### CERTIFICATION

#### *Preliminary*

### **3 Issue of contracting-out and appropriate scheme certificates. **N.I.****

- (1) Regulations shall provide for the Board to issue certificates stating—
- that the employment of an earner in employed earner's employment is contracted-out employment by reference to an occupational pension scheme; or
  - that a personal pension scheme is an appropriate scheme;
- and in this Act a certificate under paragraph (a) is referred to as “a contracting-out certificate” and a certificate under paragraph (b) as “an appropriate scheme certificate”.
- (2) The regulations shall provide for contracting-out certificates to be issued to employers and to specify—
- the employments which are to be treated, either generally or in relation to any specified description of earners, as contracted-out employments; and
  - the occupational pension schemes by reference to which those employments are to be so treated.
- (3) An occupational pension scheme is a contracted-out scheme in relation to an earner's employment if it is for the time being specified in a contracting-out certificate in relation to that employment; and references in this Act to the contracting-out of a scheme are references to its inclusion in such a certificate.
- (4) A personal pension scheme is an appropriate scheme if there is in force an appropriate scheme certificate issued by the Board in accordance with this Chapter that it is such a scheme.
- (5) An appropriate scheme certificate for the time being in force in relation to a scheme shall be conclusive that the scheme is an appropriate scheme.
- (6) Regulations shall provide that any question whether a personal pension scheme is or at any time was an appropriate scheme shall be determined by the Board.

**Status:** Point in time view as at 07/02/1994. This version of this Act contains provisions that are not valid for this point in time.

**Changes to legislation:** Pension Schemes (Northern Ireland) Act 1993 is up to date with all changes known to be in force on or before 22 May 2024. (7) Except in prescribed circumstances, no contracting-out certificate or appropriate scheme certificate shall have effect from a date earlier than that on which the certificate is issued.

#### 4 **Meaning of “contracted-out employment”, “guaranteed minimum pension” and “minimum payment”. N.I.**

(1) The employment of an earner in employed earner’s employment is “contracted-out employment” in relation to him during any period in which he is under pensionable age and—

(a) either—

(i) his service in the employment is for the time being service which qualifies him for a guaranteed minimum pension provided by an occupational pension scheme, or

(ii) his employer makes minimum payments in respect of his employment to an occupational pension scheme which is contracted-out by virtue of satisfying section 5(3) (in this Act referred to as “a money purchase contracted-out scheme”); and

(b) there is in force a contracting-out certificate issued by the Board in accordance with this Chapter stating that the employment is contracted-out employment by reference to the scheme.

(2) In this Act—

“guaranteed minimum pension” means any pension which is provided by an occupational pension scheme in accordance with the requirements of sections 9 and 13 to the extent to which its weekly rate is equal to the earner’s or, as the case may be, the earner’s widow’s or widower’s guaranteed minimum as determined for the purposes of those sections respectively; and

“minimum payment”, in relation to an earner’s employment in any tax week, means the rebate percentage of so much of the earnings paid to or for the benefit of the earner in that week as exceeds the current lower earnings limit but not the current upper earnings limit (or the prescribed equivalents if he is paid otherwise than weekly);

and for the purposes of this subsection “rebate percentage” means the sum of the percentages for the time being mentioned in paragraphs (a) and (b) of section 37(1).

(3) Regulations may make provision—

(a) for the manner in which, and time at which or period within which, minimum payments are to be made;

(b) for the recovery by employers of amounts in respect of the whole or part of minimum payments by deduction from earnings;

(c) for calculating the amounts payable according to a scale prepared from time to time by the Department or otherwise adjusting them so as to avoid fractional amounts or otherwise facilitate computation;

(d) for requiring that the liability in respect of a payment made in a tax week, in so far as the liability depends on any conditions as to a person’s age on retirement, shall be determined as at the beginning of the week or as at the end of it;

(e) for securing that liability is not avoided or reduced by the payment of earnings being made in accordance with any practice which is abnormal for the employment in respect of which the earnings are paid;

---

**Status:** Point in time view as at 07/02/1994. This version of this Act contains provisions that are not valid for this point in time.

There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

---

- (f) without prejudice to paragraph (e), for enabling the Department, where it is satisfied as to the existence of any practice in respect of the payment of earnings whereby the incidence of minimum payments is avoided or reduced by means of irregular or unequal payments of earnings, to give directions for securing that minimum payments are payable as if that practice were not followed;
  - (g) for the intervals at which, for the purposes of minimum payments, payments of earnings are to be treated as made; and
  - (h) for this section to have effect, in prescribed cases, as if for any reference to a tax week there were substituted a reference to a prescribed period.
- (4) Any contracting-out certificate for the time being in force in respect of an employed earner's employment shall be conclusive that the employment is contracted-out employment.
- (5) Regulations shall provide for the determination by the Board of any question whether an employment is to be treated as contracted-out employment or as to the persons in relation to whom, or the period for which, an employment is to be so treated.

#### *General requirements for certification*

### 5 Requirements for certification of schemes: general. **N.I.**

- (1) Subject to subsection (4), an occupational pension scheme can be contracted-out in relation to an earner's employment only if it satisfies subsection (2) or (3).

- (4) Where there are two or more occupational pension schemes in force in relation to an earner's employment, none of which can by itself be a contracted-out scheme, the Board may, if they think fit, treat them for contracting-out purposes as a single scheme.
- (5) A personal pension scheme can be an appropriate scheme only if—
- (a) the requirements imposed by or by virtue of sections 22 to 28 and such other requirements as may be prescribed are satisfied in its case; and
  - (b) the rules of the scheme applying to protected rights are framed so as to comply with the relevant requirements.
- (6) In this section "relevant requirements" means—
- (a) the requirements of any regulations prescribing the form and content of rules of contracted-out or, as the case may be, appropriate schemes; and
  - (b) such other requirements as to form and content (not inconsistent with regulations) as may be imposed by the Board as a condition of contracting-

  - (b) any rights of the member to money purchase benefits which derive from protected rights under another occupational pension scheme or under a personal pension scheme which have been the subject of a transfer payment; and

factors for the relevant years, so far as derived from earnings such as are mentioned in subsection (1) upon which primary Class 1 contributions have been paid or treated as paid.

