- (a) reasonably practicable; and
- (b) consistent with the purposes of the enactments relating to the functions of that body,

for securing, so long as that body has rights to the use of water or land associated with water, that those rights are exercised so as to ensure that the water or land is made available for recreational purposes and is so made available in the best manner.

(4) Without prejudice to its other duties under this section, it shall be the duty of the Authority, to such extent as it considers desirable, generally to promote—

- (c) the use of such waters and land for recreational purposes.

(5) It shall be the duty of a relevant body, in determining what steps to take in performance of any duty imposed by virtue of subsection (3) or (4)(c) above, to take into account the needs of persons who are chronically sick or disabled.

(6) Nothing in this section or the following provisions of this Act shall require recreational facilities made available by a relevant body to be made available free of charge.

(7) In this section—

“building” includes structure; and

“relevant body” means the Authority, a water undertaker, a sewerage undertaker or an internal drainage board;

and references in this section to a water undertaker or sewerage undertaker or to the functions of such an undertaker shall be construed as if those functions included the management, by the company holding an appointment as such an undertaker, of any land for the time being held by that company for any purpose whatever (whether connected with the carrying out of the functions of a water undertaker or sewerage undertaker or not).

9.—(1) Where the Nature Conservancy Council are of the opinion that any area of land—

PART I

(3) Where a relevant body has received a notification under subsection (1) or (2) above with respect to any land, that body shall consult the notifying body before carrying out, or (in the case of the Authority) carrying out or authorising, any works, operations or activities which appear to that relevant body to be likely—

(a) to destroy or damage any of the flora, fauna, or geological or physiographical features by reason of which the land is of special interest; or

(b) significantly to prejudice anything the importance of which is one of the reasons why the matters mentioned in subsection (2) above are of particular importance in relation to that land.

(4) Subsection (3) above shall not apply in relation to anything done in an emergency where particulars of what is done and of the emergency are notified to the Nature Conservancy Council, the National Park authority in question or, as the case may be, the Broads Authority as soon as practicable after that thing is done.

(b) promoting what appear to him to be desirable practices by the Authority or such undertakers with respect to those matters,

and may at any time by such an order approve a modification of such a code or withdraw his approval of such a code or modification.

(2) A contravention of a code of practice as for the time being approved under this section shall not of itself constitute a contravention of any requirement imposed by section 8 or 9 above or give rise to any criminal or civil liability, but the Secretary of State and the Minister shall each be under a duty to take into account whether there has been or is likely to be any such contravention in determining when and how he should exercise his powers by virtue of this Act in relation to the Authority or any water undertaker or sewerage undertaker.

(3) The power of the relevant Minister to make an order under this section shall be exercisable by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament.

PART II

WATER SUPPLY AND SEWERAGE SERVICES

CHAPTER I

APPOINTMENT AND REGULATION OF WATER AND SEWERAGE UNDERTAKERS

Making and conditions of appointments

11.—(1) Subject to the following provisions of this Chapter, a company may be appointed—

Appointment of undertakers.

- (a) by the Secretary of State; or
- (b) with the consent of or in accordance with a general authorisation given by the Secretary of State, by the Director,

to be the water undertaker or sewerage undertaker for any area of England and Wales.

(2) Without prejudice to the obligation of a company holding an appointment under this Chapter to comply with the conditions of its appointment, the appointment of a company to be the water undertaker or sewerage undertaker for any area shall have the effect while the appointment remains in force—

- (a) of requiring the company to perform any duty imposed by or under any enactment on an undertaker of the relevant description (that is to say, a water undertaker or, as the case may be, sewerage undertaker);
- (b) of authorising the company, for the purposes of, or in connection with, the carrying out of any of the functions of an undertaker of the relevant description, to exercise any power conferred by or under any enactment on an undertaker of that description;
- (c) of requiring enactments and subordinate legislation authorising or requiring anything to be done in relation to an undertaker of the relevant description to be construed as authorising or requiring that thing to be done in relation to that company; and
- (d) of requiring other references in any enactment or subordinate legislation to an undertaker of the relevant description or to the area of that undertaker, to be construed, so far as necessary for the purposes of, or in connection with, the carrying out by that company of the functions of an undertaker of that description, as references to that company or, as the case may be, to that area.

PART II

(3) The appointment of a company to be a water undertaker or sewerage undertaker shall be by service on the company of an instrument in writing containing the appointment and describing the area for which it is made; and a single instrument may contain the appointment of a company to be the sewerage undertaker for an area and the appointment of the same company to be the water undertaker for the whole or any part of that area or for an area which includes the whole or any part of that area.

(4) It shall be the duty of the Secretary of State to make such appointments under this Chapter as will secure—

- (a) that on the transfer date a statutory water company becomes the water undertaker for the area appointment for which will, in the opinion of the Secretary of State, ensure that the company continues to supply water for the same area on and after that date as immediately before; and
- (b) that on the transfer date the successor companies become water undertakers for areas comprising so much of England and Wales as is not the subject of appointments by virtue of paragraph (a) above and sewerage undertakers for the areas which immediately before that date are the water authorities' areas for the purposes of section 14 of the 1973 Act (sewerage and sewage disposal);

and to secure that such appointments are made under this Chapter as will ensure that for every area of England and Wales there is at all times on and after the transfer date both a company holding an appointment under this Chapter as water undertaker and (whether or not the same company in relation to the whole or any part of that area) a company holding an appointment as sewerage undertaker.

(5) A company shall not be appointed to be a water undertaker unless it is a limited company or a statutory water company and shall not be appointed to be a sewerage undertaker unless it is a limited company.

(6) Subject to subsection (7) and section 12 below—

- (a) the Secretary of State; and
- (b) with the consent of or in accordance with a general authorisation given by the Secretary of State, the Director,

shall have power, by notice to a company holding an appointment under this Chapter, to terminate the appointment or to vary the area to which it relates.

(7) The appointment of a company to be a water undertaker or sewerage undertaker shall not be terminated or otherwise cease to relate to or to any part of any area except with effect from the coming into force of such appointments and variations to which section 12 below applies as secure either—

- (a) that another company becomes the water undertaker or, as the case may be, sewerage undertaker for that area or part or for an area that includes that area or part; or
- (b) that two or more companies each become the water undertaker or, as the case may be, sewerage undertaker for one of a number of different areas that together constitute or include that area or part.

(8) As soon as practicable after making an appointment under this Chapter or exercising any power to vary the area to which such an appointment relates, the Secretary of State shall send a copy of the appointment or variation to the Director.

PART II

(9) In the House of Commons Disqualification Act 1975, in Part III of Schedule 1 (other disqualifying offices), there shall be inserted (at the appropriate place) the following entry—

1975 c. 24.

“Director of a company for the time being holding an appointment under Chapter I of Part II of the Water Act 1989 or of such a company’s holding company, being a director nominated or appointed by a Minister of the Crown or by a person acting on behalf of the Crown.”;

and the like insertion shall be made in Part III of Schedule 1 to the Northern Ireland Assembly Disqualification Act 1975.

1975 c. 25.

12.—(1) This section applies—

Restrictions on making replacement appointments.

- (a) to any appointment of a company to be the water undertaker or sewerage undertaker for any area which is or includes the whole or any part of any one or more existing areas; and
- (b) to any variation by virtue of which the area for which a company holds an appointment under this Chapter is modified so as to include the whole or any part of one or more existing areas.

(2) An appointment or variation to which this section applies shall not be made in relation to the whole or any part of an existing area except where—

- (a) the existing appointee consents to the appointment or variation;
- (b) the appointment or variation relates only to parts of that area none of the premises in which is served by the existing appointee; or
- (c) the appointment or variation is made in such circumstances as may be set out for the purposes of this paragraph in the conditions of appointment of the existing appointee.

(3) In determining whether to make an appointment or variation by virtue of subsection (2)(b) above in relation to any part of an existing area, the Secretary of State or, as the case may be, the Director shall have regard, in particular, to any arrangements made or expenditure incurred by the existing appointee for the purpose of enabling premises in that part of that area to be served by the existing appointee.

(4) It shall be the duty of the Secretary of State or, as the case may be, of the Director, in making an appointment or variation to which this section applies and, where he makes such an appointment or variation, in determining what provision is to be made with respect to the fixing by the new appointee of—

- (a) charges in respect of services provided in the course of the carrying out of the functions of a water undertaker or sewerage undertaker; and

PART II

- (b) amounts of any other description which such an undertaker is authorised by or under any enactment to require any person to pay,

to ensure, so far as may be consistent with his duties under Part I of this Act, that the interests of the members and creditors of the existing appointee are not unfairly prejudiced as respects the terms on which the new appointee could accept transfers of property, rights and liabilities from the existing appointee.

(5) For the purposes of this section premises in a part of an existing area are served by the existing appointee—

- (a) in relation to an appointment or variation by virtue of which that appointee would be replaced as the water undertaker for that part of that area, if those premises—

(i) are supplied with water by means of a connection with a distribution main of the existing appointee; or

(ii) consist in a building or part of a building which is situated within thirty metres of such a main;

and

- (b) in relation to an appointment or variation by virtue of which that appointee would be replaced as the sewerage undertaker for that part of that area, if those premises—

(i) are drained by means of a relevant sewer; or

(ii) consist in a building or part of a building which is situated within thirty metres of such a sewer, not being a storm-water overflow sewer.

(6) In this section—

“distribution main” means a water main that is not a trunk main;

“existing area”, in relation to the appointment of any company to be the water undertaker or sewerage undertaker for any area or the variation of any company’s appointment as a water undertaker or sewerage undertaker, means an area for which, until the appointment or variation comes into force, another company (“the existing appointee”) holds the appointment as water undertaker or, as the case may be, sewerage undertaker;

“new appointee”, in relation to an appointment or variation to which this section applies, means the company which by virtue of the appointment or variation becomes the water undertaker or sewerage undertaker for the whole or any part of an existing area;

(a) a public sewer vested in the existing appointee;

(b) a sewer in relation to which the existing appointee has made, or is treated as having made, a declaration of vesting under section 17 of the Public Health Act 1936 (vesting declarations) which has not yet taken effect;

(c) a drain or sewer in relation to which the existing appointee has, or is treated as having, entered into an agreement under section 18 of that Act.

13.—(1) An application for an appointment or variation to which section 12 above applies shall be made in such manner as may be prescribed; and, within fourteen days after making any such application, the applicant shall—

- (a) serve notice of the application on the existing appointee and on every local authority whose area includes the whole or any part of the area to which the application relates; and
- (b) publish a copy of the notice in such manner as may be prescribed.

(2) Before making an appointment or variation to which section 12 above applies, the Secretary of State or the Director shall give notice—

- (a) stating that he proposes to make the appointment or variation;
- (b) stating the reasons why he proposes to make the appointment or variation; and
- (c) specifying the period (not being less than twenty-eight days from the date of publication of the notice) within which representations or objections with respect to the proposed appointment or variation may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

(3) A notice under subsection (2) above shall be given—

- (a) by publishing the notice in such manner as the Secretary of State or, as the case may be, the Director considers appropriate for bringing it to the attention of persons likely to be affected by the making of the proposed appointment or variation; and
- (b) by serving a copy of the notice on the existing appointee and on every local authority whose area includes the whole or any part of the area to which the proposed appointment or variation relates.

(4) Before making an appointment or variation to which section 12 above applies, the Secretary of State shall consult the Director.

(5) As soon as practicable after making an appointment or variation to which section 12 above applies, the Secretary of State or the Director shall—

- (a) serve a copy of the appointment or variation on the existing appointee; and
- (b) serve notice of the making of the appointment or variation on every local authority whose area includes the whole or any part of the area to which the appointment or variation relates.

(6) Schedule 5 to this Act shall have effect with respect to the making of transitional provision for the purposes of, or in connection with, the making of an appointment or variation to which section 12 above applies.

(7) In this section “the existing appointee”, in relation to an appointment or variation to which section 12 above applies, means the company which is the existing appointee for the purposes of that section in relation to any area to the whole or any part of which the appointment or variation relates or, where there is more than one such company, each of them.

PART II
Conditions of
appointment.

14.—(1) An appointment under this Chapter may include—

- (a) such conditions (whether or not connected with the supply of water, the provision of sewerage services or the exercise or performance of any power or duty conferred or imposed by or under any enactment on water undertakers or sewerage undertakers) as appear to the Secretary of State or, as the case may be, the Director to be requisite or expedient having regard to the duties imposed on him by Part I of this Act;
- (b) conditions for the purposes of section 12(2)(c) above; and
- (c) conditions requiring the rendering to the Secretary of State of a payment on the making of an appointment, or payments while such an appointment is in force, or both, of such amount or amounts as may be determined by or under the conditions.

(2) Without prejudice to the generality of paragraph (a) of subsection (1) above, conditions included in an appointment by virtue of that paragraph may—

- (a) require the appointed company to comply with any direction given by the Director as to such matters as are specified in the appointment or are of a description so specified;
- (b) require the appointed company, except in so far as the Director consents to the company's doing or not doing them, not to do or to do such things as are specified in the appointment, or are of a description so specified; and
- (c) provide for the reference to and determination by—
 - (i) the Secretary of State or the Director; or
 - (ii) on a reference by the Director, the Monopolies and Mergers Commission (in this Act referred to as "the Monopolies Commission"),

of such questions arising under the appointment and of such other matters, including (in the case of references to the Commission) disputes as to determinations by the Director, as are specified in the appointment or are of a description so specified.

(3) Conditions included in an appointment under this Chapter may contain provision for the conditions to cease to have effect or be modified at such times, in such manner and in such circumstances as may be specified in or determined by or under the conditions; and any provision included by virtue of this subsection in an appointment under this Chapter shall have effect in addition to the provision made by this Chapter with respect to the modification of the conditions of an appointment.

(4) Subsection (5) below applies in relation to the appointment of any company under this Chapter in pursuance of section 11(4)(a) above where provision is contained in that appointment by virtue of subsection (2) or (3) above for postponing the determination of, or of any of the terms of, the conditions of the appointment with respect to the fixing by the company of—

- (a) charges in respect of any services provided by that company in the course of the carrying out of the functions of a water undertaker; or

PART II

- (b) amounts of any other description which such an undertaker is authorised by or under any enactment to require any person to pay,

until a time after the transfer date and before the end of the financial year current on that date.

(5) Where this subsection applies in relation to a company's appointment, the conditions or terms mentioned in subsection (4) above shall not be determined in accordance with the provision so mentioned unless—

- (a) notice of the proposed determination has been served on the company;
- (b) the company has been allowed a period of at least twenty-eight days from the date of service of the notice for making representations or objections with respect to the proposed determination; and
- (c) the Secretary of State has considered any such representations or objections which have been duly made and are not withdrawn.

(6) Where any question or other matter falls to be determined by the Monopolies Commission in pursuance of a provision contained in an appointment under this Chapter—

- (a) it shall be the duty of the Director, on being required to do so by the company holding that appointment, to refer that question or matter to that Commission; and
- (b) it shall be the duty of that Commission to determine any question or other matter referred by virtue of paragraph (a) above in accordance with any regulations under subsection (7) below and with the principles which apply, by virtue of Part I of this Act, in relation to determinations under this Chapter by the Director.

(7) The Secretary of State may by regulations make such provision as he considers appropriate for regulating the procedure to be followed with respect to the reference of any question or other matter to the Monopolies Commission in pursuance of provision contained in an appointment under this Chapter; and, without prejudice to the generality of that power, any such regulations may, in relation to any such reference, apply (with or without modifications) the provisions of any enactment relating to references to that Commission under the following provisions of this Act, the Fair Trading Act 1973 or the Competition Act 1980.

1973 c. 41.
1980 c. 21.

(8) For the purposes of this Act where the same instrument contains an appointment of the same company to be both a water undertaker and a sewerage undertaker (whether or not for the same area), all the conditions included in that instrument by virtue of this section shall have effect, irrespective of their subject-matter, as conditions of both appointments.

(9) Where an instrument of appointment has been served under subsection (3) of section 11 above on any company, the coming into force of the appointment for the purposes specified in subsection (2) of that section shall not be affected by any contravention of the requirements of this Act with respect to the provision contained by way of conditions of appointment in that instrument; and if the Secretary of State considers it appropriate to do so in consequence of any legal proceedings with respect to any such provision, he may by order made by statutory instrument

PART II direct that such conditions as may be specified in the order are to be treated as included in the appointment in question until there is an opportunity for the provision to which the proceedings relate to be replaced by virtue of any of the other provisions of this Chapter.

(10) Any sums received by the Secretary of State in consequence of the provisions of any condition of an appointment under this Chapter shall be paid into the Consolidated Fund.

Modification of appointment conditions

Modification by agreement.

15.—(1) Subject to the following provisions of this section, the Director may modify the conditions of a company's appointment under this Chapter if the company consents to the modifications.

(2) Before making modifications under this section, the Director shall give notice—

- (a) stating that he proposes to make the modifications and setting out their effect;
- (b) stating the reasons why he proposes to make the modifications; and
- (c) specifying the period (not being less than twenty-eight days from the date of publication of the notice) within which representations or objections with respect to the proposed modifications may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

(3) A notice under subsection (2) above shall be given—

- (a) by publishing the notice in such manner as the Director considers appropriate for the purpose of bringing the notice to the attention of persons likely to be affected by the making of the modifications; and
- (b) by serving a copy of the notice on the company and on the Secretary of State.

(4) The Director shall not under this section make any modifications which the Secretary of State has, within the time specified in the notice under subsection (2) above, directed the Director not to make.

(5) The Secretary of State shall not give a direction under subsection (4) above in relation to any modification unless—

- (a) the modification is a modification of provision contained in the appointment for the purposes of section 12(2)(c) above;
- (b) the modification is a modification of a provision of the appointment which relates to the disposal of, or of interests or rights in or over, a company's protected land and is stated in the appointment to be a provision which cannot be modified; or
- (c) it appears to the Secretary of State that the modification should be made, if at all, under section 18 below.

Modification references to Monopolies Commission.

16.—(1) The Director may make to the Monopolies Commission a reference which is so framed as to require the Commission to investigate and report on the questions—

- (a) whether any matters which—

PART II

- (i) relate to the carrying out of any function which is a function of any company by virtue of an appointment of that company under this Chapter; and
 - (ii) are specified in the reference, operate, or may be expected to operate, against the public interest; and

- (2) The Director may, at any time, by notice given to the Monopolies Commission vary a reference under this section by adding to the matters specified in the reference or by excluding from the reference some or all of the matters so specified; and on receipt of any such notice the Commission shall give effect to the variation.
- (3) The Director may specify in a reference under this section, or a variation of such a reference, for the purpose of assisting the Monopolies Commission in carrying out the investigation on the reference—

 - (b) any modifications of the conditions of any appointment mentioned in the reference or variation by which, in his opinion, those effects could be remedied or prevented.
- (4) As soon as practicable after making a reference under this section or a variation of such a reference, the Director shall—

(3) Section 82 of the Fair Trading Act 1973 (general provisions as to reports) shall apply in relation to reports of the Monopolies Commission on references under section 16 above as it applies to reports of the Commission under that Act.

1973 c. 41.

(4) A report of the Monopolies Commission on a reference under section 16 above shall be made to the Director.

(5) Subject to subsection (6) below, the Director—

- (a) shall, on receiving such a report, send a copy of it to the company to whose appointment under this Chapter the report relates and to the Secretary of State; and
- (b) shall, not less than fourteen days after that copy is received by the Secretary of State, publish another copy of that report in such manner as he considers appropriate for bringing the report to the attention of persons likely to be affected by it.

(6) If it appears to the Secretary of State that the publication of any matter in such a report would be against the public interest or the commercial interests of any person, he may, before the end of the period of fourteen days mentioned in paragraph (b) of subsection (5) above, direct the Director to exclude that matter from every copy of the report to be published by virtue of that paragraph; and the Director shall comply with any such direction.

18.—(1) Where a report of the Monopolies Commission on a reference under section 16 above—

Modification following report.

- (a) includes conclusions to the effect that any of the matters specified in the reference operate, or may be expected to operate, against the public interest;
- (b) specifies effects adverse to the public interest which those matters have or may be expected to have;
- (c) includes conclusions to the effect that those effects could be remedied or prevented by modifications of the conditions of a company's appointment under this Chapter; and
- (d) specifies modifications by which those effects could be remedied or prevented,

the Director shall, subject to the following provisions of this section, make such modifications of the conditions of that appointment as appear to him requisite for the purpose of remedying or preventing the adverse effects specified in the report.

(2) Before making modifications under this section, the Director shall have regard to the modifications specified in the report.

PART II

(3) Before making modifications under this section, the Director shall give notice—

- (a) stating that he proposes to make the modifications and setting out their effect;
- (b) stating the reasons why he proposes to make the modifications; and
- (c) specifying the period (not being less than twenty-eight days from the date of publication of the notice) within which representations or objections with respect to the proposed modifications may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

(4) A notice under subsection (3) above shall be given—

- (a) by publishing the notice in such manner as the Director considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by the making of the modifications; and
- (b) by serving a copy of the notice on the company whose appointment it is proposed to modify.

(5) The Director shall not under this section make any modification of any provisions of a company's appointment under this Chapter which—

- (a) are contained in that appointment for the purposes of section 12(2)(c) above; or
- (b) being provisions relating to the disposal of, or of interests or rights in or over, a company's protected land, are stated in the appointment to be provisions which cannot be modified.

Modification by
order under
other
enactments.
1973 c. 41.
1980 c. 21.

19.—(1) Subject to subsection (3) below, where in the circumstances mentioned in subsection (2) below the Secretary of State by order exercises any of the powers specified in Parts I and II of Schedule 8 to the Fair Trading Act 1973 or section 10(2)(a) of the Competition Act 1980, the order may also provide for the modification of the conditions of a company's appointment under this Chapter to such extent as may appear to him to be requisite or expedient for the purpose of giving effect to or taking account of any provision made by the order.

(2) Subsection (1) above shall have effect where—

- (a) the circumstances are as mentioned in section 56(1) of the said Act of 1973 (order on report on monopoly reference) and the monopoly situation exists in relation to the carrying out of any of the functions of a water undertaker or sewerage undertaker;
- (b) the circumstances are as mentioned in section 73(1) of that Act (order on report on merger reference) and the two or more enterprises which ceased to be distinct enterprises were both engaged in carrying out functions of a water undertaker or sewerage undertaker; or
- (c) the circumstances are as mentioned in section 10(1) of the said Act of 1980 (order on report on competition reference) and the anti-competitive practice relates to the carrying out of any of the functions of a water undertaker or sewerage undertaker.

(3) No modification shall be made by virtue of this section of any provisions of a company's appointment under this Chapter which—

PART II

- (a) are contained in that appointment for the purposes of section 12(2)(c) above; or
- (b) being provisions relating to the disposal of, or of interests or rights in or over, a company's protected land, are stated in the appointment to be provisions which cannot be modified.

(4) In this section expressions which are also used in the said Act of 1973 or the said Act of 1980 have the same meanings as in that Act.

Enforcement orders

20.—(1) Subject to subsections (2) and (5) and section 21 below, where in the case of any company holding an appointment under this Chapter the Secretary of State or the Director is satisfied—

Orders for securing compliance with certain provisions.

- (a) that that company is contravening—
 - (i) any condition of the company's appointment in relation to which he is the enforcement authority; or
 - (ii) any statutory requirement which is enforceable under this section and in relation to which he is the enforcement authority;

or

- (b) that that company has contravened any such condition or requirement and is likely to do so again,

he shall by a final order make such provision as is requisite for the purpose of securing compliance with that condition or requirement.

(2) Subject to subsection (5) below, where in the case of any company holding an appointment under this Chapter—

- (a) it appears to the Secretary of State or the Director as mentioned in paragraph (a) or (b) of subsection (1) above; and
- (b) it appears to him that it is requisite that a provisional order be made,

he may (instead of taking steps towards the making of a final order) by a provisional order make such provision as appears to him requisite for the purpose of securing compliance with the condition or requirement in question.

(3) In determining for the purposes of subsection (2)(b) above whether it is requisite that a provisional order be made, the Secretary of State or, as the case may be, the Director shall have regard, in particular, to the extent to which any person is likely to sustain loss or damage in consequence of anything which, in contravention of any condition or of any statutory requirement enforceable under this section, is likely to be done, or omitted to be done, before a final order may be made.

(4) Subject to subsection (5) and section 21 below, where the Secretary of State or the Director has made a provisional order, he shall confirm it, with or without modifications, if—

- (a) he is satisfied that the company to which the order relates—
 - (i) is contravening any condition or statutory requirement in relation to which he is the enforcement authority; or

PART II

(ii) has contravened any such condition or requirement and is likely to do so again;

and

- (b) the provision made by the order (with any modifications) is requisite for the purpose of securing compliance with that condition or requirement.

(5) Neither the Secretary of State nor the Director shall be required to make a final order or provisional order in relation to any company or to confirm a provisional order so made if he is satisfied—

- (a) that the contraventions were, or the apprehended contraventions are, of a trivial nature;
- (b) that the company has given, and is complying with, an undertaking to take all such steps as it appears to him for the time being to be appropriate for the company to take for the purpose of securing or facilitating compliance with the condition or requirement in question; or
- (c) that the duties imposed on him by Part I of this Act preclude the making or, as the case may be, the confirmation of the order.

(6) Where the Secretary of State or the Director, having notified a company that he is considering the making in relation to the company of a final order or provisional order or the confirmation of a provisional order so made, is satisfied as mentioned in paragraph (a), (b) or (c) of subsection (5) above, he shall—

- (a) serve notice that he is so satisfied on the company;
- (b) publish a copy of the notice in such manner as he considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them; and
- (c) in a case where the Secretary of State is satisfied as mentioned in the said paragraph (b), serve a copy of the notice and of the undertaking given for the purposes of that paragraph on the Director;

but the requirements of the preceding provisions of this subsection shall not apply, in the case of any proposed order or confirmation in respect of a direction under section 170 below, to the extent that the Secretary of State directs that they should not be complied with in the interests of national security.

(7) A final or provisional order—

- (a) shall require the company to which it relates (according to the circumstances of the case) to do, or not to do, such things as are specified in the order or are of a description so specified;
- (b) shall take effect at such time, being the earliest practicable time, as is determined by or under the order; and
- (c) may be revoked at any time by the enforcement authority who made it.

(8) For the purposes of this section and the following provisions of this Act—

- (a) the statutory requirements which shall be enforceable under this section in relation to a company holding an appointment under this Chapter shall be—

PART II

(i) such of the requirements of section 8 or 9 above as are imposed on that company in consequence of that appointment; and

(ii) such of the requirements of any other enactment or of any subordinate legislation as are so imposed and are made so enforceable by that enactment or subordinate legislation;

(b) the Director shall be the enforcement authority in relation to the conditions of an appointment under this Chapter;

(c) the Secretary of State shall be the enforcement authority in relation to the requirements imposed by sections 8 and 9 above; and

(d) the enforcement authority in relation to each of the other statutory requirements enforceable under this section shall be the Secretary of State, the Director or either of them, according to whatever provision is made by the enactment or subordinate legislation by which the requirement is made so enforceable;

and the requirement to comply with an undertaking given for the purposes of subsection (5)(b) above shall be treated as a statutory requirement enforceable under this section by the Secretary of State or, with the consent of or in accordance with a general authorisation given by the Secretary of State, by the Director.

(9) In this section and sections 21 and 22 below—

“final order” means an order under this section other than a provisional order;

“provisional order” means an order under this section which, if not previously confirmed in accordance with subsection (4) above, will cease to have effect at the end of such period (not exceeding three months) as is determined by or under the order.

(10) Where any act or omission constitutes a contravention of a condition of an appointment under this Chapter or of a statutory requirement enforceable under this section, the only remedies for that contravention, apart from those available by virtue of this section, shall be those for which express provision is made by or under any enactment and those that are available in respect of that act or omission otherwise than by virtue of its constituting such a contravention.

21.—(1) Before making a final order or confirming a provisional order, the Secretary of State or the Director shall give notice—

Procedural requirements.

(a) stating that he proposes to make or confirm the order and setting out the effect of the order;

(b) setting out—

(i) the condition or requirement for the purpose of securing compliance with which the order is to be made or confirmed;

(ii) the acts or omissions which, in his opinion, constitute or would constitute contraventions of that condition or requirement; and

(iii) the other facts which, in his opinion, justify the making or confirmation of the order;

and

PART II

(c) specifying the period (not being less than twenty-eight days from the date of publication of the notice) within which representations or objections with respect to the proposed order or proposed confirmation may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

(2) A notice under subsection (1) above shall be given—

- (a) by publishing the notice in such manner as the Secretary of State or, as the case may be, the Director considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them; and
- (b) by serving a copy of the notice, and a copy of the proposed order or of the order proposed to be confirmed, on the company to which the order relates and, where the notice is given by the Secretary of State, on the Director.

(3) Neither the Secretary of State nor the Director shall make a final order with modifications, or confirm a provisional order with modifications, except—

- (a) with the consent to the modifications of the company to which the order relates; or
- (b) after complying with the requirements of subsection (4) below.

(4) The requirements mentioned in subsection (3) above are that the Secretary of State or, as the case may be, the Director shall—

- (a) serve on the company to which the order relates such notice as appears to him to be requisite of his proposal to make or confirm the order with modifications;
- (b) in that notice specify the period (not being less than twenty-eight days from the date of the service of the notice) within which representations or objections with respect to the proposed modifications may be made; and
- (c) consider any representations or objections which are duly made and not withdrawn.

(5) As soon as practicable after making a final order or making or confirming a provisional order, the Secretary of State or, as the case may be, the Director shall—

- (a) serve a copy of the order on the company to which the order relates and, where this subsection applies in the case of an order made or confirmed by Secretary of State, on the Director; and
- (b) publish such a copy in such manner as he considers appropriate for the purpose of bringing the order to the attention of persons likely to be affected by it.

(6) Before revoking a final order or a provisional order which has been confirmed, the Secretary of State or the Director shall give notice—

- (a) stating that he proposes to revoke the order and setting out its effect; and

PART II

- (b) specifying the period (not being less than twenty-eight days from the date of publication of the notice) within which representations or objections with respect to the proposed revocation may be made,

and shall consider any representations or objections which are duly made and not withdrawn.

(7) If, after giving a notice under subsection (6) above, the Secretary of State or the Director decides not to revoke the order to which the notice relates, he shall give notice of that decision.

(8) A notice under subsection (6) or (7) above shall be given—

- (a) by publishing the notice in such manner as the Secretary of State or, as the case may be, the Director considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them; and
- (b) by serving a copy of the notice on the company to which the order relates and, where the notice is given by the Secretary of State, on the Director.

(9) The requirements of the preceding provisions of this section shall not apply, in the case of any order in respect of a contravention of a direction under section 170 below, to the extent that the Secretary of State directs that they should not be complied with in the interests of national security.

22.—(1) If the company to which a final or provisional order relates is aggrieved by the order and desires to question its validity on the ground— **Validity and effect of orders.**

- (a) that its making or confirmation was not within the powers of section 20 above; or
- (b) that any of the requirements of section 21 above have not been complied with in relation to it,

the company may, within forty-two days from the date of service on it of a copy of the order, make an application to the High Court under this section.

(2) On any such application the High Court may, if satisfied that the making or confirmation of the order was not within those powers or that the interests of the company have been substantially prejudiced by a failure to comply with those requirements, quash the order or any provision of the order.

(3) Except as provided by this section, the validity of a final or provisional order shall not be questioned in any legal proceedings whatsoever.

(4) The obligation to comply with a final or provisional order shall be a duty owed to any person who may be affected by a contravention of the order.

(5) Where a duty is owed by virtue of subsection (4) above to any person any breach of the duty which causes that person to sustain loss or damage shall be actionable at the suit of that person.

PART II

(6) In any proceedings brought against any company in pursuance of subsection (5) above, other than proceedings in respect of so much of a contravention of any order as consists in a breach of the duty imposed by virtue of section 52(1)(a) below, it shall be a defence for the company to show that it took all reasonable steps and exercised all due diligence to avoid contravening the order.

(7) Without prejudice to any right which any person may have by virtue of subsection (5) above to bring civil proceedings in respect of any contravention or apprehended contravention of a final or provisional order, compliance with any such order shall be enforceable by civil proceedings by the relevant enforcement authority for an injunction or for any other appropriate relief.

(8) In subsection (7) above “the relevant enforcement authority”, in relation to any final or provisional order, means the Secretary of State or the Director or either of them according to who is the enforcement authority in relation to the condition or requirement compliance with which was to be secured by the order.

Special administration orders

Special
administration
orders in
relation to water
or sewerage
undertakers.

23.—(1) If, on an application made to the High Court by petition presented—

(a) by the Secretary of State; or

(b) with the consent of the Secretary of State, by the Director,

that Court is satisfied in relation to any company which holds an appointment under this Chapter that any one or more of the grounds specified in subsection (4) below is satisfied in relation to that company, that Court may make an order under this section.

(2) An order under this section is an order directing that, during the period for which the order is in force, the affairs, business and property of the company shall be managed, by a person appointed by the High Court, for the achievement of the purposes of the order and in a manner which protects the respective interests of the members and creditors of the company.

(3) The purposes of an order made under this section in relation to a company holding an appointment under this Chapter shall be—

(a) the transfer to another company, or (as respects different parts of the company’s area or different parts of its undertaking) to two or more different companies, as a going concern, of so much of the company’s undertaking as it is necessary to transfer in order to ensure that the functions which have been vested in the company by virtue of its appointment may be properly carried out; and

(b) the carrying out of those functions pending the making of the transfer and the vesting of those functions in the other company or companies (whether by virtue of the transfer or of an appointment or variation to which section 12 above applies).

(4) The grounds mentioned in subsection (1) above are, in relation to any company—

(a) that there has been, is or is likely to be such a contravention by the company of a requirement imposed on the company by section 37 or 67 below, not being a contravention in respect of

PART II

which a notice has been served under subsection (6) of section 20 above, as is serious enough to make it inappropriate for the company to continue to hold its appointment;

- (b) that there has been, is or is likely to be such a contravention by the company of the provisions of any final order or provisional order under section 20 above, being an order which—
 - (i) is not for the time being the subject-matter of proceedings brought by virtue of section 22(1) above; and
 - (ii) if it is a provisional order, has been confirmed,
 as is serious enough to make it inappropriate for the company to continue to hold its appointment;
- (c) that the company is or is likely to be unable to pay its debts;
- (d) that, in a case in which the Secretary of State has certified that it would be appropriate, but for section 24 below, for him to petition for the winding up of the company under section 440 of the Companies Act 1985 (petition by the Secretary of State following inspectors' report etc.), it would be just and equitable, as mentioned in that section, for the company to be wound up if it did not hold an appointment under this Chapter; or
- (e) that the company is unable or unwilling adequately to participate in arrangements certified by the Secretary of State or the Director to be necessary by reason of, or in connection with, a proposal for the making by virtue of subsection (2)(c) of section 12 above of any appointment or variation to which that section applies.

1985 c. 6.

(5) Notice of the petition for an order under this section shall be given forthwith to such persons and in such manner as may be prescribed by rules made under section 411 of the Insolvency Act 1986; and no such petition shall be withdrawn except with the leave of the High Court.

1986 c. 45.

(6) Subsections (4) and (5) of section 9 of the said Act of 1986 (powers on application for administration order) shall apply on the hearing of the petition for an order under this section in relation to any company as they apply on the hearing of a petition for an administration order.

(7) Subsections (1), (2) and (4) of section 10 of the said Act of 1986 (effect of petition) shall apply in the case of a petition for an order under this section in relation to any company as if—

- (a) the reference in subsection (1) to an administration order were a reference to an order under this section;
- (b) paragraph (b) of that subsection did require the leave of the court for the taking of any of the steps mentioned in paragraphs (b) and (c) of subsection (2) (appointment of, and exercise of functions by, administrative receiver); and
- (c) the reference in paragraph (c) of subsection (1) to proceedings included a reference to any proceedings under or for the purposes of section 20 above.

(8) Schedule 6 to this Act shall have effect with respect to orders under this section and Schedule 5 to this Act shall have effect with respect to the making of transitional provision for the purposes of an order under this section.

PART II

1986 c. 45.

(9) In this section and section 24 below—

“business” and “property” have the same meanings as in the Insolvency Act 1986;

“security” has the same meaning as in Parts I to VII of that Act;

and for the purposes of this section a company is unable to pay its debts if it is a limited company which is deemed to be so unable under section 123 of the Insolvency Act 1986 (definition of inability to pay debts) or if it is an unregistered company which is deemed, by virtue of any of sections 222 to 224 of that Act, to be so unable for the purposes of section 221 of that Act (winding up of unregistered companies).

Restriction on winding-up etc. of water or sewerage undertaker.

24.—(1) Where a company holds an appointment under this Chapter—

- (a) the company shall not be wound up voluntarily;
- (b) no administration order shall be made in relation to the company under Part II of the Insolvency Act 1986; and
- (c) no step shall be taken by any person to enforce any security over the company’s property except where that person has served fourteen days’ notice of his intention to take that step on the Secretary of State and on the Director.

(2) On an application made to any court for the winding up of a company which holds an appointment under this Chapter—

- (a) the court shall not make a winding-up order in relation to the company; but
- (b) if the court is satisfied that it would be appropriate to make such an order if the company were not a company holding such an appointment, it shall, instead, make an order under section 23 above in relation to the company.

Government financial assistance where special administration orders made.

25.—(1) Where a special administration order is for the time being in force in relation to a company, the Secretary of State, may, with the consent of the Treasury—

- (a) make to the company grants or loans of such sums as appear to him to be appropriate for the purpose of facilitating the achievement of the purposes of the order;
- (b) agree to indemnify the person appointed to achieve the purposes of the order in respect of liabilities incurred and loss or damage sustained by that person in connection with the carrying out of his functions under the order.

(2) The Secretary of State may, with the consent of the Treasury, guarantee, in such manner and on such conditions as he may think fit, the repayment of the principal of, the payment of interest on and the discharge of any other financial obligation in connection with any sum which is borrowed from any person by a company in relation to which a special administration order is in force at the time when the guarantee is given.

