#### 11A (1) This paragraph applies where—

- (a) the gametes of a person (“P”) are in storage,
- (b) P’s consent to the storage of the gametes is required under paragraph 8(1),
- (c) there is effective consent from P to the storage of the gametes, and
- (d) the gametes are being kept for use for the purposes of providing treatment services to—
  - (i) P, or
  - (ii) P and another person together.

- (2) The person keeping the gametes in storage (“K”) must, in each consent period, request P to renew consent to storage of the gametes within the renewal period.

For the meaning of “consent period” and “renewal period”, see paragraph 11B.

- (3) A request under sub-paragraph (2) must be given in writing before the start of the renewal period.
- (4) The duty in sub-paragraph (2) ceases to apply if K is notified that P has died.
- (5) The duty in sub-paragraph (2) does not apply in relation to any consent period if—
- (a) K has at any time been informed in writing that P has been certified as lacking capacity to renew consent to storage of the gametes, and

- (b) K has not subsequently been informed in writing, before the start of the renewal period which relates to that consent period, that P has been certified as having capacity to renew consent to storage of the gametes.
- (6) P renews consent by informing K in writing that P consents to the storage of the gametes.
- (7) If P's consent is not renewed under sub-paragraph (6) before the end of the consent period, K must, as soon as possible after the end of that period, give a notice to P stating that if P does not renew consent before the end of the renewal period, the gametes will be removed from storage and disposed of.
- (8) P's consent to the storage of the gametes is to be taken as having been withdrawn at the end of a renewal period that relates to a consent period if—
  - (a) K has complied with the requirements of sub-paragraphs (2) and (7) in relation to that consent period, and
  - (b) P's consent is not renewed under sub-paragraph (6) before the end of the renewal period.

But this is subject to sub-paragraphs (9) and (10).
- (9) If, in a case referred to in sub-paragraph (8)(a) and (b), P dies before the end of the renewal period—
  - (a) P's consent is not to be taken as withdrawn under sub-paragraph (8), but
  - (b) if at the end of the period of 10 years beginning with the day on which P died there is still effective consent from P to the storage, P's consent is to be taken as withdrawn at that time.
- (10) If, in a case referred to in sub-paragraph (8)(a) and (b), before the end of the renewal period P is certified as lacking capacity to renew consent—
  - (a) P's consent is not to be taken as withdrawn under sub-paragraph (8), but
  - (b) if at the end of the period of 10 years beginning with the day on which P was so certified there is still effective consent from P to the storage, P's consent is to be taken as withdrawn at that time.
- (11) But P's consent is not to be taken as withdrawn under sub-paragraph (10)(b) if, before the time it would be taken to be withdrawn under that sub-paragraph—
  - (a) P is certified as having capacity to renew consent to storage of the gametes, and
  - (b) P renews consent to storage of the gametes by informing K in writing that P consents to their storage.
- (12) In a case where P renews consent under sub-paragraph (11)(b), this paragraph applies subsequently as if references to a consent period were to—
  - (a) the period of 10 years beginning with the day on which P so renewed consent, and
  - (b) each successive period of 10 years.]