- (3) In determining the guaranteed minimum in a case where—
- (a) earnings such as are mentioned in subsection (1) have been paid to a married woman or widow who is liable to pay primary Class 1 contributions at a reduced rate by virtue of section 19(4) of the <sup>M5</sup>Social Security Contributions and Benefits (Northern Ireland) Act 1992, and
  - (b) the tax week in which those earnings are paid falls in the tax year 1991-92 or any subsequent tax year,

the married woman or widow shall be treated for the purposes of this section as having such earnings factors derived from those earnings as she would have had if primary Class 1 contributions had been payable, and paid, upon them otherwise than at a reduced rate.

- (4) Where the amount of a person’s earnings for any period is relevant for any purpose of subsection (1) or (2) and the Department is satisfied that records of those earnings have not been maintained or retained or are otherwise unobtainable, it may for that purpose—
- (a) compute, in such manner as it thinks fit, an amount which shall be regarded as the amount of those earnings; or
  - (b) take their amount to be such sum as it may specify in the particular case.

- (5) In subsection (2) the “appropriate percentage” means—
- (a) in respect of the earner’s earnings factors for any tax year not later than the tax year 1987-88—
    - (i) if the earner was not more than 20 years under pensionable age on 6th April 1978, 1.25 per cent.;
    - (ii) in any other case 25/N per cent.;
  - (b) in respect of the earner’s earnings factors for the tax year 1988-89 and for subsequent tax years—
    - (i) if the earner was not more than 20 years under pensionable age on 6th April 1978, 1 per cent.;
    - (ii) in any other case 20/N per cent.;

where N is the number of years in the earner’s working life (assuming he will attain pensionable age) which fall after 5th April 1978.

- (6) Regulations may prescribe rules as to the circumstances in which earnings factors are derived from earnings for the purposes of subsection (2).
- (7) For the purposes of subsection (2) the weekly equivalent of the amount there mentioned shall be calculated by dividing that amount by 52.
- (8) In this section “relevant year” means any tax year in the earner’s working life (not being earlier than the tax year 1978-79).

- (4) Payment of a contributions equivalent premium in the circumstances mentioned in section 51(2)(i) shall extinguish the earner's accrued rights to guaranteed minimum pensions under the relevant scheme.
- (5) Payment of a contributions equivalent premium in the circumstances mentioned in section 51(2)(ii) shall extinguish any such accrued rights in respect of the earner's widow.
- (6) Payment of a transfer premium shall extinguish the earner's accrued rights to guaranteed minimum pensions under the scheme from which his other accrued rights have been transferred.
- (7) In subsection (3) "the appropriate percentage" means, subject to the following provisions of this section—

$$\frac{Xx}{100}$$

where—

X is the amount of the contracted-out protected rights premium or, as the case may be, the personal pension protected rights premium together, if the person in respect of whom it falls to be paid gives notice to the prescribed person within the prescribed period—

- (a) with the cash equivalent, paid to the Department within the prescribed period, of any other rights which he has under the scheme and specifies in the notice; and
- (b) with the amount of any voluntary contribution paid to the Department within the prescribed period by, or in respect of, the person concerned; and

Y is the cost of providing any guaranteed minimum pension such as is mentioned in subsection (3).

- (8) If the appropriate percentage, as calculated under subsection (7), would fall between two whole numbers, it is to be taken to be the lower number.
- (9) If it would be over 100, it is to be taken to be 100.
- (10) The remainder after the reduction for which subsection (3) provides—
  - (a) if it would contain a fraction of 1p, is to be treated as the nearest lower whole number of pence; and
  - (b) if it would be less than a prescribed amount, is to be treated as nil.

- (2) Where this section applies, then, subject to the following provisions of this section, the person by whom the premium falls to be paid shall be entitled on paying it to recover an amount equal to so much of the premium as is attributable to primary Class 1 contributions (and on paying any part of it to recover a proportionate part of that amount) from the person liable for the refund.

## PART IV **N.I.**

### PROTECTION FOR EARLY LEAVERS

#### CHAPTER I **N.I.**

##### PRESERVATION OF BENEFIT UNDER OCCUPATIONAL SCHEMES

#### 65 **Scope of Chapter I: the preservation requirements.** **N.I.**

- (1) This Chapter has effect in relation to the preservation of benefit under occupational pension schemes to which it applies.
- (2) In this Act “the preservation requirements” means the requirements specified in or under sections 67 to 78.
- (3) This Chapter applies to any occupational pension scheme whose resources are derived in whole or in part from—
  - (a) payments made or to be made by one or more employers of earners to whom the scheme applies, being payments either—
    - (i) under an actual or contingent legal obligation; or
    - (ii) in the exercise of a power conferred, or the discharge of a duty imposed, on a Minister of the Crown, government department or any other person, being a power or duty which extends to the disbursement or allocation of public money; or
  - (b) such other payments by the earner or his employer, or both, as may be prescribed for different categories of scheme.

#### 66 **Interpretation (Part IV).** **N.I.**

- (1) In this Chapter—

“scheme” means an occupational pension scheme to which this Chapter applies;

“relevant employment”, in relation to a scheme, means any employment to which the scheme applies;

“long service benefit”, in relation to a scheme, means the benefits which will be payable under the scheme, in accordance with legal obligation, to or in respect of a member of the scheme on the assumption—

  - (a) that he remains in relevant employment, and
  - (b) that he continues to render service which qualifies him for benefits,

until he attains normal pension age; and in this definition “benefits” means—

  - (i) retirement benefit for the member himself at normal pension age, or
  - (ii) benefit for the member’s wife or husband, widow or widower, or dependants, or others, on his attaining that age or his later death, or
  - (iii) both such descriptions of benefit.
- (2) In this Act “pensionable service”, in relation to a scheme and a member of it, means, subject to subsection (3), service in relevant employment which qualifies the member

(on the assumption that it continues for the appropriate period) for long service benefit under the scheme.