PART II

(3) Without prejudice to any provision applied in relation to the company by Schedule 6 to this Act—

(a) the terms and conditions on which a grant is made to any company under this section may require the whole or part of the grant to be repaid to the Secretary of State if there is a contravention of the other terms and conditions on which the grant is made; and

(b) any loans which the Secretary of State makes to a company under this section shall be repaid to him at such times and by such methods, and interest thereon shall be paid to him at such rates and at such times, as he may, with the consent of the Treasury, from time to time direct.

(4) Any grant or loan made under this section and any sums required to be paid by the Secretary of State in respect of an indemnity given under this section shall be paid out of money provided by Parliament.

(5) Any sums received under subsection (3) above by the Secretary of State shall be paid into the Consolidated Fund.

(6) In this section “special administration order” means an order under section 23 above (whether made by virtue of that section or section 24 above).

Review of certain matters and investigation of complaints

26.—(1) It shall be the duty of the Director, so far as it appears to him practicable from time to time to do so, to keep under review the carrying on both in England and Wales and elsewhere of activities connected with the matters in relation to which water undertakers or sewerage undertakers carry out functions.

Director's duty to keep matters under review and to consider certain matters.

(2) It shall also be the duty of the Director, so far as it appears to him practicable from time to time to do so, to collect information with respect to—

- (a) the carrying out by companies appointed under this Chapter of the functions of water undertakers or sewerage undertakers; or
- (b) any such company,

with a view to his becoming aware of, and ascertaining the circumstances relating to, matters with respect to which any power or duty is conferred or imposed on him by or under any enactment.

(3) The Secretary of State may give general directions indicating—

- (a) considerations to which the Director should have particular regard in determining the order of priority in which matters are to be brought under review in performing his duty under subsection (1) or (2) above; and
- (b) considerations to which, in cases where it appears to the Director that any of his powers under this Part are exercisable, he should have particular regard in determining whether to exercise those powers;

and it shall be the duty of the Director to comply with any such directions.

(4) It shall be the duty of the Director, where either he considers it expedient or he is requested by the Secretary of State or the Director General of Fair Trading to do so, to give information, advice and assistance to the Secretary of State or that Director with respect to any

PART II matter relating to the functions of water undertakers or sewerage undertakers or the carrying out of any such functions by a company holding an appointment under this Chapter.

Protection of
customer
interests.

27.—(1) It shall be the duty of a customer service committee—

- (a) to keep under review all matters appearing to the committee to affect the interests of the persons who are customers or potential customers of the companies allocated to the committee, to consult each company so allocated about such of those matters as appear to affect the interests of the customers or potential customers of that company and to make to a company so allocated all such representations about any such matter as the committee considers appropriate;
- (b) subject to paragraph (c) below, to investigate any complaint which—
 - (i) is made to the committee by any person who is a customer or potential customer of a company so allocated or is referred to the committee by the Director under subsection (2) below;
 - (ii) does not appear to the committee to be vexatious or frivolous; and
 - (iii) relates to the carrying out by that company of any of the functions of a water undertaker or sewerage undertaker;
- (c) to refer to the Director every complaint which is made to the committee by any person in relation to a company allocated to the committee and consists in or amounts to a complaint which the Director would be required to investigate under section 162 below or an assertion that the company is contravening or has contravened—
 - (i) any condition of the company's appointment under this Chapter; or
 - (ii) any statutory or other requirement enforceable under section 20 above;
- (d) where the committee considers it appropriate to do so in connection with any such complaint as is mentioned in paragraph (b) above, to make representations on behalf of the complainant to the company in question about any matter to which the complaint relates or which appears to the committee to be relevant to the subject-matter of the complaint; and
- (e) to refer to the Director or, as the case may be, back to the Director any such complaint as is so mentioned which the committee is unable to resolve.

(2) It shall be the duty of the Director—

- (a) to consider whether any complaint which—
 - (i) is made to him by a customer or potential customer of a company allocated to a customer service committee; and
 - (ii) does not consist in or amount to a complaint which he is required to investigate under section 162 below or such an assertion as is mentioned in subsection (1)(c) above,
 should be referred to that committee instead of being dealt with by him;

PART II

- (b) to consider whether any complaint which does consist in or amount to such an assertion and is either made to him by such a customer or potential customer or is referred to him by such a committee should be referred by him to the Secretary of State;
- (c) to consider any such complaint as is mentioned in paragraph (b) above which is not referred by him to the Secretary of State;
- (d) to consider any complaint referred to him by virtue of subsection (1)(e) above;
- (e) to consider any complaint made to him by a customer or potential customer of a company allocated to a customer service committee that the committee has failed to perform any duty imposed on it by subsection (1) above; and
- (f) to take such steps in consequence of his consideration of any matter falling within any of paragraphs (a) to (e) above (including in a case falling within paragraph (d) or (e) above any step which could have been taken by the committee) as he considers appropriate.

(3) The only remedy for a breach by a customer service committee of a duty imposed on it by subsection (1) above shall be the making of such a complaint to the Director as is mentioned in subsection (2)(e) above.

(4) It shall be the duty of the Director to make such arrangements as he considers appropriate for facilitating the provision by one customer service committee to another of any such information as that other committee may require for any purpose relating to the carrying out of its functions.

Provisions with respect to competition

28.—(1) If and to the extent that he is requested by the Director General of Fair Trading to do so, it shall be the duty of the Director to exercise the functions of that Director under Part III of the Fair Trading Act 1973 so far as relating to courses of conduct which are or may be detrimental to the interests of persons who are consumers in relation to the supply of water by water undertakers or the provision of sewerage services by sewerage undertakers, whether those interests are economic or interests in respect of health, safety or other matters; and references in that Part to that Director shall be construed accordingly.

Functions of Director with respect to competition. 1973 c. 41.

(2) There are hereby transferred to the Director (so as to be exercisable concurrently with the Director General of Fair Trading)—

- (a) the functions of that Director under sections 44 and 45 of the Fair Trading Act 1973; and
- (b) the functions of that Director under sections 50, 52, 53, 86 and 88 of that Act,

so far as relating to monopoly situations which exist or may exist in relation to commercial activities connected with the supply of water or the provision of sewerage services; and references in Part IV and sections 86, 88 and 133 of that Act to that Director shall be construed accordingly.

1980 c. 21.

PART II competition in connection with the supply of water or securing a supply of water or with the provision or securing of sewerage services; and references in those sections and in section 19 of that Act to that Director shall be construed accordingly.

(4) Before either Director first exercises in relation to any matter functions transferred by any of the following provisions, namely—

- (a) paragraph (a) of subsection (2) above;
- (b) paragraph (b) of that subsection; and
- (c) subsection (3) above,

he shall consult the other Director; and neither Director shall exercise in relation to any matter functions transferred by any of those provisions if functions transferred by that provision have been exercised in relation to that matter by the other Director.

(5) It shall be the duty of the Director, for the purpose of assisting the Monopolies Commission in carrying out an investigation on a reference made to them by the Director by virtue of subsection (2) or (3) above, to give to the Commission—

- (a) any information which is in his possession and which relates to matters falling within the scope of the investigation, and which is either requested by the Commission for that purpose or is information which in his opinion it would be appropriate for that purpose to give to the Commission without any such request; and
- (b) any other assistance which the Commission may require, and which it is within his power to give, in relation to any such matters;

and the Commission shall, for the purposes of carrying out any such investigation, take into account any information given to them for that purpose under this subsection.

(6) If any question arises as to whether subsection (2) or (3) above applies to any particular case, that question shall be referred to and determined by the Secretary of State; and no objection shall be taken to anything done under—

- 1973 c. 41. (a) Part IV or section 86 or 88 of the Fair Trading Act 1973; or
- 1980 c. 21. (b) sections 2 to 10 of the Competition Act 1980,

by or in relation to the Director on the ground that it should have been done by or in relation to the Director General of Fair Trading.

(7) Expressions used in this section which are also used in the Fair Trading Act 1973 or the Competition Act 1980 have the same meaning as in that Act.

**Mergers of water
or sewerage
undertakings.**

29.—(1) Subject to the following provisions of this section, it shall be the duty of the Secretary of State to make a merger reference to the Monopolies Commission if it appears to him that it is or may be the fact—

- (a) that arrangements are in progress which, if carried into effect, will result in a merger of any two or more water enterprises; or
- (b) that such a merger has taken place at any time on or after 11th January 1989 otherwise than as a result of the carrying into effect of arrangements that have been the subject of a reference by virtue of paragraph (a) above.

PART II

(2) For the purposes of this section an enterprise shall be regarded as a water enterprise—

- (a) in relation to a merger on or after the transfer date, if it is carried on by a water undertaker or sewerage undertaker; and
- (b) in relation to a merger on or after 11th January 1989 and before the transfer date, if it is or was carried on by a statutory water company within the meaning of the 1973 Act or by a water authority.

(3) The Secretary of State shall not make a merger reference under this section in respect of any actual or prospective merger of two or more water enterprises if it appears to him—

- (a) that the take over from which the merger has resulted or, as the case may be, would result was initiated before 9 a.m. on 11th January 1989;
- (b) that the value of the assets taken over does not exceed or, as the case may be, would not exceed the amount for the time being specified in section 64(1)(b) of the Fair Trading Act 1973 (condition of merger reference relating to amount of assets taken over); or
- (c) that the only water enterprises already belonging to the person making the take over are enterprises each of which has assets the value of which does not exceed or, as the case may be, would not exceed that amount.

1973 c. 41.

(4) For the purposes of subsection (3) above a merger of two or more enterprises results from a take over initiated before 9 a.m. on 11th January 1989 if—

- (a) the Secretary of State or the Director General of Fair Trading was given notice before that time on that date of the material facts about the proposed arrangements or transactions resulting in the merger; or
- (b) the merger results exclusively from the acceptance of offers to acquire shares in a body corporate and those offers—
 - (i) were all made before that time on that date; or
 - (ii) in so far as they were not so made, consist in offers made, by the same person and in respect of the same shares, in substitution for offers made before that time on that date.

(5) In relation to a merger of two or more water enterprises—

- (a) the value of the assets taken over shall, for the purposes of subsection (3) above, be determined in accordance with section 67 of the Fair Trading Act 1973 by reference only to assets employed in or appropriated to a water enterprise; and
- (b) the value of the assets of a water enterprise belonging to the person making the take over shall be taken for those purposes to be the value of such assets employed in or appropriated to that enterprise as by virtue of the exceptions in paragraph (a) of subsection (2) of that section are disregarded in determining the value of the assets taken over;

and paragraph (b) of that subsection shall apply for determining the value of the assets referred to in paragraph (b) above as it applies in relation to the assets taken over.

PART II

(6) For the purposes of subsections (3) and (5) above and of any determination in accordance with those subsections—

- (a) the assets treated as employed in or appropriated to a water enterprise carried on by a company holding an appointment under this Chapter, a statutory water company within the meaning of the 1973 Act or a water authority shall include all the assets for the time being of that company or authority;
- (b) every water enterprise any of whose assets fall to be disregarded as mentioned in subsection (5)(b) above shall be treated as belonging to the person making the take over;
- (c) the enterprises mentioned in paragraph (b) above shall be treated as separate enterprises in so far as they are carried on by different companies holding appointments under this Chapter or, in relation to any time before the transfer date, by different statutory water companies; and

1973 c. 41.

- (d) subsections (3) and (4) of section 67 of the Fair Trading Act 1973 (assets treated as appropriated to an enterprise and mergers over a period) shall apply as they apply for the purposes of, and of any determination in accordance with, subsection (2) of that section.

(7) The Secretary of State shall not make a reference under this section in relation to the merger of any two or more enterprises, or in relation to any arrangements which will or may result in such a merger, if—

- (a) the merger of those enterprises has been; or
- (b) arrangements that might result in the merger of those enterprises have been,

the subject of a merger reference made before the passing of this Act under Part V of the Fair Trading Act 1973.

(8) Nothing in this section shall prejudice any power of the Secretary of State, in a case in which he is not required to make a reference under this section, to make a merger reference under Part V of the Fair Trading Act 1973 in respect of any actual or prospective merger of two or more water enterprises.

(9) In this section and section 30 below—

- (a) “enterprise” has the meaning given for the purposes of sections 64 to 77 of the Fair Trading Act 1973 by section 63(2) of that Act; and
- (b) references, in relation to any two or more enterprises, to the merger of those enterprises are references to those enterprises ceasing, within the meaning of Part V of that Act, to be distinct enterprises;

and sections 66 and 66A of that Act (time at which enterprises cease to be distinct) shall have effect for the purposes of this section and section 30 below as they have effect for the purposes of that Part.

(10) If the Secretary of State considers that it is appropriate for subsection (3) above to have effect with a reference in paragraph (b) to a different amount, or for the condition set out in that paragraph to be modified in any other respect, he may, in relation to mergers after the coming into force of the regulations, by regulations make such modifications of that paragraph and, for that purpose, of the other provisions of this section as may be prescribed.

30.—(1) Subject to subsections (2) to (5) below, the Fair Trading Act 1973 shall have the effect in relation to any reference under section 29 above as if—

- (a) any such merger of two or more water enterprises as is required to be the subject of such a reference were a merger situation qualifying for investigation; and
- (b) a reference under that section were made under section 64 of that Act or, as the case may be, under section 75 of that Act (references in anticipation of a merger).

(2) Nothing in subsection (1) above shall have the effect in relation to any reference under section 29 above of applying—

- (a) so much of Part V of the Fair Trading Act 1973 as requires the Monopolies Commission to consider any of the matters set out in subsection (1) of section 64 of that Act; or
- (b) the provisions of sections 69(2) to (4) and 75(3) of that Act (power to restrict matters referred).

(3) In determining on a reference under section 29 above whether any matter operates, or may be expected to operate, against the public interest the Monopolies Commission—

- (a) shall have regard to the desirability of giving effect to the principle that the number of water enterprises which are under independent control should not be reduced so as to prejudice the Director's ability, in carrying out his functions by virtue of this Act, to make comparisons between different such water enterprises; and
- (b) shall have regard to the desirability of achieving any other purpose so far only as they are satisfied—
 - (i) that that other purpose can be achieved in a manner that does not conflict with that principle; or
 - (ii) that the achievement of that other purpose is of substantially greater significance in relation to the public interest than that principle and cannot be brought about except in a manner that conflicts with that principle.

(4) No order shall be made under Part V of the Fair Trading Act 1973 in consequence of any merger reference made under section 29 above in respect of an actual merger unless the reference was made within the appropriate time limit; and if on such a reference the Monopolies Commission are satisfied that the reference was not made within that time limit their report on the reference shall state that fact and nothing else.

(5) For the purposes of subsection (4) above the appropriate time limit is—

- (a) in the case of a reference in respect of a merger which took place before the passing of this Act, the period of six months beginning with the day on which this Act is passed; and
- (b) in any other case of a merger which has taken place before the reference, the period of six months beginning with whichever is the later of—
 - (i) the day on which the merger took place; and

(ii) the day on which the material facts about the transactions which resulted in the merger first came to the notice of the Secretary of State or the Director General of Fair Trading or were made public within the meaning of section 64 of the Fair Trading Act 1973.

(6) In this section "water enterprise" has the same meaning as in section 29 above; and the reference to the number of water enterprises under independent control is a reference to the number of water enterprises there would be if two or more water enterprises counted as one enterprise wherever they would be treated for the purposes of Part V of the Fair Trading Act 1973 as having ceased to be distinct enterprises.

(6) The power to make an order under subsection (4) or (5) above shall be exercisable by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament.

CHAPTER II

WATER SUPPLY

General duties of water undertakers

General duty with respect to water supply.

37.—(1) It shall be the duty of every water undertaker to develop and maintain an efficient and economical system of water supply within its area and to ensure that all such arrangements have been made—

(a) for providing supplies of water to premises in that area and for making such supplies available to persons who demand them; and

(b) for maintaining, improving and extending the water undertaker's water mains and other pipes,

as are necessary for securing that the undertaker is and continues to be able to meet its obligations under this Chapter.

(2) The duty of a water undertaker under this section shall be enforceable under section 20 above by the Secretary of State or, with the consent of or in accordance with a general authorisation given by the Secretary of State, by the Director.

Standards of performance in connection with water supply.

38.—(1) For the purpose—

(a) of facilitating the determination of the extent to which breaches of the obligations imposed by the following provisions of this Chapter are to amount to breaches of the duty imposed by section 37 above; or

(b) of supplementing that duty by establishing overall standards of performance in relation to that duty,

the Secretary of State may by regulations provide for contraventions of such requirements as may be prescribed to be treated for the purposes of this Act as breaches of that duty.

(2) The Secretary of State may by regulations prescribe such standards of performance in connection with the provision of supplies of water as, in his opinion, ought to be achieved in individual cases; and such regulations may provide that if a water undertaker fails to meet a prescribed standard it shall pay such amount as may be prescribed to any person who is affected by the failure and is of a prescribed description.

(3) Without prejudice to the generality of the power conferred by subsection (2) above, regulations under that subsection may—

(a) include in a standard of performance a requirement for a water undertaker, in prescribed circumstances, to inform a person of his rights by virtue of any such regulations;

PART II

- (b) provide for any dispute under the regulations to be referred by either party to the dispute to the Director;
 - (c) make provision for the procedure to be followed in connection with any such reference and for the Director's determination on such a reference to be enforceable in such manner as may be prescribed;
 - (d) prescribe circumstances in which a water undertaker is to be exempted from requirements of the regulations.
- (4) Subject to subsection (5) below, the Secretary of State shall not make any regulations under subsection (1) or (2) above unless—
- (a) the Director has made a written application to the Secretary of State which—
 - (i) sets out draft provisions proposed by the Director for inclusion in such regulations;
 - (ii) specifies the water undertaker or undertakers in relation to which it is proposed those provisions should apply; and
 - (iii) summarises the Director's reasons for his proposals;
 - (b) the Secretary of State is satisfied that a copy of the application has been served by the Director on every water undertaker specified in the application;
 - (c) the regulations contain only the provisions proposed by the Director or those provisions with such modifications as the Secretary of State considers appropriate;
 - (d) the only modifications of the Director's proposals to which effect is given by the regulations are modifications the proposal to make which has been notified to the Director and to any water undertaker appearing to the Secretary of State to be likely to be affected by the modifications;
 - (e) such period as the Secretary of State considers appropriate has been allowed for the making by the Director and by any affected water undertaker of representations or objections with respect to the Director's proposals and any modifications proposed by the Secretary of State; and
 - (f) the Secretary of State has considered both the Director's reasons for his proposals and every representation or objection which has been duly made with respect to those proposals, or any proposed modifications of those proposals, and has not been withdrawn.
- (5) Subsection (4) above shall not apply in relation to any regulations made under subsection (2) above before the transfer date.
- (6) The obligations imposed on a water undertaker by the following provisions of this Chapter and the remedies available in respect of contraventions of those obligations shall be in addition to any duty imposed or remedy available by virtue of any provision of this section or section 37 above and shall not be in any way qualified by any such provision.

PART II

Bulk supplies of water

Bulk supply
between water
undertakers.

39.—(1) Where, on the application of a water undertaker—

- (a) it appears to the Director that it is necessary or expedient for the purposes of this Chapter that another water undertaker should give a supply of water in bulk to the applicant; and
- (b) he is satisfied that the giving and taking of such a supply cannot be secured by agreement,

the Director may by order require the undertakers to give and to take such a supply for such period and on such terms and conditions as may be provided in the order.

(2) An order under this section shall have effect as an agreement between the water undertakers in question but may be varied or revoked by a subsequent order made by the Director on the application of either of those undertakers, as well as by agreement between the undertakers.

(3) The Director shall not make an order under this section which he considers affects the carrying out by the Authority of any of its functions unless he has first consulted the Authority.

(4) In determining what provision to make by an order under this section in respect of the giving of any supply by a water undertaker the Director shall have regard to the desirability of the undertaker's recovering the expenses of complying with its obligations under this section and of securing a reasonable return on its capital.

Duties to provide supplies etc.

Requisitioning
of water mains.

40.—(1) It shall be the duty of a water undertaker to provide a water main to be used for providing such supplies of water to premises in a particular locality in its area as (so far as those premises are concerned) are sufficient for domestic purposes, if—

- (a) the undertaker is required to provide the main by a notice served on the undertaker by one or more of the persons who under subsection (2) below are entitled to require the provision of the main for that locality;
 - (b) the premises in that locality to which those supplies would be provided by means of that main are—
 - (i) premises consisting in buildings or parts of buildings; or
 - (ii) premises which will so consist when proposals made by any person for the erection of buildings or parts of buildings are carried out;
- and
- (c) the conditions specified in section 41 below are satisfied in relation to that requirement.

(2) Each of the following persons shall be entitled to require the provision of a water main for any locality, that is to say—

- (a) the owner of any premises in that locality;
- (b) the occupier of any premises in that locality;
- (c) any local authority within whose area the whole or any part of that locality is situated;
- (d) where the whole or any part of that locality is situated in a new town, within the meaning of the New Towns Act 1981—

PART II

(3) A water undertaker shall not be in breach of a duty imposed by this section in relation to any locality unless—

(a) the period of three months beginning with the relevant day has expired; and

(b) the water undertaker has not, before the end of that period, so laid the water main to be provided as to enable service pipes to premises in that locality to connect with the main at the places determined under subsection (4) below;

and for the purposes of this subsection the period mentioned in paragraph (a) above may be extended by agreement between the undertaker and the person or persons who required the provision of the water main or, where there is a dispute as to whether the period should be extended, by an arbitrator on a reference under subsection (5) below.

(4) The places mentioned in subsection (3)(b) above shall be determined by agreement between the water undertaker and the person or persons who required the provision of the water main or, in default of agreement, shall be such places as are determined by an arbitrator, on a reference under subsection (5) below, to be the places at which it is reasonable, in all the circumstances, for service pipes to premises in the locality in question to connect with the water main.

(5) A reference for the purposes of subsection (3) or (4) above shall be to a single arbitrator appointed by agreement between the undertaker and the person or persons who required the provision of the water main or, in default of agreement, by the President of the Institution of Civil Engineers.

(6) The duty of a water undertaker under this section to provide a water main shall be owed to the person who requires the provision of the main or, as the case may be, to each of the persons who joins in doing so; and any breach by a water undertaker of any such duty which causes any person to whom the duty is owed to sustain loss or damage shall be actionable at the suit of that person.

(7) In any proceedings brought against a water undertaker in pursuance of subsection (6) above in respect of a breach of duty which has caused any person to sustain loss or damage it shall be a defence for the undertaker to show that it took all reasonable steps and exercised all due diligence to avoid the breach.

(8) In this section—

- (a) the day on which the conditions specified in section 41 below are satisfied in relation to the requirement; and
- (b) the day on which the places where service pipes to premises in that locality will connect with the main are determined under subsection (4) above.

Financial conditions for water main requisition.

41.—(1) The conditions mentioned in section 40(1)(c) above are satisfied in relation to a requirement for the provision of a water main by a water undertaker if—

- (a) such undertakings as the undertaker may have reasonably required in accordance with subsection (2) below have been given by the person or persons who have required the provision of the main; and
- (b) such security as the undertaker may have reasonably required has been provided for the discharge of any obligations imposed by those undertakings on any person who—
 - (i) by virtue of section 40(2)(a) or (b) above required, or joined in requiring, the provision of the main; and
 - (ii) is not a public authority.

(2) The undertakings which a water undertaker may require for the purposes of subsection (1) above in respect of any water main are undertakings which bind the person or persons mentioned in that subsection (in the case of two or more persons, either jointly and severally or with liability to pay apportioned in such manner as those persons may agree) to pay to the undertaker, in respect of each of the twelve years following the provision of the main, an amount not exceeding the relevant deficit (if any) for that year on that main.

(3) For the purposes of this section the relevant deficit for any year on a water main is the amount (if any) by which the water charges payable for the use during that year of that main are exceeded by the annual borrowing costs of a loan of the amount required for the provision of that main.

(4) The annual borrowing costs of a loan of the amount required for the provision of a water main is the aggregate amount which would fall to be paid in any year by way of payments of interest and repayments of capital if an amount equal to so much of the costs reasonably incurred in providing that main as were not incurred in the provision of additional capacity had been borrowed, by the water undertaker providing the main, on terms—

- (a) requiring interest to be paid and capital to be repaid in twelve equal annual instalments; and
- (b) providing for the amount of the interest to be calculated at such rate, and in accordance with such other provision, as may have been determined either by the undertaker with the approval of the Director or, in default of such a determination, by the Director.

PART II

(5) The costs reasonably incurred in providing a water main (“the new main”) shall include—

- (a) the costs reasonably incurred in providing such other water mains and such tanks, service reservoirs and pumping stations as it is necessary to provide in consequence of the provision of the new main; and
- (b) such proportion (if any) as is reasonable of the costs reasonably incurred in providing any such additional capacity in an earlier water main as falls to be used in consequence of the provision of the new main;

and in this subsection “earlier water main”, in relation to the new main, means any water main which has been provided in the period of twelve years immediately before the provision of the new main and was so provided in pursuance of a requirement under section 40 above, under the provisions of section 36 or 37 of the 1945 Act or of section 29 of Schedule 3 to that Act (water main requisitions) or under any local statutory provision corresponding to section 40 above or to any of those provisions of the 1945 Act.

(6) Any reference in this section to the provision of additional capacity in a water main provided in pursuance of a requirement under any enactment is a reference to such works carried out or other things done in connection with the provision of that main as are carried out or done for the purpose of enabling that main to be used for purposes in addition to those for which it is necessary to provide the main in order to comply with the requirement.

(7) For the purposes of this section references to the water charges payable for the use during any year of any main provided by a water undertaker are references to so much of the aggregate of any charges payable to the water undertaker in respect of services provided in the course of that year as represents charges which—

- (a) have been imposed by the undertaker in relation to premises which are connected with that main; and
- (b) are reasonably attributable to the provision of a supply of water (whether or not for domestic purposes) to those premises by means of that main.

(8) Where for the purposes of subsection (1)(b) above any sums have been deposited with a water undertaker by way of security for the discharge of any obligation, the undertaker shall pay interest at such rate as may be determined either—

- (a) by the undertaker with the approval of the Director; or
- (b) in default of a determination under paragraph (a) above, by the Director,

on every sum of 50p so deposited for every three months during which it remains in the hands of the undertaker.

(9) An approval or determination given or made by the Director for the purposes of subsection (4) or (8) above—

- (a) may be given or made in relation to the provision of a particular water main, in relation to the provision of mains of a particular description or in relation to the provision of water mains generally; and

PART II

(b) may be revoked at any time except, in the case of an approval or determination for the purposes of subsection (4) above, in relation to a water main that has already been provided.

(10) Any dispute between a water undertaker and any other person as to—

- (a) the undertakings or security required by the undertaker for the purposes of this section; or
- (b) the amount required to be paid in pursuance of any such undertaking,

shall be referred to the arbitration of a single arbitrator appointed by agreement between the undertaker and that person or, in default of agreement, by the President of the Institution of Civil Engineers.

Duty to make connections to water mains.

42.—(1) This section applies where the owner or occupier of any premises which are situated in the area of a water undertaker and are premises which consist in the whole or any part of a building or premises on which any person is proposing to erect any building or part of a building serves a notice on the undertaker which—

- (a) requires the undertaker, for the purpose of providing a supply of water for domestic purposes to that building or part, to connect a service pipe to those premises with one of the undertaker's water mains; and
- (b) is accompanied or supplemented by all such information as the undertaker may reasonably require and, if it has effect so that a requirement is imposed on the undertaker by virtue of subsection (3)(c) below, sets out the matters that have given rise to the imposition of that requirement;

and this section applies where a notice has been served for the purposes of this section whether or not the service pipe to which the notice relates has been laid when the notice is served.

(2) Subject to the following provisions of this section and to section 44 below, it shall be the duty of a water undertaker on whom a notice is served for the purposes of this section, at the expense of the person serving the notice, to make the required connection if—

- (a) the main with which the service pipe is required to be connected is neither a trunk main nor a water main which is or is to be used solely for the purpose of supplying water otherwise than for domestic purposes; and
- (b) such conditions as the undertaker may have imposed under section 43 below have been satisfied.

(3) Where a water undertaker is required to make a connection under subsection (2) above, it shall be the duty of the undertaker, at the expense of the person serving the notice, to carry out such of the following works as need to be carried out before the connection in question can be made, that is to say—

- (a) to lay so much of the service pipe as it is necessary, for the purpose of making a connection with the main, to lay in a street;
- (b) in a case where—
 - (i) the water main in question is situated in a street;

PART II

(ii) the premises consisting in the building or part of a building in question together with any land occupied with it abut on the part of the street where the main is situated; and

(iii) the service pipe to those premises will enter the premises otherwise than through an outer wall of a building abutting on the street and will have a stopcock fitted by the undertaker in the premises,

to lay so much of the service pipe as it is necessary for that purpose to lay in land between the boundary of the street and that stopcock;

(c) in a case where the notice for the purposes of this section is served in compliance with a requirement imposed by a notice served by a local authority under section 57 below, to lay so much of the service pipe as it is necessary for that purpose to lay in land owned or occupied by a person who is certified by that authority—

(i) to have unreasonably refused his consent to the laying of the service pipe; or

(ii) to have sought to make the giving of his consent subject to unreasonable conditions;

and it shall be the duty of any water undertaker making a connection under this section to ensure that a stopcock belonging to the undertaker is fitted to the service pipe which is connected.

(4) Where a water main is alongside a street and within eighteen metres of the middle of that street, subsection (3) above shall have effect in relation to the laying, for the purpose of making a connection with that main, of a service pipe to any premises as if the street included so much of the land between the main and the boundary of the street as is not comprised in those premises or in any land occupied with those premises.

(5) Subject to section 44(6) below, a water undertaker may comply with any duty under this section to lay a service pipe by laying a water main instead; but nothing in this section shall impose any duty on a water undertaker—

(a) to lay a water main where it has no power to lay a service pipe; or

(b) to connect a service pipe to any premises with a service pipe to other premises.

(6) Where a notice under this section is served in respect of any premises before the laying of so much of the service pipe to those premises as falls to be laid otherwise than by the water undertaker under subsection (3) above, the duties of the undertaker under this section shall not arise by virtue of that notice until the person serving the notice, having obtained the necessary consents from the owners and occupiers of any affected land, has, at his own expense, laid so much of the service pipe as it is necessary, for the purpose of making the connection, to lay otherwise than in a street or in land mentioned in subsection (3)(b) or (c) or (4) above.

43.—(1) Subject to the following provisions of this section and without prejudice to the provisions of sections 233 and 372 of the Insolvency Act 1986 (conditions of supply after insolvency), where the owner or occupier of any premises serves a notice on a water undertaker under section 42

Conditions of connection to water main. 1986 c. 45.

PART II above, the undertaker may make any one or more of the following a condition of complying with the duties to which it is subject by virtue of that notice, that is to say—

- (a) that such security as the undertaker may reasonably require has been provided for the discharge of any obligations imposed by virtue of section 44(5) below on the person serving the notice;
- (b) in a case where the connection required by the notice is necessary as a consequence of a disconnection made by reason of any person's failure to pay any charges, that the person serving the notice has paid any amount owed by him to the undertaker in respect of a supply of water to those premises or in respect of expenses incurred in the making of the disconnection;
- (c) that a meter for use in determining the amount of any charges which have been or may be fixed in relation to those premises by reference to volume has been installed and connected either by the undertaker or in accordance with specifications approved by the undertaker;
- (d) that so much of the service pipe to the premises as does not belong to, or fall to be laid by, the undertaker and the plumbing of the premises comply with specifications approved by the undertaker for the purpose of ensuring that it will be reasonably practicable for such a meter to be so installed and connected;
- (e) that a separate service pipe has been provided to each house or building on the premises or, where different parts of a building on the premises are separately occupied, to each of those parts or to any of them;
- (f) that such a requirement as may be imposed under subsection (5) of section 51 below has been complied with or, in a case where such a requirement could be imposed but for there already being such a cistern as is mentioned in that subsection, that the cistern and its float-operated valve are in good repair;
- (g) that there is no contravention in relation to the water fittings used or to be used in connection with the supply of water to those premises, or with the use of water in those premises, of such of the requirements of regulations under section 62 below as are prescribed for the purposes of this paragraph; and
- (h) that every such step has been taken as has been specified in any notice served under section 63 below in relation to those premises on any person.

(2) A condition shall not be imposed by an undertaker under this section on a person who has served a notice under section 42 above except by a counter-notice served on that person before the end of the period of fourteen days beginning with the day after the service of the notice under that section.

(3) Where for the purposes of subsection (1)(a) above any sums have been deposited with a water undertaker by way of security for the discharge of any obligation, the undertaker shall pay interest at such rate as may be determined either—

- (a) by the undertaker with the approval of the Director; or

(b) in default of a determination under paragraph (a) above, by the Director,

on every sum of 50p so deposited for every three months during which it remains in the hands of the undertaker; and an approval or determination by the Director for the purposes of this subsection may be given or made in relation to a particular case or description of cases or generally and may be revoked at any time.

(4) The power conferred on a water undertaker by virtue of paragraphs (c) and (d) of subsection (1) above shall be exercisable in relation to any premises even if the undertaker has no immediate intention, when the power is exercised, of fixing charges in relation to those premises by reference to volume, but shall not be exercisable so as to require the alteration or removal of any pipe laid or plumbing installed before 1st April 1989.

(5) Specifications approved by any water undertaker for the purposes of either of the said paragraphs (c) and (d) may be approved in relation to particular premises or, by being published in such manner as the undertaker considers appropriate, in relation to premises generally or to any description of premises.

(6) Any dispute between a water undertaker and any other person as to the terms of any condition imposed by virtue of either of the said paragraphs (c) and (d) shall be referred to the arbitration of a single arbitrator appointed by agreement between the undertaker and that person or, in default of agreement, by the Secretary of State.

(7) Where the effect of a notice served on a water undertaker under section 42 above in respect of any house is to require a service pipe to that house to be connected with a water main with which it has previously been connected, the undertaker shall not be entitled to make the reconnection subject to any such condition as is mentioned in paragraph (e) of subsection (1) above unless the undertaker would have been entitled under section 50 below to require the provision of a separate service pipe if the reconnection had already been made.

(8) In this section "meter" means any apparatus for measuring or showing the volume of water supplied to, or of effluent discharged from, any premises; and any reference in this section to the fixing of charges in relation to any premises by reference to volume is a reference to the fixing of those charges by reference to the volume of water supplied to those premises, to the volume of effluent discharged from those premises, to both of those factors or to one or both of those factors taken together with other factors.

44.—(1) Any duty imposed on a water undertaker by virtue of a notice under section 42 above shall be owed to the person who served the notice; and any breach by a water undertaker of any such duty which causes the person to whom the duty is owed to sustain loss or damage shall be actionable at the suit of that person.

Enforcement of obligations under section 42.

(2) A water undertaker shall not be in breach of a duty imposed by virtue of a notice under section 42 above unless—

- (a) in the case of a duty to lay any service pipe or to connect any service pipe to which such a duty relates, it has failed to lay that pipe or to make that connection as soon as reasonably practicable after the relevant day;

PART II

- (b) in the case of a duty to connect a service pipe the whole of which has already been laid when the notice is served on the undertaker, it has failed to make the connection before the end of the period of fourteen days beginning with the relevant day.

(3) In any case in which a water undertaker is subject to any such duty as is mentioned in subsection (2)(a) above, it shall be presumed, unless the contrary is shown in relation to that case, that the period of twenty-one days beginning with the relevant day is the period within which it is reasonably practicable for a water undertaker—

- (a) to lay so much of any service pipe; and
 (b) to fit such stopcock,

as it is necessary to lay or fit in that case for connecting a water main in a street with a service pipe at the boundary of any premises which abut on the part of the street where the main is situated.

(4) In any proceedings brought against a water undertaker in pursuance of subsection (1) above in respect of a breach of duty which has caused any person to sustain loss or damage it shall be a defence for the undertaker to show that it took all reasonable steps and exercised all due diligence to avoid the breach.

(5) Where a water undertaker carries out any works which it is its duty to carry out under section 42 above at the expense of a person who has served a notice on the undertaker, the undertaker shall be entitled to recover from that person an amount equal to the expenses reasonably incurred by the undertaker in carrying out the works.

(6) Where a water undertaker exercises its power under section 42(5) above to lay a water main instead of a service pipe—

- (a) paragraph (a) of subsection (2) above shall have effect as if any additional time reasonably required by reason of the laying of the main instead of the service pipe were included in the time allowed by that paragraph for the laying of the service pipe; but
 (b) the expenses recoverable by virtue of subsection (5) above shall not exceed such amount as it would have been reasonable for the undertaker to have incurred in laying a service pipe instead of the main.

(7) In this section “the relevant day”, in relation to a duty imposed on a water undertaker by virtue of a notice under section 42 above, means the day after whichever is the latest of the following days, that is to say—

- (a) the day on which the notice was served on the undertaker;
 (b) in a case where it is necessary for the person serving the notice to lay any service pipe after serving the notice, the day on which a notice stating that the pipe has been laid is served on the undertaker;
 (c) the day on which all such conditions are satisfied as the undertaker has, under section 43 above, made conditions of its compliance with that duty.

Duty to supply water for domestic purposes.

45.—(1) This section applies to any premises which consist in the whole or any part of a building and which are connected by means of a service pipe to a water main if—

PART II

- (a) that pipe was first connected with that main in pursuance of a notice served under section 42 above in respect of those premises;
- (b) that pipe was the means by which a supply of water from that main was being supplied to those premises for domestic purposes immediately before the transfer date;
- (c) the condition specified in paragraph (b) above would be satisfied in relation to the premises if any service pipe to those premises had not been temporarily disconnected for the purposes of any necessary works which were being carried out immediately before the transfer date; or
- (d) the condition specified in any of the preceding paragraphs—
 - (i) has been satisfied in relation to those premises at any time on or after the transfer date; and
 - (ii) would continue to be satisfied in relation to those premises had not the whole or any part of a service pipe to those premises, or the main with which such a pipe had been connected, been renewed (on one or more previous occasions).

