower and upper relevant maximum amounts mentioned above shall be determined as follows—

In this subsection “control” shall be construed in accordance with section 416<sup>F49</sup> except that, in the application of subsection (6) of that section in relation to the company (“the taxpayer company”) and another company or companies for the purposes of this section, the references to an associate of a person (“P”) include a partner of the person only if the condition in subsection (4A) below is met.]

<sup>F50</sup>(4A) The condition referred to in subsection (4) above is that relevant tax planning arrangements have at any time had effect in relation to the taxpayer company (whether in connection with its formation or otherwise).

(4B) In subsection (4A) above “relevant tax planning arrangements” means arrangements which—

**209 Meaning of “distribution”.**

(1) <sup>M42</sup>The following provisions of this Chapter, together with section 418, shall, subject to [<sup>F716</sup>any express exceptions], have effect with respect to the meaning of “distribution” and for determining the persons to whom certain distributions are to be treated as made, but references in the Corporation Tax Acts to distributions of a company shall not apply to distributions made in respect of share capital in a winding up.

- (vi) securities which are connected with shares in the company, and for this purpose securities are so connected if, in consequence of the nature of the rights attaching to the securities or shares and in particular of any terms or conditions attaching to the right to transfer the shares or securities, it is necessary or advantageous for a person who has, or disposes of or acquires, any of the securities also to have, or to dispose of or to acquire, a proportionate holding of the shares <sup>F725</sup>or;

### Supplemental

#### <sup>M99</sup>252. Rectification of excessive set-off etc. of ACT or tax credit.

(1) If an inspector discovers that—

- (a) <sup>F874</sup> .....
- (b) any set-off or payment of tax credit,

ought not to have been made, or is or has become excessive, the inspector may make any such assessments as may in his judgment be required for recovering any tax that ought to have been paid or any payment of tax credit that ought not to have been made and generally for securing that the resulting liabilities to tax (including interest on unpaid tax) of the persons concerned are what they would have been if only such set-offs or payments had been made as ought to have been made.

(2) In any case where—

- (a) interest has been paid under section 826 on a payment of tax credit; and
- (b) interest ought not to have been paid on that payment, either at all or to any extent,

an assessment under this section may be made for recovering any interest that ought not to have been paid.

(3) Where—

- (a) an assessment is made under this section to recover tax credit paid to a company in respect of franked investment income received by the company in an accounting period; and
- (b) more than one payment of tax credit has been made in respect of that period, any sum recovered shall as far as possible be treated as relating to a payment of tax credit made later rather than to a payment made earlier.

(4) Subsections (2) and (3) above shall have effect in relation to payments of tax credit claimed in respect of accounting periods ending after such day as may be appointed for the purpose of those subsections by order made by the Treasury, not being earlier than 31st March 1992.

(5) The Management Act shall apply to any assessment under this section for recovering a payment of tax credit or interest on such a payment as if it were an assessment to income tax for the year of assessment, or in the case of a company, corporation tax for the accounting period, in respect of which the payment was claimed, and as if that payment represented a loss of tax to the Crown; and any sum charged by any such assessment shall, subject to any appeal against the assessment, be due within 14 days after the issue of the notice of assessment.

## 254 Interpretation of Part VI.

- (1) <sup>M101</sup>In this Part, except where the context otherwise requires—
- “new consideration” means, subject to subsections (5) and (6) below, consideration not provided directly or indirectly out of the assets of the company, and in particular does not include amounts retained by the company by way of capitalising a distribution;
- “security” includes securities not creating or evidencing a charge on assets, and interest paid by a company on money advanced without the issue of a security for the advance, or other consideration given by a company for the use of money so advanced, shall be treated as if paid or given in respect of a security issued for the advance by the company;
- “share” includes stock, and any other interest of a member in a company; and in this section “a 90 per cent. group” means a company and all of its 90 per cent. subsidiaries.
- (2) <sup>M102</sup>In this Part, the expressions “in respect of shares in the company” and “in respect of securities of the company”, in relation to a company which is a member of a 90 per cent. group, mean respectively in respect of shares in that company or any other company in the group and in respect of securities of that company or any other company in the group.
- (3) Without prejudice to section 209(2)(b) as extended by subsection (2) above, in relation to a company which is a member of a 90 per cent. group, “distribution” includes anything distributed out of assets of the company (whether in cash or otherwise) in respect of shares in or securities of another company in the group.
- (4) Nothing in subsections (2) and (3) above shall require a company to be treated as making a distribution to any other company which is in the same group and is resident in the United Kingdom.
- (5) <sup>M103</sup>Where share capital has been issued at a premium representing new consideration, any part of that premium afterwards applied in paying up share capital shall be treated as new consideration also for that share capital, except in so far as the premium has been taken into account under section 211(5) so as to enable a distribution to be treated as a repayment of share capital.

*Status: Point in time view as at 01/04/2009. This version of this Act contains provisions that are not valid for this point in time.*

*Changes to legislation: There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)*

- (6) <sup>M104</sup>Subject to subsection (7) below, no consideration derived from the value of any share capital or security of a company, or from voting or other rights in a company, shall be regarded for the purposes of this Part as new consideration received by the company unless the consideration consists of—
- (a) money or value received from the company as a qualifying distribution;
  - (b) money received from the company as a payment which for those purposes constitutes a repayment of that share capital or of the principal secured by the security; or
  - (c) the giving up of the right to the share capital or security on its cancellation, extinguishment or acquisition by the company.
- (7) No amount shall be regarded as new consideration by virtue of subsection (6)(b) or (c) above in so far as it exceeds any new consideration received by the company for the issue of the share capital or security in question or, in the case of share capital which constituted a qualifying distribution on issue, the nominal value of that share capital.
- (8) <sup>M105</sup>Where two or more companies enter into arrangements to make distributions to each other's members, all parties concerned (however many) may for the purposes of this Part be treated as if anything done by any one of those companies had been done by any of the others.
- (9) <sup>M106</sup>A distribution shall be treated under this Part as made, or consideration as provided, out of assets of a company if the cost falls on the company.
- (10) <sup>M107</sup>References in this Part to issuing share capital as paid up apply also to the paying up of any issued share capital.
- (11) <sup>M108</sup>Where securities are issued at a price less than the amount repayable on them, and are not [<sup>F879</sup>listed] on a recognised stock exchange, the principal secured shall not be taken for the purposes of this Part to exceed the issue price, unless the securities are issued on terms reasonably comparable with the terms of issue of securities so [<sup>F879</sup>listed].
- (12) <sup>M109</sup>For the purposes of this Part a thing is to be regarded as done in respect of a share if it is done to a person as being the holder of the share, or as having at a particular time been the holder, or is done in pursuance of a right granted or offer made in respect of a share; and anything done in respect of shares by reference to share holdings at a particular time is to be regarded as done to the then holders of the shares or the personal representatives of any share holder then dead.

This subsection shall apply in relation to securities as it applies in relation to shares.

- (1) <sup>F1463</sup> .....
- (2) Any loss incurred in any accounting period by a company in carrying on a trade of farming or market gardening shall be excluded from section 393(2) if a loss, computed without regard to capital allowances, was incurred in carrying on that trade in that accounting period, and in each of the chargeable periods wholly or partly comprised in the prior five years.
- (3) [<sup>F1464</sup>This section] shall not restrict relief for any loss or for any capital allowance [<sup>F1465</sup>in any case]—
  - (a) [<sup>F1466</sup>where] the whole of the farming or market gardening activities in the year next following the prior five years are of such a nature, and carried on in such a way, as would have justified a reasonable expectation of the realisation of profits in the future if they had been undertaken by a competent farmer or market gardener, but
  - (b) [<sup>F1466</sup>where], if that farmer or market gardener had undertaken those activities at the beginning of the prior period of loss, [<sup>F1467</sup>that farmer or market gardener] could not reasonably have expected the activities to become profitable until after the end of the year next following the prior period of loss.
- (4) [<sup>F1468</sup>This section] shall not restrict relief where the carrying on of the trade forms part of, and is ancillary to, a larger trading undertaking.

(6) <sup>F1475</sup> . . . . .

(7) In ascertaining for the purposes of this section whether a loss was incurred in any part of the prior five years or earlier, the rules applicable to [<sup>F1476</sup>the calculation of the profits of a trade in Part 3 of CTA 2009 (or in Part 2 of ITTOIA 2005)] shall be applied; and in this section “loss computed without regard to capital allowances” means <sup>F1477</sup> . . . a loss so ascertained, [<sup>F1478</sup> but disregarding—

- (a) in an accounting period one of the two companies has trading losses or other amounts eligible for relief from corporation tax which it would, apart from this section, be entitled to surrender by way of group relief; and
  - (b) arrangements are in existence by virtue of which, at some time during or after the expiry of that accounting period—
    - (i) the first company or any successor of it could cease to be a member of the same group of companies as the second company and could become a member of the same group of companies as a third company; or
    - (ii) any person has or could obtain, or any persons together have or could obtain, control of the first company but not of the second; or
    - (iii) a third company could begin to carry on the whole or any part of a trade which, at any time in that accounting period, is carried on by the first company and could do so either as a successor of the first company or as a successor of another company which is not a third company but which, at some time during or after the expiry of that accounting period, has begun to carry on the whole or any part of that trade;

then, for the purposes of this Chapter, the trading company shall be treated as though it did not (as the surrendering company or the claimant company) fall within section 402(3).

- (3) In any case where a trading company is a 90 per cent. subsidiary of a holding company which is owned by a consortium, any reference in subsection (2) above to the trading company, other than a reference in paragraph (b)(iv), shall be construed as including a reference to the holding company.
- (4) In this section “third company” means a company which, apart from any provision made by or under any such arrangements as are specified in paragraph (b) of either subsection (1) or subsection (2) above, is not a member of the same group of companies as the first company or, as the case may be, the trading company or the holding company to which subsection (2) above applies.

