(6) Equivalent pension benefits for the purposes of the former legislation are not to be regarded as constituting any part of the earner's guaranteed minimum pension.

(7) The benefits referred to in subsection (6) are any to which the earner may be immediately or prospectively entitled in respect of a period of employment which—

- (a) was for him non-participating employment under that legislation; and

Ss. 24B-24E

(3) Condition 2 is that if the earner was entitled immediately before the conversion date to the payment of a pension under the scheme, the converted scheme does not provide for a reduction of, or have the effect of reducing, the amount of that pension immediately after conversion.

(4) Condition 3 is that the post-conversion benefits must not include money purchase benefits, apart from any money purchase benefits provided under the scheme immediately before the conversion date.

(5) Condition 4 is that the converted scheme provides survivors' benefits in accordance with section 24D in such circumstances, and during such periods, as are prescribed by regulations.

(6) Condition 5 is that the procedural requirements of section 24E have been complied with.

(7) In applying these conditions to a scheme in respect of an earner—

- (a) it is immaterial whether or not on the conversion date the scheme was also converted in respect of other earners, and
- (b) it is immaterial (except for Condition 2) whether or not on the conversion date the earner was entitled to the payment of a pension under the scheme.

- (a) beginning with 6th April 1978, and
- (b) ending with 5th April 1997.

(3) The second benefit is that if the earner dies (whether before or after attaining normal pension age) leaving a widower or surviving civil partner, he or she is entitled to a pension of at least half the value of the pension to which the earner would have been entitled by reference to employment during the period—

- (a) beginning with 6th April 1988, and
- (b) ending with 5th April 1997.

- (b) conditions which must be complied with on the transfer of the earner's accrued rights under a GMP-converted scheme.

(2) Section 20(2) and (5) shall apply to regulations under this section.

(3) Where a member of a non-GMP-converted scheme makes an application under section 95(1), the trustees may with his consent adjust any [...] cash equivalent so as to reflect rights that would have accrued if the scheme had been subject to GMP conversion in accordance with Conditions 1 to 4 of section 24B.

24G.—(1) The trustees of an occupational pension scheme may by resolution modify it so as to effect GMP conversion (whether in relation to present earners, pensioners or survivors) in accordance with the conditions in section 24B.

Powers to amend schemes

(2) The subsisting rights provisions within the meaning of section 67 of the Pensions Act 1995 (c. 26) shall not apply to a power conferred by an occupational pension scheme to modify the scheme in so far as the power enables GMP conversion in accordance with the conditions in section 24B.

(3) Where a scheme is amended to effect GMP conversion the trustees may include other amendments which they think are necessary or desirable as a consequence of, or to facilitate, the GMP conversion.

(4) Where an occupational pension scheme is being wound up, the trustees may, before the winding up is completed, adjust rights under the scheme so as to reflect what would have happened if the scheme had been subject to GMP conversion in accordance with Conditions 1 to 4 of section 24B.

(5) In the application of section 24E by virtue of subsection (1) above, a reference to the earner includes a reference to a pensioner or survivor whose pension is subjected to GMP conversion.

(3) An order may be made under subsection (1) before or after the amendment, modification or adjustment takes effect.

(4) If the Regulatory Authority thinks that the process of effecting a GMP conversion of a scheme has been commenced and that a relevant condition of section 24B is not being complied with, or may not be complied with, the Regulatory Authority may by order—

- (b) he (or, by virtue of a connection with him, any other person) is entitled to a refund of any payments made by or in respect of him towards the provision of benefits under the scheme by reference to which that employment was contracted-out; and
- (c) a contributions equivalent premium falls to be paid by any person in respect of him.

Deduction of contributions equivalent premium from refund of scheme contributions.

(2) Where this section applies, then, subject to the following provisions of this section, the person by whom the premium falls to be paid shall be entitled on paying it to recover an amount equal to so much of the premium as is attributable to primary Class 1 contributions (and on paying any part of it to recover a proportionate part of that amount) from the person liable for the refund.

(3) The amount recoverable under this section shall not exceed the amount of the refund or so much of it as has not been made.

(4) Where the period taken into account in arriving at the amount mentioned in subsection (2) does not coincide with that in respect of which the refund is to be made, the sum recoverable under this section shall be determined by reference to so much of that amount and of the refund as are referable to the same period.

(5) Where the refund—

- (a) is made in respect of more than one period of service, and one or more of those periods is a period of previous linked qualifying service; and
- (b) includes any amount paid under a contracted-out scheme in relation to that service on or in connection with a transfer of accrued rights to another scheme,

(6) Where the person liable for the premium is himself liable for the refund, he shall be entitled to retain out of the refund the amount which he could recover under this section from another person liable for the refund.

(7) The amount of the refund shall be reduced by the amount recovered or retained under this section; and provision shall be made by regulations for requiring the making of refunds to be delayed for the purpose of enabling any right of recovery or retainer conferred by this section to be exercised, notwithstanding anything in any enactment relating to the making of the refund.

(9) This section shall apply in relation to such a refund as is referred to in subsection (1)(b) which becomes payable after the [²cessation] of an earner's service in contracted-out employment as it applies to such a refund becoming payable on the [²cessation] of an earner's service in such employment.

(11) For the purposes of subsection (10), a payment in lieu of benefit is any payment falling to be made to or for the benefit of, or in respect of, a person by virtue of his being or having been a member of an occupational pension scheme, being a payment which either—

- (a) is made or to be made otherwise than out of the resources of the scheme; or

PART IV
PROTECTION FOR EARLY LEAVERS
CHAPTER I

PRESERVATION OF BENEFIT UNDER OCCUPATIONAL SCHEMES

Scope of Chapter I: the preservation requirements.

69.—(1) This Chapter has effect in relation to the preservation of benefit under occupational pension schemes to which it applies.

(2) In this Act “the preservation requirements” means the requirements specified in or under sections 71 to 82.

(3) This Chapter applies to any occupational pension scheme whose resources are derived in whole or in part from

- (a) payments made or to be made by one or more employers of earners to whom the scheme applies, being payments either—
 - (i) under an actual or contingent legal obligation; or
 - (ii) in the exercise of a power conferred, or the discharge of a duty imposed, on a Minister of the Crown, government department or any other person, begin a power or duty which extends to the disbursement or allocation of public money; or
- (b) such other payments by the earner of his employer, or both, as may be prescribed for different categories of scheme.

Interpretation.

70.—(1) In this Chapter—

“scheme” means an occupational pension scheme to which this Chapter applies; “relevant employment”, in relation to a scheme, means any employment to which the scheme applies;

“long service benefit”, in relation to a scheme, means the benefits which will be payable under the scheme, in accordance with legal obligation, to or in respect of a member of the scheme on the assumption—

- (a) that he remains in relevant employment, and
- (b) that he continues to render service which qualifies him for benefits, until he attains normal pension age; and in this definition “benefits” means—
 - (i) retirement benefit for the member himself at normal pension age, or
 - (ii) benefit for the member’s [¹wife, husband, civil partner, widow, widower or surviving civil partner] or dependants, or others, on his attaining that age or his later death, or
 - (iii) both such descriptions of benefit.

(2) In this Act, unless the context otherwise requires, “pensionable service”, in relation to a scheme and a member of it, means, subject to subsection (3), service in relevant employment which qualifies the member (on the assumption that it continues for the appropriate period) for long service benefit under the scheme.

(3) There shall be taken into account as pensionable service only actual service, that is to say—

- (a) service notionally attributable for any purposes of the scheme is not to be regarded as pensionable service; and
- (b) no account is to be taken of scheme rules by which a period of service can be treated for any purpose as being longer or shorter than it actually is.

