BE IT ENACTED by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART I

TEACHER TRAINING

The Teacher Training Agency

1.—(1) There shall be established a body corporate to be known as the Teacher Training Agency to exercise—

(a) their functions as a funding agency under this Part,
(b) the function of providing information and advice on teaching as a career, and
(c) such other functions as may be conferred on them by or under this Part.

(2) The objectives of the agency in exercising their functions shall be—

(a) to contribute to raising the standards of teaching;
(b) to promote teaching as a career;
(c) to improve the quality and efficiency of all routes into the teaching profession;
(d) to secure the involvement of schools in all courses and programmes for the initial training of school teachers;

and generally to secure that teachers are well fitted and trained to promote the spiritual, moral, social, cultural, mental and physical development of pupils and to prepare pupils for the opportunities, responsibilities and experiences of adult life.
PART I

(3) Except where corresponding functions in relation to Wales are conferred on another person or body, the functions of the agency are exercisable in relation to England and Wales generally; but the agency shall not do anything in relation to Wales, or institutions or students in Wales, except at the request of the Secretary of State.

Membership, &c. of the agency.

2.—(1) The Teacher Training Agency shall consist of between eight and twelve members appointed by the Secretary of State, of whom one shall be so appointed as chairman.

(2) In appointing the members of the agency the Secretary of State shall have regard to the desirability of including persons who appear to him—

(a) to have experience of, and to have shown capacity in—
   (i) teaching in schools,
   (ii) teaching in higher education (other than training teachers), or
   (iii) training teachers, or
(b) to have held, and to have shown capacity in, any position carrying responsibility for—
   (i) the provision of education in schools,
   (ii) the provision of higher education (other than the training of teachers), or
   (iii) the training of teachers;
and in appointing such persons he shall have regard to the desirability of their being currently engaged in the provision of, or in carrying responsibility for, such matters.

(3) In considering the appointment of members in accordance with subsection (2) the Secretary of State shall have regard to the desirability of including persons whose relevant experience or responsibility is, or was, in or in relation to—

(a) institutions of a denominational character, or
(b) teaching persons with special educational needs.

(4) In appointing the members of the agency the Secretary of State shall also have regard to the desirability of including persons who appear to him to have experience of, and to have shown capacity in, industrial, commercial or financial matters or the practice of any profession.

(5) Schedule 1 has effect with respect to the agency.

Funding

3.—(1) Any reference in this Part to a funding agency is—

(a) in relation to institutions in England, to the Teacher Training Agency, and
(b) in relation to institutions in Wales, to the Higher Education Funding Council for Wales.

(2) The references above to institutions in England and in Wales are to institutions whose activities are carried on, or principally carried on, in England or, as the case may be, in Wales; but both references include the Open University.
Any dispute as to which funding agency any functions are exercisable by shall be determined by the Secretary of State.

(3) The funding agencies shall be responsible for administering funds made available to them by the Secretary of State and others for the purpose of providing financial support for the carrying on by eligible institutions of qualifying activities.

4.—(1) The activities qualifying for funding under this Part ("qualifying activities") are—
   
   (a) the provision of teacher training;
   
   (b) the provision of facilities, and the carrying on of other activities, by eligible institutions which the governing bodies of the institutions consider it necessary or desirable to provide or carry on for the purpose of or in connection with activities within paragraph (a);
   
   (c) the provision by any person of services for the purposes of, or in connection with, such activities.

(2) The institutions eligible for funding under this Part ("eligible institutions") are—
   
   (a) any institution within the higher or further education sector,
   
   (b) any school, and
   
   (c) any other institution or body designated by order of the Secretary of State,

and any partnership or association of eligible institutions, or body established by one or more such institutions, for the purpose of carrying on qualifying activities.

(3) The Secretary of State may by order provide for references in this Part to the governing body of an institution, in relation to an institution which is conducted by a company, to be read as references to the governing body provided for in the instrument of government, or to the company or to both.

(4) In relation to a nursery school which is maintained by a local education authority references in this Part to the governing body shall be construed as references to the authority.

5.—(1) A funding agency may—
   
   (a) make grants, loans or other payments in respect of expenditure incurred or to be incurred by the governing body of an eligible institution for the purposes of activities qualifying for funding under this Part by virtue of section 4(1)(a) or (b), and
   
   (b) make grants, loans or other payments in respect of expenditure incurred or to be incurred for the purposes of the provision of services as mentioned in section 4(1)(c), subject in each case to such terms and conditions as the funding agency think fit.

