Rights of third parties in respect of Crown use

- 2 (1) In relation to any use of a registered design, or a design in respect of which an application for registration is pending, made for the services of the Crown—
- (a) by a Government department or a person authorised by a Government department under the last foregoing paragraph; or
 - (b) by the registered proprietor or applicant for registration to the order of a Government department,
- the provisions of any licence, assignment or agreement made, whether before or after the commencement of this Act, between the registered proprietor or applicant for registration or any person who derives title from him or from whom he derives title and any person other than a Government department shall be of no effect so far as those provisions restrict or regulate the use of the design, or any model, document or information relating thereto, or provide for the making of payments in respect of any such use, or calculated by reference thereto; and the reproduction or publication of any model or document in connection with the said use shall not be deemed to be an infringement of any copyright or design right subsisting in the model or document.
- (2) Where an exclusive licence granted otherwise than for royalties or other benefits determined by reference to the use of the design is in force under the registered design then—
- (a) in relation to any use of the design which, but for the provisions of this and the last foregoing paragraph, would constitute an infringement of the rights of the licensee, sub-paragraph (3) of the last foregoing paragraph shall have effect as if for the reference to the registered proprietor there were substituted a reference to the licensee; and
 - (b) in relation to any use of the design by the licensee by virtue of an authority given under the last foregoing paragraph, that paragraph shall have effect as if the said sub-paragraph (3) were omitted.
- (3) Subject to the provisions of the last foregoing sub-paragraph, where the registered design or the right to apply for or obtain registration of the design has been assigned to the registered proprietor in consideration of royalties or other benefits determined by reference to the use of the design, then—

- (a) in relation to any use of the design by virtue of paragraph 1 of this Schedule, sub-paragraph (3) of that paragraph shall have effect as if the reference to the registered proprietor included a reference to the assignor, and any sum payable by virtue of that sub-paragraph shall be divided between the registered proprietor and the assignor in such proportion as may be agreed upon between them or as may in default of agreement be determined by the court on a reference under the next following paragraph; and
 - (b) in relation to any use of the design made for the services of the Crown by the registered proprietor to the order of a Government department, sub-paragraph (3) of paragraph 1 of this Schedule shall have effect as if that use were made by virtue of an authority given under that paragraph.
- (4) Where, under sub-paragraph (3) of paragraph 1 of this Schedule, payments are required to be made by a Government department to a registered proprietor in respect of any use of a design, any person being the holder of an exclusive licence under the registered design (not being such a licence as is mentioned in sub-paragraph (2) of this paragraph) authorising him to make that use of the design shall be entitled to recover from the registered proprietor such part (if any) of those payments as may be agreed upon between that person and the registered proprietor, or as may in default of agreement be determined by the court under the next following paragraph to be just having regard to any expenditure incurred by that person—
 - (a) in developing the said design; or
 - (b) in making payments to the registered proprietor, other than royalties or other payments determined by reference to the use of the design, in consideration of the licence;

and if, at any time before the amount of any such payment has been agreed upon between the Government department and the registered proprietor, that person gives notice in writing of his interest to the department, any agreement as to the amount of that payment shall be of no effect unless it is made with his consent.
- (5) In this paragraph “exclusive licence” means a licence from a registered proprietor which confers on the licensee, or on the licensee and persons authorised by him, to the exclusion of all other persons (including the registered proprietor), any right in respect of the registered design.