¹ Words in defn. of “long service benefit” substituted (5.12.05) by para. 11 of the Sch. to S.I. 2005/2053.

71.—(1) A scheme must make such provision that where a member's pensionable service is terminated before normal pension age and—

Basic principle as to short service benefit.

(a) he has at least 2 years' qualifying service,

[¹(aa) he has at least 30 days' qualifying service and, if he were entitled to benefit because of this paragraph, all of it would necessarily be money purchase benefit,] or

(b) a transfer payment in respect of his rights under a personal pension scheme has been made to the scheme,

he is entitled to benefit consisting of or comprising benefit of any description which would have been payable under the scheme as long service benefit, whether for himself or others, and calculated in accordance with this Chapter.

S. 71(1) modified, where after an earlier break pensionable service is again terminated, by reg. 21(4) of S.I. 1991/167, and, for certain schemes with an overseas element, by reg. 25(3) ibid.

(2) The benefit to which a member is entitled under subsection (1) is referred to in this Act as "short service benefit".

[²(3) Subject to [³subsection (4) and (5A)], short service benefit must be made payable as from an age which is no greater than—

(a) the age of 65, or

(b) if in the member's case normal pension age is greater than 65, normal pension age.]

(4) Short service benefit payable on or in respect of the member's death after normal pension age must be made payable as from his death or within such time after it as long service benefit payable on or in respect of his death would be payable.

(5) In applying subsections (3) and (4), no regard is to be had to the operation of any scheme rule, taking effect at any time after termination of the member's pensionable service, as to what is normal pension age under the scheme.

[³(5A) Subsection (3) does not apply in relation to a scheme under section 1 of the Public Service Pensions Act 2013.]

(6) A scheme must not provide for payment of short service benefit in the form of a lump sum at any time before normal pension age, except in such circumstances as may be prescribed.

(7) In subsection (1) "2 years qualifying service" means 2 years (whether a single period of that duration or two or more periods, continuous or discontinuous, totalling 2 years) in which the member was at all times employed either—

(a) in pensionable service under the scheme; or

(b) in service in employment which was contracted-out by reference to the scheme; or

(c) in linked qualifying service under another scheme.

(8) For the purposes of subsection (7), no regard shall be had to whether or not the service was of the same description in the whole of the 2 years.

(9) A period of service previously terminated is not to count towards the 2 years' qualifying service unless it counts towards qualification for long service benefit, and need then count only to the same extent and in the same way.

S. 71(9) modified by reg. 21(2) of S.I. 1991/167.

[¹(10) Subsections (7) to (9) apply, with the substitution for references to 2 years of references to 30 days, for determining whether a person has at least 30 days' qualifying service for the purposes of subsection (1).

PENSION SCHEMES ACT 1993 (c. 48)

Ss. 71-72

(11) Subsection (1)(aa) does not apply in relation to a person's membership of a scheme if any period of relevant service began before the day on which section 36 of the Pensions Act 2014 came into force (whether or not it also ended before that date).

“Relevant service” means service that counts towards the 30 days' qualifying service for the purposes of subsection (1).]

72.—(1) A scheme must not contain any rule which results, or can result, in a member being treated less favourably for any purpose relating to short service benefit than he is, or is entitled to be, treated for the corresponding purpose relating to long service benefit.

(2) Subsection (1) does not apply to any rule in its application to members whose pensionable service terminated before the rule came into force, unless the rule—

(a) was made after the termination of a member's pensionable service; and

- (b) results, or is capable of resulting in any treatment less favourable for him than that to which he would have been entitled but for the rule.

(3) Subsection (1) does not apply to a rule which merely confers discretion on the scheme's trustees or managers, or others, so long as it is not a rule requiring the discretion to be exercised in any discriminatory manner against members in respect of their short service benefit.

[¹(4) This section is subject to subsections (3) and (6) of section 71 (age at which short service benefit is to be payable).]

73.—(1) Subject to subsection (2) and section 81, a member's short service benefit must be—

- (a) payable directly out of the resources of the scheme; or
- (b) assured to him by such means as may be prescribed.

Form of short service benefit and its alternatives.

(2) Subject to subsections (3) to (5), a scheme may, instead of providing short service benefit, provide

- (a) for the member's accrued rights (including any transfer credits allowed under the scheme)—
 - (i) to be transferred to another occupational pension scheme with a view to acquiring transfer credits for the member under the other scheme, or
 - (ii) to be transferred to a personal pension scheme [...²] with a view to acquiring rights for the member under the rules of the scheme [...²]; or
- (b) for such alternatives to short service benefit as may be prescribed.

(3) the option conferred by subsection (2)(a) is additional to any obligation imposed by [³Chapter 1 of Part 4ZA].

(4) the alternatives specified in subsection (2)(a) and (b) may only be by way of complete or partial substitute for short service benefit—

- (a) if the member consents; or
- (b) in such other cases as may be prescribed.

(5) An alternative prescribed under subsection (2)(b) may only include payment by way of return of contributions—

- (a) if they relate to a period of service before 6th April 1975; or
- (b) if there has been such a payment relating to a period of service before that date and the contributions relate to a period of service of less than 5 years after that date.

74.—(1) Subject to the provisions of this section, a scheme must provide for short service benefit to be computed on the same basis as long service benefit.

Computation of short service benefit.

(2) For that purpose, no account is to be taken of any rule making it (directly or indirectly) a condition of entitlement to benefit that pensionable service shall have been of any minimum duration.

(3) Subsection (1) does not apply to so much of any benefit as accrues at a higher rate, or otherwise more favourably, in the case—

- (a) of member with a period of pensionable service of some specified minimum length, or
- (b) of members remaining in pensionable service up to some specified minimum age.

(4) Subsection (1) does not apply to so much of any benefit as is of an amount or at a rate unrelated to length of pensionable service or to the number or amount of contributions paid by or for the member.

(5) Regulations may provide that subsection (1) shall not apply to any category of schemes or members, or description of benefit.

(6) So far as any short service benefit is not required to be computed in accordance with subsection (1), it must be computed on the basis of uniform accrual, so that at the time when pensionable service is terminated, it bears the same proportion to long service benefit as the period of that service bears to the period from the beginning of that service to the time when the member would attain normal pension age or such lower age as may be prescribed.

(7) Where long service benefit is related to a member's earnings at, or in a specified period before, the time when he attains normal pension age, short service benefit must be related, in a corresponding manner, to his earnings at, or in the same period before the time when his pensionable service is terminated.

(8) A scheme must comply with any regulations relating to the basis of computation of short service benefit, including regulations providing for the avoidance of fractional amounts and otherwise to facilitate computation.

75.—(1) In this section—

“supplementary credits”, in relation to a scheme and a member's entitlement to its benefits, means any increase of benefit or additional benefit to which the member may become entitled—

- (a) in consequence of any provision made by or under the scheme after he becomes a member of it (to the extent that it applies to any previous pensionable service of his); or
- (b) by reference to previous service of his (whether or not pensionable service); or
- (c) in such other circumstances as may be prescribed,

including under paragraph (b) any transfer credits;

“purchased credits” means supplementary credits for which, under the rules of the scheme, a member may or must make a payment in whole or in part (whether by means of additional contributions, or of deduction from benefit, or otherwise, and whether separately for each credit or by one or more payments for one or more credits);

“bonus credits” means supplementary credits other than purchased credits or transfer credits.

(2) Subject to subsections (3) to (7), if a scheme provides for long service benefit to include supplementary credits, it must

- (a) provide for such credits to be included in short service benefit, and
- (b) provide for all credits to be so included.

