[F128] 83X Structural assets

- (1) Section 83(2) does not require to be taken into account as receipts or expenses of a period of account income from, or an increase or a decrease in the value of, structural assets held by an insurance company in a non-profit fund.
- (2) For the purposes of subsection (1) above—
 - (a) an increase in the value of structural assets includes any amount by which their fair value when they cease to be structural assets, or come to be held otherwise than in any of the company's non-profit funds, exceeds their admissible value at the end of the preceding period of account, and
 - (b) a decrease in the value of structural assets includes any amount by which the admissible value of the assets at the end of the period of account in which they become structural assets, or come to be held in any of the company's non-profit funds, is less than their historic cost.
- (3) In this section “structural assets” means—
 - (a) shares, debts and loans the value of which is required to be entered in lines 21 to 24 of Form 13 in the periodical return (UK insurance dependants and other insurance dependants), and
 - (b) assets of such other descriptions as are specified by regulations made by the Treasury.
- (4) Where a structural asset held by an insurance company in a non-profit fund ceases to be a structural asset or comes to be held otherwise than in any of the company's non-profit funds and, immediately before it came to be a structural asset held in any of the company's non-profit funds it (or any part of it) was an asset of the company's long-

term insurance fund, the relevant value difference is to be taken into account under section 83(2)—

- (a) as a receipt (if it is a positive amount), or
- (b) as an expense (if it is a negative amount),

of the relevant period of account.

- (5) For the purposes of subsection (4) above “the relevant value difference”, in relation to an asset, is—

HC - AV

where—

HC is its historic cost, and

AV is its admissible value at the relevant time.

- (6) In subsection (4) above “the relevant period of account” means—
- (a) in a case within paragraph (a) of that subsection, the period of account in which the asset ceases to be a structural asset or comes to be held otherwise than in any of the company's non-profit funds, and
 - (b) in a case within paragraph (b) of that subsection, the period of account in which the asset first comes to be held otherwise than by the company or (where the company is a member of a group) otherwise than by a company which is a member of the group;

and section 170 of the Taxation of Chargeable Gains Act 1992 (meaning of “group” etc) has effect for the interpretation of this subsection.

- (7) In subsection (5) above “the relevant time” means—
- (a) in a case where assets become structural assets held in any of the company's non-profit funds by virtue of the commencement of this section, the end of the last period of account of the company beginning before 1st January 2007, and
 - (b) otherwise, the time when the assets become structural assets held in any of the company's non-profit funds.

- (8) In this section “historic cost”, in relation to an asset which is or has been held in any of the company's non-profit funds, means—
- (a) where the asset came to be held in any of the company's non-profit funds on acquisition from another person, the consideration given by the company for the acquisition of the asset, and
 - (b) otherwise, its fair value when it came to be held in any of the company's non-profit funds.

- (9) In this section “admissible value”, in relation to an asset and a time, means the value of the asset as shown in column 1 of Form 13 of the periodical return for the period ending with that time (or as would be so shown if there were a periodical return covering a period ending with that time).

- (10) Regulations made by the Treasury may make provision for computing for the purposes of the Taxation of Chargeable Gains Act 1992 any gain or loss arising on a disposal by an insurance company of a structural asset held in a non-profit fund in any case where the condition in subsection (11) is met.

Status: Point in time view as at 19/07/2007.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1989, Part II. (See end of Document for details)

- (11) The condition in this subsection is met if, in any period of account of the company in which the asset was held by it—
- (a) income arising from the asset was (or, had there been any, would have been) referable to any category of long-term business the profits of which fell for that period of account to be computed in accordance with the provisions applicable to Case I of Schedule D, or
 - (b) the company was charged to tax on the profits of its life assurance business under Case I of Schedule D.
- (12) Structural assets held by an insurance company in a non-profit fund are to be treated as being within paragraph (f) of subsection (4) of section 440 of the Taxes Act 1988; but no disposal or re-acquisition is to be deemed to occur by virtue of an asset ceasing to be within any other paragraph of that subsection and coming within that paragraph on becoming such a structural asset.
- (13) Structural assets held by an insurance company in a non-profit fund are to be treated as being “remaining” securities within section 440A(2)(e) of the Taxes Act 1988.
- (14) Section 432A of the Taxes Act 1988 does not have effect in relation to income arising from, or gains and losses accruing on the disposal of, structural assets held by an insurance company in a non-profit fund.
- (15) Regulations under subsection (3) or (10) above may be made so as to have effect in relation to periods of account current when they are made (as well as periods of account beginning later).]

83YB Meaning of “appropriate line 51 amount” for purposes of s.83YA

- (1) For the purposes of section 83YA, the appropriate line 51 amount of a non-profit company for any period of account is determined as follows.

Step 1

Find the company's basic line 51 amount for the period of account.

Step 2

Reduce that amount (but not below nil) by the amount of any unrecognised capital amount of the company for the period of account.

But this step applies only if the period of account for which the appropriate line 51 amount of the company is being determined is the current period of account for the purposes of section 83YA.

Step 3

Increase the resulting amount by the amount of any relevant loan repayment made by the company in the period of account.