(2) Subject to the following provisions of this section, a water undertaker shall owe a domestic supply duty in relation to any premises to which this section applies and which are situated in the area of the undertaker if—

- (a) a demand for a supply of water for domestic purposes has been made to the undertaker in respect of those premises—
 - (i) by the person who was the occupier of the premises at the time when the demand was made; or
 - (ii) by any person who was the owner of the premises at that time and agreed with the undertaker to pay all the undertaker's charges in respect of the supply demanded;

or

(b) those premises are premises to which this section applies by reason of a supply of water provided before the transfer date, and there has been no interruption of the domestic supply duty in relation to those premises since that demand was made or, as the case may be, since the beginning of the transfer date.

(3) Where a water undertaker owes a domestic supply duty in relation to any premises, it shall be the duty of that undertaker, until there is an interruption of that duty—

- (a) to provide to those premises such a supply of water as (so far as those premises are concerned) is sufficient for domestic purposes; and
- (b) to maintain the connection between the undertaker's water main and the service pipe by which that supply is provided to those premises.

(4) For the purposes of this section—

- (a) there is an interruption of the domestic supply duty owed by a water undertaker in relation to any premises if that supply is cut off by anything done by the undertaker in exercise of any power

PART II

conferred on the undertaker by section 49 or 63 below, other than a disconnection or cutting off for the purposes of the carrying out of any necessary works; and

- (b) a domestic supply duty owed in relation to any premises shall not be treated for the purposes of this section as interrupted by reason only of a change of the occupier or owner of the premises.

(5) Nothing in this section shall impose any duty on a water undertaker—

- (a) to provide a supply of water directly from, or maintain any connection with, a water main which is a trunk main or is or is to be used solely for the purpose of supplying water otherwise than for domestic purposes; or
- (b) to provide a supply of water to any premises, or maintain the connection between a water main and a service pipe to any premises, during any period during which it is reasonable for the supply of water to those premises to be cut off or reduced, or for the pipe to be disconnected, for the purposes of the carrying out of any necessary works.

1986 c. 45.

(6) Without prejudice to the provisions of sections 233 and 372 of the Insolvency Act 1986 (conditions of supply after insolvency), where a demand for the purposes of subsection (2) above has been made to a water undertaker in respect of any premises, the undertaker may make any one or more of the following a condition of providing his first supply of water in compliance with that demand, that is to say—

- (a) in a case where the demand is made as a consequence of a supply having been cut off by reason of any person's failure to pay any charges, that the person serving the notice has paid any amount owed by him to the undertaker in respect of a supply of water to those premises or in respect of expenses incurred in cutting off any such supply;
- (b) that such a requirement as may be imposed under subsection (5) of section 51 below has been complied with or, in a case where such a requirement could be imposed but for there already being such a cistern as is mentioned in that subsection, that the cistern and its float-operated valve are in good repair;
- (c) that there is no contravention in relation to the water fittings used or to be used in connection with the supply of water to those premises, or with the use of water in those premises, of such of the requirements of regulations under section 62 below as are prescribed for the purposes of this paragraph; and
- (d) that every such step has been taken as has been specified in any notice served under section 63 below in relation to those premises on any person.

(7) Any duty imposed on a water undertaker under this section to provide a supply of water to any premises, or to maintain a connection between a water main and a service pipe by which such a supply is provided, shall be owed to the consumer; and any breach by a water undertaker of any duty imposed by this section which causes any person to whom the duty is owed to sustain loss or damage shall be actionable at the suit of that person.

(8) In any proceedings brought against a water undertaker in pursuance of subsection (7) above in respect of a breach of duty which has caused any person to sustain loss or damage it shall be a defence for the undertaker to show that it took all reasonable steps and exercised all due diligence to avoid the breach.

PART II

46.—(1) This section applies where the owner or occupier of any premises in the area of a water undertaker requests the undertaker to provide a supply of water to those premises and—

Supply of water for non-domestic purposes.

- (a) the premises are premises which do not consist in the whole or any part of a building; or
- (b) the requested supply is for purposes other than domestic purposes.

(2) Subject to the following provisions of this section and to sections 49 and 63 below, where this section applies, it shall be the duty of the undertaker, in accordance with such terms and conditions as may be determined under this section—

- (a) to take any such steps as may be so determined in order to enable the undertaker to provide the requested supply; and
- (b) having taken any such steps, to provide that supply.

(3) A water undertaker shall not be required by virtue of this section to provide a new supply to any premises, or to take any steps to enable it to provide such a supply, if—

- (a) the provision of that supply or the taking of those steps would—
 - (i) require the undertaker, in order to meet all its existing obligations to supply water for domestic or other purposes, together with its probable future obligations to supply buildings and parts of buildings with water for domestic purposes, to incur unreasonable expenditure in carrying out works; or
 - (ii) otherwise put at risk the ability of the undertaker to meet any of the existing or probable future obligations mentioned in sub-paragraph (i) above;

or

- (b) there is a contravention in relation to the water fittings used or to be used in connection with the supply of water to those premises, or with the use of water in those premises, of such of the requirements of regulations under section 62 below as are prescribed for the purposes of this paragraph.

(4) Subject to subsection (5) below and without prejudice to the provisions of sections 233 and 372 of the Insolvency Act 1986 (conditions of supply after insolvency), any terms or conditions or other matter which falls to be determined for the purposes of a request made by any person to a water undertaker under subsection (2) above shall be determined by agreement between that person and the water undertaker or, in default of agreement, shall be determined by the Director according to what appears to him to be reasonable; and the Director shall also determine any dispute arising between such a person and a water undertaker by virtue of subsection (3) above.

1986 c. 45.

PART II

(5) The Director may, instead of himself making a determination under subsection (4) above, refer any matter submitted to him for determination under that subsection to the arbitration of such person as he may appoint.

(6) For the purposes of any determination under this section by the Director or any person appointed by him—

- (a) it shall be for a water undertaker to show that it should not be required to comply with a request for the purposes of subsection (2) above;
- (b) the charges in respect of a supply provided in compliance with such a request shall not be determined by the Director or such a person except in so far as at the time of the request no provision is in force by virtue of a scheme under section 76 below in respect of supplies of the applicable description; and
- (c) in so far as charges in respect of such a supply do fall to be determined they shall be determined having regard to the desirability of the undertaker's recovering the expenses of complying with its obligations under this section and of securing a reasonable return on its capital;

and, to the extent that paragraph (b) above excludes any charges from a determination under this section, those charges shall be fixed from time to time by a scheme under the said section 76 but not otherwise.

(7) Where—

- (a) a request has been made by any person to a water undertaker for the purposes of subsection (2) above; and
- (b) the steps which the undertaker is required to take by virtue of that request include steps for the purpose of obtaining any necessary authority for or agreement to any exercise by the undertaker of any of its powers or to the carrying out by the undertaker of any works,

the failure of the undertaker to acquire the necessary authority or agreement shall not affect any liability of that person, under any term or condition in accordance with which those steps are taken, to re-imburse the undertaker in respect of some or all of the expenses incurred by the undertaker in taking those steps.

(8) Nothing in this section shall impose any duty on a water undertaker to provide a supply of water to any premises during any period during which it is reasonable for the supply of water to those premises to be cut off or reduced for the purposes of the carrying out of any necessary works.

(9) The duty of a water undertaker to supply water under this section at the request of any person and any terms and conditions determined under this section in default of agreement between the undertaker and that person shall have effect as if contained in such an agreement.

Duty to provide a supply of water etc. for fire-fighting.

47.—(1) It shall be the duty of a water undertaker to allow any person to take water for extinguishing fires from any of its water mains or other pipes on which a fire-hydrant is fixed.

PART II

(2) Every water undertaker shall, at the request of the fire authority concerned, fix fire-hydrants on its water mains (other than its trunk mains) at such places as may be most convenient for affording a supply of water for extinguishing any fire which may break out within the area of the undertaker.

(3) A water undertaker shall, at the request of the owner or occupier of any factory or place of business, fix a fire-hydrant, to be used for extinguishing fires and not other purposes, at such place on any suitable water main or other pipe of the undertaker as is as near as conveniently possible to that factory or place of business.

(4) It shall be the duty of every water undertaker to keep every fire-hydrant fixed on any of its water mains or other pipes in good working order and, for that purpose, to replace any such hydrant when necessary.

(5) It shall be the duty of a water undertaker to ensure that a fire authority has been supplied by the undertaker with all such keys as the authority may require for the fire-hydrants fixed on the water mains or other pipes of the undertaker.

(6) The expenses incurred by a water undertaker in complying with its obligations under subsections (2) to (5) above shall be borne—

(a) in the case of a hydrant fixed in pursuance of a request made (whether before or after the transfer date) by the owner or occupier of a factory or place of business, by the owner or occupier for the time being of that factory or place, according to whether the person who made the original request did so in his capacity as owner or occupier; and

(b) in any other case, by the fire authority concerned.

(7) Nothing in this section shall require a water undertaker to do anything which it is unable to do by reason of the carrying out of any necessary works.

(8) The obligations of a water undertaker under this section shall be enforceable under section 20 above by the Secretary of State; and, in addition, where a water undertaker is in breach of a duty under this section the undertaker shall be guilty of an offence and liable—

(a) on summary conviction, to a fine not exceeding the statutory maximum;

(b) on conviction on indictment, to a fine.

(9) In any proceedings against any water undertaker for an offence under subsection (8) above it shall be a defence for that undertaker to show that it took all reasonable steps and exercised all due diligence to avoid the commission of the offence.

(10) For the purposes of subsection (3) above a water main or other pipe is suitable, in relation to a factory or place of business, if—

(a) it is situated in a street which is in or near to that factory or place of business; and

(b) it is of sufficient dimensions to carry a hydrant and is not a trunk main.

PART II

1961 c. 34.

1947 c. 41.

(11) In this section—

“factory” has the same meaning as in the Factories Act 1961; and

“fire authority” has the same meaning as in the Fire Services Act 1947.

Duty to supply water for other public purposes.

48.—(1) A water undertaker shall, at the request of a sewerage undertaker, highway authority or local authority, provide, from such of its pipes as are of an appropriate capacity, a supply of water for cleansing sewers and drains, for cleansing and watering highways or, as the case may be, for supplying any public pumps, baths or wash-houses.

(2) A supply of water provided by a water undertaker under this section shall be provided upon such terms and conditions as may be reasonable.

(3) A water main or other pipe of a water undertaker shall be treated as of an appropriate capacity for the purposes of this section if and only if it has a fire-hydrant fixed on it.

(4) Nothing in this section shall require a water undertaker to do anything which it is unable to do by reason of the carrying out of any necessary works.

(5) The obligations of a water undertaker under this section shall be enforceable under section 20 above by the Director.

Powers to disconnect service pipes and cut off supplies.

49.—(1) Subject to the following provisions of this section and, in the case of a supply provided under section 46 above, to any terms or conditions determined under that section, a water undertaker may disconnect a service pipe which for the purposes of providing a supply of water to any premises is connected with any water main of that undertaker, or may otherwise cut off a supply of water to any premises, if—

(a) it is reasonable for the disconnection to be made, or the supply to be cut off, for the purposes of the carrying out of any necessary works;

(b) the occupier of the premises—

(i) is liable (whether in his capacity as occupier or under any agreement with the undertaker) to pay charges due to the undertaker in respect of the supply of water to those premises; and

(ii) has failed to do so before the end of the period of seven days beginning with the day after he is served with notice requiring him to do so;

(2) The power of a water undertaker by virtue of paragraph (a) of subsection (1) above to cut off a supply of water shall include power to reduce a supply of water; and, except in an emergency or in the case of a reduction which is immaterial, the power of a water undertaker by virtue of that paragraph to cut off or reduce a supply shall be exercisable in

PART II

(3) Where a water undertaker exercises its power by virtue of the said paragraph (a) to make any disconnection or to cut off or reduce a supply of water to any premises for the purposes of the carrying out of any necessary works, it shall owe a duty to the consumer to secure—

- (a) that those works are carried out with reasonable dispatch; and
- (b) that any supply of water to those premises for domestic purposes is interrupted for more than twenty-four hours for the purposes of the carrying out of those works only if an emergency supply has been made available (whether or not in pipes) within a reasonable distance of those premises;

and any breach by a water undertaker of that duty which causes any person to whom it is owed to sustain loss or damage shall be actionable at the suit of that person.

(4) Where a water undertaker has served a notice for the purposes of paragraph (b) of subsection (1) above on a person who, within the period of seven days mentioned in that paragraph, serves a notice on the undertaker stating that he disputes his liability to pay the charges in question, the undertaker shall not exercise his power by virtue of that paragraph in relation to any premises except at a time when that person is the occupier of the premises and—

- (a) the undertaker is able to enforce a judgment against that person for the payment of the charges in question; or
- (b) that person is in breach of an agreement entered into, since the service of his notice, for the purpose of avoiding or settling proceedings by the undertaker for the recovery of those charges.

(5) A water undertaker which exercises its power by virtue of the said paragraph (b) to disconnect any pipe or otherwise to cut off any supply of water may recover, from the person in respect of whose liability the power is exercised, any expenses reasonably incurred by the undertaker in making the disconnection or in otherwise cutting off the supply.

(6) Where—

- (a) a water undertaker has power by virtue of the said paragraph (b) to disconnect any pipe to any premises, or otherwise to cut off any supply to any premises; and
- (b) a supply of water is provided to those premises and to other premises wholly or partly by the same service pipe,

the undertaker may exercise that power so as to cut off the supply to those other premises if and only if the same person is the occupier of the premises in relation to which the charges are due and of the other premises.

(7) No person shall be liable to a water undertaker for any expenses incurred by the undertaker in exercising the power conferred on the undertaker by virtue of paragraph (c) of subsection (1) above.

PART II

(8) Where a water undertaker disconnects a service pipe to any inhabited house, or otherwise cuts off a supply of water to such a house, without restoring that supply before the end of the period of twenty-four hours beginning with the time when it is cut off, the undertaker shall, no later than forty-eight hours after that time, serve notice that it has cut off that supply on the local authority in whose area the house is situated.

(9) A water undertaker which —

- (a) disconnects a service pipe to any premises, or otherwise cuts off a supply of water to any premises, in a case in which it has no power to do so under this section, section 63 below or any other enactment;

- (b) are already supplied with water by the undertaker but do not have a separate service pipe.

(2) Where the supply of water to two or more houses was provided to those houses before 15th April 1981 wholly or partly by the same service pipe and continues to be so provided, the water undertaker shall not require the provision of separate service pipes to those houses until—

- (a) the service pipe, in so far as it belongs to a person other than the undertaker, becomes so defective as to require renewal or is no longer sufficient to meet the requirements of those houses;
- (b) a payment in respect of the supply of water to any of those houses remains unpaid after the end of the period for which it is due;
- (c) the houses are, by structural alterations to one or more of them, converted into a larger number of houses;
- (d) the owner or occupier of any of those houses has interfered with, or allowed another person to interfere with, the existing service pipe and thereby caused the supply of water to any house to be interfered with; or
- (e) the undertaker has reasonable grounds for believing that such interference as is mentioned in paragraph (d) above is likely to take place.

PART II

(3) If, in the case of any such premises as are described in subsection (1) above, the water undertaker which provides a supply of water to those premises serves notice on the consumer requiring the provision of a separate service pipe and setting out the power of the undertaker under subsection (4) below—

- (a) that consumer shall, within three months after the service of the notice, lay so much of the required pipe as the undertaker is not under a duty to lay by virtue of paragraph (b) below;
 - (b) sections 42 to 44 above shall apply as if that consumer had, by a notice under the said section 42, required the undertaker to connect the separate service pipe to those premises with the undertaker's water main;
 - (c) that consumer shall be presumed, without prejudice to his power to make further demands and requests—
 - (i) in so far as those premises were provided before the service of the notice with a supply of water for domestic purposes, to have made a demand for the purposes of section 45 above that such a supply is provided by means of the separate service pipe; and
 - (ii) in so far as those premises were provided before the service of the notice with a supply of water for other purposes, to have requested the undertaker to provide the same supply by means of that pipe as was provided before the service of the notice;
- and
- (d) on providing a supply of water to those premises by means of the separate service pipe, the undertaker may cut off any supply replaced by that supply and may make such disconnections of pipes by which the replaced supply was provided as it thinks fit.

(4) If a person upon whom a notice has been served for the purposes of subsection (3) above fails to comply with the notice, the water undertaker may itself carry out the works which that person was required to carry out and may recover the expenses reasonably incurred by the undertaker in doing so from that person.

(5) Without prejudice to the power of a water undertaker by virtue of paragraph (b) of subsection (3) above to impose conditions under section 43 above or to the power conferred by virtue of paragraph (d) of that subsection, any works carried out by a water undertaker by virtue of the provisions of the said paragraph (b) or of subsection (4) above shall be necessary works for the purposes of sections 45 to 49 above and section 51 below.

(2) Nothing in subsection (1) above shall require a water undertaker to provide a supply of water at a height greater than that to which it will flow by gravitation through its water mains from the service reservoir or tank from which that supply is taken; and for the purposes of this section a water undertaker shall be entitled to choose the service reservoir or tank from which any supply is to be taken.

(3) Nothing in subsection (1) above shall impose any duty on a water undertaker to maintain the constancy or pressure of any supply of water during any period during which it is reasonable for that supply to be cut off or reduced for the purposes of the carrying out of any necessary works.

(4) The Secretary of State may by order modify the application of the preceding provisions of this section in relation to any water undertaker; but the Secretary of State shall not make such an order except—

(b) in the case of such a house as is mentioned in paragraph (a)(ii) above, require that the cistern shall be capable of holding sufficient water to provide an adequate supply to the house for a period of twenty-four hours.

(6) If, where a water undertaker provides a supply of water to any premises, the consumer, after having been required to do so by notice served on him by the undertaker, fails before the end of the period specified in the notice, being a period of not less than twenty-eight days beginning with the day after the service of the notice—

(a) to provide a cistern in accordance with a requirement under subsection (5) above; or

(b) to put any such cistern and its float-operated valve into good repair,

the water undertaker may itself provide a cistern, or execute any repairs necessary to prevent waste of water, and may recover the expenses reasonably incurred by it in doing so from the owner of the premises.

(2) For the purposes of this section and section 53 below and subject to subsection (3) below, water supplied by a water undertaker to any premises shall not be regarded as unwholesome at the time of supply where it has ceased to be wholesome only after leaving the undertaker’s pipes.

(4) The provisions of this section shall apply in relation to water which is supplied by a water undertaker whether or not the water is water which the undertaker is required to supply by virtue of any provision of this Act.

Power to prevent damage and to take steps to prevent contamination, waste etc.

63.—(1) Without prejudice to any power conferred on water undertakers by regulations under section 62 above, where a water undertaker which provides a supply of water to any premises has reason for believing—

(a) that damage to persons or property is being or is likely to be caused by any damage to, or defect in, any water fitting used in connection with the supply of water to those premises which is not a service pipe belonging to the undertaker;

(b) that water in a water main or other pipe of the undertaker is being or is likely to be contaminated by the return of any substance from those premises to that main or pipe;

(a) where the case constitutes an emergency, power to disconnect the service pipe or otherwise to cut off the supply of water to those premises; and

PART II

- (b) in any other case, power to serve notice on the consumer requiring him to take such steps as may be specified in the notice as necessary to secure that the damage, contamination, waste, misuse or undue consumption ceases or, as the case may be, does not occur.
- (3) Where a water undertaker, in exercise of the power conferred by virtue of subsection (2)(a) above, disconnects a service pipe to any premises or otherwise cuts off any supply of water to any premises, the undertaker shall, as soon as reasonably practicable after the supply is disconnected or cut off, serve a notice on the consumer specifying the steps which that person is required to take before the undertaker will restore the supply.
- (4) The steps specified in a notice under subsection (3) above shall be the steps necessary to secure that, as the case may be—
- (a) the damage, contamination, waste, misuse or undue consumption; or
 - (b) the likelihood of damage, contamination, waste, misuse or undue consumption,
- would not recur if the supply were restored; and a water undertaker which fails, without reasonable excuse, to serve a notice in accordance with that subsection shall be guilty of an offence and liable, on summary conviction, to a fine not exceeding level 3 on the standard scale.

- the undertaker may disconnect the service pipe to those premises or otherwise cut off the supply of water to those premises; and subsections (3) and (4) above shall apply where a water undertaker exercises its power under this subsection as they apply where such an undertaker exercises its power by virtue of subsection (2)(a) above.
- (7) Where, in a case not falling within subsection (6)(a) or (b) above, any steps specified in a notice served by a water undertaker for the purposes of subsection (2)(b) above have not been taken by the end of the period so specified, the water undertaker shall have power—
- (a) to take those steps itself; and
 - (b) subject to subsection (8) below, to recover any expenses reasonably incurred by the undertaker in taking those steps from the person on whom the notice was served;

and any steps taken by a water undertaker by virtue of paragraph (a) above shall be necessary works for the purposes of sections 45 to 51 above.

PART II

(8) Where any steps are taken by virtue of this section and it is shown that, in the circumstances of the case, those steps were not necessary as mentioned in subsection (2) or, as the case may be, (4) above, the water undertaker in question—

- (a) shall not be entitled to recover any expenses incurred by it in taking those steps; and
- (b) shall be liable to pay to any other person who took any of those steps an amount equal to any expenses reasonably incurred by that person in taking any of those steps.

(2) The purposes mentioned in subsection (1) above are—

(a) the carrying out of any survey or tests for the purpose of determining—

(i) whether it is appropriate and practicable for the undertaker to exercise any power under any provision of this Chapter to disconnect any pipe or cut off any supply of water to any premises or to carry out any works which it is authorised to carry out under section 50(4), 51(6) or 63 above; or

(2) For the purposes of any reference in this Chapter to a private supply, or to supplying water by means of a private supply, water shall be treated as supplied to any premises not only where it is supplied from outside those premises, but also where it is abstracted, for the purpose of being used or consumed on those premises, from a source which is situated on the premises themselves; and for the purposes of this subsection water shall be treated as used on any premises where it is bottled on those premises for use or consumption elsewhere.

(3) For the purposes of this Chapter a service pipe shall be treated as connected with a water main other than a trunk main even if the connection is an indirect connection made by virtue of a connection with another service pipe.

(4) The rights conferred by virtue of this Chapter as against the owner or occupier of any premises shall be without prejudice to any rights and obligations, as between themselves, of the owner and occupier of the premises in question.

CHAPTER III

PROVISION OF SEWERAGE SERVICES

General
sewerage
functions.

67.—(1) It shall be the duty of every sewerage undertaker—

- (a) to provide, improve and extend such a system of public sewers (whether inside its area or elsewhere) and so to cleanse and maintain those sewers as to ensure that that area is and continues to be effectually drained; and
- (b) to make provision for the emptying of those sewers and such further provision (whether inside its area or elsewhere) as is necessary from time to time for effectually dealing, by means of sewage disposal works or otherwise, with the contents of those sewers.

(2) It shall be the duty of a sewerage undertaker in performing its duty under subsection (1) above to have regard—

- (a) to its existing and likely future obligations to allow for the discharge of trade effluent into its public sewers; and
- (b) to the need to provide for the disposal of trade effluent which is so discharged.

1937 c. 40.

(3) In subsection (2) above “trade effluent” has the same meaning as in the Public Health (Drainage of Trade Premises) Act 1937.

(4) The duty of a sewerage undertaker under subsection (1) above shall be enforceable under section 20 above by the Secretary of State or, with the consent of or in accordance with a general authorisation given by the Secretary of State, by the Director.

Standards of
performance in
connection with
provision of
sewerage
services.

68.—(1) For the purpose—

- (a) of facilitating the determination of the extent to which breaches of the obligations imposed by virtue of the following provisions of this Chapter are to amount to breaches of the duty imposed by section 67 above; or

PART II

- (b) of supplementing that duty by establishing overall standards of performance in relation to the provision of sewerage services by any sewerage undertaker,

the Secretary of State may by regulations provide for contraventions of such requirements as may be prescribed to be treated for the purposes of this Act as breaches of that duty.

(2) The Secretary of State may by regulations prescribe such standards of performance in connection with the provision of sewerage services as, in his opinion, ought to be achieved in individual cases; and such regulations may provide that if a sewerage undertaker fails to meet a prescribed standard it shall pay such amount as may be prescribed to any person who is affected by the failure and is of a prescribed description.

(3) Without prejudice to the generality of the power conferred by subsection (2) above, regulations under that subsection may—

- (a) include in a standard of performance a requirement for a sewerage undertaker, in prescribed circumstances, to inform a person of his rights by virtue of any such regulations;
- (b) provide for any dispute under the regulations to be referred by either party to the dispute to the Director;
- (c) make provision for the procedure to be followed in connection with any such reference and for the Director's determination on such a reference to be enforceable in such manner as may be prescribed;
- (d) prescribe circumstances in which a sewerage undertaker is to be exempted from requirements of the regulations.

(4) Subject to subsection (5) below, the Secretary of State shall not make any regulations under subsection (1) or (2) above unless—

- (a) the Director has made a written application to the Secretary of State which—
 - (i) sets out draft provisions proposed by the Director for inclusion in such regulations;
 - (ii) specifies the sewerage undertaker or undertakers in relation to which it is proposed those provisions should apply; and
 - (iii) summarises the Director's reasons for his proposals;
- (b) the Secretary of State is satisfied that a copy of the application has been served by the Director on every sewerage undertaker specified in the application;
- (c) the regulations contain only the provisions proposed by the Director or those provisions with such modifications as the Secretary of State considers appropriate;
- (d) the only modifications of the Director's proposals to which effect is given by the regulations are modifications the proposal to make which has been notified to the Director and to any sewerage undertaker appearing to the Secretary of State to be likely to be affected by the modifications;

PART II

- (e) such period as the Secretary of State considers appropriate has been allowed for the making by the Director and by any affected sewerage undertaker of representations or objections with respect to the Director's proposals and any modifications proposed by the Secretary of State; and
- (f) the Secretary of State has considered both the Director's reasons for his proposals and every representation or objection which has been duly made with respect to those proposals, or any proposed modifications of those proposals, and has not been withdrawn.

(5) Subsection (4) above shall not apply in relation to any regulations made under subsection (2) above before the transfer date.

(6) The obligations imposed on a sewerage undertaker by virtue of the following provisions of this Chapter and the remedies available in respect of contraventions of those obligations shall be in addition to any duty imposed or remedy available by virtue of any provision of this section or section 67 above and shall not be in any way qualified by any such provision.

Transfer of principal sewerage functions.

69. Schedule 8 to this Act shall have effect for transferring to sewerage undertakers the functions of water authorities relating to the provision of sewerage services and for making amendments of the enactments relating to the transferred functions.

Allocation of cross boundary sewers.

70.—(1) For the purposes of any scheme under Schedule 2 to this Act, so much of any sewer as is vested in a water authority immediately before the transfer date but is—

- (a) situated in the area of another water authority; and
- (b) maintained for the purpose of draining premises in that area,

shall be deemed to have vested in the other water authority before the coming into force of that scheme.

(2) Where any part of a water authority's sewer is deemed by virtue of this section to have vested in another water authority, anything which—

- (a) has been done by or in relation to the first-mentioned authority for any purposes connected with that part of that sewer; and
- (b) is in force or effective immediately before the transfer date,

shall have effect for the purposes of any transitional provision contained in this Act as if it had been done by or in relation to that other authority.

(3) Where any part of a sewer is vested in any sewerage undertaker by virtue of this section, the terms on which that part of that sewer—

- (a) communicates with such parts of that sewer or of any other sewer;
or
- (b) discharges into any such sewage disposal works,

as immediately before the transfer date were vested in the same water authority as that part of that sewer but, by virtue of this section, are vested in another sewerage undertaker shall be determined, in default of agreement, by the Director.

(4) A determination by the Director under this section shall have effect as an agreement between the sewerage undertakers in question but may be varied or revoked by a subsequent determination made by the Director on the application of either of those undertakers, as well as by agreement between the undertakers.

PART II

(5) In making a determination under this section, the Director shall have regard to the desirability of a sewerage undertaker's recovering the costs resulting from its allowing the sewers of other sewerage undertakers to communicate with its sewers or to discharge into its sewage disposal works and of securing a reasonable return on its capital.

71.—(1) It shall be the duty of a sewerage undertaker to provide a public sewer to be used for the drainage for domestic purposes of premises in a particular locality in its area if—

Requisitioning

- (a) the undertaker is required to provide the sewer by a notice served on the undertaker by one or more of the persons who under subsection (3) below are entitled to require the provision of the sewer for that locality;
- (b) the premises in that locality the drainage of which would be by means of that sewer are—
 - (i) premises on which there are buildings; or
 - (ii) premises on which there will be buildings when proposals made by any person for the erection of any buildings are carried out;
 and
- (c) the conditions specified in section 72 below are satisfied in relation to that requirement.

(2) In subsection (1) above the reference to domestic purposes, in relation to the drainage of premises in a particular locality to which a requirement under that subsection relates, is a reference—

- (a) where there are buildings on premises in that locality, to such of the following purposes as are specified in the requirement, that is to say—
 - (i) the removal, from the buildings and from land occupied with and appurtenant to the buildings, of the contents of lavatories;
 - (ii) the removal, from the buildings and from such land, of water which has been used for cooking or washing, not being water used for the business of a laundry or for a business of preparing food or drink for consumption otherwise than on the premises; and
 - (iii) the removal, from the buildings and such land, of surface water;
 and
- (b) where any person is proposing to erect buildings on premises in the locality, to such of the purposes mentioned in paragraph (a) above as are specified in the requirement in relation to times after the erection of the buildings.

PART II

(3) Each of the following persons shall be entitled to require the provision of a public sewer for any locality, that is to say—

- (a) the owner of any premises in that locality;
- (b) the occupier of any premises in that locality;
- (c) any local authority within whose area the whole or any part of that locality is situated;
- (d) where the whole or any part of that locality is situated in a new town, within the meaning of the New Towns Act 1981—

1981 c. 64.

(i) the Commission for the New Towns; and

(ii) the Development Board for Rural Wales or the development corporation for the new town, according to whether or not the new town is situated within the area for which that Board is for the time being responsible;

and

- (e) where the whole or any part of that locality is situated within an area designated as an urban development area under Part XVI of the Local Government, Planning and Land Act 1980, the urban development corporation.

1980 c. 65.

(4) A sewerage undertaker shall not be in breach of a duty imposed by this section in relation to any locality unless—

- (a) the period of six months beginning with the relevant day has expired; and
- (b) the sewerage undertaker has not, before the end of that period, so laid the public sewer to be provided as to enable drains and private sewers to be used for the drainage of premises in that locality to communicate with the public sewer at the places determined under subsection (5) below;

and for the purposes of this subsection the period mentioned in paragraph (a) above may be extended by agreement between the undertaker and the person or persons who required the provision of the public sewer or, where there is a dispute as to whether the period should be extended, by an arbitrator on a reference under subsection (6) below.

(5) The places mentioned in subsection (4)(b) above shall be determined by agreement between the sewerage undertaker and the person or persons who required the provision of the public sewer or, in default of agreement, shall be such places as are determined by an arbitrator on a reference under subsection (6) below to be the places at which it is reasonable, in all the circumstances, for drains or private sewers to be used for the drainage of premises in that locality to communicate with the public sewer.

(6) A reference for the purposes of subsection (4) or (5) above shall be to a single arbitrator appointed by agreement between the undertaker and the person or persons who required the provision of the public sewer or, in default of agreement, by the President of the Institution of Civil Engineers.

PART II

(7) The duty of a sewerage undertaker under this section to provide a public sewer shall be owed to the person who requires the provision of the sewer or, as the case may be, to each of the persons who joins in doing so; and any breach by a sewerage undertaker of any such duty which causes any person to whom the duty is owed to sustain loss or damage shall be actionable at the suit of that person.

(8) In any proceedings brought against a sewerage undertaker in pursuance of subsection (7) above in respect of a breach of duty which has caused any person to sustain loss or damage it shall be a defence for the undertaker to show that it took all reasonable steps and exercised all due diligence to avoid the breach.

(9) In this section—

“local authority”, in relation to the Inner Temple and the Middle Temple, includes, respectively, the Sub-Treasurer of the Inner Temple and the Under-Treasurer of the Middle Temple;

“relevant day”, in relation to a requirement to provide a public sewer for any locality, means the day after whichever is the later of the following, that is to say—

(a) the day on which the conditions specified in section 72 below are satisfied in relation to the requirement; and

(b) the day on which the places where drains or private sewers to be used for the drainage of premises in that locality will communicate with the public sewer are determined under subsection (5) above.

72.—(1) The conditions mentioned in section 71(1)(c) above are satisfied in relation to a requirement for the provision of a public sewer by a sewerage undertaker if—

Financial conditions of sewer requisition.

(a) such undertakings as the undertaker may have reasonably required in accordance with subsection (2) below have been given by the person or persons who have required the provision of the sewer; and

(b) such security as the undertaker may have reasonably required has been provided for the discharge of any obligations imposed by those undertakings on any person who—

(i) by virtue of section 71(3)(a) or (b) above required or joined in requiring the provision of the sewer; and

(ii) is not a public authority.

(2) The undertakings which a sewerage undertaker may require for the purposes of subsection (1) above in respect of any public sewer are undertakings which bind the person or persons mentioned in that subsection (in the case of two or more persons, either jointly and severally or with liability to pay apportioned in such manner as those persons may agree) to pay to the undertaker, in respect of each of the twelve years following the provision of the sewer, an amount not exceeding the relevant deficit (if any) for that year on that sewer.

(3) For the purposes of this section the relevant deficit for any year on a public sewer is the amount (if any) by which the drainage charges payable for the use during that year of that sewer are exceeded by the annual borrowing costs of a loan of the amount required for the provision of that sewer.

PART II

(4) The annual borrowing costs of a loan of the amount required for the provision of a public sewer is the aggregate amount which would fall to be paid in any year by way of payments of interest and repayments of capital if an amount equal to so much of the costs reasonably incurred in providing that sewer as were not incurred in the provision of additional capacity had been borrowed, by the sewerage undertaker providing the sewer, on terms—

- (a) requiring interest to be paid and capital to be repaid in twelve equal annual instalments; and
- (b) providing for the amount of the interest to be calculated at such rate, and in accordance with such other provision, as may have been determined either by the undertaker with the approval of the Director or, in default of such a determination, by the Director.

(5) The costs of providing a public sewer (“the new sewer”) shall include—

- (a) the costs reasonably incurred in providing such other public sewers and such pumping stations as it is necessary to provide in consequence of the provision of the new sewer; and
- (b) such proportion (if any) as is reasonable of the costs reasonably incurred in providing any such additional capacity in an earlier public sewer as falls to be used in consequence of the provision of the new sewer;

and in this subsection “earlier public sewer”, in relation to the new sewer, means any public sewer which has been provided in the period of twelve years immediately before the provision of the new sewer and was so provided in pursuance of a requirement under section 71 above, under section 16 of the 1973 Act (requisitioning of sewers) or under any local statutory provision corresponding to the said section 71 or 16.

(6) Any reference in this section to the provision of additional capacity in a public sewer provided in pursuance of a requirement under any enactment is a reference to such works carried out or other things done in connection with the provision of that sewer as are carried out or done for the purpose of enabling that sewer to be used for purposes in addition to those for which it is necessary to provide the sewer in order to comply with the requirement.

(7) For the purposes of this section references to the drainage charges payable for the use during any year of any sewer provided by a sewerage undertaker are references to so much of the aggregate of any charges payable to the sewerage undertaker in respect of services provided in the course of that year as represents charges which—

- (a) have been imposed by the undertaker in relation to such of the premises connected with that sewer as are premises where there are buildings; and
- (b) are reasonably attributable to the use of that sewer for the drainage for domestic purposes of those premises or to the disposal of effluent drained for domestic purposes from those premises;

and the references in this subsection to domestic purposes shall be construed as references to any of the purposes mentioned in subsection (2)(a) of section 71 above.

PART II

(8) Where for the purposes of subsection (1)(b) above any sums have been deposited with a sewerage undertaker by way of security for the discharge of any obligation, the undertaker shall pay interest at such rate as may be determined either—

- (a) by the undertaker with the approval of the Director; or
- (b) in default of a determination under paragraph (a) above, by the Director,

on every sum of 50p so deposited for every three months during which it remains in the hands of the undertaker.

(9) An approval or determination given or made by the Director for the purposes of subsection (4) or (8) above—

- (a) may be given or made in relation to the provision of a particular public sewer, in relation to the provision of sewers of a particular description or in relation to the provision of sewers generally; and
- (b) may be revoked at any time except, in the case of an approval or determination for the purposes of subsection (4) above, in relation to a public sewer that has already been provided.

(10) Any dispute between a sewerage undertaker and any other person as to—

- (a) the undertakings or security required by the undertaker for the purposes of this section; or
- (b) the amount required to be paid in pursuance of any such undertaking,

shall be referred to the arbitration of a single arbitrator appointed by agreement between the undertaker and that person or, in default of agreement, by the President of the Institution of Civil Engineers.

73.—(1) A relevant authority may, in accordance with any arrangements which it has entered into for the purpose with any sewerage undertaker, carry out sewerage functions on that undertaker's behalf in relation to such area comprising the whole or any part of that authority's relevant area, together (where that authority are a local authority or an urban development corporation and the arrangements so provide) with parts of any adjacent relevant areas of other relevant authorities, as may be specified in the arrangements.

Performance of sewerage functions by local authorities etc.

(2) Arrangements entered into for the purposes of this section may contain any such provision as may be agreed between the relevant authority and the sewerage undertaker but shall not affect the availability to any person, other than the relevant authority, of any remedy against the undertaker in respect of the carrying out of the undertaker's sewerage functions or of any failure to carry them out.

(3) It is hereby declared that, if arrangements entered into for the purposes of this section so provide, a relevant authority shall be entitled to exercise on behalf of a sewerage undertaker any power which by or under any enactment is exercisable by the undertaker for the purposes of, or in connection with, the carrying out of the undertaker's sewerage functions.