(3) Where purchased credits have not been paid for in full at or before termination of pensionable service, the short service benefit must include the appropriate proportion of the credits.

(4) In subsection (3) “the appropriate proportion of the credits” means—

- (a) if they were to be paid for by a fixed amount, the same proportion as the amount paid bears to the full amount payable; and
- (b) otherwise, the same proportion as the period between the time when the first payment became due and the termination of the member's pensionable service bears to the whole period over which payment was to be made.

(5) If the benefit includes bonus credits, or credits for which payment is to be made by deduction from that or another benefit, the credits to be included in the benefit and (where applicable) the amount of the deduction must be computed on the assumption—

- (a) that the credits accrue in full only to a member remaining in pensionable service until normal pension age; and
- (b) that the amount of any such credit, and also of any relevant deduction, accrues at a uniform rate from the time when the credit was awarded up to the time of his attaining that age.

(6) Where any such deduction is a percentage of benefit, the percentage must be the same for short service as for long service benefit.

(7) A scheme must comply with any regulations made with respect to the manner in which supplementary credits are to be included in short service benefit, including regulations providing for the avoidance of fractional amounts and otherwise to facilitate computation.

76.—(1) A scheme which by its rules provides for increases of long service benefit from time to time (whether by way of upwards revaluation or otherwise) must provide for corresponding increases of short service benefit in the case of members whose pensionable service terminates at any time after the coming into force of any such rule.

Pension increases.

(2) Where the provision for increasing long service benefit involves the exercise of a discretion, a corresponding discretion must be conferred in relation to short service benefit.

(3) If an increase of long service benefit is to take effect at a specified time after termination of service, the corresponding increase of short service benefit must take effect at the same time after the time when short service benefit becomes payable.

(4) Where provision is made for increase of long service benefit otherwise than at a fixed rate, short service benefit may nevertheless be subject to increase at a fixed rate, if the rate is at least 3 per cent. a year compound.

77–80.repealed by 1995 c. 26, see Annex 1 p. 5.1701

81.A transaction to which section 19 applies discharges the trustees or managers of an occupational pension scheme from their liability to provide for or in respect of any person short service benefit or any alternative to short service benefit—

Discharge of liability where short service or alternative benefits secured by insurance policies or annuity contracts.

- (a) if it is carried out not earlier than the time when that person’s pensionable service terminates; and
- (b) if and to the extent that it results in short service benefit or any alternative to short service benefit for or in respect of that person being appropriately secured (within the meaning of that section); and
- (c) if and to the extent that the requirements set out in paragraph (a) or (c) of section 19(5) are satisfied.

82.—(1) Regulations may provide that a scheme is not to be treated as conforming with the preservation requirements unless it contains express rules to the effect (but not necessarily in the words) of any specified provision contained in sections 71 to 79.

Supplementary regulations.

(2) Regulations may make provision as to the circumstances in which, for the purposes of sections 70 to 79—

- (a) a period of a person’s service in two or more different employments is to be treated as a period of service in one or more of those employments; or
- (b) a person’s service in any employment is to be treated as terminated or not terminated.

CHAPTER II

REVALUATION OF ACCRUED BENEFITS (EXCLUDING GUARANTEED MINIMUM PENSIONS)

83.—(1) This chapter applies for the purpose of revaluing—

- (a) [¹relevant] benefits payable to or in respect of a member of an occupational pension scheme where—
 - (i) his pensionable service ends on or after 1st January 1986;
 - (ii) on the date on which his pensionable service ends (in this Chapter referred to as “the termination date”) he has accrued rights to benefit under the scheme;

- (iii) the period beginning with the day after the termination date and ending with the date on which he attains normal pension age (in this Chapter referred to as “the pre-pension period”) is at least 365 days; and
- (iv) in the case of benefit payable to any other person in respect of the member, the member dies after attaining normal pension age; and
- (b) [¹relevant] benefits payable to or in respect of a member of a personal pension scheme—
 - (i) in respect of whom contributions to the scheme have ceased to be paid; and
 - (ii) who has accrued rights to benefit under the scheme.

Where normal pension age is under 60, the reference to it in s. 83(1)(a)(iii) above is modified by reg. 3(2) of S.I. 1991/168.

- [¹(1A) The following are relevant benefits for the purposes of subsection (1)–
- (a) any benefits payable otherwise than by virtue of rights which are attributable (directly or indirectly) to a pension credit, and
 - (b) in the case of a salary related occupational pension scheme, any benefits payable by virtue of such rights, to the extent that the rights involve the member being credited by the scheme with notional pensionable service.]

[²(1B) The reference in subsection (1)(a)(iii) to normal pension age is to be read, in relation to a person who is an active or deferred member of a scheme under section 1 or 31(7) of the Public Service Pensions Act 2013, as–

- (a) the member’s normal pension age within the meaning of that Act, or
- (b) the member’s deferred pension age within the meaning of that Act, if that is later.

In this subsection “active member” and “deferred member”, in relation to such a scheme, have the meanings given by section 124(1) of the Pensions Act 1995.]

(2) In calculating 365 days for the purpose of subsection (1)(a)(iii), any day which is 29th February shall be disregarded.

- (3) In subsection (1)(b)–
- (a) the reference to a personal pension scheme does not include a scheme which is comprised in an annuity contract made before 4th January 1988; and
 - (b) the reference to contributions includes any minimum contributions.

[¹(4) For the purposes of this section, an occupational pension scheme is salary related if–

- (a) it is not a money purchase scheme, and
- (b) it does not fall within a prescribed class.]

Basis of revaluation.

84.—(1) [³Subject to subsections (2) to (3B)], in the case of such benefits as are mentioned in section 83(1)(a), any pension or other retirement benefit payable under the scheme in question to the member and any pension or other benefit payable under it to any other person in respect of him, is to be revalued by the final salary method.

- (2) If–
- (a) any such benefit is an average salary benefit or flat rate benefit; and
 - (b) it appears to the trustees or managers of the scheme under which it is payable that it is appropriate to revalue the benefit by the average salary method or, as the case may be, the flat rate method,

then the benefit shall be revalued using that method.

(3) If any benefit such as is mentioned in paragraph (a) of section 83(1) is a money purchase benefit, and in the case of such benefit as is mentioned in paragraph (b) of that section, the benefit shall be revalued using the money purchase method.

[¹(3A)If–

- (a) any such benefit as is mentioned in section 83(1)(a) is a cash balance benefit in respect of which the available sum is not calculated by reference to final salary;
- (b) the benefit is attributable to periods of pensionable service falling on or after the day on which section 29 of the Pensions Act 2011 (definition of money purchase benefits) comes into force; and
- (c) it appears to the trustees or managers of the scheme under which it is payable that it is appropriate to revalue the benefit by the cash balance method,

then the benefit shall be revalued using that method.

(3B) Where a cash balance benefit in respect of which the available sum is not calculated by reference to final salary–

- (a) is attributable to periods of pensionable service falling partly before and partly on or after the day on which section 29 of that Act comes into force; and
- (b) it appears to the trustees or managers of the scheme under which it is payable that it is appropriate to revalue so much of the benefit as is attributable to the member's pensionable service falling on or after that day by the cash balance method,

then so much of the benefit as is attributable to the members pensionable service falling on or after that day shall be revalued using that method.]

