##### *Proposals by community organisations for community right to build orders*

- 4 (1) A community organisation is authorised for the purposes of a community right to build order to act in relation to a neighbourhood area (whether or not any part of the neighbourhood area falls within the area of a parish council) if—
- the area mentioned in paragraph 3(1)(a) consists of or includes the neighbourhood area, and
  - at the time the proposal for the order is made more than half of the members of the organisation live in the neighbourhood area.
- (2) Accordingly, the community organisation is in that case to be regarded as a qualifying body for the purposes of section 61E.
- (3) Nothing in section 61F is to apply in relation to community right to build orders except subsections (12)(a) and (13)(d) of that section.
- (4) In particular, the reference in section 61F(10) to a neighbourhood development order is not to include a reference to a community right to build order (in a case where a community organisation is also a neighbourhood forum).
- (5) But a local planning authority may decline to consider a proposal for a community right to build order or other neighbourhood development order if—
- another proposal has been made for a community right to build order or other neighbourhood development order,
  - the other proposal is outstanding, and
  - the authority consider that the development and site to which the proposals relate are the same or substantially the same.
- (6) If the authority decline to consider the proposal, they must notify the person making the proposal of that fact and of their reasons for declining to consider it.
- (7) A proposal for a community right to build order must state that the proposal is for such an order.
