### Determination of basis on which scheme is contracted-out.

\[F^{54}\]

Subject to the provisions of this Part, the scheme must, in relation to the provision of pensions for earners in employed earner’s employment, and for their widows, widowers or surviving civil partners, satisfy the statutory standard.

### The statutory standard.

\[F^{55}\]

(1) Subject to the provisions of this Part, the scheme must, in relation to the provision of pensions for earners in employed earner’s employment, and for their widows, widowers or surviving civil partners, satisfy the statutory standard.

(2) Subject to regulations made by virtue of section 5(2B)(c)(ii), in applying this section regard must only be had to—

(a) earners in employed earner’s employment, or
(b) their widows, widowers or surviving civil partners, collectively, and the pensions to be provided for persons falling within paragraph (a) or (b) must be considered as a whole.

(3) For the purposes of this section, a scheme satisfies the statutory standard if the pensions to be provided for such persons are broadly equivalent to, or better than, the pensions which would be provided for such persons under a reference scheme.

(4) Regulations may provided for the manner of, and criteria for, determining whether the pensions to be provided for such persons under a scheme are broadly equivalent to, or better than, the pensions which would be provided for such persons under a reference scheme.

(5) Regulations made by virtue of subsection (4) may provide for the determination to be made in accordance with guidance prepared by a prescribed body.

(6) The pensions to be provided for such persons under a scheme are to be treated as broadly equivalent to or better than the pensions which would be provided for such persons under a reference scheme if and only if an actuary so certifies.

[F61 8B Reference scheme.](#)

(1) This section applies for the purposes of section 8A.

(2) A reference scheme is an occupational pension scheme which—

(a) complies with each of subsections (3) and (4), and

(b) complies with any prescribed requirements.

(3) In relation to earners employed in employed earner’s employment, a reference scheme is one which provides—

(a) for them to be entitled to a pension under the scheme commencing at a normal pension age of 65 and continuing for life, and

(b) for the annual rate of the pension at that age to be—

(i) 1/80th of average qualifying earning in the last three tax years preceding the end of service,
multiplied by
  (ii) the number of years service, not exceeding such number as would produce an annual rate equal to half the earnings on which it is calculated.

(4) In relation to [\[F62\] widows, widowers or surviving civil partners], a reference scheme is one which provides—

(a) for the [\[F62\] widows, widowers or surviving civil partners] of earners employed in employed earner’s employment (whether the earners die before or after attaining the age of 65) to be entitled, except in prescribed circumstances, to pensions under the scheme; and

(b) for entitlements to those pensions to commence on the day following the death of the earners, and

(c) except in prescribed circumstances, for the annual rate of those pensions to be—

(i) if the earners die on or after their normal pension age, 50 per cent. of the annual rate which a reference scheme was required to provide to the deceased earners immediately before their death, or

(ii) if the earners die before their normal pension age, 50 per cent. of the annual rate of pension which a reference scheme would have been required to provide to the deceased earners if the date of their death had been their normal pension age, and

(d) if those pensions are payable in respect of earners who die—

(i) otherwise than in pensionable service under the scheme, and

(ii) before their own entitlements to pensions under the scheme have commenced,

for those pensions to be revalued in accordance with section 80 as though they were such benefits as are mentioned in section 79(1)(a).]

(5) For the purposes of this section, an earner’s qualifying earnings in any tax year are 90 per cent. of the amount by which the earner’s earnings—

(a) exceed the qualifying earnings factor for that year; and

(b) do not exceed [\[F64\] the applicable limit].

(6) Regulations may modify subsections (2) to (5).

(7) In this section—

\[F65\] “the applicable limit” means—

(a) in relation to a tax year before [\[F66\] 2009–10], the upper earnings limit for the year multiplied by 53;

(b) in relation to [\[F66\] 2009–10] or any subsequent tax year, the upper accrual point [\[F67\] multiplied by 53];

“normal pension age”, in relation to a scheme, means the age specified in the scheme as the earliest age at which pension becomes payable under the scheme (apart from any special provision as to early retirement on grounds of ill-health or otherwise),

“qualifying earnings factor”, in relation to a tax year, has the meaning given by section 121(1) of the Social Security Contributions and Benefits (Northern Ireland) Act 1992, and

### 11 Increase of guaranteed minimum where commencement of guaranteed minimum pension postponed.

(1) Where in accordance with section 9(4) the commencement of an earner’s guaranteed minimum pension is postponed for any period and there are at least seven complete weeks in that period, his guaranteed minimum in relation to the scheme shall, for each complete week in that period, be increased by one-seventh per cent.—

(a) of the amount of that minimum apart from this subsection; or
(b) if for that week (or a period which includes that week) a pension is paid to him under the scheme at a weekly rate less than that minimum, of the difference between that pension and that minimum.

(2) In subsection (1) “week” means any period of seven consecutive days.

(3) Where an earner’s guaranteed minimum pension is increased under subsection (1), the increase of that part of it which is attributable to earnings factors for the tax year 1987-88 and earlier tax years shall be calculated separately from the increase of the rest.

(4) Where one or more orders have come into operation under section 105 during the period for which the commencement of a guaranteed minimum pension is postponed, the amount of the guaranteed minimum pension for any week in that period shall be determined as if the order or orders had come into operation before the beginning of the period.

**Reduction of guaranteed minimum in consequence of pension debit.**

(1) Where—

(a) an earner has a guaranteed minimum in relation to the pension provided by a scheme, and

(b) his right to the pension becomes subject to a pension debit,

his guaranteed minimum in relation to the scheme is, subject to subsection (2), reduced by the appropriate percentage.

(2) Where the earner is in pensionable service under the scheme on the day on which the order or provision on which the pension debit depends takes effect, his guaranteed minimum in relation to the scheme is reduced by an amount equal to the appropriate percentage of the corresponding qualifying benefit.

(3) For the purposes of subsection (2), the corresponding qualifying benefit is the guaranteed minimum taken for the purpose of calculating the cash equivalent by reference to which the amount of the pension debit is determined.

(4) For the purposes of this section, the appropriate percentage is—

(a) if the order or provision on which the pension debit depends specifies the percentage value to be transferred, that percentage;

(b) if the order or provision on which the pension debit depends specifies an amount to be transferred, the percentage which the appropriate amount for the purposes of paragraph (1) of Article 26 of the Welfare Reform and Pensions (Northern Ireland) Order 1999 (lesser of specified amount and cash equivalent of transferor’s benefits) represents of the amount mentioned in paragraph (3) (b) of that Article (cash equivalent of transferor’s benefits).]
12 Revaluation of earnings factors for purposes of s. 10: early leavers, etc.

(1) Subject to subsection (2), for the purpose of section 10(2) the earner’s earnings factor for any relevant year (so far as derived as mentioned in that section) shall be taken to be that factor as increased by the same percentage as that prescribed for the increase of that factor by the last order under Article 23 of the Social Security Pensions (Northern Ireland) Order 1975 or section 130 of the Social Security Administration (Northern Ireland) Act 1992 to come into operation before the end of the final relevant year.

(2) The scheme may provide that in a case where—

(a) an earner was, before the second abolition date, in contracted-out employment by reference to a scheme, and

(b) the earner ceases to be in pensionable service under the scheme before the final relevant year,

the earnings factors for that person shall be determined for the purposes of section 10(2) by reference to the last such order to come into operation before the end of the tax year in which the earner ceases to be in pensionable service under the scheme (“the last service tax year”).]

(3) Where a scheme provides as mentioned in subsection (2) the scheme shall provide for the weekly equivalent mentioned in section 10(2) to be increased by at least the prescribed percentage for each relevant year after the last service tax year; and the provisions included by virtue of this subsection may also conform with such additional requirements as may be prescribed]

(4) Except in such cases or classes of case as may be prescribed, the provision made by virtue of subsections (2) and (3) must be the same for all members of the scheme.

(5) In this section—

[“relevant year” means any tax year in the earner’s working life.]

[“final relevant year” means the last tax year in the earner’s working life.]
13 Minimum pensions for widows and widowers.

(1) Subject to the provisions of this Part, the scheme must provide that if the earner dies leaving a [\textsuperscript{F90}]widow, widower or surviving civil partner\] (whether before or after attaining pensionable age), the [\textsuperscript{F90}]widow, widower or surviving civil partner\] will be entitled to a guaranteed minimum pension under the scheme.

[\textsuperscript{F91}(1A) But a scheme may be amended so as to omit provision of the kind specified in subsection (1) if the conditions specified in section 20B are satisfied.]

(2) The scheme must contain a rule to the effect that—

(a) if the earner is a man [\textsuperscript{F92}, or a woman in a relevant gender change case,] who has a guaranteed minimum under section 10, the weekly rate of the widow’s pension will be not less than the widow’s guaranteed minimum;

(b) if the earner is a woman who has a guaranteed minimum under that section, the weekly rate of the widower’s pension will be not less than the widower’s guaranteed minimum.

[\textsuperscript{F93}(c) if the earner is a person who has a guaranteed minimum under that section, the weekly rate of the surviving civil partner’s pension will not be less than the surviving civil partner’s guaranteed minimum.]

[\textsuperscript{F94}(d) if the earner is a man who has a guaranteed minimum under that section, the weekly rate of the widower’s pension will not be less than the surviving same sex spouse’s guaranteed minimum;]
(3) The widow’s guaranteed minimum shall be half that of the earner.

(4) The widower’s [or surviving civil partner’s] guaranteed minimum shall be one-half of that part of the earner’s guaranteed minimum which is attributable to earnings factors for the tax year 1988-89 and subsequent tax years.

Subject to subsection (4B) the scheme must provide for the widow’s, widower’s or surviving civil partner’s pension to be payable to the widow, widower or surviving civil partner—

20B The conversion conditions

(1) This section specifies the conditions referred to in sections 9(1A) and 13(1A) (for exemption from the requirement to guarantee a minimum pension).

(2) Condition 1 is that the post-conversion benefits must be actuarially at least equivalent to the pre-conversion benefits.

Cancellation, variation, surrender and refusal of certificates

30 Cancellation, variation, surrender and refusal of certificates.

(1) Regulations shall provide for the cancellation, variation or surrender of a contracting-out certificate, or the issue of a new certificate—

(a) on any change of circumstances affecting the treatment of an employment as contracted-out employment; or

(b) where the certificate was issued on or after the principal appointed day, if any employer of persons in the description of employment to which the scheme in question relates, or the actuary of the scheme, fails to provide HMRC, at prescribed intervals, with such documents as may be prescribed for the purpose of verifying that the conditions of section 5(2B) are satisfied.

(2) Regulations may enable the Inland Revenue to cancel or vary a contracting-out certificate where—

(a) they have reason to suppose that any employment to which it relates ought not to be treated as contracted-out employment in accordance with the certificate; and

(b) the employer does not show that it ought to be so treated.

(3) Where by or by virtue of any provision of this Part the contracting-out of a scheme in relation to an employment depends on the satisfaction of a particular condition, the continued contracting-out of the scheme shall be dependent on continued satisfaction of the condition; and if the condition ceases to be satisfied, that shall be a ground (without prejudice to any other) for the cancellation or variation of the contracting-out certificate.