(4) In this section–

“average salary benefit” means benefit the rate or amount of which is calculated by reference to the average salary of a member over the period of service on which the benefit is based;

[²“cash balance benefit” has the meaning given by regulation 2 of the Pensions Act 2011 (Transitional, Consequential and Supplementary Provisions) Regulations 2014;

“final salary” in relation to a member to or in respect of whom benefits under a pension scheme are payable, means the member's pensionable earnings, or highest, average or representative pensionable earnings, in a specified period ending at, or defined by reference to, the time when the member's pensionable service in relation to that scheme ends;]

“flat rate benefit” means any benefit the rate or amount of which is calculated by reference solely to the member's length of service;

“average salary method”, [²“cash balance method”,] “final salary method”, “flat rate method” and “money purchase method” have the meanings given in Schedule 3.

[²“pensionable earnings”, in relation to a member of a pension scheme, means earnings by reference to which benefits under the scheme are calculated.]

(5) The fact that a scheme provides for the amount of the pension or other benefit for a member or for any other person in respect of him to be increased during the pre-pension period–

- (a) by the percentages specified during that period under section 15(1) of the Social Security Administration Act 1992 (directions specifying percentage increases for up-rating purposes); [³or

Revaluation not to apply to substituted benefit.

PROTECTION OF INCREASED IN GUARANTEED MINIMUM PENSIONS (“ANTI-FRANKING”)

General protection principle.

87.—(1) This subsection applies where—

- (a) there is an interval between—
 - (i) the date on which an earner ceased to be in employment which is contracted-out by reference to an occupational pension scheme [⁴that satisfies the requirements of section 9(2)] (“the cessation date”); and
 - (ii) the date on which his guaranteed minimum pension under that scheme commences (“the commencement of payment date”);
- (b) the relevant sum exceeds his guaranteed minimum on the day after the cessation date; and
- (c) on the commencement of payment date or at any time after it his guaranteed minimum pension under the scheme exceeds the amount of his guaranteed minimum under it on the day after the cessation date.

(2) This subsection applies where—

- (a) there is an interval between the earner's cessation date and whichever of the following is the earlier—
 - (i) the date of his death; or
 - (ii) his commencement of payment date;
- (b) the relevant sum exceeds one half of the earner's guaranteed minimum on the day after the cessation date; and

- (c) at any time when a pension under the occupational pension scheme is required to be paid to the earner's [¹widow, widower or surviving civil partner, the widow's, widower's or surviving civil partner's (as the case may be)] guaranteed minimum pension under the scheme exceeds one half of the earner's guaranteed minimum on the day after the cessation date.

(3) Where subsection (1) or (2) applies, the weekly rate of the pension payable to the member at any time when that pension is required to be paid or, as the case may be, payable to the [¹widow, widower or surviving civil partner] at any such time as is mentioned in subsection (2)(c) shall be an amount not less—

- (a) in a case where by virtue of section 73(2)(b) a pension is provided by way of complete substitute for short service benefit or, as the case may be, for [¹widow's, widower's or surviving civil partner's] pension, that the weekly rate of that pension; and
- (b) in any other case, than the relevant aggregate.

S. 87(3) is modified in certain circumstances by reg. 3(2)(a) of S.I. 1991/166 (Contracting-out, Protection of Pensions).

(4) In subsection (3) “the relevant aggregate” means the aggregate of the following—

- (a) the relevant sum;
- (b) the excess mentioned in subsection (1)(c) or, as the case may be, subsection (2)(c);
- (c) any amount which is an appropriate addition at the time in question; and
- (d) where the scheme provides that part of the earner's or, as the case may be, the [¹widow's, widower's or surviving civil partner's] pension shall accrue after the cessation date by reason of the earner's employment after that date, the later earnings addition.

(5) To the extent that amounts attributable to transfer credits have accrued by reason of any transfer before 1st January 1985, they are to be disregarded for the purposes of subsections (1)(c), (2)(c) and (4)(b).

S. 87(5) is modified for certain purposes by reg. 7 of S.I. 1991/166 (Contracting-out, Protection of Pensions).

(6) Nothing in this section shall be construed as entitling an earner who has not reached normal pension age to any portion of a pension under a scheme to which he would not otherwise be entitled.

(7) This section does not apply to a pension to which a person is entitled in respect of employment if—

- (a) the earner left the employment or left it for the last time before 1st January 1985; or
- (b) the employment ceased, or ceased for the last time, to be contracted-out in relation to him before that date.

88.—(1) For the purposes of this Chapter “the relevant sum” means—

The relevant sum.

- (a) in a case where subsection (1) of section 87 applies—
- (i) if the earner reaches normal pension age on or before the cessation date, an amount equal to the weekly rate of his pension on the day after the cessation date; and
- (ii) if he reaches normal pension age after the cessation date, an amount equal to the weekly rate of any short service benefit which has accrued to him on the cessation date or, where no such benefit has then accrued, any other benefit to which this sub-paragraph applies and which has then accrued to him; and

PENSION SCHEMES ACT 1993 (c. 48)

- (b) in a case where subsection (2) of that section applies, an amount equal to the weekly date at which, on the prescribed assumptions, a pension would have begun to be paid to the [1widow, widower or surviving civil partner] if that person had satisfied the conditions for entitlement to a pension which are specified in the scheme.

S. 88(1) is modified for certain purposes by regs. 2-4 of S.I. 1991/166 (Contracting-out, Protection of Pensions), and assumptions are prescribed for purposes of s. 88(1)(b) by reg. 5 ibid.

(2) Paragraph (a) of subsection (1) has effect subject to subsection (5) and to sections 87(5) and 91(1), and paragraph (b) of subsection (1) has effect subject to section 87(5).

(3) The benefit other than short service benefit to which subsection (1)(a)(ii) applies is benefit—

- (a) which would have been provided as either the whole or part of the earner's short service benefit; or
- (b) of which the earner's short service benefit would have formed part,

if section 71(1)(a) had effect with the substitution of a reference to the service which the earner had on the cessation date for the reference to 2 years' qualifying service.

(4) Any such benefit is only to be included in the relevant sum to the extent that it does not exceed the amount which the scheme would have had to provide as short service benefit if section 71(1) had effect as mentioned in subsection (3).

(5) If the payment of any part of the earner's pension is postponed beyond the cessation date the relevant sum is an amount equal to what would have been the weekly rate of his pension on the day after the cessation date if there had been no such postponement.

The appropriate addition.

89.—(1) For the purposes of this Chapter “appropriate addition” means—

- (a) where a scheme provides that part of an earner's or, as the case may be, a [2widow's, widower's or surviving civil partner's] pension shall accrue after the cessation date by reason of the earner's employment after that date, an amount equal to the part which has so accrued; and
- (b) where a scheme provides that an earner's or, as the case may be, a [2widow's, widower's or surviving civil partner's] pension which has accrued before that date shall be enhanced after that date if payment of the earner's pension is postponed, the amount by which the unguaranteed element of the pension has been enhanced by reason of the postponement.

(2) For the purposes of subsection (1)(b) the unguaranteed element of a pension is—

- (a) in the case of an earner's pension, the excess of the pension on the day after the cessation date over the earner's guaranteed minimum on that day; and
- (b) in the case of the [2widow's, widower's or surviving civil partner's] pension, the excess of that pension on that day over one half of the earner's guaranteed minimum on that day.

The later earnings addition.

90.—(1) For the purposes of this Chapter “the later earnings addition” means the amount (if any) by which the assumed later unguaranteed element exceeds the unguaranteed element.

¹ Words in s. 88(1)(b) substituted (5.12.05) by paras. 19 & 20 of Sch. 1 to S.I. 2005/2050.

² Words in s. 89(1)(a), (b) & (2)(b) substituted (5.12.05) by paras. 19 & 20 of Sch. 1 to S.I. 2005/2050.