  - (c) section 432C applies for determining the extent to which the relevant brought into account amount is referable to life assurance business or to gross roll-up business, and
  - (d) the line 51 reduction condition is met (see subsection (3)).
- (2) An amount is a relevant brought into account amount for a period of account if—
  - (a) it is brought into account as mentioned in subsection (2)(b) of section 83 of the Finance Act 1989 (increases in value of non-linked assets) for that period,
  - (b) it is deemed to be brought into account for that period by subsection (2B) of that section in consequence of the transfer of non-linked assets, or
  - (c) it is taken into account under subsection (2) of that section for that period by virtue of section 444AB as being the relevant amount in relation to non-linked assets.
- (3) The line 51 reduction condition is met if—
  - (a) the amount shown in column 1 of line 51 of Form 14 of the company's periodical return in respect of the relevant business for the current period of account, is less than
  - (b) the amount so shown for the period of account immediately before it;and the amount of the difference is “the relevant reduction”.

- (4) Section 432C applies in relation to so much of the relevant brought into account amount as does not exceed the relevant reduction (“the affected amount”) as if it were brought into account as an increase in the value of assets in the case of the relevant business for the applicable appropriate period of account of the company.
- (5) A period of account is an “appropriate period of account” if it ended before the current period of account and—

## <sup>F1926</sup> 432CB Transfers of business involving excess assets

- (1) This section applies where, under an insurance business transfer scheme, there is a transfer of long-term business—
  - (a) from a non-profit fund of an insurance company (“the transferor”) which is not a non-profit company in relation to the relevant period of account,
  - (b) to another insurance company (“the transferee”) to constitute or form part of a non-profit fund of the transferee (“the transferee's non-profit fund”),
 (“the transfer”) and conditions A and B are met.
- (2) Condition A is that the fair value of the assets transferred by the transfer exceeds by an amount (“the chargeable excess”) the amount of the relevant liabilities transferred by the transfer.
 

For this purpose “relevant” liabilities are liabilities of a type shown (or treated as shown) in any of lines 14, 17, 21 to 23 and 31 to 38 of Form 14 of a periodical return of an insurance company.
- (3) Condition B is that the main purpose, or one of the main purposes, of the transferor or the transferee (or both) in entering into any part of the transfer scheme arrangements is to secure a reduction in tax as a result of section 432C having effect in the case of the transferee, rather than the transferor, in relation to the business transferred by the transfer.
- (4) The chargeable excess is to be brought into account by the transferor as mentioned in section 83(2)(b) of the Finance Act 1989 for the relevant period of account.
- (5) Where there is no amount shown in relation to the transferee's non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the first period of account of the transferee ending on or after the transfer date (“the first post-transfer period of account”), the chargeable excess is to be brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for the first post-transfer period of account.
- (6) Where—
  - (a) there is an amount shown in relation to the transferee's non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the first post-transfer period of account, and
  - (b) the amount so shown in column 1 of line 51 of Form 14 of the periodical return of the transferee for that period of account, or for any other period of account of the transferee ending after the transfer date, (an “affected period of account”) is less than the total chargeable excess amount,
 the relevant amount is to be brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for the affected period of account.
- (7) For this purpose “the relevant amount” is the amount by which—
  - (a) the amount shown in relation to the transferee's non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the affected period of account, is less than

- (b) the total chargeable excess amount less any amount brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for any earlier period of account by virtue of the operation of this section in relation to the transferee's non-profit fund.
- (8) In subsections (6) and (7) “the total chargeable excess amount” means the aggregate of—
- (a) the chargeable excess, and
  - (b) any amount which is the chargeable excess in relation to any other transfer of business to the transferee's non-profit fund.
- (9) In this section “the relevant period of account” means—
- (a) the period of account of the transferor ending immediately before the transfer date, or
  - (b) if no period of account of the transferor so ends, the period of account of the transferor covering the transfer date.
- (10) In this section “the transfer scheme arrangements” means the insurance business transfer scheme and any relevant associated operations; and for this purpose “relevant associated operations” means—
- (a) any other insurance business transfer scheme,
  - (b) any contract of reinsurance, or
  - (c) any reconstruction or amalgamation involving the transferor, a dependant of the transferor which is an insurance undertaking or the transferee,
- which is effected in connection with the insurance business transfer scheme.
- (11) In subsection (10)—
- “dependant”, and
- “insurance undertaking”,
- have the same meaning as in the Insurance Prudential Sourcebook.
- (12) In this section “the transfer date” means the date on which the insurance business transfer scheme takes effect.
- (13) For the purposes of this section an insurance company which has elected under section 83YA(9) of the Finance Act 1989 (changes in value of assets brought into account: non-profit companies) to be treated as a non-profit company in relation to a period of account is to be regarded as a non-profit company in relation to the period of account.]

[<sup>F2021</sup> [<sup>F2022</sup> (1A) In the computation [<sup>F2023</sup> under the I minus E basis] of the [<sup>F2024</sup> relevant profits (within the meaning of section 88(1) of the Finance Act 1989) of an insurance company for any accounting period], new annuities paid by the company in that period shall be brought into account by treating an amount equal to the income limit for that period [<sup>F2025</sup> as expenses payable which fall to be brought into account for that period at Step 3 in section 76(7)].]

- (1C) For the purposes of this section [<sup>F2026</sup> (but subject to subsections (1CA) to (1CD) below)]—
- (a) “new annuity” means any annuity, so far as paid under a contract made by an insurance company in an accounting period beginning on or after 1st January 1992 and so far as referable to the company’s basic life assurance and general annuity business;
  - (b) “the income limit” for an accounting period of an insurance company is the difference between—
    - (i) the total amount of the new annuities paid by the company in that accounting period; and
    - (ii) the total of the <sup>F2027</sup> . . . [<sup>F2028</sup> amounts exempt under section 717 of ITTOIA 2005] contained in the new annuities so paid; <sup>F2029</sup> . . .
  - (c) <sup>F2030</sup> . . . . . [<sup>F2031</sup> and

- (d) the amounts exempt under section 717 of ITTOIA 2005<sup>F2032</sup> are so much of the payments under the new annuities as would be within the exemption in subsection (1) of that section if—
- (i) section 718 of that Act were omitted, and
  - (ii) that exemption were an exemption applying in relation to companies as well as individuals.]]

[ Where a new annuity (“the actual annuity”) is a steep-reduction annuity, the income<sup>F2033</sup>(1CA) limit for an accounting period of the company paying the annuity shall be computed for the purposes of this section as if—

- (a) the contract providing for the actual annuity provided instead for the annuities identified by subsections (1CB) and (1CC) below; and
- (b) the consideration for each of those annuities were to be determined by the making of a just and reasonable apportionment of the consideration for the actual annuity.

(1CB) The annuities mentioned in subsection (1CA)(a) above are—

- (a) an annuity the payments in respect of which are confined to the payments in respect of the actual annuity that fall to be made before the earliest time for the making in respect of the actual annuity of a reduced payment such as is mentioned in section 437A(1)(c); and
- (b) subject to subsection (1CC) below, an annuity the payments in respect of which are all the payments in respect of the actual annuity other than those mentioned in paragraph (a) above.

(1CC) Where an annuity identified by paragraph (b) of subsection (1CB) above (“the later annuity”) would itself be a steep-reduction annuity, the annuities mentioned in subsection (1CA)(a) above—

- (a) shall not include the later annuity; but
- (b) shall include, instead, the annuities which would be identified by subsection (1CB) above (with as many further applications of this subsection as may be necessary for securing that none of the annuities mentioned in subsection (1CA)(a) above is a steep-reduction annuity) if references in that subsection to the actual annuity were references to the later annuity.

(1CD) Subsections (1CA) to (1CC) above shall be construed in accordance with section 437A.]

(1D) In any case where—

- (a) a payment in respect of an annuity is made by an insurance company under a group annuity contract made in an accounting period beginning before 1st January 1992,
- (b) the company’s liabilities first include an amount in respect of that annuity in an accounting period beginning on or after that date, and
- (c) the company’s liability in respect of that annuity is referable to its basic life assurance and general annuity business,

the payment shall be treated for the purposes of this section, other than this subsection, as if the group annuity contract had been made in an accounting period beginning on or after 1st January 1992 (and, accordingly, as payment of a new annuity).

(1E) In any case where—

- (a) a payment in respect of an annuity is made by a reinsurer under a reinsurance treaty made in an accounting period beginning before 1st January 1992,
- (b) the reinsurer's liabilities first include an amount in respect of that annuity in an accounting period beginning on or after that date, and
- (c) the reinsurer's liability in respect of that annuity is referable to its basic life assurance and general annuity business,

the payment shall, as respects the reinsurer, be treated for the purposes of this section, other than this subsection, as if the reinsurance treaty had been made in an accounting period beginning on or after 1st January 1992 (and, accordingly, as payment of a new annuity).

(1F) In this section—

“group annuity contract” means a contract between an insurance company and some other person under which the company undertakes to become liable to pay annuities to or in respect of such persons as may subsequently be specified or otherwise ascertained under or in accordance with the contract (whether or not annuities under the contract are also payable to or in respect of persons who are specified or ascertained at the time the contract is made);

“reinsurance treaty” means a contract under which one insurance company is obliged to cede, and another (in this section referred to as a “reinsurer”) to accept, the whole or part of a risk of a class or description to which the contract relates.]

- (1) For the purposes of section 437 an annuity is a steep-reduction annuity if—

  - (b) the annuitant is entitled in respect of the annuity to payments of different amounts at different times; and
  - (c) those payments include a payment (“a reduced payment”) of an amount which is substantially smaller than the amount of at least one of the earlier payments in respect of that annuity to which the annuitant is entitled.
- (2) Where there are different intervals between payments to which an annuitant is entitled in respect of any annuity, the question whether or not the conditions in subsection (1) (b) and (c) above are satisfied in the case of that annuity shall be determined by assuming—

- (a) that the annuitant's entitlement, after the first payment, to payments in respect of that annuity is an entitlement to payments at yearly intervals on the anniversary of the first payment; and
  - (b) that the amount to which the annuitant is assumed to be entitled on each such anniversary is equal to the annuitant's assumed entitlement for the year ending with that anniversary.
- (3) For the purposes of subsection (2) above an annuitant's assumed entitlement for any year shall be determined as follows—
  - (a) the annuitant's entitlement to each payment in respect of the annuity shall be taken to accrue at a constant rate during the interval between the previous payment and that payment; and
  - (b) his assumed entitlement for any year shall be taken to be equal to the aggregate of the amounts which, in accordance with paragraph (a) above, are treated as accruing in that year.
- (4) In the case of an annuity to which subsection (2) above applies, the reference in section 437(1CB)(a) to the making of a reduced payment shall be construed as if it were a reference to the making of a payment in respect of that annuity which (applying subsection (3)(a) above) is taken to accrue at a rate that is substantially less than the rate at which at least one of the earlier payments in respect of that annuity is taken to accrue.