(2) The terms and conditions on which a funding agency may make any grants, loans or other payments under this section may in particular—
(a) enable the funding agency to require the repayment, in whole or in part, of sums paid by the agency if any of the terms and conditions subject to which the sums were paid is not complied with, and

(b) require the payment of interest in respect of any period during which a sum due to the funding agency in accordance with any of the terms and conditions remains unpaid.

(3) The terms and conditions shall not relate to the application of any sums derived otherwise than from a funding agency.

(4) In exercising their functions under this section a funding agency shall have regard—

(a) generally, to any forecasts of demand for newly-qualified teachers notified to them by the Secretary of State; and

(b) in relation to any particular institution, to any assessment of the quality of education provided by the institution—

(i) made by either of Her Majesty’s Chief Inspectors of Schools, or

(ii) to which the agency think it appropriate to have regard or to which the Secretary of State directs them to have regard.

6.—(1) In exercising their functions in relation to the provision of financial support for qualifying activities the funding agencies shall have regard to the desirability of—

(a) establishing and maintaining in relation to courses for initial training of school teachers an appropriate balance between school-centred courses and other courses; and

(b) not discouraging any institution for whose activities financial support is provided under this Part from maintaining or developing its funding from other sources.

(2) For the purposes of subsection (1)(a) a “school-centred course” means a course provided by a school or schools, or by a partnership or association consisting wholly or mainly of schools or by a body established by a school or institutions consisting wholly or mainly of schools.

(3) Before exercising their discretion under section 5(1)(a) or (b) with respect to the terms and conditions to be imposed in relation to any grants, loans or other payments, a funding agency shall consult such of the following bodies as appear to them to be appropriate to consult in the circumstances—

(a) such bodies representing the interests of eligible institutions as appear to the funding agency to be concerned, and

(b) the governing body of any particular eligible institution which appears to the funding agency to be concerned.

(4) In exercising their functions in relation to the provision of financial support for qualifying activities a funding agency shall have regard (so far as they think it appropriate to do so in the light of any other relevant considerations) to the desirability of maintaining—

(a) what appears to them to be an appropriate balance in the support given by them as between institutions which are of a denominational character and other institutions, and
PART I

Education Act 1994  c. 30  5

(b) any distinctive characteristics of any eligible institution for whose activities financial support is provided under this Part.

(5) In exercising their functions a funding agency shall take such steps as appear to them appropriate to secure that the governing body of any institution which provides a course of initial teacher training funded by the agency makes available such information relating to the course, in such manner and to such persons, as the agency may require.

7.—(1) The Secretary of State may make grants to the funding agencies of such amounts and subject to such terms and conditions as he may determine.

(2) The terms and conditions subject to which grants are made by the Secretary of State to a funding agency—

(a) may in particular impose requirements to be complied with in respect of every institution, or every institution falling within a class or description specified in the terms and conditions, being requirements to be complied with in the case of any institution to which the requirements apply before financial support of any amount or description so specified is provided by the agency in respect of activities carried on by the institution, but

(b) shall not otherwise relate to the provision of financial support by the agency in respect of activities carried on by any particular institution or institutions.

(3) Such terms and conditions may not be framed by reference—

(a) to particular courses of study or programmes of research (including the contents of such courses or programmes and the manner in which they are taught, supervised or assessed), or

(b) to criteria for the selection and appointment of academic staff and for the admission of students.

(4) Such terms and conditions may in particular—

(a) enable the Secretary of State to require the repayment, in whole or in part, of sums paid by him if any of the terms and conditions subject to which the sums were paid is not complied with, and

(b) require the payment of interest in respect of any period during which a sum due to the Secretary of State in accordance with any of the terms and conditions remains unpaid.

8.—(1) In exercising their functions under this Part a funding agency shall comply with any directions under this section.

(2) The Secretary of State may give general directions to a funding agency about the exercise of their functions.

(3) If it appears to the Secretary of State that the financial affairs of an eligible institution have been or are being mismanaged he may, after consulting the agency and the institution, give such directions to the funding agency about the provision of financial support in respect of the activities carried on by the institution as he considers are necessary or expedient by reason of the mismanagement.

(4) Directions under this section shall be contained in an order made by the Secretary of State.
PART I
Joint exercise of functions.

