236B Exemption for employee shareholder shares

- (1) A gain which accrues on the first disposal of an exempt employee shareholder share is not a chargeable gain.
- (2) A share is an exempt employee shareholder share if it is—
 - (a) an employee shareholder share, and
 - (b) exempt in accordance with sections 236C and 236D.
- (3) In this section and sections 236C to 236G—

shares are “acquired” by an employee if the employee becomes beneficially entitled to them (and they are acquired at the time when the employee becomes so entitled);

“employee shareholder share” means a share acquired in consideration of an employee shareholder agreement and held by the employee;

“employee shareholder agreement” means an agreement by virtue of which an employee is an employee shareholder (see section 205A(1)(a) to (d) of the Employment Rights Act 1996);

“employee” and “employer company”, in relation to an employee shareholder agreement, mean the individual and the company which enter into the agreement.

236C Only first £50,000 of shares under associated agreements to be exempt

- (1) An employee shareholder share acquired in consideration of an employee shareholder agreement (“the relevant agreement”) is exempt for the purposes of section 236B only if, immediately after its acquisition, the total value of qualifying shares which have been acquired by the employee does not exceed £50,000.
- (2) “Qualifying share” means an employee shareholder share in—
 - (a) the employer company in relation to the relevant agreement, or
 - (b) an associated company of that company,
 which is acquired by the employee in consideration of an agreement within subsection (3).
- (3) An agreement is within this subsection if it is—
 - (a) the relevant agreement,
 - (b) another employee shareholder agreement with the same employer company, or
 - (c) an employee shareholder agreement with an associated company of that company.

Status: Point in time view as at 17/07/2014.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part VII is up to date with all changes known to be in force on or before 13 April 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) For the purposes of this section—
- (a) a company is an “associated company” of another if—
 - (i) one of the two has control of the other, or
 - (ii) both are under the control of the same person or persons, and
 - (b) if a company controls another when an employee shareholder agreement is entered into with the employee, paragraph (a) applies as if that continued to be the case (in addition to any other circumstances) when any subsequent employee shareholder agreement is entered into with that employee.
- (5) But subsection (4)(b) does not apply as between two companies if—
- (a) one of the companies has been dissolved,
 - (b) the period of two years beginning with the date of the dissolution has passed, and
 - (c) the employee has not, at any time in that period, been engaged in any office or employment (including engagement under a contract for services) with any company which is an associated company of the dissolved company.
- (6) If a number of qualifying shares are acquired by an employee on a day and—
- (a) before that day, the value of qualifying shares that have been acquired by the employee does not exceed £50,000, and
 - (b) at the end of that day, that value does exceed that sum,
- the appropriate proportion of the shares (rounded down, if necessary, to the nearest share) is to be treated for the purposes of subsection (1) as having been acquired separately and before the others.
- (7) The “appropriate proportion” is the following—

$$\frac{50000 - B}{T}$$

where—

B is the value of qualifying shares acquired before the day;

T is the total value of qualifying shares acquired on the day.

- (8) For the purposes of this section, the value of a share (at any time) is its unrestricted market value at the time when it was acquired by the employee.
- (9) The unrestricted market value of a share when it is acquired by an employee is what the market value of the share would be immediately after the acquisition, but for any restriction.

For this purpose “restriction” has the meaning given by section 432(8) of ITEPA 2003 (restricted securities for the purposes of Chapter 2 of Part 7 of that Act).

236D Shares not exempt if shareholder or connected person has material interest in company

- (a) the employee has a material interest in the employer company or a relevant parent undertaking, or
 - (b) the employee is connected with an individual who has a material interest in the employer company or a relevant parent undertaking.
- (2) An employee shareholder share is not exempt for the purposes of section 236B if—

 - (b) on the date on which the share is acquired, the employee is connected with an individual who, at any time in the period of one year ending with that date, had a material interest in the employer company or a relevant parent undertaking.

- (3) Subsections (4) and (5) define “material interest” for the purposes of this section.

