“(5E) For the purposes of sub-paragraph (5)(b) above, the amount to which the loan creditor is entitled by way of interest—

- (a) shall not be treated as depending to any extent on the results of the company’s business or any part of it by reason only of the fact that the terms of the loan provide for the rate of interest to be reduced in the event of the results of the company’s business or any part of it improving, and
