BE IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART I

THE NATIONAL HEALTH SERVICE: ENGLAND AND WALES

Local management

1.—(1) In the National Health Service Act 1977 (in this Part of this Act referred to as “the principal Act”), in section 8 (Regional and District Health Authorities etc.)—

Regional and
District Health
Authorities.
1977 c. 49.

c. 19 *National Health Service and Community Care Act 1990*

PART I

- (a) in subsection (1) for the words "Schedule 5 to this Act" there shall be substituted "Schedule 1 to the National Health Service and Community Care Act 1990";
- (b) any reference to an area or an Area Health Authority shall be omitted; and
- (c) subsection (5) (consultation before making orders under subsection (2)) shall be omitted.

(2) Part I of Schedule 1 to this Act shall have effect in place of Part I of Schedule 5 to the principal Act (membership of health authorities etc.).

(3) Part III of Schedule 5 to the principal Act (supplementary provisions as to authorities) shall be amended in accordance with Part III of Schedule 1 to this Act.

(4) Subject to subsection (5) below, at the end of the day appointed for the coming into force of this subsection.—

- (a) any person who became a member of a Regional or District Health Authority under Part I of Schedule 5 to the principal Act shall cease to be such a member; and
- (b) any person who, by virtue of an order under section 11 of the principal Act, became a member of a special health authority which is a relevant authority for the purposes of paragraph 9(1) of Schedule 5 to that Act (as amended by Part III of Schedule 1 to this Act) shall cease to be such a member.

(5) Subsection (4) above does not apply to a person holding office as chairman of a Regional, District or Special Health Authority.

Family Health
Services
Authorities.

2.—(1) On and after the day appointed for the coming into force of this subsection—

- (a) each existing Family Practitioner Committee shall be known as a Family Health Services Authority; and
- (b) any reference in any enactment to a Family Practitioner Committee shall be construed as a reference to a Family Health Services Authority;

and the generality of this subsection is not affected by any express amendment made by this Act.

(2) In subsection (1) above "enactment" means—

- (a) an enactment passed before the day appointed for the coming into force of subsection (1) above; and
- (b) an enactment comprised in subordinate legislation made before that day.

(3) In section 10 of the principal Act (Family Health Services Authorities)—

- (a) for the words "Schedule 5 to this Act" there shall be substituted "Schedule 1 to the National Health Service and Community Care Act 1990"; and
- (b) subsection (7) (consultation before making orders under subsection (4)) shall be omitted.

(4) Part II of Schedule 1 to this Act shall have effect in place of Part II of Schedule 5 to the principal Act (membership of Family Practitioner Committees).

PART I

(5) At the end of the day appointed for the coming into force of this subsection, any person who became a member of a Family Practitioner Committee under Part II of Schedule 5 to the principal Act (including a person holding office as chairman of such a committee) shall cease to be a member and, accordingly, in the case of a chairman, shall also cease to be chairman.

(6) Nothing in this section shall cause a Family Health Services Authority to be included in the expression "health authority", as defined in the principal Act.

3.—(1) Any reference in this Act to the primary functions of a Regional, District or Special Health Authority is a reference to those functions for the time being exercisable by the authority by virtue of directions under section 11, section 13 or section 14 of the principal Act; and any reference in this Act to the primary functions of a Family Health Services Authority is a reference to the functions for the time being exercisable by the authority by virtue of this Act or section 15 of the principal Act.

Primary and other functions of health authorities etc. and exercise of functions.

(2) In addition to carrying out its primary functions, a Regional, District or Special Health Authority or a Family Health Services Authority may, as the provider, enter into an NHS contract (as defined in section 4 below) under which the goods or services to be provided are of the same description as goods or services which the authority already provides or could provide for the purposes of carrying out its primary functions.

(3) In section 16 of the principal Act (exercise of functions), in subsection (1) for the words from "an Area", in the first place where they occur, to "Health Authority" in the second place where those words occur, there shall be substituted "a Regional or District Health Authority, or exercisable by a Regional or District Health Authority by virtue of any prescribed provision of this or any other Act, or exercisable by a Family Health Services Authority under Part I of the National Health Service and Community Care Act 1990".

(4) In section 17 of the principal Act (directions as to exercise of functions), in subsection (1) after the words "sections 13 to 16 above" there shall be inserted "and may also give directions with respect to the exercise by health authorities or Family Health Services Authorities of functions under the National Health Service and Community Care Act 1990".

