

Social Security Contributions and Benefits Act 1992

1992 CHAPTER 4

PART II

CONTRIBUTORY BENEFITS

Retirement pensions (Categories A and B)

55 Increase of retirement pension where entitlement is deferred

- (1) Where a person's entitlement to a Category A or Category B retirement pension is deferred, Schedule 5 to this Act shall have effect for increasing the rate of his pension.
- (2) For the purposes of this Act a person's entitlement to a Category A or Category B retirement pension is "deferred" if and so long as he does not become entitled to that pension by reason only—
 - (a) that he has not satisfied the conditions of section 1 of the Administration Act (entitlement to benefit dependent on claim); or
 - (b) that, in the case of a woman's Category B retirement pension by virtue of her husband's contributions, her husband has not satisfied those conditions with respect to his Category A retirement pension;

and, in relation to any such pension, "period of deferment" shall be construed accordingly.