PART II
 1972 c. 70. (4) Where arrangements entered into for the purposes of this section provide for a local authority to carry out the sewerage functions of a sewerage undertaker on the undertaker's behalf, section 101 of the Local Government Act 1972 (delegation of functions), so far as it relates to the carrying out of functions by a committee, sub-committee or officer of a local authority, shall have effect in relation to those sewerage functions only in so far as the arrangements do not otherwise provide.

 “new town” has the same meaning as in the New Towns Act 1981;
 “relevant area”—

(a) in relation to a local authority, means the area of the authority and the whole of any new town or urban development area any part of which is situated within the area of the authority;

74.—(1) The provisions of the Public Health (Drainage of Trade Premises) Act 1937, Part V of the Public Health Act 1961 and sections 43 to 45 of the Control of Pollution Act 1974 shall have effect in relation to trade effluent to which this section applies subject to the provisions of Schedule 9 to this Act.

(2) This section applies to any trade effluent if—

(a) prescribed substances are present in the effluent or are present in the effluent in prescribed concentrations; or

- (b) the effluent derives from a prescribed process or from a process involving the use of prescribed substances or the use of such substances in quantities which exceed the prescribed amounts.

PART II

CHAPTER IV

CHARGING FOR SERVICES ETC. PROVIDED BY UNDERTAKERS

75.—(1) Subject to the following provisions of this Chapter, the powers of every water undertaker and of every sewerage undertaker shall include power—

Powers of undertakers to charge.

- (a) to fix charges for any services provided in the course of carrying out its functions and, in the case of a sewerage undertaker, charges to be paid in connection with the carrying out of its trade effluent functions; and
- (b) to demand and recover charges fixed under this section from any persons to whom the undertaker provides services or in relation to whom it carries out trade effluent functions.

(2) The powers conferred by subsection (1) above shall be exercisable—

- (a) by or in accordance with a scheme under section 76 below; or
- (b) by or in accordance with agreements with the persons to be charged;

but paragraph (b) above shall have effect in relation to the exercise of those powers with respect to charges in connection with the carrying out of a sewerage undertaker's trade effluent functions only in so far as provision for the fixing, demanding or recovery of such charges may be contained in an agreement entered into in accordance with section 7 of the Public Health (Drainage of Trade Premises) Act 1937.

1937 c. 40.

(3) Except in so far as this Chapter otherwise provides, a water undertaker or sewerage undertaker may fix charges under this section by reference to such matters, and may adopt such methods and principles for the calculation and imposition of the charges, as appear to the undertaker to be appropriate.

(4) The powers in relation to which this section has effect shall not be exercised so as to contravene any local statutory provision which expressly provides that no charge shall be made for a particular service.

(5) Nothing in subsections (1) to (4) above or in any scheme under section 76 below shall affect any power of a water undertaker or sewerage undertaker to fix charges under any power conferred otherwise than by virtue of this Chapter.

(6) References in this section to a sewerage undertaker's trade effluent functions are references to its functions under the Public Health (Drainage of Trade Premises) Act 1937, Part V of the Public Health Act 1961 and sections 43 to 45 of the Control of Pollution Act 1974.

1961 c. 64.
1974 c. 40.

76.—(1) A water undertaker or sewerage undertaker may make a scheme (in this section referred to as a "charges scheme") which does any one or more of the following, that is to say—

Charges schemes.

- (a) fixes the charges to be paid for any services provided by the undertaker in the course of carrying out its functions;

PART II

1937 c. 40.

(b) in the case of a sewerage undertaker, requires such charges as may be fixed by the scheme to be paid to the undertaker where, in the circumstances set out in the scheme—

(i) a trade effluent notice is served on the undertaker under the Public Health (Drainage of Trade Premises) Act 1937;

(ii) such a consent as is necessary for the purposes of that Act is given by the undertaker; or

(iii) a discharge is made in pursuance of such a consent;

and

(c) makes provision with respect to the times and methods of payment of the charges fixed by the scheme.

(2) The persons who may be required by a charges scheme to pay any charge fixed by virtue of paragraph (b) of subsection (1) above shall be the person who serves the notice, the person to whom the consent is given or, as the case may be, any person who makes a discharge in pursuance of the consent at any time during the period to which, in accordance with the scheme, the charge relates; and a charges scheme which requires the payment of charges where a discharge has been made in pursuance of such a consent as is mentioned in that paragraph may impose—

(a) a single charge in respect of the whole period for which the consent is in force;

(b) separate charges in respect of different parts of that period; or

(c) both such a single charge and such separate charges.

(3) A charges scheme may—

(a) make different provision for different cases, including different provision in relation to different circumstances or localities; and

(b) contain supplemental, consequential and transitional provision for the purposes of the scheme;

and such a scheme may revoke or amend a previous charges scheme.

(4) Nothing in any charges scheme shall affect—

(a) any power of a water undertaker or sewerage undertaker to enter into such an agreement with any person in any particular case as determines the charges to be made for the services provided to that person by the undertaker; or

(b) the power of a sewerage undertaker to enter into any agreement under section 7 of the Public Health (Drainage of Trade Premises) Act 1937 (agreement as to discharges of trade effluent) on terms that provide for the making of payments to the undertaker.

Liability of occupiers etc. for charges.

77.—(1) Subject to the following provisions of this section and except in so far as provision to the contrary is made by any agreement to which the undertaker is a party—

(a) supplies of water provided by a water undertaker shall be treated for the purposes of this Chapter as services provided to the occupiers for the time being of any premises supplied; and

(b) sewerage services provided by a sewerage undertaker shall be treated for the purposes of this Chapter as provided to the occupiers for the time being of any premises which—

PART II

(i) are drained by a sewer or drain connecting, either directly or through an intermediate sewer or drain, with such a public sewer of the undertaker as is provided for foul water or surface water or both; or

(ii) are premises the occupiers of which have, in respect of the premises, the benefit of facilities which drain to a sewer or drain so connecting.

(2) Subject to subsection (3) below, charges which, under the preceding provisions of this Chapter, are fixed in relation to any premises by reference to volume may be imposed so that a person is made liable in relation to those premises to pay charges for services provided by a water undertaker or sewerage undertaker after that person has ceased to be the occupier of the premises.

(3) A person shall not be made liable by virtue of subsection (2) above for any charges fixed in relation to any premises by any water undertaker or sewerage undertaker, except where—

(a) he fails to inform the undertaker of the ending of his occupation of the premises at least two working days before he ceases to occupy them; and

(b) the charges are in respect of a period ending no later than with whichever of the following first occurs after he ceases to occupy the premises, that is to say—

(i) where he informs the undertaker of the ending of his occupation of the premises less than two working days before, or at any time after, he ceases to occupy them, the twenty-eighth day after he so informs the undertaker;

(ii) any day on which any meter would normally have been read in order for the amount of the charges to be determined;

(iii) any day on which any other person informs the undertaker that he has become the new occupier of the premises.

(4) Where—

(a) any person who is the occupier of any premises to which a supply of water is provided by a water undertaker has served notice on the undertaker for the purposes of section 49(1)(c) above; and

(b) that notice is given otherwise than in connection with that person's ceasing to be the occupier of the premises in a case in which provision is made by virtue of subsection (2) above for a person who has ceased to be the occupier of the premises to be made liable for any charges,

then, notwithstanding that that person continues to be the occupier of those premises, he shall not be liable to the undertaker (otherwise than in pursuance of a demand for a supply made since the service of the notice) for any charges in respect of any supply of water to those premises after whichever is the later of the expiry of the notice and the end of the period of two working days beginning with the service of the notice.

(5) In this section—

(a) any reference to the fixing of charges in relation to any premises by reference to volume is a reference to the fixing of those charges by reference to the volume of water supplied

PART II

to those premises, to the volume of effluent discharged from those premises, to both of those factors or to one or both of those factors taken together with other factors; and

- (b) any reference to two working days is a reference to a period of forty-eight hours calculated after disregarding any time falling on a Saturday or Sunday or on Christmas Day, Good Friday or any day which is a bank holiday in England and Wales under the Banking and Financial Dealings Act 1971.

1971 c. 80.

Provisions relating to charging by volume.

78.—(1) Schedule 10 to this Act shall have effect for the purpose of securing the installation of meters and of making other provision in relation to meters and the premises where they are installed.

(2) The Secretary of State may by regulations make such provision, supplementing the provisions of this Chapter, as he considers appropriate with respect to the installation of meters, with respect to the connection, disconnection, use, maintenance, authentication and testing of meters and with respect to any related matters.

(3) Without prejudice to the generality of subsection (2) above, regulations under that subsection may—

- (a) regulate the positioning, whether inside or outside the building or other premises in relation to which the meter is to be used, of any meter or of any pipes or apparatus appearing to any water undertaker or sewerage undertaker to be required for the purpose of facilitating the use of any meter;
- (b) make any other provision which appears to the Secretary of State to be appropriate with respect to any such pipes or apparatus;
- (c) provide for a reading from a meter to be proved in such manner as may be prescribed and for a reading from a meter to be such evidence as may be prescribed of the volume of water supplied to, or of effluent discharged from, any premises;
- (d) fix the method of determining the amount of the charges to be paid where it appears that a meter has given, or may have given, an incorrect reading;
- (e) require a person who is not a water undertaker or sewerage undertaker to pay the expenses incurred by a water undertaker or sewerage undertaker in doing anything under the regulations or to pay contributions towards those expenses;
- (f) provide for the payment of compensation in respect of anything done by a water undertaker or sewerage undertaker under the regulations;
- (g) require disputes arising under the regulations to be referred to arbitration;

PART II

- (a) the person who provides a supply of water for domestic purposes to any premises; or
- (b) the person who provides sewerage services for the purposes of the drainage for domestic purposes of any premises.

(2) Subject to subsection (3) below, nothing in subsection (1) above or in any other enactment shall be construed as prohibiting the fixing, demand or recovery by a water undertaker or sewerage undertaker of—

- (a) a charge for the connection to a water supply of premises which have never at any previous time (whether before or on or after the transfer date) been connected to a supply of water provided for domestic purposes by a water undertaker or by any other authority or body which at that time provided supplies of water in the course of carrying out functions under any enactment; or
- (b) a charge for the connection to a public sewer of premises which have never at any previous time (whether before or on or after the transfer date) been connected to a sewer used for the drainage for domestic purposes of those premises by a sewerage undertaker or by any other authority or body which at that time provided sewerage services in the course of carrying out functions under any enactment.

(3) Nothing in this Chapter or in any other enactment or in the terms of any agreement under section 18 of the Public Health Act 1936 (agreements to adopt sewers and works) shall authorise a sewerage undertaker to require any payment to be made to the undertaker in respect of the making by the undertaker of any declaration of vesting under Part II of that Act or in respect of any agreement to make such a declaration. 1936 c. 49.

(4) Nothing in this Chapter or in any other enactment shall authorise a sewerage undertaker to require any payment to be made to the undertaker by a highway authority in respect of the drainage of any highway or the disposal of the contents of any drain or sewer used for draining any highway.

(5) The preceding provisions of this section, so far as they restrict the making of certain charges, are without prejudice—

- (a) to enactments by virtue of which a water undertaker or sewerage undertaker may recover expenses incurred by it in carrying out works; and
- (b) to the power of any such undertaker, by virtue of section 75(3) above, to fix the amount of any of its other charges by reference to such matters as it thinks appropriate.

(6) The references in this section to domestic purposes, in relation to the drainage of any premises, shall be construed as references to any of the purposes mentioned in subsection (2)(a) of section 71 above.

80.—(1) Charges and other amounts to which this section applies shall not, by virtue of anything contained in this Chapter, in any local statutory provision, in any scheme under section 76 above or in any agreement entered into on or after the transfer date, be recoverable by a water undertaker or sewerage undertaker from any person if they have been fixed wholly or partly by reference to a rating valuation list or are otherwise determined, whether directly or indirectly, by reference to any value or other amount specified at any time in such a list. Prohibition on charging by rateable value.

PART II

(2) This section applies to—

- (a) charges in respect of any services provided at any time after the end of 31st March 2000 by a water undertaker or sewerage undertaker in the course of carrying out its functions; and
- (b) amounts of any other description which such an undertaker, in exercise of any power conferred by or under any enactment, requires any person to pay in respect of any period ending after that date or in respect of anything done after that date.

(3) In this section “rating valuation list” means a list which is or has at any time been maintained for the purposes of rating under section 41 or 52 of the Local Government Finance Act 1988, section 67 of the General Rate Act 1967 or any other enactment.

81.—(1) Notwithstanding anything in section 75 above or in any scheme under section 76 above or in any agreement as to charges in respect of any supply of water, no charge may be made by any water undertaker in respect of—

- (a) water taken for the purpose of extinguishing fires or taken by a fire authority for any other emergency purposes;
- (b) water taken for the purpose of testing apparatus installed or equipment used for extinguishing fires or for the purpose of training persons for fire-fighting; or
- (c) the availability of water for any purpose mentioned in paragraph (a) or (b) above.

(2) This section shall not prevent the making of charges in respect of work carried out at the request of or for the benefit of any person receiving a supply of water for the purposes mentioned in paragraph (a) or (b) of subsection (1) above.

(3) This section shall not have the effect, where any water is used or made available for any of the purposes mentioned in paragraph (a) or (b) of subsection (1) above, of requiring a reduction in the charges imposed in respect of the provision for other purposes of the supply from which that water is taken.

1947 c. 41.

(4) In this section “fire authority” has the same meaning as in the Fire Services Act 1947.

82.—(1) The Director may from time to time by order fix maximum charges which a person who is not a water undertaker or sewerage undertaker may recover from another such person in respect of water supplies or sewerage services provided to that other person with the help of services provided by a water undertaker or sewerage undertaker.

(2) For the purposes of this section water supplies or sewerage services are provided to a person with the help of services provided by a water undertaker or sewerage undertaker if—

- (a) a facility for that person to have access to a supply of water provided by a water undertaker in pipes, or to make use of sewerage services provided by a sewerage undertaker, is made available to that person otherwise than by the undertaker;
- (b) that person is provided with a supply of water in pipes by a person to whom the water is supplied, directly or indirectly, by a water undertaker; or

PART II

(c) that person is provided with sewerage services by a person who, for the purpose of providing those services, makes use of sewerage services provided, directly or indirectly, by a sewerage undertaker.

(3) It shall be the duty of the Director to publish any order under this section in such manner as he considers appropriate for the purpose of bringing it to the attention of persons likely to be affected by it.

(4) An order under this section may make different provision for different cases, including different provision in relation to different persons, circumstances or localities, and may fix a maximum charge either by specifying the maximum amount of the charge or by specifying a method of calculating that amount.

(5) Where a person pays a charge in respect of anything to which an order under this section relates and the amount paid exceeds the maximum charge fixed by the order, the amount of the excess shall be recoverable by that person from the person to whom he paid the charge.

CHAPTER V

(4) The Treasury may issue out of the National Loans Fund to the Secretary of State such sums as are required by him for making loans under this section.

(5) Any sums received under subsection (3) above by the Secretary of State shall be paid into the National Loans Fund.

(6) It shall be the duty of the Secretary of State as respects each financial year—

(a) to prepare, in such form as the Treasury may direct, an account of sums issued to him in pursuance of subsection (4) above and of sums received by him under subsection (3) above and of the disposal by him of the sums so issued or received; and

- (b) to send the account to the Comptroller and Auditor General not later than the end of the month of August in the following financial year;

PART II

and the Comptroller and Auditor General shall examine, certify and report on the account and shall lay copies of it and of his report before each House of Parliament.

85.—(1) The Secretary of State may by order made by statutory instrument transfer to that company's nominated holding company the liabilities of a successor company in respect of the principal of any relevant loan.

Transfer of
successor
company
liabilities to
holding
companies.

(2) Where the Secretary of State has made an order under subsection (1) above in respect of the liabilities of any successor company and he considers it appropriate to do so, he may give a direction under this subsection to that company and that company shall, as a consequence of the making of the order, issue such debentures of the company to its nominated holding company as may be specified or described in the direction.

(3) The Secretary of State—

- (a) shall not exercise his power to make an order under this section except with the consent of the Treasury; and
- (b) shall not make such an order transferring the liability of any company or give a direction under subsection (2) above to any company, except at a time when the company is wholly owned by the Crown.

(4) Subsection (4) of section 83 above shall apply for the purposes of this section as it applies for the purposes of that section.

(5) In this section “relevant loan”, in relation to the successor company of a water authority, means any sum borrowed or treated as borrowed by the authority from the Secretary of State or the Public Works Loan Commissioners, being a sum the liability to repay which has vested in the authority's successor company in accordance with any scheme under Schedule 2 to this Act.

86.—(1) The Secretary of State may by order made by statutory instrument extinguish all or any of the liabilities of the nominated holding company of a successor company in respect of the principal of any loan of either of the following descriptions, that is to say—

Conversion of
certain loans.

- (a) a loan made to that company under section 84 above;
- (b) a loan the liability to repay the principal of which has been transferred to that company under section 85 above;

and the assets of the National Loans Fund shall accordingly be reduced by amounts corresponding to any liabilities so extinguished.

(2) An order made under subsection (1) above in respect of any loan the liability to repay the principal of which was transferred to the nominated holding company of a successor company under section 85 above may extinguish all or any of the liabilities of that successor company under debentures issued in respect of the transfer under subsection (2) of that section.

PART II

(3) Where the Secretary of State has made an order under subsection (1) above and he considers it appropriate to do so, he may give a direction under this subsection to any nominated holding company whose liabilities are extinguished by the order and that company shall, as a consequence of the making of the order, issue such debentures of the company as may be specified or described in the direction—

- (a) to the Treasury or the Secretary of State; or
- (b) to any person entitled to require the issue of the debentures following their initial allotment to the Treasury or the Secretary of State.

(4) The Secretary of State shall not—

- (a) make an order under subsection (1) above extinguishing the liability of any company; or
- (b) give a direction under subsection (3) above for the issue of debentures,

except at a time when the company whose liability is extinguished by the order or, as the case may be, the company which is directed to issue debentures is wholly owned by the Crown.

(5) Except as may be agreed between the Secretary of State and a company which is directed to issue debentures in pursuance of this section—

- (a) the aggregate of the principal sums payable under the debentures to which the direction relates shall be equal to the aggregate of the sums the liability to repay which is extinguished by the order; and
- (b) the terms as to the payment of the principal sums payable under the debentures to which the direction relates, and as to the payment of interest thereon, shall be the same as the corresponding terms of the loans specified in the order.

(6) For the purposes of subsection (5) above any express or implied terms of a loan shall be disregarded in so far as they relate to the early discharge of liabilities to make repayments of principal and payments of interest.

(7) Subsection (4) and subsections (6) and (7) of section 83 above shall apply for the purposes of this section as they apply for the purposes of that section.

Government investment in securities of the nominated holding companies.

87.—(1) The Treasury or, with the consent of the Treasury, the Secretary of State may at any time acquire—

- (a) securities of the nominated holding company of a successor company; or
- (b) rights to subscribe for any such securities.

(2) The Secretary of State shall not dispose of any securities acquired under this section without the consent of the Treasury.

(3) Any expenses incurred by the Treasury or the Secretary of State in consequence of the provisions of this section shall be paid out of money provided by Parliament.

(4) Any dividends or other sums received by the Treasury or the Secretary of State in right of, or on the disposal of, any securities or rights acquired under this section shall be paid into the Consolidated Fund.

PART II

88.—(1) The Treasury or, with the consent of the Treasury, the Secretary of State may for the purposes of section 83, 86 or 87 above appoint any person to act as the nominee, or one of the nominees, of the Treasury or, as the case may be, of the Secretary of State; but—

Exercise of functions through nominees.

- (a) the issue in pursuance of section 83 above of securities of a successor company to any nominee of the Secretary of State appointed for the purposes of that section;
- (b) the issue in pursuance of section 83 or 86 above of securities of such a company's nominated holding company to such nominee of the Treasury or the Secretary of State as is appointed for the purposes of that section or to any person entitled to require the issue of the securities following their initial allotment to any such nominee; and
- (c) the acquisition by any nominee of the Treasury or the Secretary of State who is appointed for the purposes of section 87 above of any securities or rights under that section,

shall be in accordance with such directions as may be given from time to time by the Treasury or, with the consent of the Treasury, by the Secretary of State.

(2) Any person holding any securities or rights as a nominee of the Treasury or the Secretary of State by virtue of the preceding provisions of this section shall hold and deal with them (or any of them) on such terms and in such manner as the Treasury or, with the consent of the Treasury, the Secretary of State may direct.

89.—(1) The following provisions of this section shall apply separately in relation to each company which is the nominated holding company of a successor company.

Target investment limit for Government shareholding.

(2) As soon as he considers it expedient and, in any case, not later than six months after the company ceases to be wholly owned by the Crown, the Secretary of State shall by order fix a target investment limit in relation to the aggregate of the shares in the company which are for the time being held, by virtue of any provision of this Chapter, by any of the following, that is to say, the Treasury, the Secretary of State or any nominee of the Treasury or the Secretary of State (in this section referred to as "the Government shareholding").

(3) The target investment limit for the Government shareholding in the company shall be expressed as a proportion of the voting rights which are exercisable in all circumstances at general meetings of the company (in this section referred to as "the ordinary voting rights").

(4) The first target investment limit fixed under this section for the Government shareholding in the company shall not exceed, by more than 0.5 per cent of the ordinary voting rights, the proportion of the ordinary voting rights which is in fact carried by the Government shareholding in the company at the time when the order fixing the limit is made.

PART II

(5) The Secretary of State may from time to time by order fix a new target investment limit for the Government shareholding in the company in place of the one previously in force under this section; but—

- (a) any new limit must be lower than the one it replaces in relation to the company; and
- (b) an order under this section may only be revoked by an order fixing a new limit.

(6) It shall be the duty of the Treasury and of the Secretary of State—

- (a) so to exercise their powers under section 87 above, any power to dispose of any shares held by virtue of any provision of this Chapter and their power to give directions to their respective nominees as to secure that the Government shareholding in the company does not carry a proportion of the ordinary voting rights exceeding any target investment limit for the time being in force under this section in relation to the company; and
- (b) not at any time on or after the fixing of the first target investment limit in relation to the company to exercise any power to acquire, or to authorise any nominee to acquire, any shares in the successor company of which the company is the nominated holding company.

(7) Notwithstanding subsection (6) above but subject to subsection (8) below, the Treasury or the Secretary of State may take up, or direct any nominee of the Treasury or of the Secretary of State to take up, any rights for the time being available to them or him, or to the nominee—

- (a) as an existing holder of shares or other securities of the company; or
- (b) by reason of the rescission of any contracts for the sale of any such shares or securities.

(8) If, as a result of anything done under subsection (7) above, the proportion of the ordinary voting rights carried by the Government shareholding in the company at any time exceeds the target investment limit for the time being in force under this section in relation to the company, it shall be the duty of the Treasury or, as the case may be, the Secretary of State to comply with subsection (6) above as soon after that time as is reasonably practicable.

(9) For the purposes of this section the temporary suspension of any of the ordinary voting rights shall be disregarded.

(10) The power to make an order under this section shall be exercisable by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament.

90.—(1) Where—

- (a) the same document contains listing particulars for securities of two or more nominated holding companies; and

Responsibility
for listing
particulars of
nominated
holding
companies.

- (b) any person's responsibility for any information included in the document is stated in the document to be confined to its inclusion as part of the listing particulars for securities of any one of those companies,

PART II

that person shall not be treated as responsible for that information in so far as it is stated in the document to form part of the listing particulars for securities of any other of those companies.

(2) Sections 150 and 154 of the 1986 Act (advertisements etc. in connection with listing applications) shall have effect in relation to any information issued for purposes connected with any securities of a nominated holding company as if any reference to a person's incurring civil liability included a reference to any other person being entitled, as against that person, to be granted a civil remedy or to rescind or repudiate any contract.

- (3) In this section—

“the 1986 Act” means the Financial Services Act 1986;

1986 c. 60.

“listing particulars” means any listing particulars or supplementary listing particulars within the meaning of the 1986 Act;

“responsible” means responsible for the purposes of Part IV of the 1986 Act and “responsibility” shall be construed accordingly.

91.—(1) For the purposes of any statutory accounts of a water authority's successor company—

Statutory accounts of the group.

- (a) the vesting effected in accordance with any scheme under Schedule 2 to this Act shall be taken—

(i) to have been a vesting in that company of all the property, rights and liabilities to which that authority was entitled or subject immediately before the end of their last accounting date and which, at that time, were not property, rights and liabilities relating to Part III functions; and

(ii) to have been effected immediately after that date;

and

- (b) the value of any asset and the amount of any liability of that authority which is taken by virtue of paragraph (a) above to have been vested in that company shall be taken to have been the value or (as the case may be) amount assigned to that asset or liability for the purposes of the corresponding statement of accounts prepared by that authority in respect of the complete accounting year ending with that date.

(2) For the purposes of any statutory accounts of a water authority's successor company the amount to be included in respect of any item shall be determined as if the company had done anything not relating to Part III functions which has been done by that authority (whether by way of acquiring, revaluing or disposing of any asset or incurring, revaluing or discharging any liability, or by carrying any amount to any provision or reserve, or otherwise).

PART II

Accordingly (but without prejudice to the generality of the preceding provision) the amount to be included from time to time in any reserves of a water authority's successor company as representing the company's accumulated realised profits shall be determined as if any profits realised and retained by that authority had been realised and retained by the company.

(3) For the purposes of any statutory accounts of the nominated holding company of a successor company—

- (a) a successor company which becomes a subsidiary of the holding company in the course of an accounting reference period of that successor company shall be assumed to have become such a subsidiary at the beginning of that period; and
- (b) the value, at the time of its issue, of any security issued to the holding company in pursuance of section 83 or 85 above shall be taken—
 - (i) in the case of a share, to have been equal to its nominal value; and
 - (ii) in the case of a debenture, to have been equal to the principal sum payable under the debenture.

(4) For the purposes of this section the question whether any property, right or liability of a water authority, or anything done by a water authority, relates to Part III functions shall be determined in accordance with such principles for determining whether anything so relates as the Secretary of State—

- (a) considers appropriate to apply in the case of that authority's successor company; and
- (b) has notified to that company in writing.

(5) References in this section to the statutory accounts of a company are references to any accounts prepared by the company for the purposes of any provision of the Companies Act 1985 (including group accounts); and in this section—

- “accounting reference period” has the same meaning, in relation to a successor company, as in that Act;
- “complete accounting year,” in relation to a water authority, means an accounting year of the authority ending on 31st March;
- “the last accounting date”, in relation to any water authority, means the last day of the last complete accounting year of that authority to end before the transfer date; and
- “Part III functions”, in relation to a water authority, means the functions of that authority which are transferred to the Authority by virtue of this Act or correspond to any functions assigned to the Authority under this Act.

1985 c. 6.

Temporary restrictions on borrowings etc. by the group.

92.—(1) The aggregate amount outstanding in respect of the principal of the relevant borrowing of a group to which a successor company belongs shall not, at any time when the company is wholly owned by the Crown, exceed £1,400 million or such greater sum, not exceeding £1,800 million, as the Secretary of State may specify by order made by statutory instrument.

PART II

(2) The power to make an order under subsection (1) above shall include power to specify different amounts in relation to different groups; and no order shall be made under that subsection unless a draft of the order has been laid before the House of Commons and has been approved by a resolution of that House.

(3) If articles of association of a successor company or of such a company's nominated holding company confer on the Secretary of State powers exercisable with the consent of the Treasury for, or in connection with, restricting the sums of money which may be borrowed or raised during any period by the group to which that company belongs, those powers shall be exercisable in the national interest notwithstanding any rule of law and the provisions of any enactment.

(4) For the purposes of subsection (3) above an alteration of the articles of association of a successor company or of such a company's nominated holding company shall be disregarded if the alteration—

- (a) has the effect of conferring or extending any such power as is mentioned in that subsection; and
- (b) is made at a time when that company has ceased to be wholly owned by the Crown.

(5) In this section—

“group”, in relation to a successor company, means that company's nominated holding company and all of the nominated holding company's subsidiaries (including the successor company and its subsidiaries) taken together; and

“relevant borrowing”, in relation to a group to which a successor company belongs, means—

(a) such loans made or treated as made to any company in the group, including loans treated by virtue of the issue of debentures in pursuance of this Act as having been made to any such company, as are not loans made or treated as made by one company belonging to the group to another such company; and

(b) any sums borrowed or treated as borrowed by local authorities in respect of the repayment of which, or the payment of interest on which, the successor company is required to make contributions by virtue of the transfer of any liability in accordance with a scheme under Schedule 2 to this Act.

(6) Where any amount outstanding in respect of the principal of any relevant borrowing of a group—

- (a) is treated as repaid or extinguished in connection with the issue of any securities of a company belonging to that group; or
- (b) would fall to be so treated, in the case of an extinguishment under section 86 above, if the Secretary of State had given a direction under subsection (3) of that section,

that amount shall be deemed for the purposes of this section to continue to be outstanding except to the extent that any amount payable by the company by reason of the issue of securities in connection with the repayment or extinguishment itself falls to be treated for the purposes of this section as an amount outstanding in respect of the principal of any relevant borrowing of the group.

PART II
Reserves of the
successor
companies.

93.—(1) Where the Secretary of State, at any time before the company ceases to be wholly owned by the Crown, so directs in relation to any successor company, such sums as may be specified in the direction shall, instead of being applied in any other way, be carried by the company to a reserve for the purposes of this section.

(2) A company having a reserve for the purposes of this section shall not apply it except in paying up unissued shares of the company to be allotted to members of the company as fully paid bonus shares.

Application of
Trustee
Investments Act
1961 in relation
to investment in
the nominated
holding
companies.
1961 c. 62.

94.—(1) Subsection (2) below shall have effect for the purpose of applying paragraph 3(b) of Part IV of Schedule 1 to the Trustee Investments Act 1961 (which provides that shares and debentures of a company shall not count as wider-range and narrower-range investments respectively within the meaning of that Act unless the company has paid dividends in each of the five years immediately preceding that in which the investment is made) in relation to investment, during the first investment year or any following year, in shares or debentures of a company which is the nominated holding company of a successor company.

(2) The company shall be deemed to have paid a dividend as mentioned in the said paragraph 3(b)—

- (a) in every year preceding the first investment year which is included in the relevant five years; and
- (b) in the first investment year, if that year is included in the relevant five years and that company does not in fact pay such a dividend in that year.

(3) In this section—

“the first investment year”, in relation to a company which is the nominated holding company of a successor company, means the calendar year in which shares in that successor company are first issued, in pursuance of section 83(1) above, to the nominated holding company; and

“the relevant five years” means the five years immediately preceding the year in which the investment in question is made or proposed to be made.

Tax provisions.
1968 c. 3.

95.—(1) The Secretary of State may, for the purposes of section 2 of the Capital Allowances Act 1968 (writing-down allowance), by order make provision specifying—

(a) the amount to be taken for the purposes of subsection (3) of that section as the residue on the transfer date of any expenditure in relation to which any property vested in a successor company in accordance with a scheme under Schedule 2 to this Act is a relevant interest for the purposes of that section; and

(b) the part of the period mentioned in subsection (3) of that section which is to be treated, in relation to any such property, as unexpired on that date.

1971 c. 68.

(2) For the purposes of Chapter I of Part III of the Finance Act 1971 (capital allowances in respect of machinery and plant) property which is vested in a successor company in accordance with a scheme under Schedule 2 to this Act shall be treated as if—

PART II

- (a) it had been acquired by that company on the transfer date for the purposes for which it is used by that company on and after that date; and
- (b) capital expenditure of such amount as may be specified for the purposes of this subsection in an order made by the Secretary of State had been incurred on that date by that company on the acquisition of the property for the purposes mentioned in paragraph (a) above.

(3) The Secretary of State shall not make an order under subsection (1) or (2) above in relation to any property of a successor company except with the consent of the Treasury and at a time when the company is wholly owned by the Crown; and the power to make such an order shall be exercisable by statutory instrument and shall include power to make different provision for different cases, including different provision in relation to different property or descriptions of property.

(4) Subject to subsection (5) below, for the purposes of the Capital Gains Tax Act 1979 (“the 1979 Act”) the following securities of a successor company, that is to say—

- (a) those issued to that company’s nominated holding company in pursuance of section 83 above;
- (b) those issued to that company’s nominated holding company in pursuance of section 85 above, so far as they are not extinguished under section 86 above; and
- (c) those not issued in pursuance of section 83 or 85 above which are—
 - (i) held by that holding company, or any of its nominees, on the transfer date; or
 - (ii) held by the Secretary of State, or any of his nominees, on that date and transferred to that holding company at any time when that holding company is wholly owned by the Crown,

shall, together, be deemed to have been acquired by the nominated holding company on the transfer date for a consideration equal to whatever is the market value of the successor company’s undertaking immediately after the coming into force, on that date, of the scheme under Schedule 2 to this Act in accordance with which property, rights and liabilities of a water authority are transferred to the successor company.

(5) For the purposes of the 1979 Act—

- (a) any loan which is a relevant loan for the purposes of section 85 above shall be disregarded in determining the market value referred to in subsection (4) above; and
- (b) where an apportionment of the aggregate amount for which securities of any company are treated under that subsection as having been acquired by any company falls to be made between different securities, any debenture to which that subsection applies shall be treated as having been acquired by that company for an amount equal to the principal sum payable under the debenture.

PART II

(6) Where—

- (a) any debt owed to a water authority is transferred to its successor company in accordance with a scheme under Schedule 2 to this Act; and
- (b) the authority would have been the original creditor in relation to that debt for the purposes of section 134 of the 1979 Act (disposal of debts),

the successor company shall be treated as the original creditor for those purposes.

1988 c. 1.

(7) For the purposes of Part VI of the Income and Corporation Taxes Act 1988 (company distributions) any securities of a company issued in pursuance of section 83, 85 or 86 above shall be treated as having been issued for new consideration equal—

- (a) in the case of a share, to its nominal value; and
- (b) in the case of a debenture, to the principal sum payable under the debenture.

(8) Subsection (1) of section 400 of the Income and Corporation Taxes Act 1988 (write-off of government investment: restriction of tax losses) shall not have effect in relation to any extinguishment, at a time when the nominated holding company of a successor company is wholly owned by the Crown, of any liabilities of that holding company.

(9) Subsection (6) of the said section 400 shall apply in relation to any such extinguishment of liabilities as is mentioned in subsection (8) above as if the reference to the body in question were a reference to the company whose liabilities are extinguished.

(10) Where any debentures of any company are issued in pursuance of section 83, 85 or 86 above, any annual payment secured by those debentures shall be treated for all purposes of corporation tax as if it were a charge on income of that company.

(11) The vesting in accordance with a scheme under Schedule 2 to this Act in a successor company of any liability for a loan made to a water authority shall not affect any direction in respect of the loan which has been given, or has effect as if given, under section 581 of the Income and Corporation Taxes Act 1988 (income tax exemption for interest on foreign currency securities).

CHAPTER VI

PART II

STATUTORY WATER COMPANIES

97.—(1) Subject to the following provisions of this section, a statutory water company holding an appointment under Chapter I of this Part as a water undertaker for any area—

General powers
of appointed
companies.

- (a) shall have power to do anything (whether in that area or elsewhere) which, in the opinion of the company, is calculated to facilitate, or is conducive or incidental to, the carrying out of the functions which are functions of the company by virtue of the appointment;
- (b) without prejudice to the generality of that power, shall have power, for the purposes of, or in connection with, the carrying out of those functions—
 - (i) to acquire and dispose of land and other property;
 - (ii) to carry out such engineering or building operations at such places (whether in that area or elsewhere) as the company considers appropriate; and
 - (iii) to supply water fittings to any person to whom they supply water and to install, repair and alter such a person's water fittings, whether or not supplied by the company;

and

- (c) without prejudice as aforesaid, shall have power—
 - (i) to provide for any person outside the United Kingdom advice or assistance, including training facilities, as respects any matter in which the company has skill or experience;
 - (ii) to become a member of any body formed for the purpose of promoting the interests of water undertakers or any description of water undertakers; and
 - (iii) to make donations and incur expenditure for the benefit of its officers and employees and in particular to pay, or make provision (whether by contributory or non-contributory schemes or otherwise) for the payment of, pensions, allowances or gratuities to or in respect of any persons who have been or are officers or employees of the company.

(2) Nothing in this section with respect to the carrying out of works shall be construed as conferring any power otherwise than for the purpose of removing such a limitation on the capacity of a statutory water company as would, apart from this section, exist by virtue of the company's constitution; and, accordingly, without prejudice to the provisions of Part IV of this Act, this section shall be disregarded for the purpose of determining whether a statutory water company is liable, on grounds other than such a limitation, for any act or omission in exercise of a power to carry out works conferred by this section.

(3) Nothing in this section shall be construed as authorising a statutory water company to carry on the business of a manufacturer of water fittings.

PART II

(4) In this section—

1987 c. 43.

“supply”, in relation to water fittings, has the same meaning as it has in Part II of the Consumer Protection Act 1987 by virtue of section 46 of that Act; and

“water fittings” has the same meaning as in Chapter II of this Part.

Relaxation of limits on capital, borrowing and dividends.

1915 c. 44.

98.—(1) Subject to the following provisions of this section, so much of any provision contained in any local statutory provision or having effect by virtue of anything done under any local statutory provision, under section 41(5) of the 1945 Act (rate of dividend or interest etc. on redeemable stock) or under the Statutory Companies (Redeemable Stock) Act 1915, as—

- (a) imposes any limit to which this section applies in relation to any statutory water company; or
- (b) otherwise relates to any such limit,

shall have effect subject to such modifications as may be approved by special resolution of the company.

(2) This section applies, in relation to a statutory water company, to the following limits (whether they are expressed by reference to a specified sum or percentage or by reference to the respective proportions of, or of different descriptions of, capital raised and sums borrowed or to any other matter), that is to say—

- (a) a limit on the amount of capital, or of capital of a particular description, that may be raised by the company;
- (b) a limit on the amount that may be borrowed, or borrowed in a particular way or in particular circumstances, by the company; and
- (c) a limit on the dividends payable on shares or stock in the company, or on shares or stock of a particular description.