- (3) There shall be taken into account as pensionable service only actual service, that is to say—
- (a) service notionally attributable for any purposes of the scheme is not to be regarded as pensionable service; and
  - (b) no account is to be taken of scheme rules by which a period of service can be treated for any purpose as being longer or shorter than it actually is.

## 67 **Basic principle as to short service benefit. N.I.**

- (1) A scheme must make such provision that where a member's pensionable service is terminated before normal pension age and—
- (a) he has at least 2 years' qualifying service, or
  - (b) a transfer payment in respect of his rights under a personal pension scheme has been made to the scheme,
- he is entitled to benefit consisting of or comprising benefit of any description which would have been payable under the scheme as long service benefit, whether for himself or others, and calculated in accordance with this Chapter.
- (2) The benefit to which a member is entitled under subsection (1) is referred to in this Act as "short service benefit".
- (3) Subject to subsection (4), short service benefit must be made payable as from normal pension age or, if in the member's case that age is earlier than 60, then from the age of 60.
- (4) Short service benefit payable on or in respect of the member's death after normal pension age must be made payable as from his death or within such time after it as long service benefit payable on or in respect of his death would be payable.
- (5) In applying subsections (3) and (4), no regard is to be had to the operation of any scheme rule, taking effect at any time after termination of the member's pensionable service, as to what is normal pension age under the scheme.
- (6) A scheme must not provide for payment of short service benefit in the form of a lump sum at any time before normal pension age, except in such circumstances as may be prescribed.
- (7) In subsection (1) "2 years' qualifying service" means 2 years (whether a single period of that duration or two or more periods, continuous or discontinuous, totalling 2 years) in which the member was at all times employed either—
- (a) in pensionable service under the scheme; or
  - (b) in service in employment which was contracted-out by reference to the scheme; or
  - (c) in linked qualifying service under another scheme.
- (8) For the purposes of subsection (7), no regard shall be had to whether or not the service was of the same description in the whole of the 2 years.
- (9) A period of service previously terminated is not to count towards the 2 years' qualifying service unless it counts towards qualification for long service benefit, and need then count only to the same extent and in the same way.

**68 No discrimination between short service and long service beneficiaries. N.I.**

- (1) A scheme must not contain any rule which results, or can result, in a member being treated less favourably for any purpose relating to short service benefit than he is, or is entitled to be, treated for the corresponding purpose relating to long service benefit.
- (2) Subsection (1) does not apply to any rule in its application to members whose pensionable service terminated before the rule came into force, unless the rule—
  - (a) was made after the termination of a member’s pensionable service; and
  - (b) results, or is capable of resulting, in any treatment less favourable for him than that to which he would have been entitled but for the rule.
- (3) Subsection (1) does not apply to a rule which merely confers discretion on the scheme’s trustees or managers, or others, so long as it is not a rule requiring the discretion to be exercised in any discriminatory manner against members in respect of their short service benefit.

**69 Form of short service benefit and its alternatives. N.I.**

- (1) Subject to subsection (2) and section 77, a member’s short service benefit must be—
  - (a) payable directly out of the resources of the scheme; or
  - (b) assured to him by such means as may be prescribed.
- (2) Subject to subsections (3) to (5), a scheme may, instead of providing short service benefit, provide—
  - (a) for the member’s accrued rights (including any transfer credits allowed under the scheme)—
    - (i) to be transferred to another occupational pension scheme with a view to acquiring transfer credits for the member under the other scheme, or
    - (ii) to be transferred to a personal pension scheme or a self-employed pension arrangement with a view to acquiring rights for the member under the rules of the scheme or arrangement; or
  - (b) for such alternatives to short service benefit as may be prescribed.
- (3) The option conferred by subsection (2)(a) is additional to any obligation imposed by Chapter IV of this Part.
- (4) The alternatives specified in subsection (2)(a) and (b) may only be by way of complete or partial substitute for short service benefit—
  - (a) if the member consents; or
  - (b) in such other cases as may be prescribed.
- (5) An alternative prescribed under subsection (2)(b) may only include payment by way of return of contributions—
  - (a) if they relate to a period of service before 6th April 1975; or
  - (b) if there has been such a payment relating to a period of service before that date and the contributions relate to a period of service of less than 5 years after that date.

## 70 Computation of short service benefit. **N.I.**

- (1) Subject to the provisions of this section, a scheme must provide for short service benefit to be computed on the same basis as long service benefit.
- (2) For that purpose, no account is to be taken of any rule making it (directly or indirectly) a condition of entitlement to benefit that pensionable service shall have been of any minimum duration.
- (3) Subsection (1) does not apply to so much of any benefit as accrues at a higher rate, or otherwise more favourably, in the case—
  - (a) of members with a period of pensionable service of some specified minimum length, or
  - (b) of members remaining in pensionable service up to some specified minimum age.
- (4) Subsection (1) does not apply to so much of any benefit as is of an amount or at a rate unrelated to length of pensionable service or to the number or amount of contributions paid by or for the member.
- (5) Regulations may provide that subsection (1) shall not apply to any category of schemes or members, or description of benefit.
- (6) So far as any short service benefit is not required to be computed in accordance with subsection (1), it must be computed on the basis of uniform accrual, so that at the time when pensionable service is terminated, it bears the same proportion to long service benefit as the period of that service bears to the period from the beginning of that service to the time when the member would attain normal pension age or such lower age as may be prescribed.
- (7) Where long service benefit is related to a member's earnings at, or in a specified period before, the time when he attains normal pension age, short service benefit must be related, in a corresponding manner, to his earnings at, or in the same period before, the time when his pensionable service is terminated.
- (8) A scheme must comply with any regulations relating to the basis of computation of short service benefit, including regulations providing for the avoidance of fractional amounts and otherwise to facilitate computation.