(4) A contracting-out certificate in respect of any employment may be withheld or cancelled by the Inland Revenue if they consider that there are circumstances which make it inexpedient that the employment should be or, as the case may be, continue to be, contracted-out employment by reference to the scheme, notwithstanding that the relevant scheme is one that would otherwise treat as proper to be contracted-out in relation to all earners in that employment.

(5) ....

(6) Without prejudice to their powers apart from this subsection, the Inland Revenue may withhold or cancel a contracting-out certificate in respect of a scheme if they consider that the rules of the scheme are such that persons over particular ages may be prevented from participating in the scheme.

(7) Without prejudice to the preceding provisions of this section, failure of a scheme to comply with any requirements prescribed by virtue of section 21(2) shall be a ground on which the Inland Revenue may, in respect of any employment to which the scheme relates, cancel a contracting-out certificate.
31 Surrender and cancellation of contracting-out certificates: issue of further certificates.

[F162(1) This section applies in any case where—

(a) a contracting-out certificate (“the first certificate”) has been surrendered by an employer or cancelled by the Board; and

(b) at any time before the end of the period of 12 months beginning with the date of the surrender or cancellation, that or any connected employer makes an election under section 7 in respect of any employment which was specified by virtue of section 3(2)(a) in the first certificate, with a view to the issue of a further contracting-out certificate.

[F174(9) A reference in this section to a contracting-out certificate does not include a reference to a contracting-out certificate issued in respect of a money purchase contracted-out scheme.]

   (b) a further contracting-out certificate (“the further certificate”) has been issued, after the surrender or cancellation of the first certificate but before the end of the period of 12 months beginning with the date of the surrender or cancellation, in respect of any employment which was specified by virtue of section 3(2)(a) in the first certificate; and

(3) The Board may, before the end of the period of 12 months beginning with the date on which the further certificate was issued, cancel that certificate.
(4) Where a contracting-out certificate is cancelled under subsection (3) the provisions of this Act and of any regulations and orders made under it shall have effect as if the certificate had never been issued.

(1) Except in prescribed cases, the rules of a scheme that was a salary related contracted-out scheme cannot be altered unless the alteration is of a prescribed description.

(2) Regulations made by virtue of subsection (1) may operate so as to validate with retrospective effect any alteration of the rules which would otherwise be void under this section.

(4) The reference in subsection (3) to a person entitled to receive benefits under a scheme includes a person who is so entitled by virtue of a qualifying relationship only in such cases as may be prescribed.

57 Deduction of contributions equivalent premium from refund of scheme contributions.

[F313](1) This section applies where—

[F341](a) an earner’s service in contracted-out employment ceases or his employment ceases to be contracted-out employment, and]

(b) he (or, by virtue of a connection with him, any other person) is entitled to a refund of any payments made by or in respect of him towards the provision of benefits under the scheme by reference to which that employment was contracted-out; and

(c) a contributions equivalent premium falls to be paid by any person in respect of him.

(2) Where this section applies, then, subject to the following provisions of this section, the person by whom the premium falls to be paid shall be entitled on paying it to recover an amount equal to so much of the premium as is attributable to any actual reductions of primary Class 1 contributions (and on paying any part of it to recover a proportionate part of that amount) from the person liable for the refund.

(3) The amount recoverable under this section shall not exceed the amount of the refund or so much of it as has not been made.

(4) Where the period taken into account in arriving at the amount mentioned in subsection (2) does not coincide with that in respect of which the refund is to be made, the sum recoverable under this section shall be determined by reference to so much of that amount and of the refund as are referable to the same period.

(5) Where the refund—
(a) is made in respect of more than one period of service, and one or more of those periods is a period of previous linked qualifying service; and
(b) includes any amount paid under a contracted-out scheme in relation to that service or in connection with a transfer of accrued rights to another scheme, the amount which may be recovered under this section shall be increased by such amount as may be prescribed.

(6) Where the person liable for the premium is himself liable for the refund, he shall be entitled to retain out of the refund the amount which he could recover under this section from another person liable for the refund.

(7) The amount of the refund shall be reduced by the amount recovered or retained under this section; and provision shall be made by regulations for requiring the making of refunds to be delayed for the purpose of enabling any right of recovery or retainer conferred by this section to be exercised, notwithstanding anything in any enactment relating to the making of the refund.

(8) Where—

(a) an earner’s service in contracted-out employment ceases or his employment ceases to be contracted-out employment,
(b) he (or, by virtue of a connection with him, any other person) is entitled to a refund of any payments made by or in respect of him under the scheme by reference to which that employment was contracted-out in relation to any previous contracted-out employment of his, being payments towards the provision of benefits under that scheme;
(c) a contributions equivalent premium falls to be paid in respect of him; and
(d) the period taken into account in arriving at the amount mentioned in subsection (2) includes the period of the previous contracted-out employment, then the person liable for that premium shall have the like right of recovery from that refund (so far as the premium is not recoverable or retainable out of a refund in respect of a later employment) as a person has under this section where the refund relates to service in the employment on the [\text{cessation}] of which the premium falls to be paid (and subsection (7) shall apply accordingly).

(9) This section shall apply in relation to such a refund as is referred to in subsection (1)(b) which becomes payable after the [\text{cessation}] of an earner’s service in contracted-out employment as it applies to such a refund becoming payable on the [\text{cessation}] of an earner’s service in such employment.

(9A) Where under section 97AH the trustees or managers of an occupational pension scheme may pay a contribution refund to a member of the scheme, the member is to be treated for the purposes of this section as being entitled to the contribution refund.

(10) Where the earner (or, by virtue of a connection with him, any other person) becomes entitled to any payment in lieu of benefit, this section shall apply in relation to the payment as if it were such a refund as is referred to in subsection (1)(b).

(11) For the purposes of subsection (10), a payment in lieu of benefit is any payment falling to be made to or for the benefit of, or in respect of, a person by virtue of his being or having been a member of an occupational pension scheme, being a payment which either—

(a) is made or to be made otherwise than out of the resources of the scheme; or
(b) is made or to be made out of those resources but by way of distribution on a winding up; or
(c) falls within such other description of payments as may be prescribed for the purposes of that subsection.

[F347 (12) In this section “prescribed” means prescribed by regulations made by the Secretary of State.]
Further provisions concerning calculations relating to premiums.

(1) The following amounts shall be certified by the Inland Revenue—

(a) ..............................................

(b) the sum of the amounts specified in section 54(4);

(c) ..............................................

(d) the amount mentioned in section 57(2).

(2) ..............................................

(3) If the Inland Revenue—

(a) ..............................................

(b) [are satisfied] that records of earnings relevant for determining the amount mentioned in section 54(4) have not been maintained or retained or are otherwise unobtainable,

then the Inland Revenue may for that purpose—

(i) compute, in such manner as [they think] fit, an amount which shall be regarded as the amount of those earnings; or

(ii) take their amount to be such sum as [they may] specify in the particular case,

(4) ..............................................

(5) For the purposes of subsection (1) the Inland Revenue may make such adjustments as [they think] necessary for avoiding fractional amounts.

### Scope of Chapter I: the preservation requirements.

1. This Chapter has effect in relation to the preservation of benefit under occupational pension schemes to which it applies.

2. In this Act "the preservation requirements" means the requirements specified in or under sections 67 to 78.

3. This Chapter applies to any occupational pension scheme whose resources are derived in whole or in part from—
   - payments made or to be made by one or more employers of earners to whom the scheme applies, being payments either—
     - under an actual or contingent legal obligation; or
     - in the exercise of a power conferred, or the discharge of a duty imposed, on a Minister of the Crown, government department or any other person, being a power or duty which extends to the disbursement or allocation of public money; or
   - such other payments by the earner or his employer, or both, as may be prescribed for different categories of scheme.

### Interpretation (Part IV).

1. In this Chapter—
“scheme” means an occupational pension scheme to which this Chapter applies;

“relevant employment”, in relation to a scheme, means any employment to which the scheme applies;

“long service benefit”, in relation to a scheme, means the benefits which will be payable under the scheme, in accordance with legal obligation, to or in respect of a member of the scheme on the assumption—

(a) that he remains in relevant employment, and

(b) that he continues to render service which qualifies him for benefits,

until he attains normal pension age; and in this definition “benefits” means—

(i) retirement benefit for the member himself at normal pension age, or

(ii) benefit for the member’s [F369 wife, husband, civil partner, widow, widower or surviving civil partner], or dependants, or others, on his attaining that age or his later death, or

(iii) both such descriptions of benefit.

(2) In this Act “pensionable service”, in relation to a scheme and a member of it, means, subject to subsection (3), service in relevant employment which qualifies the member (on the assumption that it continues for the appropriate period) for long service benefit under the scheme.

(3) There shall be taken into account as pensionable service only actual service, that is to say—

(a) service notionally attributable for any purposes of the scheme is not to be regarded as pensionable service; and

(b) no account is to be taken of scheme rules by which a period of service can be treated for any purpose as being longer or shorter than it actually is.

Textual Amendments

67 Basic principle as to short service benefit.

(1) A scheme must make such provision that where a member’s pensionable service is terminated before normal pension age and—

(a) he has at least 2 years’ qualifying service,

[F370(aa) he has at least 30 days’ qualifying service and, if he were entitled to benefit because of this paragraph, all of it would necessarily be money purchase benefit,] or

(b) a transfer payment in respect of his rights under a personal pension scheme has been made to the scheme,

he is entitled to benefit consisting of or comprising benefit of any description which would have been payable under the scheme as long service benefit, whether for himself or others, and calculated in accordance with this Chapter.
(2) The benefit to which a member is entitled under subsection (1) is referred to in this Act as “short service benefit”.

(F371) Subject to [F372subsections (4) and (5A)], short service benefit must be made payable as from an age which is no greater than—

(a) the age of 65, or

(b) if in the member’s case normal pension age is greater than 65, normal pension age.]  

(4) Short service benefit payable on or in respect of the member’s death after normal pension age must be made payable as from his death or within such time after it as long service benefit payable on or in respect of his death would be payable.

(5) In applying subsections (3) and (4), no regard is to be had to the operation of any scheme rule, taking effect at any time after termination of the member’s pensionable service, as to what is normal pension age under the scheme.

(F373) Subsection (3) does not apply in relation to a scheme under section 1 of the Public Service Pensions Act (Northern Ireland) 2014.

(6) A scheme must not provide for payment of short service benefit in the form of a lump sum at any time before normal pension age, except in such circumstances as may be prescribed.

(7) In subsection (1) “2 years’ qualifying service” means 2 years (whether a single period of that duration or two or more periods, continuous or discontinuous, totalling 2 years) in which the member was at all times employed either—

(a) in pensionable service under the scheme; or

(b) in service in employment which was contracted-out by reference to the scheme; or

(c) in linked qualifying service under another scheme.

(8) For the purposes of subsection (7), no regard shall be had to whether or not the service was of the same description in the whole of the 2 years.