(2) In subsection (1)–

- (a) “the unguaranteed element” means the amount by which the relevant sum exceeds the earner’s guaranteed minimum on the day after his cessation date or, in the case of a [widow’s, widower’s or surviving civil partner’s] pension, one half of that minimum; and
- (b) “the assumed later unguaranteed element” means the amount by which the relevant sum would exceed the earner’s guaranteed minimum (or, in the case of a widow’s or widower’s pension, one half of that minimum) on the assumptions mentioned in subsection (3).

(3) The assumptions mentioned in subsection (2) are–

- (a) that the relevant sum were calculated on the basis that the weekly rate of the pension or benefit which determines that sum had been calculated by reference to the level of earnings by reference to which that rate would have been calculated if the earner’s cessation date had fallen on the earlier of–
 - (i) the earner’s commencement of payment date, or
 - (ii) the date on which the earner ceased to be in pensionable service under the scheme; and
- (b) that the earner’s guaranteed minimum were such sum as bears the same proportion to the assumed later unguaranteed element as the guaranteed minimum mentioned in subsection (2)(a) bears to the unguaranteed element.

S. 90 is modified in certain circumstances by reg. 8 of S.I. 1991/166 (Contracting-out, Protection of Pensions).

91.—(1) If–

- (a) an earner’s employment ceases to be contracted-out by reference to an occupational pension scheme but the scheme continues to apply to it; or
- (b) an earner transfers from employment which is contracted-out by reference to an occupational pension scheme to employment to which the scheme applies but which is not contracted-out by reference to it,

Special provision where employment continues after it ceases to be contracted-out by reference to scheme.

the amount of any short service or other benefit which has accrued to the earner shall be computed for the purposes of section 88(1)(ii) as it would be computed if he had ceased on the cessation date to be in employment to which the scheme applies.

(2) If–

- (a) a benefit under a scheme is conditional on an earner attaining a particular age or having a particular length of service; and
- (b) one of the events mentioned in subsection (1) occurs before he has fulfilled the condition; but
- (c) he continues to be in employment to which the scheme applies until he has done so,

the earner shall be treated for the purposes of the previous provisions of this Chapter as if that benefit had accrued to him.

92.—(1) In making any calculation for the purposes of this chapter–

- (a) any commutation, forfeiture or surrender of,
- (b) any charge or lien on, and
- (c) any set-off against,

the whole or part of a pension shall be disregarded.

(2) In calculating an earner's guaranteed minimum for the purposes of this Chapter his earnings factor shall be taken to be that factor as increased, except as provided by subsection (3), by the last order section 21 of the Social Security Pensions Act 1975 or section 148 of the Social Security Administration Act 1992 to come into force before the end of the tax year in which the cessation date falls.

(3) If an earner's cessation date falls in the tax year in which he attains pensionable age, subsection (2) shall have effect in relation to him as if for the words form "tax year" onwards there were substituted the words "final relevant year".

(4) In this section "final relevant year" has the same meaning as in section 16.

(5) Any reference in this Chapter to the weekly rate of a pension is to be construed, in relation to a pension payable otherwise than weekly, as a reference to the weekly sum which would be payable in respect of a pension of that amount payable weekly.

(4) Condition 3 is that—

- (a) the member is no longer accruing rights to benefits in that category (see subsection (8)), and
- (b) in the case of benefits that are not flexible benefits, the member stopped accruing those rights at least one year before normal pension age.

- (c) in the case of a personal pension scheme, sums or assets held for the purpose of providing any of the benefits are applied for purchasing an annuity or insurance policy.

(8) For the purposes of Condition 3 a member stops accruing rights to a category of benefits when there are no longer arrangements in place for the accrual of rights to benefits in that category for or in respect of the member.

(9) In this section a reference to accrued rights does not include pension credit rights.

(10) Regulations may—

- (a) provide for this Chapter not to apply in relation to a person of a prescribed description;

(3) For the purposes of this Chapter a member’s “statement of entitlement” is a written statement of the amount of the cash equivalent at the guarantee date of the transferrable rights to which the application under subsection (1) relates.

(4) In this Chapter “the guarantee date” means the date by reference to which the value of the cash equivalent is calculated, and must be—

- (a) within the prescribed period beginning with the date of the application, and

EARLY LEAVERS: CASH TRANSFER SUMS AND CONTRIBUTION REFUNDS

Scope of Chapter 5

101AA.—(1) This Chapter applies to any member of an occupational pension scheme to which Chapter 1 applies (see section 69(3)) if—

- (a) his pensionable service terminates before he attains normal pension age, and
- (b) on the date on which his pensionable service terminates—
 - (i) the three month condition is satisfied, but
 - (ii) he does not have relevant accrued rights to benefit under the scheme.

(2) For the purposes of subsection (1), the three month condition is that the period of the member's pensionable service under the scheme, taken together with—

- (a) any previous period of his pensionable service under the scheme, and
- (b) any period throughout which he was employed in linked qualifying service under another scheme,

amounts to at least three months.

(3) A period counts for the purposes of paragraph (a) or (b) of subsection (2) only so far as it counts towards qualification for long service benefit within the meaning of Chapter 1.

(4) For the purposes of subsection (1), “relevant accrued rights to benefit under the scheme”, in relation to a member of a scheme, means rights which—

- (a) have accrued to or in respect of him under the scheme, and
- (b) entitle him to the relevant benefits which would have accrued to or in respect of him under the applicable rules if paragraphs (a)^[2], (aa)] and (b) of section 71(1) (and the word “and” immediately preceding them) did not have effect.

(5) References in the following provisions of this Chapter to a member, in relation to an occupational pension scheme, are to a member of the scheme to whom this Chapter applies.

Right to cash transfer sum and contribution refund

101AB.—(1) On the termination of his pensionable service, a member of an occupational pension scheme acquires a right to whichever one he elects of the following options—

 - (ii) how he may exercise the right,
 and such other information as may be prescribed, and
- (b) afford the member a reasonable period after giving him that statement within which to exercise the right.

(3) The statement given under subsection (2)(a) must specify, in particular—

a power or duty which extends to the disbursement or allocation of public money.

Interpretation.

101B. In this Chapter—

“scheme” means an occupational pension scheme to which this Chapter applies; “pension credit rights” means rights to future benefits under a scheme which are attributable (directly or indirectly) to a pension credit;

“pension credit benefit”, in relation to a scheme, means the benefits payable under the scheme to or in respect of a person by virtue of rights under the scheme attributable (directly or indirectly) to a pension credit;

“normal benefit age”, in relation to a scheme, means the earliest age at which a person who has pension credit rights under the scheme is entitled to receive a pension by virtue of those rights (disregarding any scheme rule making special provision as to early payment of pension on grounds of ill-health or otherwise).

Basic principle as to pension credit benefit.

101C.—(1) Normal benefit age under a scheme must be between 60 and 65.

(2) A scheme must not provide for payment of pension credit benefit in the form of a lump sum at any time before normal benefit age, except in such circumstances as may be prescribed.

Form of pension credit benefit and its alternatives.

101D.—(1) Subject to subsection (2) and section 101E, a person’s pension credit benefit under a scheme must be—

- (a) payable directly out of the resources of the scheme, or
- (b) assured to him by such means as may be prescribed.

(2) Subject to subsections (3) and (4), a scheme may, instead of providing a person’s pension credit benefit, provide—

- (a) for his pension credit rights under the scheme to be transferred to another occupational pension scheme or a personal pension scheme with a view to acquiring rights for him under the rules of the scheme, or
- (b) for such alternatives to pension credit benefit as may be prescribed.

(3) The option conferred by subsection (2)(a) is additional to any obligation imposed by Chapter II of this Part.