(5) Nothing in this section or in the principal Act affects the power of a Regional, District or Special Health Authority at any time to provide goods or services under the principal Act for the benefit of an individual where—

(a) the provision of those goods or services is neither within the primary functions of the authority nor carried out pursuant to an NHS contract; but

PART I

(b) the condition of the individual is such that he needs those goods or services and, having regard to his condition, it is not practicable before providing them to enter into an NHS contract for their provision.

(6) In any case where—

(a) a Regional, District or Special Health Authority provides goods or services for the benefit of an individual as mentioned in subsection (5) above, and

(b) the provision of those goods or services is within the primary functions of another health authority or is a function of a health board,

the authority providing the goods or services shall be remunerated in respect of that provision by that other health authority or health board.

(7) The rate of any remuneration payable by virtue of subsection (6) above shall be calculated in such manner or on such basis as may be determined by the Secretary of State.

(8) In any case where—

(a) a Regional, District or Special Health Authority provides goods or services for the benefit of an individual, and

(b) the provision of those goods or services is not pursuant to an NHS contract, and

(c) the individual is resident outside the United Kingdom and is of a description (being a description associating the individual with another country) specified for the purposes of this subsection by a direction made by the Secretary of State,

the authority shall be remunerated by the Secretary of State in respect of the provision of the goods or services in question at such rate or rates as he considers appropriate.

NHS contracts.

4.—(1) In this Act the expression “NHS contract” means an arrangement under which one health service body (“the acquirer”) arranges for the provision to it by another health service body (“the provider”) of goods or services which it reasonably requires for the purposes of its functions.

(2) In this section “health service body” means any of the following, namely,—

(a) a health authority;

(b) a health board;

(c) the Common Services Agency for the Scottish Health Service;

(d) a Family Health Services Authority;

(e) an NHS trust;

(f) a recognised fund-holding practice;

(g) the Dental Practice Board or the Scottish Dental Practice Board;

(h) the Public Health Laboratory Service Board; and

(i) the Secretary of State.

PART I

(3) Whether or not an arrangement which constitutes an NHS contract would, apart from this subsection, be a contract in law, it shall not be regarded for any purpose as giving rise to contractual rights or liabilities, but if any dispute arises with respect to such an arrangement, either party may refer the matter to the Secretary of State for determination under the following provisions of this section.

(4) If, in the course of negotiations intending to lead to an arrangement which will be an NHS contract, it appears to a health service body—

- (a) that the terms proposed by another health service body are unfair by reason that the other is seeking to take advantage of its position as the only, or the only practicable, provider of the goods or services concerned or by reason of any other unequal bargaining position as between the prospective parties to the proposed arrangement, or
- (b) that for any other reason arising out of the relative bargaining position of the prospective parties any of the terms of the proposed arrangement cannot be agreed,

that health service body may refer the terms of the proposed arrangement to the Secretary of State for determination under the following provisions of this section.

(5) Where a reference is made to the Secretary of State under subsection (3) or subsection (4) above, the Secretary of State may determine the matter himself or, if he considers it appropriate, appoint a person to consider and determine it in accordance with regulations.

(6) By his determination of a reference under subsection (4) above, the Secretary of State or, as the case may be, the person appointed under subsection (5) above may specify terms to be included in the proposed arrangement and may direct that it be proceeded with; and it shall be the duty of the prospective parties to the proposed arrangement to comply with any such directions.

(7) A determination of a reference under subsection (3) above may contain such directions (including directions as to payment) as the Secretary of State or, as the case may be, the person appointed under subsection (5) above considers appropriate to resolve the matter in dispute; and it shall be the duty of the parties to the NHS contract in question to comply with any such directions.

(8) Without prejudice to the generality of his powers on a reference under subsection (3) above, the Secretary of State or, as the case may be, the person appointed under subsection (5) above may by his determination in relation to an arrangement constituting an NHS contract vary the terms of the arrangement or bring it to an end; and where an arrangement is so varied or brought to an end—

- (a) subject to paragraph (b) below, the variation or termination shall be treated as being effected by agreement between the parties; and
- (b) the directions included in the determination by virtue of subsection (7) above may contain such provisions as the Secretary of State or, as the case may be, the person appointed under subsection (5) above considers appropriate in order satisfactorily to give effect to the variation or to bring the arrangement to an end.

PART I

1978 c. 29.

(9) In subsection (2) above "NHS trust" includes—

- (a) such a trust established under the National Health Service (Scotland) Act 1978; and
- (b) a body established in Northern Ireland and specified by an order made by statutory instrument by the Secretary of State as equivalent to an NHS trust established under this Part of this Act.

National Health Service trusts

NHS trusts.