## 71 Credits. **N.I.**

- (1) In this section—
 

“supplementary credits”, in relation to a scheme and a member's entitlement to its benefits, means any increase of benefit or additional benefit to which the member may become entitled—

  - (a) in consequence of any provision made by or under the scheme after he becomes a member of it (to the extent that it applies to any previous pensionable service of his); or
  - (b) by reference to previous service of his (whether or not pensionable service); or
  - (c) in such other circumstances as may be prescribed,

including under paragraph (b) any transfer credits;

**Changes to legislation:** Pension Schemes (Northern Ireland) Act 1993 is up to date with all changes known to be in force on or before 22 May 2024. ---

“purchased credits” means supplementary credits for which, under the rules of the scheme, a member may or must make a payment in whole or in part (whether by means of additional contributions, or of deduction from benefit, or otherwise, and whether separately for each credit or by one or more payments for one or more credits);

“bonus credits” means supplementary credits other than purchased credits or transfer credits.

- (2) Subject to subsections (3) to (7), if a scheme provides for long service benefit to include supplementary credits, it must—
  - (a) provide for such credits to be included in short service benefit, and
  - (b) provide for all credits to be so included.
- (3) Where purchased credits have not been paid for in full at or before termination of pensionable service, the short service benefit must include the appropriate proportion of the credits.
- (4) In subsection (3) “the appropriate proportion of the credits” means—
  - (a) if they were to be paid for by a fixed amount, the same proportion as the amount paid bears to the full amount payable; and
  - (b) otherwise, the same proportion as the period between the time when the first payment became due and the termination of the member’s pensionable service bears to the whole period over which payment was to be made.
- (5) If the benefit includes bonus credits, or credits for which payment is to be made by deduction from that or another benefit, the credits to be included in the benefit and (where applicable) the amount of the deduction must be computed on the assumption—
  - (a) that the credits accrue in full only to a member remaining in pensionable service until normal pension age; and
  - (b) that the amount of any such credit, and also of any relevant deduction, accrues at a uniform rate from the time when the credit was awarded up to the time of his attaining that age.
- (6) Where any such deduction is a percentage of benefit, the percentage must be the same for short service as for long service benefit.
- (7) A scheme must comply with any regulations made with respect to the manner in which supplementary credits are to be included in short service benefit, including regulations providing for the avoidance of fractional amounts and otherwise to facilitate computation.

## 72 Pension increases. **N.I.**

- (1) A scheme which by its rules provides for increases of long service benefit from time to time (whether by way of upwards revaluation or otherwise) must provide for corresponding increases of short service benefit in the case of members whose pensionable service terminates at any time after the coming into force of any such rule.
- (2) Where the provision for increasing long service benefit involves the exercise of a discretion, a corresponding discretion must be conferred in relation to short service benefit.

---

- (3) If an increase of long service benefit is to take effect at a specified time after termination of service, the corresponding increase of short service benefit must take effect at the same time after the time when short service benefit becomes payable.
- (4) Where provision is made for increase of long service benefit otherwise than at a fixed rate, short service benefit may nevertheless be subject to increase at a fixed rate, if the rate is at least 3 per cent. a year compound.

### 73 **Assignment, surrender and commutation of benefit.** **N.I.**

- (1) Except as provided by this section, a scheme—
  - (a) must contain rules preventing assignment of short service benefit; and
  - (b) must not enable such benefit to be surrendered or commuted.
- (2) Subsection (1) does not apply to any assignment, surrender or commutation of a policy of insurance or annuity contract in accordance with conditions prescribed by regulations under section 15(4)(b) or (c).
- (3) A scheme may enable assignment in favour of the member's widow or widower or dependant (whether or not the benefit is in payment).
- (4) A scheme may, at the option of the member, enable surrender—
  - (a) to provide benefit for the member's widow, widower or dependant;
  - (b) to acquire for the member transfer credits under the rules of another occupational pension scheme or rights under the rules of a personal pension scheme or a self-employed pension arrangement;
  - (c) to acquire for the member entitlement to further benefits under the same scheme, relating both to a period of pensionable service previously terminated and also to a subsequent period of service in relevant employment.
- (5) A scheme may enable a member's benefit to be commuted—
  - (a) in a case where he opts (at any time) to commute at or after normal pension age; or
  - (b) in exceptional circumstances of serious ill-health; or
  - (c) in such other circumstances as may be prescribed.
- (6) A scheme may enable benefit for a member's widow, widower or dependant to be commuted in such circumstances as may be prescribed.

### 74 **Forfeiture, etc.** **N.I.**

- (1) Except so far as permitted by this section, a scheme must not contain any provision for forfeiture of short service benefit.
- (2) Provision may be made for forfeiture of the whole or part of any short service benefit by reference to an event occurring after it becomes payable if—
  - (a) long service benefit is also forfeited by reference to the event; and
  - (b) in the opinion of the Board the provision does not appear to discriminate against members entitled to short service benefit.
- (3) Provision may be made for forfeiture by reference to—
  - (a) the assignment or attempted assignment of the benefit contrary to the provisions of the scheme;