(3) Where there is a division of the shares or stock of a statutory water company into different classes, no modification of a limit falling within subsection (2)(c) above shall have effect by virtue of this section unless a consent to or approval of the modification has been given under subsection (4) below in respect of each class the rights attached to which are varied in consequence of the modification.

(4) A consent or approval is given for the purposes of subsection (3) above in respect of a class of shares or stock if—

- (a) consent in writing to the modification has been given by not less than three-quarters, in nominal value, of the members of the company holding shares or stock of that class; or
- (b) a resolution approving the modification is passed by not less than three-quarters, in nominal value, of the members of the company holding shares or stock of that class who are present

PART II

(whether in person or by proxy) at a meeting of which not less than twenty-one days' notice, specifying the intention to propose the resolution, has been duly given;

and for the purpose of determining whether the requirements of subsection (3) above are satisfied in relation to any two or more classes of shares or stock in a statutory water company, it shall be immaterial that consents and approvals have been given in respect of different classes in accordance with different paragraphs of this subsection.

(5) Where subsection (3) above applies in relation to a modification specified in a resolution passed for the purposes of this section, the holders of not less, in the aggregate, than fifteen per cent., in nominal value, of the issued shares or stock of any class of shares or stock of the company (being persons who have not for the purposes of this section consented to the modification or voted in favour of any resolution for the modification) may apply to the High Court to have the modification cancelled.

(6) An application to the High Court under subsection (5) above—

- (a) may be made on behalf of the shareholders or stockholders entitled to make the application by such one or more of their number as they may appoint in writing for the purpose; but
- (b) shall not be made in relation to any modification more than twenty-one days after the date of the giving of the last consent or approval to the modification to be given for the purposes of subsection (1) or (3) above.

(7) Where an application is made under subsection (5) above—

- (a) the modification to which it relates shall have no effect unless and until it is confirmed by the High Court; and
- (b) the High Court, after hearing the applicant and any other persons who apply to that Court to be heard and appear to that Court to be interested in the application—
 - (i) if satisfied, having regard to all the circumstances of the case, that the variation would unfairly prejudice the shareholders or stockholders of the class represented by the applicant, may disallow the modification; and
 - (ii) if not so satisfied, shall confirm it;

and the decision of the High Court on an application under subsection (5) above shall be final.

(8) Provision having effect by virtue of a resolution passed in accordance with this section may be modified by a subsequent such resolution.

(9) Without prejudice to the definition in section 189(1) below of "modifications" and cognate expressions, references in this section, in relation to a statutory water company, to the modification of any provision imposing a limit to which this section applies—

- (a) include references to the removal of that limit and to the replacement of that provision with a provision imposing a different such limit in relation to that company; but

PART II

- (b) do not include, in the case of a limit falling within subsection (2)(a) above, any modification having the effect of reducing the authorised share capital, or the authorised capital stock, of that company.

(10) In this section “special resolution”, in relation to a statutory water company, means a resolution passed by a majority of not less than three-quarters of such of the members of the company as (being entitled to do so) vote (whether in person or by proxy) at a meeting of the company of which not less than twenty-one days’ notice, specifying the intention to propose the resolution, has been duly given; and in computing any majority for the purposes of this subsection the regulations contained in any local statutory provision as to the number of votes to which each member is entitled shall apply.

Removal of restrictions on payment of interest and application of profits etc.

99.—(1) Nothing in so much of any local statutory provision as imposes a requirement as to the rate of interest at which sums may be borrowed by a statutory water company, or as to the rate at which interest on sums so borrowed is to be paid, shall apply in relation to any borrowing by a statutory water company after the coming into force of this subsection.

(2) Notwithstanding the provisions of any local statutory provision, every statutory water company shall have power to form and maintain reserve and contingency funds by setting apart such sums in such circumstances, and to invest those funds in such manner, as it thinks fit.

(3) Nothing in subsection (2) above shall authorise any failure by a statutory water company to meet any obligation imposed on it by virtue of any local statutory provision to pay any sum to any other person.

(4) Nothing in so much of any local statutory provision as imposes a limit on the amount that may be carried forward at the end of any period to the credit of the profit and loss (net revenue) account of a statutory water company shall apply in relation to any such company after the coming into force of this subsection.

Sale of shares or stock.

100. Nothing in any local statutory provision shall have effect at any time after the coming into force of this section so as to require any shares or stock in a statutory water company to be offered for sale to the public or so as to require any offer for the sale of any such shares or stock to be an offer for sale by auction or tender.

Registration of statutory water companies under the Companies Act 1985.
1985 c. 6.

101.—(1) Chapter II of Part XXII of the Companies Act 1985 (registration of companies not formed under that Act) shall have effect in relation to statutory water companies as if—

- (a) any reference in that Chapter to a joint stock company included a reference to such a statutory water company as would not fall to be treated as a joint stock company for the purposes of that Chapter apart from this paragraph; and
- (b) any reference in that Chapter to an Act of Parliament included a reference to a local statutory provision which is not contained in an Act of Parliament;

and it is hereby declared that nothing in this Act or in the said Act of 1985 shall be construed as requiring a statutory water company to which a certificate has been issued under section 688 of that Act (certificates of

registration under Chapter II of Part XXII) to be treated for the purposes of this Act or any other purposes as if it had been a different person in law before the issue of that certificate.

PART II

(2) Where—

(a) provision for the constitution and regulation of a statutory water company holding an appointment under Chapter I of this Part—

(i) is contained in local statutory provisions having effect in accordance with paragraph 5 of Schedule 21 to the said Act of 1985 (enactments to have effect as if contained in memorandum and articles); or

(ii) would, apart from this subsection, be so contained if the company became a registered water company;

(b) the company has by special resolution proposed (whether before or after becoming a registered water company) that provision contained in a memorandum and articles shall have effect in substitution for those local statutory provisions;

(c) the proposal that a memorandum and articles shall so have effect in relation to the company has been approved by order made by the Secretary of State; and

(d) in the case of a company that has not already done so, the company becomes a registered water company,

those local statutory provisions shall cease to have effect on such date as may, for the purposes of this subsection, be specified or described in that order and the proposed memorandum and articles shall come into force on that date subject to any modifications, terms or conditions contained in any order made by the High Court under section 102 below.

(3) The Secretary of State shall not make an order for the purposes of subsection (2)(c) above in relation to a proposal by any company unless it appears to him—

(a) that neither an application under section 102 below with respect to the company's proposal nor an appeal with respect to the subject-matter of such an application is pending and that the time within which any such application or appeal may be made or brought has expired; and

(b) where there is —

(i) a division of the shares or stock of the company into different classes; and

(ii) such a proposed difference between the memorandum and articles and the local statutory provisions which they will replace as will vary the rights attached to any such class,

that a consent to or approval of the difference has been given under subsection (4) below in respect of each class the rights attached to which would be varied if the order were made.

(4) A consent to or approval of a proposal is given for the purposes of subsection (3)(b) above in respect of a class of shares or stock if—

(a) consent in writing to the proposal has been given by the holders of not less than three-quarters, in nominal value, of the issued shares or stock of that class; or

PART II

- (b) an extraordinary resolution approving the proposal is passed at a separate general meeting of holders of shares or stock of that class;

and for the purpose of determining whether the requirements specified in subsection (3)(b) above are satisfied in relation to any two or more classes of shares or stock in a company, it shall be immaterial that consents and approvals have been given in respect of different classes in accordance with different paragraphs of this subsection.

(5) Where an order has been made for the purposes of subsection (2)(c) above in relation to any company—

- (a) nothing in sections 97 to 100 above or in section 41 of the 1945 Act (power to issue redeemable stock) shall have effect on and after the date specified or described in the order so as to confer powers in relation to the company in addition to those conferred by virtue of the company's memorandum and articles;
- (b) on and after that date, the memorandum and articles which come into force by virtue of the order shall have effect, in accordance with section 14 and the other provisions of the Companies Act 1985, as if they were the company's registered memorandum and articles; and
- (c) the company shall, before the end of the period of fifteen days beginning with the day after that date, deliver to the registrar of companies a printed copy of the memorandum and articles which have so come into force;

1985 c. 6.

and subsection (3) of section 6 of the said Act of 1985 (penalty for default in delivering documents to the registrar of companies) shall apply in relation to the obligation imposed by paragraph (c) above as it applies in relation to the obligations imposed by subsection (1) of that section.

(6) Where the Secretary of State makes an order for the purposes of subsection (2)(c) above in relation to any company and it appears to him to be appropriate to do so for the purposes of, or in consequence of, the approval contained in the order, he may by order repeal or amend any local statutory provision.

(7) The power to make an order for the purposes of subsection (2)(c) above or an order under subsection (6) above shall be exercisable by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament; and an order under subsection (6) above may—

- (a) make different provision for different cases, including different provision in relation to different persons, circumstances or localities; and
- (b) contain such supplemental, consequential and transitional provision as the Secretary of State considers appropriate.

(8) In this section and section 102 below—

“extraordinary resolution”—

- (a) in relation to a meeting held after the company in question has become a registered water company, means an extraordinary resolution within the meaning of the Companies Act 1985; and

PART II

(b) in relation to a meeting held before that company becomes a registered water company, means such a resolution as would be a special resolution within the meaning of section 98 above if the meeting were a meeting of the company;

“memorandum and articles” means a document containing only such provision as may be contained in a memorandum and articles of association registered under that Act;

“registrar of companies” has the same meaning as in that Act; and

“special resolution”—

(a) in relation to a time after the company in question has become a registered water company, means (subject to subsection (2) of section 102 below) a special resolution within the meaning of that Act; and

(b) in relation to a time before that company becomes a registered water company, means (subject to that subsection) a special resolution within the meaning of section 98 above;

and in this section and section 102 below a reference to a company’s becoming a registered water company is a reference to the issue to that company (whether before or on or after the transfer date) of a certificate under section 688 of that Act.

102.—(1) Where a special resolution has been passed containing a proposal, in relation to a company, for a memorandum and articles to have effect as mentioned in subsection (2) of section 101 above, an application for the resolution to be cancelled may be made to the High Court—

Procedure for cancelling resolutions for substituting memorandum and articles.

- (a) by the holders of not less, in the aggregate, than fifteen per cent., in nominal value of the company’s issued share capital or issued stock;
- (b) by the holders of not less, in the aggregate, than fifteen per cent., in nominal value, of the issued shares or stock of any class in respect of which a consent to or approval of the proposal to which the resolution relates is required for the purposes of subsection (3)(b) of that section; or
- (c) if the resolution incorporates a modification of the company’s objects, by the holders of not less than fifteen per cent. of such of the company’s debentures as entitle the holders to object under this section to such a modification;

but an application under this section shall not be made by any person who has consented to or voted in favour of the proposal (whether for the purposes of subsection (2) or subsection (3)(b) of that section).

(2) Accordingly, in the case of such a special resolution for the purposes of section 101(2) above as incorporates a modification of the company’s objects—

- (a) the same notice as is given for the purposes of that resolution to members of the company is required to be given to the holders of debentures entitling the holders to object under this section to a modification of the company’s objects; and

PART II

(b) in the absence of any local statutory provision regulating the giving of that notice, that notice shall be given in accordance with the provisions regulating the giving of the notice to the members.

(3) An application under this section—

(a) may be made on behalf of the persons entitled to make it by such one or more of their number as they may appoint in writing for the purpose; but

(b) shall not be made in relation to any special resolution more than twenty-one days after the date of the last resolution, consent or approval to be passed or given for the purposes of subsection (2)(b) or (3)(b) of section 101 above or for the purposes, in connection with the company's becoming a registered water company, of section 681 of the Companies Act 1985 (procedural requirements for registration).

1985 c. 6.

(4) The powers of the High Court on an application under this section shall be to do one or more of the following, that is to say—

(a) to make an order, on such terms and conditions as it thinks fit, cancelling the resolution to which the application relates or confirming the proposal contained in that resolution either subject to such modifications of the proposed memorandum and articles as may be specified in the order or without modifications;

(b) if it thinks fit, to adjourn the proceedings in order that arrangements may be made to the Court's satisfaction for the purchase of the interests of dissentient members or for the payment of compensation to such members;

(c) to give such directions and make such orders as it thinks expedient for facilitating or carrying into effect any such arrangement; and

(d) to require that provision contained in any memorandum and articles, as confirmed by the Court, shall not at any time be modified in the respects specified in the Court's order except with the leave of the Court.

(5) Without prejudice to the powers conferred by subsection (4)(c) above, an order of the High Court under this section may (if the Court thinks fit) provide for the purchase by a company of the shares or stock of any members of the company and for the reduction accordingly of the company's capital; and an order which so provides shall not confirm a proposal for a memorandum and articles to have effect in substitution for any local statutory provisions except subject to such modifications (if any) as may be required in consequence of that purchase and reduction.

(6) The High Court shall not on an application under this section confirm any proposal in so far as it incorporates such an alteration of a company's objects as could not be made under section 4 of the Companies Act 1985 (alteration of objects) if the company were entitled to alter its objects under that section.

(7) The debentures entitling the holders to object to a modification of a company's objects are any debentures secured on the company's undertaking which were issued or first issued before the day on which this Act is passed or which form part of the same series as any debentures so issued but have been issued on or after that date; and in this section "debentures" has the same meaning as in the said Act of 1985.

PART II

PART III

THE PROTECTION AND MANAGEMENT OF RIVERS AND OTHER WATERS

CHAPTER I

CONTROL OF POLLUTION

General provisions

103.—(1) This Chapter applies to any waters (in this Chapter referred to as "controlled waters") of any of the following classes—

Waters to which Chapter I applies.

- (a) relevant territorial waters, that is to say, subject to subsection (5) below, the waters which extend seaward for three miles from the baselines from which the breadth of the territorial sea adjacent to England and Wales is measured;
- (b) coastal waters, that is to say, any waters which are within the area which extends landward from those baselines as far as the limit of the highest tide or, in the case of the waters of any relevant river or watercourse, as far as the fresh-water limit of the river or watercourse, together with the waters of any enclosed dock which adjoins waters within that area;
- (c) inland waters, that is to say, the waters of any relevant lake or pond or of so much of any relevant river or watercourse as is above the fresh-water limit;
- (d) ground waters, that is to say, any waters contained in underground strata, or in—
 - (i) a well, borehole or similar work sunk into underground strata, including any adit or passage constructed in connection with the well, borehole or work for facilitating the collection of water in the well, borehole or work; or
 - (ii) any excavation into underground strata where the level of water in the excavation depends wholly or mainly on water entering it from the strata.

(2) The Secretary of State—

- (a) shall deposit maps with the Authority showing what appear to him to be the fresh-water limits of every relevant river or watercourse; and
- (b) may from time to time, if he considers it appropriate to do so by reason of any change of what appears to him to be the fresh-water limit of any river or watercourse, deposit a map showing a revised limit for that river or watercourse;

and in subsection (1) above "fresh-water limit", in relation to any river or watercourse, means the place for the time being shown as the fresh-water limit of that river or watercourse in the latest map deposited for that river or watercourse under this subsection.

PART III

(3) It shall be the duty of the Authority to keep any maps deposited with it under subsection (2) above available, at all reasonable times, for inspection by the public free of charge.

(4) In this section—

“miles” means international nautical miles of 1,852 metres;

“lake or pond” includes a reservoir of any description;

“relevant lake or pond” means (subject to subsection (5) below) any lake or pond which (whether it is natural or artificial or above or below ground) discharges into a relevant river or watercourse or into another lake or pond which is itself a relevant lake or pond;

“relevant river or watercourse” means (subject to subsection (5) below) any river or watercourse (including an underground river or watercourse and an artificial river or watercourse) which is neither a public sewer nor a sewer or drain which drains into a public sewer.

(5) The Secretary of State may by order provide—

(a) that any area of the territorial sea adjacent to England and Wales is to be treated as if it were an area of relevant territorial waters for the purposes of this Chapter;

(b) that any lake or pond which does not discharge into a relevant river or watercourse or into a relevant lake or pond is to be treated for those purposes as a relevant lake or pond;

(c) that a lake or pond which does so discharge and is of a description specified in the order is to be treated for those purposes as if it were not a relevant lake or pond;

(d) that a watercourse of a description so specified is to be treated for those purposes as if it were not a relevant river or watercourse.

(6) The power of the Secretary of State to make an order under subsection (5) above shall be exercisable by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament; and such an order may—

(a) contain such supplemental, consequential and transitional provision as the Secretary of State considers appropriate; and

(b) make different provision for different cases, including different provision in relation to different persons, circumstances or localities.

Classification of
quality of
waters.

104.—(1) The Secretary of State may, in relation to any description of controlled waters (being a description applying to some or all of the waters of a particular class or of two or more different classes), by regulations prescribe a system of classifying the quality of those waters according to criteria specified in the regulations.

(2) The criteria specified in regulations under this section in relation to any classification shall consist of one or more of the following, that is to say—

(a) general requirements as to the purposes for which the waters to which the classification is applied are to be suitable;

- (b) specific requirements as to the substances that are to be present in or absent from the water and as to the concentrations of substances which are or are required to be present in the water;
 - (c) specific requirements as to other characteristics of those waters;
- and for the purposes of any such classification regulations under this section may provide that the question whether prescribed requirements are satisfied may be determined by reference to such samples as may be prescribed.

PART III

105.—(1) For the purpose of maintaining and improving the quality of controlled waters the Secretary of State may, by serving a notice on the Authority specifying—

Water quality objectives.

- (a) one or more of the classifications for the time being prescribed under section 104 above; and
 - (b) in relation to each specified classification, a date,
- establish the water quality objectives for any waters which are, or are included in, waters of a description prescribed for the purposes of that section.

(2) The water quality objectives for any waters to which a notice under this section relates shall be the satisfaction by those waters, on and at all times after each date specified in the notice, of the requirements which at the time of the notice were the requirements for the classification in relation to which that date is so specified.

(3) Where the Secretary of State has established water quality objectives under this section for any waters he may review objectives for those waters if—

- (a) five years or more have elapsed since the service of the last notice under subsection (1) or (6) of this section to be served in respect of those waters; or
 - (b) the Authority, after consultation with such water undertakers and other persons as it considers appropriate, requests a review;
- and the Secretary of State shall not exercise his power to establish objectives for any waters by varying the existing objectives for those waters except in consequence of such a review.

(4) Where the Secretary of State proposes to exercise his power under this section to establish or vary the objectives for any waters he shall—

- (a) give notice setting out his proposal and specifying the period (not being less than three months from the date of publication of the notice) within which representations or objections with respect to the proposal may be made; and
- (b) consider any representations or objections which are duly made and not withdrawn;

and, if he decides, after considering any such representations or objections, to exercise his power to establish or vary those objectives, he may do so either in accordance with the proposal contained in the notice or in accordance with that proposal as modified in such manner as he considers appropriate.

PART III

(5) A notice under subsection (4) above shall be given—

- (a) by publishing the notice in such manner as the Secretary of State considers appropriate for bringing it to the attention of persons likely to be affected by it; and
- (b) by serving a copy of the notice on the Authority.

(6) If, on a review under this section or in consequence of any representations or objections made following such a review for the purposes of subsection (4) above, the Secretary of State decides that the water quality objectives for any waters should remain unchanged, he shall serve notice of that decision on the Authority.

General duties
to achieve and
maintain
objectives etc.

1974 c. 40.

106.—(1) It shall be the duty of the Secretary of State and of the Authority to exercise the powers conferred on him or it by or under the following provisions of this Chapter in such manner as ensures, so far as it is practicable by the exercise of those powers to do so, that the water quality objectives specified for any waters in a notice under section 105 above, or in a notice under section 30C of the Control of Pollution Act 1974, are achieved at all times.

(2) It shall be the duty of the Authority, for the purposes of the carrying out of its functions under this Chapter, to monitor the extent of pollution in controlled waters and to consult, in such cases as it may consider appropriate, with river purification authorities in Scotland.

Controlling and remedying pollution

Offences of
polluting
controlled waters
etc.

107.—(1) Subject to section 108 below, a person contravenes this section if he causes or knowingly permits—

- (a) any poisonous, noxious or polluting matter or any solid waste matter to enter any controlled waters; or
- (b) any matter, other than trade effluent or sewage effluent, to enter controlled waters by being discharged from a drain or sewer in contravention of a relevant prohibition; or
- (c) any trade effluent or sewage effluent to be discharged—
 - (i) into any controlled waters; or
 - (ii) from land in England and Wales, through a pipe, into the sea outside the seaward limits of controlled waters;
 or
- (d) any trade effluent or sewage effluent to be discharged, in contravention of any relevant prohibition, from a building or from any fixed plant on to or into any land or into any waters of a lake or pond which are not inland waters; or
- (e) any matter whatever to enter any inland waters so as to tend (either directly or in combination with other matter which he or another person causes or permits to enter those waters) to impede the proper flow of the waters in a manner leading or likely to lead to a substantial aggravation of—
 - (i) pollution due to other causes; or
 - (ii) the consequences of such pollution.

(2) For the purposes of this section a discharge of any effluent or other matter is, in relation to any person, in contravention of a relevant prohibition if—

PART III

- (a) the Authority has given that person notice prohibiting him from making or, as the case may be, continuing the discharge;
- (b) the Authority has given that person notice prohibiting him from making or, as the case may be, continuing the discharge unless specified conditions are observed, and those conditions are not observed; or
- (c) the effluent or matter discharged contains a prescribed substance or a prescribed concentration of such a substance or derives from a prescribed process or from a process involving the use of prescribed substances or the use of such substances in quantities which exceed the prescribed amounts;

but nothing in this subsection shall authorise the giving of such a notice in respect of discharges from a vessel and nothing in any regulations made by virtue of paragraph (c) above shall require any discharge from a vessel to be treated as a discharge in contravention of a relevant prohibition.

(3) A notice given for the purposes of subsection (2)(a) or (b) above shall expire at such time as may be specified in the notice; and that time shall not be before the end of the period of three months beginning with the day on which the notice is given except in a case where the Authority is satisfied that there is an emergency which requires the relevant prohibition in question to come into force at such time before the end of that period as may be so specified.

(4) Where, in the case of such a notice for the purposes of subsection (2)(a) or (b) above as (but for this subsection) would expire at a time which is or is after the end of the said period of three months, an application is made before that time for a consent under this Chapter in respect of the discharge to which the notice relates, that notice shall be deemed not to expire until the result of the application becomes final—

- (a) on the grant or withdrawal of the application;
- (b) on the expiration, without the bringing of an appeal with respect to the decision on the application, of any period prescribed as the period within which any such appeal must be brought; or
- (c) on the withdrawal or determination of any such appeal.

(5) For the purposes of this section where—

- (a) any sewage effluent is discharged as mentioned in subsection (1)(c) or (d) above from any sewer or works vested in a sewerage undertaker; and
- (b) the undertaker did not cause or knowingly permit the discharge but was bound (either unconditionally or subject to conditions which were observed) to receive into the sewer or works matter included in the discharge,

the undertaker shall be deemed to have caused the discharge.

(6) A person who contravenes this section or the conditions of any consent given under this Chapter for the purposes of this section shall be guilty of an offence and liable—

- (a) on summary conviction, to imprisonment for a term not exceeding three months or to a fine not exceeding the statutory maximum or to both;
- (b) on conviction on indictment, to imprisonment for a term not exceeding two years or to a fine or to both.

PART III
 Authority for
 discharges and
 other defences
 for the purposes
 of section 107.

1974 c. 40.

1985 c. 48.

108.—(1) A person shall not be guilty of an offence under section 107 above in respect of the entry of any matter into any waters or any discharge if the entry occurs or the discharge is made under and in accordance with, or as a result of any act or omission under and in accordance with—

- (a) a consent given under this Chapter or under Part II of the Control of Pollution Act 1974;
- (b) a disposal licence;
- (c) a licence granted under Part II of the Food and Environment Protection Act 1985;
- (d) any local statutory provision or statutory order which expressly confers power to discharge effluent into water; or
- (e) any prescribed enactment;

but nothing in any disposal licence shall be treated for the purposes of this subsection as authorising any such entry or discharge as is mentioned in paragraphs (b) to (d) of section 107(1) above or as authorising any act or omission so far as it results in any such entry or discharge.

(2) A person shall not be guilty of an offence under section 107 above in respect of the entry of any matter into any waters or any discharge if—

- (a) the entry is caused or permitted, or the discharge is made, in an emergency in order to avoid danger to life or health;
- (b) that person takes all such steps as are reasonably practicable in the circumstances for minimising the extent of the entry or discharge and of its polluting effects; and
- (c) particulars of the entry or discharge are furnished to the Authority as soon as reasonably practicable after it occurs.

(3) A person shall not be guilty of an offence under section 107 above by reason of his causing or permitting any discharge of trade or sewage effluent from a vessel.

(4) A person shall not be guilty of an offence under section 107 above by reason only of his permitting water from an abandoned mine to enter controlled waters.

(5) A person shall not, otherwise than in respect of the entry of any poisonous, noxious or polluting matter into any controlled waters, be guilty of an offence under section 107 above by reason of his depositing the solid refuse of a mine or quarry on any land so that it falls or is carried into inland waters if—

- (a) he deposits the refuse on the land with the consent of the Authority;
- (b) no other site for the deposit is reasonably practicable; and
- (c) he takes all reasonably practicable steps to prevent the refuse from entering those inland waters.

1980 c. 66.

(6) A highway authority or other person entitled to keep open a drain by virtue of section 100 of the Highways Act 1980 shall not be guilty of an offence under section 107 above by reason of his causing or permitting any discharge to be made from a drain kept open by virtue of that section unless the discharge is made in contravention of a relevant prohibition under section 107 above.

PART III

(7) A sewerage undertaker shall not be guilty of an offence under section 107 above by reason only of the fact that a discharge from a sewer or works vested in the undertaker contravenes conditions of a consent relating to the discharge if—

- (a) the contravention is attributable to a discharge which another person caused or permitted to be made into the sewer or works;
- (b) the undertaker either was not bound to receive the discharge into the sewer or works or was bound to receive it there subject to conditions which were not observed; and
- (c) the undertaker could not reasonably have been expected to prevent the discharge into the sewer or works.

(8) A person shall not be guilty of an offence under section 107 above in respect of a discharge which he caused or permitted to be made into a sewer or works vested in a sewerage undertaker if the undertaker was bound to receive the discharge there either unconditionally or subject to conditions which were observed.

(9) In this section—

“disposal licence” has the same meaning as in Part I of the Control of Pollution Act 1974; and

“statutory order” means an order under section 155 below or any order, byelaw, scheme or award made under any other enactment, including an order or scheme confirmed by Parliament or brought into operation in accordance with special parliamentary procedure.

109.—(1) A person shall be guilty of an offence under this section if, without the consent of the Authority, he—

- (a) removes from any part of the bottom, channel or bed of any inland waters a deposit accumulated by reason of any dam, weir or sluice holding back the waters; and
- (b) does so by causing the deposit to be carried away in suspension in the waters.

Deposits and
vegetation in
rivers etc.

(2) A person shall be guilty of an offence under this section if, without the consent of the Authority, he—

- (a) causes or permits a substantial amount of vegetation to be cut or uprooted in any inland waters, or to be cut or uprooted so near to any such waters that it falls into them; and
- (b) fails to take all reasonable steps to remove the vegetation from those waters.

(3) A person guilty of an offence under this section shall be liable, on summary conviction, to a fine not exceeding level 4 on the standard scale.

(4) Nothing in subsection (1) above applies to anything done in the exercise of any power conferred by or under any enactment relating to land drainage, flood prevention or navigation.

(5) In giving a consent for the purposes of this section the Authority may make the consent subject to such conditions as it considers appropriate.

PART III

(6) The Secretary of State may by regulations provide that any reference to inland waters in subsection (1) or (2) above shall be construed as including a reference to such coastal waters as may be prescribed.

Requirements to take precautions against pollution.

110.—(1) The Secretary of State may by regulations make provision—

- (a) for prohibiting a person from having custody or control of any poisonous, noxious or polluting matter unless prescribed works and prescribed precautions and other steps have been carried out or taken for the purpose of preventing or controlling the entry of the matter into any controlled waters;
- (b) for requiring a person who already has custody or control of, or makes use of, any such matter to carry out such works for that purpose and to take such precautions and other steps for that purpose as may be prescribed.

(2) Without prejudice to the generality of the power conferred by subsection (1) above, regulations under that subsection may—

- (a) confer power on the Authority—
 - (i) to determine for the purposes of the regulations the circumstances in which a person is required to carry out works or take any precautions or other steps; and
 - (ii) by notice to that person, to impose the requirement and to specify or describe the works, precautions or other steps which that person is required to carry out or take;
- (b) provide for appeals to the Secretary of State against notices served by the Authority in pursuance of provision made by virtue of paragraph (a) above; and
- (c) provide that a contravention of the regulations shall be an offence the maximum penalties for which shall not exceed the penalties specified in subsection (6) of section 107 above.

111.—(1) Where the Secretary of State, after consultation (in the case of an area wholly or partly in England) with the Minister, considers that it is appropriate, with a view to preventing or controlling the entry of any poisonous, noxious or polluting matter into controlled waters, to prohibit or restrict the carrying on in a particular area of activities which he considers are likely to result in the pollution of any such waters, he may by order make provision—

- (a) designating that area as a water protection zone; and
- (b) prohibiting or restricting the carrying on in the designated area of such activities as may be specified or described in the order.

(2) Without prejudice to the generality of the power conferred by virtue of subsection (1) above, an order under this section may—

- (a) confer power on the Authority to determine for the purposes of the order the circumstances in which the carrying on of any activities is prohibited or restricted and to determine the activities to which any such prohibition or restriction applies;
- (b) apply a prohibition or restriction in respect of any activities to cases where the activities are carried on without the consent of the Authority or in contravention of any conditions subject to which any such consent is given;

PART III

- (c) provide that a contravention of a prohibition or restriction contained in the order or of a condition of a consent given for the purposes of any such prohibition or restriction shall be an offence the maximum penalties for which shall not exceed the penalties specified in subsection (6) of section 107 above;

- (b) on an application made in accordance with that Schedule by the Authority.

- (a) the owner of the freehold interest in any agricultural land in that area; or
- (b) where the owner of the freehold interest in any such land has given his written consent to the agreement being entered into by any person having another interest in that land, that other person,

(3) An agreement such as is mentioned in subsection (2) above between the relevant Minister and a person having an interest in any land shall bind all persons deriving title from or under that person to the extent that the agreement is expressed to bind that land in relation to those persons.

(4) Where it appears to the relevant Minister in relation to any area which is or is to be designated by an order under this section as a nitrate sensitive area that it is appropriate for provision for the imposition of requirements, prohibitions or restrictions to be contained in an order under this section (as well as for him to be able to enter into such agreements as are mentioned in subsection (2) above), he may, by a subsequent order under this section or, as the case may be, by the order designating that area—

- (a) with a view to achieving the purpose mentioned in subsection (1) above, require, prohibit or restrict the carrying on on or in relation to any agricultural land in that area of such activities as may be specified or described in the order; and
- (b) provide for such amounts (if any) as may be specified in or determined under the order to be paid by the Minister or the Secretary of State, to such persons as may be so specified or determined, in respect of the obligations imposed in relation to that area on those persons by virtue of paragraph (a) above.

(5) Without prejudice to the generality of subsection (4) above, provision contained in an order under this section by virtue of that subsection may—

- (a) confer power on the Minister or the Secretary of State to determine for the purposes of the order the circumstances in which the carrying on of any activities is required, prohibited or restricted and to determine the activities to which any such requirement, prohibition or restriction applies;
- (b) provide for any requirement to carry on any activity not to apply in cases where the Minister or the Secretary of State has consented to a failure to carry on that activity and any conditions on which the consent has been given are complied with;

- (6) An order under this section may—
- (a) make different provision for different cases, including different provision in relation to different persons, circumstances or localities; and
 - (b) contain such supplemental, consequential and transitional provision as the relevant Minister considers appropriate.
- (7) The power of the relevant Minister to make an order under this section shall be exercisable by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament; but the relevant Minister shall not make such an order except in accordance with any applicable provisions of Schedule 11 to this Act.
- (8) The Secretary of State and the Minister, acting jointly, may, for the purposes of any orders under this section which require the consent of either of those Ministers to the carrying on of any activities or to any failure to carry on any activity, by regulations make provision with respect to—

(3) Except in the case of a scheme made before the end of the period of two years beginning with the transfer date, the Authority shall not make a scheme under this section unless its provisions have been approved by the Secretary of State; and the consent of the Treasury shall be required for the giving of such an approval.

(4) Before submitting a scheme under this section to the Secretary of State for his approval the Authority shall, in such manner as it considers appropriate for bringing it to the attention of persons likely to be affected by it, publish a notice setting out its proposals and specifying the period within which representations or objections with respect to the proposals may be made to the Secretary of State.

(5) Where any proposed scheme has been submitted to the Secretary of State for his approval, it shall be the duty of the Secretary of State, in determining whether or not to approve the scheme or to approve it subject to modifications—

- (c) to have regard to the need to ensure that no undue preference is shown, and that there is no undue discrimination, in the fixing of charges by or under any scheme under this section.

the appropriate Minister shall by order made by statutory instrument specify, in relation to times after the coming into force of the variation, regulations or alteration, the number of members to be appointed to the committee by each of the constituent councils.

(6) An order under subsection (5) above shall be so framed that the total number of members appointed under section 137(3)(a) and (b) above is one less than the number of those appointed by or on behalf of constituent councils.

(7) For the purpose of determining for the purposes of subsection (5) above the number of persons to be appointed to a regional flood defence committee by or on behalf of each constituent council, the appropriate Minister—

(a) shall have regard to the relevant population of any relevant area of that council; and

(b) where, having regard to the proportion which that population bears to the aggregate of the relevant populations of the relevant areas of all the constituent councils—

(i) he considers it to be inappropriate that that council should appoint a member of the committee; or

(ii) he considers that one or more members should be appointed jointly by that council and one or more other constituent councils,

may include provision to that effect in the order.

(8) Where—

(a) the appointment of one or more members of a regional flood defence committee is, by virtue of subsection (1) above or an order under subsection (5) above, to be made jointly by more than one constituent council; and

(b) the councils by whom that appointment is to be made are unable to agree on an appointment,

the member or members in question shall be appointed by the appropriate Minister on behalf of those councils; and subsection (7) of section 137 above shall apply in relation to an appointment under this subsection as it applies in relation to an appointment under subsection (3)(a) of that section.

(9) In this section—

“member”, in relation to a regional flood defence committee, includes the chairman of the committee;

“relevant area”, in relation to a council which is a constituent council in relation to any regional flood defence committee, means so much of the council’s area as is included in the area of the committee;

“relevant population” has the same meaning as it has for the purposes of section 69 of the Local Government Finance Act 1988 (precepted authorities).

PART III
1988 c. 41.

139.—(1) A scheme, to be known as a local flood defence scheme, may be made in accordance with section 4 of the 1976 Act—

- (a) for the creation in the area of a regional flood defence committee of one or more districts, to be known as local flood defence districts; and
- (b) for the constitution, membership, functions and procedure of a committee for each such district, to be known as the local flood defence committee for that district.

(2) Any local land drainage scheme which was made or continued in force under section 4 of the 1976 Act and which is in force immediately before the transfer date in relation to an area which becomes the area of a regional flood defence committee under this Chapter shall have effect on and after that date, and may be amended or revoked under that Act, as if it were a local flood defence scheme made in relation to the area of that committee; and, accordingly, subject to any such amendment or revocation—

- (a) any local land drainage district created by that scheme and (however defined) in being immediately before that date shall be treated, on and after that date, as such a local flood defence district of the area of that regional flood defence committee as is defined by reference to the area of that local land drainage district; and
- (b) any local land drainage committee created by that scheme for any such district and in being immediately before that date shall be treated, on and after that date, as the local flood defence committee for that district.

(3) Subject to subsection (4) below, section 5 of the 1976 Act (members and proceedings of local land drainage committees) shall have effect on and after the transfer date in relation to local flood defence committees as it had effect before that date in relation to local land drainage committees.

(4) For the purposes of subsection (3) above, any person who immediately before the transfer date is, by virtue of an appointment by a regional land drainage committee or any council, the chairman or a member of a local land drainage committee which becomes a local flood defence committee under this section shall be treated, on and after that date for the remainder of the period for which he would, under the terms of his appointment, have held office in relation to the local land drainage committee—

- (a) as if he had been appointed to the local flood defence committee by the regional flood defence committee, or (as the case may be) by that council, on the same terms; and
- (b) in the case of the chairman, as if he were a member of the regional flood defence committee.

(5) Without prejudice to his eligibility for re-appointment if he is a member of the regional flood defence committee, any person who on the day appointed for the purposes of subsection (4) of section 137 above in relation to any regional flood defence committee is, by virtue of subsection (4) above, the chairman of a local flood defence committee for

PART III a district in the area of that regional flood defence committee shall cease to be the chairman of that local flood defence committee at the end of that day.

1975 c. 24. (6) In the House of Commons Disqualification Act 1975, in Part III of Schedule 1 (other disqualifying offices), there shall be inserted (at the appropriate place) the following entry—

“Chairman of a local flood defence committee for any district in England and Wales.”

Internal drainage districts and internal drainage boards.

140. For the purposes of the drainage of land the internal drainage districts within the areas of the water authorities shall continue on and after the transfer date, in accordance with section 6 of the 1976 Act, as internal drainage districts within the areas of the regional flood defence committees; and for each such district there shall continue, in accordance with that section, to be a board known as an internal drainage board, which shall be a body corporate.

PART III
1970 c. 39.

(3) Nothing in this section with respect to the carrying out of works shall be construed as conferring any power to do anything otherwise than for the purpose of giving the Authority capacity as a corporation to do that thing; and, accordingly, without prejudice to the provisions of Part IV of this Act, this section shall be disregarded for the purpose of determining whether the Authority is liable, on grounds other than an incapacity by virtue of its constitution, for any act or omission in exercise of a power to carry out works conferred by this section.