(9) A period of service previously terminated is not to count towards the 2 years’ qualifying service unless it counts towards qualification for long service benefit, and need then count only to the same extent and in the same way.

(F374) Subsections (7) to (9) apply, with the substitution for references to 2 years of references to 30 days, for determining whether a person has at least 30 days' qualifying service for the purposes of subsection (1).

(11) Subsection (1)(aa) does not apply in relation to a person's membership of a scheme if any period of relevant service began before the day on which section 35 of the Pensions Act (Northern Ireland) 2015 came into operation (whether or not it also ended before that date).

“Relevant service” means service that counts towards the 30 days' qualifying service for the purposes of subsection (1).]
No discrimination between short service and long service beneficiaries.

(1) A scheme must not contain any rule which results, or can result, in a member being treated less favourably for any purpose relating to short service benefit than he is, or is entitled to be, treated for the corresponding purpose relating to long service benefit.

(2) Subsection (1) does not apply to any rule in its application to members whose pensionable service terminated before the rule came into force, unless the rule—

(a) was made after the termination of a member’s pensionable service; and

(b) results, or is capable of resulting, in any treatment less favourable for him than that to which he would have been entitled but for the rule.

(3) Subsection (1) does not apply to a rule which merely confers discretion on the scheme’s trustees or managers, or others, so long as it is not a rule requiring the discretion to be exercised in any discriminatory manner against members in respect of their short service benefit.

[F374 (4) This section is subject to subsections (3) and (6) of section 67 (age at which short service benefit is to be payable).]

Form of short service benefit and its alternatives.

(1) Subject to subsection (2) and section 77, a member’s short service benefit must be—

(a) payable directly out of the resources of the scheme; or

(b) assured to him by such means as may be prescribed.

(2) Subject to subsections (3) to (5), a scheme may, instead of providing short service benefit, provide—

(a) for the member’s accrued rights (including any transfer credits allowed under the scheme)—

(i) to be transferred to another occupational pension scheme with a view to acquiring transfer credits for the member under the other scheme, or
(ii) to be transferred to a personal pension scheme \textsuperscript{F376} . . . with a view to acquiring rights for the member under the rules of the scheme \textsuperscript{F377} . . . ;

or

(b) for such alternatives to short service benefit as may be prescribed.

(3) The option conferred by subsection (2)(a) is additional to any obligation imposed by \textsuperscript{F378} Chapter 1 of Part 4ZA.

(4) The alternatives specified in subsection (2)(a) and (b) may only be by way of complete or partial substitute for short service benefit—

(a) if the member consents; or

(b) in such other cases as may be prescribed.

(5) An alternative prescribed under subsection (2)(b) may only include payment by way of return of contributions—

(a) if they relate to a period of service before 6th April 1975; or

(b) if there has been such a payment relating to a period of service before that date and the contributions relate to a period of service of less than 5 years after that date.

\textbf{Modifications etc. (not altering text)}

\section{70 Computation of short service benefit.}

(1) Subject to the provisions of this section, a scheme must provide for short service benefit to be computed on the same basis as long service benefit.

(2) For that purpose, no account is to be taken of any rule making it (directly or indirectly) a condition of entitlement to benefit that pensionable service shall have been of any minimum duration.

(3) Subsection (1) does not apply to so much of any benefit as accrues at a higher rate, or otherwise more favourably, in the case—

(a) of members with a period of pensionable service of some specified minimum length, or

(b) of members remaining in pensionable service up to some specified minimum age.
(4) Subsection (1) does not apply to so much of any benefit as is of an amount or at a rate unrelated to length of pensionable service or to the number or amount of contributions paid by or for the member.

(5) Regulations may provide that subsection (1) shall not apply to any category of schemes or members, or description of benefit.

(6) So far as any short service benefit is not required to be computed in accordance with subsection (1), it must be computed on the basis of uniform accrual, so that at the time when pensionable service is terminated, it bears the same proportion to long service benefit as the period of that service bears to the period from the beginning of that service to the time when the member would attain normal pension age or such lower age as may be prescribed.

(7) Where long service benefit is related to a member’s earnings at, or in a specified period before, the time when he attains normal pension age, short service benefit must be related, in a corresponding manner, to his earnings at, or in the same period before, the time when his pensionable service is terminated.

(8) A scheme must comply with any regulations relating to the basis of computation of short service benefit, including regulations providing for the avoidance of fractional amounts and otherwise to facilitate computation.

71 Credits.

(1) In this section—

“supplementary credits”, in relation to a scheme and a member’s entitlement to its benefits, means any increase of benefit or additional benefit to which the member may become entitled—

(a) in consequence of any provision made by or under the scheme after he becomes a member of it (to the extent that it applies to any previous pensionable service of his); or

(b) by reference to previous service of his (whether or not pensionable service); or

(c) in such other circumstances as may be prescribed,

including under paragraph (b) any transfer credits;

“purchased credits” means supplementary credits for which, under the rules of the scheme, a member may or must make a payment in whole or in part (whether by means of additional contributions, or of deduction from benefit, or otherwise, and whether separately for each credit or by one or more payments for one or more credits);

“bonus credits” means supplementary credits other than purchased credits or transfer credits.

(2) Subject to subsections (3) to (7), if a scheme provides for long service benefit to include supplementary credits, it must—

(a) provide for such credits to be included in short service benefit, and

(b) provide for all credits to be so included.

(3) Where purchased credits have not been paid for in full at or before termination of pensionable service, the short service benefit must include the appropriate proportion of the credits.
(4) In subsection (3) “the appropriate proportion of the credits” means—
   (a) if they were to be paid for by a fixed amount, the same proportion as the amount paid bears to the full amount payable; and
   (b) otherwise, the same proportion as the period between the time when the first payment became due and the termination of the member’s pensionable service bears to the whole period over which payment was to be made.

(5) If the benefit includes bonus credits, or credits for which payment is to be made by deduction from that or another benefit, the credits to be included in the benefit and (where applicable) the amount of the deduction must be computed on the assumption—
   (a) that the credits accrue in full only to a member remaining in pensionable service until normal pension age; and
   (b) that the amount of any such credit, and also of any relevant deduction, accrues at a uniform rate from the time when the credit was awarded up to the time of his attaining that age.

(6) Where any such deduction is a percentage of benefit, the percentage must be the same for short service as for long service benefit.

(7) A scheme must comply with any regulations made with respect to the manner in which supplementary credits are to be included in short service benefit, including regulations providing for the avoidance of fractional amounts and otherwise to facilitate computation.

**Modifications etc. (not altering text)**

---

72 Pension increases.

(1) A scheme which by its rules provides for increases of long service benefit from time to time (whether by way of upwards revaluation or otherwise) must provide for corresponding increases of short service benefit in the case of members whose pensionable service terminates at any time after the coming into force of any such rule.

(2) Where the provision for increasing long service benefit involves the exercise of a discretion, a corresponding discretion must be conferred in relation to short service benefit.

(3) If an increase of long service benefit is to take effect at a specified time after termination of service, the corresponding increase of short service benefit must take effect at the same time after the time when short service benefit becomes payable.

(4) Where provision is made for increase of long service benefit otherwise than at a fixed rate, short service benefit may nevertheless be subject to increase at a fixed rate, if the rate is at least 3 per cent. a year compound.
77 Discharge of liability where short service or alternative benefits secured by insurance policies or annuity contracts.

A transaction to which section 15 applies discharges the trustees or managers of an occupational pension scheme from their liability to provide for or in respect of any person short service benefit or any alternative to short service benefit—

(a) if it is carried out not earlier than the time when that person’s pensionable service terminates; and

(b) if and to the extent that it results in short service benefit or any alternative to short service benefit for or in respect of that person being appropriately secured (within the meaning of that section); and

(c) if and to the extent that the requirements set out in paragraph (a) or (c) of section 15(5) are satisfied.

78 Supplementary regulations.

(1) Regulations may provide that a scheme is not to be treated as conforming with the preservation requirements unless it contains express rules to the effect (but not necessarily in the words) of any specified provision contained in sections 67 to [F383-72].
(2) Regulations may make provision as to the circumstances in which, for the purposes of sections 66 to [F38372]—
   (a) a period of a person’s service in two or more different employments is to be treated as a period of service in one or more of those employments; or
   (b) a person’s service in any employment is to be treated as terminated or not terminated.

79 Scope of Chapter II.

(1) This Chapter applies for the purpose of revaluing—
   (a) [F384relevant] benefits payable to or in respect of a member of an occupational pension scheme where—
      (i) his pensionable service ends on or after 1st January 1986;
      (ii) on the date on which his pensionable service ends (in this Chapter referred to as “the termination date”) he has accrued rights to benefit under the scheme;
      (iii) the period beginning with the day after the termination date and ending with the date on which he attains normal pension age (in this Chapter referred to as “the pre-pension period”) is at least 365 days; and
      (iv) in the case of benefit payable to any other person in respect of the member, the member dies after attaining normal pension age; and
   (b) [F384relevant] benefits payable to or in respect of a member of a personal pension scheme—
(i) in respect of whom contributions to the scheme have ceased to be paid; and
(ii) who has accrued rights to benefit under the scheme.

(1A) The following are relevant benefits for the purposes of subsection (1)—
(a) any benefits payable otherwise than by virtue of rights which are attributable
   (directly or indirectly) to a pension credit, and
(b) in the case of a salary related occupational pension scheme, any benefits
   payable by virtue of such rights, to the extent that the rights involve the
   member being credited by the scheme with notional pensionable service.]

(1B) The reference in subsection (1)(a)(iii) to normal pension age is to be read, in relation
   to a person who is an active or deferred member of a scheme under section 1 or
   section 32(7) of the Public Service Pensions Act (Northern Ireland) 2014, as—
   (a) the member's normal pension age within the meaning of that Act, or
   (b) the member's deferred pension age within the meaning of that Act, if that is
   later.

In this subsection “active member” and “deferred member”, in relation to such a scheme, have the meanings given by Article 121(1) of the Pensions (Northern Ireland) Order 1995.

(2) In calculating 365 days for the purpose of subsection (1)(a)(iii), any day which is 29th
   February shall be disregarded.

(3) In subsection (1)(b)—
   (a) the reference to a personal pension scheme does not include a scheme which
       is comprised in an annuity contract made before 4th January 1988; and
   (b) the reference to contributions includes any minimum contributions.

(4) For the purposes of this section, an occupational pension scheme is salary related if—
   (a) it is not a money purchase scheme, and
   (b) it does not fall within a prescribed class.]

Basis of revaluation.

(1) [Subject to subsections (2) to (3B),] in the case of such benefits as are mentioned
   in section 79(1)(a), any pension or other retirement benefit payable under the scheme
   in question to the member and any pension or other benefit payable under it to any
   other person in respect of him, is to be revalued by the final salary method.
(2) If—

(a) any such benefit is an average salary benefit or flat rate benefit; and

(b) it appears to the trustees or managers of the scheme under which it is payable that it is appropriate to revalue the benefit by the average salary method or, as the case may be, the flat rate method,

then the benefit shall be revalued using that method.