- (b) the member's bankruptcy or, in the case of benefit for a widow or widower or dependant of the member, the beneficiary's bankruptcy.
- (4) Such forfeiture as mentioned in subsection (3) may be by reference to an event occurring either before or after the benefit would otherwise be payable, if the same provision is made in relation to long service benefit.
- (5) Provision for forfeiture may be made—
  - (a) in a public service pension scheme, by reference to the member being convicted of an offence—
    - (i) committed by him before the benefit becomes payable and in connection with relevant employment, and
    - (ii) certified by a Minister of the Crown either to have been gravely injurious to the State or to be liable to lead to serious loss of confidence in the public service;
  - (b) in any case, by reference to the member having been convicted of any offence committed before the benefit becomes payable, being—
    - (i) an offence of treason, or
    - (ii) one or more offences under the Official Secrets Acts 1911 to 1989 for which the member has been sentenced on the same occasion to a term of imprisonment of, or to two or more consecutive terms amounting in the aggregate to, at least 10 years.
- (6) No scheme rule must operate so as to deprive any person of short service benefit by reference to—
  - (a) failure by any person to make a claim for the benefit or for any payment due as benefit; or
  - (b) failure by any person, at any time after termination of pensionable service, to give any notice, or comply with any formality, required by the scheme as a condition of entitlement.
- (7) Subsection (6)(a) is not to prevent reliance on any enactment relating to the limitation of actions; and a scheme may provide for the right to receive any payment to be forfeited if it is not claimed within 6 years of the date on which it becomes due.

## 75 Charges, liens and set-offs. **N.I.**

- (1) A scheme must not enable a member's employer to exercise any description of charge or lien on, or set-off against, short service benefit, to the extent that it includes transfer credits.
- (2) Subject to subsection (1), a scheme may enable a charge or lien on, or set-off against, a member's short service benefit for the purpose of enabling the employer to obtain the discharge by the member of some monetary obligation due to the employer and arising out of a criminal, negligent or fraudulent act or omission by the member.
- (3) Subject to subsection (4), a scheme must not enable the employer to recover from, or retain out of, the resources of the scheme any sum in respect of a monetary or other obligation due to him from any member.
- (4) Subsection (3) does not apply to an obligation arising as mentioned in subsection (2) but, if the scheme permits recovery or retainer of sums in respect of such an obligation, it must provide that—

- (a) unless the employer and the member agree otherwise in writing, the recovery or retainer is limited—
  - (i) to the actuarial value of the member’s actual or prospective benefits at that time, or
  - (ii) to the amount of the obligation,
 whichever is the less; and
- (b) the member is entitled to a certificate showing the amount retained or recovered and its effect on his benefits or prospective benefits; and
- (c) in the event of any dispute as to the amount to be retained or recovered, the employer is only entitled to enforce the charge, lien or set-off after the obligation has become enforceable under an order of a competent court or the award of an arbitrator.

**76 Power to modify ss. 73 to 75 as respects alternative benefits. N.I.**

In respect of any of the benefits or rights alternative to short service benefit provided in accordance with section 69(2), sections 73 to 75 shall apply with such modifications as may be prescribed.

**77 Discharge of liability where short service or alternative benefits secured by insurance policies or annuity contracts. N.I.**

A transaction to which section 15 applies discharges the trustees or managers of an occupational pension scheme from their liability to provide for or in respect of any person short service benefit or any alternative to short service benefit—

- (a) if it is carried out not earlier than the time when that person’s pensionable service terminates; and
- (b) if and to the extent that it results in short service benefit or any alternative to short service benefit for or in respect of that person being appropriately secured (within the meaning of that section); and
- (c) if and to the extent that the requirements set out in paragraph (a) or (c) of section 15(5) are satisfied.

**78 Supplementary regulations. N.I.**

- (1) Regulations may provide that a scheme is not to be treated as conforming with the preservation requirements unless it contains express rules to the effect (but not necessarily in the words) of any specified provision contained in sections 67 to 75.
- (2) Regulations may make provision as to the circumstances in which, for the purposes of sections 66 to 75—
  - (a) a period of a person’s service in two or more different employments is to be treated as a period of service in one or more of those employments; or
  - (b) a person’s service in any employment is to be treated as terminated or not terminated.

## CHAPTER II **N.I.**

### REVALUATION OF ACCRUED BENEFITS (EXCLUDING GUARANTEED MINIMUM PENSIONS)

#### 79 **Scope of Chapter II. **N.I.****

- (1) This Chapter applies for the purpose of revaluing—
- (a) benefits payable to or in respect of a member of an occupational pension scheme where—
    - (i) his pensionable service ends on or after 1st January 1986;
    - (ii) on the date on which his pensionable service ends (in this Chapter referred to as “the termination date”) he has accrued rights to benefit under the scheme;
    - (iii) the period beginning with the day after the termination date and ending with the date on which he attains normal pension age (in this Chapter referred to as “the pre-pension period”) is at least 365 days; and
    - (iv) in the case of benefit payable to any other person in respect of the member, the member dies after attaining normal pension age; and
  - (b) benefits payable to or in respect of a member of a personal pension scheme—
    - (i) in respect of whom contributions to the scheme have ceased to be paid; and
    - (ii) who has accrued rights to benefit under the scheme.
- (2) In calculating 365 days for the purpose of subsection (1)(a)(iii), any day which is 29th February shall be disregarded.
- (3) In subsection (1)(b)—
- (a) the reference to a personal pension scheme does not include a scheme which is comprised in an annuity contract made before 4th January 1988; and
  - (b) the reference to contributions includes any minimum contributions.

#### 80 **Basis of revaluation. **N.I.****

- (1) Subject to subsections (2) and (3), in the case of such benefits as are mentioned in section 79(1)(a), any pension or other retirement benefit payable under the scheme in question to the member and any pension or other benefit payable under it to any other person in respect of him, is to be revalued by the final salary method.
- (2) If—
- (a) any such benefit is an average salary benefit or flat rate benefit; and
  - (b) it appears to the trustees or managers of the scheme under which it is payable that it is appropriate to revalue the benefit by the average salary method or, as the case may be, the flat rate method,
- then the benefit shall be revalued using that method.
- (3) If any benefit such as is mentioned in paragraph (a) of section 79(1) is a money purchase benefit, and in the case of such benefit as is mentioned in paragraph (b) of that section, the benefit shall be revalued using the money purchase method.
- (4) In this section—

“average salary benefit” means benefit the rate or amount of which is calculated by reference to the average salary of a member over the period of service on which the benefit is based;

“flat rate benefit” means any benefit the rate or amount of which is calculated by reference solely to the member’s length of service;

“average salary method”, “final salary method”, “flat rate method” and “money purchase method” have the meanings given in Schedule 2.