Those subsections must be read together with subsections (6) to (8).

- (4) An individual (“A”) has a material interest in a company if at least 25% of the voting rights in the company are exercisable—
- (a) by A,
 - (b) by persons connected with A, or
 - (c) by A and persons connected with A together.

- (5) If a company is a close company, an individual (“A”) has a material interest in it if—
- (a) A,
 - (b) persons connected with A, or

- (6) If any of the settled property is applied by reference to more than one of the factors mentioned in subsection (4), the equality requirement is infringed unless—
 - (a) each factor gives rise to a separate entitlement related to the level of remuneration, length of service or (as the case may be) hours worked, and

236N Limited participation requirement

- (1) The limited participation requirement is met if Conditions A and B are met.
- (2) Condition A is that there was no time in the period of 12 months ending immediately after the disposal mentioned in section 236H(1) when—
- (a) P was a participator in C, and
 - (b) the participator fraction exceeded 2/5.

Status: Point in time view as at 17/07/2014.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part VII is up to date with all changes known to be in force on or before 13 April 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (3) Condition B is that the participator fraction does not exceed $\frac{2}{5}$ at any time in the period beginning with that disposal and ending at the end of the tax year in which it occurs.
- (4) But a time which falls in a period during which the participator fraction exceeded $\frac{2}{5}$ is to be disregarded for the purposes of subsection (2)(b) and (3) if—
- (a) that period lasts no more than 6 months, and
 - (b) the fraction exceeded $\frac{2}{5}$ during that period by reason of events outside the reasonable control of the trustees.
- (5) “The participator fraction” means—

$$\frac{NP}{NE}$$

where—

NP is the sum of—

- (a) the number of persons who at the time in question are both—
 - (i) participators in C, and
 - (ii) employees of, or office-holders in, C, and
- (b) the number of other persons who at that time are both—
 - (i) employees of, or office-holders in, C or, if C is the principal company of a trading group, any member of the group, and
 - (ii) connected with persons within paragraph (a);

NE is the number of persons who at that time are employees of C or, if C is the principal company of a trading group, any member of the group.

- (6) The participators in C who are referred to in subsections (2) and (5) do not include any participator who—
- (a) is not beneficially entitled to, or to rights entitling the participator to acquire, 5% or more of, or of any class of the shares comprised in, C’s share capital, and
 - (b) on a winding-up of C would not be entitled to 5% or more of its assets.
- (7) In this section—
- (a) “participator” has the meaning given by section 454 of CTA 2010, and
 - (b) references to a participator in a company are, in the case of a company which is not a close company (within the meaning of Chapter 2 of Part 10 of that Act), to be construed as references to a person who would be a participator in the company if it were a close company.

 - (b) one or more disqualifying events occur in relation to the disposal in the tax year following the tax year in which the disposal occurs.
- (2) A “disqualifying event” occurs in relation to the disposal if and when—
- (a) C ceases to meet the trading requirement,

Status: Point in time view as at 17/07/2014.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part VII is up to date with all changes known to be in force on or before 13 April 2024. - (b) the settlement ceases to meet the all-employee benefit requirement,
 - (c) the settlement ceases to meet the controlling interest requirement,
 - (d) the participator fraction exceeds $\frac{2}{5}$, or
 - (e) the trustees act in a way which the trusts, as required by the all-employee benefit requirement, do not permit.
- (3) No claim for relief under section 236H may be made in respect of the disposal on or after the day on which the disqualifying event (or, if more than one, the first of them) occurs.
- (4) Any claim for relief under section 236H made in respect of the disposal before that day is revoked, and the chargeable gains and allowable losses of any person for any chargeable period are to be calculated as if that claim had never been made.
- (5) Such adjustments must be made in relation to any person, whether by the making of assessments or otherwise, as are required to give effect to subsection (4) (regardless of any limitation on the time within which any adjustment may be made).
- (6) Section 236H(5) (restrictions on application of section 236L) applies for the purposes of subsection (2)(b).
- (7) Section 236N(4) applies for the purposes of subsection (2)(d) as it applies in relation to section 236N(2)(b) and (3).