9.—(1) A funding agency and any other relevant funding body may exercise any of their functions jointly where it appears to them that to do so—

(a) will be more efficient, or

(b) will enable them more effectively to discharge any of their functions.

(2) In subsection (1) "other relevant funding body" means the other funding agency, the Higher Education Funding Council for England, a further education funding council or a funding authority for schools.

Efficiency studies.

10.—(1) A funding agency may arrange for the promotion or carrying out by any person of studies designed to improve economy, efficiency and effectiveness in the management or operations of an institution which is receiving financial support under this Part.

(2) A person promoting or carrying out such studies at the request of a funding agency may require the governing body of the institution concerned—

(a) to furnish him, or a person authorised by him, with such information, and

(b) to make available to him, or a person authorised by him, for inspection their accounts and such other documents, as he may reasonably require for that purpose.

Research.

11. A funding agency may carry out or commission such research as they consider appropriate with a view to improving—

(a) the training of teachers, or

(b) the standards of teaching.

Supplementary provisions

12.—(1) The governing body of any county, voluntary or maintained special school, or of any grant-maintained school, may—

(a) provide courses of initial training for school teachers, or

(b) join in a partnership or association with other eligible institutions, or (alone or jointly with other eligible institutions) establish a body, for the purpose of providing such courses.

(2) Courses of initial teacher training so provided shall be open only to persons holding a degree or equivalent qualification granted by a United Kingdom institution or an equivalent degree or other qualification granted by a foreign institution.

For this purpose—

(a) a "United Kingdom institution" means an institution established in the United Kingdom, other than one which is, or is affiliated to or forms part of, an institution whose principal establishment is outside the United Kingdom; and

(b) a "foreign institution" means any institution other than a United Kingdom institution.
(3) In relation to an exercise of the powers conferred by subsection (1), the governing body shall have all the same supplementary and incidental powers as it has in relation to the conduct of the school.

(4) The above provisions have effect notwithstanding any provisions of the instrument of government or articles of government for the school.

(5) For the purposes of section 12 or 13 of the Education Act 1980 or section 96 of the Education Act 1993 (procedure in case of certain proposals for alteration of school) an exercise of the powers conferred by this section, or ceasing to exercise them, shall not be treated as involving a significant change in the character of the school.

(6) Any exercise by the governing body of a school of the powers conferred by this section shall not be treated, for the purposes of—

(a) sections 33 to 43 of the Education Reform Act 1988 (financing of schools maintained by local education authorities), or

(b) Chapter VI of Part II of the Education Act 1993 (funding of grant-maintained schools),
as being undertaken for the purposes of the school.

(7) Nothing in this section shall be construed as affecting the power of the governing body of a school, as an ordinary incident of the conduct of the school—

(a) to provide training for persons employed as teachers at the school, or

(b) to participate in the provision of teacher training as part of a course provided by another institution.

13.—(1) Section 50 of the Education (No.2) Act 1986 (grants for teacher training, &c.) is amended as follows.

(2) In subsection (1) (power of Secretary of State to make provision for payment of grants), omit “by him”.

(3) In subsection (3)(b)—

(a) omit “by the Secretary of State” in the first place where it occurs; and

(b) for “by the Secretary of State” in the second place where it occurs substitute “in accordance with the regulations”.

(4) After subsection (3) insert—

“(3A) Grants shall be payable in accordance with the regulations by the Secretary of State or, in the case of grants to facilitate and encourage the training of teachers, by the Teacher Training Agency or the Secretary of State according as the regulations may provide.”.

(5) Until the coming into force of the first regulations made under section 50 as amended by this section, the Education (Bursaries for Teacher Training) Regulations 1988 shall have effect as if so made and as if references therein to the Secretary of State included the Teacher Training Agency.

14.—(1) In section 218 of the Education Reform Act 1988 (regulations as to qualification of teachers, &c.), after subsection (2) (meaning of “qualified teacher”) insert—

Grants for teacher training, 1986 c. 61.

“(2A) Regulations under subsection (2)(a) above may make provision—
(a) by reference to the successful completion of a course of initial training for teachers in schools at an accredited institution; and
(b) conferring on the Teacher Training Agency or the Higher Education Funding Council for Wales such functions in relation to accreditation or otherwise as may be prescribed.”.

S.I. 1993/543.