    - (ii) accrues at a rate substantially less than, an earlier payment in respect of that annuity, and
  - (b) the annuitant or, as the case may be, every annuitant is an individual who is beneficially entitled to all the rights conferred on him as such an annuitant, that question shall be determined without regard to so much of the difference between the amounts or rates as is referable to a reduction falling to be made as a result of the occurrence of a death.
- (6) Where the amount of any one or more of the payments to which an annuitant is entitled in respect of an annuity depends on any contingency, his entitlement to payments in respect of that annuity shall be determined for the purposes of section 437(1CA) to (1CC) and this section according to whatever (applying any relevant actuarial principles) is the most likely outcome in relation to that contingency.
- (7) Where any agreement or arrangement has effect for varying the rights of an annuitant in relation to a payment in respect of any annuity, that payment shall be taken, for the purposes of section 437(1CA) to (1CC) and this section, to be a payment of the amount to which the annuitant is entitled in accordance with that agreement or arrangement.
- (8) References in this section to a contingency include references to a contingency that consists wholly or partly in the exercise by any person of any option.]

- (1) Subsection (2) makes provision for a case where—
  - (a) subsection (4) of section 431G applies in relation to the profits of the life assurance business of an insurance company for any accounting period, but
  - (b) the profits of that business for a succeeding accounting period fall to be charged to tax [<sup>F2106</sup>under section 35 of CTA 2009 (charge on trade profits)] by virtue of subsection (3) of that section.
- (2) The loss referred to in section 431G(4)(b) (less any loss for the same accounting period set off under section 436A for any intervening accounting period and any amount deducted for any such period in respect of the loss by virtue of section 85A(3)(b) of the Finance Act 1989) may be set off under section 393 against profits of that succeeding accounting period (without being reduced in accordance with section 434A(2)(a)).
- (3) In determining whether any loss has been set off under section 436A for any intervening accounting period, or whether any amount has been deducted for any such period in respect of the loss by virtue of section 85A(3)(b) of the Finance Act 1989, losses of earlier accounting periods are to be assumed to be set off before those of later accounting periods.
- (4) Subsection (5) makes provision for a case where—
  - (a) a loss arises to an insurance company for an accounting period for which the profits of its life assurance business fall to be charged to tax [<sup>F2107</sup>under section 35 of CTA 2009] by virtue of section 431G(3)(b),
  - (b) the profits of that business for a subsequent accounting period are charged to tax under the I minus E basis, and

- (c) had those profits (instead) been charged to tax [<sup>F2108</sup>under section 35 of CTA 2009], any of that loss would have been available to be set off against them under section 393.
- (5) The loss is to be treated for the purposes of the operation of section 436A in relation to the subsequent accounting period as if it were a loss arising from its gross roll-up business in the accounting period in which it arose.
- (6) Subsections (7) and (8) make provision for a case where—
- (a) the profits of the life assurance business of an insurance company for an accounting period are charged to tax under the I minus E basis,
  - (b) the profits of that business for its next accounting period fall to be charged to tax [<sup>F2109</sup>under section 35 of CTA 2009] by virtue of section 431G(3), and

- (8) But if the profits of the company's life assurance business for a subsequent accounting period are charged to tax under the I minus E basis, any relief not previously given under subsection (7) is to be treated for the purposes of the operation of section 76 in relation to the first subsequent accounting period for which profits are so charged as if it were an amount which is to be relieved under that section by virtue of section 86(8) and (9) of the Finance Act 1989.]

## [<sup>F2124</sup>442] Taxation of investment return where risk reinsured.

- (1) Where an insurance company reinsures any risk in respect of a policy or contract attributable to its basic life assurance and general annuity business, the investment return on the policy or contract shall be treated as accruing to the company [<sup>F2125</sup>while the risk remains reinsured by the company under] the reinsurance arrangement and shall be charged to tax under [<sup>F2126</sup>the charge to corporation tax on income].
- (2) The Board may make provision by regulations as to the amount of investment return to be treated as accruing in each accounting period during which the reinsurance arrangement is in force.
- (3) The regulations may, in particular, provide that the investment return to be treated as accruing to the company in respect of a policy or contract in any accounting period shall be calculated by reference to—
  - (a) the aggregate of the sums paid by the company to the reinsurer during that accounting period and any earlier accounting periods by way of premium or otherwise;
  - (b) the aggregate of the sums paid by the reinsurer to the company during that accounting period and any earlier accounting periods by way of commission or otherwise;
  - (c) the aggregate amount of the net investment return treated as accruing to the company in any earlier accounting periods, that is to say, net of tax at such rate as may be prescribed; and
  - (d) such percentage rate of return as may be prescribed.

[ Where a transfer of the reinsurance arrangement from one insurance company (“the <sup>F2127</sup>(3A) transferor”) to another (“the transferee”) is effected by novation or an insurance business transfer scheme, for the purpose of calculating the investment return to be treated as accruing to the transferee in respect of the policy or contract after the transfer, the references to the company in subsection (3)(a), (b) and (c) above include (as well as the transferee)—

- (a) the transferor, and
- (b) any insurance company from which the reinsurance arrangement was transferred on an earlier transfer effected by novation or an insurance business transfer scheme.]

- (4) The regulations shall provide that the amount of investment return to be treated as accruing <sup>F2128</sup>. . . in respect of a policy or contract in the final accounting period during which the policy or contract is in force is the amount, ascertained in accordance with regulations, by which the profit over the whole period during which the policy or contract, and the reinsurance arrangement, were in force exceeds the aggregate of the amounts treated as accruing in earlier accounting periods.

If that profit is less than the aggregate of the amounts treated as accruing in earlier accounting periods, the difference shall go to reduce the amounts treated by virtue of this section as arising in that accounting period from other policies or contracts, and if not fully so relieved may be carried forward and set against any such amounts in subsequent accounting periods.

(5) Regulations under this section—

- (a) may exclude from the operation of this section such descriptions of insurance company, such descriptions of policies or contracts and such descriptions of reinsurance arrangements as may be prescribed;
- (b) may make such supplementary provision as to the ascertainment of the investment return to be treated as accruing to the company as appears to the Board to be appropriate, including provision requiring payments made during an accounting period to be treated as made on such date or dates as may be prescribed; and

  - (b) it was registered before 27th March 1974 and its rules limit the aggregate amount which may be paid by a member by way of contributions and deposits to not more than £1 per month or such greater amount as the [<sup>F2370</sup>Board] may authorise for the purposes of this section;

and also applies to any society registered before 1st June 1973 with respect to which a direction under subsection [<sup>F2371</sup>(7)] below is in force.

(3) <sup>M259</sup>If a society to which subsection (2) above applies, after 26th March 1974 or such later date as may be specified in a direction under this section, makes a payment to a member in respect of his interest in the society and the payment is made otherwise than in the course of life or endowment business and exceeds the aggregate of any sums paid by him to the society by way of contributions or deposits, after deducting from that aggregate the amount of—

- (a) any previous payment so made to him by the society after that date, and
- (b) any earlier repayment of such sums paid by him,

the excess shall be treated for the purposes of corporation tax and income tax as a qualifying distribution.

[<sup>F2372</sup>(3A) <sup>F2373</sup>.....]

(4) <sup>M260</sup>Where a registered friendly society—

- (a) at any time ceases <sup>F2374</sup>... by virtue of [<sup>F2375</sup>section 91 of the Friendly Societies Act 1992] (conversion into company) to be registered under [<sup>F2376</sup>that Act]; and
- (b) immediately before that time was exempt from <sup>F2377</sup>... corporation tax on profits arising from any business carried on by it other than life or endowment business,

the company into which the society is converted shall be so exempt on its profits arising from any part of that business which relates to contracts made before that time so long as there is no increase in the scale of benefits which it undertakes to provide in the course of carrying on that part of its business.

[<sup>F2378</sup>(4A) Where—

- (a) at any time an insurance company acquires by way of transfer of engagements from a registered friendly society any business other than life or endowment business, and
- (b) immediately before that time the society was exempt from corporation tax on profits arising from that business,

the insurance company shall be exempt from corporation tax on its profits arising from any part of that business which relates to contracts made before that time.

(4B) But if during an accounting period of the insurance company there is an increase in the scale of benefits which it undertakes to provide in the course of carrying on any such part of that business, the company shall not be exempt from corporation tax by virtue of subsection (4A) above for that or any subsequent accounting period.]

(5) For the purposes of the Corporation Tax Acts any part of a company's business in respect of the profits from which the company is exempt by virtue of subsection (4) [<sup>F2379</sup>or (4A)] above shall be treated as a separate business from any other business carried on by the company.

(6) <sup>M261</sup>If—

- (a) a friendly society registered before 1st June 1973 begins after 26th March 1974 to carry on business other than life or endowment business or, in the opinion of [<sup>F2380</sup>the Board], begins to carry on business other than life or endowment business on an enlarged scale or of a new character; and
- (b) it appears to [<sup>F2380</sup>the Board], having regard to the restrictions imposed by this section on friendly societies registered later, that for the protection of the revenue it is expedient to do so;

(8) A society to which a direction is given may, within 30 days of the date on which it is given, appeal against the direction <sup>F2383</sup> . . . on the ground that—

- (a) it has not begun to carry on business as mentioned in subsection (6)(a) above; or
- (b) the direction is not necessary for the protection of the revenue.

(9) If a registered friendly society in respect of which a direction is in force under subsection (7) above becomes an incorporated friendly society, the direction shall continue to have effect, so that the incorporated friendly society shall be treated for the purposes of this Act as a society registered after 31st May 1973.]

(10) For the purposes of this section a registered friendly society formed on the amalgamation of two or more friendly societies shall be treated as registered before 1st June 1973 if at the time of the amalgamation subsection (2) above did not apply to any of the societies amalgamated, but otherwise shall be treated as registered at that time.

[<sup>F2384</sup>(11) For the purposes of this section and section 461C—

- (f) the person does not claim a transportation allowance in respect of the oil in computing for the purposes of corporation tax any profits of his that are not ring fence profits.