236P Events which trigger deemed disposal and reacquisition by trustees

- (1) Where the trustees of a settlement acquire any ordinary share capital in a tax year in circumstances where section 236H applies, subsection (3) applies on the first occasion, after the end of the tax year following the tax year in which the acquisition occurs, when a disqualifying event occurs in relation to the acquisition.
- (2) A “disqualifying event” occurs in relation to the acquisition if and when—
- (a) C ceases to meet the trading requirement,
 - (b) the settlement ceases to meet the all-employee benefit requirement,
 - (c) the settlement ceases to meet the controlling interest requirement,
 - (d) the participator fraction exceeds $\frac{2}{5}$, or
 - (e) the trustees act in a way which the trusts, as required by the all-employee benefit requirement, do not permit.
- (3) The trustees are treated as having, immediately before the disqualifying event—
- (a) disposed of any ordinary share capital of C held by the trustees which comprises shares acquired in circumstances where section 236H applied (and not subsequently disposed of and reacquired), and
 - (b) immediately reacquired that ordinary share capital, at its market value at that time.
- (4) For the purposes of subsection (2)(b)—
- (a) unless the settlement met the all-employee benefit requirement at the time of the acquisition by virtue of section 236L, that section does not apply for the purposes of determining whether the settlement continues to meet that requirement after the acquisition, and

Status: Point in time view as at 17/07/2014.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part VII is up to date with all changes known to be in force on or before 13 April 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) if, at the time of the acquisition, the settlement met that requirement by virtue of section 236L and later continues to meet it otherwise than by virtue of that section, it may not again meet the requirement by virtue of that section.
- (5) Section 236N(4) applies for the purposes of subsection (2)(d) as it applies in relation to section 236N(2)(b) and (3).

236Q Relief for deemed disposals under section 71

 - (b) that settled property consists of ordinary share capital of a company,
 - (c) the relief requirements in section 236H(4)(a) to (d) are met, and
 - (d) the transferring trustee makes a claim under this section.
- (2) Section 17(1) (disposals and acquisitions treated as made at market value) does not apply to the disposal.
- (3) The deemed disposal and acquisition by the transferring trustee under section 71(1) are to be treated for the purposes of this Act as being made for such consideration as to secure that neither a gain nor a loss accrues on the disposal.
- (4) For the purposes of section 236P the trustees of the acquiring settlement are treated as acquiring the ordinary share capital from the transferring trustee, at the time of the deemed disposal, in circumstances where section 236H applies.
- (5) In applying sections 236H(4), 236I to 236P and 236T for the purposes of this section—
- (a) references in those provisions to the settlement are to be read as references to the acquiring settlement, and
 - (b) references in those provisions to C are to be read as references to the company mentioned in subsection (1)(b).
- (6) A claim under this section must include—
- (a) information to identify the acquiring settlement,
 - (b) the name of the company mentioned in subsection (1)(b) and the address of its registered office, and
 - (c) the date of the deemed disposal and the number of shares deemed to have been disposed of.
- (7) Section 236R makes provision about events which prevent a claim being made under this section and circumstances in which a claim is revoked.

236R No section 236Q relief if disqualifying event in next tax year

- (1) This section applies where—
- (a) a deemed disposal arises in circumstances where paragraphs (a) to (c) of section 236Q(1) are satisfied, and
 - (b) one or more disqualifying events occur in relation to the disposal in the tax year following the tax year in which the deemed disposal arises.