(5) The fact that a scheme provides for the amount of the pension or other benefit for a member or for any other person in respect of him to be increased during the pre-pension period—

(a) by the percentages specified during that period under section 132 of the <sup>M39</sup>Social Security Administration (Northern Ireland) Act 1992; or

(b) under any arrangement which, in the opinion of the Board, maintains the value of the pension or other benefit by reference to the rise in the general level of prices in Great Britain during that period,

does not in itself result in conflict with this section, if the increase falls to be determined by reference to an amount from which the guaranteed minimum for a member or a member’s widow or widower has not been deducted.

#### 81 Revaluation not to apply to substituted benefit. **N.I.**

Nothing in this Chapter is to be construed as requiring the revaluation of any pension or other benefit provided by virtue of section 69(2)(b) by way of complete substitute for another pension or benefit.

#### 82 Supplementary provisions. **N.I.**

(1) In making any calculation for the purposes of this Chapter in relation to any occupational pension scheme—

(a) any commutation, forfeiture or surrender of,

(b) any charge or lien on, and

(c) any set-off against,

the whole or part of a pension shall be disregarded.

(2) The same money may not be treated as providing both the increase in benefit required by this Chapter and the benefit required by Chapter III.

## CHAPTER III **N.I.**

### PROTECTION OF INCREASES IN GUARANTEED MINIMUM PENSIONS (“ANTI-FRANKING”)

#### Modifications etc. (not altering text)

**C24** Pt. 4 Ch. 3 (ss. 83-88) modified (12.2.2001 for specified purposes) by 2000 c. 4 (N.I.), s. 52, **Sch. 5 Pt. II paras. 12-15** (with s. 66(6)); S.R. 2000/374, **art. 2(e)** (art. 2(e)(ii) was omitted by virtue of S.R. 2001/141, **art. 3**)

### 83 General protection principle. **N.I.**

(1) This subsection applies where—

- (a) there is an interval between—
  - (i) the date on which an earner ceases to be in employment which is contracted-out by reference to an occupational pension scheme which is not a money purchase contracted-out scheme (“the cessation date”); and
  - (ii) the date on which his guaranteed minimum pension under that scheme commences (“the commencement of payment date”);
- (b) the relevant sum exceeds his guaranteed minimum on the day after the cessation date; and
- (c) on the commencement of payment date or at any time after it his guaranteed minimum pension under the scheme exceeds the amount of his guaranteed minimum under it on the day after the cessation date.

(2) This subsection applies where—

- (a) there is an interval between the earner’s cessation date and whichever of the following is the earlier—
  - (i) the date of his death; or
  - (ii) his commencement of payment date; and
- (b) the relevant sum exceeds one half of the earner’s guaranteed minimum on the day after the cessation date; and
- (c) at any time when a pension under the occupational pension scheme is required to be paid to the earner’s widow or widower, the widow’s or, as the case may be, the widower’s guaranteed minimum pension under the scheme exceeds one half of the earner’s guaranteed minimum on the day after the cessation date.

(3) Where subsection (1) or (2) applies, the weekly rate of the pension payable to the member at any time when that pension is required to be paid or, as the case may be, payable to the widow or widower at any such time as is mentioned in subsection (2)

(c) shall be an amount not less—

- (a) in a case where by virtue of section 69(2)(b) a pension is provided by way of complete substitute for short service benefit or, as the case may be, for widow’s or widower’s pension, than the weekly rate of that pension; and
- (b) in any other case, than the relevant aggregate.

(4) In subsection (3) “the relevant aggregate” means the aggregate of the following—

- (a) the relevant sum;

---

- (b) the excess mentioned in subsection (1)(c) or, as the case may be, subsection (2)(c);
  - (c) any amount which is an appropriate addition at the time in question; and
  - (d) where the scheme provides that part of the earner’s or, as the case may be, the widow’s or widower’s pension shall accrue after the cessation date by reason of the earner’s employment after that date, the later earnings addition.
- (5) To the extent that amounts attributable to transfer credits have accrued by reason of any transfer before 1st January 1985, they are to be disregarded for the purposes of subsections (1)(c), (2)(c) and (4)(b).
- (6) Nothing in this section shall be construed as entitling an earner who has not reached normal pension age to any portion of a pension under a scheme to which he would not otherwise be entitled.
- (7) This section does not apply to a pension to which a person is entitled in respect of employment if—
- (a) the earner left the employment or left it for the last time before 1st January 1985; or
  - (b) the employment ceased, or ceased for the last time, to be contracted-out in relation to him before that date.

#### 84 The relevant sum. **N.I.**

- (1) For the purposes of this Chapter “the relevant sum” means—
- (a) in a case where subsection (1) of section 83 applies—
    - (i) if the earner reaches normal pension age on or before the cessation date, an amount equal to the weekly rate of his pension on the day after the cessation date; and
    - (ii) if he reaches normal pension age after the cessation date, an amount equal to the weekly rate of any short service benefit which has accrued to him on the cessation date or, where no such benefit has then accrued, any other benefit to which this sub-paragraph applies and which has then accrued to him; and
  - (b) in a case where subsection (2) of that section applies, an amount equal to the weekly rate at which, on the prescribed assumptions, a pension would have begun to be paid to the widow or widower if that person had satisfied the conditions for entitlement to a pension which are specified in the scheme.
- (2) Paragraph (a) of subsection (1) has effect subject to subsection (5) and to sections 83(5) and 87(1), and paragraph (b) of subsection (1) has effect subject to section 83(5).
- (3) The benefit other than short service benefit to which subsection (1)(a)(ii) applies is benefit—
- (a) which would have been provided as either the whole or part of the earner’s short service benefit; or
  - (b) of which the earner’s short service benefit would have formed part,
- if section 67(1)(a) had effect with the substitution of a reference to the service which the earner had on the cessation date for the reference to 2 years’ qualifying service.
- (4) Any such benefit is only to be included in the relevant sum to the extent that it does not exceed the amount which the scheme would have had to provide as short service benefit if section 67(1) had effect as mentioned in subsection (3).