5.—(1) Subject to subsection (2) or, as the case may be, subsection (3) below the Secretary of State may by order establish bodies, to be known as National Health Service trusts (in this Act referred to as NHS trusts),—

- (a) to assume responsibility, in accordance with this Act, for the ownership and management of hospitals or other establishments or facilities which were previously managed or provided by Regional, District or Special Health Authorities; or
- (b) to provide and manage hospitals or other establishments or facilities.

(2) In any case where the Secretary of State is considering whether to make an order under subsection (1) above establishing an NHS trust and the hospital, establishment or facility concerned is or is to be situated in England, he shall direct the relevant Regional Health Authority to consult, with respect to the proposal to establish the trust,—

- (a) the relevant Community Health Council and such other persons or bodies as may be specified in the direction; and
- (b) such other persons or bodies as the Authority considers appropriate;

and, within such period (if any) as the Secretary of State may determine, the relevant Regional Health Authority shall report the results of those consultations to the Secretary of State.

(3) In any case where the Secretary of State is considering whether to make an order under subsection (1) above establishing an NHS trust and the hospital, establishment or facility concerned is or is to be situated in Wales, he shall consult the relevant Community Health Council and such other persons and bodies as he considers appropriate.

(4) In subsections (2) and (3) above—

- (a) any reference to the relevant Regional Health Authority is a reference to that Authority in whose region the hospital, establishment or other facility concerned is, or is to be, situated; and
- (b) any reference to the relevant Community Health Council is a reference to the Council for the district, or part of the district, in which that hospital, establishment or other facility is, or is to be, situated.

PART I

(5) Every NHS trust—

- (a) shall be a body corporate having a board of directors consisting of a chairman appointed by the Secretary of State and, subject to paragraph 5(2) of Schedule 2 to this Act, executive and non-executive directors (that is to say, directors who, subject to subsection (7) below, respectively are and are not employees of the trust); and
- (b) shall have the functions conferred on it by an order under subsection (1) above and by Schedule 2 to this Act.

(6) The functions specified in an order under subsection (1) above shall include such functions as the Secretary of State considers appropriate in relation to the provision of services by the trust for one or more health authorities.

(7) The Secretary of State may by regulations make general provision with respect to—

- (a) the qualifications for and the tenure of office of the chairman and directors of an NHS trust (including the circumstances in which they shall cease to hold, or may be removed from, office or may be suspended from performing the functions of the office);
- (b) the persons by whom the directors and any of the officers are to be appointed and the manner of their appointment;
- (c) the maximum and minimum numbers of the directors;
- (d) the circumstances in which a person who is not an employee of the trust is nevertheless, on appointment as a director, to be regarded as an executive rather than a non-executive director;
- (e) the proceedings of the trust (including the validation of proceedings in the event of a vacancy or defect in appointment); and
- (f) the appointment, constitution and exercise of functions by committees and sub-committees of the trust (whether or not consisting of or including any members of the board) and, without prejudice to the generality of the power, any such regulations, may make provision to deal with cases where the post of any officer of an NHS trust is held jointly by two or more persons or where the functions of such an officer are in any other way performed by more than one person.

(8) Part I of Schedule 2 to this Act shall have effect with respect to orders under subsection (1) above; Part II of that Schedule shall have effect, subject to subsection (9) below, with respect to the general duties and the powers and status of NHS trusts; the supplementary provisions of Part III of that Schedule shall have effect; and Part IV of that Schedule shall have effect with respect to the dissolution of NHS trusts.

(9) The specific powers conferred by paragraphs 14 and 15 in Part II of Schedule 2 to this Act may be exercised only to the extent that—

- (a) the exercise will not interfere with the duties of the trust to comply with directions under paragraph 6 of that Schedule; and
- (b) the exercise will not to any significant extent interfere with the performance by the trust of its obligations under any NHS contract or any obligations imposed by an order under subsection (1) above.

PART I

(10) The Secretary of State may by order made by statutory instrument confer on NHS trusts specific powers additional to those contained in paragraphs 10 to 15 of Schedule 2 to this Act.

Transfer of staff
to NHS trusts.

6.—(1) Subject to subsection (5) below, this section applies to any person who, immediately before an NHS trust's operational date—

- (a) is employed by a health authority to work solely at, or for the purposes of, a hospital or other establishment or facility which is to become the responsibility of the trust; or
- (b) is employed by a health authority to work at, or for the purposes of, such a hospital, establishment or facility and is designated for the purposes of this section by a scheme made by the health authority specified as mentioned in paragraph 3(1)(f) of Schedule 2 to this Act.

(2) A scheme under this section shall not have effect unless approved by the Secretary of State.

