 - (8) The rules are as follows—
 - (a) where (apart from this subsection) there would be a loss, an amount equal to the rolled-up indexation shall be added to it so as to increase it,

- (9) In this section the “rolled-up indexation” means, subject to subsections (10) and (11) below, the amount or, as the case may be, the aggregate of the amounts referred to in subsection (7)(b) above; and subsections (10) and (11) below shall, as well as applying on the disposal in question, be treated as having applied on any previous part disposal by the transferor.
- (10) Where, for the purposes of any disposal of the asset by the transferor, any amount falling within any, or any combination of, paragraphs (a) to (c) of section 38(1) is required by any enactment to be excluded, reduced or written down, the amount or aggregate referred to in subsection (9) above (or so much of it as remains after the application of this subsection and subsection (11) below on a previous part disposal) shall be reduced in proportion to any reduction made in the amount falling within the paragraph, or the combination of paragraphs, in question.
- (11) Where the transferor makes a part disposal of the asset at any time, then, for the purposes of that and any subsequent disposal, the amount or aggregate referred to in subsection (9) above (or so much of it as remains after the application of this subsection and subsection (10) above on a previous part disposal by him or after the application of subsection (10) above on the part disposal) shall be apportioned between the property disposed of and the property which remains in the same proportions as the sums falling within section 38(1)(a) and (b).”

- those sums shall be determined as if that subsection had not applied on any such disposal made on or after that date and the loss shall be reduced accordingly or, if those sums are then equal to or less than the consideration for the disposal, the disposal shall be one on which neither a gain nor a loss accrues.
- (4) For the purposes of this section a no gain/no loss disposal is one which, by virtue of any enactment other than section 35(4), 53(1) or this section, is treated as a disposal on which neither a gain nor a loss accrues to the person making the disposal.”