---

**Status:** Point in time view as at 07/02/1994. This version of this Act contains provisions that are not valid for this point in time.

**Changes to legislation:** Pension Schemes (Northern Ireland) Act 1993 is up to date with all changes known to be in force on or before 22 May 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

---

- (5) If the payment of any part of the earner’s pension is postponed beyond the cessation date, the relevant sum is an amount equal to what would have been the weekly rate of his pension on the day after the cessation date if there had been no such postponement.

## 85 The appropriate addition. **N.I.**

- (1) For the purposes of this Chapter “appropriate addition” means—
- (a) where a scheme provides that part of an earner’s or, as the case may be, a widow’s or widower’s pension shall accrue after the cessation date by reason of the earner’s employment after that date, an amount equal to the part which has so accrued; and
  - (b) where a scheme provides that an earner’s or, as the case may be, a widow’s or widower’s pension which has accrued before that date shall be enhanced after that date if payment of the earner’s pension is postponed, the amount by which the unguaranteed element of the pension has been enhanced by reason of the postponement.
- (2) For the purposes of subsection (1)(b) the unguaranteed element of a pension is—
- (a) in the case of an earner’s pension, the excess of the pension on the day after the cessation date over the earner’s guaranteed minimum on that day; and
  - (b) in the case of the widow’s or widower’s pension, the excess of that pension on that day over one half of the earner’s guaranteed minimum on that day.

## 86 The later earnings addition. **N.I.**

- (1) For the purposes of this Chapter “the later earnings addition” means the amount (if any) by which the assumed later unguaranteed element exceeds the unguaranteed element.
- (2) In subsection (1)—
- (a) “the unguaranteed element” means the amount by which the relevant sum exceeds the earner’s guaranteed minimum on the day after his cessation date or, in the case of a widow’s or widower’s pension, one half of that minimum; and
  - (b) “the assumed later unguaranteed element” means the amount by which the relevant sum would exceed the earner’s guaranteed minimum (or, in the case of a widow’s or widower’s pension, one half of that minimum) on the assumptions mentioned in subsection (3).
- (3) The assumptions mentioned in subsection (2) are—
- (a) that the relevant sum were calculated on the basis that the weekly rate of the pension or benefit which determines that sum had been calculated by reference to the level of earnings by reference to which that rate would have been calculated if the earner’s cessation date had fallen on the earlier of—
    - (i) the earner’s commencement of payment date, or
    - (ii) the date on which the earner ceased to be in pensionable service under the scheme; and
  - (b) that the earner’s guaranteed minimum were such sum as bears the same proportion to the assumed later unguaranteed element as the guaranteed minimum mentioned in subsection (2)(a) bears to the unguaranteed element.

**87 Special provision where employment continues after it ceases to be contracted-out by reference to scheme. N.I.**

(1) If—

- (a) an earner’s employment ceases to be contracted-out by reference to an occupational pension scheme but the scheme continues to apply to it; or
- (b) an earner transfers from employment which is contracted-out by reference to an occupational pension scheme to employment to which the scheme applies but which is not contracted-out by reference to it,

the amount of any short service or other benefit which has accrued to the earner shall be computed for the purposes of section 84(1)(a)(ii) as it would be computed if he had ceased on the cessation date to be in employment to which the scheme applies.

(2) If—

- (a) a benefit under a scheme is conditional on an earner attaining a particular age or having a particular length of service; and
- (b) one of the events mentioned in subsection (1) occurs before he has fulfilled the condition; but
- (c) he continues to be in employment to which the scheme applies until he has done so,

the earner shall be treated for the purposes of the previous provisions of this Chapter as if that benefit had accrued to him.

**88 Supplementary provisions. N.I.**

(1) In making any calculation for the purposes of this Chapter—

- (a) any commutation, forfeiture or surrender of,
- (b) any charge or lien on, and
- (c) any set-off against,

the whole or part of a pension shall be disregarded.

(2) In calculating an earner’s guaranteed minimum for the purposes of this Chapter his earnings factor shall be taken to be that factor as increased, except as provided by subsection (3), by the last order under Article 23 of the <sup>M40</sup>Social Security Pensions (Northern Ireland) Order 1975 or section 130 of the <sup>M41</sup>Social Security Administration (Northern Ireland) Act 1992 to come into operation before the end of the tax year in which the cessation date falls.

(3) If an earner’s cessation date falls in the tax year in which he attains pensionable age, subsection (2) shall have effect in relation to him as if for the words from “tax year” onwards there were substituted the words “final relevant year”.

(4) In this section “final relevant year” has the same meaning as in section 12.

(5) Any reference in this Chapter to the weekly rate of a pension is to be construed, in relation to a pension payable otherwise than weekly, as a reference to the weekly sum which would be payable in respect of a pension of that amount payable weekly.

(1) Where—

- (a) a member has exercised the option conferred by section 91; and
- (b) the trustees or managers of the scheme have done what is needed to carry out what the member requires,

the trustees or managers shall be discharged from any obligation to provide benefits to which the cash equivalent related except, in such cases as are mentioned in section 92(2), to the extent that an obligation to provide such guaranteed minimum pensions or give effect to such protected rights continues to subsist.