(2) In paragraph 2 of Schedule 3 to the Education (Teachers) Regulations 1993 (persons who are qualified teachers), after subparagraph (1) insert—
“(1A) The person—
(a) holds a degree or equivalent qualification granted by a United Kingdom institution or an equivalent degree or other qualification granted by a foreign institution, and
(b) has successfully completed a course of initial training for teachers in schools at an accredited institution in England or Wales.

For the purposes of this sub-paragraph—
(a) a “United Kingdom institution” means an institution established in the United Kingdom, other than one which is, or is affiliated to or forms part of, an institution whose principal establishment is outside the United Kingdom;
(b) a “foreign institution” means any institution other than a United Kingdom institution; and
(c) an “accredited institution” means an institution accredited by the Teacher Training Agency or, in Wales, by the Higher Education Funding Council for Wales as a provider of courses satisfying such criteria as may from time to time be specified by the Secretary of State.”.

The above amendment shall not be taken as prejudicing the power to make further regulations revoking or amending the provision inserted.

1988 c. 40.

(3) In section 218(3) of the Education Reform Act 1988 (power to provide for exceptions to requirement that only qualified teachers be employed), for “persons licensed to teach by the Secretary of State” substitute “persons licensed or otherwise authorised to teach by the Secretary of State or the Teacher Training Agency”.

(4) In section 232(6) of that Act (power to make different provision for Wales), in the list of provisions to which the power does not apply, omit the reference to section 218(1)(a) (requirement that only qualified teachers be employed).

Duty to provide information, &c. 15.—(1) The Teacher Training Agency—
(a) shall provide the Secretary of State (in such manner as he may from time to time determine) with such information or advice relating to matters for which they are responsible as he may from time to time require, and
(b) may provide the Secretary of State with such information or advice relating to such matters as they think fit.
(2) The Teacher Training Agency and the Higher Education Funding Council for Wales shall give each other such information as they may require for the purposes of the exercise of their functions under this Part.

(3) The following shall give the Teacher Training Agency or the Higher Education Funding Council for Wales such information as they may require for the purpose of the exercise of their functions under this Part—

(a) the governing body of any institution receiving, or which has received or applied for, any grant, loan or other payment under this Part;

(b) any local education authority.

16.—(1) The Secretary of State may by order confer or impose on the Teacher Training Agency such additional functions as he considers they may appropriately discharge having regard to their general objectives.

(2) The Secretary of State may by order confer or impose on the Higher Education Funding Council for Wales such functions supplementary to their functions as a funding agency as he thinks fit.

For the purposes of this subsection a function is a supplementary function in relation to the Council if it is exercisable for the purposes of—

(a) the exercise by the Secretary of State of functions of his under any enactment, or

(b) the doing by the Secretary of State of anything he has power to do apart from any enactment,

and it relates to, or to the activities of, an eligible institution.

(3) Before making an order under subsection (1) or (2) the Secretary of State shall carry out such consultation as appears to him to be appropriate.

(4) The Teacher Training Agency and the Higher Education Funding Council for Wales shall carry out such activities ancillary to their functions under this Part as the Secretary of State may direct.

17. The Secretary of State may by order provide for the transfer to the Teacher Training Agency of the property, rights and liabilities (including rights and liabilities arising under contracts of employment) of the Teaching as a Career Unit.

18.—(1) A higher education funding council may make payments, subject to such terms and conditions as they think fit, to—

(a) the governing body of a grant-maintained school or grant-maintained special school, or

(b) a further education corporation or the governing body of any institution designated under section 28 of the Further and Higher Education Act 1992,

in respect of expenditure incurred or to be incurred by that body in making safeguarded salary payments to which this section applies.

(2) This section applies to payments made to a person who in consequence of a direction given by the Secretary of State under—

(a) regulation 3(2) of the Further Education Regulations 1975,
PART I
S.1. 1981/1086.
(b) regulation 15 of the Education (Schools and Further Education) Regulations 1981, being a direction relating to a course for the training of teachers, or
(c) regulation 16 of those Regulations, ceased before 1st April 1989 to be employed in a college for the training of teachers, or in a department for the training of teachers in any other establishment of further education.

(3) The amount of the safeguarded salary payment is the amount by which, in consequence of the matters mentioned in subsection (2), a person’s salary exceeds that which would normally be appropriate to the post held by him.

(4) A body to which subsection (1)(a) or (b) applies shall give to a higher education funding council such information as the council may require for the purposes of the exercise of their power under that subsection.

(m) there should be a complaints procedure available to all students or groups of students who—

(i) are dissatisfied in their dealings with the union, or