(A3) In subsection (A2) above “transportation allowance”, in relation to any oil, means any of the following—

- (a) a deduction in respect of the expense of transporting the oil as mentioned in the opening words of section 2(5A) of the 1975 Act,
- (b) a deduction in respect of any costs of or incidental to the transportation of the oil as there mentioned,
- (c) any such reduction in the price to be regarded as received or receivable for the oil as would result from the application of section 2(5A) of the 1975 Act, if that provision applied for the purposes of corporation tax.]

(1) Where a person disposes of any oil in circumstances such that the market value of that oil <sup>F2653</sup> . . . falls to be taken into account under section 2 of [<sup>F2654</sup>the 1975 Act], otherwise than by virtue of paragraph 6 of Schedule 3 to that Act, in computing for the purposes of petroleum revenue tax the assessable profit or allowable loss accruing to him in any chargeable period from an oil field (or as would so fall but for section 10 of that Act), then—

- (a) for all purposes of income tax, and
- (b) for the purposes of the charge of corporation tax on income,

the disposal of the oil and its acquisition by the person to whom it was disposed of shall be treated as having been for a consideration equal to the market value of the oil as so taken into account under section 2 of that Act (or as would have been so taken into account under that section but for section 10 of that Act).

[<sup>F2655</sup>(1A) Where an excess of nominated proceeds in a chargeable period (within the meaning given by section 61 of the Finance Act 1987) is taken into account in computing a person's profits under section 2(5)(e) of the 1975 Act (or would be taken into account if the person were chargeable to tax under that Act in respect of a field)—

  - (b) for the purposes of corporation tax, that amount shall be available to the person as a deduction in computing the profits of any trade to which section 492(1) does not apply.]
- (2) Where a person makes a relevant appropriation of any oil without disposing of it and does so in circumstances such that the market value of that oil <sup>F2656</sup> . . . falls to be taken into account under section 2 of the 1975 Act in computing for the purposes of petroleum revenue tax the assessable profit or allowable loss accruing to him in any chargeable period from an oil field (or would so fall but for section 10 of that Act), then for all the purposes of income tax and for the purposes of the charge of corporation tax on income, he shall be treated—
- (a) as having, at the time of the appropriation—
    - (i) sold the oil in the course of the separate trade consisting of activities [<sup>F2657</sup> falling within the definition of “oil-related activities” in section 16(2) of ITTOIA 2005 or within section 492(1)(a) or (b) above]; and
    - (ii) bought it in the course of the separate trade consisting of activities not so falling; and
  - (b) as having so sold and bought it at a price equal to its market value as so taken into account under section 2 of the 1975 Act (or as would have been so taken into account under that section but for section 10 of that Act).

In this subsection “relevant appropriation” has the meaning given by section 12(1) of the 1975 Act.

- (3) Where—
- (a) a person disposes otherwise than in a sale at arm’s length (as defined in paragraph 1 of Schedule 3 to the 1975 Act) of oil acquired by him in the course of oil extraction activities carried on by him or by virtue of oil rights held by him, and
  - (b) subsection (1) above does not apply in relation to the disposal,
- then, for all purposes of income tax and for the purposes of the charge of corporation tax on income, the disposal of the oil and its acquisition by the person to whom it was disposed of shall be treated as having been for a consideration equal to the market value of the oil <sup>F2658</sup> . . . .

- (a) he shall be treated as having, at the time of the appropriation, sold and bought the oil as mentioned in subsection (2)(a)(i) and (ii) above; and
  - (b) that sale and purchase shall be deemed to have been at a price equal to the market value of the oil <sup>F2659</sup> . . . .

#### **502B Lessor under long funding finance lease: rental earnings**

- (1) This section applies for determining for the purposes of corporation tax the profits of a company for any period of account in which it is the lessor of any plant or machinery under a long funding finance lease.
- (2) The amount to be brought into account as the lessor's taxable income from the lease for the period of account is the amount of the rental earnings in respect of the lease for the period of account.

  - (c) would not, apart from this section, be brought into account in computing the profits of the company for the purposes of corporation tax.
- (3) The profit or loss is to be treated—
  - (a) in the case of a profit, as income of the company attributable to the lease,
  - (b) in the case of a loss, as a revenue expense incurred by the company in connection with the lease.

  - (a) the lease terminates, and
  - (b) a sum calculated by reference to the termination value is paid to the lessee, no deduction in respect of the sum paid to the lessee is allowed in computing the profits of the company.
- (3) This section does not prevent a deduction in respect of a sum to the extent that the sum is brought into account in determining the company's rental earnings.

*Lessors under long funding operating leases*

**502E Lessor under long funding operating lease: periodic deduction**

- (1) This section applies for determining for the purposes of corporation tax the profits of a company for any period of account—
  - (a) for the whole of which, or
  - (b) for any part of which,
 the company is the lessor of any plant or machinery under a long funding operating lease.
- (2) A deduction is allowed in computing the profits of the company for the period of account.
- (3) The amount of the deduction for any period of account is to be determined as follows.
- (4) First, find the “relevant value” for the purposes of subsection (6)(a) below, which is—
  - (a) if the only use of the plant or machinery by the lessor has been the leasing of it under the long funding operating lease as a qualifying activity, cost;
  - (b) if the last previous use of the plant or machinery by the lessor was the leasing of it under another long funding operating lease as a qualifying activity, market value;
  - (c) if the last previous use of the plant or machinery by the lessor was the leasing of it under a long funding finance lease as a qualifying activity, the recognised value;
  - (d) if the last previous use of the plant or machinery by the lessor was for the purposes of a qualifying activity other than leasing under a long funding lease, the lower of cost and market value;
  - (e) if the lessor owns the plant or machinery as a result of having incurred expenditure on its provision for purposes other than those of a qualifying activity, but—

- (i) the plant or machinery is brought into use by the lessor for the purposes of a qualifying activity on or after 1st April 2006, and
- (ii) that qualifying activity is the leasing of the plant or machinery under the long funding operating lease,

the relevant value is the lower of first use market value and first use amortised value.

(5) In subsection (4) above—

“cost” means the amount of the expenditure incurred by the lessor on the provision of the plant or machinery;

“first use amortised value” means the value that the plant or machinery would have at the time when it is first brought into use for the purposes of the qualifying activity, on the assumption that—

- (a) the cost of acquiring the plant or machinery had been written off on a straight line basis over the remaining useful economic life of the plant or machinery, and
- (b) any further capital expenditure incurred had been written off on a straight line basis over so much of the remaining economic life of the plant or machinery as remains at the time when the expenditure is incurred;

“first use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity;

“market value” means the market value of the plant or machinery at the commencement of the term of the long funding operating lease;

“recognised value” means the value at which the plant or machinery is recognised in the books or other financial records of the lessor at the commencement of the long funding operating lease.

(6) From—

(a) the relevant value determined in accordance with subsection (4) above, subtract

(b) the amount which, at the commencement of the term of the lease, is (or, in a case falling within subsection (4)(e) above, would have been) expected to be the residual value of the plant or machinery,

to find the expected gross reduction in value over the term of the lease.

(7) Apportion the amount of that expected gross reduction in value to each period of account in which any part of the term of the lease falls.

(8) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each period of account.

(9) The amount of the deduction for any period of account is the amount so apportioned to that period.

## **502F Long funding operating lease: lessor's additional expenditure**

(1) This section applies if in any period of account—

- (a) a company is the lessor of any plant or machinery under a long funding operating lease,

**Status:** Point in time view as at 01/04/2009. This version of this Act contains provisions that are not valid for this point in time.

---

- (b) the company incurs capital expenditure in relation to the plant or machinery, and
  - (c) that capital expenditure (the “additional expenditure”) is not reflected in the market value of the plant or machinery at the commencement of the term of the lease.
- (2) In a case falling within section 502E(4)(e) above, subsection (1)(c) above has effect as if the reference to the commencement of the term of the lease were a reference to the time when the plant or machinery is first brought into use by the lessor for the purposes of the qualifying activity.
- (3) Where this section applies, an additional deduction is allowed in computing the profits of the company for each post-expenditure period of account in which the company is the lessor of the plant or machinery under the lease.
- (4) The amount of the deduction for any such period of account is to be determined as follows.
- (5) Find ARV, CRV, PRV, and TRV where—
- “ARV” is the amount which, at the time when the additional expenditure is incurred, is expected to be the residual value of the plant or machinery;
  - “CRV” is the amount which, at the commencement of the term of the lease, is expected to be the residual value of the plant or machinery;
  - “PRV” is the sum of any amounts that fell to be taken into account as RRV (see subsection (6)) in the application of this section in relation to any previous additional expenditure incurred by the company in relation to the leased plant or machinery;
  - “TRV” is the total of CRV and PRV.
- (6) Find RRV, where—
- (a) if ARV exceeds TRV, RRV is the portion of the excess that is a result of the additional expenditure, but
  - (b) if ARV does not exceed TRV, RRV is nil.
- (7) From—
- (a) the amount of the additional expenditure, subtract
  - (b) RRV,
- to find the expected partial reduction in value over the remainder of the term of the lease.
- (8) Apportion the amount of that expected partial reduction in value to each post-expenditure period of account in which any part of the term of the lease falls.
- (9) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each post-expenditure period of account.
- (10) The amount of the additional deduction for any period of account is the amount so apportioned to that period.
- (11) In this section “post-expenditure period of account” means any period of account ending after the incurring of the additional expenditure.

### **502G Lessor under long funding operating lease: termination of lease**

- (1) This section applies for determining the liability to corporation tax of a company which is the lessor immediately before the termination of a long funding operating lease.
- (2) Step 1 is to find—
  - (a) the termination amount (TA);
  - (b) the total of any sums paid to the lessee that are calculated by reference to the termination value (LP).
- (3) Step 2 is to find—
  - (a) the relevant value for the purposes of section 502E(6)(a) (RV);
  - (b) the total of the deductions allowable under section 502E for periods of account for the whole or part of which the company was the lessor before the termination of the lease (TD1);
  - (c) the amount, if any, (ERV) by which RV exceeds TD1.
- (4) Step 3 is to find—
  - (a) the total of any amounts of capital expenditure incurred by the company which constitute additional expenditure for the purposes of section 502F in the case of the lease (TAE);
  - (b) the total of any deductions allowable under section 502F for periods of account for the whole or part of which the company was the lessor before the termination of the lease (TD2);
  - (c) the amount, if any, (EAE) by which TAE exceeds TD2.
- (5) Step 4 is to find the total of ERV and EAE (T).
- (6) If  $(TA - LP)$  exceeds T, treat a profit of an amount equal to the excess as arising to the company in the period of account in which the lease terminates.
- (7) If T exceeds  $(TA - LP)$ , treat a loss of an amount equal to the excess as arising to the company in that period of account.
- (8) A profit or loss treated as arising to the company under subsection (6) or (7) above is to be treated—
  - (a) in the case of a profit, as income of the company attributable to the lease,
  - (b) in the case of a loss, as a revenue expense incurred by the company in connection with the lease.
- (9) In computing the profits of the company, no deduction is allowed in respect of any sums paid to the lessee that are calculated by reference to the termination value.