(3) If any benefit such as is mentioned in paragraph (a) of section 79(1) is a money purchase benefit, and in the case of such benefit as is mentioned in paragraph (b) of that section, the benefit shall be revalued using the money purchase method.

(3A) If—

(a) any such benefit as is mentioned in section 79(1)(a) is a cash balance benefit in respect of which the available sum is not calculated by reference to final salary;

(b) the benefit is attributable to periods of pensionable service falling on or after the day on which section 27 of the Pensions Act (Northern Ireland) 2012 (definition of money purchase benefits) comes into operation; and

(c) it appears to the trustees or managers of the scheme under which it is payable that it is appropriate to revalue the benefit by the cash balance method,

then the benefit shall be revalued using that method.

(3B) Where a cash balance benefit in respect of which the available sum is not calculated by reference to final salary—

(a) is attributable to periods of pensionable service falling partly before and partly on or after the day on which section 27 of the Pensions Act (Northern Ireland) 2012 comes into operation; and

(b) it appears to the trustees or managers of the scheme under which it is payable that it is appropriate to revalue so much of the benefit as is attributable to the member’s pensionable service falling on or after that day by the cash balance method,

then so much of the benefit as is attributable to the member’s pensionable service falling on or after that day shall be revalued using that method.

(4) In this section—

“average salary benefit” means benefit the rate or amount of which is calculated by reference to the average salary of a member over the period of service on which the benefit is based;

“cash balance benefit” has the meaning given by regulation 2 of the Pensions (2012 Act) (Transitional, Consequential and Supplementary Provisions) Regulations (Northern Ireland) 2014;

“final salary”, in relation to a member to or in respect of whom benefits under a pension scheme are payable, means the member’s pensionable earnings, or highest, average or representative pensionable earnings, in a specified period ending at, or defined by reference to, the time when the member’s pensionable service in relation to that scheme ends;

“flat rate benefit” means any benefit the rate or amount of which is calculated by reference solely to the member’s length of service;

“average salary method”, “cash balance method”, “flat rate method” and “money purchase method” have the meanings given in Schedule 2.
(5) The fact that a scheme provides for the amount of the pension or other benefit for a member or for any other person in respect of him to be increased during the pre-pension period—

(a) by the percentages specified during that period under section 132 of the Social Security Administration (Northern Ireland) Act 1992; or

(b) under any arrangement which maintains the value of the pension or other benefit by reference to the rise in the general level of prices during that period,

does not in itself result in conflict with this section, if the increase falls to be determined by reference to an amount from which the guaranteed minimum for a member or a widow, widower, surviving same sex spouse or surviving civil partner has not been deducted.

CHAPTER III

PROTECTION OF INCREASES IN GUARANTEED MINIMUM PENSIONS (“ANTI-FRANKING”)
83 General protection principle.

(1) This subsection applies where—
   (a) there is an interval between—
      (i) the date ("the cessation date") which is the earlier of—
         (a) the date on which an earner ceases to be in pensionable service under a scheme that was, before the second abolition date, a salary related contracted-out scheme; and
         (b) the date on which the earner attains pensionable age;
      (ii) the date on which his guaranteed minimum pension under that scheme commences ("the commencement of payment date");
   (b) the relevant sum exceeds his guaranteed minimum on the day after the cessation date; and
   (c) on the commencement of payment date or at any time after it his guaranteed minimum pension under the scheme exceeds the amount of his guaranteed minimum under it on the day after the cessation date.

(2) This subsection applies where—
   (a) there is an interval between the earner’s cessation date and whichever of the following is the earlier—
      (i) the date of his death; or
      (ii) his commencement of payment date; and
   (b) the relevant sum exceeds one half of the earner’s guaranteed minimum on the day after the cessation date; and
   (c) at any time when a pension under the occupational pension scheme is required to be paid to the earner’s widow, widower or surviving civil partner, the widow’s, widower’s or surviving civil partner’s (as the case may be) guaranteed minimum pension under the scheme exceeds one half of the earner’s guaranteed minimum on the day after the cessation date.

(3) Where subsection (1) or (2) applies, the weekly rate of the pension payable to the member at any time when that pension is required to be paid or, as the case may be, payable to the widow, widower or surviving civil partner at any such time as is mentioned in subsection (2)(c) shall be an amount not less—
   (a) in a case where by virtue of section 69(2)(b) a pension is provided by way of complete substitute for short service benefit or, as the case may be, for widow's, widower’s or surviving civil partner's pension, than the weekly rate of that pension; and
   (b) in any other case, than the relevant aggregate.

(4) In subsection (3) “the relevant aggregate” means the aggregate of the following—
   (a) the relevant sum;
   (b) the excess mentioned in subsection (1)(c) or, as the case may be, subsection (2)(c);
   (c) any amount which is an appropriate addition at the time in question; and
   (d) where the scheme provides that part of the earner’s or, as the case may be, the widow’s, widower’s or surviving civil partner's pension shall accrue
after the cessation date by reason of the earner’s employment after that date, the later earnings addition.

(5) To the extent that amounts attributable to transfer credits have accrued by reason of any transfer before 1st January 1985, they are to be disregarded for the purposes of subsections (1)(c), (2)(c) and (4)(b).

(6) Nothing in this section shall be construed as entitling an earner who has not reached normal pension age to any portion of a pension under a scheme to which he would not otherwise be entitled.

(7) This section does not apply to a pension to which a person is entitled in respect of employment if—

(a) the earner left the employment or left it for the last time before 1st January 1985; or

(b) the employment ceased, or ceased for the last time, to be contracted-out in relation to him before that date.

**84 The relevant sum.**

(1) For the purposes of this Chapter “the relevant sum” means—

(a) in a case where subsection (1) of section 83 applies—

(i) if the earner reaches normal pension age on or before the cessation date, an amount equal to the weekly rate of his pension on the day after the cessation date; and

(ii) if he reaches normal pension age after the cessation date, an amount equal to the weekly rate of any short service benefit which has accrued to him on the cessation date or, where no such benefit has then accrued, any other benefit to which this sub-paragraph applies and which has then accrued to him; and

(b) in a case where subsection (2) of that section applies, an amount equal to the weekly rate at which, on the prescribed assumptions, a pension would have begun to be paid to the widow, widower or surviving civil partner.
if that person had satisfied the conditions for entitlement to a pension which are specified in the scheme.

(2) Paragraph (a) of subsection (1) has effect subject to subsection (5) and to sections 83(5) and 87(1), and paragraph (b) of subsection (1) has effect subject to section 83(5).

(3) The benefit other than short service benefit to which subsection (1)(a)(ii) applies is benefit—
   (a) which would have been provided as either the whole or part of the earner’s short service benefit; or
   (b) of which the earner’s short service benefit would have formed part, if section 67(1)(a) had effect with the substitution of a reference to the service which the earner had on the cessation date for the reference to 2 years’ qualifying service.

(4) Any such benefit is only to be included in the relevant sum to the extent that it does not exceed the amount which the scheme would have had to provide as short service benefit if section 67(1) had effect as mentioned in subsection (3).

(5) If the payment of any part of the earner’s pension is postponed beyond the cessation date, the relevant sum is an amount equal to what would have been the weekly rate of his pension on the day after the cessation date if there had been no such postponement.

### Textual Amendments

### 85 The appropriate addition.

(1) For the purposes of this Chapter “appropriate addition” means—
   (a) where a scheme provides that part of an earner’s or, as the case may be, a widow’s, widower’s or surviving civil partner’s pension shall accrue after the cessation date by reason of the earner’s employment after that date, an amount equal to the part which has so accrued; and
   (b) where a scheme provides that an earner’s or, as the case may be, a widow’s, widower’s or surviving civil partner’s pension which has accrued before that date shall be enhanced after that date if payment of the earner’s pension is postponed, the amount by which the unguaranteed element of the pension has been enhanced by reason of the postponement.

(2) For the purposes of subsection (1)(b) the unguaranteed element of a pension is—
   (a) in the case of an earner’s pension, the excess of the pension on the day after the cessation date over the earner’s guaranteed minimum on that day; and
   (b) in the case of the widow’s, widower’s or surviving civil partner’s pension, the excess of that pension on that day over one half of the earner’s guaranteed minimum on that day.
86 The later earnings addition.

(1) For the purposes of this Chapter “the later earnings addition” means the amount (if any) by which the assumed later unguaranteed element exceeds the unguaranteed element.

(2) In subsection (1)—

(a) “the unguaranteed element” means the amount by which the relevant sum exceeds the earner’s guaranteed minimum on the day after his cessation date or, in the case of a widow’s, widower’s or surviving civil partner’s pension, one half of that minimum; and

(b) “the assumed later unguaranteed element” means the amount by which the relevant sum would exceed the earner’s guaranteed minimum (or, in the case of a widow’s, widower’s or surviving civil partner’s pension, one half of that minimum) on the assumptions mentioned in subsection (3).

(3) The assumptions mentioned in subsection (2) are—

(a) that the relevant sum were calculated on the basis that the weekly rate of the pension or benefit which determines that sum had been calculated by reference to the level of earnings by reference to which that rate would have been calculated if the earner’s cessation date had fallen on the earlier of—

(i) the earner’s commencement of payment date, or

(ii) the date on which the earner ceased to be in pensionable service under the scheme; and

(b) that the earner’s guaranteed minimum were such sum as bears the same proportion to the assumed later unguaranteed element as the guaranteed minimum mentioned in subsection (2)(a) bears to the unguaranteed element.

87 Special provision where employment continues after it ceases to be contracted-out by reference to scheme.

(1) If—

(a) an earner’s employment ceases to be contracted-out by reference to an occupational pension scheme but the scheme continues to apply to it; or
(b) an earner transfers from employment which is contracted-out by reference to an occupational pension scheme to employment to which the scheme applies but which is not contracted-out by reference to it, the amount of any short service or other benefit which has accrued to the earner shall be computed for the purposes of section 84(1)(a)(ii) as it would be computed if he had ceased on the cessation date to be in employment to which the scheme applies.

(2) If—

(a) a benefit under a scheme is conditional on an earner attaining a particular age or having a particular length of service; and

(b) one of the events mentioned in subsection (1) occurs before he has fulfilled the condition; but

(c) he continues to be in employment to which the scheme applies until he has done so,

the earner shall be treated for the purposes of the previous provisions of this Chapter as if that benefit had accrued to him.

88 Supplementary provisions.

(1) In making any calculation for the purposes of this Chapter—

(a) any commutation, forfeiture or surrender of,

(b) any charge or lien on, and

(c) any set-off against,

the whole or part of a pension shall be disregarded.

(2) In calculating an earner’s guaranteed minimum for the purposes of this Chapter his earnings factor shall be taken to be that factor as increased, except as provided by subsection (3), by the last order under Article 23 of the Social Security Pensions (Northern Ireland) Order 1975 or section 130 of the Social Security Administration (Northern Ireland) Act 1992 to come into operation before the end of the tax year in which the cessation date falls.