Status: Point in time view as at 17/07/2014.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part VII is up to date with all changes known to be in force on or before 13 April 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) No claim for relief under section 236Q may be made in respect of the deemed disposal on or after the day on which the disqualifying event (or, if more than one, the first of them) occurs.
- (3) Any claim for relief under section 236Q made in respect of the deemed disposal before that day is revoked, and the chargeable gains and allowable losses of any person for any chargeable period are to be calculated as if that claim had never been made.
- (4) Such adjustments must be made in relation to any person, whether by the making of assessments or otherwise, as are required to give effect to subsection (3) (regardless of any limitation on the time within which any adjustment may be made).
- (5) “Disqualifying event” is to be construed in accordance with subsections (2), (6) and (7) of section 236O except that—
 - (a) references in those subsections to the disposal are to be read as references to the deemed disposal, and
 - (b) in applying sections 236I to 236P and 236T for this purpose—
 - (i) references in those provisions to the settlement are to be read as references to the acquiring settlement (within the meaning of section 236Q(1)), and
 - (ii) references in those provisions to C are to be read as references to the company mentioned in section 236Q(1)(b).

236S Identification of shares where section 236H or 236Q applies

- (1) This section applies where the trustees of a settlement hold—
 - (a) shares which were—
 - (i) acquired in circumstances where section 236H applied, or
 - (ii) the subject of a deemed acquisition under section 71(1) in circumstances where section 236Q applied,and not subsequently disposed of and reacquired (“EOT exempt shares”), and
 - (b) other shares which, but for section 104(4A), would be shares of the same class as those shares.
- (2) If the trustees dispose of some, but not all, of the shares so held, they may determine what proportion of the shares disposed of are EOT exempt shares (up to the number of such shares held).
- (3) For the purposes of this section shares in a company are not to be treated as being of the same class unless they are so treated by the practice of a recognised stock exchange or would be so treated if dealt with on a recognised stock exchange.
- (4) Nothing in subsection (2) applies in relation to a disposal by virtue of section 236P(3).

236T Further provision about significant and controlling interests

- (1) This section applies for the purposes of—
 - (a) section 236L(2) (trustees hold a significant interest in C), and
 - (b) section 236M (controlling interest requirement).

Status: Point in time view as at 17/07/2014.

- (2) Chapter 6 of Part 5 of CTA 2010 (group relief: equity holders and profits or assets available for distribution) applies as it applies for the purposes of the provisions mentioned in section 157(1) of that Act.
- (3) The trustees are to be treated, for the purposes of section 236L(2)(b) or 236M(1)(b), as entitled to dividends on shares even if the trustees are required, or permitted, by the trusts of the settlement to waive their entitlement to those dividends.
- (4) In determining whether section 236L(2)(d) or 236M(1)(d) applies, ignore any provision of—
- (a) a mortgage or charge (or, in Scotland, a charge or security) granted by the trustees to a third party to secure any debt, or
 - (b) an agreement in respect of a loan made to the trustees by a third party, which confers any entitlement on the third party in the event of a default by the trustees in performing their obligations in relation to that debt or loan.
- (5) In this section—
- “third party” means a person other than—
- (a) C or a member of a group of which C is the principal company,

Status: Point in time view as at 17/07/2014.

Changes to legislation: Taxation of Chargeable Gains Act 1992, Part VII is up to date with all changes known to be in force on or before 13 April 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) Any question as to—
- (a) which of any assets acquired by an individual at different times a disposal relates to, being assets to which SI relief is attributable, or
 - (b) whether a disposal relates to assets to which SI relief is attributable or to other assets,
- is to be determined for the purposes of capital gains tax as provided by section 257TA of ITA 2007.
- (5) Chapter 1 of this Part has effect subject to subsection (4).
- (6) Sections 104, 105 and 106A do not apply to assets to which SI relief is attributable.
- (7) There are to be made all such adjustments of capital gains tax, whether by way of assessment or by way of discharge or repayment of tax, as may be required in consequence of SI relief being given or withdrawn.
- (8) In this section and sections 255C to 255E “SI relief” means relief under Part 5B of ITA 2007 (income tax relief for investments in social enterprises).
- (9) That Part applies for the purposes of this section and sections 255C to 255E to determine whether SI relief is attributable to any asset and, if so, the amount of SI relief so attributable.