146.—(1) Directions of a general or specific character may be given to the Authority—

- (c) delivered one part to the occupier of the land or the owner or master of the vessel and retained one part, apart from the one he submitted to be analysed, for future comparison.

PART III

(2) If it is not reasonably practicable for a person taking a sample to comply with the requirements of subsection (1) above on taking the sample, those requirements shall be treated as having been complied with if they were complied with as soon as reasonably practicable after the sample was taken.

(3) In relation to any proceedings in respect of effluent passing from a public sewer or other outfall belonging to a sewerage undertaker into any water, this section shall have effect as if the references to the occupier of the land were references to the sewerage undertaker in which the sewer or outfall is vested.

"the Broads" has the same meaning as in the Norfolk and Suffolk Broads Act 1988.

1988 c. 4.

153.—(1) Schedule 19 to this Act (which confers powers on the Authority and on water undertakers and sewerage undertakers for the purpose of enabling them to lay pipes and sewers and carry out related works) shall have effect.

(8) A contravention of a code of practice as for the time being approved under this section in relation to a company shall not affect the powers conferred on that company as a water undertaker or sewerage undertaker by Schedule 19 to this Act or of itself entitle any person to be paid any amount under subsection (4) above or give rise to any criminal or civil liability, but the Director shall take into account whether there has

PART IV

been any such contravention in determining whether to give a direction under that subsection to that company and in determining the amount to which any such direction relates.

(9) Except in the case of an order made before the transfer date or at any time in the period of three months beginning with that date, the Secretary of State shall not make an order under subsection (7) above unless he has first consulted all such persons as he considers it appropriate to consult.

1.—(1) Each of the water authorities shall make a scheme under this Schedule for the division of all their property, rights and liabilities between their successor company and the Authority.

(2) Where a scheme under this Schedule is made by a water authority it shall not take effect unless it is approved by the Secretary of State.

(3) Where a scheme under this Schedule is submitted to the Secretary of State for his approval, he may modify the scheme before approving it.

- (b) the Secretary of State decides not to approve a scheme that has been submitted to him by a water authority (either with or without modifications),

the Secretary of State may himself make a scheme under this Schedule for the division of that water authority’s property, rights and liabilities between the water authority’s successor company and the Authority.

SCH. 2 (5) If at any time after a scheme under this Schedule has come into force in relation to the property, rights and liabilities of any water authority the Secretary of State considers it appropriate to do so and either—

- (a) the water authority's successor company has consented to the making of the order; or
- (b) that company is for the time being wholly owned by the Crown and has been consulted by the Secretary of State,

the Secretary of State may by order provide that that scheme shall for all purposes be deemed to have come into force with such modifications as may be specified in the order.

(6) An order under sub-paragraph (5) above may make, with effect from the coming into force of the scheme to which it relates, any such provision as could have been made by the scheme and, in connection with giving effect to that provision from that time, may contain such supplemental, consequential and transitional provision as the Secretary of State considers appropriate.

(7) In determining whether and in what manner to exercise any power conferred on him by this paragraph the Secretary of State shall have regard to the need to ensure—

- (a) that any division of property, rights and liabilities between a successor company and the Authority which is effected under this Schedule allocates property, rights and liabilities to them in such proportions as appear to him to be appropriate in the context of the different functions which will, by virtue of this Act, be carried out by the company and the Authority; and
- (b) that the scheme contains all such provision as he considers should take effect on the transfer date in relation to the property, rights or liabilities allocated by the scheme as provision contained in arrangements under section 126 of this Act.

(8) It shall be the duty of a water authority to provide the Secretary of State with all such information and other assistance as he may reasonably require for the purposes of, or in connection with, the exercise of any power conferred on him by this paragraph.

Transfers by scheme

2.—(1) Where a scheme under this Schedule for the division of a water authority's property, rights and liabilities comes into force on the transfer date, this paragraph shall have effect on that date so as, in accordance with the scheme's provisions and without further assurance—

- (a) to transfer to the Authority such of the property, rights and liabilities as are allocated to the Authority for the purposes of the division made by the scheme; and
- (b) to transfer to the water authority's successor company the remainder of the property, rights and liabilities;

and accordingly the said remainder shall be treated for the purposes of this Act as allocated to that company.

(2) For the purpose of making a division of any property, rights or liabilities between a successor company and the Authority the provisions of a scheme under this Schedule may—

- (a) allocate to the Authority such property, rights and liabilities to which the water authority may become entitled or subject after the making of the scheme and before the transfer date as may be described in the scheme;
- (b) create for the successor company or the Authority an interest in or right over property transferred in accordance with the scheme to the other;

 - (ii) other rights and liabilities under enactments which are amended or repealed by this Act subject to a saving;
- (d) rights and liabilities under the law of any part of the United Kingdom or of any country or territory outside the United Kingdom.

(4) The rights and liabilities that may be created by virtue of paragraph (c) of sub-paragraph (2) above shall include rights and liabilities which, with effect from the transfer date, shall have effect as if contained in arrangements under section 126 of this Act; and the provision that may be made by virtue of that paragraph includes—

1925 c. 20.

(5) For the avoidance of doubt, it is hereby declared that the transfers authorised by paragraph (a) of sub-paragraph (3) above include transfers which, by virtue of that paragraph, are to take effect as if there were no such contravention, liability or interference with any interest or right as there would be, in the case of a transfer or assignment otherwise than by virtue of this Schedule, by reason of any provision having effect (whether under any enactment or agreement or otherwise) in relation to the terms on which a water authority is entitled or subject to the property, right or liability in question.

(6) Where apart from this sub-paragraph any person would have power, in consequence of anything done or likely to be done by or under this Act, to terminate or modify an interest or right which is vested in a water authority at the passing of this Act, then—

- (a) for the purposes of the transfer of the interest or right in accordance with a scheme under this Schedule, that power shall not be exercisable in relation to that interest or right at any time before its transfer in accordance with such a scheme; and

- SCH. 2 (b) without prejudice to the preceding provisions of this paragraph or to paragraph 3(2)(a) below, that power shall be exercisable in relation to the interest or right after its transfer only in so far as the scheme provides for it to be transferred subject to the power.

Supplemental provisions of schemes

3.—(1) A scheme under this Schedule may contain supplemental, consequential and transitional provision for the purposes of, or in connection with, the division or any other provision made by the scheme.

(2) Without prejudice to the generality of sub-paragraph (1) above, a scheme under this Schedule may provide—

- (a) that for purposes connected with any transfers made in accordance with the scheme (including the transfer of rights and liabilities under an enactment) a body to which anything is transferred in accordance with the scheme is to be treated as the same person in law as the water authority from which it is transferred;
- (b) that, so far as may be necessary for the purposes of or in connection with any such transfers, agreements made, transactions effected and other things done by or in relation to a water authority from which anything is transferred in accordance with the scheme are to be treated as made, effected or done by or in relation to the body to which it is transferred;
- (c) that, so far as may be necessary for the purposes of or in connection with any such transfers, references in any agreement (whether or not in writing) or in any deed, bond, instrument or other document to, or to any member or officer of, a water authority from which anything is transferred in accordance with the scheme are to have effect with such modifications as are specified in the scheme;
- (d) that proceedings commenced by or against a water authority are to be continued by or against the water authority's successor company or the Authority;
- (e) that the effect of any transfer under the scheme in relation to contracts of employment with a water authority is not to be to terminate any of those contracts but is to be that periods of employment with that authority are to count for all purposes as periods of employment with the water authority's successor company or, as the case may require, with the Authority;
- (f) that disputes as to the effect of the scheme between the Authority and the successor company to which property, rights and liabilities are transferred in accordance with the scheme are to be referred to such arbitration as may be specified in or determined under the scheme;
- (g) that determinations on such arbitrations and certificates given jointly by the Authority and a successor company as to the effect of the scheme as between the Authority and that company are to be conclusive for all purposes.

Duties of water authorities after the scheme comes into force

4.—(1) A scheme under this Schedule may provide for the imposition of duties on the water authority from which transfers are made by virtue of the scheme, and on the successor company of that authority and on the Authority, to take all such steps as may be requisite to secure that the vesting in the successor company or the Authority, by virtue of the scheme, of any foreign property, right or liability is effective under the relevant foreign law.

(2) The provisions of a scheme under this Schedule may require a water authority to comply with any directions of their successor company or of the Authority in performing any duty imposed on the water authority by virtue of a provision included in the scheme under sub-paragraph (1) above.

(3) A scheme under this Schedule may provide that, until the vesting of any foreign property, right or liability of a water authority in the successor company of that authority or in the Authority is effective under the relevant foreign law, it shall be the duty of the water authority to hold that property or right for the benefit of, or to discharge that liability on behalf of, the successor company or, as the case may be, the Authority.

SCH. 2

(4) Nothing in any provision included by virtue of this paragraph in a scheme under this Schedule shall be taken as prejudicing the effect under the law of any part of the United Kingdom of the vesting by virtue of the scheme in a successor company, or in the Authority, of any foreign property, right or liability.

(2) The first case in which this Schedule applies is where—

- (a) the Secretary of State or the Director is proposing to make an appointment or variation to which section 12 of this Act applies; and
- (b) by virtue of that appointment a company (“the new appointee”) will hold an appointment as the water undertaker or sewerage undertaker for an area which is or includes the whole or any part of the area for which until the relevant date another company (“the existing appointee”) holds an appointment as the water undertaker or, as the case may be, sewerage undertaker.

(3) The second case in which this Schedule applies is where—

- (a) the High Court has made a special administration order in relation to any company (“the existing appointee”); and
- (b) it is proposed that on and after the relevant date another company (“the new appointee”) should, without any such appointment or variation as is mentioned in sub-paragraph (2) above having been made, hold an appointment as water undertaker or sewerage undertaker for an area which is or includes the whole or any part of the area for which until that date the existing appointee holds an appointment as water undertaker or, as the case may be, sewerage undertaker.

(4) In this Schedule—

“other appointees” means any companies, other than the existing appointee and the new appointee, which are likely on or at a time after the relevant date to be holding appointments as water undertakers or sewerage

Making and modification of transfer schemes

2.—(1) The existing appointee, acting with the consent of the new appointee and, in relation to the matters affecting them, of any other appointees, may make a scheme under this Schedule for the transfer of property, rights and liabilities from the existing appointee to the new appointee.

(2) A scheme under this Schedule shall not take effect unless it is approved by the Secretary of State or the Director.

(3) Where a scheme under this Schedule is submitted to the Secretary of State or the Director for his approval, he may, with the consent of the new appointee, of the existing appointee and, in relation to the matters affecting them, of any other appointees, modify the scheme before approving it.

(4) If at any time after a scheme under this Schedule has come into force in relation to the property, rights and liabilities of any company the Secretary of State considers it appropriate to do so and the existing appointee, the new appointee and, in relation to the provisions of the order which affect them, any other appointees consent to the making of the order, the Secretary of State may by order provide that that scheme shall for all purposes be deemed to have come into force with such modifications as may be specified in the order.

(5) An order under sub-paragraph (4) above may make, with effect from the coming into force of the scheme to which it relates, any such provision as could have been made by the scheme and, in connection with giving effect to that provision from that time, may contain such supplemental, consequential and transitional provision as the Secretary of State considers appropriate.

(6) In determining, in accordance with his duties under Part I of this Act, whether and in what manner to exercise any power conferred on him by this paragraph the Secretary of State or the Director shall have regard to the need to ensure that any provision for the transfer of property, rights and liabilities in accordance with a scheme under this Schedule allocates property, rights and liabilities to the different companies affected by the scheme in such proportions as appear to him to be appropriate in the context of the different functions which will, by virtue of this Act, be carried out at different times on and after the relevant date by the new appointee, by the existing appointee and by any other appointees.

(7) It shall be the duty of the new appointee, of the existing appointee and of any other appointees to provide the Secretary of State or the Director with all such information and other assistance as he may reasonably require for the purposes of, or in connection with, the exercise of any power conferred on him by this paragraph.

(9) Without prejudice to the other provisions of this Act relating to the special administrator of a company, anything which is required by this paragraph to be done by a company shall, where that company is a company in relation to which a special administration order is in force, be effective only if it is done on the company's behalf by its special administrator.

Transfers by scheme

3.—(1) A scheme under this Schedule for the transfer of the existing appointee's property, rights and liabilities shall come into force on the relevant date and, on coming into force, shall have effect, in accordance with its provisions and without further assurance, so as to transfer the property, rights and liabilities to which the scheme relates to the new appointee.

(2) For the purpose of making any division of property, rights or liabilities which it is considered appropriate to make in connection with the transfer of property, rights and liabilities in accordance with a scheme under this Schedule, the provisions of that scheme may—

- (a) create for the existing appointee, the new appointee or any other appointees an interest in or right over any property to which the scheme relates;
- (b) create new rights and liabilities as between any two or more of those companies; and
- (c) in connection with any provision made by virtue of paragraph (a) or (b) above, make incidental provision as to the interests, rights and liabilities of other persons with respect to the subject-matter of the scheme.

(3) A scheme under this Schedule may contain provision for the consideration to be provided by the new appointee and by any other appointees in respect of the transfer or creation of property, rights and liabilities by means of the scheme; and any such provision shall be enforceable in the same way as if the property, rights and liabilities had been created or transferred, and (if the case so requires) had been capable of being created or transferred, by agreement between the parties.

(4) The property, rights and liabilities of the existing appointee that shall be capable of being transferred in accordance with a scheme under this Schedule shall include—

- (a) property, rights and liabilities that would not otherwise be capable of being transferred or assigned by the existing appointee;
- (b) such property, rights and liabilities to which the existing appointee may become entitled or subject after the making of the scheme and before the relevant date as may be described in the scheme;
- (c) property situated anywhere in the United Kingdom or elsewhere;
- (d) rights and liabilities under enactments;
- (e) rights and liabilities under the law of any part of the United Kingdom or of any country or territory outside the United Kingdom.

(5) Where a scheme under this Schedule is made in the case specified in paragraph 1(3) above, the scheme may provide for the transfer to the new appointee, with such modifications as may be specified in the scheme, of the appointment under Chapter I of Part II of this Act which is held by the existing appointee; and in such a case different schemes under this Schedule may provide for the transfer of such an appointment to different companies as respects different parts of the area to which the appointment relates.

(6) The provision that may be made by virtue of sub-paragraph (2)(b) above includes—

SCH. 5

- (a) provision for treating any person who is entitled by virtue of a scheme under this Schedule to possession of a document as having given another person an acknowledgement in writing of the right of that other person to the production of the document and to delivery of copies thereof; and
- (b) provision applying section 64 of the Law of Property Act 1925 (production and safe custody of documents) in relation to any case in relation to which provision falling within paragraph (a) above has effect.

1925 c. 20.

(7) For the avoidance of doubt, it is hereby declared that the transfers authorised by paragraph (a) of sub-paragraph (4) above include transfers which, by virtue of that paragraph, are to take effect as if there were no such contravention, liability or interference with any interest or right as there would be, in the case of a transfer or assignment otherwise than in accordance with a scheme under this Schedule, by reason of any provision having effect (whether under any enactment or agreement or otherwise) in relation to the terms on which the existing appointee is entitled or subject to the property, right or liability in question.

Supplemental provisions of schemes

4.—(1) A scheme under this Schedule may contain supplemental, consequential and transitional provision for the purposes of, or in connection with, the provision for the transfers or any other provision made by the scheme.

(2) Without prejudice to the generality of sub-paragraph (1) above, a scheme under this Schedule may provide—

- (a) that for purposes connected with any transfers made in accordance with the scheme (including the transfer of rights and liabilities under an enactment) the new appointee is to be treated as the same person in law as the existing appointee;
- (b) that, so far as may be necessary for the purposes of or in connection with any such transfers, agreements made, transactions effected and other things done by or in relation to the existing appointee are to be treated as made, effected or done by or in relation to the new appointee;
- (c) that, so far as may be necessary for the purposes of or in connection with any such transfers, references in any agreement (whether or not in writing) or in any deed, bond, instrument or other document to, or to any officer of, the existing appointee are to have effect with such modifications as are specified in the scheme;
- (d) that proceedings commenced by or against the existing appointee are to be continued by or against the new appointee;
- (e) that the effect of any transfer under the scheme in relation to contracts of employment with the existing appointee is not to be to terminate any of those contracts but is to be that periods of employment with the existing appointee are to count for all purposes as periods of employment with the new appointee;
- (f) that disputes as to the effect of the scheme between the existing appointee and the new appointee, between either of them and any other appointee or between different companies which are other appointees are to be referred to such arbitration as may be specified in or determined under the scheme;
- (g) that determinations on such arbitrations and certificates given jointly by two or more such appointees as are mentioned in paragraph (f) above as to the effect of the scheme as between the companies giving the certificates are to be conclusive for all purposes.

SCH. 5

Duties of existing appointee after the scheme comes into force

5.—(1) A scheme under this Schedule may provide for the imposition of duties on the existing appointee and on the new appointee to take all such steps as may be requisite to secure that the vesting in the new appointee, by virtue of the scheme, of any foreign property, right or liability is effective under the relevant foreign law.

(2) The provisions of a scheme under this Schedule may require the existing appointee to comply with any directions of the new appointee in performing any duty imposed on the existing appointee by virtue of a provision included in the scheme under sub-paragraph (1) above.

(3) A scheme under this Schedule may provide that, until the vesting of any foreign property, right or liability of the existing appointee in the new appointee is effective under the relevant foreign law, it shall be the duty of the existing appointee to hold that property or right for the benefit of, or to discharge that liability on behalf of, the new appointee.

(4) Nothing in any provision included by virtue of this paragraph in a scheme under this Schedule shall be taken as prejudicing the effect under the law of any part of the United Kingdom of the vesting by virtue of the scheme in the new appointee of any foreign property, right or liability.

(5) A scheme under this Schedule may provide that, in specified cases, foreign property, rights or liabilities that are acquired or incurred by an existing appointee after the scheme comes into force are immediately to become property, rights or liabilities of the new appointee; and such a scheme may make the same provision in relation to any such property, rights or liabilities as can be made, by virtue of the preceding provisions of this paragraph, in relation to foreign property, rights and liabilities vested in the existing appointee when the scheme comes into force.

(6) References in this paragraph to any foreign property, right or liability are references to any property, right or liability as respects which any issue arising in any proceedings would have to be determined (in accordance with the rules of private international law) by reference to the law of a country or territory outside the United Kingdom.

(7) Any expenses incurred by an existing appointee in consequence of any provision included by virtue of this paragraph in a scheme under this Schedule shall be met by the new appointee.

(8) Duties imposed on a company by virtue of this paragraph shall be enforceable in the same way as if they were imposed by a contract between the existing appointee and the new appointee.

Further transitional provision and local statutory provisions

- (a) that the proposed or authorised operations, or such of them as are specified in the notice, are to be prohibited; or
- (b) that those operations, or such of them as are so specified, are to be prohibited except in so far as they are carried out in accordance with conditions which consist in or include conditions so specified; or

- (c) that the Secretary of State has no objection to those operations and does not intend to impose any requirements as to the conditions on which they are carried out. SCH. 9
- (3) Without prejudice to paragraph 4 below, a notice under this paragraph, in addition to containing such provision as is specified in sub-paragraph (2) above, may do one or both of the following, that is to say—
- (a) vary or revoke the provisions of a previous notice with respect to the proposed or authorised operations; and
 - (b) for the purpose of giving effect to any prohibition or other requirement contained in the notice, vary or revoke any actual or deemed consent under the 1937 Act or any agreement under section 7 of that Act.
- (4) The Secretary of State shall send a copy of every notice served under this paragraph to the Director.

Effect of determination

4.—(1) Where a notice under paragraph 3 above has been served on a sewerage undertaker, it shall be the duty of the undertaker and, in relation to that undertaker, of the Director so to exercise the powers to which this paragraph applies as to secure compliance with the provisions of the notice.

(2) This paragraph applies to the following powers, that is to say—

- (a) in relation to a sewerage undertaker, any of its powers under section 2 of the 1937 Act (trade effluent consents) or section 60 of the 1961 Act (variation of conditions) and any power to enter into or vary an agreement under section 7 of the 1937 Act; and
- (b) in relation to the Director, any of his powers under the 1937 Act, Part V of the 1961 Act or section 43 of the Control of Pollution Act 1974. 1974 c. 40.

(3) Nothing in section 59 of the 1961 Act (conditions of consent) shall be construed as restricting the power of the Secretary of State, by virtue of sub-paragraph (2)(b) of paragraph 3 above, to specify such conditions as he considers appropriate in a notice under that paragraph or restricting the power of a sewerage undertaker, for the purpose of complying with this paragraph, to impose any condition specified in such a notice.

Enforcement

5. Any duty of a sewerage undertaker under this Schedule shall be enforceable under section 20 of this Act by the Secretary of State; but where an application is made to the Secretary of State under that section in respect of a failure by a sewerage undertaker to make a reference under paragraph 1 above, the Secretary of State may, instead of making an order under that section, proceed with the matter as if the application were the reference.

Compensation

6.—(1) Subject to sub-paragraph (2) below, the Secretary of State shall be liable to pay compensation to the relevant person in respect of any loss or damage sustained by that person as a result of any notice under paragraph 3 above containing the Secretary of State's determination on a review which—

- (a) has been carried out by virtue of sub-paragraph (3)(b) of paragraph 2 above; and
- (b) but for the said sub-paragraph (3)(b), would have been prohibited by virtue of sub-paragraph (2) of that paragraph.

(2) The Secretary of State shall not be required to pay any compensation under sub-paragraph (1) above if the determination in question is shown to have been given in consequence of—

- SCH. 9 (a) a change of circumstances which could not reasonably have been foreseen at the relevant time; or
 (b) consideration by the Secretary of State of material information which was not reasonably available to him at that time.

(3) Any compensation required to be paid by the Secretary of State under this paragraph shall be paid out of money provided by Parliament.

- 1974 c. 40. (4) No person shall be entitled to any compensation under section 45 of the Control of Pollution Act 1974 (early variation of conditions) in respect of anything done in pursuance of paragraph 4 above.

Power of entry

- 1936 c. 49. 7. Section 287 of the Public Health Act 1936 and section 10 of the 1937 Act (powers of entry) shall have effect in relation to the provisions of this Schedule as they have effect, in accordance with paragraph 3(7) of Schedule 8 to this Act, in relation to the 1937 Act but as if the designation required by virtue of paragraph 2(9)(a) of that Schedule were a designation by the Secretary of State.

Power to disclose information obtained under the 1937 Act

8. In section 68(1) of the 1961 Act (restriction on disclosure of information), the references in paragraphs (b) and (c) to the 1937 Act shall include references to this Schedule.

Interpretation

9. In this Schedule—

“the relevant person”, in relation to a reference or review under paragraph 1 or 2 above, means the owner or occupier of the trade premises in question, according to whether the authorised or proposed operations to which the reference or review relates are operations by the owner or occupier or, as the case may be, to whether it is the owner or occupier who is proposing to be or is a party to the agreement to which the reference or review relates;

“the relevant time”, in relation to a review of any consent or agreement, means the time or last time when notice of the Secretary of State’s determination, on a reference or review under paragraph 1 or 2 above of any question relating to that consent or agreement, was served on the owner or occupier of the trade premises in question;

SCH. 9

“trade effluent” and “trade premises” have the same meanings as in the 1937 Act.

but on such an application the undertaker shall not refuse its consent, or impose any such condition as is mentioned in paragraph (b) above, unless it is reasonable to do so.

(4) Where any water undertaker or sewerage undertaker has given a notice to any person imposing any such condition as is mentioned in sub-paragraph (3)(b) above, then, unless that person notifies the undertaker that the carrying out of the works to which the condition relates is no longer required, the undertaker—

- (d) that other undertaker has agreed to bear a reasonable proportion of the expenses of obtaining the reading together with the reasonable expenses of the disclosure of the reading to it,

it shall be the duty of the undertaker who obtained the reading to disclose the reading to the other undertaker.

Interpretation

6.—(1) In this Schedule "meter" means any apparatus for measuring or showing the volume of water supplied to, or of effluent discharged from, any premises.

(2) In this Schedule any reference to the fixing of charges in relation to any premises by reference to volume is a reference to the fixing of those charges by reference to the volume of water supplied to those premises, to the volume of effluent discharged from those premises, to both of those factors or to one or both of those factors taken together with other factors.

SCHEDULE 11

Section 112.

ORDERS DESIGNATING NITRATE SENSITIVE AREAS

PART I

APPLICATIONS BY THE AUTHORITY FOR DESIGNATION ORDERS

Orders made only on application

1.—(1) Subject to sub-paragraphs (2) and (3) below, the relevant Minister shall not make an order under section 112 of this Act by virtue of which any land is designated as a nitrate sensitive area, except with the consent of the Treasury and on an application which—

- (a) has been made by the Authority in accordance with paragraph 2 below; and
- (b) by virtue of sub-paragraph (2)(a) of that paragraph identifies the controlled waters with respect to which that land is so comprised by the order.

(2) This paragraph shall not apply to an order which reproduces or amends an existing order without adding any land appearing to the relevant Minister to constitute a significant area to the land already comprised in the areas for the time being designated as nitrate sensitive areas.

- SCH. 11 (3) An application by the Authority shall not be required by virtue of this paragraph in the case of any order made before the end of the period of six months beginning with the transfer date.

Procedure for applications

2.—(1) The Authority shall not for the purposes of paragraph 1 above apply for the making of any order under section 112 of this Act by which any land would be comprised in the areas for the time being designated as nitrate sensitive areas unless it appears to the Authority—

- (a) that pollution is or is likely to be caused by the entry of nitrate into controlled waters as a result of, or of anything done in connection with, the use of particular land in England and Wales for agricultural purposes; and
 - (b) that the provisions for the time being in force in relation to those waters and that land are not sufficient, in the opinion of the Authority, for preventing or controlling such an entry of nitrate into those waters.
- (2) An application under this paragraph shall identify—
- (a) the controlled waters appearing to the Authority to be waters which the nitrate is or is likely to enter; and
 - (b) the land appearing to the Authority to be the land the use of which for agricultural purposes, or the doing of anything in connection with whose use for agricultural purposes, is resulting or is likely to result in the entry of nitrate into those waters.
- (3) An application under this paragraph shall be made—
- (a) where the land identified in the application is wholly in Wales, by serving a notice containing the application on the Secretary of State; and
 - (b) in any other case, by serving such a notice on the Secretary of State and on the Minister.

PART II

ORDERS CONTAINING MANDATORY PROVISIONS ETC.

Publication of proposal for order containing mandatory provisions

3.—(1) This paragraph applies where the relevant Minister proposes to make an order under section 112 of this Act which—

- (a) makes or modifies any such provision as is authorised by subsection (4)(a) of that section; and
 - (b) in doing so, contains provision which is not of one of the following descriptions, that is to say—
 - (i) provision reproducing existing provisions without modification and in relation to substantially the same area; and
 - (ii) provision modifying any existing provisions so as to make them less onerous.
- (2) The relevant Minister shall, before making any such order as is mentioned in sub-paragraph (1) above—
- (a) publish a notice with respect to the proposed order, at least once in each of two successive weeks, in one or more newspapers circulating in the locality in relation to which the proposed order will have effect;
 - (b) not later than the date on which that notice is first published, serve a copy of the notice on—
 - (i) the Authority;
 - (ii) every local authority and water undertaker whose area includes the whole or any part of that locality; and

(iii) in the case of an order containing any such provision as is authorised by section 112(4)(b) of this Act, such owners and occupiers of agricultural land in that locality as appear to the relevant Minister to be likely to be affected by the obligations in respect of which payments are to be made under that provision;

and

(c) publish a notice in the London Gazette which—

(i) names every local authority on whom a notice is required to be served under this paragraph;

(ii) specifies a place where a copy of the proposed order and of any relevant map or plan may be inspected; and

(iii) gives the name of every newspaper in which the notice required by virtue of paragraph (a) above was published and the date of an issue containing the notice.

(3) The notice required by virtue of sub-paragraph (2)(a) above to be published with respect to any proposed order shall—

(a) state the general effect of the proposed order;

(b) specify a place where a copy of the proposed order, and of any relevant map or plan, may be inspected by any person free of charge at all reasonable times during the period of forty-two days beginning with the date of the first publication of the notice; and

(c) state that any person may, within that period, by notice to the Secretary of State or, as the case may be, to the Secretary of State or the Minister object to the making of the order.

Supply of copies of proposed orders

4. The Secretary of State and, in a case where he is proposing to join in making the order, the Minister shall, at the request of any person and on payment by that person of such charge (if any) as the Secretary of State or the Minister may reasonably require, furnish that person with a copy of any proposed order of which notice has been published under paragraph 3 above.

Modifications of proposals

5.—(1) Where notices with respect to any proposed order have been published and served in accordance with paragraph 3 above and the period of forty-two days mentioned in sub-paragraph (3)(b) of that paragraph has expired, the relevant Minister may make the order either in the proposed terms or, subject to sub-paragraph (2) below (but without any further compliance with paragraph 3 above), in those terms as modified in such manner as he thinks fit, or may decide not to make any order.

(2) The relevant Minister shall not make such a modification of a proposed order of which notice has been so published and served as he considers is likely adversely to affect any persons unless he has given such notices as he considers appropriate for enabling those persons to object to the modification.

(3) Subject to sub-paragraph (2) above and to the service of notices of the proposed modification on such local authorities as appear to him to be likely to be interested in it, the modifications that may be made by the relevant Minister include any modification of the area designated by the proposed order as a nitrate sensitive area.

(4) For the purposes of this Schedule it shall be immaterial, in a case in which a modification such as is mentioned in sub-paragraph (3) above incorporates land in England in an area which (but for the modification) would have been wholly in Wales, that any requirements of paragraph 3 above in relation to the proposed order have been complied with by the Secretary of State, rather than by the Secretary of State and the Minister.

SCH. 11

Consideration of objections etc.

6. Without prejudice to section 120 of this Act, where notices with respect to any proposed order have been published and served in accordance with paragraph 3 above, the Secretary of State or, as the case may be, the Secretary of State and the Minister may, if he or they consider it appropriate to do so, hold a local inquiry before deciding whether or not to make the proposed order or to make it with modifications.

Consent of Treasury for payment provisions

7. The consent of the Treasury shall be required for the making of any order under section 112 of this Act the making of which does not require the consent of the Treasury by virtue of paragraph 1 above but which contains any such provision as is authorised by subsection (4)(b) of that section.

Section 113.

SCHEDULE 12

CONSENTS TO CERTAIN DISCHARGES

Applications for consents

1.—(1) An application for a consent for the purposes of section 108(1)(a) of this Act for any discharges shall be made to the Authority; and such an application shall be accompanied or supplemented by all such information as the Authority may reasonably require.

(2) An application made in accordance with this paragraph which relates to proposed discharges at two or more places may be treated by the Authority as separate applications for consents for discharges at each of those places.

(3) Where an application is made in accordance with this paragraph the Authority shall—

- (a) publish notice of the application, at least once in each of two successive weeks, in a newspaper or newspapers circulating in—
 - (i) the locality or localities in which the places are situated at which it is proposed in the application that the discharges should be made; and
 - (ii) the locality or localities appearing to the Authority to be in the vicinity of any controlled waters which the Authority considers likely to be affected by the proposed discharges;
- (b) publish a copy of that notice in an edition of the London Gazette published no earlier than the day after the publication of the last of the notices to be published by virtue of paragraph (a) above;
- (c) send a copy of the application to every local authority or water undertaker within whose area any of the proposed discharges is to occur;
- (d) in the case of an application which relates to proposed discharges into coastal waters, relevant territorial waters or waters outside the seaward limits of relevant territorial waters, serve a copy of the application on the Secretary of State and on the Minister.

(4) The Authority shall be entitled, on an application made in accordance with this paragraph, to disregard the provisions of paragraphs (a) to (c) of subparagraph (3) above if it proposes to give the consent applied for and considers that the discharges in question will have no appreciable effect on the waters into which it is proposed that they should be made.

(5) It shall be the duty of the Authority to consider any written representations or objections with respect to an application under this paragraph which are made to it in the period of six weeks beginning with the day of the publication of notice of the application in the London Gazette and are not withdrawn.

(6) Where notice of an application under this paragraph is published by the Authority under sub-paragraph (3) above, the Authority shall be entitled to recover the expenses of publication from the applicant.

(7) If a person who proposes to make or has made an application under this paragraph ("the relevant application")—

(a) applies to the Secretary of State within the prescribed period for a certificate providing that the provisions of sub-paragraph (3) above and of section 117(1) of this Act shall not apply to—

(i) the relevant application;

(ii) any consent given or conditions imposed on the relevant application;

(iii) any sample of effluent taken from a discharge for which consent is given on the relevant application; or

(iv) information produced by analysis of such a sample;

and

(b) satisfies the Secretary of State that it would be contrary to the public interest or would prejudice, to an unreasonable degree, some private interest, by disclosing information about a trade secret, if a certificate were not issued under this paragraph,

the Secretary of State may issue a certificate to that person providing that those provisions shall not apply to such of the things mentioned in paragraph (a) above as are specified in the certificate.

Consents on applications under paragraph 1

2.—(1) On an application under paragraph 1 above the Authority shall be under a duty, if the requirements of that paragraph are complied with, to consider whether to give the consent applied for, either unconditionally or subject to conditions, or to refuse it.

(2) Subject to paragraph 3(5) below, on an application made in accordance with paragraph 1 above, the consent applied for shall be deemed to have been refused if it is not given within the period of four months beginning with the day on which the application is received or within such longer period as may be agreed in writing between the Authority and the applicant.

(3) The conditions subject to which a consent may be given under this paragraph shall be such conditions as the Authority may think fit and, in particular, may include conditions—

(a) as to the places at which the discharges to which the consent relates may be made and as to the design and construction of any outlets for the discharges;

(b) as to the nature, origin, composition, temperature, volume and rate of the discharges and as to the periods during which the discharges may be made;

(c) as to the steps to be taken, in relation to the discharges or by way of subjecting any substance likely to affect the description of matter discharged to treatment or any other process, for minimising the polluting effects of the discharges on any controlled waters;

(d) as to the provision of facilities for taking samples of the matter discharged and, in particular, as to the provision, maintenance and use of manholes, inspection chambers, observation wells and boreholes in connection with the discharges;

(e) as to the provision, maintenance and testing of meters for measuring or recording the volume and rate of the discharges and apparatus for determining the nature, composition and temperature of the discharges;

SCH. 12

(f) as to the keeping of records of the nature, origin, composition, temperature, volume and rate of the discharges and, in particular, of records of readings of meters and other recording apparatus provided in accordance with any other condition attached to the consent; and

(g) as to the making of returns and the giving of other information to the Authority about the nature, origin, composition, temperature, volume and rate of the discharges;

and it is hereby declared that a consent may be given under this paragraph subject to different conditions in respect of different periods.

(4) A consent for any discharges which is given under this paragraph is not limited to discharges by a particular person and, accordingly, extends to discharges which are made by any person.

Notification of proposal to give consent

(4) It shall be the duty of the Authority not to give its consent on the application before the end of the period of twenty-one days mentioned in sub-paragraph (3) above and, if within that period—

(a) a request is made under sub-paragraph (3) above in respect of the application; and

(b) the person who makes that request serves notice of it on the Authority, the Authority shall not give its consent on the application unless the Secretary of State has served notice on the Authority stating that he declines to comply with the request.

(5) Any period during which the Authority is prohibited by virtue of sub-paragraph (4) above from giving its consent on the application shall be disregarded in determining whether the application is deemed to have been refused under paragraph 2(2) above.

(7) It shall be the duty of the Secretary of State, if the requirements of this paragraph and of any regulations made under it are complied with, to determine an application for consent transmitted to him by the Authority under this paragraph by directing the Authority to refuse its consent or to give its consent under paragraph 2 above (either unconditionally or subject to such conditions as are specified in the direction); and the Authority shall comply with any direction under this sub-paragraph.

(8) In complying with a direction under sub-paragraph (7) above to give a consent the Authority shall not be required to comply with any requirement imposed by paragraph 3 above.

(9) Without prejudice to any of the preceding provisions of this paragraph, the Secretary of State may by regulations make provision for the purposes of, and in connection with, the consideration and disposal by him of applications transmitted to him under this paragraph.

Consents without applications

5.—(1) If it appears to the Authority—

- (a) that a person has caused or permitted effluent or other matter to be discharged in contravention of any relevant prohibition under section 107 of this Act or of the obligation imposed by virtue of subsection (1)(c) of that section; and
- (b) that a similar contravention by that person is likely,

the Authority may, if it thinks fit, serve on him an instrument in writing giving its consent, subject to any conditions specified in the instrument, for discharges of a description so specified.

(2) A consent given under this paragraph shall not relate to any discharge which occurred before the instrument containing the consent was served on the recipient of the instrument.

(3) Sub-paragraphs (3) and (4) of paragraph 2 above shall have effect in relation to a consent given under this paragraph as they have effect in relation to a consent given under that paragraph.

(4) Where a consent has been given under this paragraph, the Authority shall, as soon as practicable after giving it—

- (a) publish notice of the consent, at least once in each of two successive weeks, in a newspaper or newspapers circulating in—
 - (i) the locality or localities in which the places are situated at which discharges may be made in pursuance of the consent; and

SCH. 12

(ii) the locality or localities appearing to the Authority to be in the vicinity of any controlled waters which it considers likely to be affected by the discharges;

- (b) publish a copy of that notice in an edition of the London Gazette published no earlier than the day after the publication of the last of the notices to be published by virtue of paragraph (a) above;
- (c) send a copy of the instrument containing the consent to every local authority within whose area any of the discharges authorised by the consent may occur;
- (d) in the case of a consent which relates to discharges into coastal waters, relevant territorial waters or waters outside the seaward limits of relevant territorial waters, serve a copy of the instrument containing the consent on the Secretary of State and on the Minister.

(5) It shall be the duty of the Authority to consider any written representations or objections with respect to a consent under this paragraph which are made to it in the period of six weeks beginning with the day of the publication of notice of the consent in the London Gazette and are not withdrawn.

(6) Where notice of a consent is published by the Authority under sub-paragraph (4) above, the Authority shall be entitled to recover the expenses of publication from the person on whom the instrument containing the consent was served.