- (a) the company becomes entitled to the deduction at any time after the expenditure is incurred, and
  - (b) the deduction arises as a result of the plant or machinery forming part of its trading stock at that time.
- (4) If—
- (a) at any time any of sections 502B to 502G has applied for determining the amounts to be taken into account in calculating the profits or losses of the company for the purposes of corporation tax, and

- (3) Condition B is that the main purpose, or one of the main purposes, of the arrangement is to secure that, over the relevant period, there would be a substantial difference between—

  - (a) would not have been entered into independently of the other or others, or
  - (b) if entered into independently of the other or others, would not have taken the same form or been on the same terms.
- (9) If—
  - (a) at any time any of sections 502B to 502G has applied for determining the amounts to be taken into account in calculating the profits or losses of the company for the purposes of corporation tax, and

### Textual Amendments

F3301S. 628 repealed (6.4.2006) by [Finance Act 2004 \(c. 12\)](#), [Sch. 42 Pt. 3](#), Note (with Sch. 36)

## 629 Annuity premiums of Ministers and other officers.

<sup>M339</sup>(1) For the purposes of this Chapter so much of any salary which—

- (a) is payable to the holder of a qualifying office who is also a Member of the House of Commons, and
- (b) is payable for a period in respect of which the holder is not a participant in relation to that office in arrangements contained in the Parliamentary pension scheme but is a participant in relation to his membership of the House of Commons in any such arrangements, or for any part of such a period,

as is equal to the difference between a Member's pensionable salary and the salary which (in accordance with any such resolution as is mentioned in subsection (3)(a) below) is payable to him as a Member holding that qualifying office shall be treated as remuneration from the office of Member and not from the qualifying office.

(2) In this section—

“Member's pensionable salary” means a Member's ordinary salary under any resolution of the House of Commons which, being framed otherwise than as an expression of opinion, is for the time being in force relating to the remuneration of Members or, if the resolution provides for a Member's ordinary salary thereunder to be treated for pension purposes as being at a higher rate, a notional yearly salary at that higher rate;

“qualifying office” means an office mentioned in section 2(2)(b), (c) or (d) of the Parliamentary and other <sup>M340</sup>Pensions Act 1987;

“the Parliamentary pension scheme” has the same meaning as in that Act; and without prejudice to the power conferred by virtue of paragraph 13 of Schedule 1 to that Act, regulations under section 2 of that Act may make provision specifying the circumstances in which a person is to be regarded for the purposes of this section as being or not being a participant in relation to his Membership of the House of Commons, or in relation to any office, in arrangements contained in the Parliamentary pension scheme.

(3) In subsection (2) above “a Member's ordinary salary”, in relation to any resolution of the House of Commons, means—

- (a) if the resolution provides for salary to be paid to Members at different rates according to whether or not they are holders of particular offices, or are in receipt of salaries or pensions as the holders or former holders of particular offices, a Member's yearly salary at the higher or highest rate; and
- (b) in any other case, a Member's yearly salary at the rate specified in or determined under the resolution.

## 709 Meaning of [<sup>F3550</sup>“corporation tax advantage”] and other expressions.

- (1) <sup>M348</sup>In this Chapter “[<sup>F3551</sup>corporation tax] advantage” means a relief or increased relief from, or repayment or increased repayment of, [<sup>F3551</sup>corporation tax], or the avoidance or reduction of a charge to [<sup>F3551</sup>corporation tax] or an assessment to [<sup>F3551</sup>corporation tax] or the avoidance of a possible assessment thereto, whether the avoidance or reduction is effected by receipts accruing in such a way that the recipient does not pay or bear [<sup>F3551</sup>corporation tax] on them, or by a deduction in computing profits or gains.
- (2) <sup>M349</sup>In this Chapter—
  - “company” includes any body corporate,
  - “securities”—
    - (a) includes shares and stock, and
    - (b) in relation to a company not limited by shares (whether or not it has a share capital) includes also a reference to the interest of a member of the company as such, whatever the form of that interest;
  - “trading stock” has [<sup>F3552</sup>the meaning given by section 163 of CTA 2009];
  - “transaction in securities” includes transactions, of whatever description, relating to securities, and in particular—
    - (i) the purchase, sale or exchange of securities;
    - (ii) the issuing or securing the issue of, or applying or subscribing for, new securities;

- (iii) the altering, or securing the alteration of, the rights attached to securities;  
 and references to dividends include references to other qualifying distributions and to interest.

[<sup>F3553</sup>(2A) <sup>F3554</sup>.....]

  - (b) references to distribution include references to transfer or realisation (including application in discharge of liabilities); and
  - (c) references to the receipt of consideration include references to the receipt of any money or money's worth.
- (4) For the purposes of section 704 an amount received by way of dividend shall be treated as abnormal if the Board <sup>F3555</sup> . . . or the tribunal, as the case may be, are satisfied—
- (a) in the case of a dividend at a fixed rate, that it substantially exceeds the amount which the recipient would have received if the dividend had accrued from day to day and [<sup>F3556</sup>the recipient] had been entitled only to so much of the dividend as accrued while [<sup>F3556</sup>the recipient] held the securities, so however that an amount shall not be treated as abnormal by virtue only of this paragraph if during the six months beginning with the purchase of the securities the recipient does not sell or otherwise dispose of, or acquire an option to sell, any of those securities or any securities similar to those securities; or
  - (b) in any case, that it substantially exceeds a normal return on the consideration provided by the recipient for the relevant securities, that is to say, the securities in respect of which the dividend was received and, if those securities are derived from securities previously acquired by the recipient, the securities which were previously acquired.
- (5) For the purposes of subsection (4)(a) above securities shall be deemed to be similar if they entitle their holders to the same rights against the same persons as to capital and interest and the same remedies for the enforcement of those rights, notwithstanding any difference in the total nominal amounts of the respective securities or in the form in which they are held or the manner in which they can be transferred, and for those purposes rights guaranteed by the Treasury shall be treated as rights against the Treasury.
- (6) For the purposes of subsection (4)(b) above—
- (a) if the consideration provided by the recipient for any of the relevant securities was in excess of their market value at the time [<sup>F3557</sup>the recipient] acquired them, or if no consideration was provided by [<sup>F3558</sup>the recipient] for any of the relevant securities, the recipient shall be taken to have provided for those securities consideration equal to their market value at the time [<sup>F3557</sup>the recipient] acquired them; and
  - (b) in determining whether an amount received by way of dividend exceeds a normal return, regard shall be had to the length of time previous to the receipt of that amount that the recipient first acquired any of the relevant securities and to any dividends and other distributions made in respect of them during that time.

- (c) the stock lending arrangement is designed to produce a return to the borrower which equates, in substance, to the return on an investment of money at interest, and
- (d) the main purpose, or one of the main purposes, of the stock lending arrangement is the obtaining of a tax advantage.

(2) Where this section applies—

- (a) the [F3637Corporation Tax Acts] are to apply as if the borrower receives an amount of interest payable in respect of the cash collateral, and
  - (b) the amount of the interest is calculated in accordance with the following provisions of this section (see, in particular, subsections (3) to (7)).
- (3) The interest is treated for the purposes of the [F3637Corporation Tax Acts] as if it were received on the date (“the return date”) on which the borrower transfers the relevant securities back to the lender.
- (4) The interest is treated for the purposes of the [F3637Corporation Tax Acts] as if it were payable in respect of the period (“the interest period”)—
- (a) beginning with the date on which the lender transfers the relevant securities to the borrower, and
  - (b) ending with the return date.
- (5) The rate of interest payable in respect of the cash collateral is a rate that is reasonably comparable to the rate that the borrower could obtain by placing the cash collateral on deposit for the interest period.
- (6) For the purposes of this section, the amount of the cash collateral on which the interest is payable is taken to be—
- (a) in any case where the amount of the cash collateral varies at any time on or before the return date, the highest amount of the cash collateral at any time on or before the return date, and
  - (b) in any other case, the amount of the cash collateral as at the return date.
- (7) The amount of the interest which the borrower is treated as receiving in respect of the cash collateral for the interest period is reduced (but not below nil) by any interest which the borrower actually receives in respect of that collateral for that period.
- (8) F3638 .....
- (9) If the borrower is a company within the charge to corporation tax—
- (a) the interest which the borrower is treated as receiving is treated for the purposes of [F3639Part 5 of CTA 2009] (loan relationships) as payable to it on a money debt,
  - (b) that money debt is treated for those purposes as a relationship to which [F3640Chapter 2 of Part 6 of that Act applies (relevant non-lending relationships)], and
  - (c) the credits to be brought into account for those purposes in respect of the interest must be determined using an amortised cost basis of accounting.
- (10) The fact that the borrower is treated as receiving an amount of interest is not to be taken as implying that the interest is payable by the lender or any other person.
- (11) For the purposes of this section—
- “money” includes money expressed in a currency other than sterling,
  - “stock lending arrangement” and “securities” have the same meanings as in section 263B of the 1992 Act,
  - “tax advantage” has the meaning given by [F3641section 840ZA].
- (12) For the purposes of this section—

---

- (a) any reference to the transfer of securities back has the same meaning as in section 263B of the 1992 Act (see, in particular, sections 263B(5) and 263C(1) of that Act), but
- (b) if it becomes apparent that the borrower will not comply with the requirement to transfer any securities back, the borrower is treated as if he transfers them back on the date on which it becomes so apparent.

(13) For the purposes of this section it does not matter—

- (a) whether the cash collateral is payable by the borrower or by any other person,
- (b) whether the cash collateral is payable under the stock lending arrangement or under any other arrangement,
- (c) whether collateral in another form is also provided in connection with the stock lending arrangement.