255C Application of section 255B(2) where maximum SI relief not obtained

- (1) Subsection (2) applies if—
- (a) an individual's liability to income tax has been reduced (or treated by virtue of section 257T of ITA 2007 (spouses or civil partners) as reduced) for any tax year under section 257JA of ITA 2007 (SI relief) in respect of the acquisition of an asset,
 - (b) the amount of the reduction (“D”) is less than the amount given by—

$$I \times R$$

where—

I is the amount on which the individual has SI relief in the case of the asset, and

R is the SI rate for the tax year for which the SI relief was obtained, and

- (c) D is not within paragraph (b) solely by virtue of section 29(2) and (3) of ITA 2007.

- (2) If the individual disposes of the asset and there is a gain on the disposal, section 255B(2) has effect in relation to the gain as if it were reduced by multiplying it by—

[^{F221}263C] **Stock lending: insolvency etc of borrower**

- (1) This section applies where, in the case of any stock lending arrangement—
 - (a) the borrower (B) becomes insolvent after the lender (L) has transferred the securities,
 - (b) as a result of the insolvency, the requirement for B to make a transfer back to L will not be complied with as regards some or all of the securities,
 - (c) collateral is used (whether directly or indirectly) to enable L to acquire securities (“replacement securities”) of the same description as the securities which will not be transferred back, and
 - (d) the replacement securities are acquired before the end of the period of 30 days beginning with the day on which B becomes insolvent (“the insolvency date”).
- (2) In accordance with section 263B(2), the transfer of the securities under the arrangement is not to be regarded as a disposal by L for the purposes of this Act (but this is subject to subsection (5)).
- (3) B is to be treated for the purposes of this Act as having acquired the securities which will not be transferred back to L; and that acquisition is to be treated—
 - (a) as being made on the insolvency date, and
 - (b) as being for a consideration equal to their market value on that date.
- (4) The acquisition of the replacement securities is to be treated, as regards L, as if it were a transfer back of securities in accordance with the arrangement (so that, in accordance with section 263B(2), that acquisition is not regarded as an acquisition by L for the purposes of this Act).
- (5) If the number of replacement securities is less than the number of securities which B is treated as having acquired, L is to be treated for the purposes of this Act as having made a disposal, at the insolvency date, of the difference (“the deemed disposal”).
- (6) The consideration for the deemed disposal is—
 - (a) where all the collateral is used to enable L to acquire replacement securities, nil, and
 - (b) where not all the collateral is so used, the difference between—
 - (i) the market value (at the insolvency date) of the number of securities which could have been acquired using the collateral, and
 - (ii) the market value (at that date) of the number of securities which were in fact so acquired.
- (7) But if L at any time receives any amount (whether arising out of B's insolvency or otherwise) in respect of B's liability to L in respect of the securities which are treated under subsection (5) as having been disposed of by L that amount is to be treated as a chargeable gain accruing at that time to L.

- (8) The liability mentioned in subsection (7) is not to be treated as giving rise to a relevant non-lending relationship for the purposes of Part 6 of CTA 2009 (relationships treated as loan relationships etc).
- (9) For the purposes of this section, B becomes insolvent—
- (a) if a company voluntary arrangement takes effect under Part 1 of the Insolvency Act 1986,
 - (b) if an administration application (within the meaning of Schedule B1 to that Act) is made or a receiver or manager, or an administrative receiver, is appointed,

 - (e) on the presentation of a bankruptcy petition (within the meaning of Part 9 of that Act),
 - (f) if a compromise or arrangement takes effect under Part 26 of the Companies Act 2006,
 - (g) if a bank insolvency order takes effect under Part 2 of the Banking Act 2009,

 - (i) on the occurrence of any corresponding event which has effect under or as a result of the law of Scotland or Northern Ireland or a country or territory outside the United Kingdom.
- (10) In this section—
- (a) “collateral” means an amount of money or other property which—
 - (i) is provided under the arrangement (or under arrangements of which the arrangement forms part), and
 - (ii) is payable to or made available for the benefit of L for the purpose of securing the discharge of the requirement to transfer any or all of the securities back to L, and
