

Environmental Protection Act 1990

1990 CHAPTER 43

PART I

INTEGRATED POLLUTION CONTROL AND AIR POLLUTION CONTROL BY LOCAL AUTHORITIES

Preliminary

2 Prescribed processes and prescribed substances.

- [^{F1}(1) The Secretary of State may, by regulations, prescribe any description of process as a process for the carrying on of which after a prescribed date an authorisation is required under section 6 below.
- (2) Regulations under subsection (1) above may frame the description of a process by reference to any characteristics of the process or the area or other circumstances in which the process is carried on or the description of person carrying it on.
- (3) Regulations under subsection (1) above may prescribe or provide for the determination under the regulations of different dates for different descriptions of persons and may include such transitional provisions as the Secretary of State considers necessary or expedient as respects the making of applications for authorisations and suspending the application of section 6(1) below until the determination of applications made within the period allowed by the regulations.
- (4) Regulations under subsection (1) above shall, as respects each description of process, designate it as one for central control or one for local control.
- (5) The Secretary of State may, by regulations, prescribe any description of substance as a substance the release of which into the environment is subject to control under sections 6 and 7 below.
- (6) Regulations under subsection (5) above may—
- (a) prescribe separately, for each environmental medium, the substances the release of which into that medium is to be subject to control; and