[ See section 736D—

- <sup>F3642</sup>(14) (a) for provision treating certain arrangements as stock lending arrangements for the purposes of this section, and
- (b) for provision treating certain amounts as cash collateral for those purposes.]]

*Material interests in non-qualifying offshore funds*

**757 Disposal of material interests in non-qualifying offshore funds**

<sup>M361</sup>(1) This Chapter applies to a disposal by any person of an asset if—

- (a) at the time of the disposal, the asset constitutes a material interest in an offshore fund which is or has at any material time been a non-qualifying offshore fund; or
- (b) at the time of the disposal, the asset constitutes an interest in a company resident in the United Kingdom or in a unit trust scheme, the trustees of which are at that time resident in the United Kingdom and at a material time after 31st December 1984 [<sup>F3799</sup>the interest was a material interest in a non-qualifying offshore fund];

and for the purpose of determining whether the asset disposed of falls within paragraph (b) above, section [<sup>F3800</sup>127 of the 1992] Act (equation of original shares and new holding) shall have effect as it has effect for the purposes of that Act.

[<sup>F3801</sup>(1A) But this Chapter does not apply to disposals of assets of an insurance company's long-term insurance fund.]

- (2) <sup>M362</sup>Subject to the following provisions of this section and section 758, there is a disposal of an asset for the purposes of this Chapter if there would be such a disposal for the purposes of the [<sup>F3800</sup>1992] Act.
- (3) Notwithstanding anything in paragraph (b) of subsection (1) of section [<sup>F3800</sup>62 of the 1992] Act (general provisions applicable on death: no deemed disposal by the deceased) where a person dies and the assets of which he was competent to dispose include an asset which is or has at any time been a material interest in a non-qualifying offshore fund, then, for the purposes of this Chapter, other than section 758—
  - (a) immediately before the acquisition referred to in paragraph (a) of that subsection, that interest shall be deemed to be disposed of by the deceased for such a consideration as is mentioned in that subsection; but
  - (b) nothing in this subsection affects the determination, in accordance with subsection (1) above, of the question whether that deemed disposal is one to which this Chapter applies.
- (4) Subject to subsection (3) above, section [<sup>F3800</sup>62 of the 1992] Act applies for the purposes of this Chapter as it applies for the purposes of that Act, and the reference in that subsection to the assets of which a deceased person was competent to dispose shall be construed in accordance with subsection (10) of that section.

**Status:** Point in time view as at 01/04/2009. This version of this Act contains provisions that are not valid for this point in time.

**Changes to legislation:** There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

<sup>F3802</sup>(5) Section 135 of the 1992 Act (exchange of securities for those in another company treated as not involving a disposal) does not apply for the purposes of this Chapter <sup>F3803</sup>to the extent that—

- (a) the interest in the entity that is company A for the purposes of that section that is exchanged is or was at a material time an interest in a non-qualifying offshore fund, and
- (b) the interest in the entity that is company B for those purposes that is exchanged is not an interest in such a fund.]

In a case where that section would apply apart from this subsection, the exchange in question <sup>F3804</sup>(of interests in or of an entity that are or were at a material time interests in a non-qualifying offshore fund)] shall for the purposes of this Chapter constitute a disposal of interests in the offshore fund for a consideration equal to their market value at the time of the exchange.

(6) Section 136 of the 1992 Act (scheme of reconstruction involving issue of securities treated as exchange not involving disposal) does not apply for the purposes of this Chapter <sup>F3805</sup>to the extent that—

- (a) the interest in the entity that is company A for the purposes of that section that is exchanged is or was at a material time an interest in a non-qualifying offshore fund, and
- (b) the interest in the entity that is company B for those purposes that is exchanged is not an interest in such a fund.]

In a case where that section would apply apart from this subsection, the deemed exchange in question <sup>F3806</sup>(of interests in or of an entity that are or were at a material time interests in a non-qualifying offshore fund)] shall for the purposes of this Chapter constitute a disposal of interests in the offshore fund for a consideration equal to their market value at the time of the deemed exchange.]

(7) For the purposes of this section—

- (a) a material time, in relation to the disposal of an asset, is <sup>F3807</sup>any time on or after] the earliest date on which any relevant consideration was given for the acquisition of the asset or, if that date is earlier than 1st January 1984, any time on or after 1st January 1984; and
- (b) “relevant consideration” means consideration which, assuming the application to the disposal of <sup>F3800</sup>Chapter III of Part II of the 1992] Act, would fall to be taken into account in determining the amount of the gain or loss accruing on the disposal, whether that consideration was given by or on behalf of the person making the disposal or by or on behalf of a predecessor in title of his whose acquisition cost represents, directly or indirectly, the whole or any part of the acquisition cost of the person making the disposal.

  - (b) at any time after the scale of the activities in a trade carried on by a company has become small or negligible, and before any considerable revival of the trade, there is a change in the ownership of the company,

no relief shall be given under section 393 by setting a loss incurred by the company in an accounting period beginning before the change of ownership against any income or other profits of an accounting period ending after the change of ownership.
- (2) In applying this section to the accounting period in which the change of ownership occurs, the part ending with the change of ownership, and the part after, shall be treated as two separate accounting periods, and the profits or losses of the accounting period shall be apportioned to the two parts.
- (3) The apportionment under subsection (2) above shall be on a time basis according to the respective lengths of those parts except that if it appears that that method would work unreasonably or unjustly such other method shall be used as appears just and reasonable.

- (7) In applying subsection (6) above it shall be assumed that any profits or gains are applied in giving effect to any such allowance or deduction in preference to being set off against any loss which is not attributable to such an allowance or deduction.
- (8) Where the operation of this section depends on circumstances or events at a time after the change of ownership (but not more than three years after), an assessment to give effect to the provisions of this section shall not be out of time if made within six years from that time, or the latest of those times.

**769 Rules for ascertaining change in ownership of company.**

<sup>M378</sup>(1) For the purposes of [<sup>F3933</sup>sections 767A, [<sup>F3934</sup>767AA <sup>F3935</sup> . . . ], 768, 768A, 768B [<sup>F3936</sup>, 768C and 768D]] there is a change in the ownership of a company—

- (a) if a single person acquires more than half the ordinary share capital of the company; or
- (b) if two or more persons each acquire a holding of 5 per cent. or more of the ordinary share capital of the company, and those holdings together amount to more than half the ordinary share capital of the company; or
- (c) if two or more persons each acquire a holding of the ordinary share capital of the company, and the holdings together amount to more than half the ordinary share capital of the company, but disregarding a holding of less than 5 per cent. unless it is an addition to an existing holding and the two holdings together amount to 5 per cent. or more of the ordinary share capital of the company.

(2) In applying subsection (1) above—

- (a) the circumstances at any two points of time with not more than three years between may be compared, and a holder at the later time may be regarded as having acquired whatever he did not hold at the earlier time, irrespective of what he has acquired or disposed of in between;
- (b) to allow for any issue of shares or other reorganisation of capital, the comparison may be made in terms of percentage holdings of the total ordinary share capital at the respective times, so that a person whose percentage holding is greater at the later time may be regarded as having acquired a percentage holding equal to the increase;
- (c) to decide for the purposes of subsection (1)(b) or (c) above if any person has acquired a holding of at least 5 per cent., or a holding which makes at least 5 per cent. when added to an existing holding, acquisitions by, and holdings of, two or more persons who are connected persons within the meaning of section 839 shall be aggregated as if they were acquisitions by, and holdings of, one and the same person;

- (3) Where, because persons, whether company members or not, possess extraordinary rights or powers under the articles of association or under any other document regulating the company, ownership of the ordinary share capital may not be an appropriate test of whether there has been a major change in the persons for whose benefit the losses may ultimately enure, then, in considering whether there has been a change in the ownership of the company for the purposes of section 768 [<sup>F3943</sup>, 768A or 768D], holdings of all kinds of share capital, including preference shares, or of any particular category of share capital, or voting power or any other special kind of power, may be taken into account instead of ordinary share capital.

- [<sup>F3948</sup>(6) If there is a change in the ownership of a company, including a change occurring by virtue of the application of this subsection but not a change which is to be disregarded under subsection (5) above, then—
- (a) in a case falling within subsection (1)(a) above, the person mentioned in subsection (1)(a) shall be taken for the purposes of this section to acquire at the time of the change any relevant assets owned by the company;
  - (b) in a case falling within subsection (1)(b) above but not within subsection (1)(a) above, each of the persons mentioned in subsection (1)(b) shall be taken for the purposes of this section to acquire at the time of the change the appropriate proportion of any relevant assets owned by the company; and
  - (c) in any other case, each of the persons mentioned in paragraph (c) of subsection (1) above (other than any whose holding is disregarded under that paragraph) shall be taken for the purposes of this section to acquire at the time of the change the appropriate proportion of any relevant assets owned by the company.

“the appropriate proportion”, in relation to one of two or more persons mentioned in subsection (1)(b) or (c) above, means a proportion corresponding to the proportion which the percentage of the ordinary share capital acquired by him bears to the percentage of that capital acquired by all those persons taken together; and

“relevant assets”, in relation to a company, means—

- (a) any ordinary share capital of another company, and
- (b) any property or rights which under subsection (3) above may be taken into account instead of ordinary share capital of another company.

(6B) Notwithstanding that at any time a company (“the subsidiary company”) is a 75 per cent. subsidiary of another company (“the parent company”) it shall not be treated at that time as such a subsidiary for the purposes of this section unless, additionally, at that time—

- (a) the parent company would be beneficially entitled to not less than 75 per cent. of any profits available for distribution to equity holders of the subsidiary company; and
- (b) the parent company would be beneficially entitled to not less than 75 per cent. of any assets of the subsidiary company available for distribution to its equity holders on a winding-up.

(6C) Schedule 18 shall apply for the purposes of subsection (6B) above as it applies for the purposes of section 413(7).]

(7) For the purposes of this section—

- (a) references to ownership shall be construed as references to beneficial ownership, and references to acquisition shall be construed accordingly;
- (b) *a company shall be deemed to be a 75 per cent. subsidiary of another company if and so long as not less than three-quarters of its ordinary share capital is owned by that other company, whether directly or through another company or other companies, or partly directly and partly through another company or other companies*<sup>F3949</sup>;
- (c) *the amount of ordinary share capital of one company owned by a second company through another company or other companies or partly directly and partly through another company or other companies, shall be determined in accordance with subsections (5) to (10) of section 838; and*

<sup>F3950</sup>(d) “shares” includes stock.