(3) If an earner’s cessation date falls in the tax year in which he attains pensionable age, subsection (2) shall have effect in relation to him as if for the words from “tax year” onwards there were substituted the words “final relevant year”.

(4) In this section “final relevant year” has the same meaning as in section 12.

(5) Any reference in this Chapter to the weekly rate of a pension is to be construed, in relation to a pension payable otherwise than weekly, as a reference to the weekly sum which would be payable in respect of a pension of that amount payable weekly.
PART 4ZA

TRANSFERS AND CONTRIBUTION REFUNDS

Scope of Chapter 1

(1) This Chapter applies to a member of a pension scheme if all of the following conditions are met.

(2) Condition 1 is that the member has accrued rights to any category of benefits under the scheme rules.

(3) Condition 2 is that no crystallisation event has occurred in relation to the member’s accrued rights to benefits in that category (see subsection (7)).
(4) Condition 3 is that—
   (a) the member is no longer accruing rights to benefits in that category (see subsection (8)), and
   (b) in the case of benefits that are not flexible benefits, the member stopped accruing those rights at least one year before normal pension age.

(5) But this Chapter does not apply to—
   (a) a member of a salary related occupational pension scheme whose pensionable service terminated before 1 January 1986 and in respect of whom prescribed requirements are satisfied;
   (b) a member of a personal pension scheme which is comprised in an annuity contract made before 4 January 1988.

(6) In this Chapter a reference to a “category” of benefits is to one of the following three categories—
   (a) money purchase benefits;
   (b) flexible benefits other than money purchase benefits;
   (c) benefits that are not flexible benefits.

(7) For the purposes of Condition 2 a crystallisation event occurs in relation to a member’s accrued rights to benefits in a category when—
   (a) payment of a pension in respect of any of the benefits has begun,
   (b) in the case of money purchase benefits, sums or assets held for the purpose of providing any of the benefits are designated as available for the payment of drawdown pension (as defined by paragraph 4 of Schedule 28 to the Finance Act 2004), or
   (c) in the case of a personal pension scheme, sums or assets held for the purpose of providing any of the benefits are applied for purchasing an annuity or insurance policy.

(8) For the purposes of Condition 3 a member stops accruing rights to a category of benefits when there are no longer arrangements in place for the accrual of rights to benefits in that category for or in respect of the member.

(9) In this section a reference to accrued rights does not include pension credit rights.

(10) Regulations may—
   (a) provide for this Chapter not to apply in relation to a person of a prescribed description;
   (b) provide for this Chapter not to apply in prescribed circumstances in relation to a member of a prescribed scheme or schemes of a prescribed description;
   (c) modify the application of this Chapter in relation to a member who has accrued rights to benefits of a prescribed description.

(11) In the following provisions of this Chapter—
   (a) a reference to a “member” of a pension scheme is a reference to a member to whom this Chapter applies, and
   (b) a reference to a member’s “transferrable rights” are to any rights in relation to a category of benefits by virtue of which this Chapter applies to the member.
89A  **Right to statement of entitlement: benefits other than money purchase**

(1) The trustees or managers of a pension scheme must, on the application of any member, provide the member with a statement of entitlement in respect of the member's transferrable rights in relation to categories of benefits other than money purchase benefits.

(2) In the case of a member with transferrable rights in relation to two categories of benefits other than money purchase benefits, the application may relate to transferrable rights in relation to either or both of those categories.

(3) For the purposes of this Chapter a member's “statement of entitlement” is a written statement of the amount of the cash equivalent at the guarantee date of the transferrable rights to which the application under subsection (1) relates.

(4) In this Chapter “the guarantee date” means the date by reference to which the value of the cash equivalent is calculated, and must be—
   (a) within the prescribed period beginning with the date of the application, and
   (b) within the prescribed period ending with the date on which the statement of entitlement is provided to the member.

(5) Regulations may make provision in relation to applications under this section and may, in particular, restrict the making of successive applications.

(6) If the trustees or managers of a pension scheme fail to comply with subsection (1), Article 10 of the Pensions (Northern Ireland) Order 1995 (civil penalties) applies to any trustee or manager who has failed to take all reasonable steps to secure compliance.

---

90  **Right to cash equivalent**

(1) A member of a pension scheme who has received a statement of entitlement under section 89A acquires a right to take the cash equivalent shown in that statement in accordance with this Chapter.

(2) A member of a pension scheme who has transferrable rights in relation to money purchase benefits acquires a right to take their cash equivalent in accordance with this Chapter.[
91 Ways of taking right to cash equivalent.

(1) A member of a pension scheme who has acquired a right to take a cash equivalent in accordance with this Chapter may only take it by making an application in writing to the trustees or managers of the scheme requiring them to use the cash equivalent in one of the ways specified below.

(1A) In the case of a right acquired under section 90(1), the application must be made—

(a) within the period of 3 months beginning with the guarantee date shown in the relevant statement of entitlement, and

(b) if the cash equivalent relates to benefits that are not flexible benefits, by no later than the date that falls one year before the member attains normal pension age.

(2) In the case of a member of an occupational pension scheme that is not an unfunded public service defined benefits scheme, the ways referred to in subsection (1) are—

(a) for acquiring transfer credits allowed under the rules of another occupational pension scheme—

(i) the trustees or managers of which are able and willing to accept payment in respect of the member’s transferrable rights, and

(ii) which satisfies prescribed requirements;

(b) for acquiring rights allowed under the rules of a personal pension scheme—

### Further provisions concerning exercise of option under s. 91.

[[F427](1)] A member who has acquired a right to take a cash equivalent under section 90(1) or (2) may exercise the option conferred by section 91(1) in relation to different portions of that cash equivalent in different ways, but a member who exercises that option must do so—

(a) in relation to the whole of that cash equivalent, or

(b) if subsection (2) applies, in relation to the whole of the balance mentioned in subsection (3).]
(2) This subsection applies where—
   
   (a) the trustees or managers—
       
       (i) of an occupational pension scheme, or

       (ii) of a personal pension scheme, 

       (iii) are able or willing to accept a transfer payment only in respect of a member’s rights other than his transferrable rights to guaranteed minimum pensions, his accrued rights so far as attributable to service in contracted-out employment on or after the principal appointed day; and

   (b) the member has not required the trustees or managers of the scheme from which he is being transferred to use the portion of his cash equivalent which represents those transferrable rights in any of the ways specified in subsection (2) or, as the case may be, subsection (3) of section 91.

(3) Where subsection (2) applies this section and sections 90, 91 and 93 are to be construed as conferring on the member an option only in respect of the balance of the cash equivalent to which the member would otherwise be entitled, after deduction of an amount sufficient for the trustees or managers of the scheme from which he is being transferred to meet their liability—

   (a) in the case of a transfer from an occupational pension scheme, in respect of the member’s and the member’s widow’s, widower’s or surviving civil partner’s (as the case may be) pensions, being guaranteed minimum pensions or pensions so far as attributable to service in contracted-out employment on or after the principal appointed day; and

   (b) . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . . .

(4) Where a member of a pension scheme—

   (a) is entitled to make an application under section 91(1) in relation to any category of benefits, and

   (b) is also entitled to give a transfer notice under section 97F(1) to the trustees or managers of the scheme in relation to benefits in the same category (or would be entitled to do so but for section 97G(2)),

the member may not, if the scheme so provides, make an application under section 91(1) in relation to that category of benefits without also giving a transfer notice under section 97F(1) in relation to that category of benefits.]
93 Calculation of cash equivalents.

(1) Cash equivalents are to be calculated and verified [F441—

(a) in the prescribed manner[F442], and

(b) where a designation has been made under section 93A, in accordance with

[Regulations under section 93B.]]

[F443]Where a member applies under section 91 to take a cash equivalent that relates to money purchase benefits, the cash equivalent is to be calculated by reference to the date of the application.]

(2) Regulations may provide—

(a) that in calculating cash equivalents [F444] that relate to money purchase benefits [F445] account shall be taken—

(i) of any surrender, commutation or forfeiture of the whole or part of a member’s pension which occurs before the trustees or managers of the scheme of which he is a member do what is needed to comply with what he requires under section 91;

(ii) in a case where subsection (2) of section 92 applies, of the need to deduct an appropriate amount to provide for the liabilities mentioned in subsection (3) of that section;

[F446] for a cash equivalent [F444] that relates to any category of benefits [F447] to be reduced so as to take account of the extent (if any) to which an entitlement has arisen under the scheme to the present payment of the whole or any part of—

(i) any pension; or

(ii) any benefit in lieu of pension; and]
(b) that in prescribed circumstances a cash equivalent shall be increased or reduced.

(3) Without prejudice to the generality of subsection (2), the circumstances that may be specified by virtue of paragraph (b) of that subsection include—

(a) .................

(b) failure by the trustees or managers of the scheme to do what is needed to carry out what a member of the scheme requires within 6 months of the appropriate date]

(c) the state of the funding of the scheme.

(3A) For the purposes of subsection (3), the “appropriate date”—

(a) in relation to a cash equivalent that relates to benefits other than money purchase benefits, means the guarantee date for the purposes of the relevant statement of entitlement under section 89A, and

(b) in relation to a cash equivalent that relates to money purchase benefits, means the date on which the trustees or managers receive an application from the member under section 91.

(3B) Where regulations under subsection (2)(b) provide for the cash equivalent shown in a statement of entitlement to be increased or reduced after the member has made an application under section 91, the regulations may provide for the application under section 91 to lapse (but this does not prevent the member making a fresh application in respect of the increased or reduced cash equivalent).]

(4) Regulations under subsection (2) may specify as the amount by which a cash equivalent is to be reduced such an amount that a member has no right to receive anything.

(b) direct payment arrangements exist between the employee and his employer.

(2) In this section “direct payment arrangements” means arrangements under which contributions fall to be paid by or on behalf of the employer towards the scheme—

(a) on the employer’s own account (but in respect of the employee); or

(b) on behalf of the employee out of deductions from the employee’s earnings.

(3) The trustees or managers of the scheme must monitor the payment of contributions by or on behalf of the employer under the direct payment arrangements.

(4) The trustees or managers may request the employer to provide them, (or arrange for them to be provided) with the payment information specified in the request.

(5) For the purposes of subsection (4) “payment information” is information required by the trustees or managers to enable them to discharge the duty imposed by subsection (3).

(6) The employer must comply with a request under subsection (4) within a reasonable period.

(7) Where, as a result of the employer’s failure to so comply, the trustees or managers are unable to discharge the duty imposed by subsection (3), they must give notice to that effect to the Regulatory Authority within a reasonable period.

(7A) Where—

(a) a contribution payable under the direct payment arrangements has not been paid on or before its due date, and

(b) the trustees or managers have reasonable cause to believe that the failure to pay the contribution is likely to be of material significance in the exercise by the Regulatory Authority of any of their functions,
they must give notice to that effect to the Regulatory Authority and the employee within a reasonable period after the due date.

