SCHEDULE

APPLICATION OF CERTAIN ENACTMENTS

Nuclear Installations Act 1965 (c.57)

- [^{F1}6 (1) Any conditions which, by virtue of section 4 of the Nuclear Installations Act 1965, are attached to a nuclear site licence granted in respect of a site in designated premises used by a contractor, shall not apply to the extent that such conditions affect the design of a nuclear device or any other device (other than a nuclear reactor) intended to simulate the properties of a nuclear device.
- (2) If a nuclear site licence has been granted in respect of any site in designated premises used by a contractor, the provisions of that Act shall have effect as if any reference to the period of the licensee's responsibility were a reference to any period during which the contractor occupies that site.
- (3) Section 6 of that Act (maintenance of list of licensed sites) shall not apply in relation to any site in designated premises used by a contractor in respect of which a nuclear site licence has been granted.]
