 - [^{F181}(b) that a person does not become the holder of a licence if requirements imposed by or under Schedule 14 to the Communications Act 2003 would be contravened were he to do so; and
 - (c) that those requirements are not contravened in the case of a person who already holds a licence.]
- (2) [^{F180}OFCOM] may accordingly—
- (a) require any applicant for a licence to provide them with such information as they may reasonably require for the purpose of determining—
 - (i) whether he is such a disqualified person as is mentioned in subsection (1)(a),
 - (ii) whether any such requirements as are mentioned in subsection (1)(b) would preclude them from granting a licence to him, and
 - (iii) if so, what steps would be required to be taken by or in relation to him in order for any such requirements to be complied with;
 - (b) revoke the award of a licence to a body where a relevant change takes place after the award, but before the grant, of the licence;
 - (c) make the grant of a licence to any person conditional on the taking of any specified steps that appear to them to be required to be taken as mentioned in paragraph (a)(iii);

 - [^{F182}(da) impose conditions in a licence requiring the licence holder, if a body corporate, to give OFCOM notice, after they have occurred and irrespective of whether proposals for them have fallen to be notified, of changes, transactions or events affecting—
 - (i) shareholdings in the body; or
 - (ii) the directors of the body;
 - (db) impose conditions in a licence enabling OFCOM to require the licence holder to provide them with such information as they may reasonably require for determining—

 - (ii) whether any such requirements as are mentioned in subsection (1)(b) have been and are being complied with by or in relation to the licence holder;]
 - (e) impose conditions in any licence enabling them to give the licence holder directions requiring him to take, or arrange for the taking of, any specified steps appearing to them to be required to be taken in order for any such requirements as are mentioned in subsection (1)(b) to be complied with.

- any provisions of this Part relating to the awarding of licences of the kind in question shall (subject to subsection (4)) have effect as if the person to whom the licence was awarded or granted had not made an application for it.
- (4) Those provisions shall not so have effect if [^{F180}OFCOM] decide that it would be desirable to publish a fresh notice under this Part in respect of the grant of a licence, or (as the case may be) a further licence, to provide the service in question.
- (5) Every licence shall include such conditions as [^{F180}OFCOM] consider necessary or expedient to ensure that where—
- (a) the holder of the licence is a body, and
 - (b) a relevant change takes place after the grant of the licence,
- [^{F180}OFCOM] may revoke the licence by notice served on the holder of the licence and taking effect forthwith or on a date specified in the notice.
- (6) [^{F180}OFCOM] shall not serve any such notice on the licence holder unless—
- (a) [^{F180}OFCOM] have notified him of the matters [^{F183}constituting their grounds for revoking the licence] and given him a reasonable opportunity of making representations to them about those matters, and

 - (i) they have also given him an opportunity of complying with [^{F184}the requirements imposed by or under Schedule 14 to the Communications Act 2003] within a period specified in the notification, and

- (3) Where any such application is made before the relevant date—
 - (a) if no simulcast radio service provided by the applicant is being broadcast in digital form when the application is made, the Authority shall postpone the consideration of the application until the relevant date or, if earlier, the date on which the broadcasting of such a service in that form begins, and

- (4) Where an application for the renewal of a national licence has been duly made to the Authority, they shall (subject to subsection (5)) grant the application if, but only if—
- (a) the Authority are satisfied that the applicant would, if his licence were renewed, provide a national service which complied with the conditions included in the licence in pursuance of section 106 (whether as originally imposed or as varied under that section),
 - (b) the applicant has given notice to the Authority under section 41(2)(a) of the Broadcasting Act 1996 of his intention to provide a service for broadcasting in digital form, and
 - (c) a simulcast radio service provided by the applicant is being broadcast in digital form or the Authority are satisfied that by the relevant date the applicant has done all that it would in the circumstances be reasonable to expect him to do by that date to procure the broadcasting of such a service within such time as the Authority consider reasonable.
- (5) Section 100(4) to (6) shall apply in relation to an applicant for the renewal of a national licence as those provisions apply in relation to such an applicant as is mentioned in section 100(4), but as if any reference to the awarding of such a licence to the applicant were a reference to the renewal of the applicant's licence under this section.
- (6) On the grant of any application under this section the Authority—
- (a) may, in a case where a simulcast radio service provided by the applicant is not yet being broadcast in digital form on the relevant date, determine a date by which the broadcasting of such a service in that form must begin;

 - (c) may specify a different percentage from that specified under section 98(1)(d)(ii) as the percentage of qualifying revenue for each accounting period of his that will be payable by the applicant in pursuance of section 102(1)(c) during the period for which the licence is to be renewed.
- (7) The amount determined by the Authority under subsection (6)(b) in connection with the renewal of a licence shall be such amount as would, in their opinion, be payable to them by virtue of section 102(1)(a) if they were granting a fresh licence to provide the national service in question.
- (8) Where the Authority have granted a person's application under this section they shall formally renew his licence not later than the relevant date or, if that is not reasonably practicable (whether because subsection (3)(a) precluded the consideration of the application before that date or for any other reason), as soon after that date as is reasonably practicable; and they shall not so renew his licence unless they have notified him of—
- (a) any date determined by them under subsection (6)(a),
 - (b) the amount determined by them under subsection (6)(b), and

 - (ii) subject to any determination made under subsection (6)(c);
 - (b) (subject to paragraph (a)) that section shall have effect in relation to the period for which the licence has been renewed as it has effect in relation to the period for which a national licence is originally in force;
 - (c) where the Authority have determined a date under subsection (6)(a), they shall include in the licence as renewed a condition requiring a simulcast radio service to be broadcast in digital form throughout the period beginning with the date determined under subsection (6)(a) and ending with the date on which the licence (as renewed) is to expire; and
 - (d) the reference in section 111(4) to the end of the period for which a national licence is to continue in force shall, in relation to the licence, be construed as a reference to the end of the period for which it has been renewed.
- (10) Subsections (6)(a) and (9)(c) do not prejudice the generality of section 48(3)(b) of the Broadcasting Act 1996 (power to vary national licence to include conditions relating to digital broadcasting).
- (11) In this section—
- “simulcast radio service” has the same meaning as in Part II of the Broadcasting Act 1996;
 - “the relevant date”, in relation to a national licence, means the date which the Authority determine to be that by which they would need to publish a notice under section 98(1) if they were to grant, as from the date on which that licence would expire if not renewed, a fresh licence to provide the national service formerly provided under that licence.”

 - (b) a complaint made under subsection (2) or (3) by a person other than the person affected or a person authorised by him, if it appears to [^{F387}OFCOM] that the complainant’s connection with the person affected is not sufficiently close to justify the making of the complaint by him.