(4) The alternatives specified in subsection (2)(a) and (b) may only be by way of complete or partial substitute for pension credit benefit—

- (a) if the person entitled to the benefit consents, or
- (b) in such other cases as may be prescribed.

Discharge of liability where pension credit or alternative benefits secured by insurance policies or annuity contracts.

101E.—(1) A transaction to which section 19 applies discharges the trustees or managers of a scheme from their liability to provide pension credit benefit or any alternative to pension credit benefit for or in respect of a member of the scheme if and to the extent that—

- (a) it results in pension credit benefit, or any alternative to pension credit benefit, for or in respect of the member being appropriately secured (within the meaning of that section),
- (b) the transaction is entered into with the consent of the member or, if the member has died, of the member’s widow or widower [¹or surviving civil partner], and
- (c) such requirements as may be prescribed are met.

(2) Regulations may provide that subsection (1)(b) shall not apply in prescribed circumstances.

(5) For the purposes of subsection (4) “payment information” is information required by the trustees or managers to enable them to discharge the duty imposed by subsection (3).

(6) The employer must comply with a request under subsection (4) within a reasonable period.]

CERTIFICATION REGULATIONS

PART I

OCCUPATIONAL PENSION SCHEMES

General regulations; beginning and ending of employment

1.—(1) In relation to employments which are or at any time have been contracted-out employments, and to the operation of schemes by reference to which employments are or have been contracted-out, regulations may make provision generally as to the circumstances in which an earner's employment is or is not to be treated as having begun, or as having come to an end and, in particular, as to the matters mentioned in sub-paragraphs (2) to (4).

(2) Regulations may make provision for treating an earner's employment which ends before a person succeeds to the business of the earner's employer as having been employment under the employer's successor.

(3) Regulations may make provision—

- (a) for changes in an earner's employment due to the death of an employer or another cause, or any cesser of contracted-out employment so due, to be disregarded; or
- (b) for employment under one employer to be treated as a continuation of that under another and any contracting-out certificate issued to, or election made by, the former employer to be treated as issued to or made by the latter.

(4) Regulations may also make provision—

- (a) for temporary interruptions in an earner's employment or contracted-out employment to be disregarded; and
- (b) for the employment in either case to be treated as continuing during the interruption.

(5) References in this paragraph to an earner's employment beginning or ending shall include references to his employment becoming or ceasing to be contracted-out employment.

2.—(1) Subject to sub-paragraph (2), regulations may enable the [¹Inland Revenue] to determine in prescribed circumstances that an earner, or any group of earners whose employment falls within a particular category or description of contracted-out employments, has been in such employment from a date ("the determined date") earlier than would otherwise be the case.

(2) The determined date for any earner may not be earlier than—

- (a) the date on which his relevant employment began, or
- (b) the date on which a contracting-out certificate was issued in respect of it, whichever is the later.

3. Provision may be made by regulations for requiring an employer to give notice to the [¹Inland Revenue]—

- (a) when an earner's employment becomes or ceases to be contracted-out employment; and
- (b) when an earner's employment in contracted-out employment begins or ends.

¹ Words substituted in Sch. 2, paras. 2(1) & 3 (1.4.99) by Transfer of Functions Act 1999 (c. 11), Sch. 1, para. 62(2) & (3).

Power to modify Part III etc.

4.—(1) Regulations may modify the provisions of Part III (other than sections 18, 19 [¹, 67 and 68], Chapter III of Part IV and Chapter II of Part V (except, so far as they relate to personal pension schemes, the members of such schemes or rights in respect of them) in their application to cases in which—

- (a) a person is employed at the same time in two or more employments (whether or not under the same employer); and
- (b) at least one but not all of those employment's is contracted-out employment, with a view to enabling the employment's to be treated either separately or together for the purposes of those provisions.

(2) Regulations may also modify those provisions in their application to cases in which—

- (a) any description of benefit under a scheme is subject to a limit (however, imposed) operating so as to prevent service beyond a particular length from qualifying for further benefits; or
- (b) earners qualify for the benefits of a scheme by reference to both—
 - (i) service in employment which is contracted-out in relation to them by reference to the scheme; and
 - (ii) service in the same employment or another employment (whether or not contracted-out employment) before the scheme was contracted-out in relation to them or their employment.

(3) Regulations under this paragraph may include provision for securing that in the cases to which they apply an earner's employment [²which, apart from the regulations, would not be contracted-out employment is treated as contracted-out employment where any benefits provided under the scheme are attributable to a period when the scheme was contracted-out].

State scheme premiums

5.—(1) Regulations may make provision for requiring persons to furnish the [³Inland Revenue] [...³] with such information as [³they] may require for the purposes of sections 37, 38, 50 to [⁴63], 139(1), 142(5), and (6) and 159(1) to (3), (5) and (6) (except as they apply to personal pension schemes, the members of such schemes or rights in respect of them).

(2) Regulations may provide that for the purposes of sections 50, 55 to 60 and 63 [...⁵] (except as they so apply) the prescribed person shall be treated as the employer—

- (a) of any employed earners who, in any period of service in contracted-out employment—
 - (i) have been paid earnings in any income tax week by more than one person in respect of different employments; or
 - (ii) have worked under the general control or management of a person other than their immediate employer, or

[²and in this sub-paragraph and the following provisions of this paragraph “premium” means a contributions equivalent premium].

[³(3A) Sub-paragraph (3B) applies in relation to a member of a contracted-out occupational pension scheme which is being wound up if, in the opinion of the [¹Inland Revenue]–

- (a) the resources of the scheme are insufficient to meet the whole of the liability for the cash equivalent of the member’s rights under the scheme, and
- (b) if the resources of the scheme are sufficient to meet a part of that liability, that part is less than the amount required for restoring his State scheme rights.

(3B) Where this sub-paragraph applies–

- (a) regulations may provide for treating the member as if sections 46 to 48 or, as the case may be, section 48A(1) did not apply, or applied only to such extent as is determined in accordance with the regulations, and

- (b) for the recovery of any debt due under sub-paragraph (3B)(b), and
- (c) for determining the amount required for restoring a member’s State scheme rights including provision requiring the [¹Inland Revenue] to apply whichever prescribed actuarial table in force at the appropriate time is applicable.

(3D) Section 155 shall apply as if sub-paragraphs (3A) and (3B)(a), and regulations made by virtue of this sub-paragraph and sub-paragraph (3B)(b), were included among the provisions there referred to,

(3E) In sub-paragraphs (3A) and (3B), “State scheme rights”, in relation to a member of a scheme, are the rights for which, if the scheme had not been a contracted-out scheme, the member would have been eligible by virtue of section 44(6) of the Social Security Contributions and Benefits Act 1992 (earnings factors for additional pension).]

(2) Regulations under this paragraph may provide for the adjustment of rights and liabilities as between employers, earners and the trustees or managers.

(2) Where employment would fall within one of the classes specified in sub-paragraph (1) but for rules having effect under section 2 of the Superannuation (Miscellaneous Provisions) Act 1948 (persons transferring to and from certain employments), the employment shall be treated as falling within that class and not within any other class to which this paragraph applies. 1948 c. 33.

(3) Where a local Act contains a provision for the payment of benefits in respect of service which but for the provision would qualify a person for such benefits under the enactments specified in sub-paragraph (1), that provisions shall be deemed to be included among the enactments so specified.

SCHEDULE 3

METHODS OF REVALUING ACCRUED PENSION BENEFITS

The final salary method

[¹1.—(1) The final salary method is to add to the amount that would be payable but for Chapter 2 of Part 4, or regulations made under it, the additional amount specified in sub-paragraph (1A), (1B), (1C) or (1D) (whichever applies).