(8) If any acquisition of ordinary share capital or other property or rights taken into account in determining that there has been a change of ownership of a company was made in pursuance of a contract of sale or option or other contract, or the acquisition was made by a person holding such a contract, then the time when the change in the ownership of the company took place shall be determined as if the acquisition had been made when the contract was made with the holder or when the benefit of it was assigned to him so that, in the case of a person exercising an option to purchase shares, he shall be regarded as having purchased the shares when he acquired the option.

[<sup>F3951</sup>(9) Subsection (8) above shall not apply in relation to section 767A [<sup>F3942</sup>or 767AA].]

### 779 Sale and leaseback: limitation on tax reliefs.

<sup>M383</sup>(1) If land or any estate or interest in land is transferred from one person to another and—

- (a) as a result of a lease of the land or any part of the land granted at that time or subsequently by the transferee to the transferor, or
- (b) as a result of any other transaction or series of transactions affecting the land or any estate or interest in the land,

the transferor, or any person who is associated with the transferor, becomes liable at the time of the transfer or subsequently to pay any rent under a lease of the land or any part of the land, this section shall apply to all rent due under the lease from the transferor, or from any person who is associated with the transferor.

(2) If—

- (a) land or any estate or interest in land is transferred from one person to another, and
- (b) as a result of any transaction or series of transactions affecting the land or any estate or interest in the land, the transferor, or any person who is associated with the transferor, becomes liable at the time of the transfer or subsequently to make any payment (other than rent under a lease) for which any relevant tax relief is available, being a payment by way of rentcharge on the land or any part of the land or a payment in any other way connected with the land,

then this section shall apply to all such payments under the rentcharge or other transaction due from the transferor, or from any person who is associated with the transferor.

(3) The references in subsections (1) and (2) above to the transfer of an estate or interest in land include references to—

- (a) the granting of a lease or any other transaction involving the creation of a new estate or interest in the land;
- (b) the transfer of the lessee's interest under a lease by surrender or forfeiture of the lease; and
- (c) any transaction or series of transactions affecting land or an estate or interest in land, such that some person is the owner, or one of the owners, before and after the carrying out of the transaction or transactions, but another person becomes or ceases to become one of the owners;

and in relation to any such transaction or series of transactions any person who is an owner before the carrying out of the transaction or transactions, and is not the sole owner thereafter, shall be regarded for the purposes of this section as a transferor.

(4) A deduction by way of any relevant tax relief, being a deduction in respect of rent or of any other payment to which this section applies, shall not exceed the commercial rent for the period for which the rent or other payment is made of the land in respect of which that payment is made.

- that part of the first-mentioned payment may be carried forward and treated for the purposes of any such deduction by way of tax relief as if it were made at the time when the next of those subsequent payments was made, and so made for the period for which that subsequent payment was made.
- (6) For the purposes of subsection (4) above—

- (7) A payment made for a period all of which falls more than one year after the payment is made shall be treated for the purposes of this section as made for that period of one year beginning with the date on which the payment was made, and a payment for a period part of which falls after the end of that year shall be treated for those purposes as if a corresponding part of the payment was made for that year (and no part for any later period).
- (8) For the purposes of making a comparison under subsection (4) above between a payment consisting of rent under a lease (“the actual lease”), or such payments taken together, and the commercial rent of the land, “commercial rent” shall mean the rent which might be expected to be paid under a lease of the land negotiated in the open market at the time when the actual lease was created, being a lease which is of the same duration as the actual lease, which is, as respects liability for maintenance and repairs, subject to the terms and conditions of the actual lease and which provides for rent payable at uniform intervals and—

### 780 Sale and leaseback: taxation of consideration received.

<sup>M384</sup>(1) If, in any case where a person (“the lessee”) who is a lessee of land under a lease having not more than 50 years to run (“the original lease”) is entitled in respect of the rent under the lease to a deduction by way of tax relief which is a relevant tax relief for the purposes of section 779—

- (a) the lessee assigns the original lease to another person, or surrenders it to his landlord, for a consideration which apart from this section would not be taxable otherwise than as capital in the hands of the lessee, and
- (b) there is granted or assigned to the lessee another lease (“the new lease”) of or including the whole or any part of the land which was the subject of the original lease for a term not exceeding 15 years;

then, subject to the following provisions of this section, the provisions of this Act providing for deductions or allowances by way of tax relief in respect of payments of rent shall apply in relation to the rent under the new lease, and for the purposes of the Tax Acts a proportion of the consideration received by the lessee shall be treated not as a capital receipt but in accordance with subsection (3) below.

(2) For the purposes of this section—

- (a) if the aggregate of the rent payable under the new lease in respect of any rental period ending on a date falling before the 15th anniversary of the date on which the term of the new lease begins is greater than the aggregate of the rent payable under the new lease in respect of the period of equal duration beginning on the day following that date, then unless the term of the new lease would be treated as ending on an earlier date by virtue of paragraph (b) below, that term shall be treated as ending on that date;
- (b) if under the terms of the new lease—
  - (i) the lessor of the lessee has power to determine the new lease at a time before the expiry of the term for which it was granted, or
  - (ii) the lessee has power to vary his obligations under the new lease so as to reduce the rent which he would otherwise have to pay or in any other manner beneficial to him,

then, unless the term of the new lease would be treated as ending on an earlier date by virtue of paragraph (a) above, that term shall be treated as ending on the earliest date with effect from which, in exercise of that power, the lessor or the lessee could determine the new lease or, as the case may be, the lessee could so vary his obligations;

and in any case where a rentcharge payable by the lessee is secured on the whole or any part of the property which is the subject of the new lease, the rent payable under the new lease shall be treated for the purposes of paragraphs (a) and (b) above as equal to the aggregate of the rentcharge and the rent payable under the terms of that lease.

- (3) Subject to the following provisions of this section, the proportion of the consideration received by the lessee as mentioned in subsection (1) above, or of any instalment of that consideration, which for the purposes of the Tax Acts is to be treated not as a capital receipt but in accordance with this subsection shall be determined by the formula—

$$\frac{16 - N}{15}$$

where N is the term of the new lease expressed in years or, if that term is less than a year, where N is 1; and that proportion shall be treated for the purposes of the Tax Acts—

- (a) as a receipt of a trade, profession or vocation, if the rent payable by the lessee under the new lease is allowable as a deduction in computing [<sup>F4045</sup>profits] or losses of a trade, profession or vocation for the purposes of tax and if the consideration is received by the lessee in the course of that trade, profession or vocation; and
- (b) in any other case, as [<sup>F4046</sup>an amount chargeable to tax in accordance with subsection (3A)].

[<sup>F4047</sup>(3A) The amount shall be charged—

- (a) to income tax, or
- (b) to corporation tax [<sup>F4048</sup>under the charge to corporation tax on income].

(3B) The income tax charged by virtue of subsection (3A)(a) above shall be charged on the full amount of the proportion of the consideration concerned arising in the year of assessment; and the person liable for any tax so charged is the lessee.]

[<sup>F4049</sup>(3C) An amount charged to income tax by virtue of subsection (3A)(a) above is treated for income tax purposes as an amount of income.]

- (4) In any case where the property which is the subject of the new lease does not include the whole of the property which was the subject of the original lease, the consideration received by the lessee shall be treated for the purposes of subsection (3) above as reduced to that portion of the consideration which is reasonably attributable to such part of the property which was the subject of the original lease as consists of, or is included in, the property which is the subject of the new lease.
- (5) *Schedule 2 shall have effect for the purposes of giving relief, on a claim being made in that behalf, from any increase in an individual's liability to income tax which is attributable to any amount being treated, by virtue of subsection (3) above, as an income receipt for a single year of assessment rather than as a series of such receipts during the term of the new lease; and in the application of that Schedule by virtue of this subsection for the definitions of "chargeable sum" and "relevant period" there shall be substituted the following definitions—*

*" "chargeable sum" means the amount in respect of which, by virtue of subsection (3) above, the claimant is chargeable to income tax for the year of assessment;"*

*" "relevant period", in relation to any chargeable sum, means the term of the new lease."*

- (6) Where by agreement with his landlord, the lessee varies the terms of the original lease in such a manner that, in return for such a consideration as is specified in subsection (1) (a) above, the lessee undertakes to pay, during a period ending not later than 15 years after the date on which the consideration, or if the consideration is paid in instalments, the last such instalment, is paid to the lessee, a rent greater than that payable under the original lease, he shall be treated for the purposes of this section—
- (a) as having surrendered the original lease for that consideration, and
  - (b) as having been granted a new lease for a term not exceeding 15 years but otherwise on the terms of the original lease as so varied.
- (7) References in this section to the lessee (other than in subsection (1)(a) above) include references to a person who is a partner or associate of the lessee or an associate of a partner of the lessee; and for the purposes of this section the expression “associate” shall be construed in accordance with 783(10).
- (8) Subject to subsection (7) above, expressions used in this section have the meanings assigned to them by section 24, and in subsection (2)(a) above “rental period” means a period in respect of which a payment of rent falls to be made, and for the purposes of that subsection, in a case where the rental period is a quarter or a month, each such period shall be treated as of equal duration.
- (9) The preceding provisions of this section shall not apply if the lessee had, before 22nd June 1971, a right enforceable at law or in equity to the grant of the new lease, but in any case where, apart from this subsection, those provisions would apply, no part of the rent paid under the new lease shall be treated as a payment of capital, and the provisions of this Act providing for deductions or allowances by way of tax relief in respect of payments of rent shall apply accordingly.