(3) Subject to section 7 below, the contract of employment between a person to whom this section applies and the health authority by whom he is employed shall have effect from the operational date as if originally made between him and the NHS trust.

(4) Without prejudice to subsection (3) above—

- (a) all the health authority's rights, powers, duties and liabilities under or in connection with a contract to which that subsection applies shall by virtue of this section be transferred to the NHS trust on its operational date; and
- (b) anything done before that date by or in relation to the health authority in respect of that contract or the employee shall be deemed from that date to have been done by or in relation to the NHS trust.

(5) In any case where—

- (a) an order under section 5(1) above provides for the establishment of an NHS trust with effect from a date earlier than the operational date of the trust, and
- (b) on or after that earlier date but before its operational date the NHS trust makes an offer of employment by the trust to a person who at that time is employed by a health authority to work (whether solely or otherwise) at, or for the purposes of, the hospital or other establishment or facility which is to become the responsibility of the trust, and
- (c) as a result of the acceptance of the offer, the person to whom it was made becomes an employee of the NHS trust,

subsections (3) and (4) above shall have effect in relation to that person's contract of employment as if he were a person to whom this section applies and any reference in those subsections to the operational date of the trust were a reference to the date on which he takes up employment with the trust.

(6) Subsections (3) and (4) above are without prejudice to any right of an employee to terminate his contract of employment if a substantial change is made to his detriment in his working conditions; but no such right shall arise by reason only of the change in employer effected by this section.

PART I

(7) A scheme under this section may designate a person either individually or as a member of a class or description of employees.

7.—(1) In the case of a person who falls within section 6(1)(b) above, a scheme under that section may provide that, with effect from the NHS trust's operational date, his contract of employment (in this section referred to as "his original contract") shall be treated in accordance with the scheme as divided so as to constitute—

Supplementary provisions as to transfer of staff.

- (a) a contract of employment with the NHS trust; and
- (b) a contract of employment with the health authority by whom he was employed before that date (in this section referred to as "the transferor authority").

(2) Where a scheme makes provision as mentioned in subsection (1) above,—

- (a) the scheme shall secure that the benefits to the employee under the two contracts referred to in that subsection, when taken together, are not less favourable than the benefits under his original contract;
- (b) section 6 above shall apply in relation to the contract referred to in subsection (1)(a) above as if it were a contract transferred under that section from the transferor authority to the NHS trust;
- (c) so far as necessary to preserve any rights and obligations, the contract referred to in subsection (1)(b) above shall be regarded as a continuation of the employee's original contract; and
- (d) for the purposes of section 146 of and Schedule 13 to the Employment Protection (Consolidation) Act 1978, the number of hours normally worked, or, as the case may be, the hours for which the employee is employed in any week under either of those contracts shall be taken to be the total of the hours normally worked or, as the case may be, for which he is employed under the two contracts taken together.

1978 c. 44.

(3) Where, as a result of the provisions of section 6 above, by virtue of his employment during any period after the operational date of the NHS trust,—

- (a) an employee has contractual rights against an NHS trust to benefits in the event of his redundancy, and
- (b) he also has statutory rights against the trust under Part VI of the Employment Protection (Consolidation) Act 1978 (redundancy payments),

any benefits provided to him by virtue of the contractual rights referred to in paragraph (a) above shall be taken as satisfying his entitlement to benefits under the said Part VI.

PART I
Transfer of
property, rights
and liabilities to
NHS trust.

8.—(1) The Secretary of State may by order transfer or provide for the transfer to an NHS trust, with effect from such date as may be specified in the order, of such of the property, rights and liabilities of a health authority or of the Secretary of State as, in his opinion, need to be transferred to the trust for the purpose of enabling it to carry out its functions.

(2) An order under this section may create or impose such new rights or liabilities in respect of what is transferred or what is retained by a health authority or the Secretary of State as appear to him to be necessary or expedient.

(3) Nothing in this section affects the power of the Secretary of State or any power of a health authority to transfer property, rights or liabilities to an NHS trust otherwise than under subsection (1) above.

(4) Stamp duty shall not be chargeable in respect of any transfer to an NHS trust effected by or by virtue of an order under this section.

(5) Where an order under this section provides for the transfer—

- (a) of land held on lease from a third party, that is to say, a person other than the Secretary of State or a health authority, or
- (b) of any other asset leased or hired from a third party or in which a third party has an interest,

the transfer shall be binding on the third party notwithstanding that, apart from this subsection, it would have required his consent or concurrence.