(8) If—

(a) the employer fails to take all such steps as are reasonable to secure compliance with [F521 subsection (6) and as a result the trustees or managers of the scheme are unable to discharge the duty imposed by subsection (3)], or

(b) a contribution payable under the direct payment arrangements is not paid to the trustees or managers of the scheme on or before its due date,

Article 10 of the Pensions (Northern Ireland) Order 1995 (power of the Regulatory Authority to impose civil penalties) applies to the employer.

(9) If [F522 subsection (7) or (7A)] is not complied with, Article 10 of the Pensions (Northern Ireland) Order 1995 applies to any trustee or manager of the scheme who has failed to take all such steps as are reasonable to secure compliance.

(10) .................................................................

(11) A person shall not be required by virtue of subsection (8)(b) to pay a penalty under Article 10 of the Pensions (Northern Ireland) Order 1995 in respect of a failure if in respect of that failure he has been—

(a) required to pay a penalty under that Article by virtue of Article 5(7) of the Welfare Reform and Pensions (Northern Ireland) Order 1999 (failures in respect of stakeholder pensions), or

(b) convicted of an offence under subsection (12).

(12) A person is guilty of an offence if he is knowingly concerned in the fraudulent evasion of the direct payment arrangements so far as they are arrangements for the payment by him or any other person of any such contribution towards the scheme as is mentioned in subsection (2)(b).

(13) A person guilty of an offence under subsection (12) is liable—

(a) on summary conviction, to a fine not exceeding the statutory maximum; and

(b) on conviction on indictment, to imprisonment for a term not exceeding seven years or a fine or both.

(15) In this section “due date”, in relation to a contribution payable under the direct payment arrangements, means—

(a) if the contribution falls to be paid on the employer’s own account, the latest day under the arrangements for paying it;

(b) if the contribution falls to be paid on behalf of the employee, the last day of a prescribed period.

(16) Regulations may provide for this section to apply with such modifications as may be prescribed in a case where—

(a) the direct payment arrangements give effect to a requirement arising under paragraph (5) of Article 5 of the Welfare Reform and Pensions (Northern Ireland) Order 1999 (deduction and payment of employee’s contributions to stakeholder scheme), and
(b) in accordance with regulations under that paragraph, that requirement is for the employer to pay contributions to a person prescribed by such regulations (instead of to the trustees or managers of the scheme).

(b) provision as to the contents of any application for the exercise of such a power and as to the form and manner in which, and the time within which, any such application must be made.

(4) The regulations shall make provision for referring to an industrial tribunal any question whether an organisation is such a trade union as is mentioned in subsection (2)(d).

(5) The Department must make regulations under subsection (1) requiring information about some or all of the transaction costs of a relevant scheme to be given to some or all of the persons mentioned in subsection (2).

(8) “Other relevant information” means other information which would or may assist in making comparisons between those costs or charges and costs or charges in relation to other schemes.

(9) In this section—

“administration charge” has the meaning given by paragraph 1(5) of Schedule 18 to the Pensions Act (Northern Ireland) 2015;

“relevant scheme” means a money purchase scheme that is an occupational pension scheme.

CHAPTER II

Interpretation of Chapter II.

(1) For the purposes of this Chapter, an employer shall be taken to be insolvent if, but only if, in Northern Ireland—
   (a) he has been adjudged bankrupt or has made a composition or arrangement with his creditors;
   (b) he has died and his estate falls to be administered in accordance with an order under Article 365 of the Insolvency (Northern Ireland) Order 1989;
   (c) where the employer is a company—
      (i) a winding-up order is made or a resolution for voluntary winding up is passed with respect to it or the company enters administration;
      (ii) a receiver or manager of its undertaking is duly appointed,
      (iii) possession is taken, by or on behalf of the holders of any debentures secured by a floating charge, of any property of the company comprised in or subject to the charge, or
      (iv) a voluntary arrangement proposed for the purpose of Part II of the Insolvency (Northern Ireland) Order 1989 is approved under that Part;
   (d) subsection (1A) is satisfied.

(1A) This subsection is satisfied if—
   (a) a request has been made for the first opening of collective proceedings—
      (i) based on the insolvency of the employer, as provided for under the laws, regulations and administrative provisions of a member State; and
      (ii) involving the partial or total divestment of the employer’s assets and the appointment of a liquidator or a person performing a similar task; and
   (b) the competent authority has—
      (i) decided to open the proceedings; or
      (ii) established that the employer’s undertaking or business has been definitively closed down and the available assets of the employer are insufficient to warrant the opening of the proceedings.

(1B) For the purposes of subsection (1A)—
   (a) “liquidator or person performing a similar task” includes the official receiver or an administrator, trustee in bankruptcy, judicial factor, supervisor of a voluntary arrangement, or person performing a similar task;
   (b) “competent authority” includes—
      (i) a court,
      (ii) a meeting of creditors,
      (iii) a creditors’ committee,
      (iv) the creditors by a decision procedure, and
(v) an authority of a member State empowered to open insolvency proceedings, to confirm the opening of such proceedings or to take decisions in the course of such proceedings.

(1C) An application under section 120 may only be made in respect of a worker who worked or habitually worked in Northern Ireland in that employment to which the application relates.

(2) In this Chapter—

“employer”, “employment”, “worker” and “worker's contract” and other expressions which are defined in the Employment Rights (Northern Ireland) Order 1996 have the same meaning as in that Order (see further subsections (2A) and (2B));

“holiday pay” means—

(a) pay in respect of a holiday actually taken; or

(b) any accrued holiday pay which under the worker's contract would in the ordinary course have become payable to him in respect of the period of a holiday if his employment with the employer had continued until he became entitled to a holiday;

Section 71 of the Pensions (No. 2) Act (Northern Ireland) 2008 (agency workers) applies for the purposes of this Chapter as it applies for the purposes of Part 1 of that Act.

References in this Chapter to a worker include references to an individual to whom Part 1 of the Pensions (No. 2) Act (Northern Ireland) 2008 applies as if the individual were a worker because of regulations made under section 77 of that Act; and related expressions are to be read accordingly.

Any reference in this Chapter to the resources of a scheme is a reference to the funds out of which the benefits provided by the scheme are from time to time payable.
Duty of Department to pay unpaid contributions to schemes.

(1) If, on an application made to it in writing by the persons competent to act in respect of an occupational pension scheme or a personal pension scheme, the Department is satisfied—

(a) that an employer has become insolvent; and

(b) that at the time he did so there remained unpaid relevant contributions falling to be paid by him to the scheme,

then, subject to the provisions of this section and section 121, the Department shall pay into the resources of the scheme the sum which in its opinion is payable in respect of the unpaid relevant contributions.

(2) In this section and section 121 “relevant contributions” means contributions falling to be paid by an employer to an occupational pension scheme or a personal pension scheme, either on his own account or on behalf of a worker; and for the purposes of this section a contribution shall not be treated as falling to be paid on behalf of a worker unless a sum equal to that amount has been deducted from the pay of the worker by way of a contribution from him.

(3) The sum payable under this section in respect of unpaid contributions of an employer on his own account to an occupational pension scheme or a personal pension scheme shall be the least of the following amounts—

(a) the balance of relevant contributions remaining unpaid on the date when he became insolvent and payable by the employer on his own account to the scheme in respect of the 12 months immediately preceding that date;

(b) the amount certified by an actuary to be necessary for the purpose of meeting the liability of the scheme on dissolution to pay the benefits provided by the scheme to or in respect of the workers of the employer;

(c) an amount equal to 10 per cent. of the total amount of remuneration paid or payable to those workers in respect of the 12 months immediately preceding the date on which the employer became insolvent.

(3A) Where the scheme in question is a money purchase scheme, the sum payable under this section in respect of unpaid contributions of an employer on his own account to an occupational pension scheme or a personal pension scheme shall be the lesser of the amounts mentioned in paragraphs (a) and (c) of that subsection.

(4) For the purposes of subsection (3)(c), “remuneration” includes holiday pay, statutory sick pay, statutory maternity pay under Part VI of the Social Security (Northern Ireland) Order 1986 or Part XII of the Social Security Contributions and Benefits (Northern Ireland) Act 1992 and any such payment as is referred to in Article...
229(2) of the Employment Rights (Northern Ireland) Order 1996] (guarantee payments, etc.).

(5) Any sum payable under this section in respect of unpaid contributions on behalf of a worker shall not exceed the amount deducted from the pay of the worker in respect of the worker’s contributions to the scheme during the 12 months immediately preceding the date on which the employer became insolvent.

(6) In this section “on his own account”, in relation to an employer, means on his own account but to fund benefits for, or in respect of, one or more workers.

M23 1992 c. 7.

121 Certification of amounts payable under s. 120 by insolvency officers.

(1) This section applies where one of the officers mentioned in subsection (2) (“the relevant officer”) is acting or has been or is required to be appointed in connection with an employer’s insolvency.

(2) The officers referred to in subsection (1) are—

(a) the official receiver; or

(b) any such person as is referred to in paragraph (1) or (2) of Article 3 of the Insolvency (Northern Ireland) Order 1989 (insolvency practitioners), as read with paragraphs (3) and (4) of that Article.

(3) Subject to subsection (5), where this section applies the Department shall not make any payment under section 120 in respect of unpaid relevant contributions until it has received a statement from the relevant officer of the amount of relevant contributions which appear to have been unpaid on the date on which the employer became insolvent and to remain unpaid; and the relevant officer shall on request by the Department provide it as soon as reasonably practicable with such a statement.
(4) Subject to subsection (5), an amount shall be taken to be payable, paid or deducted as mentioned in subsection (3)(a) or (c) or (5) of section 120 only if it is so certified by the relevant officer.

(5) If the Department is satisfied—

(a) that it does not require a statement under subsection (3) in order to determine the amount of relevant contributions that was unpaid on the date on which the employer became insolvent and remains unpaid, or

(b) that it does not require a certificate under subsection (4) in order to determine the amounts payable, paid or deducted as mentioned in subsection (3)(a) or (c) or (5) of section 120,

it may make a payment under that section in respect of the contributions in question without having received such a statement or, as the case may be, such a certificate.

122 Complaint to industrial tribunal.

(1) Any persons who are competent to act in respect of an occupational pension scheme or a personal pension scheme and who have applied for a payment to be made under section 120 into the resources of the scheme may present a complaint to an industrial tribunal that—

(a) the Department has failed to make any such payment; or

(b) any such payment made by the Department is less than the amount which should have been paid.

(2) Such a complaint must be presented within the period of three months beginning with the date on which the decision of the Department on that application was communicated to the persons presenting it or, if that is not reasonably practicable, within such further period as is reasonable.

(3) Where an industrial tribunal finds that the Department ought to make a payment under section 120, it shall make a declaration to that effect and shall also declare the amount of any such payment which it finds that the Department ought to make.

123 Transfer to Department of rights and remedies.

(1) Where in pursuance of section 120 the Department makes any payment into the resources of an occupational pension scheme or a personal pension scheme in respect of any contributions to the scheme, any rights and remedies in respect of those contributions belonging to the persons competent to act in respect of the scheme shall, on the making of the payment, become rights and remedies of the Department.