(2) Subject to the following provisions of this section, if the trustees or managers of a scheme receive an application under section 91, they shall do what is needed to carry out what the member requires—

## 96 Withdrawal of applications. **N.I.**

- (1) Subject to subsection (2), a member of a scheme may withdraw an application under section 91 by giving the trustees or managers of the scheme notice in writing that he no longer wishes them to do what is needed to carry out what he previously required.
- (2) Such a notice shall be of no effect if it is given to the trustees or managers at a time when, in order to comply with what the member previously required, they have already entered into an agreement with a third party to use the whole or part of the member's cash equivalent in a way specified in subsection (2) or, as the case may be, subsection (3) of section 91.

## CHAPTER I **N.I.**

### PENSION CREDIT BENEFIT UNDER OCCUPATIONAL SCHEMES

#### 97A **Scope of Chapter I. N.I.**

- (1) This Chapter applies to any occupational pension scheme whose resources are derived in whole or part from—
- (a) payments to which subsection (2) applies made or to be made by one or more employers of earners to whom the scheme applies, or
  - (b) such other payments by the earner or his employer, or both, as may be prescribed for different categories of scheme.
- (2) This subsection applies to payments—
- (a) under an actual or contingent legal obligation, or
  - (b) in the exercise of a power conferred, or the discharge of a duty imposed, on a Minister of the Crown, government department or any other person, being a power or duty which extends to the disbursement or allocation of public money.

#### 97B **Interpretation. N.I.**

In this Chapter—

“scheme” means an occupational pension scheme to which this Chapter applies;

“pension credit rights” means rights to future benefits under a scheme which are attributable (directly or indirectly) to a pension credit;

“pension credit benefit”, in relation to a scheme, means the benefits payable under the scheme to or in respect of a person by virtue of rights under the scheme attributable (directly or indirectly) to a pension credit;

“normal benefit age”, in relation to a scheme, means the earliest age at which a person who has pension credit rights under the scheme is entitled to receive a pension by virtue of those rights (disregarding any scheme rule making special provision as to early payment of pension on grounds of ill-health or otherwise).

#### 97C **Basic principle as to pension credit benefit. N.I.**

- (1) Normal benefit age under a scheme must be between 60 and 65.
- (2) A scheme must not provide for payment of pension credit benefit in the form of a lump sum at any time before normal benefit age, except in such circumstances as may be prescribed.

#### 97D **Form of pension credit benefit and its alternatives. N.I.**

- (1) Subject to subsection (2) and section 97E, a person’s pension credit benefit under a scheme must be—
- (a) payable directly out of the resources of the scheme, or
  - (b) assured to him by such means as may be prescribed.

**Status:** Point in time view as at 07/02/1994. This version of this Act contains provisions that are not valid for this point in time.  
**Changes to legislation:** Pension Schemes (Northern Ireland) Act 1993 is up to date with all changes known to be in force on or before 22 May 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Subject to subsections (3) and (4), a scheme may, instead of providing a person's pension credit benefit, provide—
  - (a) for his pension credit rights under the scheme to be transferred to another occupational pension scheme or a personal pension scheme with a view to acquiring rights for him under the rules of the scheme, or
  - (b) for such alternatives to pension credit benefit as may be prescribed.
- (3) The option conferred by subsection (2)(a) is additional to any obligation imposed by Chapter II of this Part.
- (4) The alternatives specified in subsection (2)(a) and (b) may only be by way of complete or partial substitute for pension credit benefit—
  - (a) if the person entitled to the benefit consents, or
  - (b) in such other cases as may be prescribed.

**97E Discharge of liability where pension credit or alternative benefits secured by insurance policies or annuity contracts. N.I.**

- (1) A transaction to which section 15 applies discharges the trustees or managers of a scheme from their liability to provide pension credit benefit or any alternative to pension credit benefit for or in respect of a member of the scheme if and to the extent that—
  - (a) it results in pension credit benefit, or any alternative to pension credit benefit, for or in respect of the member being appropriately secured (within the meaning of that section),
  - (b) the transaction is entered into with the consent of the member or, if the member has died, of the member's widow or widower, and
  - (c) such requirements as may be prescribed are met.
- (2) Regulations may provide that subsection (1)(b) shall not apply in prescribed circumstances.

**CHAPTER II N.I.**

**TRANSFER VALUES**

**97F Power to give transfer notice. N.I.**

- (1) An eligible member of a qualifying scheme may by notice in writing require the trustees or managers of the scheme to use an amount equal to the cash equivalent of his pension credit benefit for such one or more of the authorised purposes as he may specify in the notice.
- (2) In the case of a member of an occupational pension scheme, the authorised purposes are—
  - (a) to acquire rights allowed under the rules of an occupational pension scheme, or personal pension scheme, which is an eligible scheme;
  - (b) to purchase from one or more insurance companies such as are mentioned in section 15(4)(a), chosen by the member and willing to accept payment on account of the member from the trustees or managers, one or more annuities which satisfy the prescribed requirements; and

**Status:** Point in time view as at 07/02/1994. This version of this Act contains provisions that are not valid for this point in time.

  - (a) to acquire rights allowed under the rules of an occupational pension scheme, or personal pension scheme, which is an eligible scheme; and
  - (b) in such circumstances as may be prescribed, to subscribe to other pension arrangements which satisfy prescribed requirements.
- (4) The cash equivalent for the purposes of subsection (1) shall—
  - (a) in the case of a salary related occupational pension scheme, be taken to be the amount shown in the relevant statement under section 97H, and
  - (b) in any other case, be determined by reference to the date the notice under that subsection is given.
- (5) The requirements which may be prescribed under subsection (2) or (3) include, in particular, requirements of the Inland Revenue.
- (6) In subsections (2) and (3), references to an eligible scheme are to a scheme—

- (7) In this Chapter, “transfer notice” means a notice under subsection (1).

**97G Restrictions on power to give transfer notice. N.I.**

- (1) In the case of a salary related occupational pension scheme, the power to give a transfer notice may only be exercised if—