(1A) Where—

- (a) the termination of pensionable service occurs before 1st January 1991, and
- (b) the whole of the member's pensionable service falls on or after 1st January 1985,

the additional amount is the appropriate higher revaluation percentage of the accrued benefit.

(1B) Where—

- (a) the termination of pensionable service occurs before 1st January 1991, and
 - (b) some of the member's pensionable service falls before 1st January 1985,
- the additional amount is such proportion of the appropriate higher revaluation percentage of the accrued benefit as the member's pensionable service falling on or after 1st January 1985 bears to the member's total pensionable service.

(1C) Where the termination of pensionable service occurs—

- (a) on or after 1st January 1991, but
- (b) before the day on which section 101 of the Pensions Act 2008 comes into force ("the 2008 Act commencement day"),

the additional amount is the appropriate higher revaluation percentage of the accrued benefit.

(1D) Where the termination of pensionable service occurs on or after the 2008 Act commencement day, the additional amount is the aggregate of—

- (a) the appropriate higher revaluation percentage of so much of the accrued benefit as is attributable to the member's pensionable service falling before the 2008 Act commencement day, and
- (b) the appropriate lower revaluation percentage of so much of the accrued benefit as is attributable to the member's pensionable service falling on or after that day.

(1E) In this paragraph "the accrued benefit" means the amount of the pension or other benefit which on the termination date has accrued to the member or to any other person in respect of the member (excluding any part of that amount which consists of—

- (a) the member's guaranteed minimum, or
- (b) the guaranteed minimum of the member's widow, widower or surviving civil partner).

(2) For the purposes of this paragraph, a member's pensionable service includes any notional pensionable service which is credited to the member by the scheme ("notional service").

But notional service shall not be taken into account in determining which of sub-paragraphs (1A), (1B), (1C) and (1D) applies.

¹ Paras. 1(1)-(3A) substituted (6.4.09) by para. 2, Sch. 2 to the Pensions Act 2008 (c. 30).

PENSION SCHEMES ACT 1993 (c. 48)

Sch. 3

(3) For the purposes of determining the additional amount where sub-paragraph (1B) applies, any notional service shall be taken to have ended immediately before the member's actual pensionable service began.

(3A) For the purposes of determining the additional amount where sub-paragraph (1D) applies, any notional service shall be treated as falling on or after the 2008 Act commencement day only if, or to the extent that, it is so treated for the purposes of the scheme.]

(4) Any rule of a scheme the effect of which is that benefit falls to be revalued by reference to any period is to be disregarded in making any calculation required by this method.

Para. 1 is modified where retirement benefit is varied at state pension age, by reg. 9 of S.I. 1991/168; it is also modified for the final salary method of revaluing accrued rights by reg. 10 ibid. (rounding); and it is further modified, for lump sums for service before April 1975, by reg. 13 ibid.

The revaluation percentage and the appropriate revaluation percentage

2.—(1) For the purposes of paragraph 1 the Secretary of State shall in each calendar year by order [¹specify (so far as it is necessary to do so)—

- (a) a higher revaluation percentage, and
- (b) a lower revaluation percentage, for each period]

which is a revaluation period in relation to that order.

(2) A period is a “revaluation period”, in relation to an order under this paragraph, if it is a period which—

- (a) begins with 1st January 1986 or with an anniversary of that date falling before the making of the order; and
- (b) ends with the next day after the making of the order which is 31st December.

[¹(3) The higher revaluation percentage which the Secretary of State is to specify in relation to a revaluation period is the lesser of—

- (a) the percentage which appears to the Secretary of State to be the percentage increase in the general level of prices in Great Britain during the period which is the reference period in relation to the revaluation period (“the inflation percentage”), and
- (b) the higher maximum rate.

(3A) The lower revaluation percentage which the Secretary of State is to specify in relation to a revaluation period is the lesser of—

- (a) the percentage which appears to the Secretary of State to be the inflation percentage, and
- (b) the lower maximum rate.]

(4) The Secretary of State may estimate the percentage increase mentioned in sub-paragraph (3)(a) in such manner as he thinks fit.

(5) For the purposes of that sub-paragraph, the reference period in relation to a revaluation period is—

- (a) in the case of the revaluation period beginning on 1st January 1986, the period which begins with 1st October 1985 and ends with the last day before the making of the order which is 30th September; and
- (b) in the case of the revaluation periods with later commencement dates, the period which—

¹ Words in para. 2(1) substituted & paras. 2(3)-(3A) substituted for Para. 2(3) (6.4.09) by paras. 3(2) & (3) of Sch. 2 to the Pensions Act 2008 (c. 30).

- (i) begins with the last day before the commencement of the revaluation period which is 1st October; and
- (ii) ends with the last day before the making of the order which is 30th September,

[¹(6) For the purposes of sub-paragraph (3)(b) and (3A)(b)–

“the higher maximum rate”, in relation to a revaluation period, is–

- (a) in the case of a revaluation period of 12 months, 5 per cent; and
- (b) in any other case, the percentage that would be the inflation percentage had the general level of prices increased at the rate of 5 per cent compound per annum during the reference period in question;

“the lower maximum rate”, in relation to a revaluation period, is–

- (a) in the case of a revaluation period of 12 months, 2.5 per cent; and
- (b) in any other case, the percentage that would be the inflation percentage had the general level of prices increased at the rate of 2.5 per cent compound per annum during the reference period in question;

(7) In paragraph 1–

“the appropriate higher revaluation percentage” means the higher revaluation percentage specified in the last calendar year before the date on which the member attains normal pension age as the higher revaluation percentage for the revaluation period which is of the same length as the number of complete years in the pre-pension period;

“the appropriate lower revaluation percentage” has a corresponding meaning.]

Where normal pension age is under 60, the reference to it in para. 2(7) above is modified by reg. 3(2) of S.I. 1991/168.

The average salary method

3.—(1) The average salary method is to revalue the member’s salaries as respects the pre-pension period in any way in which they would have been revalued during that period if he had remained in the same pensionable service.

(2) In this paragraph “salaries” means, subject to sub-paragraph (4), the member’s salaries for the period between the date when his pensionable service began and the termination date, or such part of them as was relevant under the scheme to the calculation of the retirement benefits payable under the scheme to him or to any other person in respect of him.

(3) For the purpose of this paragraph those salaries are to be taken to include–

- (a) any amount which is attributed to them, otherwise than by virtue of this paragraph, as the result of a revaluation for which the rules of the scheme provide; and
- (b) any amount which is for any reason credited to the member by way of salary notionally earned.

(4) Where the member’s pensionable service ended before 1st January 1991, sub-paragraph (2) shall have effect with the substitution or the words from “means” to “termination date” of the words “means the member’s salaries for the period between 1st January 1985 and the termination date”.

(5) For the purposes of the application of this paragraph to a case where a member is credited with an amount by reference to salary notionally earned over a period of time of a particular length, that period shall be taken to have ended immediately before the member’s actual pensionable service began.

¹ Paras. 2(6) & (7) substituted (6.4.09) by para. 3(4) of part. 1 to Sch. 2 of the Pensions Act 2008 (c. 30).

¹ Para. 3A of Sch. 3 inserted (24.7.14) by S.I. 2014/1954, reg. 3(3).

The flat rate method

4. The flat rate method is to revalue the benefits which have accrued to the member as respects the pre-pension period in any way in which they would have been revalued during that period if he had remained in the same pensionable service.

The money purchase method

5.—(1) Subject to sub-paragraphs (2) and (3), the money purchase method is to apply the investment yield and any bonuses arising from payments made by or on behalf of a member towards providing any pension or other retirement benefit which is payable under the scheme to him or to any other person in respect of him in the manner in which they would have been applied if his pensionable service had not terminated.