(2) Where—

(a) the Department makes any such payment as is mentioned in subsection (1); and

(b) the sum (or any part of the sum) falling to be paid by the employer on account of the contributions in respect of which the payment is made constitutes a preferential debt within the meaning of the Insolvency (Northern Ireland)
Order 1989 for the purposes of any provision of that Order (including any such provision as applied by an order made under that Order [F561 or any provision of the Companies Acts (as defined in section 2(1) of the Companies Act 2006)])

then, without prejudice to the generality of subsection (1), there shall be included among the rights and remedies which become rights and remedies of the Department in accordance with that subsection any right arising under any such provision by reason of the status of that sum (or that part of it) as a preferential or preferred debt.

(3) In computing for the purposes of any provision referred to in subsection (2)(b) the aggregate amount payable in priority to other creditors of the employer in respect of—

(a) any claim of the Department to be so paid by virtue of subsection (2); and

(b) any claim by the persons competent to act in respect of the scheme,

any claim falling within paragraph (a) shall be treated as if it were a claim of those persons; but the Department shall be entitled, as against those persons, to be so paid in respect of any such claim of the Department (up to the full amount of the claim) before any payment is made to them in respect of any claim falling within paragraph (b).

(a) any provision of a scheme which is included in it for the purpose of effecting a transfer of rights or liabilities authorised by regulations under section 16(1);

(b) any provision of a scheme to the extent that it deals with commutation, suspension or forfeiture of the whole or part of a pension; and

(4) For the purposes of the application of Chapter II of Part IV to schemes which are not contracted-out, subsection (3) shall have effect with the omission—

(7) If this section ceases to apply to a scheme, trusts created and dispositions made under it or for its purposes shall then again be subject to the rules of law relating to perpetuities as if this section had never applied to it.

(8) Subsection (7) is without prejudice to any rights which vested while this section applied.

(9) Regulations may provide for a scheme, whose fund was registered under the Superannuation and other Trust Funds (Validation) Act (Northern Ireland) 1928 immediately before the repeal of that Act took effect, to retain the benefit of that Act, subject to prescribed conditions and either indefinitely or for a prescribed period.

174 Linked qualifying service.

(1) Subject to subsections (2) to (4), for the purposes of this Act any period of an earner’s service in an employment is linked qualifying service in relation to a later period of service (whether in the same or another employment) if—

[F786(i) there was made a transfer of his rights (including any transfer credits allowed) under that scheme, or a transfer payment in respect of those rights, to, or to the trustees or managers of, another scheme applying to him in the later period of service;]

[F787(iii) a cash equivalent (within the meaning of [F789 Chapter 1 of Part 4ZA]) or cash transfer sum (within the meaning of [F790 Chapter 2 of that Part]) was paid in respect of him to the trustees or managers of another scheme applying to him in the later period of service; and]

(2) For any service to be taken into account as linked qualifying service, it must be actual service and no regard shall be had to any scheme rule which provides for service to be treated for any purposes of benefit or otherwise as longer or shorter than it actually was.

(3) Only so much of the earlier period as is a period of service in respect of which there accrued under the first scheme any of the rights transferred to the second scheme shall be linked qualifying service in relation to the later period of service.

(4) For the purposes of Chapter I of Part IV, as respects any case where the rules of the scheme provide—

(a) that an earner is not entitled to become a member unless he satisfies specified conditions, but

(b) that, if he becomes a member, rights are to accrue to him in respect of periods of service before he satisfied any such conditions,

regulations may provide for any such periods to be treated, in such cases and to such extent as may be prescribed, as linked qualifying service with later periods of service.

1. This section applies for the purposes of the definition of “money purchase benefits” in section 176(1).

2. A benefit other than a pension in payment falls within this section if its rate or amount is calculated solely by reference to assets which (because of the nature of the calculation) must necessarily suffice for the purpose of its provision to or in respect of the member.

3. A benefit which is a pension in payment falls within this section if—
   (a) its provision to or in respect of the member is secured by an annuity contract or insurance policy made or taken out with an insurer, and
   (b) at all times before coming into payment the pension was a benefit falling within this section by virtue of subsection (2).

4. For the purposes of subsection (2) it is immaterial if the calculation of the rate or amount of the benefit includes deductions for administrative expenses or commission.

5. In this section references to a pension do not include income withdrawal or dependants’ income withdrawal (within the meaning of paragraphs 7 and 21 of Schedule 28 to the Finance Act 2004).]
177 Orders and regulations (general provisions).

(1) Subject to subsection (7) Any power under this Act to make regulations or orders (except a power of the court to make orders) and the powers to make rules under sections 145(2) and 148(1) shall be exercisable by statutory rule for the purposes of the Statutory Rules (Northern Ireland) Order 1979.

(2) Where a power conferred by this Act is expressed to be exercisable for alternative purposes it may be exercised in relation to the same case for any or all of those purposes.

(3) Any power to make regulations or an order for the purposes of any one provision of this Act shall be without prejudice to any power to make regulations or an order for the purposes of any other provision.

(4) Any power conferred by this Act to make regulations or an order shall include power to make such incidental, supplementary, consequential or transitional provision as appears to the authority making the regulations or order to be expedient for the purposes of the regulations or order.

(5) Subsection (4) has effect—

(a) in its application to regulations and orders made under the following provisions, namely Chapter I of Part IV, Part VIII so far as it applies for the purposes of Chapter I of Part IV, sections 149(2), 154(1) to (5), 158, 159 and 171, with the omission of the words “consequential or transitional”; and

(b) in its application to orders made under section 149(8), with the omission of the word “consequential”.

(6) Any power conferred on the Department by this Act to make any regulations or order (except an order under section 149(8)), where the power is not expressed to be exercisable with the consent of the Department of Finance and Personnel, shall if that Department so directs be exercisable only in conjunction with it.

(7) Any power conferred on the Secretary of State to make regulations or orders (other than an order under section 162) is exercisable by statutory instrument, and subsections (2) to (4) and section 178(1) apply to regulations or orders made in exercise of any such power of the Secretary of State as they apply to regulations made by the Department.

(8) Any power conferred on the Secretary of State to make regulations or orders shall if the Treasury so direct be exercisable only in conjunction with them.
178 Sub-delegation.

(1) Without prejudice to any specific provisions in this Act, a power conferred by this Act to make regulations or an order (other than regulations and orders made under Chapter I of Part IV, Part VIII so far as it applies for the purposes of Chapter I of Part IV, sections 132 to 134, 135(2) and (3), 136, 137, 138(1) to (4), 139, 149(2), 154(1) to (5), 158, 159, and revised) includes power to provide for a person to exercise a discretion in dealing with any matter.

(2) Regulations under sections 59(2) and 93(1) may provide that the values there mentioned shall be calculated and verified—

(b) for the recovery of any debt due under sub-paragraph (3B)(b), and
Section 151 shall apply as if sub-paragraphs (3A) and (3B), and regulations made by the Secretary of State for Northern Ireland under Sch. 1 para. 5(3A)-(3E) inserted (6.4.1996 for certain purposes otherwise 6.4.1997) by S.I. 1999/671, arts. 1(2)(b), 3(1), Sch. 1 para. 77(5)(a)(c); S.R. 1999/149, art. 2(c), Sch. 2

(3D) Section 151 shall apply as if sub-paragraphs (3A) and (3B), and regulations made by virtue of those sub-paragraphs, were included among the provisions there referred to.

(3E) In sub-paragraphs (3A) and (3B), “State scheme rights”, in relation to a member of a scheme, are the rights for which, if the scheme had not been a contracted-out scheme, the member would have been eligible by virtue of section 44(6) of Social Security Contributions and Benefits (Northern Ireland) Act 1992 (earnings factors for additional pension).

(4) The Inland Revenue may accept payments in connection with a case in which a premium or part of it is treated as having been paid.

(2) Regulations under this paragraph may provide for the adjustment of rights and liabilities as between employers, earners and the trustees or managers.]

Special provisions for certain public service pension schemes

7 [F901](1) In relation to employments of any class to which this paragraph applies, the [F903]Department, or as the case may be, the Secretary of State] may by regulations—

(a) direct that elections with a view to the issue, variation or surrender of contracting-out certificates shall be made and revoked by [F904]the Inland Revenue] instead of by the employer;

(b) make provision for other things which by or under the provisions mentioned in paragraph 4(1) are required or authorised to be done by or to an employer to be done instead by or to [F904]the Inland Revenue];

(2) Subject to sub-paragraphs (3) and (4), the employments in which a person’s service qualifies him for benefit under any of Articles 9 to 12 of the [M50]Superannuation (Northern Ireland) Order 1972 shall constitute a class to which this paragraph applies.

(3) Where service in any employment would qualify a person as aforesaid under any of the enactments specified in sub-paragraph (2) but for regulations having effect under that Order of 1972 which allow arrangements made in connection with a previous employment to continue in force, the employment shall be treated for the purposes of this paragraph as falling within the class to which that enactment relates and as not falling within any other class to which this paragraph applies.

PART II
PERSONAL PENSION SCHEMES
SCHEDULE 2

METHODS OF REVALUING ACCRUED PENSION BENEFITS

The final salary method

1 [F907](1) The final salary method is to add to the amount that would be payable but for Chapter 2 of Part 4, or regulations made under it, the additional amount specified in subparagraph (1A), (1B), (1C) or (1D) (whichever applies).

(1A) Where—
(a) the termination of pensionable service occurs before 1st January 1991, and
(b) the whole of the member's pensionable service falls on or after 1st January 1985,
the additional amount is the appropriate higher revaluation percentage of the accrued benefit.

(1B) Where—
(a) the termination of pensionable service occurs before 1st January 1991, and
(b) some of the member's pensionable service falls before 1st January 1985,
the additional amount is such proportion of the appropriate higher revaluation percentage of the accrued benefit as the member's pensionable service falling on or after 1st January 1985 bears to the member's total pensionable service.

(1C) Where the termination of pensionable service occurs—
(a) on or after 1st January 1991, but
(b) before the day on which section 80 of the Pensions (No. 2) Act (Northern Ireland) 2008 comes into operation (“the Pensions Act commencement day”),
the additional amount is the appropriate higher revaluation percentage of the accrued benefit.

(1D) Where the termination of pensionable service occurs on or after the Pensions Act commencement day, the additional amount is the aggregate of—
(a) the appropriate higher revaluation percentage of so much of the accrued benefit as is attributable to the member's pensionable service falling before the Pensions Act commencement day, and
(b) the appropriate lower revaluation percentage of so much of the accrued benefit as is attributable to the member's pensionable service falling on or after that day.

(1E) In this paragraph “the accrued benefit” means the amount of the pension or other benefit which on the termination date has accrued to the member or to any other person in respect of the member (excluding any part of that amount which consists of—
(a) the member's guaranteed minimum, or
(b) the guaranteed minimum of the member's widow, widower [F908], surviving same sex spouse] or surviving civil partner).

(2) For the purposes of this paragraph, a member's pensionable service includes any notional pensionable service which is credited to the member by the scheme (“notional service”).
But notional service shall not be taken into account in determining which of sub-
paragraphs (1A), (1B), (1C) and (1D) applies.