Revocation of consents and alteration and imposition of conditions

6.—(1) It shall be the duty of the Authority to review from time to time the consents given under paragraphs 2 and 5 above and the conditions (if any) to which the consents are subject.

(2) Subject to such restrictions on the exercise of the power conferred by this sub-paragraph as are imposed under paragraph 7 below, where the Authority has reviewed a consent under this paragraph, it may by a notice served on the person making a discharge in pursuance of the consent—

- (a) revoke the consent;
- (b) make modifications of the conditions of the consent; or
- (c) in the case of an unconditional consent, provide that it shall be subject to such conditions as may be specified in the notice.

(3) If on a review under sub-paragraph (1) above it appears to the Authority that no discharge has been made in pursuance of the consent to which the review relates at any time during the preceding twelve months, the Authority may revoke the consent by a notice served on the owner or occupier of the land from which discharges would be made in pursuance of the consent.

(4) If it appears to the Secretary of State appropriate to do so—

- (a) for the purpose of enabling Her Majesty's Government in the United Kingdom to give effect to any Community obligation or to any international agreement to which the United Kingdom is for the time being a party;
- (b) for the protection of public health or of flora and fauna dependent on an aquatic environment; or
- (c) in consequence of any representations or objections made to him or otherwise,

he may, subject to such restrictions on the exercise of the power conferred by virtue of paragraph (c) above as are imposed under paragraph 7 below, at any time direct the Authority, in relation to a consent given under paragraph 2 or 5 above, to do anything mentioned in sub-paragraph (2)(a) to (c) above; and the Authority shall comply with any such direction.

(5) The Authority shall be liable to pay compensation to any person in respect of any loss or damage sustained by that person as a result of the Authority's compliance with a direction given in relation to any consent by virtue of sub-paragraph (4)(b) above if—

- (a) in complying with that direction the Authority does anything which, apart from that direction, it would be precluded from doing by a restriction imposed under paragraph 7 below; and
- (b) the direction is not shown to have been given in consequence of—
 - (i) a change of circumstances which could not reasonably have been foreseen at the beginning of the period to which the restriction relates; or
 - (ii) consideration by the Secretary of State of material information which was not reasonably available to the Authority at the beginning of that period.

(6) For the purposes of sub-paragraph (5) above information is material, in relation to a consent, if it relates to any discharge made or to be made by virtue of the consent, to the interaction of any such discharge with any other discharge or to the combined effect of the matter discharged and any other matter.

Restriction on variation and revocation of consent and previous variation

7.—(1) Each instrument signifying the consent of the Authority under paragraph 2 or 5 above shall specify a period during which no notice by virtue of paragraph 6(2) or (4)(c) above shall be served in respect of the consent.

(2) Each notice served by the Authority by virtue of paragraph 6(2) or (4)(c) above (except a notice which only revokes a consent) shall specify a period during which a subsequent such notice which alters the effect of the first-mentioned notice shall not be served.

(3) The period specified under sub-paragraph (1) or (2) above in relation to any consent shall not, unless the person who proposes to make or makes discharges in pursuance of the consent otherwise agrees, be less than the period of two years beginning—

- (a) in the case of a period specified under sub-paragraph (1) above, with the day on which the consent takes effect; and
- (b) in the case of a period specified under sub-paragraph (2) above, with the day on which the notice specifying that period is served.

(4) A restriction imposed under sub-paragraph (1) or (2) above shall not prevent the service by the Authority of a notice by virtue of paragraph 6(2) or (4)(c) above in respect of a consent given under paragraph 5 above if—

- (a) the notice is served not more than three months after the beginning of the period specified in paragraph 5(5) above for the making of representations and objections with respect to the consent; and
- (b) the Authority or, as the case may be, the Secretary of State considers, in consequence of any representations or objections received by it or him within that period, that it is appropriate for the notice to be served.

- (b) in giving a consent under paragraph 2 or 5 above for any discharges or description of discharges, made that consent subject to conditions;

SCH. 12

- (f) refused a consent for the purposes of section 109 of this Act for the doing of anything by any person or, in giving any such consent, made that consent subject to conditions.

(2) The person, if any, who applied for the consent in question, or any person whose deposits, discharges or other conduct is or would be authorised by the consent may appeal against the decision to the Secretary of State.

(3) The Secretary of State may by regulations provide for the conduct and disposal of appeals under this paragraph; and, without prejudice to the generality of the power conferred by this sub-paragraph, regulations under this sub-paragraph may, with prescribed modifications, apply any provision of paragraphs 1(3) to (6) above and 4(4) to (6) above in relation to appeals under this paragraph.

(4) If, on an appeal under this paragraph, the Secretary of State is of the opinion that the decision of the Authority should be modified or reversed, he may give the Authority such directions as he thinks appropriate for requiring it—

- (a) to give a consent, either unconditionally or, in the case of a consent under paragraph 2 or 5 above or a consent under section 109 of this Act, subject to such conditions as may be specified in the direction;
- (b) to modify the conditions of any consent under paragraph 2 or 5 above or section 109 of this Act or to provide that any consent under the said paragraph 2 or 5 which is unconditional shall be subject to such conditions as may be specified in the direction;
- (c) to modify in accordance with the direction any provision specifying a period for the purposes of paragraph 7 above;

and the Authority shall comply with any such direction.

(5) In complying with a direction under sub-paragraph (4) above to give a consent the Authority shall not be required to comply with any requirement imposed by paragraph 3 above.

(6) Nothing in any direction under sub-paragraph (4) above or in anything done in pursuance of any such direction shall be taken to affect the lawfulness or validity of anything which was done—

- (a) in pursuance of any decision of the Authority which is to be modified or reversed under the direction; and
- (b) before the direction is complied with.

(3) The Authority shall not make a scheme under this paragraph unless its provisions have been approved by the Secretary of State; and the consent of the Treasury shall be required for the giving of such an approval.

(4) Before submitting a scheme under this paragraph to the Secretary of State for his approval the Authority shall, in such manner as it considers appropriate for bringing it to the attention of persons likely to be affected by it, publish a notice setting out its proposals and specifying the period within which representations or objections with respect to the proposals may be made to the Secretary of State.

(5) Where any proposed scheme has been submitted to the Secretary of State for his approval, it shall be the duty of the Secretary of State, in determining whether or not to approve the scheme or to approve it subject to modifications—

- (a) to consider any representations or objections duly made to him and not withdrawn; and
- (b) to have regard to the matters specified in sub-paragraph (6) below.

(6) The matters mentioned in sub-paragraph (5) above are—

- (a) the desirability of ensuring that the amount recovered by the Authority by way of charges fixed by or under schemes under this paragraph does not exceed, taking one year with another, such amount as appears to the Secretary of State to be reasonably attributable to the expenses incurred by the Authority in carrying out its functions under this Schedule and otherwise in relation to discharges into controlled waters; and
- (b) the need to ensure that no undue preference is shown, and that there is no undue discrimination, in the fixing of charges by or under the scheme.

(7) A scheme under this paragraph may—

(8) The Secretary of State may by regulations make provision requiring the Authority or any water undertaker or sewerage undertaker, where it is proposing or has begun to exercise any power conferred by virtue of paragraph 4 or 5 above in a prescribed case, to make advance payments on account of compensation that will become payable in respect of the exercise of that power.

(9) In this paragraph “relevant land”, in relation to any exercise of a power conferred by virtue of paragraph 4 or 5 above, means the land where the power is exercised or land held with that land.

Works below high water mark

SCH. 19

7. Nothing in the preceding provisions of this Schedule shall authorise the Authority or any water undertaker or sewerage undertaker to carry out any works at any place below the place to which the tide flows at mean high water springs, except in accordance with such plans and sections, and subject to such restrictions, as may, before the works are commenced, have been approved by the Secretary of State by notice served on the Authority or, as the case may be, that undertaker.

Discharges for works purposes

8.—(1) Subject to the following provisions of this paragraph and to paragraph 9 below, where the Authority or any water undertaker—

- (a) is exercising or about to exercise any power conferred by any of the preceding provisions of this Schedule; or
- (b) is carrying out, or is about to carry out, the construction, alteration, repair, cleaning, or examination of any reservoir, well, borehole, or other work belonging to or used by the Authority or that undertaker for the purposes of, or in connection with, the carrying out of any of its functions,

the Authority or, as the case may be, that undertaker may cause the water in any relevant pipe or in any such reservoir, well, borehole or other work to be discharged into any available watercourse.

(2) It shall be the duty of the Authority and of every water undertaker—

- (a) to cause as little loss and damage as possible in the exercise of the powers conferred on it by this paragraph; and
- (b) to pay compensation for any loss caused or damage done in the exercise of those powers.

(3) For the purposes of sub-paragraph (2) above any extra expenditure—

- (a) which it becomes reasonably necessary for any water undertaker, sewerage undertaker or public authority (other than the one making the discharge) to incur for the purpose of properly carrying out any statutory functions; and
- (b) which is attributable to any discharge of water under this paragraph,

shall be deemed to be a loss sustained by the undertaker or public authority and to have been caused in exercise of the powers conferred by this paragraph.

(4) Any dispute as to whether compensation should be paid under sub-paragraph (2) above, or as to the amount of any such compensation, shall be referred to the arbitration of a single arbitrator appointed by agreement between the parties to the dispute or, in default of agreement, by the President of the Institution of Civil Engineers.

(5) If the Authority or any water undertaker fails to take all necessary steps to secure that any water discharged by it under this paragraph is as free as may be reasonably practicable from—

- (a) mud and silt;
- (b) solid, polluting, offensive or injurious substances; and
- (c) any substances prejudicial to fish or spawn, or to spawning beds or food of fish,

the Authority or, as the case may be, the undertaker shall be guilty of an offence and liable, on summary conviction, to a fine not exceeding level 3 on the standard scale.

SCH. 19

(6) Nothing in this paragraph shall authorise any discharge which—

- (a) damages or injuriously affects the works or property of any railway company or navigation authority; or
- (b) floods or damages any highway.

(7) Sections 107 and 108 of this Act shall have effect as if this paragraph and paragraph 9 below were prescribed enactments for the purposes of subsection (1)(e) of the said section 108.

(8) In this paragraph “railway company” has the same meaning as in paragraph 3 above.

Consents for certain discharges

9.—(1) Except in an emergency, no discharge through any pipe the diameter of which exceeds two hundred and twenty-nine millimetres shall be made under paragraph 8 above except—

- (a) in the case of a discharge by the Authority, with such consent as may be prescribed; and
- (b) in the case of a discharge by a water undertaker, with the consent of the Authority and of any navigation authority which carries out functions in relation to—
 - (i) the part of the watercourse where the discharge is made; or
 - (ii) any part of that watercourse which is less than three miles downstream from the place of the discharge.

(2) For the purposes of this paragraph, the Authority and every water undertaker shall keep a register of persons and premises and shall enter the name and address of any person in that register in respect of any premises which abut on any watercourse if that person has requested to be so registered and is either—

- (a) the owner or occupier of those premises; or
- (b) an officer of an association of owners or occupiers of premises which abut on that watercourse and include those premises.

(3) Where any person makes an application to any other person for a consent for the purposes of this paragraph—

- (a) that application shall be accompanied or supplemented by all such information as that other person may reasonably require; and
- (b) the applicant shall serve a copy of the application, and of any consent given on that application, on every person who—
 - (i) is registered with the applicant in respect of any premises which are within three miles of the place where the discharge to which the application relates is proposed to be made and are not upstream from that place; and
 - (ii) has not agreed in writing that he need not be served with such a copy.

(4) An application for a consent for the purposes of this paragraph shall be determined—

- (a) in the case of an application with respect to a particular discharge, before the end of the period of seven days beginning with the day after the application is made; and
- (b) in any other case, before the end of the period of three months beginning with that day;

and where an application for any consent is required to be determined within the period specified in paragraph (a) above and is not so determined, the consent applied for shall be deemed to have been given unconditionally.

(5) A consent for the purposes of this paragraph may relate to a particular discharge or to discharges of a particular description and may be made subject to such reasonable conditions as may be specified by the person giving it; but a consent for those purposes shall not be unreasonably withheld.

(6) Any dispute as to whether a consent for the purposes of this paragraph should be given or withheld, or as to whether the conditions to which any such consent is made subject are reasonable, shall be referred to the arbitration of a single arbitrator appointed by agreement between the parties to the dispute or, in default of agreement, by the President of the Institution of Civil Engineers.

(7) Where any discharge under paragraph 8 above is made in an emergency without the consent which, if there were no emergency, would be required by virtue of this paragraph, the Authority or, as the case may be, the undertaker which made the discharge shall, as soon as practicable after making the discharge, serve a notice which—

- (a) states that the discharge has been made; and
- (b) gives such particulars of the discharge and of the emergency as the persons served with the notice might reasonably require,

on every person on whom the Authority or that undertaker would have been required to serve the application for that consent or any copy of that application.

(8) If the Authority or any water undertaker contravenes, without reasonable excuse, any of the requirements of this paragraph or any condition of a consent given for the purposes of this paragraph, the Authority or, as the case may be, the undertaker shall be guilty of an offence and liable, on summary conviction, to a fine not exceeding level 3 on the standard scale.

Powers of entry

10.—(1) Any person designated in writing for the purpose by the Authority or by a water undertaker or sewerage undertaker may enter any premises for any of the purposes specified in sub-paragraph (2) below.

(2) The purposes mentioned in sub-paragraph (1) above are—

- (a) the carrying out of any survey or tests for the purpose of determining—
 - (i) whether it is appropriate and practicable for the Authority or, as the case may be, the undertaker to exercise any power conferred by this Schedule;
 - (ii) how any such power should be exercised; or
- (b) the exercise of any such power.

(3) The power by virtue of sub-paragraph (1) above of a person designated by the Authority, or by a water undertaker or sewerage undertaker, to enter any premises for the purposes of carrying out any survey or tests shall include power—

- (a) to carry out experimental borings or other works for the purpose of ascertaining the nature of the sub-soil; and
- (b) to take away and analyse such samples of water or effluent or of any land or articles as the Authority or, as the case may be, the undertaker considers necessary for the purpose of determining either of the matters mentioned in sub-paragraph (2)(a) above and has authorised that person to take away and analyse.

(4) Without prejudice to any power exercisable by virtue of a warrant under section 178 of this Act, no person shall make an entry into any premises by virtue of this paragraph except—

- (a) in an emergency; or
- (b) at a reasonable time and after seven days' notice of the intended entry has been given to the occupier of the premises.

SCH. 19 (5) The reference in sub-paragraph (4) above to an emergency—

- 1950 c. 39.
- (a) in relation to any entry to premises for the purposes of, or for purposes connected with, the exercise or proposed exercise of any power conferred by paragraph 2 above, includes a reference to any circumstances requiring the carrying out of emergency works within the meaning of the Public Utilities Street Works Act 1950; and
 - (b) in relation to any other entry to premises, includes a reference to any danger to property and to any interruption of a supply of water provided to any premises by any person and to any interruption of the provision of sewerage services to any premises.

Exhaustive nature of powers

11. This Schedule shall be without prejudice to any powers conferred by virtue of Schedule 10 or 20 to this Act or otherwise by virtue of this Act or any agreement; but nothing in Part II of this Act by virtue of which a water undertaker or sewerage undertaker owes a duty to any particular person to lay any relevant pipe shall be construed—

- (a) as conferring any power on the undertaker in addition to those conferred by this Schedule; or
- (b) as requiring the undertaker to carry out any works which it has no power to carry out.

Section 155.

SCH. 20

Supply of copies of draft orders

2. The applicant for an order under section 155 of this Act shall, at the request of any person and on payment by that person of such charge (if any) as the applicant may reasonably require, furnish that person with a copy of the draft order submitted to the appropriate Minister under paragraph 1 above and of any relevant map or plan.

Powers on an application

3.—(1) On an application for an order under section 155 of this Act, the appropriate Minister may make the order either in the terms of the draft order submitted to him or, subject to sub-paragraphs (2) and (3) below, in those terms as modified in such manner as he thinks fit, or may refuse to make an order.

(2) The appropriate Minister shall not make such a modification of a draft order submitted to him as he considers is likely adversely to affect any persons unless he is satisfied that the applicant for the order has given and published such additional notices, in such manner, as the appropriate Minister may have required.

(3) The appropriate Minister shall not, unless all interested parties consent, make an order under section 155 of this Act so as to confer in relation to any land any powers of compulsory acquisition which would not have been conferred in relation to that land if the order were made in the terms of the draft order submitted to him under paragraph 1 above.

(4) Where, on an application for an order under section 155 of this Act, the appropriate Minister refuses to make an order, the applicant shall, as soon as practicable after the refusal, notify the refusal to every person on whom the applicant was, by virtue of paragraph 1(1)(c)(i) above, required to serve a copy of the notice with respect to the application.

(5) The duty of a water undertaker under sub-paragraph (4) above shall be enforceable under section 20 of this Act by the Secretary of State.

- (b) from any other person appearing to the appropriate Minister to be affected by the order as submitted to him or as proposed to be modified under paragraph 3 above,

then, unless the objection is withdrawn, the appropriate Minister shall, before making the order, either cause a local inquiry to be held or afford to the objector and to the applicant for the order an opportunity of appearing before, and being heard by, a person appointed by the appropriate Minister for the purpose.

(2) Where any objection received by the appropriate Minister as mentioned in sub-paragraph (1) above relates to any powers of compulsory acquisition, the appropriate Minister may require the objector to state in writing the grounds of his objection; and if the appropriate Minister is satisfied that the objection relates exclusively to matters that can be dealt with in the assessment of compensation, he may disregard the objection for the purposes of that sub-paragraph.

(3) In this paragraph “the relevant period”, in relation to an application for any order, means the period ending with whichever is the later of—

- (a) the end of the period of twenty-eight days beginning with the date of the first publication of the notice published with respect to the application for the purposes of paragraph 1(1)(b) above; and

Compulsory acquisition provisions

- 1965 c. 56. 6.—(1) Without prejudice to the provisions of Schedule 21 to this Act—
 1981 c. 67. (a) Part I of the Compulsory Purchase Act 1965;
 (b) section 4 and Part III of, and Schedule 3 to, the Acquisition of Land Act 1981; and
 (c) the enactments for the time being in force with respect to compensation for the compulsory purchase of land,

shall apply in relation to so much of an order under section 155 of this Act as confers powers of compulsory acquisition as they apply in relation to a compulsory purchase order made by virtue of section 151 of this Act and, accordingly, shall so apply, where the case so requires, with the modifications made by Schedule 18 to this Act.

(2) Subject to the provisions of sub-paragraph (6) below, if any person aggrieved by an order under section 155 of this Act containing powers of compulsory acquisition, or by a certificate given under the special land provisions in connection with such an order, desires—

- (a) to question the validity of the order, or of any provision of the order, on the grounds that any powers of compulsory acquisition conferred by the order are not authorised by this Act to be so conferred, or that any of the relevant requirements have not been complied with in relation to the order; or
 (b) to question the validity of the certificate on the grounds that any of the relevant requirements have not been complied with in relation to the certificate,

he may make an application for the purpose to the High Court at any time before the end of the period of six weeks beginning with the date on which notice of the making of the order is first published in accordance with paragraph 5 above or, as the case may be, notice of the giving of the certificate is first published in accordance with the special land provisions.

(3) On any application under sub-paragraph (2) above with respect to any order or certificate, the High Court—

- (a) may by interim order suspend the operation of the order, or any provision of the order, or of the certificate (either generally or in so far as it affects any property of the applicant to the High Court) until the final determination of the proceedings; and
 (b) if satisfied—
 (i) that any powers of compulsory acquisition conferred by the order are not authorised by this Act to be so conferred; or
 (ii) that the interests of that applicant have been substantially prejudiced by a failure to comply with any of the relevant requirements in relation to the order or the certificate,

may quash the order, or any provision of the order, or the certificate (either generally or in so far as it affects any property of that applicant).

(4) Except as provided by sub-paragraph (2) above, the validity of any such order or certificate as is mentioned in that sub-paragraph shall not, either before or after the order or certificate has been made or given, be questioned in any legal proceedings whatsoever.

(5) Subject to any order of the High Court under sub-paragraph (3) above, any such order or certificate as is mentioned in sub-paragraph (2) above shall become operative (except, in the case of an order, where it is subject by virtue of the special land provisions to special parliamentary procedure) on the date on which notice of the making or giving of the order or certificate is published as mentioned in the said sub-paragraph (2).

SCH. 20

(6) Where an order such as is mentioned in sub-paragraph (2) above is subject to special parliamentary procedure, sub-paragraphs (2) to (4) of this paragraph—

- (a) shall not apply to the order if it is confirmed by Act of Parliament under section 6 of the Statutory Orders (Special Procedure) Act 1945; and
- (b) in any other case, shall have effect as if the reference in sub-paragraph (2) of this paragraph to the date on which notice of the making of the order is first published in accordance with paragraph 5 above were a reference to the date on which the order becomes operative under the said Act of 1945.

1945 c. 18 (9 & 10 Geo. 6).

(7) In this paragraph—

“the special land provisions” means the provisions, as applied by virtue of sub-paragraph (1) above, of Part III of the Acquisition of Land Act 1981 or, as the case may require, of Part II of Schedule 3 to that Act; and

“the relevant requirements”, in relation to an order or certificate, means the requirements of this Schedule and such requirements of the special land provisions or of any other enactment as are applicable to that order or certificate by virtue of this paragraph.

Compensation in certain cases of compulsory acquisition

7. Where—

- (a) in connection with any engineering or building operations to which an order under section 155 of this Act relates, a licence under the Water Resources Act 1963 is granted, or is deemed to be granted, to the Authority or, as the case may be, to the water undertaker in question; and
- (b) that licence is a licence to abstract water or to obstruct or impede the flow of an inland water,

1963 c. 38.

no compensation shall be payable by virtue of sub-paragraph (1) of paragraph 6 above in respect of any land or interest injuriously affected by the carrying out of those operations, in so far as that land or interest is injuriously affected by the abstraction of water, or the obstruction or impeding of the flow, in accordance with the provisions of the licence.

Compensation in respect of powers other than acquisition powers

8.—(1) If the value of any interest in any relevant land is depreciated by the coming into force of so much of any order under section 155 of this Act as—

- (a) confers compulsory powers, other than powers of compulsory acquisition, for the purpose of enabling any engineering or building operations to be carried out; and
- (b) grants authority for the carrying out of the operations,

the person entitled to that interest shall be entitled to compensation from the applicant for the order of an amount equal to the amount of the depreciation,

(2) Where the person entitled to an interest in any relevant land sustains loss or damage which—

- (a) is attributable to so much of any order under section 155 of this Act as—

SCH. 20

(i) confers compulsory powers, other than powers of compulsory acquisition, for the purpose of enabling any engineering or building operations to be carried out; and

(ii) grants authority for the carrying out of the operations;

(b) does not consist in depreciation of the value of that interest; and

(c) is loss or damage for which he would have been entitled to compensation by way of compensation for disturbance, if his interest in that land had been compulsorily acquired under section 151 of this Act in pursuance of a notice to treat served on the date on which the order comes into force,

he shall be entitled to compensation from the applicant for the order in respect of that loss or damage, in addition to compensation under sub-paragraph (1) above.

(3) Where any damage to, or injurious affection of, any land which is not relevant land is attributable to so much of any order under section 155 of this Act as—

(a) confers compulsory powers, other than powers of compulsory acquisition, for the purpose of enabling any engineering or building operations to be carried out; and

(b) grants authority for the carrying out of the operations,

the applicant for the order shall pay compensation in respect of that damage or injurious affection to every person entitled to an interest in that land.

(4) A person who sustains any loss or damage which is attributable to any discharge of water made by the Authority or a water undertaker in pursuance of an order under section 155 of this Act shall be entitled to recover compensation from the Authority or undertaker in respect of the loss or damage.

(5) For the purposes of sub-paragraph (4) above any extra expenditure—

(a) which it becomes reasonably necessary for any water undertaker or public authority (other than the one making the discharge) to incur for the purpose of properly carrying out any statutory functions; and

(b) which is attributable to any such discharge of water as is mentioned in that sub-paragraph,

shall be deemed to be a loss sustained by the undertaker or public authority and to be so attributable.

(6) Any question of disputed compensation under this paragraph, shall be referred to and determined by the Lands Tribunal; and in relation to the determination of any such compensation the provisions of sections 2 and 4 of the Land Compensation Act 1961 shall apply, subject to any necessary modifications.

1961 c. 33.

(7) For the purpose of assessing any compensation under this paragraph, so far as that compensation is in respect of loss or damage consisting in depreciation of the value of an interest in land, the rules set out in section 5 of the Land Compensation Act 1961 shall, so far as applicable and subject to any necessary modifications, have effect as they have effect for the purpose of assessing compensation for the compulsory acquisition of an interest in land.

(8) Where the interest in land in respect of which any compensation falls to be assessed in accordance with sub-paragraph (7) above is subject to a mortgage—

(a) the compensation shall be assessed as if the interest were not subject to the mortgage;

(b) a claim for compensation may be made by any mortgagee of the interest, but without prejudice to the making of a claim by the person entitled to the interest;

- (c) no such compensation shall be payable in respect of the interest of the mortgagee (as distinct from the interest which is subject to the mortgage); and
- (d) any such compensation which is payable in respect of the interest which is subject to the mortgage shall be paid to the mortgagee, or, if there is more than one mortgagee, to the first mortgagee, and shall in either case be applied by him as if it were proceeds of sale.

SCH. 20

- (b) so far as reasonably practicable, to ensure, in relation to each source or combination of sources from which that authority supplies water to premises for domestic purposes, that there is, in general, no deterioration in the quality of the water which is supplied from time to time from that source or combination of sources.

(2) For the purposes of this section and section 76B below and subject to subsection (3) below, water supplied by a water authority to any premises shall not be regarded as unwholesome at the time of supply where it has ceased to be wholesome only after leaving the authority’s pipes.

- (e) to comply with prescribed requirements with respect to the analysis of water samples or with respect to internal reporting or organisational arrangements.

(3) Entry into any premises shall not be demanded as of right by virtue of this section except—

- (a) in an emergency, or

- (b) at a reasonable time and after 24 hours' notice of the intended entry has been given to the occupier of the premises.

(5) A person who fails to comply with the requirements of a notice served on him under subsection (1) above shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale; and it shall be a defence for a person charged with an offence under this subsection to show that he had a reasonable excuse.

Standards of wholesomeness.

76J.—(1) The Secretary of State may by regulations make provision that water that is supplied to any premises is or is not to be regarded as wholesome for the purposes of this Part if it satisfies or, as the case may be, fails to satisfy such requirements as may be prescribed.

(2) Without prejudice to the generality of subsection (1) above, regulations under this section may, for the purpose of determining the wholesomeness of any water—

- (a) prescribe general requirements as to the purposes for which the water is to be suitable;

Section 168.

SCHEDULE 23

CONTROL OF WATER POLLUTION IN SCOTLAND

1974 c. 40.

1. The Control of Pollution Act 1974 as it applies to Scotland is amended in accordance with the provisions of this Schedule.

2. In subsection (4) of section 4 (meaning of “land”), for the words “in a stream” there shall be substituted the words “in inland waters”.

3. In subsection (9) of section 11, for the words “relevant waters” there shall be substituted the words “controlled waters”.

4. For sections 31 to 42 there shall be substituted the following sections—

“General provisions

Waters to which Part II applies.

30A.—(1) This part applies to any waters (in this Part referred to as “controlled waters”) of any of the following classes—

- (a) relevant territorial waters, that is to say, subject to subsection (5) below, the waters which extend seaward for three miles from the baselines from which the breadth of the territorial sea adjacent to Scotland is measured;
- (b) coastal waters, that is to say, any waters which are within the area which extends landward from those baselines as far as the limit of the highest tide or, in the case of the waters of any relevant river or watercourse, as far as the fresh-water limit of the river or watercourse, together with the waters of any enclosed dock which adjoins waters within that area;
- (c) inland waters, that is to say, the waters of any relevant loch or pond or of so much of any relevant river or watercourse as is above the fresh-water limit;
- (d) ground waters, that is to say, any waters contained in underground strata, or in—
 - (i) a well, borehole or similar work sunk into underground strata, including any adit or passage constructed in connection with the well, borehole or work for facilitating the collection of water in the well, borehole or work; or

(ii) any excavation into underground strata where the level of water in the excavation depends wholly or mainly on water entering it from the strata.

(2) The Secretary of State—

- (a) shall deposit maps with each river purification authority showing what appear to him to be the fresh-water limits of every relevant river or watercourse in the area of that authority; and
- (b) may from time to time, if he considers it appropriate to do so by reason of any change of what appears to him to be the fresh-water limit of any river or watercourse, deposit a map showing a revised limit for that river or watercourse;

and in subsection (1) above “fresh-water limit”, in relation to any river or watercourse, means the place for the time being shown as the fresh-water limit of that river or watercourse in the latest map deposited for that river or watercourse under this subsection.

(3) It shall be the duty of each river purification authority to keep any maps deposited with it under subsection (2) above available, at all reasonable times, for inspection by the public free of charge.

(4) In this section—

“miles” means international nautical miles of 1,852 metres;

“loch or pond” includes a reservoir of any description;

“relevant loch or pond” means (subject to subsection (5) below) any loch or pond which (whether it is natural or artificial or above or below ground) discharges into a relevant river or watercourse or into another loch or pond which is itself a relevant loch or pond;

“relevant river or watercourse” means any river or watercourse (including an underground river or watercourse and an artificial river or watercourse) which is neither a public sewer nor a sewer or drain which drains into a public sewer.

(5) The Secretary of State may by order provide—

- (a) that any area of the territorial sea adjacent to Scotland is to be treated as if it were an area of relevant territorial waters for the purposes of this Part;
- (b) that any loch or pond which does not discharge into a relevant river or watercourse or into a relevant loch or pond is to be treated for those purposes as a relevant loch or pond.

(6) The power of the Secretary of State to make an order under subsection (5) above shall be exercisable by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament; and such an order may—

- (a) contain such supplemental, consequential and transitional provision as the Secretary of State considers appropriate; and

SCH. 23

- (b) make different provision for different cases, including different provision in relation to different persons, circumstances or localities.

Classification of quality of waters.

30B.—(1) The Secretary of State may, in relation to any description of controlled waters (being a description applying to some or all of the waters of a particular class or of two or more different classes), by regulations prescribe a system of classifying the quality of those waters according to criteria specified in the regulations.

(2) The criteria specified in regulations under this section in relation to any classification shall consist of one or more of the following, that is to say—

- (a) general requirements as to the purposes for which the waters to which the classification is applied are to be suitable;
- (b) specific requirements as to the substances that are to be present in or absent from the water and as to the concentrations of substances which are or are required to be present in the water;
- (c) specific requirements as to other characteristics of those waters;

and, for the purposes of any such classification, regulations under this section may provide that the question whether prescribed requirements are satisfied may be determined by reference to such samples as may be prescribed.

Water quality objectives.

30C.—(1) For the purpose of maintaining and improving the quality of controlled waters the Secretary of State may, by serving a notice on a river purification authority specifying—

- (a) one or more of the classifications for the time being prescribed under section 30B above; and
- (b) in relation to each specified classification, a date,

establish the water quality objectives for any waters within the area of that authority which are, or are included in, waters of a description prescribed for the purposes of that section.

(2) The water quality objectives for any waters to which a notice under this section relates shall be the satisfaction by those waters, on and at all times after each date specified in the notice, of the requirements which at the time of the notice were the requirements for the classification in relation to which that date is so specified.

(3) Where the Secretary of State has established water quality objectives under this section for any waters he may review objectives for those waters if—

- (a) five years or more have elapsed since the service of the last notice under subsection (1) or (6) of this section to be served in respect of those waters; or
- (b) the river purification authority on which that notice has been served, after consultation with such persons as it considers appropriate, requests a review;

and the Secretary of State shall not exercise his power to establish objectives for any waters by varying the existing objectives for those waters except in consequence of such a review.

SCH. 23

(4) Where the Secretary of State proposes to exercise his power under this section to establish or vary the objectives for any waters in the area of a river purification authority he shall—

- (a) give notice to that authority setting out his proposal and specifying the period (not being less than three months from the date of publication of the notice) within which representations with respect to the proposal may be made; and
- (b) consider any representations which are duly made;

and if he decides, after considering any such representations, to exercise his power to establish or vary those objectives, he may do so either in accordance with the proposal contained in the notice or in accordance with that proposal as modified in such manner as he considers appropriate.

(5) A notice under subsection (4) above shall be given—

- (a) by publishing the notice in such manner as the Secretary of State considers appropriate for bringing it to the attention of persons likely to be affected by it; and
- (b) by serving a copy of the notice on the authority.

(6) If, on a review under this section or in consequence of any representations made following such a review for the purposes of subsection (4) above, the Secretary of State decides that the water quality objectives for any waters in the area of a river purification authority should remain unchanged, he shall serve notice of that decision on that authority.

General duties to achieve and maintain objectives etc.

30D.—(1) It shall be the duty of the Secretary of State and of each river purification authority to exercise the powers conferred on him or it by or under the following provisions of this Part or the provisions of the Rivers (Prevention of Pollution) (Scotland) Acts 1951 and 1965 in such manner as ensures, so far as it is practicable by the exercise of those powers to do so, that the water quality objectives specified for any waters in a notice under section 30C above, or in a notice under section 105 of the Water Act 1989, are achieved at all times.

(2) It shall be the duty of each river purification authority, for the purposes of the carrying out of its functions under the following provisions of this Part or the provisions of the Rivers (Prevention of Pollution) (Scotland) Acts 1951 and 1965, to monitor the extent of pollution in controlled waters.

Consultation and collaboration.

30E. In the performance of their functions in relation to waters partly in Scotland and partly in England river purification authorities shall, in matters of common interest, consult and collaborate with the National Rivers Authority.

Control of entry of polluting matter and effluents into water

Control of pollution of rivers and coastal waters etc.

31.—(1) Subject to subsections (2) and (3) of this section, a person shall be guilty of an offence if he causes or knowingly permits—

- (a) any poisonous, noxious or polluting matter to enter controlled waters; or
- (b) any matter to enter any inland waters so as to tend (either directly or in combination with other matter which he or another person causes or permits to enter those waters) to impede the proper flow of the waters

SCH. 23

in a manner leading or likely to lead to a substantial aggravation of pollution due to other causes or of the consequences of such pollution; or

(c) any solid waste matter to enter controlled waters.

(2) A person shall not be guilty of an offence by virtue of the preceding subsection if—

(a) the entry in question is authorised by, or is a consequence of, an act authorised by, a disposal licence or a consent given by the Secretary of State or a river purification authority in pursuance of this Act and the entry or act is in accordance with the conditions, if any, to which the licence or consent is subject; or

(b) the entry in question is authorised by, or is a consequence of an act authorised by—

1980 c. 45.

(i) section 33 of the Water (Scotland) Act 1980 (which among other things relates to temporary discharges by water authorities in connection with the construction of works) or any prescribed enactment, or

(ii) any provision of a local Act or statutory order which expressly confers power to discharge effluent into water, or

1985 c. 48.

(iii) any licence granted under Part II of the Food and Environment Protection Act 1985; or

(iv) any consent given under Chapter I of Part III of the Water Act 1989; or

(c) the entry in question is caused or permitted in an emergency in order to avoid danger to life or health and—

(i) he takes all such steps as are reasonably practicable in the circumstances for minimising the extent of the entry in question and of its polluting effects; and

(ii) as soon as reasonably practicable after the entry occurs, particulars of the entry are furnished to the river purification authority in whose area it occurs; or

(d) the matter in question is trade or sewage effluent discharged as mentioned in paragraph (a) of subsection (1) of section 32 or matter discharged as mentioned in paragraph (b) or (c) of that subsection and the entry in question is not from a vessel;

and a person shall not be guilty of an offence by virtue of the preceding subsection by reason only of his permitting water from an abandoned mine to enter controlled waters.

(3) A person shall not by virtue of paragraph (b) or (c) of subsection (1) of this section be guilty of an offence by reason of his depositing the solid refuse of a mine or quarry on any land so that it falls or is carried into inland waters if—

(a) he deposits the refuse on the land with the consent (which shall not be unreasonably withheld) of the river purification authority in whose area the land is situated; and

(b) no other site for the deposit is reasonably practicable; and

(c) he takes all reasonably practicable steps to prevent the refuse from entering those inland waters.

SCH. 23

(4) Where it appears to the Secretary of State that, with a view to preventing poisonous, noxious or polluting matter from entering any controlled waters, it is appropriate to prohibit or restrict the carrying on in a particular area of activities which he considers are likely to result in pollution of the waters, then, subject to subsection (5) below, he may by regulations—

- (a) designate that area; and
- (b) provide that prescribed activities shall not be carried on at any place within the area except with the consent (which shall not be unreasonably withheld) of the river purification authority in whose area the place is situated and in accordance with any reasonable conditions to which the consent is subject;
- (c) provide that a contravention of the regulations shall be an offence and prescribe the maximum penalty for the offence; and
- (d) make provision for the imposition by river purification authorities of charges in respect of the consent mentioned in paragraph (b) above.

(5) It shall be the duty of the Secretary of State, before he makes any regulations under subsection (4) above—

- (a) to publish in the Edinburgh Gazette and in at least one newspaper circulating in the area in question a copy of the proposed regulations and a notice specifying—
 - (i) a period of not less than twenty-eight days, beginning with the date on which the notice is first published, within which objections to the proposed regulations may be made, and
 - (ii) the person to whom such objections may be made; and
- (b) to consider any objections to the proposed regulations which are made within that period and, if such an objection is so made by a prescribed person and is not withdrawn, to cause a local inquiry to be held in pursuance of section 96 of this Act with respect to the proposed regulations;

and the Secretary of State may, after considering any such objections as are mentioned in paragraph (b) of this subsection and the report of any person appointed to hold a local inquiry with respect to the proposed regulations, make the regulations either in the form in which a copy of them was published in pursuance of this subsection or in that form with such modifications as he considers appropriate.