(6) Any property, rights and liabilities which are to be transferred to an NHS trust shall be identified by agreement between the trust and a health authority or, in default of agreement, by direction of the Secretary of State.

(7) Where, for the purpose of a transfer pursuant to an order under this section, it becomes necessary to apportion any property, rights or liabilities, the order may contain such provisions as appear to the Secretary of State to be appropriate for the purpose; and where any such property or rights fall within subsection (5) above, the order shall contain such provisions as appear to the Secretary of State to be appropriate to safeguard the interests of third parties, including, where appropriate, provision for the payment of compensation of an amount to be determined in accordance with the order.

(8) In the case of any transfer made by or pursuant to an order under this section, a certificate issued by the Secretary of State that any property specified in the certificate or any such interest in or right over any such property as may be so specified, or any right or liability so specified, is vested in the NHS trust specified in the order shall be conclusive evidence of that fact for all purposes.

(9) Without prejudice to subsection (4) of section 126 of the principal Act, an order under this section may include provision for matters to be settled by arbitration by a person determined in accordance with the order.

Originating capital
debt of, and other
financial
provisions
relating to NHS
trusts.

9.—(1) Each NHS trust shall have an originating capital debt of an amount specified in an order made by the Secretary of State, being an amount representing, subject to subsection (2) below, the excess of the valuation of the assets which, on or in connection with the establishment

of the trust, are or are to be transferred to it (whether before, on or after its operational date) over the amounts of the liabilities which are or are to be so transferred.

PART I

(2) In determining the originating capital debt of an NHS trust, there shall be left out of account such assets or, as the case may be, liabilities as are, or are of a class, determined for the purposes of this section by the Secretary of State, with the consent of the Treasury.

(3) An NHS trust's originating capital debt shall be deemed to have been issued out of moneys provided by Parliament and shall constitute an asset of the Consolidated Fund.

(6) The members of a recognised fund-holding practice may apply an allotted sum only for purposes specified in regulations under subsection (7) below.

(7) Regulations shall make provision with respect to the purposes for which allotted sums are to be or may be applied and may make provision generally with respect to the operation of recognised fund-holding practices in relation to allotted sums; and the regulations may, in particular,—

PART I

(8) In the application of subsection (7) above to the members of a practice whose relevant Family Health Services Authority has a locality in Wales, for the reference in paragraph (a) of that subsection to the relevant Regional Health Authority there shall be substituted a reference to the Secretary of State.

16.—(1) Regulations may make provision as to the circumstances in which the members of a recognised fund-holding practice may renounce that status and such regulations may, in particular, make provision as to—

(6) Where any part of an allotted sum has been applied by the members of a recognised fund-holding practice (or any one or more of them) for purposes other than those specified in regulations under section 15(7) above, regulations may make provision for and in connection with the recovery by the relevant Regional Health Authority or, as the case may be, the Secretary of State of an amount equal to that part.

(7) Where provision is made as mentioned in subsection (6) above, regulations shall make provision with respect to appeals against the recovery of any amount by a Regional Health Authority.

17.—(1) If the Secretary of State by regulations so provides, such of the functions of a Regional Health Authority or, in Wales, the Secretary of State under sections 14 to 16 above as are specified in, or determined in accordance with, the regulations shall become functions of a Family Health Services Authority with effect from such date as may be prescribed.

Transfer of functions relating to recognised fund-holding practices.

(2) Regulations under this section shall make provision for determining the Family Health Services Authority which is to exercise any of the functions concerned in relation to the members of any existing recognised fund-holding practice and in relation to any medical practitioners wishing to apply for recognition.

(3) Without prejudice to the generality of section 126(4) of the principal Act, regulations under this section may make such incidental and consequential modifications of the principal Act and of sections 14 to 16 above as appear to the Secretary of State to be necessary or expedient in consequence of the transfer of functions effected by the regulations.

and any reference to the members of a practice shall be construed accordingly.

(4) The members of a practice shall seek to secure that, except with the consent of the relevant Family Health Services Authority or for good cause, the orders for drugs, medicines and listed appliances given by them or on their behalf are such that the basic price of the items supplied pursuant to those orders in any financial year does not exceed the indicative amount notified to the practice for that year under subsection (1) above.

(5) For the purpose of measuring the extent to which a practice is operating within the indicative amount notified to it under subsection (1) above for any financial year, a Family Health Services Authority shall set against that indicative amount an amount equal to the basic price of the drugs, medicines and listed appliances supplied in that year pursuant to orders given by or on behalf of members of the practice.

(6) For the purposes of this section, regulations may make provision as to the specification of, or means of calculating, the basic price of any drugs, medicines or listed appliances.