(3) For the purposes of determining the additional amount where sub-
paragraph (1B) applies, any notional service shall be taken to have ended immediately before the
member's actual pensionable service began.

(3A) For the purposes of determining the additional amount where sub-
paragraph (1D) applies, any notional service shall be treated as falling on or after the Pensions Act
commencement day only if, or to the extent that, it is so treated for the purposes of
the scheme.

(4) Any rule of a scheme the effect of which is that benefit falls to be revalued by
reference to any period is to be disregarded in making any calculation required by
this method.

(5) The sub-paragraphs above are subject to sub-paragraph (6).

(6) If paragraph 2A applies to the pension or other benefit, the final salary method is to
apply the requirement of the rules of the scheme mentioned in paragraph 2A(1).

The revaluation percentage and the appropriate revaluation percentage

(1) Whenever the Secretary of State makes an order under paragraph 2 of Schedule 3
to the Pension Schemes Act 1993 specifying a higher revaluation percentage and a lower revaluation percentage for each revaluation period within the meaning of that paragraph, the Department may make an order specifying a corresponding higher revaluation percentage and a corresponding lower revaluation percentage for each revaluation period (as defined in paragraph (2)).

(2) A period is a “revaluation period”, in relation to each order under this paragraph, if it is a period which—

(a) begins with 1st January 1986 or with an anniversary of that date falling before the making of the order; and

(b) ends with the next day after the making of the order which is 31st December.

(3) In paragraph 1—

“the appropriate higher revaluation percentage” means the higher revaluation percentage specified in the last calendar year before the date on which the member attains normal pension age as the higher revaluation percentage for the revaluation period which is of the same length as the number of complete years in the pre-pension period;
“the appropriate lower revaluation percentage” has a corresponding meaning.]

M51 1993 c. 48.

[F913]2A(1) This paragraph applies to the pension or other benefit if the rules of the scheme under which it is payable contain a requirement that the accrued benefit be revalued by adding to the accrued benefit an amount of at least the relevant amount.

(2) “The accrued benefit” has the same meaning as in paragraph 1.

(3) “The relevant amount” means the amount which, ignoring paragraph 1(5) and (6), would be the additional amount specified in paragraph 1(1A), (1B), (1C) or (1D) (as the case may be) were the appropriate higher revaluation percentage and the appropriate lower revaluation percentage to be determined on the following basis.

(4) The higher revaluation percentage and the lower revaluation percentage for the revaluation period mentioned in paragraph 2(3) are to be taken to be the percentages which would have been specified in the Secretary of State's order under paragraph 2 of Schedule 3 to the Pension Schemes Act 1993 had the modifications set out in paragraph 2A(4) of that Schedule applied to paragraph 2 of that Schedule.]

**The average salary method**

3 (1) The average salary method is to revalue the member’s salaries as respects the pre-pension period in any way in which they would have been revalued during that period if he had remained in the same pensionable service.

(2) In this paragraph “salaries” means, subject to sub-paragraph (4), the member’s salaries for the period between the date when his pensionable service began and the termination date, or such part of them as was relevant under the scheme to the
calculation of the retirement benefits payable under the scheme to him or to any other person in respect of him.

(3) For the purpose of this paragraph those salaries are to be taken to include—

(a) any amount which is attributed to them, otherwise than by virtue of this paragraph, as the result of a revaluation for which the rules of the scheme provide; and

(b) any amount which is for any reason credited to the member by way of salary notionally earned.

(4) Where the member’s pensionable service ended before 1st January 1991, sub-paragraph (2) shall have effect with the substitution for the words from “means” to “termination date” of the words “means the member’s salaries for the period between 1st January 1985 and the termination date”.

(5) For the purposes of the application of this paragraph to a case where a member is credited with an amount by reference to salary notionally earned over a period of time of a particular length, that period shall be taken to have ended immediately before the member’s actual pensionable service began.

(3) Any reference, whether express or implied, in this Act or any other enactment, instrument or document to a provision of this Act shall, so far as the context permits, be construed as including, in relation to the times, circumstances and purposes in relation to which the corresponding provision of the repealed enactments has effect, a reference to that corresponding provision.

(4) Any reference, whether express or implied, in any enactment, instrument or document to a provision of the repealed enactments shall be construed, so far as is required for continuing its effect, as including a reference to the corresponding provision of this Act.

3 Where—

PART II

SPECIFIC PROVISIONS

Contracting-out requirements for schemes providing guaranteed minimum pensions

7 An occupational pension scheme which—
   (a) at any time before the coming into operation of the first regulations made under—
      (i) sub-paragraph (a) of paragraph (2) of Article 34 of the
      \[M53\] Social Security Pensions (Northern Ireland) Order 1975 (which corresponded to section 5(2)(a) of this Act), or
      (ii) paragraph (8) of Article 37 of the Social Security Pensions (Northern Ireland) Order 1975 (which corresponded to section 12(4) of this Act),
      did not satisfy that sub-paragraph or, as the case may be, that paragraph; but
   (b) would have satisfied it if those regulations had then been in operation,
   shall, for the purpose of determining whether the scheme satisfied that sub-
   paragraph or, as the case may be, that paragraph, be treated as if those regulations
   had been in operation at that time.

8 Any document the contents of which are in terms corresponding to those of
paragraph (7) of Article 37 of the \[M54\] Social Security Pensions (Northern Ireland) Order 1975 as that paragraph stood immediately before the making of the \[M55\] Social Security (Northern Ireland) Order 1985 (which corresponded to section 12(2) and (3) of this Act, but with the substitution for the words from “is terminated before” onwards of the words “is terminated before he attains the scheme’s normal pension age shall be determined for the purposes of section 10(2) without reference to any order that comes into operation under Article 23 of the Social Security Pensions (Northern Ireland) Order 1975 after the relevant year in which his service ends”) shall be construed as if its contents were and always had been in terms corresponding to those of section 12(2) and (3) of this Act.

9 The requirement of the Social Security Pensions (Northern Ireland) Order 1975 that
for an occupational pension scheme to be contracted-out in relation to an earner’s
employment it must provide requisite benefits shall, except so far as it relates to
guaranteed minimum pensions, be treated for the purposes of section 33 of this Act
as if it had never existed.

10 (1) Where in the tax year 1989-90 the trustees or managers of an occupational pension
scheme made an increase in the rate of pensions currently payable to the members
of the scheme who had attained pensionable age or to the widows or widowers of
members, they may deduct the amount of the increase from any increase which, but
for this sub-paragraph, they would be required to make under section 105 in the tax
year 1990-91.

(2) Subsections (1) and (4) of section 106 shall apply to sub-paragraph (1) as they apply
to subsections (2) and (3) of that section.

**Overriding effect of certain requirements for existing contracted-out and appropriate schemes**

If immediately before 14th August 1990—

(a) there was in force in relation to an occupational pension scheme a
certifying-out certificate which stated that the scheme was contracted-
out by virtue of Article 34(2A) of the Social Security Pensions (Northern
Ireland) Order 1975, or

(b) there was in force in relation to a personal pension scheme an appropriate
scheme certificate,

then, to the extent that the rules of the scheme are inconsistent with any provision
of this Act derived from provision made by paragraph 16(1) or (2) or 17(1) to (3)
of Schedule 6 to the Social Security (Northern Ireland) Order 1989 (by virtue
of which—

(i) section 23(3) applies to all protected rights and not only such rights as are mentioned in section 6(2) or (3);

(ii) section 24 includes subsection (1) and, in subsection (3), the words
“Subject to subsections (5) and (7)”, the words from “except” to
“subsection (4)” and the word “shall”; and

(iii) section 25 includes subsection (2)),

they shall be overridden by that provision.

**Transactions discharging trustees**

Without prejudice to section 28 of the Interpretation Act (Northern Ireland) 1954—

(a) as respects a transaction which took place before 1st January 1986, sections
15(1) and 77 have effect with the omission of paragraph (c), and

(b) as respects a transaction which took place before 1st November 1986,
section 15 has effect with the substitution for the references to guaranteed
minimum pensions of references to requisite benefits.
Contributions equivalent premiums: earnings before 1987-88

14 (1) Where an earner’s earnings paid in any period before the tax year 1987-88—
   (a) exceeded the lower earnings limit; but
   (b) were not such that primary Class 1 contributions within Bracket 3 fell to be paid in respect of them,

   it shall be assumed for the purposes of sections 54(4) and 57(2) that his earnings paid in that period were such that, taking the rate specified in Bracket 3 as the appropriate rate, the same amount of primary Class 1 contributions fell to be paid in respect of them as in fact fell to be paid in respect of them; and in this paragraph “Bracket 3” has the meaning given in section 9(3) of the Social Security Contributions and Benefits (Northern Ireland) Act 1992.

   (2) Section 59(3) applies for the purposes of sub-paragraph (1), in so far as it applies as respects section 54(4), as if the reference in paragraph (b) of section 59(3) to earnings included a reference to earnings relevant for any purpose of that sub-paragraph.

   (3) Where [Inland Revenue have] acted in pursuance of section 59(3) as applied by sub-paragraph (2) and [they subsequently ascertain] the amount of those earnings—
       (a) if [they] appears to the [Inland Revenue] that the amount of the contributions equivalent premium would have been less if the [Inland Revenue] had not made the calculation on the basis described in sub-paragraph (1), [they] shall refund the difference to the prescribed person, and
       (b) if it appears to [Inland Revenue] that that premium would have been greater if [they] had not done so, the prescribed person shall pay the difference to [them].

   (4) In this paragraph “prescribed” means prescribed by regulations made by the Secretary of State.

Preservation

15 Without prejudice to paragraph 3, in any case where—
(a) the pensionable service of a member of a scheme terminated during the period beginning with 6th April 1988 and ending with 27th February 1991, otherwise than on the termination of his service in relevant employment, and
(b) during that period no payments in discharge of his rights under the scheme were made in consequence of that termination,
paragraph 6(1) of Schedule 3 to the Social Security Pensions (Northern Ireland) Order 1975 (which corresponded to section 67(1) of this Act) shall be taken at all times on and after 6th April 1988 to have had effect in relation to the member and his rights under the scheme with the amendment made by paragraph 12(1) of Schedule 4 to the Social Security (Northern Ireland) Order 1990 (which substituted the words “pensionable service” for the words “service in relevant employment”).

(2) In section 83—
(a) in subsection (3) for the words “at any time” there shall be substituted the words “on the relevant date and at any time thereafter ”;
(b) after that subsection there shall be inserted—
“(3A) In subsection (3) “relevant date”—
(a) in the application of that subsection to a case where a scheme provides for any part of the pension in excess of the earner’s guaranteed minimum to commence from a date not more than 3 months after that on which he attains pensionable age or to be postponed for any period for which he continues in employment (whether or not employment to which the scheme relates) after attaining that age, is to be construed in relation to the part of the pension as to which such provision is made as a reference to the date on which by virtue of it that part of the pension begins to be paid; and
(b) in any other case means the commencement of payment date.”;
(c) subsection (4)(d) shall be omitted.

(3) Section 86 shall be omitted.