(2) The Secretary of State may by regulations authorise trustees and managers of occupational pension schemes to deduct from any pension or other retirement benefit provided by virtue of the money purchase method an appropriate amount in respect of the administrative expenses incurred by them in carrying this method into effect.

(3) The trustees and managers of a personal pension scheme may, when providing a pension or other retirement benefit by virtue of the money purchase method, deduct—

- (a) the actual administrative expenses of doing so, or
- (b) the amount of the administrative expenses which would have been incurred in providing a money purchase benefit for the same member if contributions had not ceased to be paid to the scheme in respect of him.

2.—(1) The substitution of this Act for the repealed enactments does not affect the continuity of the law.

(2) Anything done or having effect as if done under or for the purposes of a provision of the repealed enactments has effect, if it could have been done under or for the purposes of the corresponding provision of this Act, as if done under or for the purposes of that corresponding provision.

(3) Any reference, whether express or implied, in this Act or any other enactment, instrument or document to a provision of this Act shall, so far as the context permits, be construed as including, in relation to the times, circumstances and purposes in relation to which the corresponding provision of the repealed enactments has effect, a reference to that corresponding provision.

(4) Any reference, whether express or implied, in any enactment, instrument or document to a provision of the repealed enactment’s shall be construed, so far as is required for continuing its effect as including a reference to the corresponding provision of this Act.

3. Where—

(a) this Act repeals an enactment relating to the coming into force of another provision, including—

(i) an enactment deeming a provision always to have had effect, or to have had effect from a date earlier than that which would otherwise apply, or enabling regulations or an order made under a provision to be framed so as to have such an effect, and

(ii) an enactment conferring power by regulations to provide or make savings in preparation for or in connection with the coming into force of a provision, and

(b) the effect of that provision is reproduced in this Act,

the repeal does not affect the operation of that enactment, in so far as it is not specifically reproduced in this Act but remains capable of having effect, in relation to the corresponding provision of this Act.

4.—(1) The repeal or revocation by this Act of an enactment previously repealed or revoked subject to savings does not affect the continued operation of those savings.

(2) The repeal or revocation by this Act of a saving to which a previous repeal or revocation of an enactment is subject does not affect the operation of the saving in so far as it is not specifically reproduced in this act but remains capable of having effect.

5. The repeal or revocation by this Act of an enactment which has effect as respects any provision of the repealed enactments (being a provision which is not reproduced in this Act but continues in effect by virtue of this Schedule or the Interpretation Act 1978) does not affect its operation as respects that provision.

Sch. 6

6. Any document made, served or issued after this act comes into force which contains a reference to any of the repealed enactments shall be construed, except so far as a contrary intention appears, as referring or, as the context may require, including a reference to the corresponding provision of this act.

PART II

SPECIFIC PROVISIONS

Contracting-out requirements for schemes providing guaranteed minimum pensions

7. An occupational pension scheme which—

(a) at any time before the coming into operation for the first regulations made under—

(i) paragraph (a) of subsection (92) of section 32 of the Social Security Pensions Act 1975 (which made corresponding provision to that made by section 9(2)(a) of this Act), or

(ii) subsection (8) of section 35 of the Social Security Pensions Act 1975 (which made corresponding provision to that made by section 16(4) of this Act),

did not satisfy that paragraph or, as the case may be, that subsection; but

(b) would have satisfied it if those regulations had then been in operation,

shall, for the purpose of determining whether the scheme satisfied that paragraph or, as the case may be, that subsection, be treated as if those regulations had been in operation at that time.

8. Any document the contents of which are in terms corresponding to those of section 35(7) of the Social Security Pensions Act 1975, as that subsection stood immediately before the passing of the Social Security Act 1985 (which corresponded to subsection (2) of section 16 of this Act, but with the substitution for the words form “is terminated before” onwards of the words “is terminated before he attains the scheme’s normal pension age shall be determined for the purposes of section 14(2) without reference to any order that comes into force under section 21 of the Social Security Pensions Act 1975 after the relevant year in which his service ends”) shall be construed as if its contents were and always had been in terms corresponding to those of section 16(2) of this Act.

9. The requirement of the Social Security Pensions Act 1975 that for an occupational pension scheme to be contracted-out in relation to an earner’s employment it must provide requisite benefits shall, except so far as it relates to guaranteed minimum pensions, be treated for the purposes of section 37 of that Act as if it had never existed.

10.—(1) Where in the tax year 1989-90 the trustees or managers of an occupational pension scheme made an increase in the rate of pensions currently payable to the members of the scheme who had attained pensionable age or to the widows or widowers of members, they may deduct the amount of the increase from any increase which, but for this sub-paragraph, they would be required to make under section 109 in the tax year 1990-91.

(2) Subsections (1) and (4) of section 110 shall apply to sub-paragraph (1) as they apply to subsections (2) and (3) of that section.

Overriding effect of certain requirements for existing contracted-out and appropriate schemes

11.....¹

¹ Para. 11 deleted (6.4.97) by Pensions Act 1995 (c. 26). Sch. 5. para. 86. and Sch. 7. Part III.

12. If immediately before 13th July 1990—

- (a) there was in force in relation to an occupational pension scheme a contracting-out certificate which stated that the scheme was contracted-out by virtue of section 32(2A) of the Social Security Pensions Act 1975,
- or
- (b) there was in force in relation to a personal pension scheme an appropriate scheme certificate

1975 c. 60.

then, to the extent that the rules of the scheme are inconsistent with any provision of this Act derived from provision made by paragraph 19(1) or (2) or 20(1) to (3) of Schedule 6 to the Social Security Act 1989 (by virtue of which—

1989 c. 24.

- (i) section 27(3) applies to all protected rights and not only such rights as are mentioned in section 10(2) or (3);
- (ii) section 28 includes subsection (1) and, in subsection (3), the words “Subject to subsections (5) and (7)”, the words from “except” to “subsection (4)” and the word “ shall”; and

Contributions equivalent premiums; earnings before 1987-88

14.—(1) Where an earner’s earnings paid in any period before the tax year 1987-88-

- (a) exceeded the lower earnings limit; but
- (b) were not such that primary Class 1 contributions within Bracket 3 fell to be paid in respect of them,

it shall be assumed for the purposes of sections 58(4) and 61(2) that his earnings paid in that period were such that, taking the rate specified in Bracket 3 as the appropriate rate, the same amount of primary Class 1 contributions fell to be paid in respect of them as in fact fell to be paid in respect of them; and in this paragraph “Bracket 3” has the meaning given in section 9(3) of the Social Security Contributions and Benefits Act 1992.

1992 c. 4.

(2) Section 63(3) applies for the purposes of sub-paragraph (1), in so far as it applies as respects section 58(4), as if the reference in paragraph (b) of section 63(3) to earnings included a reference to earnings relevant for any purpose of that sub-paragraph.

(3) Where the [¹Inland Revenue have] acted in pursuance of section 63(3) as applied by sub-paragraph (2) and [¹they subsequently ascertain] the amount of those earnings—

- (a) if it appears to [¹them] that the amount of the contributions equivalent premium would have been less if [¹they] had not made the calculation on the basis described in sub-paragraph (1), [¹they] shall refund the difference to the prescribed person, and
- (b) if it appears to the [¹Inland Revenue] that that premium would have been greater if [¹they] had not done so, the prescribed person shall pay the difference to [¹them].

(b) in any other case means the commencement of payment date.”;

(c) in subsection (4) of that section paragraph (d) shall be omitted.

(3) Section 90 shall be omitted.

Savings for statutory instruments

18.