- (2) For the purposes of step 1, the company's basic line 51 amount for any period of account is—
- (a) in the case where no with-profits funds form part of its long-term business for that period, the amount shown in line 51 of Form 14 of its periodical return in respect of the whole of its long-term business for that period, and
 - (b) in any other case, so much of that amount as exceeds the aggregate amount of the amounts shown in line 51 of Form 14 of its periodical return in respect of its with-profits funds for that period.
- (3) For the purposes of step 2, the company has an unrecognised capital amount for any period of account if—
- (a) any assets (“the added assets”) become assets of its long-term insurance fund but do not become assets of any of its with-profits funds,
 - (b) the consideration for the acquisition of the added assets does not comprise any assets which, immediately before the acquisition, were assets of its long-term insurance fund,
 - (c) no amount is shown in respect of the added assets in any of lines 17 to 41 of Form 14 of its periodical return in respect of the whole of its long-term business for the period of account, and

- (2) “Excess adjusted Case I profits” means any amount by which—
- (a) the adjusted Case I profits (see subsection (3)), exceeds
 - (b) the relevant amount (see subsection (5)).
- (3) “The adjusted Case I profits” means the amount that would be the profits of the company's life assurance business for the accounting period if—

Status: Point in time view as at 19/07/2007.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1989, Part II. (See end of Document for details)

- (4) The adjustment in respect of losses is a deduction of the amount which, disregarding section 434A(2)(a) of the Taxes Act 1988, would fall to be set off under section 393 of that Act against the company's income for the accounting period if the company had always been charged to tax under Case I of Schedule D.
- (5) The relevant amount (which may be a negative amount) is found by—
- (a) taking the relevant income (see subsection (6)), and
 - (b) deducting from it the relevant aggregate (see subsection (8)).
- (6) “The relevant income” means—
- (a) any income (including distributions received from companies resident in the United Kingdom) referable (in accordance with section 432A of the Taxes Act 1988) to the company's basic life assurance and general annuity business for the accounting period,

86 Spreading of relief for acquisition expenses.

[^{F177}(1) For the purposes of this section, the acquisition expenses for any period of an insurance company carrying on life assurance business are such of the following as for that period fall to be included at Step 1 in section 76(7) of the Taxes Act 1988 (expenses of insurance companies)—

- (a) commissions (however described), other than commissions for persons who collect premiums from house to house,
- (b) any other expenses payable solely for the purpose of the acquisition of business,
- (c) so much of any other expenses payable partly for the purpose of the acquisition of business and partly for other purposes as are properly attributable to the acquisition of business,

reduced by the appropriate portion of the adjusted loss deduction (if any) for the purposes of Step 5 for the period.

The appropriate portion of the adjusted loss deduction is the amount which bears to the whole of that deduction the proportion which UAE bears to S1, where—

UAE is the amount of the acquisition expenses, before making the reduction required by this subsection; and

S1 is the sum of the amounts described in paragraphs (a) and (b) in Step 4.]

(2) The exclusion from paragraph (a) of subsection (1) above of commissions [^{F178}for persons who collect premiums from house to house] shall not prevent such commissions constituting [^{F179}expenses payable] for the purposes of paragraph(b) or paragraph (c) of that subsection.

^{F180}(3)

^{F181}(3A)

(4) In subsection (1) above “the acquisition of business” includes

- ^{F182}[(a)] the securing on or after 14th March 1989 of the payment of increased or additional premiums in respect of a policy of insurance issued in respect of an insurance already made (whether before, on or after that date) [^{F183}and
- (b) the securing, in an accounting period beginning on or after 1st January 1992, of the payment of increased or additional consideration in respect of an annuity contract already made (whether in an accounting period beginning before, or on or after, that date)].

^{F184}(5)

^{F185}(5A)

[^{F186}(6) Only a portion of the acquisition expenses for any accounting period (in this section referred to as “the base period”) is to be relieved under section 76 of the Taxes Act 1988 for that period.

That portion is one-seventh of the adjusted amount of the acquisition expenses for the period.

For the purposes of this section the adjusted amount of the acquisition expenses for the period is so much of those expenses as remains after—

- (a) including the whole of those expenses at Step 1,
- (b) making any reduction in those expenses which is required at Step 2, and

Status: Point in time view as at 19/07/2007.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1989, Part II. (See end of Document for details)

- (c) deducting any amount of reinsurance commission or any repayment or refund (in whole or in part) that falls for the period to be charged to tax under section 85 above,

Effect is given to this subsection at Step 6 (which requires the deduction of six-sevenths of the adjusted amount of the acquisition expenses for the period).]

^{F187}(7)

[^{F188}(8) This subsection applies in any case where, in accordance with subsection (6) above, only a fraction of the adjusted amount of the acquisition expenses for the base period is to be relieved under section 76 of the Taxes Act 1988 for that period.

In any such case—

- (a) a further fraction of the adjusted amount of those expenses is to be relieved under that section for each succeeding accounting period after the base period, until the whole of the adjusted amount has been relieved,
- (b) the fraction is one-seventh, except that for any accounting period of less than a year the fraction is to be proportionately reduced, and
- (c) the relief is given by including that fraction of the adjusted amount at paragraph (b) of Step 8,

but this is subject to subsection (9) below.

(9) For any accounting period for which—

- (a) the fraction of the adjusted amount of the acquisition expenses for the base period which would otherwise fall to be relieved in accordance with subsection (8) above, exceeds
- (b) the balance of that adjusted amount which has not been so relieved for earlier accounting periods,

only that balance shall be so relieved.]

[^{F189}(9A) In this section “expenses payable” has the same meaning as in Step 1.

(9B) Any reference in this section to a numbered Step is a reference to the Step so numbered in section 76(7) of the Taxes Act 1988.]

(10) This section has effect for accounting periods beginning on or after 1st January 1990