**F4091** Ss. 785B-785E inserted (with effect in accordance with [Sch. 20 para. 1\(2\)](#) of the amending Act) by [Finance Act 2008 \(c. 9\)](#), [Sch. 20 para. 1\(1\)](#) (with transitional modifications in [Sch. 20 para. 1\(3\)](#))

### [<sup>F4091</sup>785] Section 785B: interpretation

- (1) The expressions used in section 785B and this section are to be interpreted as follows.
- (2) “Capital payment” means any payment except one which, if made to the lessor—
  - (a) would fall to be included in a calculation of the lessor’s income for corporation tax purposes, or
  - (b) would fall to be included in such a calculation but for section 502B (rental earnings under long funding finance lease).
- (3) “Lease” includes—
  - (a) a licence, and
  - (b) the letting of a ship or aircraft on charter or the letting of any other asset on hire,
 and “lessor” and “lessee” are to be read accordingly.
- (4) “Lease of plant or machinery” includes a lease of plant or machinery and other property but does not include—
  - (a) a lease where the income attributable to the lease received by the lessor (if any) would be chargeable to tax [<sup>F4092</sup>under Chapter 3 of Part 4 of CTA 2009 as profits of a UK property business], or
  - (b) a lease of plant or machinery where the lessor has incurred what would (but for section 34A of the Capital Allowances Act) be qualifying expenditure (within the meaning of Part 2 of that Act) on the plant or machinery.
- (5) “Relevant arrangement” means any agreement or arrangement relating to a lease of plant or machinery, including one made before the lease is entered into or after it has ended (and, accordingly, “lessor” and “lessee” include prospective and former lessors and lessees).
- (6) A capital payment, in relation to a lease or relevant arrangement, is “relevant” if condition A or B is met (but this is subject to subsection (9)).
- (7) Condition A is that the capital payment is payable (or paid), directly or indirectly, by (or on behalf of) the lessee to (or on behalf of) the lessor in connection with—
  - (a) the grant, assignment, novation or termination of the lease, or
  - (b) any provision of the lease or relevant arrangement (including the variation or waiver of any such provision).
- (8) Condition B is that rentals payable under the lease are less than (or payable later than) they might reasonably be expected to be if there were no obligation to make the capital payment (and the capital payment were not made).
- (9) A capital payment is not “relevant” if or to the extent that—
  - (a) the capital payment reduces (or would but for section 536 of the Capital Allowances Act reduce) the amount of expenditure incurred by the lessor

**Status:** Point in time view as at 01/04/2009. This version of this Act contains provisions that are not valid for this point in time.

**Changes to legislation:** There are outstanding changes not yet made by the legislation.gov.uk editorial team to Income and Corporation Taxes Act 1988. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)

- for the purposes of the Capital Allowances Act in respect of the plant or machinery in question,
- (b) the capital payment is compensation for loss resulting from damage to, or damage caused by, the plant or machinery in question, or
  - (c) the capital payment would fall (or falls) to be brought into account by the lessor as a disposal receipt within the meaning of Part 2 of the Capital Allowances Act (see section 60(1) of that Act).
- (10) References to payment include the provision of value by any means other than the making of a payment, and accordingly—
- (a) references to the making of a payment include the passing of value (by any other means), and
  - (b) references to the amount of the payment include the value passed.]

#### Textual Amendments

**F4303**Ss. 806A-806H, 806J and cross-heading inserted (with effect in accordance with Sch. 30 para. 21(2) of the amending Act) by Finance Act 2000 (c. 17), Sch. 30 para. 21(1)

### 806A Eligible unrelieved foreign tax on dividends: introductory.

- (1) This section applies where, in any accounting period of a company resident in the United Kingdom, an amount of eligible unrelieved foreign tax arises in respect of a dividend falling within subsection (2) below paid to the company.
- (2) The dividends that fall within this subsection are any dividends [<sup>F4304</sup>which are chargeable under Chapter 2 of Part 10 of CTA 2009 (dividends of non-UK resident companies), or which would be so chargeable but for section 982 of that Act (priority rules)], other than—
  - (a) any dividend which is trading income for the purposes of section 393;
  - (b) any dividend which, in the circumstances described in paragraphs (a) and (b) of subsection (8) of section 393, would by virtue of that subsection fall to be treated as trading income for the purposes of subsection (1) of that section;
  - (c) in a case where section 801A applies, the dividend mentioned in subsection (1) (b) of that section;
  - (d) in a case where section 803 applies, the dividend mentioned in subsection (1) (b) of that section;
  - (e) any dividend the amount of which is, under section 811, treated as reduced.
- (3) For the purposes of this section—
  - (a) the cases where an amount of eligible unrelieved foreign tax arises in respect of a dividend falling within subsection (2) above are the cases set out in subsections (4) and (5) below; and
  - (b) the amounts of eligible unrelieved foreign tax which arise in any such case are those determined in accordance with section 806B.
- (4) Case A is where—
  - (a) the amount of the credit for foreign tax which under any arrangements would, apart from section 797, be allowable against corporation tax in respect of the dividend,  
exceeds
  - (b) the amount of the credit for foreign tax which under the arrangements is allowed against corporation tax in respect of the dividend.
- (5) Case B is where the amount of tax which, by virtue of any provision of any arrangements, falls to be taken into account as mentioned in section 799(1) in the case of the dividend (whether or not by virtue of section 801(2) or (3)) is less than it would be apart from the mixer cap.

*Status: Point in time view as at 01/04/2009. This version of this Act contains provisions that are not valid for this point in time.*

[<sup>F4305</sup>But if that is so in any case by reason only of the mixer cap restricting the amount of underlying tax that is treated as mentioned in subsection (2) or (3) of section 801 in the case of a dividend paid by a company resident in the United Kingdom, the case does not fall within Case B.]

- (6) In determining whether the circumstances are as set out in subsection (4) or (5) above, sections 806C and 806D shall be disregarded.

#### 806B The amounts that are eligible unrelieved foreign tax.

- (1) This section has effect for determining the amounts of eligible unrelieved foreign tax which arise in the cases set out in section 806A(4) and (5).

- (2) In Case A, the difference between—

- (a) the amount of the credit allowed as mentioned in section 806A(4)(b), and
- (b) the greater amount of the credit that would have been so allowed if, for the purposes of subsection (2) of section 797, the rate of corporation tax payable as mentioned in that subsection were the upper percentage,

shall be an amount of eligible unrelieved foreign tax.

- [<sup>F4306</sup>(3) In Case B, the amount (if any) by which—

- (a) the aggregate of the upper rate amounts falling to be brought into account for the purposes of this paragraph by virtue of subsection (4) or (5) below, exceeds
- (b) the amount of tax to be taken into account as mentioned in section 799(1) in the case of the [<sup>F4307</sup>dividend falling within section 806A(2)], before any increase under section 801(4B),

shall be an amount of eligible unrelieved foreign tax.

- (4) In the case of the [<sup>F4307</sup>dividend falling within section 806A(2)] (but not any lower level dividend), the upper rate amount to be brought into account for the purposes of subsection (3)(a) above—

- (a) in a case where the mixer cap does not restrict the amount of tax to be taken into account as mentioned in section 799(1) (before any increase under section 801(4B)) in the case of that dividend, is that amount of tax; or
- (b) in a case where the mixer cap restricts the amount of tax to be so taken into account in the case of that dividend, is the greater amount that would have been so taken into account if, in the application of the formula in section 799(1A) in the case of that dividend (but not any lower level dividend) M% had, in relation to—

(i) so much of D as does not represent any lower level dividend, and

(ii) so much of U as is not underlying tax attributable to any lower level dividend,

been the upper percentage.

- (5) In the case of any dividend (the “relevant dividend”) received as mentioned in subsection (2) or (3) of section 801 which is a lower level dividend in relation to the [F4307 dividend falling within section 806A(2)], the upper rate amount to be brought into account for the purposes of subsection (3)(a) above—
- (a) in a case where the mixer cap does not restrict the amount of underlying tax that is treated as mentioned in subsection (2) or (3), as the case may be, of section 801 in the case of the relevant dividend, is the appropriate portion of that amount of underlying tax;
  - (b) in a case where—
    - (i) the relevant dividend was paid by a company resident in the United Kingdom, and
    - (ii) the mixer cap restricts the amount of underlying tax that is treated as mentioned in subsection (2) or (3), as the case may be, of section 801 in the case of that dividend,is the appropriate portion of that restricted amount of underlying tax; or
  - (c) in a case where—
    - (i) the relevant dividend was paid by a company resident outside the United Kingdom, and
    - (ii) the mixer cap restricts the amount of underlying tax that is treated as mentioned in subsection (2) or (3), as the case may be, of section 801 in the case of that dividend,is the appropriate portion of the greater amount of tax that would have been so treated if, in the application of the formula in section 799(1A) in the case of that dividend (but not any other dividend) M% had, in relation to so much of D as does not represent any lower level dividend, and so much of U as is not underlying tax attributable to any lower level dividend, been the upper percentage.
- (6) For the purposes of subsection (5) above, the “appropriate portion” of any amount there mentioned in the case of a dividend is found by multiplying that amount by the product of the reducing fractions for each of the higher level dividends.]
- (7) For the purposes of subsection (6) above, the “reducing fraction” for any dividend is the fraction—
- (a) whose numerator is the amount of the dividend; and
  - (b) whose denominator is the amount of the relevant profits (within the meaning of section 799(1)) out of which the dividend is paid.
- (8) Any reference in this section to any tax being restricted by the mixer cap in the case of any dividend is a reference to that tax being so restricted otherwise than by virtue only of the application of the mixer cap in the case of one or more lower level dividends.
- (9) For the purpose of determining the amount described in subsection (2)(b), [F4308(4)(b) or (5)(c)] above, sections 806C and 806D shall be disregarded.
- (10) In this section—

<sup>F4390</sup>**815A Transfer of a non-UK trade.**

(1) This section applies where section 269C of the 1970 Act or section 140C <sup>F4391</sup>or 140F of the Taxation of Chargeable Gains Act 1992 applies; and references in this section to company A, the transfer and the trade shall be construed accordingly.

<sup>F4392</sup>(2) Where gains accruing to company A on the transfer would have been chargeable to tax under the law of the relevant member State but for the Mergers Directive, this Part, including any arrangements having effect by virtue of section 788, shall apply as if the amount of tax, calculated on the required basis, which would have been payable under that law in respect of the gains so accruing but for that Directive, were tax payable under that law.]

(5) For the purposes of this section, the required basis is that—

- (a) so far as permitted under the law of the relevant member State, any losses arising on the transfer are set against any gains so arising, and
- (b) any relief available to company A under that law has been duly claimed.

(6) In this section—

“the Mergers Directive” means the Directive of the Council of the European Communities dated 23rd July 1990 on the common system of taxation applicable to mergers, divisions, transfers of assets and exchanges of shares concerning companies of different member States (no. 90/434/EEC);

“relevant member State” means the member State in which, immediately before the time of the transfer, company A carried on the trade through a <sup>F4393</sup>permanent establishment[.]