(6) A river purification authority may by byelaws make such provision as the authority considers appropriate for prohibiting or regulating the washing or cleaning, in any controlled waters in its area, of things of a kind specified in the byelaws; and a person who contravenes any byelaws made by virtue of this subsection shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 4 on the standard scale or such smaller sum as is specified in the byelaws.

SCH. 23

(7) A person guilty of an offence by virtue of subsection (1) of this section shall be liable—

- (a) on summary conviction, to imprisonment for a term not exceeding three months or a fine not exceeding the statutory maximum or both;
- (b) on conviction on indictment, to imprisonment for a term not exceeding two years or a fine or both.

(8) The maximum penalty prescribed in pursuance of subsection (4) of this section shall not exceed the penalties specified in paragraphs (a) and (b) of the preceding subsection.

(9) In subsection (4) of this section, the reference to the entry of poisonous, noxious or polluting matter into controlled waters shall not include a reference to the entry of nitrate into controlled waters as a result of, or of anything done in connection with, the use of any land for agricultural purposes.

(10) In subsection (2) of this section—

“disposal licence” has the same meaning as in Part I of this Act;

“local Act” includes enactments in a public general Act which amend a local Act;

“statutory order” means an order, byelaw, scheme or award made under an Act of Parliament, including an order or scheme confirmed by Parliament or brought into operation in accordance with special parliamentary procedure.

Requirements to take precautions against pollution.

31A.—(1) The Secretary of State may by regulations make provision—

- (a) for prohibiting a person from having custody or control of any poisonous, noxious or polluting matter unless prescribed works and prescribed precautions and other steps have been carried out or taken for the purpose of preventing the matter from entering controlled waters;
- (b) for requiring a person who already has custody or control of, or makes use of, any such matter to carry out such works for that purpose and to take such precautions and other steps for that purpose as may be prescribed.

(2) Without prejudice to the generality of the power conferred by subsection (1) above, regulations under that subsection may—

- (a) confer power on the river purification authorities—
 - (i) to determine for the purposes of the regulations the circumstances in which a person is required to carry out works or take any precautions or other steps; and
 - (ii) by notice to that person, to impose the requirement and to specify or describe the works, precautions or other steps which that person is required to carry out or take;
- (b) provide for appeals to the Secretary of State against notices served by a river purification authority in pursuance of provision made by virtue of paragraph (a) above; and

SCH. 23

(i) on summary conviction, imprisonment for a term not exceeding three months or to a fine not exceeding the statutory maximum or to both;

(ii) on conviction on indictment, to imprisonment for a term not exceeding two years or to a fine or both.

Nitrate sensitive areas.

31B.—(1) Where the Secretary of State considers that it is appropriate to do so with a view to achieving the following purpose, that is to say, preventing or controlling the entry of nitrate into controlled waters as a result of, or of anything done in connection with, the use of any land for agricultural purposes, he may by order designate that land, together with any other land to which he considers it appropriate to apply the designation, as a nitrate sensitive area.

(2) Where any area has been designated as a nitrate sensitive area by an order under this section and the Secretary of State considers that it is appropriate to do so with a view to achieving the purpose mentioned in subsection (1) above, he may, subject to such restrictions (if any) as may be set out in the order, enter into an agreement under which, in consideration of payments to be made by him—

(a) the absolute owner (within the meaning of section 93 of the Agricultural Holdings (Scotland) Act 1949) of any agricultural land in that area; or

(b) where any such owner has given his written consent to the agreement being entered into by any person having another interest in that land, that other person,

accepts such obligations with respect to the management of that land or otherwise as may be imposed by the agreement.

(3) Where it appears to the Secretary of State in relation to any area which is, or is to be, designated by an order under this section as a nitrate sensitive area that it is appropriate for provision for the imposition of requirements, prohibitions or restrictions to be contained in an order under this section (as well as for him to be able to enter into such agreements as are mentioned in subsection (2) above), he may, by a subsequent order under this section or, as the case may be, by the order designating that area—

(a) with a view to achieving the purpose mentioned in subsection (1) above, require, prohibit or restrict the carrying on or in relation to any agricultural land in that area of such activities as may be specified or described in the order; and

(b) provide for such amounts (if any) as may be specified in or determined under the order to be paid by the Secretary of State, to such persons as may be so specified or determined, in respect of the obligations imposed in relation to that area on those persons by virtue of paragraph (a) above.

(4) Without prejudice to the generality of subsection (3) above, provision contained in an order under this section by virtue of that subsection may—

SCH. 23

- (a) confer power upon the Secretary of State to determine for the purposes of the order the circumstances in which the carrying on of any activities is required, prohibited or restricted and to determine the activities to which any such requirement, prohibition or restriction applies;
- (b) provide for any requirement to carry on any activity not to apply in cases where the Secretary of State has consented to a failure to carry on that activity and any conditions on which the consent has been given are complied with;
- (c) apply a prohibition or restriction in respect of any activities to cases where the activities are carried on without the consent of the Secretary of State or in contravention of any conditions subject to which any such consent is given;
- (d) provide that a contravention of a requirement, prohibition or restriction contained in the order or in a condition of a consent given in relation to or for the purposes of any such requirement, prohibition or restriction shall be an offence the maximum penalties for which shall not exceed the maximum penalties specified in subsection (7) of section 31 above;
- (e) provide for amounts paid in pursuance of any provision contained in the order to be repaid at such times and in such circumstances and with such interest as may be specified in or determined under the order;
- (f) provide (subject to any regulations under subsection (6) below) for anything falling to be determined under the order by any person to be determined in accordance with such procedure and by reference to such matters and to the opinion of such persons as may be specified in the order.

(5) The Secretary of State shall not make an order under this section except in accordance with any applicable provisions of Schedule 1A to this Act.

(6) The Secretary of State may, for the purposes of any orders under this section which require his consent to the carrying on of any activities or to any failure to carry on any activity, by regulations make provision with respect to—

- (b) the conditions of any such consent;
- (c) the revocation or variation of any such consent;
- (d) the reference to arbitration of disputes about determinations on any such application;
- (e) the imposition of charges where such an application has been made, such a consent has been given or there has been any act or omission in pursuance of any such consent; and
- (f) the registration of any such application or consent.

Registering of agreement.

31C.—(1) An agreement under subsection (2) of section 31B above may—

- (a) where the land is registered in the Land Register of Scotland, be registered in that register;

(b) in any other case, be recorded in the appropriate Division of the General Register of Sasines.

SCH. 23

(2) An agreement registered or recorded under subsection (1) above shall be enforceable at the instance of the Secretary of State against persons deriving title to the land (including any person acquiring right to a tenancy by assignation or succession) from the person who entered into the agreement; provided that such an agreement shall not be enforceable against a third party who shall have in good faith and for value acquired right (whether completed by infertment or not) to the land prior to the agreement being registered or recorded as aforesaid, or against any person deriving title from such third party.

(3) Notwithstanding the terms of any agreement registered or recorded under subsection (1) above, the parties to the agreement or any persons deriving title from them may at any time agree to terminate it; and such an agreement to terminate it shall be registered or recorded in the same manner as was the original agreement.

Powers of entry in relation to agreements under section 31B.

31D. The powers which by virtue of subsection (1) of section 91 of this Act are conferred in relation to any premises for the purpose—

- (a) of enabling the Secretary of State to determine whether or in what manner to exercise any power conferred on him by or under section 31B of this Act or to determine whether any provision of an order under that section is being or has been contravened; or
- (b) of enabling a river purification authority to determine whether to make an application for the purpose of paragraph 1 of Schedule 1A to this Act,

shall include power, in order to obtain information on which that determination may be made, to carry out experimental borings or other works on those premises and to install and keep monitoring and other apparatus there.

Control of discharges of trade and sewage effluent etc. into rivers and coastal waters etc.

32.—(1) Subject to subsections (3) to (5) of this section, a person shall be guilty of an offence if he causes or knowingly permits—

- (a) any trade effluent or sewage effluent to be discharged—
 - (i) into any controlled waters, or
 - (ii) from land in Scotland through a pipe into the sea outside the seaward limits of controlled waters, or
 - (iii) from a building or from plant on to or into any land or into any waters of a loch or pond which are not inland waters; or
- (b) any matter other than trade or sewage effluent to be discharged into controlled waters from a sewer as defined by section 59(1) of the Sewerage (Scotland) Act 1968 or from a drain as so defined; or

1968 c. 47.

- (c) any matter other than trade or sewage effluent to be discharged into controlled waters from a drain which a roads authority is obliged or entitled to keep open by virtue of section 31 of the Roads (Scotland) Act 1984, and in respect of which the river purification authority in whose area the discharge occurs has, not later than the beginning of the period of three months

1984 c. 54.

SCH. 23

ending with the date of the discharge, served on the roads authority a notice stating that this paragraph is to apply to the drain,

unless the discharge is made with the consent in pursuance of section 34 of this Act of the river purification authority in whose area the discharge occurs (or, in a case falling within paragraph (a)(ii) of this subsection, of the river purification authority whose area includes the point at which the pipe passes or first passes into or under controlled waters from the sea outside them) and is in accordance with the conditions, if any, to which the consent is subject.

(2) Where any sewage effluent is discharged as mentioned in paragraph (a) of the preceding subsection from any works or sewer vested in a local authority and the authority did not cause or knowingly permit the discharge but was bound to receive into the works or sewer, either unconditionally or subject to conditions which were observed, matter included in the discharge, the authority shall be deemed for the purposes of that subsection to have caused the discharge.

(3) The Secretary of State may—

(a) by an order made before subsection (1) of this section comes into force provide that that subsection shall not, while the order is in force, apply to discharges which are of a kind or in an area specified in the order and for which, if this Act had not been passed, consent in pursuance of the Rivers (Prevention of Pollution) (Scotland) Acts 1951 and 1965 would not have been required;

(b) by order vary or revoke any order in force by virtue of the preceding paragraph;

and an order made by virtue of this subsection may require any river purification authority specified in the order to publish in a manner so specified such information about the order as is so specified.

(4) Subsection (1) of this section shall not apply to any discharge which—

(a) is from a vessel; or

(b) is authorised by a licence granted under Part II of the Food and Environment Protection Act 1985,

and a person shall not be guilty of an offence under subsection (1) if—

(i) the discharge is caused or permitted in an emergency in order to avoid danger to life or health;

(ii) he takes all such steps as are reasonably practicable in the circumstances for minimising the extent of the discharge and of its polluting effects; and

(iii) as soon as reasonably practicable after the discharge occurs, particulars of the discharge are furnished to the river purification authority in whose area it occurs.

(5) A local authority shall not be guilty of an offence by virtue of subsection (1) of this section by reason only of the fact that a discharge from a sewer or works vested in the authority contravenes conditions of a consent relating to the discharge if—

- (a) the contravention is attributable to a discharge which another person caused or permitted to be made into the sewer or works; and
- (b) the authority either was not bound to receive the discharge into the sewer or works or was bound to receive it there subject to conditions but the conditions were not observed; and
- (c) the authority could not reasonably have been expected to prevent the discharge into the sewer or works;

SCH. 23

and a person shall not be guilty of such an offence in consequence of a discharge which he caused or permitted to be made into a sewer or works vested in a local authority if the authority was bound to receive the discharge there either unconditionally or subject to conditions which were observed.

(6) In subsection (2) of this section and the preceding subsection, "local authority" means a local authority within the meaning of the Sewerage (Scotland) Act 1968.

1968 c. 47.

(7) A person who is guilty of an offence by virtue of subsection (1) of this section shall be liable—

- (a) on summary conviction, to imprisonment for a term not exceeding three months or a fine not exceeding the statutory maximum or both;
- (b) on conviction on indictment, to imprisonment for a term not exceeding two years or a fine or both.

(2) The Secretary of State may by order provide that any byelaws specified in the order which were made by virtue of section 25(1)(c) of the Rivers (Prevention of Pollution) (Scotland) Act 1951 (byelaws) shall have effect, with such modifications (if any) as are so specified, as if made by virtue of the preceding subsection.

by all such information as the authority may reasonably require; and the authority may if it thinks fit treat an application for consent for discharges at two or more places as separate applications for consent for discharges at each of those places.

(2) Subject to the following section, it shall be the duty of a river purification authority to which an application for consent is made in pursuance of this section—

- (a) to give the consent either unconditionally or subject to conditions or to refuse it; and
- (b) not to withhold the consent unreasonably;

and if within the period of three months beginning with the date when an application for consent is received by the authority, or within such longer period as may at any time be agreed upon in writing between the authority and the applicant, the authority has neither given nor refused the consent nor informed the applicant that the application has been transmitted to the Secretary of State in pursuance of the following section, the authority shall be deemed to have refused the consent.

(3) If it appears to the authority that a person has, without the authority's consent, caused or permitted matter to be discharged in its area in contravention of section 32(1) of this Act and that a similar contravention by that person is likely, the authority may if it thinks fit serve on him an instrument in writing giving its consent, subject to conditions specified in the instrument, for discharges of a kind so specified; but consent given in pursuance of this subsection shall not relate to any discharge which occurred before the instrument giving the consent was served on the recipient of the instrument.

(4) The conditions subject to which the authority may give its consent in pursuance of this section shall be such reasonable conditions as the authority thinks fit; and without prejudice to the generality of the preceding provisions of this subsection those conditions may include reasonable conditions—

- (a) as to the places at which the discharges to which the consent relates may be made and as to the design and construction of any outlets for the discharges;
- (b) as to the nature, origin, composition, temperature, volume and rate of the discharges and as to the period during which the discharges may be made;
- (c) as to the provision of facilities for taking samples of the matter discharged and in particular as to the provision, maintenance and use of manholes, inspection chambers, observation wells and boreholes in connection with the discharges;
- (d) as to the provision, maintenance and testing of meters for measuring the volume and rate of the discharges and apparatus for determining the nature, composition and temperature of the discharges;
- (e) as to the keeping of records of the nature, origin, composition, temperature, volume and rate of the discharges and in particular of records of readings of meters and other recording apparatus provided in accordance with any other condition attached to the consent;

SCH. 23

- (f) as to the making of returns and the giving of other information to the authority about the nature, origin, composition, temperature, volume and rate of the discharges; and
- (g) as to the steps to be taken, in relation to the discharges or by way of subjecting any substance likely to affect the description of matter discharged to treatment or any other process, for minimising the polluting effects of the discharges on any controlled waters;

and it is hereby declared that consent may be given in pursuance of this section subject to different conditions in respect of different periods.

(5) A person who, in an application for consent in pursuance of this section, makes any statement which he knows to be false in a material particular or recklessly makes any statement which is false in a material particular shall be guilty of an offence and liable on summary conviction to a fine not exceeding the statutory maximum or on conviction on indictment to a fine.

Reference to Secretary of State of certain applications for consent.

35.—(1) The Secretary of State may, either in consequence of representations made to him or otherwise, direct a river purification authority to transmit to him for determination applications for consent in pursuance of the preceding section which are specified in the direction or are of a kind so specified, and it shall be the duty of the authority to comply with the direction and to inform each relevant applicant that his application has been transmitted to the Secretary of State.

(2) Before determining an application transmitted to him by a river purification authority in pursuance of this section the Secretary of State may if he thinks fit, and shall if a request to be heard with respect to the application is made to him in accordance with regulations by the applicant or the authority, cause a local inquiry to be held in pursuance of section 96 of this Act into the application or afford to the applicant and the authority an opportunity of appearing before and being heard by a person appointed by the Secretary of State for the purpose.

(3) Where in pursuance of the preceding subsection the Secretary of State affords to an applicant and a river purification authority an opportunity of appearing before and being heard by a person with respect to the application in question, it shall be the duty of the Secretary of State to afford an opportunity of appearing before and being heard by that person to any person who, in pursuance of subsection (1)(c) or (5) of the following section, has made representations relating to the application.

(4) It shall be the duty of the Secretary of State to determine an application transmitted to him by a river purification authority in pursuance of this section by directing the authority to refuse its consent in pursuance of the preceding section in consequence of the application or to give the consent either unconditionally or subject to such conditions as are specified in the direction, and it shall be the duty of the authority to comply with the direction.

(ii) the area or areas appearing to the authority to be in the vicinity of any controlled waters which the authority considers likely to be affected by the discharges,

and, not earlier than the day following that on which the first publication of the notice is completed in all relevant areas in pursuance of the preceding provisions of this paragraph, to publish such a notice in the *Edinburgh Gazette*;

(b) to send copies of the application or instrument to each local authority in whose area it is proposed in the application that a discharge should be made or in whose area a discharge is the subject of consent given by the instrument and, in the case of an application or instrument relating to coastal waters, relevant territorial waters or an application relating to waters outside the seaward limits of relevant territorial waters, to the Secretary of State; and

(c) to consider any written representations relating to the application or instrument which are made to the authority by any person within the period of six weeks beginning with the date on which the notice of the application or instrument is published in the *Edinburgh Gazette*.

(3) Where notice of an application is published by a river purification authority in pursuance of subsection (1)(a) of this section, the authority shall be entitled to recover the cost of publication from the applicant.

(4) A river purification authority shall be entitled to disregard the provisions of subsection (1) of this section in relation to an application (except so much of paragraph (b) of that subsection as requires copies of the application to be sent to the Secretary of State) if the authority proposes to give consent in pursuance of the application and considers that the discharges in question will have no appreciable effect on the water into which they are proposed to be made.

(5) The preceding provisions of this section shall have effect with prescribed modifications in relation to an application which is the subject of a direction in pursuance of subsection (1) of the preceding section.

SCH. 23

- (b) that person may, within the period of twenty-one days beginning with the day on which the notice of the proposal is served on him, request the Secretary of State in accordance with regulations to give a direction in pursuance of subsection (1) of the preceding section in respect of the application; and
- (c) it shall be the duty of the authority not to give consent in consequence of the application before the expiration of that period and, if within that period the said person makes a request in pursuance of the preceding paragraph and serves notice of the request on the authority, not to give consent in pursuance of the application unless the Secretary of State has given notice to the authority that he declines to comply with the request;

and in calculating in the case of any application the period of three months mentioned in section 34(2) of this Act or a longer period there mentioned there shall be disregarded any period during which the authority to which the application was made is prohibited by virtue of paragraph (c) of this subsection from giving consent in consequence of the application.

(7) A consent for any discharges which is given in pursuance of section 34 of this Act is not limited to discharges by a particular person and accordingly extends to the discharges in question which are made by any person.

Revocation of consents and alteration and imposition of conditions.

37.—(1) It shall be the duty of a river purification authority by which a consent is given in pursuance of section 34 of this Act to review from time to time the consent and the conditions, if any, to which the consent is subject; and subject to the following section the authority may, by a notice served on the person making a discharge in pursuance of the consent, revoke the consent if it is reasonable to do so or make reasonable modifications of the said conditions or, in the case of an unconditional consent, provide that it shall be subject to reasonable conditions specified in the notice.

38.—(1) Each instrument signifying the consent of a river purification authority in pursuance of section 34 of this Act shall specify a period during which no notice in pursuance of subsection (1) or (2)(c) of the preceding section is to be served in respect of the consent without the written agreement of a person making a discharge in pursuance of the consent; and the said period shall be a reasonable period of not less than two years beginning with the day on which the consent takes effect.

(2) Each notice served by a river purification authority in pursuance of subsection (1) or (2)(c) of the preceding section (except a notice which only revokes a consent or conditions) shall specify a period during which a subsequent notice in pursuance of that subsection which alters the effect of the first-mentioned notice is not to be served without the written agreement of a person making a discharge in pursuance of the consent to which the first-mentioned notice relates; and the said period shall be a reasonable period of not less than two years beginning with the day on which the first-mentioned notice is served.

(3) The authority shall be liable to pay compensation to any person in respect of any loss or damage sustained by that person as a result of the authority's compliance with a direction given in relation to any consent by virtue of section 37(2)(b) of this Act if—

(a) in complying with that direction the authority does anything which, apart from that direction, it would be precluded from doing by a restriction imposed under subsection (1) or (2) above; and

(b) the direction is not shown to have been in consequence of—

(i) a change of circumstances which could not reasonably have been foreseen at the beginning of the period to which the restriction relates; or

(ii) consideration by the Secretary of State of material information which was not reasonably available to the authority at the beginning of that period;

and in this paragraph information is material, in relation to a consent, if it relates to any discharge made or to be made by virtue of the consent, to the interaction of any such discharge with any other discharge or to the combined effect of the matter discharged and any other matter.

(4) A restriction imposed under subsection (1) or (2) of this section shall not prevent the service by the authority of a notice by virtue of section 37(1) or (2)(c) of this Act in respect of a consent given under section 34(3) of this Act if—

(a) the notice is served not more than three months after the beginning of the period specified in section 36(1)(c) of this Act for the making of representations with respect to the consent; and

- (b) the authority or, as the case may be, the Secretary of State considers, in consequence of any representations received by it or him within that period, that it is appropriate for the notice to be served.

(4) Where a question is referred to the Secretary of State in pursuance of subsection (1) of this section and he determines that the consent in question was unreasonably withheld or that the conditions or terms or period in question are or is unreasonable, he shall give to the relevant river purification authority such a direction as he thinks fit with regard to the consent, conditions, terms or period and it shall be the duty of the authority to comply with the direction.

SCH. 23

(5) The withholding by a river purification authority of such a consent as is mentioned in subsection (1) of this section, the conditions subject to which such a consent is given and such terms and period as are so mentioned shall be treated as reasonable for the purposes of this Part of this Act until the contrary is determined in pursuance of subsection (1) of this section except that where a question as to the reasonableness of the conditions of a consent given in pursuance of regulations made by virtue of section 31(4) of this Act is referred to the Secretary of State in pursuance of this section the consent shall be treated for those purposes as unconditional while the reference is pending.

(6) At any stage of the proceedings on a reference to the Secretary of State in pursuance of this section he may, and shall if so directed by the Court of Session, state in the form of a special case for the decision of the court any question of law arising in those proceedings.

- (b) to be treated, with or without modifications, for any of those purposes in such other manner as may be prescribed.

(3) An application for such a consent as is mentioned in subsection (1) of this section which is pending immediately before the relevant day shall be treated on and after that day as an application for consent in pursuance of section 34 of this Act which was made on the day on which it was actually made.

(4) Where an application for consent in pursuance of section 34 of this Act in respect of any discharge is duly made to a river purification authority before the relevant day and the discharge in question is not such as is mentioned in section 32(3)(a) of this Act and is substantially a continuation of a previous discharge which during the year ending with the 30th April 1974 was lawfully made without such consent as is so mentioned (any reduction of the temperature, volume or rate of the discharge as

compared with that of the previous discharge being disregarded), the authority shall be deemed to have given unconditionally the consent applied for—

SCH. 23

- (b) in a case where the matter appears to be or to have been present in such waters, for the purpose of removing or disposing of the matter or of remedying or mitigating any pollution caused by its presence in the waters or of restoring the waters (including the fauna and flora dependent on the aquatic environment of the waters), so far as it is reasonably practicable to do so, to the state in which they were immediately before the matter became present in the waters;

but nothing in this subsection empowers a river purification authority to impede or prevent the making of any discharge in pursuance of a consent given by any authority by virtue of section 34 of this Act.

(2) Where a river purification authority carries out any operations in pursuance of this section the authority shall, subject to the following subsection, be entitled to recover the costs of doing so from any persons who caused or knowingly permitted the matter in question to be present at the place from which it was likely in the opinion of the authority to enter the controlled waters or, as the case may be, to be present in the controlled waters.

(3) No such costs shall be payable by a person—

48.—(1) Where it appears to a river purification authority to be appropriate to do so for the purpose of preventing the pollution of inland waters in its area, the authority may make byelaws providing that vessels shall not be on any such waters which are specified in the byelaws unless the vessels are registered by the authority in accordance with the byelaws or are exempted by the byelaws from registration; and a person who causes or knowingly permits a vessel to be on inland waters in contravention of byelaws made by virtue of this subsection shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 5 on the standard scale or such smaller sum as may be specified in the byelaws.

- (b) any substantial amount of vegetation cut or uprooted in any inland waters, or so near to any such waters that it falls into it, is allowed to remain in the waters by the wilful default of any person,

then, subject to the following subsection, that person shall be guilty of an offence and liable on summary conviction to a fine not exceeding level 4 on the standard scale.

(2) Nothing in paragraph (a) of the preceding subsection applies to anything done in the exercise of statutory powers conferred by or under any enactment relating to land drainage, flood prevention or navigation.

(3) The Secretary of State shall not make an order under this section unless he has first consulted the river purification authorities.”.

- (d) the extent to which works, machinery or apparatus were reasonably provided by the applicant or any of his predecessors in anticipation of future requirements.

(5) Any provision made by a licence granted by virtue of this paragraph as to the quantity of water authorised to be abstracted shall be such as will not permit the abstraction of water in excess of the quantity established to the reasonable satisfaction of the Authority to be capable of being abstracted by means of works, machinery or apparatus which—

- (a) were constructed or installed before the transfer date; or
- (b) were in the course of being constructed or installed on that date,

not being (in either case) works, machinery or apparatus provided for use only in the event of an accident or other emergency involving a total or partial failure of other works, machinery or apparatus.

(6) Nothing in—

- (a) sections 27 to 29 or 38 of the 1963 Act (applications for licences);
- (b) any regulations under section 54(3) of that Act (applications in respect of National Parks); or
- (c) section 131(2) of that Act (applications by the British Waterways Board),

shall apply in relation to an application for the grant of a licence by virtue of this paragraph; but, save as aforesaid and subject to the following provisions of this Part of this Schedule, that Act shall have effect as if such an application were an application under that Act.

(7) The preceding provisions of this paragraph, and not section 41(5) of the 1963 Act (procedure on appeal to the Secretary of State), shall apply, as they apply in relation to an application to the Authority for the grant of a licence by virtue of this paragraph, in relation to an appeal under section 39 of that Act in respect of a decision on such an application; but in their application in relation to any such appeal the preceding provisions of this paragraph shall have effect as if in those provisions—

- (a) references to the Authority were references to the Secretary of State; and
- (b) the requirement in sub-paragraph (1)(b) above as to the period within which an application must be made applied to the application the decision on which is the subject-matter of the appeal (rather than to the appeal itself).

(8) Nothing in—

SCH. 26

- (a) section 46(3) of the 1963 Act (compensation for revocation or variation confined to work carried out after grant of licence); or
- (b) section 47 of that Act (application by owner of fishing rights for revocation or variation of licence),

shall apply in relation to a licence granted by virtue of this paragraph; but, save as aforesaid and subject to sub-paragraphs (6) and (7) above and the following provisions of this Part of this Schedule, that Act shall apply in relation to any such licence as it applies in relation to any other licence under that Act.

(9) For the purposes of this paragraph water abstracted by the former incumbent of a benefice (within the meaning of section 132 of the 1963 Act) shall be treated as having been abstracted by the person who is for the time being the incumbent thereof or, if the benefice is vacant, by the Church Commissioners.

(10) No application for the grant of a licence by virtue of this paragraph shall be made in respect of any abstraction which is the subject of such a contract of sale as is mentioned in paragraph 31 below; and no licence may be granted by virtue of this paragraph in relation to any waters to which section 131 of the 1963 Act (waters owned or managed by the British Waterways Board) applies unless—

- (a) the application for the licence was accompanied by the prescribed evidence that notice of the application was served on the British Waterways Board; and
- (b) the Authority has considered any representations or objections made by that Board within the period of twenty-eight days beginning with the day on which the application was made or such longer period as the Authority may allow.

Waters owned or managed by the British Waterways Board

31.—(1) Where the British Waterways Board establishes to the reasonable satisfaction of the Authority, on an application made before the coming into force of the amendment made by sub-paragraph (3) of paragraph 6 of Schedule 13 to this Act—

- (a) that a contract for the sale of water by that Board to any other person has been entered into at any time before the coming into force of that amendment; and
- (b) that that contract requires or authorises such an abstraction of any water from any inland water to which section 131 of the 1963 Act (inland waters owned or managed by the British Waterways Board) applies as is required to be licensed under that Act by reason only of that amendment,

that Board shall be entitled to the grant by the Authority of such a licence under the 1963 Act as will authorise the abstraction required or authorised by that contract.

(2) Nothing in—

- (a) sections 27 to 29 or 38 of the 1963 Act (applications for licences); or
- (b) any regulations under section 54(3) of that Act (applications in respect of National Parks),

shall apply in relation to an application for the grant of a licence by virtue of this paragraph; but, save as aforesaid and subject to the following provisions of this Part of this Schedule, that Act shall have effect as if such an application were an application under that Act.

SCH. 26

(3) The preceding provisions of this paragraph, and not section 41(5) of the 1963 Act (procedure on appeal to the Secretary of State), shall apply, as they apply in relation to an application to the Authority for the grant of a licence by virtue of this paragraph, in relation to an appeal under section 39 of that Act in respect of a decision on such an application; but in their application in relation to any such appeal the preceding provisions of this paragraph shall have effect as if in those provisions—

- (a) references to the Authority were references to the Secretary of State; and
- (b) the requirement in sub-paragraph (1) above as to the period within which an application must be made applied to the application the decision on which is the subject-matter of the appeal (rather than to the appeal itself).

(4) Nothing in—

- (a) section 46(3) of the 1963 Act (compensation for revocation or variation confined to work carried out after grant of licence); or
- (b) section 47 of that Act (application by owner of fishing rights for revocation or variation of licence),

shall apply in relation to a licence under that Act granted by virtue of this paragraph; but, save as aforesaid and subject to sub-paragraphs (2) and (3) above and the following provisions of this Part of this Schedule, that Act shall apply in relation to any such licence as it applies in relation to any other licence under that Act.

Transitional provision in respect of licences under paragraph 30 or 31

32.—(1) Where an application for the grant of a licence by virtue of paragraph 30 or 31 above is made before the end of the period within which such an application is required to be made under that paragraph, then—

1965 c. 36.

- (a) sections 23, 26, 31 and 49 of the 1963 Act and Part II of the Gas Act 1965 shall have effect, until the application is disposed of, as if the licence had been granted on the date of the application and the provisions of the licence had been in accordance with the proposals contained in the application; and
- (b) for the purposes of those sections and Part II of the said Act of 1965 any licence granted on the application shall be treated as not having effect until the application has been disposed of.

(2) Subsection (1) of section 31 of the 1963 Act (effect of licence) shall not afford any defence to an action brought before the end of the period of three years beginning with the transfer date if the licence referred to in that subsection is a licence granted by virtue of paragraph 30 or 31 above; and that subsection as applied by sub-paragraph (1) above shall not afford any defence to such an action.

(3) No compensation shall be payable under section 46 of the 1963 Act (compensation for revocation or variation of a licence) in respect of the revocation or variation of a licence granted by virtue of paragraph 30 or 31 above if the revocation or variation is for giving effect to the decision of the court in an action in respect of which sub-paragraph (2) above has effect or in any proceedings in consequence of such an action.

(4) For the purposes of this paragraph an application for the grant of a licence by virtue of paragraph 30 or 31 above shall be taken to be disposed of on (but not before) the occurrence of whichever of the following events last occurs, that is to say—

- (a) the grant, on the determination of the application by the Authority, of a licence the provisions of which are in accordance with the proposals contained in the application;

- (c) the determination or withdrawal of an appeal against that decision;
- (d) the grant, variation or revocation, in compliance with a direction given by the Secretary of State in consequence of such an appeal, of a licence under the 1963 Act;

Actions against the Authority in respect of rights protected by licences under paragraph 30 or 31

33.—(1) Section 50(2) of the 1963 Act (action against the Authority where Authority acts on direction of the Secretary of State) shall not apply to a direction given in consequence of an appeal against the decision of the Authority on an application for the grant of a licence under that Act by virtue of paragraph 30 or 31 above.

(2) Where the plaintiff in any action brought against the Authority at any time after the transfer date in pursuance of section 50(1) of the 1963 Act (action in respect of licences derogating from protected rights) is entitled to a protected right under the 1963 Act by reason only that he is the holder of a licence granted by virtue of paragraph 30 or 31 above or has applied for a licence to be so granted, it shall be a defence for the Authority to show—

- (a) that the plaintiff could have carried out permissible alterations in the means whereby he abstracted water from the source of supply in question; and
 - (b) that, if he had carried out such alterations, the abstraction (or, as the case may be, the obstruction or impeding of the flow of the inland water) authorised by the licence to which the action relates would not have derogated from his protected right under that Act.
- (3) In sub-paragraph (2) above “permissible alterations”—
- (a) in relation to a person who is the holder of a licence granted by virtue of paragraph 30 or 31 above, means any alteration of works, or modification of machinery or apparatus, which would fulfil the requirements of the licence as to the means whereby water is authorised to be abstracted;
 - (b) in relation to a person who is not the holder of such a licence but has applied for one as being entitled to it by virtue of that paragraph, means any alteration of the works, or modification of the machinery or apparatus, by means of which he abstracted water from the source of supply in question during the period of five years ending with the transfer date, being an alteration or modification which would be within the scope of the licence if granted in accordance with the application.

Saving for the Drought Act 1976

1976 c. 44.

- (a) any order under that Act which is in force immediately before the transfer date;
- (b) any power to make an order under that Act on an application (whether made before, on or after that date) of which notice was given before that date; or

SCH. 26

(c) the operation of the provisions of that Act in relation to any such order or application;

but, in relation to any time on or after that date, that Act and anything done under it shall have effect by virtue of this paragraph as if references to a water authority were references to the successor company of that water authority.

35.—(1) In this Part of this Schedule—

1963 c. 38.

“the relevant period”, in relation to an application or appeal by virtue of paragraph 30 above, means whichever is the shorter of—

(a) the period of five years ending with the transfer date; and

(b) the period beginning with the date on which the applicant or any of his predecessors began to abstract water from the source of supply in question and ending with the transfer date.

Byelaws

SCH. 26

57.—(1) Where any power to make byelaws is exercisable before the transfer date by a water authority or by any statutory water company, then in so far as that power is by virtue of this Act conferred (whether by being amended or by being re-enacted with modifications) on the Authority or on any other body—

- (a) any byelaws made by a water authority or statutory water company in exercise of that power and in force immediately before that date shall have effect on and after the transfer date as if they had been made by the relevant body under the power conferred by virtue of this Act; and
- (b) anything done under any provision of Schedule 7 to the 1973 Act or Schedule 4 to the Land Drainage Act 1976 shall have effect on and after that date as if it had been done under the corresponding provision of Schedule 24 to this Act and, if it was done (in the case of byelaws made by a water authority) by or in relation to that authority, as if it had been done by or in relation to the relevant body;

1976 c. 70.

and references (however framed) in any byelaws which have effect by virtue of this paragraph to the body which made the byelaws shall have effect accordingly.

(2) For the purposes of this paragraph any byelaws in force immediately before the transfer date by virtue of—

- (a) paragraph (c) of section 22(6) of the Countryside Act 1968 (byelaws preventing sewage etc. from entering a waterway); or
- (b) section 18 of the 1945 Act (byelaws preventing pollution of water of undertakers),

1968 c. 41.

shall have effect on and after that date as if the power to make byelaws under section 158 of this Act included power to make such byelaws as could be made under the said paragraph (c) or the said section 18.

(3) Notwithstanding any repeal by this Act, the provisions of subsections (2) to (5) of section 18 of the 1945 Act and of subsection (2), (4) and (5) of section 19 of that Act and, in relation to those provisions, the provisions of Part V of that Act shall have effect in relation to any byelaws under section 18 of that Act having effect by virtue of sub-paragraphs (1) and (2) above—

- (a) as they had effect in relation to those byelaws immediately before the transfer date; but
- (b) as if any references in those provisions of sections 18 and 19 of the 1945 Act to the statutory water undertakers who made the byelaws were references to the relevant body;

and every duty imposed on a water undertaker by virtue of paragraph (b) above shall be enforceable under section 20 of this Act by the Secretary of State.

(4) Without prejudice to the power of the Secretary of State under the Control of Pollution Act 1974 to bring the repeal of section 18 of the 1945 Act into force, the power of the Secretary of State under section 111 of this Act to make an order for the purposes specified in that section shall include power, by an order under that section—

1974 c. 40.

- (a) to modify the operation of sub-paragraphs (1) to (3) above in relation to any byelaws made under the said section 18 and having effect by virtue of those sub-paragraphs; and
- (b) to revoke or amend any such byelaws.

(5) Without prejudice to the power conferred by virtue of sub-paragraph (4) above, the Secretary of State shall not be required to hold a local inquiry before exercising his power under paragraph 5 of Schedule 24 to this Act to revoke any byelaw having effect by virtue of sub-paragraph (2) above.

(6) Nothing in this Act shall, in relation to any byelaws made before the transfer date and continuing to have effect on and after that date, alter the area in relation to which those byelaws have effect.

- SCH. 26
- 1968 c. 41.
- (7) In this paragraph “the relevant body”, in relation to any byelaws—
- (a) in the case of byelaws made by a statutory water company, means that company;
 - (b) in the case of byelaws made by a water authority under section 22(6) of the Countryside Act 1968 (byelaws with respect to certain waterways) with respect to any waterway or land which on and after the transfer date is owned by the water authority’s successor company or (without being owned by the Authority) is managed by that company, means that company; and
 - (c) in any other case, means the Authority.

Saving for criminal liability of water authorities

58. Nothing in this Act or in any scheme under Schedule 2 to this Act shall have the effect, in relation to any criminal liability of a water authority in respect of an offence committed before the transfer date, of transferring that liability to the Authority or to the water authority’s successor company.

Periods of time

59. Where any period of time—

- (a) is specified in any enactment to which a provision of this Act corresponds (whether by virtue of its being the re-enactment, with or without modifications, of the whole or any part of that enactment or by virtue of any provision having effect for the purposes of this Schedule); or
- (b) is specified in an enactment any function under which is transferred by virtue of any provision of this Act from a water authority to any other person,

then, if any period is current for the purposes of that enactment on the day on which the said provision of this Act comes into force, so much of the period as has expired before that day shall be taken into account, in relation to anything done before that day which is treated as done under that provision or, as the case may be, by or in relation to that person, as if that provision had been in force when the period began to run.
